**MICHIGAN STATE POLICE  
EXECUTIVE COUNCIL MEETING  
February 2, 2016**

A meeting of the Executive Council was called to order at 9:00 a.m. at State Police Headquarters with the following persons in attendance:

Col. Kriste Kibbey Etue, Director  
Lt. Col. Richard Arnold, Deputy Director, State Services Bureau  
Lt. Col. Gary Gorski, Deputy Director, Specialized Services Bureau  
Lt. Col. Thomas Sands, Deputy Director, Field Services Bureau  
Mr. Shawn Sible, Deputy Director, Administrative Services Bureau  
Capt. Greg Zarotney, Chief of Staff, Office of the Director  
Ms. Linda Cwiek, Office of the Director  
Ms. Josephine Klotz, Office of the Director

Guests: Ms. Stephanie Horton, Human Resources Division  
Ms. Sherri Irwin, Departmental Services Division  
Capt. Christopher Kelenske, Emergency Management and Homeland Security Division  
Ms. Jacqueline Reese, Internal Auditor  
Ms. Shanon Banner, Public Affairs Section  
F/Lt. Chris Hawkins, Legislative and Legal Resources Section  
F/Lt. Robert Hendrix, Recruiting and Selection Section

**1. Legislative Update**

F/Lieutenant Hawkins provided an update on pending legislative issues, to include roadside testing of oral fluids, proposed expansion of airport police authority, and critical infrastructure Freedom of Information Act exemptions. The process of soliciting legislative priorities has been changed. Rather than soliciting ideas from employees on an annual basis, the Legislative and Legal Resources Section will accept suggestions at any time. Submissions will be reviewed by the Executive Council as they are received to determine whether they will be added to the department's legislative priority list.

**2. Equal Opportunity Employment Plan (EEOP)**

As a recipient of federal grant funds, the department is required to collect and maintain extensive employment data by race, national origin, and sex. Ms. Jackie Reese and Ms. Stephanie Horton reviewed with Executive Council members the EEOP Utilization Report prepared for the U.S. Department of Justice, Office of Justice Programs. Following this review, the Executive Council decided on the following action plan:

- The Executive Council will review the department's employment data on an annual basis. This requirement will be added to the department's Official Orders.
- The EEOP Utilization Report will be posted on the department's Human Resources Intranet site, making it available to all employees and for employees to share with members of the public who may request a copy. The Human Resources Division will post a memo on Official Correspondence to notify employees of this report.
- The department will research options for obtaining employment data from all law enforcement agencies in Michigan.
- Further research will be done to determine if the topic of employment data might be appropriate for a future Leadership Development Academy or Staff and Command project.
- The competency "Valuing Diversity and Inclusion" will be added to managers' performance plans in the future.

### 3. Recruiting

F/Lieutenant Hendrix provided Executive Council members with an update on trooper recruiting activities. Several changes have been made to improve and streamline the steps, without negatively impacting the effectiveness of the process. The entry level exam was updated in July of 2014, resulting in quicker turn-around times to receive scores; the application process was streamlined through use of NEOGOV, resulting in less paperwork and providing applicants the ability to check their status on-line at any time; and the physical agility test is now being offered in multiple areas of the state. In addition, the number of department members participating in pre-screening interviews, background reviews, and hiring panels has been limited to help ensure consistency in the evaluation process. Upcoming trooper recruit school dates are as follows:

- 129<sup>th</sup> Trooper Recruit School – starts March 27, 2016
- 130<sup>th</sup> Trooper Recruit School – starts June 5, 2016
- 131<sup>st</sup> Trooper Recruit School – starts July 17, 2016

### 4. Chaplain Corp Award

Lt. Colonel Arnold advised that the Chaplain Corp has requested permission to create an award to be granted annually to an enforcement member who displays selfless service traits and is dedicated to bettering the lives of those around them. Colonel Etue approved allowing the Chaplains to move forward with drafting a formal proposal for Executive Council approval.

### 5. Flint Water Response Efforts

Captain Kelenske and Ms. Banner provided an update on ongoing Flint water response efforts.

### 6. FY16 Spend Plans

Ms. Sherri Irwin walked Executive Council members through the department's FY16 spend plan and provided updates on the FY16 budget and FY 17 budget plans.

Minutes approved by Col. Kriste Kibbey Etue, Director

## Michigan leaders to announce action plan for Flint drinking water

### Friday, Oct. 2 at 1:30 p.m.

Local, state and federal leaders will host a press conference to announce a comprehensive action plan for addressing drinking water concerns in Flint. Participants will include:

- Harvey Hollins, Director of the Office of Urban Initiatives for Gov. Rick Snyder
- Dan Wyant, Director for the Michigan Department of Environmental Quality
- Nick Lyon, Director for the Michigan Department of Health and Human Services
- Dr. Eden Wells, Chief Medical Executive for the Michigan Department of Health and Human Services
- Dayne Walling, Mayor of Flint
- Other local, state and federal officials

Location:

Kettering University, Innovation Center  
1300 Bluff St.  
Flint, MI 48504

**This is a media event open to credentialed news media only. Media who plan to attend this event should RSVP by noon Friday.** Contact Rosemarie Olszewski at 517-284-6700 or [olszewski@michigan.gov](mailto:olszewski@michigan.gov).

## FLINT WATER RESPONSE TEAM

UPDATE | SATURDAY, JANUARY 23, 2016

This daily update is being issued in order to provide the latest information regarding actions and available resources.

### WATER RESOURCES

Yesterday, it was announced that over 37,697 home visits have been made in Flint by water resource teams. Today, there are about 55 teams made up of National Guard, state and local volunteers going to door-to-door to continue to ensure residents have bottled water and water filters for ongoing access to clean and safe drinking water.

The following resources have been distributed to residents, both at the water resource sites and by water response teams, in addition to donations:

- More than 121,400 cases of water
- More than 82,600 water filters
- More than 23,400 water testing kits

### DEQ SUSPENSIONS

As a result of the pending questions regarding employee actions related to water testing in Flint, action was taken Friday against two Michigan Department of Environmental Quality employees. Both employees have been suspended *pending an investigation, in accordance with Civil Service rules.*

[Click here for the Detroit Free Press article](#) on this announcement.

### CITY OF FLINT

On Friday, State Treasurer Nick Khouri approved the Receivership Transition Advisory Board's recommendation that additional executive powers be returned to the mayor of Flint. Governor Snyder stated, "Last week, I agreed with Flint Mayor Karen Weaver's request for the powers and authority vested in the city administrator to be transferred to the mayor, and I support the RTAB's decision today to return additional executive powers to Mayor Weaver during this critically important time. This is a positive step forward for the city of Flint." For more on the transfer, [click here for the Detroit News story](#).

### FLINT WATER TASK FORCE

The Flint Water Task Force released their second letter to the governor yesterday. Governor Snyder welcomes the recommendations from the task force and looks forward to their full report. To read more about their most recent letter, [click here for the MLive story](#).

### FEDS DENY APPEAL FOR DISASTER DECLARATION

President Obama denied the state's appeal for a disaster declaration to aid Flint, but the state of Michigan will seek more money under the emergency declaration. For more on the appeal and

denial [click here for the Detroit News story.](#)

## REMINDERS

- For Flint water assistance: Dial 211 or visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)
- To donate or volunteer: visit [www.HelpForFlint.com](http://www.HelpForFlint.com)
- Residents should install filters to their taps to ensure they have immediate and ongoing access to safe water. Only run cold water through the water filter and use filtered water for drinking and cooking. Monitor the cartridge on the filter and replace as needed.

## WATER RESOURCE LOCATIONS

These sites are open seven days a week from 9 a.m. to 9 p.m. with the following resources:

- Bottled water
- Water filters
- Replacement cartridges for water filters
- Water testing kits pick-up
- Drop-off location for water testing kits

Fire Station #1  
310 East 5th St.  
Flint, MI 48502

Fire Station #3  
1525 Martin Luther King Ave.  
Flint, MI 48503

Fire Station #5  
3402 Western Rd.  
Flint, MI 48506

Fire Station #6  
716 West Pierson Rd.  
Flint, MI 48505

Fire Station #8  
202 East Atherton Rd.  
Flint, MI 48507

We will continue to work to improve the water situation in Flint. Community members and local officials are working together to make sure we hear and respond to concerns. Governor Snyder will continue to keep you updated on the latest news and information. If you don't find the resources you need by dialing 211 please call the Governor's office directly at [517-335-7858](tel:517-335-7858).

### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### **Update 1/23/16 – 19<sup>th</sup> Day (18<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

##### **Mission focus for the day:**

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue door to door/Flint Water Response Teams (FWRTs)
- *Prepare appeal on denial of Category B under the Presidential Emergency Declaration*
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs

##### **Attached Documents:**

- SitRep 18

##### **Status on Governor’s request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### **Key items for tomorrow to note are:**

- We will have National Guard/state/local agency,
- We will have 40 ARC, type 5 teams (2-4 personnel).

##### **Items to Note**

- Deployed 15 state/local teams and 40 ARC Flint Water Response Teams to the field today.
- *Created a media monitoring report and looked for misinformation. A call was made to WILX to amend their article that implied that the State was not distributing water to undocumented immigrants. The news release was also sent to WILX about how the State is not requiring identification to receive water resources.*
- SEOC Logistics worked on future resource planning and a local business commodity supply plan.
- Drafted talking points for Monday’s press conference with Governor Snyder, Colonel Etue, and the Mayor.
- Put in place a place to control POD distribution as much as possible. SKU numbers are being lined out on commodities to prevent or minimize returns for cash.
- Information reported to the JIC:
  - As of 1/23/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

To Date	1/23/2016
37,943	6,323 National Guard
	7,361 ARC

2. Distributed: Includes outstanding data from yesterday- PODs after 5 pm, ARC worksheets and local EOC hotshots.

Commodity	Total to Date
a. Number of cases of water	148,866
b. Filters	86,843
c. Filter cartridges	194,622
d. Test kits	25,586

3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. ~45,000 hookups (This is our high end target #)
  - c. ~39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 133,662 (additional 24,634 donated)
  - b. Filters 115,700
  - c. Filter Cartridges 266,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a. --
  - b. 40 ARC (2-4 folks) type 5 teams

Goal tomorrow 300 homes per team

Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Worked to identify all vulnerable populations to help streamline Hot Shot/Rapid Response Team process.
- Working on plan for church water distribution and POD locations.
- Looking at possible alternative locations for PODs in difficult traffic areas. The city identified some but they are just as bad as the current ones.
- Working on finalizing a recycling plan for the incident.
- Lt. Roach sent up the church information to Tom Webber. She also received one church site that will act as a potential church mega site.
- SEOC GIS to provide a layer for the vulnerable populations so that Team Rubicon can get to them and track in the iPad.

#### New Standing Information Requirements

1. Number of homes visited each day:
  - a. 1/23/16, As of 5 pm, 13,684 homes were visited today
2. Total number of homes visited:
  - a. 37,943, does include duplicate counts from the second canvassing
3. Total number of National Guard on the ground:
  - a. 276
4. Total Number of Volunteers each day:
  - a. 310 volunteers for 1/23/2016
5. Number of homes with filters:

- a. 17,595 homes had filters, per entered GIS data as of 1/22/2016,
- 6. **Number of Water filters distributed (each day and to date):**
  - a. 4,156 were distributed on 1/23/2016, and total distributed to date is 86,843
- 7. **Cases of Bottle water distributed (each day and to date):**
  - a. 27,462 were distributed on 1/23/2016, and total distributed to date is 148,866
- 8. **Number of testing kits distributed (each day and to date):**
  - a. 2,171 were distributed on 1/23/2016, and total distributed to date is 25,586
- 9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Unknown at this time until we get the data
- 10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Unknown at this time until we get the data
- 11. **Number of homes with safe drinking water (Not sure whether it's possible right now to provide this number):**
  - a. Unknown at this time

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 1/22/16 – 18<sup>h</sup> Day (17<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue door to door/Flint Water Response Teams (FWRTs)
- Plan for next phase with MSP and NG personnel
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration
- Work with HHS personnel to ensure they have all items needed for operations

**Attached Documents:**

- SitRep # 17
- Briefing provided to the HHS Undersecretary by FEMA (due to time only finished 75%)

**Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Key items for tomorrow to note are:**

- 
- 40 ARC (2-4 folks) type 5 teams
- Deliveries going out to all churches on our list we have been working with (21) for Sunday services.
- I will not be in the SEOC Saturday. Tony Katarsky will be the acting SEOC state director. I will be available by phone (wrestling meet).
- Sunday, Lt. Mike Johnson will be acting SEOC state director but I may be in for some of the day.
- Monday I am out on a college visit with my son...I will be available by phone and Tony will again be acting.

**Items to Note**

- Deployed 15 state/local teams and 15 ARC Flint Water Response Teams to the field today.

- SEOC Operations worked on getting local contact into the JIC along with developing messaging for resources and donations.
- SEOC Planning worked on the further development of long term strategy.
- Recovery branch continued coordination with Red Cross on volunteers and the Michigan National Guard for Friday and Saturday.
- SEOC logistics worked with FEMA/DHHS on warehouse tracking status/strategy, coordinated resources, and donations management.
- Have had a number of media request concerning resources for immigrants and population less proficient in English. Clarified with a news release that we are not requiring ID but we are asking for addresses to assist with long term recovery. Nobody will be denied resources if they fail to provide us an address.
- Have received numerous inquiries from celebrities on how they can assist and donate.
- We are validating a lot of data but what we have currently is 38,144 parcels in Flint that are not considered "vacant". This does not mean all parcels have a tenant, there are a lot of houses that are empty.
  - 26,673 water subscribers in Flint (not including franchise).
    - Water Subscribers with a Filter = 15,399 (57.7%)
    - Water Subscribers without a Filter = 11,274 (42.2%)
      - With our second pass we are getting more information as to why people do not have a filter. Looking into whether these include homes connected but nobody currently living there. We are refining the data.
  - 11,471 Non-Water Subscribers in Flint.
    - Non Water Subscribers with a Filter = 2,196 (19%)
    - Non Water Subscribers without a Filter = 9,275 (81%)
  - The SEOC Ops Chief has been directed to firm up all numbers with GIS. We have a GIS specialist from FEMA Region V also deployed to the SEOC to assist. ArcGIS has advised us that the amount of data we have collected is more than some major disasters in other states. We are looking into getting their personnel more engaged to ensure we are using all the tools available for analysis.
- SEOC Finance Chief is working on costs to date and all SEMCs were advised to tighten up their records and ensure we have accountability of all costs.
- Information reported to the JIC:
  - As of 1/22/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

To Date	1/22/2016
37,697	5,920

2. Distributed: Includes outstanding data from yesterday (PODs after 5 pm, ARC worksheets and local EOC hotshots.)

Commodity	Total to Date
a. Number of cases of water	121,404
b. Filters	82,687
c. Filter cartridges	191,704
d. Test kits	23,415

3. Resources purchased:

- a. Cases of water 130,782 (additional 21,682 donated)
- b. Filters 115,700
- c. Filter Cartridges 266,200
- d. Test kits 61,161

4. Teams going out tomorrow:

- a.
- b. 40 ARC (2-4 folks) type 5 teams -- Goal tomorrow 100 homes per team

Local EOC

Operations:

- Worked to identify all vulnerable populations to help streamline Hot Shot process.
- Working on plan for church water distribution and POD locations.
- Looking at possible alternative locations for PODs in difficult traffic areas.
  - o Working on finding a new POD for 3 and 6. We are aware that the mayor would need to approve this.
- Coordinated water donations and delivery areas.
- Last minute large donations of water and volunteers expected during the weekend.
- Working on finalizing a recycling plan for the incident.
- The Jail water has been tested and is fine. The prisoners are not being poisoned and the local health department is working on clearing this issue up.
- Working on a plan with the churches to have 4 mega sites for churches (N,E,S,W) and have smaller churches work through these sites to get supplies. Churches are interested in the recycling program, putting information in their bulletins and also used a collection sites.
- Team Rubicon is coming tomorrow to assist with home deliveries.
- Continuing with recycling plan. Need to identify sites with city. Local EOC has visited areas with the local contractor.

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

**Update 1/21/16 – 17<sup>th</sup> Day (16<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

Mission focus for the day:

- *Receive, store and increase quantities of supplies*
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs) - “Phase II”
- Plan for next phase with MSP and NG personnel for Governor approval – “Phase III”
- Prepare for appeal on denial of Category B under the Presidential Emergency Declaration
- Work with HHS personnel to ensure they have all items needed for operations

Attached Documents:

- SitRep 16
- Draft Water Operations Plan for moving to next phases (Discussion document)
- Resident Water Sample Results Map (Not for public distribution)
- January 13-19 comparison map

Status on Governor’s request letter to the President

- Emergency declaration received. Pending decision of Major Disaster appeal and any denials under the Emergency Declaration (e.g. Category B). We have not been denied category B yet ... POTUS/FEMA has not given it to us though. I believe we may get a denial of category B in conjunction with the Major Disaster appeal decision. We will have 30 days to appeal.
  - o *Category B is critical in that it is for Emergency Protective Measures which includes (but is not limited to) EOC related costs, supplies and commodities, safety inspections, and in limited circumstances “water*

testing and treatment supplies in the immediate aftermath of the incident to counter a specific threat.” We purposely put our start date of this incident to be April 25, 2014 in hopes we get category B and could get 75% federal funds for many other costs all the way back to 2014 – long shot but would be huge if we land this.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have \_\_\_\_\_), with a goal of 300 homes per team.
  - We will have 15 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

Items to Note

- We are using the terms Phase II, Phase III, etc. These are for internal discussion for planning and not meant for public dissemination at this time unless it is determined to be beneficial.
- The draft operations plan (attached) was completed in conjunction with MSP and NG personnel to initiate discussion on our next steps as to WRTs and PODs.
- The WH issued a statement that \$80 million dollars in aid to MI mostly to repair Flint water infrastructure. We do not have additional information on this. This may be existing federal funds provided to MI that is just being opened up for other use. FEMA does not have any information on this.
- We have been advised we exceeded the \$5 million under the emergency declaration. We are at \$7.6 million.
- FEMA has advised that any donated items can be used to offset the state cost share. We are working on the mechanism with FEMA to do this.
- Deployed 18 state/local teams and 10 ARC Flint Water Response Teams to the field today.
- SEOC logistics worked to project future orders of water resources and commodities.
- Released updated JIC map at 1800 displaying updated field team activity and integrating historic paper records that have been entered into the tracking system for field team activity.
- DEQ test kits are only being provided to those who ask for them.
- I made contact with Senator Ananich aid, Julie Townsend, who was a POC for his volunteers. They are set to work next week on the 30<sup>th</sup>.
- MDOT met with city personnel to look at Station 6 POD and other PODs to see how traffic flow can be facilitated and safety increased. Additional report out due 1/22.
- A request from MSP MC3 for NG Cyber personnel (3 at \$32,000 for 30 days or less) was initiated. This is to assist with the cyber attacks that have occurred/future attacks related to Flint Water. PENDING APPROVAL. NG advised this would have to be funded with existing funds at this time and to make adjustments.
- MDARD Food Program staff have completed assessments of all 21 food businesses (including restaurants) that were located in the highest risk area. In addition, they have completed assessments at 34 food businesses in the medium risk area, and have scheduled 28 appointments to collect water samples.
- Dr. Nicole Lurie, the Assistant Secretary for Preparedness and Response from the US Department of Health and Human Services (HHS), in addition to the HHS Regional Coordinator and other CDC staff, visited the CHECC and SEOC this morning and provided commentary to CHECC and SEOC staff/EMCs. She also attended a briefing from FEMA before departing to visit Flint.
- Parents of boarding students at the Michigan School for the Deaf were notified of the elevated lead results in Stevens Hall. All fixtures in the dormitory are scheduled to be replaced by January 24, 2016. Lt Gov. has scheduled visit on January 25.
- Valley Area Agency on Aging (VAAA) continues to take calls from seniors and caregivers needing access to water and filters. VAAA is providing this information to the local EOC each afternoon for follow-up.
- Information reported to the JIC:
  - As of 1/21/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase 1	Phase 2
30,770	5,409

2. Distributed: Includes outstanding data from yesterday - PODs after 5 pm, ARC worksheets and local EOC hotshots.

Commodity	Phase 1	Phase 2	Total to Date
a. Number of cases of water	94,688	10,403	105,091
b. Filters	77,215	2,356	79,571
c. Filter cartridges	188,389	1,039	189,428
d. Test kits	20,037	1,588	21,625

3. Total number of customers on the Flint water system
- 29,944 paying customers
  - ~45,000 hookups (This is our high end target #)
  - ~39,000 includes apartment complexes/multi family (The is the low end target #)
4. Resources purchased:
- Cases of water 124,398 (additional 20,098 donated)
  - Filters 115,700
  - Filter cartridges 243,200
  - Test kits 61,161
5. Teams going out tomorrow:
- - 15 ARC (2-4 folks) type 5 teams -- Goal tomorrow 100 homes per team

#### Local EOC

- Attended ARC meeting with VOADs to discuss volunteer management and strategies.
- Attended meeting with Plumbers and Pipefitters Union to assess the need for long term cooperation for filter installation and fixture replacement.
- Requested and received confirmation of deployment of Team Rubicon (starting on 01/23/2016).
- Facilitated Flint & Genesee Chamber of Commerce representation at the EOC.
- Addressed security issues at Fire Station 3, 6 and 8 PODs (residents concerned about criminal activity).
- Coordinating with SEOC Logistics to receive information on purchasing strategy and volumes for filter equipment.
- Met with Genesee County Planning Commission, United Way of Genesee County and Michigan Community Service Commission to clarify recycling plans and potential volunteer utilization.
- Coordinated and verified deliveries of supplies to apartment complexes.
- Identified potential locations for recycling stations.

Chris

#### Update 1/20/16 – 16<sup>th</sup> Day (15<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies

- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for second phase of door to door operations
- Submitted appeal to FEMA Region V
- Prepare for appeal on denial of Category B under the Presidential Emergency Declaration

Attached Documents:

- SitRep 16

Status on Governor's request letter to the President:

- Emergency declaration received.

Key items for tomorrow to note are:

- Five copies of the State/FEMA agreement will need to be signed by the Governor. Capt. Kelenske has them and will coordinate delivery.
- The logistics plan will be fully executed tomorrow with all teams.
  - We will have : \_\_\_\_\_), with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- Dr. Luri from HHS will be at the SEOC ~10:00 p.m.
- A second phase is starting tomorrow which will include more refined questions as to type of filter systems each person has. This will assist with sustainment operations.
- DOC prison work crew personnel (6-7) will be at the warehouse to keep the area clean. A lot of trash is generated in the warehouse and was becoming an issue.

Items to Note

- Deployed 10 state/local (NG, MSP, Local) teams and 10 ARC Flint Water Response Teams to the field today.
- MSP and local Sheriff's Department continue to provide over watch for WRTs.
- Aqua Hydrate contacted me to donate 5000 cases a month (4 semis) for a year. I was advised by Lindon Nelson this was a Governor/Mayor/Senator Ananich and Meekhof initiative and a press release was going to go out soon (TBD). Logistics is following up with them.
- News release sent from Governor's office about the appeal to the President of the disaster declaration.
- SEOC Logistics worked with JIC and Governor's office to establish a business resource submission tab on [www.helpforflint.com](http://www.helpforflint.com)
- SEOC Operations continued to develop and finalize Phase 2 canvassing roll out.
- Meeting held with Dr. Luri from HHS.
- Capt. Kelenske and other state agency financial personnel attended the appropriations hearing.
- End of day – concerns with the mass amounts of volunteers showing up and wanting to help. This can cause logistical issues but staff was working to get additional tasks for volunteers outside of the WRTs. We will continue to work on ways to involve more volunteers.
- Additional 5 person NG team for warehouse support approved.
- Information reported to the JIC:
  - As of 1/20/16 as of 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. 29,317 homes visited by the FWRTs to date.

2. Distributed: Includes outstanding hard copy data from yesterday (PODs after 5 pm, ARC worksheets and local EOC hotshots).
  - a. Number of cases of water 90,337

- b. Filters 73,229
  - c. Filter cartridges 185,852
  - d. Test kits 19,866
- 3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
- 4. Resources purchased:
  - a. Cases of water 111,630 (additional 18,502 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
- 5. Teams going out tomorrow:
  - a.
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Addressed reports of water contamination in distributed bottled and canned water. Confirmed that water is safe to drink through testing by MDEQ. Coordinating with JIC and MDEQ for improved public information on the issue.
- Identifying options to reroute unsolicited offers for supplies and services outside of the EOC. Coordinating to set up 800 number.
- Attended meeting with Flint & Genesee Chamber of Commerce to discuss coordination of efforts, representation at EOC, and improved messaging.
- Attended meeting with Community Foundation of Greater Flint to discuss coordination of neighborhood groups and improved messaging.
- Coordinated with MDARD to provide additional lead testing at restaurants, and signage for safe locations.
- Coordinating with SEOC Logistics to receive information on purchasing strategy and volumes for filter equipment.
- Coordinated and verified deliveries of supplies to apartment complexes.
- Discussed logistics requirements of delivery requests for homebound residents with SEOC Logistics.

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### **Update 1/19/16 – 15<sup>th</sup> Day (14<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Prepare plans for next phase of operation – Second sweep of city

Attached Documents:

- SitRep 14

Status on Governor's request letter to the President:

- Emergency declaration received.
- Appeal letter pending.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - 
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

Items to Note

- Deployed 5 state/local teams and 11 ARC Flint Water Response Teams to the field today.
- Messaging being developed for concerns regarding the Total Dissolved Solids (TDS) meters and citizens' concerns with those meters indicating "lead" in bottled water. Testing of water to be done by DEQ to ensure we have solid messaging.
- DTMB is working to secure space in Flint for FEMA staff.
- Press release went out this afternoon to announce that the US Department of Health and Human Services will lead the federal response in Flint. Capt. Kelenske to meet with Dr. Nicole Lurie, HHS Assistant Secretary for Preparedness and Response (ASPR), on Thursday. The goal of the federal response will be to help state and local leaders identify the size and scope of the problem, and work with them to make and execute a plan for mitigation of the short- and long-term health effects of lead exposure.
- 5 Additional NG personnel being requested to assist with Warehouse inventories.
- 100 NG personnel on the ground with the WRTs tomorrow with 100 more transitioning in.
- Released updated JIC map at 1800 displaying updated field team activity and integrating historic paper records that have been entered into the tracking system for field team activity.
- LG is going to be in Flint working at one of the PODs on Wednesday.
- Information reported to the JIC:

- As of 1/19/16 as of 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. 22,129 homes visited by the FWRTs to date.
2. Distributed: Includes outstanding data from yesterday - PODs after 5 pm, ARC worksheets and local EOC hotshots.
  - a. Number of cases of water 77,794
  - b. Filters 69,730
  - c. Filter cartridges 184,457
  - d. Test kits 16,671
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 95,760 (additional 16,056 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161

5. Teams going out tomorrow:

- a.
- b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

Local EOC

Operations:

- Attended public health group meeting with GCHD, City of Flint Water Department and MDEQ to discuss water test information being returned to residents, to allow residents a greater understanding of results.
- Attended recycling/trash management group meeting with DEQ, Republic Services, Keep Genesee County Beautiful and Genesee County Planning Commission. Provided projections on current and anticipated bottle distributions.
- Coordinated deliveries of supplies to faith-based organizations, apartment complexes and homebound residents.
- Coordinated with Comcast to set up locations for distribution of filters (distributed 60 filters on 01/19/2016).

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

**Update 1/18/16 – 14<sup>th</sup> Day (13<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs) and PODs
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.
- Complete appeal for Presidential Major Disaster Declaration denial.

Attached Documents:

- SitRep 13
- Side by side comparison of homes with filters January 13<sup>th</sup> compared to January 18<sup>th</sup>. This should be hitting the media tonight. This took longer to create than I wanted but is the image I have wanted to show progress of getting filters in to the field.

Status on Governor’s request letter to the President:

- Appeal in process.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - 
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
  - NG will be bringing in personnel to prep for surge.

Items to Note

- Beginning tomorrow the operational periods will be 7 days long.
- The CDC/ATSDR (Agency for Toxic Substances Disease Registry) has deployed a team to Michigan.

- An Arabic version of the palm card was reviewed and approved. This was developed via Arab American and Chaldean Council.
- Deployed 12 state/local teams and 10 ARC Flint Water Response Teams to the field today.
- DTMB is working to secure space in Flint for FEMA staff.
- Cost analysis to investigate if it would be more cost effective for FEMA to purchase water vs the SOM.
- ARC news release concerning the Volunteer Reception Center (VRC) sent out today.
- Media availability conducted today at 3pm at the VRC.
- Since 1/14/16 Michigan 2-1-1 has received three direct reports of bottled water testing positive for lead. DHHS SEOC Desk and DEQ SEOC Desk was able to contact two of the callers. The Zero Water filter (pitcher) has a handheld test device so people know when to change the filter. This TDS Meter measures dissolved solids (it is not a lead test). This was explained and we are going to work on messaging to ensure this does not cause issues. Dissolved solids are in all water. The water from the callers is going to be tested and a case of water from one of the companies will also be sent to DEQ for testing. Brands are Spartan Spring Water and Canned Water for Kids. The filter company is also going to work on messaging and work with us on this matter.
- Information reported to the JIC:

- As of 1/17/16 as of 5 pm (start date was Tuesday, 1/12/16)

1. 21,393 homes visited by the FWRTs to date.

2. Distributed:

- a. Number of cases of water 37,313
- b. Filters 53,713
- c. Filter cartridges 169,520
- d. Test kits 7,379

3. Total number of customers on the Flint water system

- a. 29,944 paying customers
- b. 45,000 hookups (This is our high end target #)
- c. 39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased:

- a. Cases of water 82,992 (additional 16,056 donated)
- b. Filters 115,700
- c. Filter cartridges 243,200
- d. Test kits 61,161

5. Teams going out tomorrow:

- a.
- b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Continuing to work with faith based organization to distribute resources.
- Working with colleges to obtain volunteers for canvassing.

Chris

---

#### Update 1/17/16 – 13<sup>th</sup> Day (12<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs), PODs
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.

Attached Documents:

- SitRep 12

Status on Governor's request letter to the President:

- Emergency declaration received.
  - Limited to direct assistance so we will need to ask for the Individual Housing Program but that is something I will work on with FEMA.
- Major disaster declaration denied. The appeal is being developed with a draft to Paul Smith by later afternoon 1/18/16.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 12 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

Items to Note

- Deployed 11 state/local teams and 10 ARC Flint Water Response Teams to the field today.
  - 4,963 homes visited today.

01/16/16

01/17/16

- Information reported to the JIC:
  - As of 1/17/16 as of 7pm (start date was Tuesday, 1/12/16)

1. 16,353 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received from prior to the SEOC activation (trying to validate the data) plus the PODs and door to door operations since activation.
2. Distributed:
  - a. Number of cases of water 27,195
  - b. Filters 50,432
  - c. Filter cartridges 168,605
  - d. Test kits 4,861
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 57,456 (additional 12,884 donated)
  - b. Filters 108,520
  - c. Filter cartridges 239,081
  - d. Test kits 28,901
5. Teams going out tomorrow:
  - a.
  - b. 12 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

#### Operations:

- Facilitated activation of the Genesee County/Genesee Health System MOU for mental health services.
- Coordinated supplies for distribution to students at the U of M Flint campus.
- Still concerned about people going to every fire station and collecting water/filters.
- Coordinated trash pickup at Fire Station PODs with the City Liaison officer.
- Coordinated hotshot deliveries of supplies to home bound population.

Chris

---

#### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

#### Update 1/16/16 – 12<sup>th</sup> Day (11<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to prepare for engagement following the Presidential Emergency declaration

#### Attached Documents:

- SitRep 11

#### Status on Governor's request letter to the President:

- Emergency declaration received. Federal Coordinating Officer (FCO) is David Samaneigo (Sam) who has been my LNO from FEMA. We began discussions on a transition to FEMA support last night. His team is headed to MI at this time and we will have our first coordination meeting on Sunday.
- The request for a Declaration of a Major Disaster was denied. FEMA advised this event does not fit the legal definition of a major disaster (natural incident or fire, flood, or explosion). This information has been provided since prior to the event to elected officials in Flint and the legislature. We are reviewing the chances for an appeal and I have already discussed this with the FCO.

#### Key items for tomorrow to note:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- I will be back on duty Sunday.
- We have been working with some of the churches. Contact was made with 14 churches for Sunday distributions. Interaction with the pastors has been very positive.
- A logistics briefing will be provided to see how many more teams we can put in the field.

#### Items to Note

- LT Gov visited the local EOC today; discussed local EOC operations.
- Deployed 11 state teams and 10 ARC Flint Water Response Teams to the field today.
- DEQ sampling kits are now being received at the PODs.
- DEQ sampled two Head Start facilities and worked with GIS to obtain future sample sites.
- The Freeman School pilot was delayed due to some parts not arriving as scheduled. Testing was to be done Sunday but may not occur until Monday.
- NG will have a total of 38 personnel in the PODs for distribution. Mission has not changed.
  - 34 NG soldiers have been in the PODS. 38 more processing in tomorrow with start date of 1/18 in the PODS. The TAG and I will be discussing future use of NG personnel door to door next week.
- Information reported to the JIC:

◦ As of 1/16/16 7pm (start date was Tuesday, 1/12/16)

1. 11,324 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received prior to the SEOC activation plus the PODs and door to door operations since activation. 3,850 homes were visited today (4,000 was the goal).

#### 2. Distributed:

- a. Number of cases of water 20,876
- b. Filters 47,935
- c. Filter cartridges 167,401
- d. Test kits 3,322

#### 3. Total number of customers on the Flint water system

- a. 29,944 paying customers
- b. 45,000 hookups (This is our high end target #)
- c. 39,000 includes apartment complexes (The is the low end target #)

#### 4. Resources purchased:

- a. Cases of water 57,456 (additional 12,884 donated)
- b. Filters 108,520
- c. Filter cartridges 239,081
- d. Test kits 28,901

5. Teams going out tomorrow:

- a.
- b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

Local EOC

Operations:

- Provided direction to Operations and Logistics Section to initiate water sample collection at PODs.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional churches were supplied with water, filters and test kits.
- Still concerned about people going to every fire station and collecting water/filters.
- Station #6 (POD) has associated safety concerns due to proximity of street and lack of suitable parking. We are working to resolve.

Chris

**Subject:** SEOC Update 1/15/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

**Update 1/15/16 – 11<sup>th</sup> Day (10<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

**Mission focus for the day:**

- Receive, store and increase quantities of supplies
- Pilot the logistics plan and adjust as needed
- Continue with door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to ensure we get a Presidential Declaration of a Major Disaster and Emergency

**Attached Documents:**

- SitRep 10

**Status on Governor’s request letter to the President:**

- All documents for the presidential request have been submitted to FEMA. Numerous calls and meetings took place between me and FEMA today.
- When we get the declaration(s) ... I will set up a legislative/congressional call to explain and provide bullet points as to what programs we will received. The Federal Coordinating Officer assigned will also be with me to answer questions. This has helped in the past.

**Key items for tomorrow to note are:**

- The logistics plan will be fully executed tomorrow with all teams.
  - 
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
  - A pilot team was used to test our logistics plan today and with 60% strength they had 160% output (830 homes).

- I will be off tomorrow but available by cell. Tony Katarsky will be SEOC State Director. I will be back in on Sunday.

#### Items to Note

- LT Gov visited the local EOC and SEOC today. He was able to hear our final briefing for the day.
  - Held a short session managing stress with SEOC staff. Two handouts were put in MICIMS for all state and local personnel to view.
  - Deployed 10 state teams and 5 ARC Flint Water Response Teams to the field today.
  - Standing requirements were created for the JIC so we can get information to the media every day. Below are the current ones we have in place and we should have something out tonight according to the JIC.
    - As of 1/15/16 as of 7pm (start date was Tuesday, 1/12/16)
1. 7474 homes visited by the FWRTs. We believe we have ~24,000 homes with filters but are trying to validate that information. This is from the data we received from prior to the SEOC activation plus the PODs and door to door operations since activation.
  2. Distributed:
    - a. Number of cases of water 18,576
    - b. Filters 45,916
    - c. Filter cartridges 165,382
    - d. Test kits 3,217
  3. Total number of customers on the Flint water system
    - a. 29,944 paying customers
    - b. 45,000 hookups (This is our high end target #)
    - c. 39,000 includes apartment complexes (The is the low end target #)
  4. Resources purchased:
    - a. Cases of water 44,688 (additional 12,884 donated)
    - b. Filters 78,520
    - c. Filter cartridges 163,081
    - d. Test kits 18,761
  5. Teams going out tomorrow:
    - a. -am
    - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Home Deliveries:

- Still receiving lists from the Valley Area Agency on Aging (VAAA) on home deliveries and forwarding these to the Sheriff's office. They are going through a lot of homes. 120 out of 125 homes were completed yesterday.

##### Operations:

- We sent staff to visit Fire Station 6 and the warehouse today. Fire station 6 traffic was congested and that was during a "slow" time. The National Guard is identifying what is needed to alleviate this. MSP is working on providing uniform presence as needed. An additional iPad at each location will hopefully help relieve the amount of time that people are spending at the distribution sites.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional requests from churches were made and I approved the locations so they could be ready for Sunday. Lt. Roach was told by one of the pastors that he met with the Gov today and expressed how much he appreciated the efforts put forth. We should have 14 for this Sunday. We are working on how we can increase this output.

- Still concerned about people going to every fire station and collecting water/filters. NG personnel observed vehicles with several cases of water an overheard saying they were heading to the next station. Some people were helping themselves and taking more than one case at a time. Per the NG they cannot physically stop people from doing so. The NG is going to try to change staging in the fire stations to try to prevent this.
- Flint PD is going to check in every day with the EOC and provide a specific contact person. They are also going to help with traffic issues at the PODS. Will ask Flint PD to provide a presence when water is off loaded at a POD to help prevent people from "helping themselves."

Chris

---

## **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

### **Update 1/14/16 – 10<sup>th</sup> Day (9<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and finalize lease on warehouse space/begin to move supplies from GCCARD to new warehouse
- Continue with door to door teams and finalize planning for future team use
- Submit request for a Presidential Declaration of a Major Disaster and Emergency
- Continue to work on long term recovery items (DHHS, DEQ, MDARD)

#### **Attached Documents:**

- SitRep 9

#### **Status on Governor’s request letter to the President:**

- All documents for the presidential request have been submitted to FEMA. I had a lengthy conversation with the FEMA Region V Administrator reference the request prior to sending.

#### **Key items for tomorrow to note are:**

- The door to door teams will continue in the morning.
- We will continue to ramp up door to door operations with additional teams. Teams continue to focus on the high lead level areas and additional data is being analyzed to focus mission areas.
- ARC will increase the number of their Water Response Teams.
- Supply burn rates as well as projections on how many teams will be needed to put filters in all homes within 3 and 5 days will be completed. Analysis will be done to see if NG personnel may be needed to finish in quicker manner.

#### **Items to Note**

- DEQ was notified of the number of homes who are willing to have them take additional samples in the future (current number (114). This question was added to the App being used by the Water Response Teams. Data will be provided when needed.
- LT Gov is scheduled to be at the local EOC and SEOC (~4:30) tomorrow to see the operations.
- Secured 80,000 sq. ft. of a warehouse today. Working to consolidate all resources in one location. Tomorrow will be the first day of full implementation of our logistics plan.
- Email sent to state employees to request volunteers for weekend.
- Media monitoring showed no incorrect information today.
- Michigan Association of Broadcasters is sending PSA to radio stations.
- Coordinating with Red Cross on volunteers for weekend.

- Deployed 8 Water Response Teams to the field today (approx. 120 volunteers). 78 Red Cross volunteers active across the operation today.
- National Guard is ramping up to have 3 soldiers per shift at each POD tomorrow. Will also have a Public Affairs Officer at the JIC and liaison at the local EOC.
- Senator Ananich visited the SEOC today to see how things operate. The visit went well and he seemed happy with the number of staff working the Flint event. He tweeted out a message indicating there is still a lot of work to be done but all are working hard.
- DHHS
  - The Community Health Emergency Coordination Center (CHECC) is working on the following:
    - A nutrition plan
    - Education materials, messaging, and working with local agencies
    - *Developing a community assessment for disaster behavioral health services.*
- Lined up the delivery of filters to two large apartment complexes and a student housing complex.
- We have the list of individuals needing home service (additional contacts will be sent to the Ops Chief at the Local EOC each day at 4:00). Info will be provided to the sheriff's office for action.
- Water Response Team Numbers (this is not the total of homes with filters – I will provide that number tomorrow but it appears we have filters in over half the residences):

	TOTAL	1/12/2016	1/13/2016	1/14/2016
Occupied Homes	1450	242	492	716
Vacant Homes	1967	152	161	1654
<b>Total Homes</b>	<b>3417</b>	<b>394</b>	<b>653</b>	<b>2370</b>
<b>Resources</b>				
Door Hangars	1487	217	453	817
Water	588	117	254	217
Filters	945	112	220	613
Pitchers	22	3	13	6
Water test kits	217	48	109	60
Replacement Filter	482		137	345
<b>Total Resources Dispersed</b>	<b>3741</b>			
Future sample test site	114	28	34	52

Chris

---

#### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

#### Update 1/13/16 – 9<sup>th</sup> Day (8<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and close lease on warehouse space
- Continue with door to door teams and finalize planning for second wave increase (+15 teams – total for 1/14/16 will be 20)
- Continue to work on Governor's Declaration of an Emergency

#### Attached Documents:

- SitRep 8

#### Status on Governor's request letter to the President:

- All support data from state Agencies and local jurisdictions collected as of 6:00 pm on 01-13-16
- Current timeline:
  - First draft completed and ready for review by State Department Directors (including the Attorney General) by 11:00 am on 01-14-16
  - State agency reviews due back by 1:00 pm on 01-14-16 for revision of the draft
  - Revised draft to Captain Kelenske by 2:00 pm on 01-14-16 for review and forwarding to the Governor for final review
  - Final draft (based on Governor's review) submitted to FEMA Region V Administrator by no later than cob 01-14-16 but hopefully sooner. FEMA is aware and ready to receive.

#### Requests and potential response from FEMA/President

- The letter will request all programs eligible under the Stafford Act including Public Assistance, Individual Assistance, Hazard Mitigation, FEMA's coordination of assistance from other Federal agencies and direct assistance from FEMA
- The letter will also request potential direct reimbursement from other Federal agencies such as EPA, CDC, HUD, DHHS and SBA
- This request is in coordination with the request for Non-Stafford Act federal assistance already requested and received by the State (technical assistance and administration, but no direct reimbursement of disaster costs)
- Direct Federal assistance from FEMA in the form of Individual Assistance to homeowners for household repairs (repair and/or replacement of water service lines and Other Needs Assistance to reimburse for water filters, bottled water, etc.) is a possibility
- Direct Federal assistance from FEMA in the form of Public Assistance is not as likely as it is mostly replacement of publicly owned water distribution lines (and not the direct result of damage from a natural cause)
- If Stafford Act assistance is denied (Public Assistance, Individual Assistance and Hazard Mitigation) FEMA could still provide coordination of assistance from other Federal agencies if the President declares a disaster (or emergency) for the State of Michigan

#### Key items for tomorrow to note are:

- The door to door teams will continue at 9 a.m. – 5 p.m. Thursday morning and continue through the weekend.
- We will continue to ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas and additional data is being analyzed to focus mission areas.
- MNG will have a press event at the armory with incoming soldiers and MG Vadnais.

#### Items to Note

- Received information that Rev. Jesse Jackson will be in town 1/17/16 at 1:30 at the Heavenly Host Church of the Harvest of Dartmouth St, Flint.
- Managed and corrected misinformation on NG role.
- Senator Ananich is stopping by the SEOC tomorrow morning 0845. I am meeting with him and his Chief of Staff. Short visit as he has a 0930 at the Capitol.
- Working with Comcast so they can put teams in the field for distribution.
- Penske is going to give us 15-20 trucks over the weekend.
- Contact made with Two Men and a Truck for resources.
- Meeting set with Google where they will brief me and key staff potential tasks.
- Coordinated with Flint Mass Transportation Authority (MTA) to include Fire Station PODs on bus routes.
- Tomorrow I will have a projection as to the number of teams needed to get all citizens filters in their homes in 5 days / 3 days.
- We are standardizing team structure and supply deployment to increase efficiencies. Mission Ready Package (MRP) specifications will be sent out for other entities to assist with door to door. They will then be able to arrive as a MRP, get supplies, receive a mission location and deploy.

- 5 Water Response Teams were in the field again today. Below are the numbers from the 2 days of just the Water Response Teams (there are paper copies with data still to be entered from the PODs). I was just briefed by the ARC logistics planner and there are efficiencies we can put in place to increase homes touched per day. The next version of the app will provide more granular details. Additional 30 tablets were configured by DTMB today for field implementation to include use in the PODs.

	Total	1/12/2016	1/13/2016
<b>Occupied Homes</b>	533	242	291
<b>Vacant Homes</b>	238	152	86
<b>Total Homes</b>	<b>771</b>	<b>394</b>	<b>377</b>
<b>Resources</b>			
Door Hangars	473	217	256
Water	265	117	148
Filters	235	112	123
Pitchers	9	3	6
Water test kits	92	48	44
Replacement Filter	93		93
<b>Total Resources Dispersed</b>	<b>1167</b>		
Future sample test site	62	28	34

- We show 17,276 residences with filters (this does not include data entry to be completed from POD or other locations).
  - We have 35,378 service hookups but with apartments, multi residence dwellings, etc we would be around 45,000.
- Logistics Support
  - The American Red Cross Logistics Planner provided me a brief and I approved the plan forward. The current plan includes:
    - Mission – A filter in every home ASAP.
    - 4 Distribution Methods
      - PODs (5)
      - Water Response Teams (20 effective tomorrow and this will increase)
      - Local EOC “Hot Shots” (these are calls for functional needs, unable to get to a POD location due to ??, etc). Personnel dispatched with supplies.
      - Local EOC support for other local requests (Faith based for distribution, etc.)
    - Three warehouse locations at this time
    - How to better leverage ARC resources
- Supplies – Daily Numbers
  - Replacement Cartridges - 30,700 delivered.
  - Water (cases) - 19,152 cases delivered
- Budget projection completed and will be submitted to SBO for review.
- Notes from Water Response Team Command (MSP)
  - Very good synergy between Flint Post troopers and Genesee County Sheriff command and deputies in effective and efficient deployments for distribution efforts.
  - Great attitude and efforts by uniforms and volunteers to make important contributions to the City of Flint on water response team deployments.
  - Clear direction and coordination in the field of supply teams by lieutenants and troopers. No confusion. Clearly defined roles.

All personnel continue to be fully committed to fixing this as quickly as possible.

Chris

---

#### Update 1/12/16 – 8<sup>th</sup> Day (7<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

I apologize in advance for the length of this report. With the supply issues we had the last couple of days I wanted to share our inventory plus what we anticipate to ensure we do not have supply issues.

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Fine-tune logistics
- Increase and deploy door to door teams (4 state teams added to teams from the Sheriff's Department)
- Increase collaboration and messaging of collaboration with local agencies (specifically the Sheriff's Department)

#### Attached Documents:

- SitRep 7
- Executive Order Activating the National Guard

#### Key items for tomorrow to note are:

- The Governor signed an Executive Order activating the National Guard. Mission will be to relieve ARC volunteers at the PODs (Fire Stations) which will free up the ARC volunteers for door to door activities.
  - I have briefed the ARC Disaster Officer on this plan.
- The Governor requested, through FEMA Region V, support from the Federal Emergency Management Agency (FEMA) to bring together and identify other federal agencies that may have programs and funding that could be dedicated to assisting Flint as part of an interagency recovery plan. One of the existing LNOs has been identified as the POC for this. He will be a great liaison for the FWIACC.
- The door to door teams will continue at 0830 Wednesday morning and continue through the weekend and ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas.
- We will look at all commodities and see where we are and where we need to be while working with the ARC logistics specialist.

#### Items to Note

- PSA video sent out to Flint citizens on resources available.
- Water
  - Today's numbers - 7,824 cases of water arrived today, 1/12/16 (109 pallets)
  - Ordered:
    - 19,152 cases of water are going to arrive Wednesday, 1/13/16 (266 pallets)
      - 1/3 is going to GCCARD and the rest is going to the new warehouse
    - 12,768 cases to arrive daily beginning Thursday through Saturday (177 pallets a day)
- Filters
  - Today's numbers
    - Ordered on 1/11/16 and delivered 1/12/16 direct to GCCARD
      - 2,000 – Brita filter faucet mounts
    - Filter Replacements
      - 2,400 – Brita filter replacements (single pack)
      - 8,000 – Brita filter replacements (two pack)

- Ordered on 1/12/16 to arrive Wednesday
  - Faucet Mounts – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
    - 10,000 – PUR Vertical faucet mount
    - 2,500 – PUR Horizontal mount
  - Replacement Filters – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
    - 10,000 – PUR replacement filters (3 pack)
    - 10,000 – PUR replacement filters (single pack)
  - PUR Combination Pack – to be delivered to GCCARD on 1/13/16 (Wednesday)
    - 10,700 – PUR combo packs
- To arrive Thursday
  - Zero Water Pitcher (8 Cup) – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 1,300 – Zero Water pitchers
  - Faucet Mounts – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 11,000 – PUR vertical faucet mount
    - 1,500 – PUR Horizontal faucet mount
    - 5,000 – Brita faucet mount
    - 10,000 – Brita adv faucet mount white
    - 12,000 – Brita adv faucet mount chrome
  - Replacement Filters – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 117,600 – PUR replacement filter
- Test Kits
  - 6601 unassembled kits arrived at GCCARD today, 1/12/16.
  - 500 have been assembled and are ready for distribution
  - 1000 additional unassembled kits have been ordered to be delivered at GCCARD (no ETA yet)
  - 10,142 unassembled kits to arrive at GCCARD early next week
- Second warehouse – Located in Flint
  - 100, 000 square feet of secure warehouse obtained.
  - Accepting commodities beginning Wednesday, January 13
- Logistics Support
  - The American Red Cross Logistics Planner arrived from DC today as requested. I outlined what her mission was and how I saw the progression forward. This logistics planner will assist in streamlining the inventory and distribution process now and into the future.
- Door to Door Numbers
  - Today the app implementation for the field went extremely well. There were a few issues that were quickly addressed. One related to how form fields should be filled out. Another was getting styluses for teams so that they don't have to remove their gloves in the cold. All very simple to fixes.
  - We are working on version 2.0 so this can be used at the PODs
  - We should be able to greatly optimize distribution in the near future as we mapped the active water subscribers from Flint's DPW and are adding them to the field team members apps. Of the ~56,000 possible addresses, this reduces the number of possible homes to visit down to ~29,000.
  - Notes from the field commander:
    - "Today we started out the day using two groups that consisted of approximately 10 people in each group. We eventually combine groups with Genesee County Sheriff's group and they brought two more groups with approx. 10 people (Local UAW) in each group. This made us a lot more efficient and we were able to set up a game plan. Tomorrow I feel we will be more efficient and we will have a better plan in place to get the maximum output out of our resources."
  - In the end, there were 394 total home visits with the following breakdowns:

- 217 Door Hangers
- 152 Vacant Homes
- 117 Water Distributions
- 112 Filters
- 3 Pitchers
- 48 Water Test Kits
- 211
  - CALL VOLUME:
    - 185 calls for water-related issues had been received as of 4:45 pm.
- Logistics made contact with Comcast and will be supplying them with filters and replacement cartridges for their deliveries in their work trucks as they make services calls. They will follow our procedures for reporting (our checklist).

Chris

---

#### Update 1/11/16

The focus today was the media event and getting the supplies and logistics on track. Most of the activity today was working on logistics for the water and other supplies.

#### Attached Documents:

- SitRep 6

#### Key items for tomorrow to note are:

- The door to door teams will start at 0830 Tuesday morning. It is reported that troopers are going to the door but DHHS employees are the lead with a troop car nearby.
  - State and local GIS created an App today for the teams to use tomorrow but I see potential use at distribution sites.
  - The App data will be used for our maps as we survey the public/distribute supplies and we will be getting real time metrics through the site from the field send back to the SEOC. We are using Android tablets tomorrow but in the future can use any mobile device for this.

#### Items to Note

- It was reported that only one POD (Station 5) was out of water longer than 30-45 minutes. This site was ~2 hours without water and part of that was the truck went to the wrong station. Trucks were sent as soon as the local EOC was notified.
- We also did not receive a DHHS shipment that was to come in which caused some filter delivery issues.
- Supplies are limited at this time; however, we are getting our shipments starting at 0630 tomorrow.
- We have Home Depot giving us 12,768 cases (this was a late development so the SitRep indicates half the amount) of water every day starting tomorrow. We are still working with other distributors too.
- ARC is flying in a logistics planner tomorrow. Three additional staff will be with her to shadow and help. We are turning warehouse logistics over to ARC logistics. We are moving tomorrow to a process that has a distribution center (GCCARD) and a warehouse that is 100,000 square that will maintain mass quantities. Staff has continually been placing orders for supplies to ensure we get a head of this. The intent is to keep the warehouse full so we do not have these continual issues of supplies.
- Began mapping lead service lines (anticipate having draft of lead service lines Friday).
- Coordinated with local IT managers overseeing filter tracking system to streamline data collection.

#### Local Emergency Operations Center

- Working to coordinate resources at the local level to maintain adequate supplies at all PODs.
- Demand has exceeded supplies and supplies are moving rapidly from PODs today. Working to make sure POD managers notify us when they start running low.
- Working to establish a warehouse for local resource storage.
- Established trigger points for resources at PODs and hourly inventory reporting from the PODs.
- Discussed potential long term water sources between local EOC and SEOC.
- Established planning cycle/meeting scheduled for 1/12/16.
- Local EOC EMHSD staff with Natasha Henderson to request deployment of City representative at local EOC.

Chris

---

### Update 1/10/16

#### Attached Documents:

- SitRep 5
- Door card (English version but Spanish version will be ready for Tuesday)

I have a local EOC section listed below but state personnel are heavily engaged in management of both locations. We occasionally hit some road bumps with this event but all personnel are working well together to accomplish our goals (especially state agency personnel).

I have had good discussion with FEMA LNOs. Two statements have been developed from our discussions that hopefully helps put this in more context but if it is more confusing I apologize:

1. In the immediate response, the State, in collaboration and coordination with city of Flint and county of Genesee are working to get water, water filters, and testing kits to the affected population. In conjunction, the state will coordinate with federal agencies to ascertain what resources can come to bear to help mitigate the issue.
2. If asked about a federal declaration from FEMA, we need to articulate the definition of major and emergency declaration and state or note to ourselves that it appears to not qualify; however, there may exist opportunities to leverage federal assistance from some agencies (i.e....EPA) under their own authority to help address this issue.
  - We need to really manage expectations on the potential for a federal declaration...not that we will not go after one but it will be difficult to get.
  - A major disaster is defined in the Stafford Act as any ***"nature catastrophe (including hurricane, tornado, storm, high water, winddriven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, snowstorm, or drought) or, regardless of cause any fire, flood, or explosion.....causes damage of sufficient severity and magnitude, to warrant major disaster assistance.....to supplement the efforts and available resources of States, and local government....."***
  - An emergency declaration is ***"is any occasion or instance for which, in determination .....assistance is needed to supplement State and local efforts and capabilities to save lives and protect property and public health and safety or to lessen or avert the threat of a catastrophe....."***
    - This is limited to immediate and short-term assistance (I hate to put times on this but short-term is like 3 weeks), essential to save lives, protect public health and safety and property.
  - Severity of the situation is ***"A finding that the situation is of such severity and magnitude that effective response is beyond the capability the state and affected local governments, and that the state requires supplementary federal emergency assistance to save and to protect property....***

- Nature of assistance for Emergency Declaration is for *“Debris removal, emergency protective measures, direct federal assistance....”*
  - Debris Removal = *self-explanatory and we do not have this*
  - Emergency Protective measures = *water, commodities, transportation (remember ... to supplement what the locals and state are already doing if we need more)*
  - Direct federal assistance= *what specific type of work is requested, and what are the reasons why the state/local government cannot perform or contract for performance. Essentially what is the need that state/local govt cannot provide. I can see this being something we need but we may be able to get this outside a federal declaration under the federal agencies own authority to help address this issue.*

Back to the update...

#### Key items for tomorrow to note are:

- Training is occurring for the door to door teams scheduled for Tuesday morning.
- Deploying an additional MSP District Coordinator to the local EOC for command and control support.
- Deploying two DTMB trucks and two drivers for sustained logistical support for the week.
- Media event with the Governor in Flint.
- New Incident Action Plan starts (1/11 0800 -1/13 0800 operational period). Our objectives are as follows:
  1. Ensure all households within impacted community have required resources.
  2. Ensure accurate tracking and accounting of all commodities.
  3. Improve and maintain public information strategy.
  4. Develop a long term public health and services plan.
  5. Ensure adequate staffing to support operational requirements.
  6. Identify possible assistance programs.
  7. Develop an approved GIS strategy.
  8. Maintain coordination between partner agencies and organizations.
  9. Enhance situational awareness and common operating picture of all activities.
  10. Develop a comprehensive Recovery Plan.

#### Items to Note

- All 9 churches had filter systems/replacement filters, information sheets, and water test kits delivered as requested by each pastor/reverend on Sunday. We did not think we could get them water due to the limited time but we did end up getting water to all 9 churches with the other items.
- Fire station resource locations stayed open from 9a to 9p and will continue with those hours until further notice (Staffing is in place until Saturday). ARC is staffing these locations.
- The media event was held at Fire Station No. 1 and report back is that it went well and the spirit of collaboration between local, state, non-governmental partners is strong was relayed.
- The four door to door teams will have the hours of 8:30 a.m. to 5 p.m.
  - Each will have logistics support from DTMB, security from MSP, and contact personnel from DHHS.
  - The door card is attached that will be left if no one is home.
- Worked to identify a storage location within the City of Flint for water and supplies. G-CARD is identified as temporary location but we are moving toward a state run warehouse operation (looking at private sector partners to assist, especially with the warehouse management side).
  - GCCard is large enough, centrally located and comes staffed. GCCard has 75,000 sq ft with warehouse managers to assist with tracking resources coming in and out.
- GIS will provide us daily updates of how much was distributed each day but note we have a delay in data entry from delivery to entry in the GIS system. Over the weekend there was a problem locally with staffing to get this completed. A solution is in place and will be implemented so we get timely data. Distributed to date (as of 1/8/16).
  - 12,386 filters
  - 1,985 replacement filters
  - 354 Pitchers

- 2500 Lead Testing Kits
- Establishing and tracking of resources is a priority. Staffing has been assigned to get a good handle on these to ensure distribution sites maintain an appropriate level of inventory. I have requested trigger points get put in place so we do not get below certain levels in the main warehouse location.
  - Contacts with some large water distributors have been made and their and our logistics chiefs will connect first thing this week.
  - We have ordered an additional (expedited delivery with ETAs tomorrow)
    - 40,000 Brita Filters
    - 40,000 Brita Replacement Filters
    - 1000 Zero 8-Cup Pitchers
    - 1000 Zero 8-Cup Pitchers
    - 2000 PUR Replacement Filters
    - 93 Pallets of water (about 6700 cases)
- GIS continues to produce multiple maps for use.
- JIC Items
  - Requested PSA on the radio. Media has been approved and working with MAB.
  - Requested JIC to contact Comcast and Dish Network for availability for continuous running of filter install/replacement and test kit video.
  - A news release will likely going out tomorrow regarding canvassing in neighborhoods. Continued social media messaging.
    - Tuesday – embed state PIO with one of the canvassing teams to liaison with media.
    - JIC moving tomorrow to Flint.

### Local Emergency Operations Center

I am providing you some information on some issues we ran into at the PODs. This has been addressed with additional state resources and processes put in place so we do not run out of resources. *Public concerns/complaints have not been brought to my attention at this time.* Staff is working very hard to ensure we do not run out of supplies at the PODs and they understand the consequences. No one in the Local EOC or State EOC is happy the following occurred and I felt you should know in case it is brought up. Again, I believe we have fixed this and I take full responsibility for any supplies not being on site.

### Fire Station Inventory Levels:

#### Station 1:

- Only time without supplies - 15 minutes without water while the truck was unloaded.

#### Station 3:

- Ran out of replacement filters around 7:00, replacement filters delivered around 7:30. Had to pick up replacement filters from Home Depot and deliver.

#### Station 5:

- Ran out of water around 5:00, water was delivered around 6:30. We needed to find additional trucks because DTMB drivers were over hours. The ARC stepped up and found a truck to go and pick up a pallet of water and deliver.
- Somewhere between 4:00-6:00 they ran out of lead test kits. No way to restock these because City facilities were closed and could not reach anyone.

#### Station 6:

- Around 5:00 ran out of water, filters, and replacement kits. Replacement kits were delivered around 7:30. Additional water and filters were delivered after 9:00 due to the DTMB drivers heading back to Lansing. Food Bank was called and had to get drivers in to operate trucks, pick up water from the School District, load and deliver to all sites. Delays occurred with weather conditions and needing to use last minute sheriff EOC staff to load due to issues with City workers. City workers were scheduled to help and left around 7:00 without helping.

- 2 pallets of water were dropped off in the afternoon and within 1 hour were gone. This was much faster than we expected. On 1/9 they didn't go through 2 pallets of water at any station for the hours 9:00-4:00.
- We received news that a reverse 9-1-1 call notified residents of water which caused an unanticipated amount of people obtaining water. There was also a report of 1 person walking out with 2 cases of water and trying to sell in the parking lot.

#### Station 8:

- Around 7:00 ran out of filters and lead tests. Filters were delivered around 8:00 from the food bank trucks.
- Hourly reports were requested in the morning from volunteers but this information was not received as to the status throughout the day. Early inventory of supplies took between 1 hour-1.5 hours to receive in the EOC. We were not advised of low counts, just zero numbers.
- Reports received that the last couple of hours were slow.
- Residents were advised of the other sites and the opportunity to obtain supplies.

#### Restocking Plan

- United Way set up meeting with Food Bank to discuss.
- Had EOC meeting on this topic to discuss options.

#### Churches:

- All 9 churches received waters, filters, and informational bulletins.
- Lt Roach received positive feedback from 3 of the pastors.
- No complaints were received.

#### Signage:

- Provided information to SEOC on signage requirements at the fire stations.

#### Storage:

- Researched storage spaces; established temporary site at GCCARD.

#### Personnel:

- Lack of local EOC leadership (seems somewhat checked out) with IC and Deputy IC (doing an okay job).
- Captain TaFoya (Genesee County) helped tremendously today with all the plans outlined above and attended the press conference.
- Tina Martinez at the Food Bank and Matt Purcell at GCCARD were extremely helpful in getting last minute operations set up.

Chris

#### Update 1/9/16

SitRep 4 attached for more in depth information. The below only contains some items worked on today and while the format in the attached SitRep is not perfect (it is created automatically by MICIMS) it does contain a lot more information you may want to read. I also attached one of our maps. It is our filter distribution map. All filters handed out by anyone working with us feeds into this now. We are continuing to refine these and at this time there is a delay in the upload of address data but we are working on it. We have a ways to go to get filters in every home but this will help direct us to those who need still them. We also are working on identifying abandoned homes.

#### Key items for tomorrow to note are:

- 9 churches will have ARC volunteers and filters for distribution. Some may also get water.
- 5 fire stations are a distribution point for water, filter systems/replacement filters, and water test kits. While only open today until 4 p.m., tomorrow and until further notice they are open from 9a to 9p.
- Media event will take place on the above tomorrow.

#### Items to Note

- 211 has some issues with call load but it is being worked on. 2-1-1 Director contacted MDHHS PIO to discuss/resolve caller wait times and messaging. We anticipate an increase in activity tomorrow in 211 calls so we requested and received an increase to staff 211.
- We are shifting tasks the SEOC took on that are handled more effectively and efficiently at the local EOC. We have established command and control in their EOC. We are running things there but that is not being made public. We are doing this in partnership but we are clearly handling the operation with state personnel oversight.
- A 3rd FEMA LNO arrived today upon my request. This has nothing to do with a Presidential request for a declaration but support for some other items I want worked on for long term recovery.
- We continue morning calls with the local EOC leadership and local emergency manager on what our goals for the day are as well as any issues/concerns.
- Five 5 fire stations have received water, water filters, replacement cartridges, and water testing kits with American Red Cross personnel at each location to assist with delivery of resources and collection of addresses receiving them. These locations will be open from 9a – 9p daily until determined they are no longer needed. Those picking up water testing kits will be advised that they can return the test kits to the fire departments (where they will be picked up and taken to the Flint City Hall), the Flint Water Treatment Plant, or they can take them directly to the Flint City Hall. For those unable to return the kits, 211 can make arrangements for pick up the kits. We understand response to these sites has been positive thus far. The Genesee County EOC will be monitoring these supplies and request replacement of products as needed.
  - A call is going out tomorrow morning to advise this information ... I do not believe it was every resident but Tori Sachs has that info if needed.
- I approved a press release today to advise the public that all levels are working together to ensure delivery of filters, test kits and water; noting that all of these items were delivered to the 5 Flint fire department stations. It was stressed that the public should be aware that the local and state agencies have been working cooperatively to assist the residents - and will continue to do so. This was done to hopefully end or at least minimize the “who can get water and filters out first” when all of this has been connected with the state and coordinated since the state declaration was put in place.
- The arrangement of 2,000 filters, to be taken to 9 local churches on Sunday, January 10, is ongoing. The filters have been secured; they are now in the possession of the DTMB. DTMB will return to Flint on Sunday morning to deliver these to necessary locations. The American Red Cross will be on site at each church to assist with distribution and recording addresses (for GIS). The local EOC is working to ensure these arrangements are complete and run smoothly. *Future engagement with the faith based community will occur to assist with additional distribution.*
- A Flint City liaison has not been in the EOC but starting Monday this will be in place to keep the Flint Mayor apprised of activities being conducted in the city. She also has been advised she can call me at any time if she needs anything.
- Training has been confirmed for the door-to-door operation scheduled to start Tuesday. Four teams are initially scheduled with more to potentially be put in place. These are the teams that will be handing out water, filter systems/replacement filters, test kits and information. If nobody is home, a door hanger with information is being left. DHHS personnel and one MSP trooper will be on these teams.
  - Training will take place at 1 p.m. on Monday afternoon at the DHHS office on Clio Road. DEQ and DHHS will provide the training.
    - Training is so those going door to door can explain what the filters do, how to install them, if they need install help to call 211 who has a list of people who can install the filters, and answer any other questions versus just handing them the filter.
  - Hours of operation will be Tuesday through Friday from 8:30 a.m. to 5 p.m. AT THIS TIME. I am reevaluating these times to increase contact with someone versus just leaving information.
  - Logistics are being finalized for the teams and trucks to handle stocking and re-stocking of materials during daily operations.
  - GIS maps will provide guidance on deployment locations for these teams and other teams in the field.
- A pilot project at Freeman Elementary with LARA and DEQ has been initiated to see if replacing certain plumbing components in faucets at the school will drop the lead level.

## MSP/EMHSD GIS Section Updates

### Accomplished Today (January 9):

- Produced a Point of Distribution Map. Contains four types of distribution points; Churches, Water Resource Sites, Filter Distribution Sites, Water Distribution Sites.
- Produced Filter Distribution Map.
- Developed process of how best to handle geocoding the household filter locations, worked on *processing the data*.
- Worked on map of franchise customers outside of Flint City.
- Produced maps for MDARD on food establishments and Local Health Departments.
- Produced map of Church Filter Distribution map for DTMB.

## Local Emergency Operations Center

- The state has deployed 10 personnel to the Genesee County EOC to ensure we have command and control at the local level. On 1/8/15 The state personnel took over the incident management functions of the Genesee County EOC (not public). The arrival of additional staff allowed the local Emergency Management Coordinator to delegate tasks which relieved a tremendous amount of stress.
- Additional Sherriff staff ( ) will be shadowing the state incident management team to allow for transition to the county personnel later in the incident when we are comfortable with them handling things. Not sure when that will be but we have secured a direct bill hotel for staff to stay in Flint as long as needed.
- With the additional staff, the Local EOC will be able to take over functions previously handled by the SEOC including:
  - Logistical activities to support church operations.
  - Logistical activities to support fire stations operations.
  - *Coordinate Donations Management activities and draft donations management plan*
  - Coordinate Volunteer Management activities
  - Identify local storage/staging facilities
  - Overall inventory tracking
  - Tracking of Points of Distribution (PODs)

Chris

---

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/8/16

SitRep 3 attached.

There is a significant difference in what is being presented by the media and what the local EOC is relaying to us at the SEOC. It is also being driven by the media that this is a state versus local response (who is providing more and quicker versus a coordinated effort between all). That said, I advised SEOC personnel that perception is reality in some eyes and we are to move forward to address items that typically are addressed at the local level. I have ordered the SEOC open all weekend due to make the quick wins that we need and continue to get the coordination and collaboration in place that is needed (but make gains on our own as needed).

### Items to Note

- Two FEMA LNO’s arrived today and are in the SEOC. A third LNO was requested from FEMA due to some unique issues with this event to include having to deploy more or my staff to the local EOC to get more structure and/or find out why there is an issue with the message the media is showing versus what we are hearing from the local EOC.

- We finally received from the local EOC 8 locations (we were told originally early in the week they had 80-90) that are their Points of Distribution (PODs) for water in conjunction with the local food bank. The PODs are not getting water from the food bank even though the food bank has water. We are going to resolve this issue as we can help deliver the water to the PODs but we were not aware of this. 8 PODs is not enough locations if water needs to be distributed to citizens. Speaking with the ARC Regional Administrator later today, I believe ARC got water to those locations but I need to confirm that in the morning. The food bank reported they had 376 cases of water.
- We have learned that a low number of residents are testing their water when DEQ can test 400 kits per day. This is an added focus that we believe can be increased through dissemination of test kits with the filters and any water.
- I found out the Mayor was okay with using fire stations as distribution points for water, filters, and water test kits. While this did not come to me through the local EOC, I advised we needed to get water, filters, and test kits to these locations for tomorrow. The distribution at 5 Flint Fire Department stations has been coordinated to be in place by 10:00 am tomorrow morning.
  - DTMB has provided a truck and driver to pick up water test kits from DEQ lab in Lansing, water from the Food Bank and water filters and replacement cartridges from GCARD in Genesee County.
  - 10 American Red Cross (ARC) volunteers will meet the DTMB truck at GCARD at 9:00 am to be provided information about filters. Instructions will be included in water test kits. They will then report to the 5 fire stations to assist in distribution of resources to the public and track addresses of same.
  - Residents will be told where they can drop off their water test kits, or that they can return them to the fire station the next day. Coordination will occur on pick up of water test kits daily to be taken to the Flint City Hall, who will then delivery them to the DEQ testing lab.
- STILL FINALIZING - We have made available 2,000 Filters for distribution on Sunday as parishioners leave mass/services. This will be 200 filters for 10 churches in Flint. While this is a small number of churches, we do not want to waste an opportunity to hand out filters and this seems like a quick way to so. The filters will be put on the DTMB truck on Saturday for delivery to TBD locations for distribution. Logistics remain undetermined as I am still waiting on a list of the churches, pastors/reverends/hours or services/etc. The DTMB truck will be returning to Lansing approximately 11:00 a.m. so we need to finalize this quickly on Saturday. We may utilize ARC to assist with this.
- The Recovery branch is working with the JIC to develop a door hanger card. DTMB is working on the printing portion of the hanger card. Recovery will also be finalizing logistics over the weekend for neighborhood canvassing to occur early next week. 40 volunteers have signed up to attend training on Monday afternoon to complete this task. The mission will be to deliver water sample kits along with water filters/replacement cartridges, and water.
- It appears that 211 has become overloaded. DHHS is researching ways to increase capacity for calls.
- A Volunteer Management Coordinator is in the Genesee County EOC as of today.
- A Donations Management Coordinator has been requested and she will be in the Genesee County EOC Saturday.
- DHHS had a conference call with GM today; they indicated they can provide cash, and supplies, but primarily manpower. No commitments were made at this point. We inquired as to availability of warehouse space and trucks. It was left as GM being a major resource pool that we can tap into as we determine missions. Further conversations will occur, but primarily GM just wanted us to know they are there if needed.
- An additional EMHSD staff member was sent to the Genesee County EOC to act as Operations Section Chief and obtain awareness of the situation there.
- GIS staff met with various parts of Genesee County/Flint personnel to try to get a handle on data available.

- GIS continues to work with local GIS personnel with three GIS staff going to Flint today to work with them. GIS staff is working with U of M on how best to proceed with digitizing water lines for long term recovery.

Chris

---

UPDATE 1/7/16

A summary of some of today's SEOC activities is provided below. Attached is the following:

- Today's SitRep which contains more information than below.
- The resource request/task assignment sheet for your situational awareness. This is how locals request resources as well as how we track resources and any assignments and/or tasks that are to be completed.
- JIC Task Tracking – for your situational awareness on how we are tracking requests and assignments. Once someone is assigned a task or resource request it allows them to document what work has been or will be done as shown at the bottom of the document.

**Items to note:**

- I received a document this evening from Genesee County which appears to be damage assessment information. Analysis of this will occur tomorrow. It appears to be *infrastructure and costs to fix it and no other impacts.*
- I spoke with Jamie Curtis, Genesee County Commissioner, this evening. A very good relationship is in place with him, especially with our District Coordinator (DC). I also have our DC working on developing stronger relationships with the Mayor/Mayor's office.
- GIS staff continue to obtain data and work with County and City personnel to get a picture of where resources have been provided, need to be provided, as well as *infrastructure locations (pipes) that could be affected.*
- Personnel and agencies have been tasked with developing a plan to get people in the community to deliver information, hand out filters, etc. This would target those areas we are showing minimal or no filter distribution based on the data we are collecting. The plan is to get them in the field by Tuesday and the plan will be provided to me tomorrow.
- Filters can be obtained at the following locations:
  - Michigan Department of Health and Human Services office, 125 E. Union St., Flint, MI 48502
  - Michigan Department of Health and Human Services office, 4809 Clio Road, Flint, MI 48504
  - Genesee County Community Action Resource Department office, 2727 Lippincott, Flint, MI 48507
  - Genesee County Community Action Resource Department office, 601 N. Saginaw, Flint, MI 48502
- Conducted briefing with local EOC and county executive.
- Conducted briefing with state agencies (daily updates).
- Began work to schedule legislative/congressional conference calls. Tentatively scheduled for 2 p.m. Friday.
- JIC continued to develop messaging.
- Provided input to local EOC regarding best methods of identifying health and non-structural impacts for damage assessment process.
- Deployed two EMHSD/SEOC liaisons to assist the local EOC.
- Published the Incident Action Plan and continued assignment of objectives/tasks.
- FEMA Liaison Officers just arrived in Lansing to assist command and general staff.
- I spoke with Harvey a few times and he should have talking points later tonight or tomorrow a.m. for his use and also for others who may speak to media outside of state government who may benefit from our messaging.

- We held a media round table at 1 P.M. at the SEOC. Dr. Wells and I spoke and answered questions to numerous media outlets.
- Local agencies and NGOs continue to provide water and filters to citizens.
- The website, [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater), was update with information and links to assistance to include 211. Additional recommendations were provided to include information on the testing water in homes.

#### EMHSD GIS:

##### Accomplished Today:

- Reproduced Socio-Economic Status Map
- Reproduced Predicted Affected Populations Map
- Cleansed old data and reports for water filter distributions
- Created draft map of water filter distributions (Refinement needed before releasing final product)
- Scheduled on-site visit with Flint GIS Department and Genesee County GIS Department
- *Formatted databases to host content*
- Researched service line database creation and scheduled meeting with U of M Flint to discuss timelines and resource needs
- Generated water infrastructure map (does not include building service lines)

##### Tasks for Tomorrow:

- Meet with Flint City GIS
- Meet with Genesee County GIS
- Meet with U of M Flint GIS
- Finalize water filter distributions map
- Finalize plan for data distribution methods

Chris

---

#### UPDATE 1/6/16

A summary of today's SEOC activities is provided below. I tried to distill this as best I could but there has been a lot of activity and discussion to get an accurate assessment of the situation. Attached is the final draft of objectives and tactics for the operational period and agency situation report (SitRep) which has more SEOC agency information. I have implemented weekly operational periods.

Advise if you want anyone else copied or off this distribution.

#### **Daily Update**

- Set goals for SEOC and identified response/recovery emphasis
- Requested FEMA liaison officers (LNO) from FEMA Region V. Two LNOs will be on site by ~3 p.m. 1/7/16. Both are known contacts to me and some staff and one has worked extensively with me during the SE MI flooding in a command and control position. These personnel have been specifically tasked with this mission. **THEY ARE NOT HERE TO ASSIST WITH A PRESIDENTIAL DECLARATION REQUEST BUT TO ASSIST ME.**
- PIOs from multiple agencies were here and established the Joint Information Center (JIC). News released pushed out on this. I am very happy with the PIO work and movement toward coordinated messaging.
- Held briefing for State Agency Emergency Management Coordinators, which included presentations from DEQ and DHHS subject matter experts to ensure situational awareness and to develop a common operating picture.
  - I opened the briefing by identifying our initial goals, items to think about while subject matter experts were briefing us, and how we are to move forward, find quick wins, and regain trust.
  - MDHHS – Elevated Blood Lead Levels

- Dr. Elizabeth Wells gave an in depth summary of lead poisoning and what has occurred in terms of health monitoring throughout the Flint crisis.
- **MDEQ – Water Testing Protocols**
  - Mr. George Krisztian of MDEQ gave an in depth summary of the testing protocols and summary results that as they have developed throughout the emerging crisis.
- Developed Incident objectives, strategy and tactics (see attached)
- Identified SEOC and state agency staff positions
- Assigned work tasks for SEOC operation period from 0800 January 6, 2016 to 1700 January 8, 2016
- Reviewed planned actions, prepared final draft Incident Action Plan
- Made contact with the Genesee County Emergency Manager first thing in the morning and held a conference call mid-day to discuss roles. Daily 0830 command conference calls with local EOC command staff starts tomorrow. Tomorrows call will include the County Commissioner and the City Administrator (both invited). Topics include the incident action plan objectives and establishing better local coordination, command and control to facilitate integration with the SEOC. The local EOC is not functioning as it needs to with personnel and local coordination and we are working on that issue.
- I will be in Flint tomorrow for a 2 p.m. media round table with local officials that was set up by the JIC.
- The attached initial objectives will be updated at least every operational period and as needed. I listed the objectives below but the tactics to accomplish them is in the attached if you want further information.
  1. Activate the State Recovery Task Force (SRTF).
  2. Establish and maintain coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate medical experts.
  3. Obtain and maintain situational awareness and common operating picture of all activities.
  4. Establish SEOC operational period and hours of operations.
  5. Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program.
  6. Develop a comprehensive GIS strategy.
  7. Coordinate response and recovery activities with MIVOAD and identify potential mission areas.
  8. Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies.
  9. Provide technical assistance to the local Damage Assessment process.
  10. Establish a Joint Information Center (JIC) and develop a public information strategy.
  11. Monitor MI CIMS for resource requests and address as appropriate.
  12. Establish and disseminate cost center information for the incident.
- Additional tasks include:
  - Determine what federal agencies are already involved and their status
  - Identify potential water supplies
  - Determine where affected homes are located, where filters/pitchers (and replacements) were installed/provided, and determine who needs filters, etc.
  - Determine how filter distribution is handled, and if it can be handled more efficiently and effectively
  - Determine what mechanisms are in place for nutrition supplementation

#### **EMHSD GIS Accomplishments:**

- Hosted a conference call to begin coordination with Flint City and Genesee County GIS departments and the SEOC
- Established a daily call with county and city GIS personnel to synchronize GIS efforts in support of the Flint water crisis at 8:30 A.M.
- Began consolidating local data from local GIS practitioners into a consolidated database, to include:
  - Water Pipeline Locations
  - Filter Distribution Locations
  - November 25, 2015 Water Monitoring Results (Partial, some data remains to be digitized)
  - Affected School Locations
  - Predictive analysis of blood lead levels for affected area

- Updated Parcels
- Demographics
- Block Groups
- Produced a map for the filter distribution locations
- Began contacting specialists who developed historic maps depicting the Flint Water Crisis to obtain the data

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:13 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** RE: Update - Genesee County Declaration

I forgot to advise that we have asked key state agency PIOs to be in the SEOC for the briefing.

---

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:06 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** Update - Genesee County Declaration

Below are some key points for your situational awareness (FYSA) that have taken place or will take place within the next 15 hours.

- I was on the phone with Sean Kammer, Assistant to the Flint City Administrator, when the declaration hit the news so I advised him immediately. He was going to let the City Administrator know.
- I contacted MSP Lt. Roach, 3<sup>rd</sup> District Coordinator, who was at the Genesee County EOC and advised her to let the County EM know the declaration status.
- State Emergency Management Coordinators (SEMCs) were notified via our notification system with additional information in an email.
  - This included information on the SEOC activation and a 0900 briefing for SEMCs.
  - Some subject matter experts will provide us an update to establish a common operating picture.
- We have been in contact with FEMA Region V watch desk ... they will be on the call tomorrow and continue to monitor the situation.
- I have been in contact with the FEMA Region V Administrator to keep him updated.
- Operational period for the SEOC will be M-F, 0800 to 1700 at this time.
- Situation Reports (SitReps) will be provided in the evenings.
- An Incident Action Plan will be developed tomorrow.

Call me with any concerns or questions.

Chris

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

Operational Period 01/19/2016 08:00:00 - 01/23/2016 20:00:00

Operational Period Begin: 01/19/2016 08:00:00  
Operational Period End: 01/26/2016 08:00:00  
Situation Report No. 18  
SEOC Status: Full  
SEOC Hours of Operation Begin: 01/23/2016 08:00:00  
SEOC Hours of Operation End: 01/23/2016 20:00:00

## Executive Summary

SEOC Update:

Accomplished today (January 23):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public Information Control.

• Logistics:

- Worked with FEMA/DHHS on warehouse tracking status/strategy.
- Coordinated resources requests with state agencies
- Continuing inventory monitoring and hot shots resolution and tracking.
- Ordering and projecting future orders of water resources and commodities.
- Working future resource planning.
- Working on local business commodity supply plan.

• JIC:

- Created a media monitoring report and looked for misinformation. A call was made to WILX to amend their article that implied that the State was not distributing water to undocumented immigrants. The news release was also sent to WILX about how the State is not requiring identification to receive water resources.
- Working on redesigning the Flint water website.
- Added the Governor's appeal news release to the website.
- Working on adding the palm card and foreign language palm cards to the website.
- Updated internal and general talking points about the ongoing Flint water emergency.
- Drafted talking points for Monday's press conference with Governor Snyder, Colonel Etue, and the Mayor.
- JIC is planning on issuing the nightly activity news release.

• Recovery Branch:

- Reviewed and provided feedback on the draft Flint Water Operations Plan
- Updated resource requests in MICiMs
- Updated tracking spreadsheet with end of day information for Friday, January 22nd.
- Attended Local Brief, Operations Plan Meeting and Distribution Process Meeting.

o Data is for 1/23/16 as of 5:00 pm:

- o Total homes visited.
  - 26,266 (round 2 total).
  - 13,684 (today).
- o Water Cases.
  - 13,527 (round 2 total).
  - 6,960 (today).
- o Replacement Cartridges.
  - 4,276 (round 2 total).
  - 1,715 (today).
- o Faucet Filters.
  - 6,697 (round 2 total).
  - 3,264 (today).

• Planning Section:

- o Published Sit Rep # 8.
- o Worked with GIS to outline required maps for future planning efforts.
- o Participated in daily SEOC briefings and distribution process conference call.
- o Worked on the further development of Long-Term Recovery.

• Operations Section:

- o Facilitated 8:30 local call
- o Facilitated 9:30 state agency briefing
- o Phase three meeting
- o Email information requests & inquires
- o Prep work for Sunday

o Facilitated 4:00 state agency briefing

o Warehouse Numbers as of 1800:

□ Water (cases).

58,464

□ Filters (faucet).

21,884

□ Replacement cartridges.

154,814

□ Filters (pitcher).

0

□ Test Kits (prepped).

7,988

□ Test kits (un-prepped).

16,704

o PODs (1700 1/22 – 1600 1/23)

□ Water (cases).

20,213

□ Filters (faucet).

781

□ Replacement Cartridges.

1127

□ Filters (pitcher).

0

□ Test kits.

430

• Finance Section:

• Continue work on report of state agency purchases made since January 6th activation.

• Work with state agency financial contacts to let them know how they should be capturing costs.

• Developed state agency reporting schedule of financial information.

• Creating bulleted list of criteria donations must meet to use as match.

GIS Branch Updates:

o Staff was requested to interview with the Governor's Director of Communication, Meegan Holland.

o Data interpretation upon request of Tony Katarsky.

o Updated JIC Map.

o Developed outreach with POD overlay map for future recovery operations planning.

o Created new Data Entry Form for the data entry people to use with V3 of the questions.

o Worked with DTMB to increase email quota to increase send/receive email.

o Developed Web Map/Form to use in field to identify Vulnerable Populations for Local EOC.

o Created accounts for AGOL and troubleshooting iPad issues.

o Assisted American Red Cross with training on data entry and the iPads.

DTMB:

• Provided an additional 30 tablets for the Water Response Teams (151 tablets to date)

• Provided an additional 500 credentialing badges for Water Response Teams (1165 credentials to date).

• Provided 90 rolls of stretch wrap for the Clio Rd. Warehouse. 21 have been delivered and remaining delivered today (1/23).

DHHS-CH:

• Response received from SAMHSA indicating that the request for TA has been received and will be routed accordingly. The CHECC anticipates this request to be approved and for a SAMHSA representative to be onsite in the CHECC on Monday.

• CDC informed MDHHS that they would be sending a senior officer to Michigan early next week to coordinate CDC activities in Michigan related to Flint Water.

• MDHHS was contacted by the MDEQ representative in the LEOC with an offer for a representative from MDHHS to be included on the EPA water sampling team that started sampling the Flint water for residual chlorine today.

DEQ:

• Worked on posting water test results on line for in an easily understandable and transparent way.

• Coordinated water sample pick up by MDOC and transport to the MDEQ lab in Lansing

• A senior center was identified as not having water so local staff supplied bottled water (week's supply). Arrangements have been made to resupply center as needed. No other facilities have been identified and those that need assistance are asked to call 211.

• Began collaboration and coordination with U.S. EPA who arrived on-scene today.

Local EOC Update:

• Distributing supplies at five water resource sites in the City of Flint.

• Door-to-door distribution of supplies with 55 water response teams (40 ARC volunteer teams, 15 MSP/GCSO/NG teams).

• Facilitating rapid response deliveries to homebound residents and special locations.

• Identifying alternative locations for water resource sites.

• Identifying potential locations for bottle recycling stations.

• Coordinated with arriving EPA staff for chlorine sampling in the City of Flint.

• Coordinating with SLOC Logistics and ARC to identify location of water sampling forms.

• Experienced problems with iPad operations due to software updates and location services issues.

Incident Response/Recovery Priorities/Objectives

TBD

Upcoming Forecast

Forecast Update for Flint, MI - Updated 930am January 23

- \* On and off light snow or brief freezing drizzle possible Sunday (Jan 24). No significant accumulation of snow or ice expected. Drizzle may make walking surfaces slick.
- \* Mix of Rain and snow likely late Monday (Jan 25), with on and off snow possible Monday Night and Tuesday (Jan 26). Less than 1 inch of snow accumulation expected.
- \* High temperatures Saturday (Jan 23) through Friday (Jan 29) in the upper 20s to mid 30s.
- \* Risk for Frostbite from Exposure over the next week is low unless exposure time for the individual is several hours in length with the person engaging in little to no activity.

Damage Assessment Summary

Agency Summaries

Joint Information Center / Public Information Officer

The Joint Information Center (JIC) is operating from the State Emergency Operations Center on Saturday, January 23 and Sunday, January 24.

Tasks accomplished:

- Created a media monitoring report and looked for misinformation. A call was made to WILX to amend their article that implied that the State was not distributing water to undocumented immigrants. The news release was also sent to WILX about how the State is not requiring identification to receive water resources.

- Working on redesigning the Flint water website.
- Added the Governor's appeal news release to the website.
- Working on adding the palm card and foreign language palm cards to the website.
- Updated internal and general talking points about the ongoing Flint water emergency.
- Drafted talking points for Monday's press conference with Governor Snyder, Colonel Etue, and the Mayor.
- JIC is planning on issuing the nightly activity news release.

#### **Agriculture and Rural Development (MDARD)**

Saturday, Jan. 23. Motor Fuels Quality/Weights and Measures staff completed personal notification of all licensed gas stations.

#### **American Red Cross (ARC)**

The American Red Cross continued assembly of water test kits at ARC headquarters. We deployed and supported 40 teams for neighborhood canvassing (Water Response). We expect to field 40 teams on Sunday. There were 90 Red Cross volunteers active on this response today. We supplied lunches for all of the event-based volunteers. The Volunteer Reception Center (VRC) was in full operation today, and will be tomorrow as well. We continue to provide warehouse and inventory management through this weekend.

#### **Civil Rights (MDCR)**

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Provided senior leadership and communications with news release on no-cause (no identification required) access to materials; coordinated through United Way connection between concerned advocate and water/materials deliver; awaiting decision (tomorrow) on numbers of volunteers/teams available who can work directly with LEP populations across area.

#### **Community Health (MDCH)**

Response received from SAMHSA indicating that the request for TA has been received and will be routed accordingly. The CHECC anticipates this request to be approved and for a SAMHSA representative to be onsite in the CHECC on Monday.

CDC informed MDHHS that they would be sending a senior officer to Michigan early next week to coordinate CDC activities in Michigan related to Flint Water.

The CHECC contacted GCHD representative in the LEOC to discuss the details of resources requests that were submitted in MICIMS for blood lead sampling kits and ancillary supplies. Discussions are ongoing to determine the urgency and necessity for their request, in order for the SEOC to know the feasibility of procuring these items. The CHECC confirmed that these resources are not available at the State level to support the request. Information from the GCHD who needs the supplies was contradicting to the information communicated by the LEOC EM, listed as the POC for the MICIMS request. The CHECC is working to clarify and provide effective communication to the SEOC so that this resource request can either be cancelled and ordered by the locals or processed and ordered by DTMB.

MDHHS was contacted by the MDEQ representative in the LEOC with an offer for a representative from MDHHS to be included on the EPA water sampling team that started sampling the Flint water for residual chlorine today. DEQ confirmed that the sampling would begin this afternoon and go on for at least a few days. The CHECC contacted the Environmental Health Division Director and confirmed that their physical presence on this team is not necessary at this time; however, they have requested that EPA share the results of the testing with MDHHS.

Provided a listing of all LTCs in the 16 zip codes in the Flint area to LARA, in order to cross-reference with their listing, in an effort to ensure all nursing homes in the affected area have been contacted.

Received communication from GCHD representative in the LEOC that a group had set-up a mobile testing clinic at the Flint Masonic Temple to perform free blood lead testing from 1000hrs to 1300hrs today (1/23/16), expected upwards of 300 tests to be conducted. Testing was provided by Quest Laboratories (a national laboratory group). The CHECC, LEOC, and SEOC Director, MSP representative, Operations Chief, and Logistics Chief were made aware of this in preparation for anticipated requests. No requests were received related to this activity. A communication was provided via email to MDHHS leadership from the CHECC for informational purposes only.

#### **Corrections (MDOC)**

We continue to fill resource requests and track/monitor all ground resources throughout the day and report the final assets in evening reports. Executive Team (MDOC) was briefed as follows:

1. The primary duty of our employees is to transport and support the (18) ten member Flint Water Resource Teams on the ground, going door to door providing water, filters and special individual needs. This team is made up primarily of Michigan National Guard troops and Michigan State Police staff.
2. Provide for the pickup and transportation of the water samples from the seven designated collection sites in Flint and deliver to the DEQ Laboratory daily.
3. Assist the Flint Food Bank to deliver/transport emergency food deliveries to ensure available warehouse space is available to receive additional emergency food items.
4. Provide pickup and delivery of water bottle testing kits from the warehouse to the American Red Cross so they can be assembled and transported back to the warehouse where they will be delivered to the citizens by the Water Resource Teams.
5. Provide management and organizational support to the main 80,000 square foot main warehouse located on Clio Road.
6. Provide prisoner work crew support inside the warehouse to load and unload, stack water deliveries and assist in garbage/debris management.
7. The weekend operational period requires an increase in the need for logistical support due to the notable increase in available volunteers. Specifically, the weekend force is expected to increase by over 300 persons. Each of these volunteers will be assigned as a Flint Water Resource Team and require transportation, supplies, law enforcement security oversight and lunch. Our staff are

a primary source of transportation for Water Resource Teams and their participation is critical to the success of the mission.  
8. Beginning Monday 1/22/2016 at 0730 the MDOC will be assuming management duties at the Warehouse. This assignment is currently set to expire Monday February 1 at 1930 hours.

All current resources will remain for Sunday 1/24/2016.

#### Education (MDE)

Michigan School for the Deaf:

1. Landlord's action plan added to MiCIMS.
2. Team of LARA and DEQ staff have mapped school building and LRC dorm building for water testing. They will be back 1/23 for collecting samples in those areas.
3. Testing in Stevens Hall dorm will be delayed until after faucets are changed and 3 new drinking fountains are installed. Drinking fountains are on order and probably will not be installed until next weekend, meaning testing in Stevens Hall is probably at least two weeks away.
4. Plumbers have begun swapping faucets in Stevens Hall and are planning to be finished by Sunday evening.
5. Genesee County Health Department (GCHD) to be at MSD blood testing students whose parents consent; February 8th.
6. MSD is polling staff to see if there is sufficient interest to have GCHD set up a blood testing clinic for all state and contracted staff.
7. Working with DHHS to have a health expert attend the February 9th parent meeting.

#### Environmental Quality (MDEQ)

The Department of Environmental Quality (DEQ) completed the following activities today:

- Worked on posting water test results on line for in an easily understandable and transparent way.
- Coordinated water sample pick up by MDOC and transport to the MDEQ lab in Lansing.
- A senior center was identified as not having water so local staff supplied bottled water (week's supply). Arrangements have been made to resupply center as needed. No other facilities have been identified and those that need assistance are asked to call 211.
- Began collaboration and coordination with U.S. EPA who arrived on-scene today.
- Continued providing support to the local emergency operations center.

#### Human Services (MDHS)

Forwarded FYI info on filter distribution efforts which took place before the declaration to SEOC OPPs. Just for situational awareness on how filters were targeted to the vulnerable and multi unit populations previously.

Worked with DTMB to have state email placed on iPhones provided for donation and volunteer management.

CHECC continues to maintain a Level 2 Activation

#### Licensing and Regulatory Affairs (LARA)

Updated the LARA Executive Team

Assisting with translation of water analysis request forms. Looking into translators available this weekend.

Finalizing Health Care Facility survey information and comparison.

2 buildings at the School for the Deaf have been tested. Replacement of fixtures in the Dormitory is ongoing.

Materials order has been submitted to complete Freeman School.

#### Military and Veterans Affairs (DMVA)

Commanders Situation Report (SITREP)

1. DTG: 231300Z2016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: SFC Witgen, Robert Cell: , Email: robert.d.witgen.mil@mail.mil

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. SITUATION OVERVIEW: 1-125 IN has 65 Soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

a. Traffic issues have been resolved at stations 3 & 6 via new traffic equipment/set-up via MDOT

b. Security issues have been addressed. The station NCOIC's will contact 1Lt Roland in the EOC for police assistance when needed. Additionally, they have POC's within the Genesee County Sheriff's Department as well as the phone numbers for the Flint PD's sergeants and patrol desk.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has 65 Soldiers on ground supporting the mission.

a. 61 Soldiers are assigned and divided to man (5) Pods. 1 Soldier is assigned to be the Supply NCO. 2 Soldiers are assigned to the Genesee County EOC. 1 Soldier is assigned as the Public Affairs NCOIC.

7. OPERATIONS: Operations for the next 24 hours are to continue water/filter distributions throughout the 5 designated fire stations.

8. PERSONNEL: Soldiers are currently assigned to the POD operations in five teams at Fire Stations 1, 3, 5, 6 and 8.

a. Soldiers reverse RSOI on 20160122 (Military Technician issue)

9. INTELLIGENCE / FORCE PROTECTION: No force threats have been identified. Traffic is a force pro measure.

10. LOGISTICS:

a. Pallet-jack – the station 8 delivery driver said he needs to take back his pallet-jack. He will be taking his pallet-jack back COB on Saturday 23JAN16. Additionally, station 6's pallet-jack is no longer working. Solution – request (2) pallet-jacks; (1) for station 6 and (1) for station 8.

11. COMMUNICATIONS: No communications issues at this time.

P: 800 MHz radios issued to PODs and WRTs.

A: RRF cell phones alternate for WRTs.

C: Personal cell phone

E: Runner

12. NARRATIVE: N/A

13. COMMANDER'S EVALUATION:

• Briefing and sensing session held with all the Soldiers on the POD mission 222130RJAN16 to ensure that the most current SOP's for water & filter distribution was known to everyone as well as to allow any of the POD soldiers to express any questions, concerns, or issues they had in regards to the POD mission. Overall, there are no significant issues remaining; both the assistance and resources provided by the SEOC, Genesee County EOC, and TASK FORCE FLINT command cell have ultimately resolved the issues pushed up through the proper channels. Another main theme for the meeting was keeping up a professional appearance and maintaining military bearing both in front of the citizens of Flint and the media. All of the POD mission soldiers were reminded that the National Guard is the main source of hope for the city of Flint and that keeping up a popular public opinion and media image via professionalism and remaining positive in all aspects of the mission is essential to our continued success. The Soldiers were reminded NOT to speculate when talking with the media; talking points were reviewed.

• I explained about the twitter feed with the series of posts that drove the new policy for product distribution. We discussed all of the issues that the people of Flint have with the POD operation, how the new policies implemented should resolve them, and also how to reassure the citizens of Flint that we are simply here to help them in their time of need.

• The laundry issues have been resolved through local contact.

**National Weather Service (NWS)**

Jim Maczko from NWS Grand Rapids will participate in SEOC morning briefings via phone call and will coordinate support with local forecast office that serves Flint - NWS Detroit/Pontiac.

*NWS Detroit will begin providing morning SEOC brief and Activity Log posts effecting Tuesday, January 26th. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.*

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

**Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

**Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to take calls from seniors and caregivers needing access to water and filters. VAAA is providing this information to the local EOC each afternoon for follow-up.

As of Friday, January 15th, VAAA and MDHHS-Adult Protective Services (APS) has provided AASA with over 2,000 addresses of *homebound, frail, or otherwise at-risk seniors living in Flint*. AASA has in turn forward these addresses to MSP-GIS to overlay their heat map and for local follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:

Kathryn C. Boles

President, CEO

Valley Area Agency on Aging

225 E. Fifth Street, Suite 200

Flint, MI 48502

(810) 239-7671

(810) 239-8869 fax

Prior to the State Declaration of Emergency, Valley Area Agency on Aging - Region 5 (VAAA), in partnership with other local community agencies such as the GCARD, Genesee County Health Department and MDHHS, participated in the local ad-hoc response by helping organize local meetings and distributed water and water filters to VAAA Home Delivered Meal recipients. VAAA was also an I&A access point for receiving calls from homebound seniors who are not able to pick up water filters or needed assistance installing water filters. VAAA referred seniors needing filters to GCARD for follow-up. Because VAAA is a known and trusted local resource for older adults in Genesee County, they continues to receive calls from seniors needing access to water and filters.

**State Police (MSP)**

MSP and GCSD supported National Guard staffed teams that were out today and there were 40 Red Cross teams. 6652 homes were visited today.

## Klotz, Josephine (MSP)

**From:** Governor's Office <governoroffice@govsubscriptions.michigan.gov>  
**Sent:** Sunday, January 24, 2016 1:49 PM  
**To:** Etue, Kriste (MSP)  
**Subject:** Sunday Jan. 24 update from the Flint Water Response Team

# FLINT WATER RESPONSE TEAM

UPDATE | SUNDAY, JANUARY 24, 2016

This daily update is being issued in order to provide the latest information regarding actions and available resources.

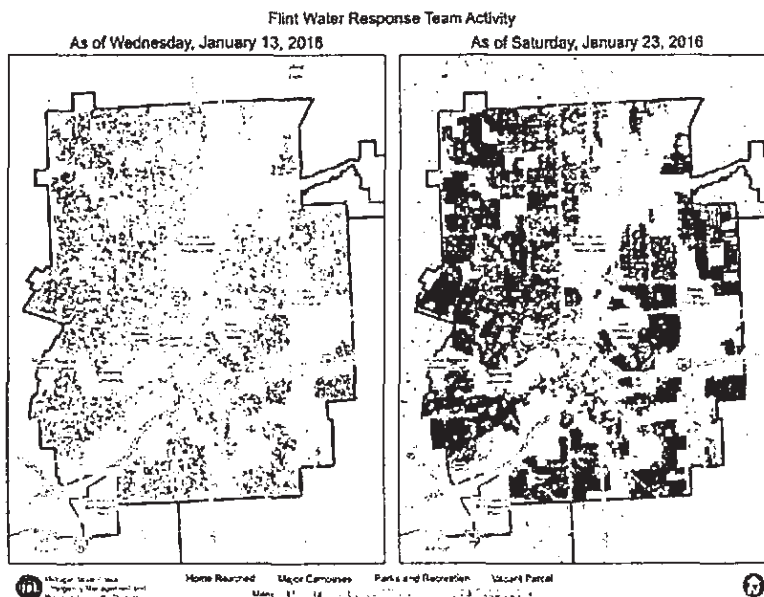

### WATER RESOURCES

Yesterday, Flint Water Response Teams visited 13,684 homes providing free bottled water, filters, water replacement cartridges and water testing kits. The teams were composed of city, county and state personnel, American Red Cross and volunteers, as well as National Guard Soldiers and Airmen. More than 300 volunteers took part in Saturday's activities.

Since January 9, 2016, the following resources have been distributed to residents, both at the water resource sites and by water response teams:

- 148,866 cases of water
- 86,843 water filters
- 25,586 water testing kits

Here is a map of Flint Water Response Team activity from January 13th to January 23rd.

Today, more teams composed of city, county and state personnel, American Red Cross and volunteers, as well as National Guard Soldiers and Airmen are continuing door to door efforts and expect to visit another 10,000 homes. We will keep you updated on their progress in tomorrow's

update. To stay updated on social media follow [@MichEMHS](#) and [@onetoughnerd](#).

#### REMINDERS

- For Flint water assistance: Dial 211 or visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)
- To donate or volunteer: visit [www.HelpForFlint.com](http://www.HelpForFlint.com)
- Residents should install filters to their taps to ensure they have immediate and ongoing access to safe water. Only run cold water through the water filter and use filtered water for drinking and cooking. Monitor the cartridge on the filter and replace as needed.

#### WATER RESOURCE LOCATIONS

These sites are open seven days a week from 9 a.m. to 9 p.m. with the following resources:

- Bottled water
- Water filters
- Replacement cartridges for water filters
- Water testing kits pick-up
- Drop-off location for water testing kits

Fire Station #1  
310 East 5th St.  
Flint, MI 48502

Fire Station #3  
1525 Martin Luther King Ave.  
Flint, MI 48503

Fire Station #5  
3402 Western Rd.  
Flint, MI 48506

Fire Station #6  
716 West Pierson Rd.  
Flint, MI 48505

Fire Station #8  
202 East Atherton Rd.  
Flint, MI 48507

We will continue to work to improve the water situation in Flint. Community members and local officials are working together to make sure we hear and respond to concerns. Governor Snyder will continue to keep you updated on the latest news and information. **If you don't find the resources you need by dialing 211 please call the Governor's office directly at [517-335-7858](tel:517-335-7858).**

### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### **Update 1/24/16 – 20<sup>th</sup> Day (19<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

I have asked state agency SEMCs to archive their SitRep items so you only have current operational period information in the SitRep Agency Summaries. Director Creagh added to daily report.

#### **Mission focus for the day:**

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs).
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

#### **Attached Documents:**

- Situation Report # 19
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first one indicates based upon the outreach that has been conducted, which parcels have we had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

#### **Status on Governor’s request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### **Key items for tomorrow to note are:**

- We will have 10 ARC, type 5 teams (2-4 personnel).
- WRTs with NG personnel are transitioning out. No field teams. NG will continue to staff the PODs.
- Tony Katarsky will be acting SEOC State Director. Capt. Kelenske not in the SEOC - available by phone (in the Holland, MI area).

#### Items to Note

- Deployed 15 National Guard/state/local teams and 19 ARC Flint Water Response Teams to the field today.
- JIC was operational with limited staff out of the SEOC today. Co-located JIC in Flint will be back and operational tomorrow.
- SEOC Logistics worked with MDOC on warehouse management transition.
- Recovery Branch began demobilization of trucks and vans.
- Demobilization of National Guard Water Response Teams will be effective as of Monday, January 25.
- School for the Deaf
  - As of 1/23/16: LARA and DEQ teams on site; water testing complete in school building and LRC dorm. Stevens Hall will be tested when landlord finishes upgrades.
  - As of 1/23/16: all water faucets replaced in Stevens Hall. 3 new drinking fountains on order; expected mid-week. Once fountains are installed, Stevens Hall will be scheduled for water testing.
- SEOC Finance Donations Management team to obtain list of donors and donations for FEMA request.
- SEOC Planning Section worked on burn rate data from FWRT and PODS for FEMA request.
- GIS continued to clean up V2 Dataset (patched approximately 1000 records).
- GIS coordinated with the DEQ to transfer lead service line mapping to their GIS department tomorrow. Wall maps showing known lead service lines based off of geographical locations and zip codes provided for Chief Hagler, SEOC DEQ staff and Director Creagh.
- Out of 37,003 homes visited, 5,660 were not home/did not answer. The number of homes visited is lower than the Phase II number as some duplicate contacts at addresses were eliminated.
- Information reported to the JIC:
  - As of 1/24/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

#### 1. Homes visited by the FWRTs to date.

Phase I	Phase II	1/24/2016
30,770	37,844	7,012 National Guard/State/Local 4,132 ARC

#### 2. Distributed:

Commodity	Total to Date
a. Number of cases of water	164,991
b. Filters	91,763
c. Filter cartridges	197,775
d. Test kits	28,763

#### 3. Total number of customers on the Flint water system

- a. 29,944 current water system subscribers
- b. ~45,000 hookups (This is our high end target #)
- c. ~39,000 includes apartment complexes (The is the low end target #)

#### 4. Resources purchased:

- a. Cases of water 141,982 (additional 24,634 donated)
- b. Filters 124,052
- c. Filter Cartridges 285,586
- d. Test kits 62,701

#### 5. Teams going out tomorrow:

- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

#### Additional Standing Information Requirements

1. **Number of homes visited each day:**
  - a. 1/24/16, as of 5 pm, 11,144 homes were visited today
2. **Total number of homes visited:**
  - a. Phase II: 37,844
3. **Total number of National Guard on the ground:**
  - a.
    - i. Number in PODs:
    - ii. Number on Cyber Mission:
    - iii. Number with FWRTs: J
    - iv. Command and Control Staff for NG Personnel:
4. **Total Number of Volunteers each day:**
  - a. 315 volunteers for 1/24/2016.
5. **\*Number of homes with filters:**
  - a. 17,595 homes had filters, per entered GIS data as of 1/22/2016.
6. **Number of Water filters distributed (each day and to date):**
  - a. 4,920 were distributed on 1/24/2016, and total distributed to date is 91,763.
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 16,125 were distributed on 1/24/2016, and total distributed to date is 164,991.
8. **Number of testing kits distributed (each day and to date):**
  - a. 3,177 were distributed on 1/24/2016, and total distributed to date is 28,763.
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Unknown at this time, CHECC will begin providing numbers on 1/25/2016.
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Unknown at this time, CHECC will begin providing numbers on 1/25/2016.
11. **Number of homes with safe drinking water:**
  - a. 577 homes, per data from September 3, 2015 to January 20, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

\*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number – Phase II questions were developed to help clean this up.

#### Local EOC

##### Operations:

- Distribution of supplies at five water resource sites in the City of Flint.
- Door-to-door distribution of supplies with 34 water response teams ( ARC volunteer teams, MSP/GCSO/NG teams).
- Facilitating rapid response deliveries to homebound residents and special locations by three teams staffed by Team Rubicon, and Lt. de Castro (MSP/EMHSD).
- Improved logistics for rapid response teams by providing transportation and iPads starting on 01/25/2016.
- Coordinated with ARC for distribution of additional iPads for data entry.
- Identified alternative warehouse locations for loose donations.
- Directed volunteer requests to appropriate state agencies.
- Started coordination for resource demobilization.
- Coordinated with 22 churches so they had water, filters, etc. Delivered Saturday. Some advised they were set with supplies. Lt. Roach (MSP District Coordinator will maintain contact with Pastors).

Chris

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

Update 1/23/16 – 19<sup>th</sup> Day (18<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs

Attached Documents:

- SitRep 18

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Key items for tomorrow to note are:

- We will have
- We will have 40 ARC, type 5 teams (2-4 personnel).

Items to Note

- Deployed 3 state/local teams and 40 ARC Flint Water Response Teams to the field today.
- Created a media monitoring report and looked for misinformation. A call was made to WILX to amend their article that implied that the State was not distributing water to undocumented immigrants. The news release was also sent to WILX about how the State is not requiring identification to receive water resources.
- SEOC Logistics worked on future resource planning and a local business commodity supply plan.
- Drafted talking points for Monday's press conference with Governor Snyder, Colonel Etue, and the Mayor.
- Put in place a place to control POD distribution as much as possible. SKU numbers are being lined out on commodities to prevent or minimize returns for cash.
- Information reported to the JIC:
  - As of 1/23/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

To Date	1/23/2016
37,943	6,323 National Guard
	7,361 ARC

2. Distributed: Includes outstanding data from yesterday- PODs after 5 pm, ARC worksheets and local EOC hotshots.

Commodity	Total to Date
a. Number of cases of water	148,866
b. Filters	86,843
c. Filter cartridges	194,622
d. Test kits	25,586

3. Total number of customers on the Flint water system

- a. 29,944 paying customers

- b. ~45,000 hookups (This is our high end target #)
- c. ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased:

- a. Cases of water 133,662 (additional 24,634 donated)
- b. Filters 115,700
- c. Filter Cartridges 266,200
- d. Test kits 61,161

5. Teams going out tomorrow:

- a. National Guard State ,
- b. 40 ARC (2-4 folks) type 5 teams---Goal tomorrow 100 homes per team

Local EOC

Operations:

- Worked to identify all vulnerable populations to help streamline Hot Shot/Rapid Response Team process.
- Working on plan for church water distribution and POD locations.
- Looking at possible alternative locations for PODs in difficult traffic areas. The city identified some but they are just as bad as the current ones.
- Working on finalizing a recycling plan for the incident.
- Lt. Roach sent up the church information to Tom Webber. She also received one church site that will act as a potential church mega site.
- SEOC GIS to provide a layer for the vulnerable populations so that Team Rubicon can get to them and track in the iPad.

New Standing Information Requirements

1. Number of homes visited each day:

- a. 1/23/16, As of 5 pm, 13,684 homes were visited today

2. Total number of homes visited:

- a. 37,943, does include duplicate counts from the second canvassing

3. Total number of National Guard on the ground:

- a.

4. Total Number of Volunteers each day:

- a. 310 volunteers for 1/23/2016

5. Number of homes with filters:

- a. 17,595 homes had filters, per entered GIS data as of 1/22/2016,

6. Number of Water filters distributed (each day and to date):

- a. 4,156 were distributed on 1/23/2016, and total distributed to date is 86,843

7. Cases of Bottle water distributed (each day and to date):

- a. 27,462 were distributed on 1/23/2016, and total distributed to date is 148,866

8. Number of testing kits distributed (each day and to date):

- a. 2,171 were distributed on 1/23/2016, and total distributed to date is 25,586

9. Number of people tested for elevated blood levels (kids, adults, total):

- a. Unknown at this time until we get the data

10. Number of people with elevated blood level (kids, adults, total):

- a. Unknown at this time until we get the data

11. Number of homes with safe drinking water (Not sure whether it's possible right now to provide this number):

- a. Unknown at this time

---

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

Update 1/22/16 – 18<sup>h</sup> Day (17<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue door to door/Flint Water Response Teams (FWRTs)
- Plan for next phase with MSP and NG personnel
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration
- Work with HHS personnel to ensure they have all items needed for operations

Attached Documents:

- SitRep # 17
- Briefing provided to the HHS Undersecretary by FEMA (due to time only finished 75%)

Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Key items for tomorrow to note are:

- 
- 40 ARC (2-4 folks) type 5 teams
- Deliveries going out to all churches on our list we have been working with (21) for Sunday services.
- I will not be in the SEOC Saturday. Tony Katarsky will be the acting SEOC state director. I will be available by phone (wrestling meet).
- Sunday, Lt. Mike Johnson will be acting SEOC state director but I may be in for some of the day.
- Monday I am out on a college visit with my son...I will be available by phone and Tony will again be acting.

Items to Note

- Deployed -- state/local teams and 15 ARC Flint Water Response Teams to the field today.
- SEOC Operations worked on getting local contact into the JIC along with developing messaging for resources and donations.
- SEOC Planning worked on the further development of long term strategy.
- Recovery branch continued coordination with Red Cross on volunteers and the Michigan National Guard for Friday and Saturday.
- SEOC logistics worked with FEMA/DHHS on warehouse tracking status/strategy, coordinated resources, and donations management.
- Have had a number of media request concerning resources for immigrants and population less proficient in English. Clarified with a news release that we are not requiring ID but we are asking for addresses to assist with long term recovery. Nobody will be denied resources if they fail to provide us an address.
- Have received numerous inquiries from celebrities on how they can assist and donate.
- We are validating a lot of data but what we have currently is 38,144 parcels in Flint that are not considered “vacant”. This does not mean all parcels have a tenant, there are a lot of houses that are empty.
  - 26,673 water subscribers in Flint (not including franchise).
    - Water Subscribers with a Filter = 15,399 (57.7%)
    - Water Subscribers without a Filter = 11,274 (42.2%)

- With our second pass we are getting more information as to why people do not have a filter. Looking into whether these include homes connected but nobody currently living there. We are refining the data.
- 11,471 Non-Water Subscribers in Flint.
  - Non Water Subscribers with a Filter = 2,196 (19%)
  - Non Water Subscribers without a Filter = 9,275 (81%)
- The SEOC Ops Chief has been directed to firm up all numbers with GIS. We have a GIS specialist from FEMA Region V also deployed to the SEOC to assist. ArcGIS has advised us that the amount of data we have collected is more than some major disasters in other states. We are looking into getting their personnel more engaged to ensure we are using all the tools available for analysis.
- SEOC Finance Chief is working on costs to date and all SEMCs were advised to tighten up their records and ensure we have accountability of all costs.
- Information reported to the JIC:
  - As of 1/22/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

To Date	1/22/2016
37,697	5,920

2. Distributed: Includes outstanding data from yesterday (PODs after 5 pm, ARC worksheets and local EOC hotshots.)

Commodity	Total to Date
a. Number of cases of water	121,404
b. Filters	82,687
c. Filter cartridges	191,704
d. Test kits	23,415

3. Resources purchased:

- a. Cases of water 130,782 (additional 21,682 donated)
- b. Filters 115,700
- c. Filter Cartridges 266,200
- d. Test kits 61,161

4. Teams going out tomorrow:

- a.
- b. 40 ARC (2-4 folks) type 5 teams -- Goal tomorrow 100 homes per team

Local EOC

Operations:

- Worked to identify all vulnerable populations to help streamline Hot Shot process.
- Working on plan for church water distribution and POD locations.
- Looking at possible alternative locations for PODs in difficult traffic areas.
  - Working on finding a new POD for 3 and 6. We are aware that the mayor would need to approve this.
- Coordinated water donations and delivery areas.
- Last minute large donations of water and volunteers expected during the weekend.
- Working on finalizing a recycling plan for the incident.
- The Jail water has been tested and is fine. The prisoners are not being poisoned and the local health department is working on clearing this issue up.

- Working on a plan with the churches to have 4 mega sites for churches (N,E,S,W) and have smaller churches work through these sites to get supplies. Churches are interested in the recycling program, putting information in their bulletins and also used a collection sites.
- Team Rubicon is coming tomorrow to assist with home deliveries.
- Continuing with recycling plan. Need to identify sites with city. Local EOC has visited areas with the local contractor.

Chris

---

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/21/16 – 17<sup>th</sup> Day (16<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs) - “Phase II”
- Plan for next phase with MSP and NG personnel for Governor approval – “Phase III”
- Prepare for appeal on denial of Category B under the Presidential Emergency Declaration
- Work with HHS personnel to ensure they have all items needed for operations

#### Attached Documents:

- SitRep 16
- Draft Water Operations Plan for moving to next phases (Discussion document)
- Resident Water Sample Results Map (Not for public distribution)
- January 13-19 comparison map

#### Status on Governor’s request letter to the President

- Emergency declaration received. Pending decision of Major Disaster appeal and any denials under the Emergency Declaration (e.g. Category B). We have not been denied category B yet ... POTUS/FEMA has not given it to us though. I believe we may get a denial of category B in conjunction with the Major Disaster appeal decision. We will have 30 days to appeal.
  - Category B is critical in that it is for Emergency Protective Measures which includes (but is not limited to) EOC related costs, supplies and commodities, safety inspections, and in limited circumstances “water testing and treatment supplies in the immediate aftermath of the incident to counter a specific threat.” We purposely put our start date of this incident to be April 25, 2014 in hopes we get category B and could get 75% federal funds for many other costs all the way back to 2014 – long shot but would be huge if we land this.

#### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 15 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

#### Items to Note

- We are using the terms Phase II, Phase III, etc. These are for internal discussion for planning and not meant for public dissemination at this time unless it is determined to be beneficial.

- The draft operations plan (attached) was completed in conjunction with MSP and NG personnel to initiate discussion on our next steps as to WRTs and PODs.
- The WH issued a statement that \$80 million dollars in aid to MI mostly to repair Flint water infrastructure. We do not have additional information on this. This may be existing federal funds provided to MI that is just being opened up for other use. FEMA does not have any information on this.
- We have been advised we exceeded the \$5 million under the emergency declaration. We are at \$7.6 million.
- FEMA has advised that any donated items can be used to offset the state cost share. We are working on the mechanism with FEMA to do this.
- Deployed state/local teams and 10 ARC Flint Water Response Teams to the field today.
- SEOC logistics worked to project future orders of water resources and commodities.
- Released updated JIC map at 1800 displaying updated field team activity and integrating historic paper records that have been entered into the tracking system for field team activity.
- DEQ test kits are only being provided to those who ask for them.
- I made contact with Senator Ananich aid, Julie Townsend, who was a POC for his volunteers. They are set to work next week on the 30<sup>th</sup>.
- MDOT met with city personnel to look at Station 6 POD and other PODs to see how traffic flow can be facilitated and safety increased. Additional report out due 1/22.
- A request from MSP MC3 for NG Cyber personnel (3 at \$32,000 for 30 days or less) was initiated.  
 . PENDING APPROVAL. NG advised this would have to be funded with existing funds at this time and to make adjustments.
- MDARD Food Program staff have completed assessments of all 21 food businesses (including restaurants) that were located in the highest risk area. In addition, they have completed assessments at 34 food businesses in the medium risk area, and have scheduled 28 appointments to collect water samples.
- Dr. Nicole Lurie, the Assistant Secretary for Preparedness and Response from the US Department of Health and Human Services (HHS), in addition to the HHS Regional Coordinator and other CDC staff, visited the CHECC and SEOC this morning and provided commentary to CHECC and SEOC staff/EMCs. She also attended a briefing from FEMA before departing to visit Flint.
- Parents of boarding students at the Michigan School for the Deaf were notified of the elevated lead results in Stevens Hall. All fixtures in the dormitory are scheduled to be replaced by January 24, 2016. Lt Gov. has scheduled visit on January 25.
- Valley Area Agency on Aging (VAAA) continues to take calls from seniors and caregivers needing access to water and filters. VAAA is providing this information to the local EOC each afternoon for follow-up.
- Information reported to the JIC:

○ As of 1/21/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase 1	Phase 2
30,770	5,409

2. Distributed: Includes outstanding data from yesterday - PODs after 5 pm, ARC worksheets and local EOC hotshots.

Commodity	Phase 1	Phase 2	Total to Date
a. Number of cases of water	94,688	10,403	105,091
b. Filters	77,215	2,356	79,571
c. Filter cartridges	188,389	1,039	189,428
d. Test kits	20,037	1,588	21,625

3. Total number of customers on the Flint water system

- a. 29,944 paying customers
- b. ~45,000 hookups (This is our high end target #)
- c. ~39,000 includes apartment complexes/multi family (The is the low end target #)

4. Resources purchased:

- a. Cases of water 124,398 (additional 20,098 donated)
- b. Filters 115,700
- c. Filter cartridges 243,200
- d. Test kits 61,161

5. Teams going out tomorrow:

- a.
- b. 15 ARC (2-4 folks) type 5 teams -- Goal tomorrow 100 homes per team

Local EOC

- Attended ARC meeting with VOADs to discuss volunteer management and strategies.
- Attended meeting with Plumbers and Pipefitters Union to assess the need for long term cooperation for filter installation and fixture replacement.
- Requested and received confirmation of deployment of Team Rubicon (starting on 01/23/2016).
- Facilitated Flint & Genesee Chamber of Commerce representation at the EOC.
- Addressed security issues at Fire Station 3, 6 and 8 PODs (residents concerned about criminal activity).
- Coordinating with SEOC Logistics to receive information on purchasing strategy and volumes for filter equipment.
- Met with Genesee County Planning Commission, United Way of Genesee County and Michigan Community Service Commission to clarify recycling plans and potential volunteer utilization.
- Coordinated and verified deliveries of supplies to apartment complexes.
- Identified potential locations for recycling stations.

Chris

Update 1/20/16 – 16<sup>th</sup> Day (15<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for second phase of door to door operations
- Submitted appeal to FEMA Region V
- Prepare for appeal on denial of Category B under the Presidential Emergency Declaration

Attached Documents:

- SitRep 16

Status on Governor's request letter to the President:

- Emergency declaration received.

Key items for tomorrow to note are:

- Five copies of the State/FEMA agreement will need to be signed by the Governor. Capt. Kelenske has them and will coordinate delivery.
- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- Dr. Luri from HHS will be at the SEOC ~10:00 p.m.
- A second phase is starting tomorrow which will include more refined questions as to type of filter systems each person has. This will assist with sustainment operations.
- DOC prison work crew personnel (6-7) will be at the warehouse to keep the area clean. A lot of trash is generated in the warehouse and was becoming an issue.

#### Items to Note

- Deployed state/local (NG, MSP, Local) teams and 10 ARC Flint Water Response Teams to the field today.
- MSP and local Sheriff's Department continue to provide over watch for WRTs.
- Aqua Hydrate contacted me to donate 5000 cases a month (4 semis) for a year. I was advised by Lindon Nelson this was a Governor/Mayor/Senator Ananich and Meekhof initiative and a press release was going to go out soon (TBD). Logistics is following up with them.
- News release sent from Governor's office about the appeal to the President of the disaster declaration.
- SEOC Logistics worked with JIC and Governor's office to establish a business resource submission tab on [www.helpforflint.com](http://www.helpforflint.com)
- SEOC Operations continued to develop and finalize Phase 2 canvassing roll out.
- Meeting held with Dr. Luri from HHS.
- Capt. Kelenske and other state agency financial personnel attended the appropriations hearing.
- End of day – concerns with the mass amounts of volunteers showing up and wanting to help. This can cause logistical issues but staff was working to get additional tasks for volunteers outside of the WRTs. We will continue to work on ways to involve more volunteers.
- Additional 5 person NG team for warehouse support approved.
- Information reported to the JIC:
  - As of 1/20/16 as of 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. 29,317 homes visited by the FWRTs to date.
2. Distributed: Includes outstanding hard copy data from yesterday (PODs after 5 pm, ARC worksheets and local EOC hotshots).
  - a. Number of cases of water 90,337
  - b. Filters 73,229
  - c. Filter cartridges 185,852
  - d. Test kits 19,866
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 111,630 (additional 18,502 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161

5. Teams going out tomorrow:

- a. type 3 teams
- b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

Local EOC

Operations:

- Addressed reports of water contamination in distributed bottled and canned water. Confirmed that water is safe to drink through testing by MDEQ. Coordinating with JIC and MDEQ for improved public information on the issue.
- Identifying options to reroute unsolicited offers for supplies and services outside of the EOC. Coordinating to set up 800 number.
- Attended meeting with Flint & Genesee Chamber of Commerce to discuss coordination of efforts, representation at EOC, and improved messaging.
- Attended meeting with Community Foundation of Greater Flint to discuss coordination of neighborhood groups and improved messaging.
- Coordinated with MDARD to provide additional lead testing at restaurants, and signage for safe locations.
- Coordinating with SEOC Logistics to receive information on purchasing strategy and volumes for filter equipment.
- Coordinated and verified deliveries of supplies to apartment complexes.
- Discussed logistics requirements of delivery requests for homebound residents with SEOC Logistics.

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

**Update 1/19/16 – 15<sup>th</sup> Day (14<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Prepare plans for next phase of operation – Second sweep of city

Attached Documents:

- SitRep 14

Status on Governor’s request letter to the President:

- Emergency declaration received.
- Appeal letter pending.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have National Guard, type 3 teams -I), with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

Items to Note

- Deployed state/local teams and 11 ARC Flint Water Response Teams to the field today.

- Messaging being developed for concerns regarding the Total Dissolved Solids (TDS) meters and citizens' concerns with those meters indicating "lead" in bottled water. Testing of water to be done by DEQ to ensure we have solid messaging.
- DTMB is working to secure space in Flint for FEMA staff.
- Press release went out this afternoon to announce that the US Department of Health and Human Services will lead the federal response in Flint. Capt. Kelenske to meet with Dr. Nicole Lurie, HHS Assistant Secretary for Preparedness and Response (ASPR), on Thursday. The goal of the federal response will be to help state and local leaders identify the size and scope of the problem, and work with them to make and execute a plan for mitigation of the short- and long-term health effects of lead exposure.
- Additional NG personnel being requested to assist with Warehouse inventories.
- JG personnel on the ground with the WRTs tomorrow with more transitioning in.
- Released updated JIC map at 1800 displaying updated field team activity and integrating historic paper records that have been entered into the tracking system for field team activity.
- LG is going to be in Flint working at one of the PODs on Wednesday.
- Information reported to the JIC:

○ As of 1/19/16 as of 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. 22,129 homes visited by the FWRTs to date.
2. Distributed: Includes outstanding data from yesterday - PODs after 5 pm, ARC worksheets and local EOC hotshots.
  - a. Number of cases of water 77,794
  - b. Filters 69,730
  - c. Filter cartridges 184,457
  - d. Test kits 16,671
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 95,760 (additional 16,056 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a. National Guard , type 3 teams---Goal tomorrow 300 homes per team
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Attended public health group meeting with GCHD, City of Flint Water Department and MDEQ to discuss water test information being returned to residents, to allow residents a greater understanding of results.
- Attended recycling/trash management group meeting with DEQ, Republic Services, Keep Genesee County Beautiful and Genesee County Planning Commission. Provided projections on current and anticipated bottle distributions.
- Coordinated deliveries of supplies to faith-based organizations, apartment complexes and homebound residents.
- Coordinated with Comcast to set up locations for distribution of filters (distributed 60 filters on 01/19/2016).

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

**Update 1/18/16 – 14<sup>th</sup> Day (13<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the *logistics plan and adjust as needed*
- Continue door to door/Flint Water Response Teams (FWRTs) and PODs
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.
- Complete appeal for Presidential Major Disaster Declaration denial.

Attached Documents:

- SitRep 13
- Side by side comparison of homes with filters January 13<sup>th</sup> compared to January 18<sup>th</sup>. This should be hitting the media tonight. This took longer to create than I wanted but is the image I have wanted to show progress of getting filters in to the field.

Status on Governor’s request letter to the President:

- Appeal in process.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - [illegible] team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
  - NG will be bringing in personnel to prep for surge.

Items to Note

- Beginning tomorrow the operational periods will be 7 days long.
- The CDC/ATSDR (Agency for Toxic Substances Disease Registry) has deployed a team to Michigan.
- An Arabic version of the palm card was reviewed and approved. This was developed via Arab American and Chaldean Council.
- Deployed state/local teams and 10 ARC Flint Water Response Teams to the field today.
- DTMB is working to secure space in Flint for FEMA staff.
- Cost analysis to investigate if it would be more cost effective for FEMA to purchase water vs the SOM.
- ARC news release concerning the Volunteer Reception Center (VRC) sent out today.
- Media availability conducted today at 3pm at the VRC.
- Since 1/14/16 Michigan 2-1-1 has received three direct reports of bottled water testing positive for lead. DHHS SEOC Desk and DEQ SEOC Desk was able to contact two of the callers. The Zero Water filter (pitcher) has a handheld test device so people know when to change the filter. This TDS Meter measures dissolved solids (it is not a lead test). This was explained and we are going to work on messaging to ensure this does not cause issues. Dissolved solids are in all water. The water from the callers is going to be tested and a case of water from one of the companies will also be sent to DEQ for testing. Brands are Spartan Spring Water and Canned Water for Kids. The filter company is also going to work on messaging and work with us on this matter.
- Information reported to the JIC:

- As of 1/17/16 as of 5 pm (start date was Tuesday, 1/12/16)

1. 21,393 homes visited by the FWRTs to date.
2. Distributed:
  - a. Number of cases of water 37,313
  - b. Filters 53,713
  - c. Filter cartridges 169,520
  - d. Test kits 7,379
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 82,992 (additional 16,056 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a. !
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Continuing to work with faith based organization to distribute resources.
- Working with colleges to obtain volunteers for canvassing.

Chris

---

#### Update 1/17/16 – 13<sup>th</sup> Day (12<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- *Continue to implement the logistics plan and adjust as needed*
- Continue door to door/Flint Water Response Teams (FWRTs), PODs
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.

##### Attached Documents:

- SitRep 12

##### Status on Governor's request letter to the President:

- Emergency declaration received.
  - Limited to direct assistance so we will need to ask for the Individual Housing Program but that is something I will work on with FEMA.
- Major disaster declaration denied. The appeal is being developed with a draft to Paul Smith by later afternoon 1/18/16.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - V
  - We will have 12 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

Items to Note

- Deployed state/local teams and 10 ARC Flint Water Response Teams to the field today.
  - 4,963 homes visited today.
- DTMB is working with DSEMIC and NC3 to monitor social media for information on cyber-attack yesterday.

01/16/16

- Approximately 5:00PM, Michigan.gov began to experience slowness in web page load time. Approximately 10 minutes later the Michigan.gov site became inaccessible caused by of a denial of service attack.
- IBM team was able to implement a mitigation strategy to stop the attack that began at 5:00PM. At 6:24PM the michigan.gov websites were again available to the public.
- Approximately 7:30PM, a new attack was initiated on the michigan.gov environment. The attack focused on the DNS servers and resulted in michigan.gov becoming inaccessible. Additionally, due to the nature of the attack other IBM customers were affected as well. IBM was able to implement a new mitigation strategy that resulted in the excessive traffic being blocked. At 7:53PM the websites were restored to normal operation.
- Shortly after the michigan.gov websites were restored, the State of Michigan was notified by our internet service providers that a DDoS attempt was made against our SOM DTMB servers in the external DMZ. Once detected, this attack was blocked and Michigan Cyber Security saw no signs of any other types of attacks.

01/17/16

- Genesee County was unable to access MiCIMS due to the State increasing filters. Michigan Cyber Security made adjustments to filter settings and their access to MiCIMS was restored.
- DTMB reached out to the City of Flint CTO, Paul Knific, offering any support they need. Right now they feel they have bigger issues than trying to get some of the things back online.

We currently do not have any additional information on the attacks on the City of Flint ([cityofflint.com](http://cityofflint.com)) or Flint Township Police ([flinttownshippolice.org](http://flinttownshippolice.org)) websites. We'll continue to pass information along as we receive it.

- Information reported to the JIC:
  - As of 1/17/16 as of 7pm (start date was Tuesday, 1/12/16)
- 1. 16,353 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received from prior to the SEOC activation (trying to validate the data) plus the PODs and door to door operations since activation.
- 2. Distributed:
  - a. Number of cases of water 27,195
  - b. Filters 50,432
  - c. Filter cartridges 168,605
  - d. Test kits 4,861
- 3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
- 4. Resources purchased:

- a. Cases of water 57,456 (additional 12,884 donated)
- b. Filters 108,520
- c. Filter cartridges 239,081
- d. Test kits 28,901

5. Teams going out tomorrow:

- a.
- b. 12 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

Local EOC

Operations:

- Facilitated activation of the Genesee County/Genesee Health System MOU for mental health services.
- Coordinated supplies for distribution to students at the U of M Flint campus.
- Still concerned about people going to every fire station and collecting water/filters.
- Coordinated trash pickup at Fire Station PODs with the City Liaison officer.
- Coordinated hotshot deliveries of supplies to home bound population.

Chris

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

Update 1/16/16 ~ 12<sup>th</sup> Day (11<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- *Continue to implement the logistics plan and adjust as needed*
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to prepare for engagement following the Presidential Emergency declaration

Attached Documents:

- SitRep 11

Status on Governor’s request letter to the President:

- Emergency declaration received. Federal Coordinating Officer (FCO) is David Samaneigo (Sam) who has been my LNO from FEMA. We began discussions on a transition to FEMA support last night. His team is headed to MI at this time and we will have our first coordination meeting on Sunday.
- The request for a Declaration of a Major Disaster was denied. FEMA advised this event does not fit the legal definition of a major disaster (natural incident or fire, flood, or explosion). This information has been provided since prior to the event to elected officials in Flint and the legislature. We are reviewing the chances for an appeal and I have already discussed this with the FCO.

Key items for tomorrow to note:

- The logistics plan will be fully executed tomorrow with all teams.
  - 
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- I will be back on duty Sunday.

n.

- We have been working with some of the churches. Contact was made with 14 churches for Sunday distributions. Interaction with the pastors has been very positive.
- A logistics briefing will be provided to see how many more teams we can put in the field.

#### Items to Note

- LT Gov visited the local EOC today; discussed local EOC operations.
  - Deployed state teams and 10 ARC Flint Water Response Teams to the field today.
  - DEQ sampling kits are now being received at the PODs.
  - DEQ sampled two Head Start facilities and worked with GIS to obtain future sample sites.
  - The Freeman School pilot was delayed due to some parts not arriving as scheduled. Testing was to be done Sunday but may not occur until Monday.
  - NG will have a total of 78 personnel in the PODs for distribution. Mission has not changed.
    - NG soldiers have been in the PODs. more processing in tomorrow with start date of 1/18 in the PODs. The TAG and I will be discussing future use of NG personnel door to door next week.
  - Information reported to the JIC:
    - As of 1/16/16 7pm (start date was Tuesday, 1/12/16)
1. 11,324 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received prior to the SEOC activation plus the PODs and door to door operations since activation. 3,850 homes were visited today (4,000 was the goal).
  2. Distributed:
    - a. Number of cases of water 20,876
    - b. Filters 47,935
    - c. Filter cartridges 167,401
    - d. Test kits 3,322
  3. Total number of customers on the Flint water system
    - a. 29,944 paying customers
    - b. 45,000 hookups (This is our high end target #)
    - c. 39,000 includes apartment complexes (The is the low end target #)
  4. Resources purchased:
    - a. Cases of water 57,456 (additional 12,884 donated)
    - b. Filters 108,520
    - c. Filter cartridges 239,081
    - d. Test kits 28,901
  5. Teams going out tomorrow:
    - a.
    - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Provided direction to Operations and Logistics Section to initiate water sample collection at PODs.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional churches were supplied with water, filters and test kits.
- Still concerned about people going to every fire station and collecting water/filters.
- Station #6 (POD) has associated safety concerns due to proximity of street and lack of suitable parking. We are working to resolve.

Chris

**Subject:** SEOC Update 1/15/16 - Flint Water - Limited Distribution

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

Update 1/15/16 – 11<sup>th</sup> Day (10<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Pilot the logistics plan and adjust as needed
- Continue with door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to ensure we get a Presidential Declaration of a Major Disaster and Emergency

Attached Documents:

- SitRep 10

Status on Governor's request letter to the President:

- All documents for the presidential request have been submitted to FEMA. Numerous calls and meetings took place between me and FEMA today.
- When we get the declaration(s) ... I will set up a legislative/congressional call to explain and provide bullet points as to what programs we will receive. The Federal Coordinating Officer assigned will also be with me to answer questions. This has helped in the past.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
  - A pilot team was used to test our logistics plan today and with 60% strength they had 160% output (830 homes).
- I will be off tomorrow but available by cell. Tony Katarsky will be SEOC State Director. I will be back in on Sunday.

Items to Note

- LT Gov visited the local EOC and SEOC today. He was able to hear our final briefing for the day.
- Held a short session managing stress with SEOC staff. Two handouts were put in MICIMS for all state and local personnel to view.
- Deployed state teams and 5 ARC Flint Water Response Teams to the field today.
- Standing requirements were created for the JIC so we can get information to the media every day. Below are the current ones we have in place and we should have something out tonight according to the JIC.
  - As of 1/15/16 as of 7pm (start date was Tuesday, 1/12/16)

1. 7474 homes visited by the FWRTs. We believe we have ~24,000 homes with filters but are trying to validate that information. This is from the data we received from prior to the SEOC activation plus the PODs and door to door operations since activation.
2. Distributed:
  - a. Number of cases of water 18,576
  - b. Filters 45,916
  - c. Filter cartridges 165,382
  - d. Test kits 3,217
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 44,688 (additional 12,884 donated)
  - b. Filters 78,520
  - c. Filter cartridges 163,081
  - d. Test kits 18,761
5. Teams going out tomorrow:
  - a.
  - b. 10 ARC (2-4 folks) type 5 teams---Goal tomorrow 100 homes per team

#### Local EOC

##### Home Deliveries:

- Still receiving lists from the Valley Area Agency on Aging (VAAA) on home deliveries and forwarding these to the Sheriff's office. They are going through a lot of homes. 120 out of 125 homes were completed yesterday.

##### Operations:

- We sent staff to visit Fire Station 6 and the warehouse today. Fire station 6 traffic was congested and that was during a "slow" time. The National Guard is identifying what is needed to alleviate this. MSP is working on providing uniform presence as needed. An additional iPad at each location will hopefully help relieve the amount of time that people are spending at the distribution sites.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional requests from churches were made and I approved the locations so they could be ready for Sunday. Lt. Roach was told by one of the pastors that he met with the Gov today and expressed how much he appreciated the efforts put forth. We should have 14 for this Sunday. We are working on how we can increase this output.
- Still concerned about people going to every fire station and collecting water/filters. NG personnel observed vehicles with several cases of water an overheard saying they were heading to the next station. Some people were helping themselves and taking more than one case at a time. Per the NG they cannot physically stop people from doing so. The NG is going to try to change staging in the fire stations to try to prevent this.
- Flint PD is going to check in every day with the EOC and provide a specific contact person. They are also going to help with traffic issues at the PODS. Will ask Flint PD to provide a presence when water is off loaded at a POD to help prevent people from "helping themselves."

Chris

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

### Update 1/14/16 – 10<sup>th</sup> Day (9<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and finalize lease on warehouse space/begin to move supplies from GCCARD to new warehouse
- Continue with door to door teams and finalize planning for future team use
- Submit request for a Presidential Declaration of a Major Disaster and Emergency
- Continue to work on long term recovery items (DHHS, DEQ, MDARD)

#### Attached Documents:

- SitRep 9

#### Status on Governor's request letter to the President:

- All documents for the presidential request have been submitted to FEMA. I had a lengthy conversation with the FEMA Region V Administrator reference the request prior to sending.

#### Key items for tomorrow to note are:

- The door to door teams will continue in the morning.
- We will continue to ramp up door to door operations with additional teams. Teams continue to focus on the high lead level areas and additional data is being analyzed to focus mission areas.
- ARC will increase the number of their Water Response Teams.
- Supply burn rates as well as projections on how many teams will be needed to put filters in all homes within 3 and 5 days will be completed. Analysis will be done to see if NG personnel may be needed to finish in quicker manner.

#### Items to Note

- DEQ was notified of the number of homes who are willing to have them take additional samples in the future (current number (114). This question was added to the App being used by the Water Response Teams. Data will be provided when needed.
- LT Gov is scheduled to be at the local EOC and SEOC (~4:30) tomorrow to see the operations.
- Secured 80,000 sq. ft. of a warehouse today. Working to consolidate all resources in one location. Tomorrow will be the first day of full implementation of our logistics plan.
- Email sent to state employees to request volunteers for weekend.
- Media monitoring showed no incorrect information today.
- Michigan Association of Broadcasters is sending PSA to radio stations.
- Coordinating with Red Cross on volunteers for weekend.
- Deployed 8 Water Response Teams to the field today (approx. 120 volunteers). 78 Red Cross volunteers active across the operation today.
- National Guard is ramping up to have soldiers per shift at each POD tomorrow. Will also have a Public Affairs Officer at the JIC and liaison at the local EOC.
- Senator Ananich visited the SEOC today to see how things operate. The visit went well and he seemed happy with the number of staff working the Flint event. He tweeted out a message indicating there is still a lot of work to be done but all are working hard.
- DHHS
  - The Community Health Emergency Coordination Center (CHECC) is working on the following:
    - A nutrition plan
    - Education materials, messaging, and working with local agencies
    - Developing a community assessment for disaster behavioral health services.
- Lined up the delivery of filters to two large apartment complexes and a student housing complex.

- We have the list of individuals needing home service (additional contacts will be sent to the Ops Chief at the Local EOC each day at 4:00). Info will be provided to the sheriff's office for action.
- Water Response Team Numbers (this is not the total of homes with filters – I will provide that number tomorrow but it appears we have filters in over half the residences):

	TOTAL	1/12/2016	1/13/2016	1/14/2016
Occupied Homes	1450	242	492	716
Vacant Homes	1967	152	161	1654
Total Homes	3417	394	653	2370
Resources				
Door Hangars	1487	217	453	817
Water	588	117	254	217
Filters	945	112	220	613
Pitchers	22	3	13	6
Water test kits	217	48	109	60
Replacement Filter	482		137	345
Total Resources Dispersed	3741			
Future sample test site	114	28	34	52

Chris

---

#### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

#### Update 1/13/16 – 9<sup>th</sup> Day (8<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and close lease on warehouse space
- Continue with door to door teams and finalize planning for second wave increase (+15 teams – total for 1/14/16 will be 20)
- Continue to work on Governor's Declaration of an Emergency

#### Attached Documents:

- SitRep 8

#### Status on Governor's request letter to the President:

- All support data from state Agencies and local jurisdictions collected as of 6:00 pm on 01-13-16
- Current timeline:
  - First draft completed and ready for review by State Department Directors (including the Attorney General) by 11:00 am on 01-14-16
  - State agency reviews due back by 1:00 pm on 01-14-16 for revision of the draft
  - Revised draft to Captain Kelenske by 2:00 pm on 01-14-16 for review and forwarding to the Governor for final review
  - Final draft (based on Governor's review) submitted to FEMA Region V Administrator by no later than cob 01-14-16 but hopefully sooner. FEMA is aware and ready to receive.

Requests and potential response from FEMA/President

- The letter will request all programs eligible under the Stafford Act including Public Assistance, Individual Assistance, Hazard Mitigation, FEMA's coordination of assistance from other Federal agencies and direct assistance from FEMA
- The letter will also request potential direct reimbursement from other Federal agencies such as EPA, CDC, HUD, DHHS and SBA
- This request is in coordination with the request for Non-Stafford Act federal assistance already requested and received by the State (technical assistance and administration, but no direct reimbursement of disaster costs)
- Direct Federal assistance from FEMA in the form of Individual Assistance to homeowners for household repairs (repair and/or replacement of water service lines and Other Needs Assistance to reimburse for water filters, bottled water, etc.) is a possibility
- Direct Federal assistance from FEMA in the form of Public Assistance is not as likely as it is mostly replacement of publicly owned water distribution lines (and not the direct result of damage from a natural cause)
- If Stafford Act assistance is denied (Public Assistance, Individual Assistance and Hazard Mitigation) FEMA could still provide coordination of assistance from other Federal agencies if the President declares a disaster (or emergency) for the State of Michigan

Key items for tomorrow to note are:

- The door to door teams will continue at 9 a.m. – 5 p.m. Thursday morning and continue through the weekend.
- We will continue to ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas and additional data is being analyzed to focus mission areas.
- MNG will have a press event at the armory with incoming soldiers and MG Vadnais.

Items to Note

- Received information that Rev. Jesse Jackson will be in town 1/17/16 at 1:30 at the Heavenly Host Church of the Harvest of Dartmouth St, Flint.
- Managed and corrected misinformation on NG role.
- Senator Ananich is stopping by the SEOC tomorrow morning 0845. I am meeting with him and his Chief of Staff. Short visit as he has a 0930 at the Capitol.
- Working with Comcast so they can put teams in the field for distribution.
- Penske is going to give us 15-20 trucks over the weekend.
- Contact made with Two Men and a Truck for resources.
- Meeting set with Google where they will brief me and key staff potential tasks.
- Coordinated with Flint Mass Transportation Authority (MTA) to include Fire Station PODs on bus routes.
- Tomorrow I will have a projection as to the number of teams needed to get all citizens filters in their homes in 5 days / 3 days.
- We are standardizing team structure and supply deployment to increase efficiencies. Mission Ready Package (MRP) specifications will be sent out for other entities to assist with door to door. They will then be able to arrive as a MRP, get supplies, receive a mission location and deploy.
- 5 Water Response Teams were in the field again today. Below are the numbers from the 2 days of just the Water Response Teams (there are paper copies with data still to be entered from the PODs). I was just briefed by the ARC logistics planner and there are efficiencies we can put in place to increase homes touched per day. The next version of the app will provide more granular details. Additional 30 tablets were configured by DTMB today for field implementation to include use in the PODs.

	Total	1/12/2016	1/13/2016
Occupied Homes	533	242	291
Vacant Homes	238	152	86
<b>Total Homes</b>	<b>771</b>	<b>394</b>	<b>377</b>
<b>Resources</b>			
Door Hangars	473	217	256

Water	265	117	148
Filters	235	112	123
Pitchers	9	3	6
Water test kits	92	48	44
Replacement Filter	93		93
<b>Total Resources Dispersed</b>	<b>1167</b>		
Future sample test site	62	28	34

- We show 17,276 residences with filters (this does not include data entry to be completed from POD or other locations).
  - We have 35,378 service hookups but with apartments, multi residence dwellings, etc we would be around 45,000.
- Logistics Support
  - The American Red Cross Logistics Planner provided me a brief and I approved the plan forward. The current plan includes:
    - Mission – A filter in every home ASAP.
    - 4 Distribution Methods
      - PODs (5)
      - Water Response Teams (20 effective tomorrow and this will increase)
      - Local EOC “Hot Shots” (these are calls for functional needs, unable to get to a POD location due to ??, etc). Personnel dispatched with supplies.
      - Local EOC support for other local requests (Faith based for distribution, etc.)
    - Three warehouse locations at this time
    - How to better leverage ARC resources
- Supplies – Daily Numbers
  - Replacement Cartridges - 30,700 delivered.
  - Water (cases) - 19,152 cases delivered
- Budget projection completed and will be submitted to SBO for review.
- Notes from Water Response Team Command (MSP)
  - Very good synergy between Flint Post troopers and Genesee County Sheriff command and deputies in effective and efficient deployments for distribution efforts.
  - Great attitude and efforts by uniforms and volunteers to make important contributions to the City of Flint on water response team deployments.
  - Clear direction and coordination in the field of supply teams by lieutenants and troopers. No confusion. Clearly defined roles.

**All personnel continue to be fully committed to fixing this as quickly as possible.**

Chris

#### Update 1/12/16 – 8<sup>th</sup> Day (7<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

I apologize in advance for the length of this report. With the supply issues we had the last couple of days I wanted to share our inventory plus what we anticipate to ensure we do not have supply issues.

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Fine-tune logistics
- Increase and deploy door to door teams (state teams added to teams from the Sheriff's Department)
- Increase collaboration and messaging of collaboration with local agencies (specifically the Sheriff's Department)

#### Attached Documents:

- SitRep 7
- Executive Order Activating the National Guard

#### Key items for tomorrow to note are:

- The Governor signed an Executive Order activating the National Guard. Mission will be to relieve ARC volunteers at the PODs (Fire Stations) which will free up the ARC volunteers for door to door activities.
  - I have briefed the ARC Disaster Officer on this plan.
- The Governor requested, through FEMA Region V, support from the Federal Emergency Management Agency (FEMA) to bring together and identify other federal agencies that may have programs and funding that could be dedicated to assisting Flint as part of an interagency recovery plan. One of the existing LNOs has been identified as the POC for this. He will be a great liaison for the FWIACC.
- The door to door teams will continue at 0830 Wednesday morning and continue through the weekend and ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas.
- We will look at all commodities and see where we are and where we need to be while working with the ARC logistics specialist.

#### Items to Note

- PSA video sent out to Flint citizens on resources available.
- Water
  - Today's numbers - 7,824 cases of water arrived today, 1/12/16 (109 pallets)
  - Ordered:
    - 19,152 cases of water are going to arrive Wednesday, 1/13/16 (266 pallets)
      - 1/3 is going to GCCARD and the rest is going to the new warehouse
    - 12,768 cases to arrive daily beginning Thursday through Saturday (177 pallets a day)
- Filters
  - Today's numbers
    - Ordered on 1/11/16 and delivered 1/12/16 direct to GCCARD
      - 2,000 – Brita filter faucet mounts
    - Filter Replacements
      - 2,400 – Brita filter replacements (single pack)
      - 8,000 – Brita filter replacements (two pack)
  - Ordered on 1/12/16 to arrive Wednesday
    - Faucet Mounts – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
      - 10,000 – PUR Vertical faucet mount
      - 2,500 – PUR Horizontal mount
    - Replacement Filters – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
      - 10,000 – PUR replacement filters (3 pack)
      - 10,000 – PUR replacement filters (single pack)
    - PUR Combination Pack – to be delivered to GCCARD on 1/13/16 (Wednesday)
      - 10,700 – PUR combo packs
- To arrive Thursday
  - Zero Water Pitcher (8 Cup) – Delivering direct to GCCARD on 1/14/16 (Thursday)

- 1,300 – Zero Water pitchers
  - Faucet Mounts – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 11,000 – PUR vertical faucet mount
    - 1,500 – PUR Horizontal faucet mount
    - 5,000 – Brita faucet mount
    - 10,000 – Brita adv faucet mount white
    - 12,000 – Brita adv faucet mount chrome
  - Replacement Filters – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 117,600 – PUR replacement filter
- Test Kits
  - 6601 unassembled kits arrived at GCCARD today, 1/12/16.
  - 500 have been assembled and are ready for distribution
  - 1000 additional unassembled kits have been ordered to be delivered at GCCARD (no ETA yet)
  - 10,142 unassembled kits to arrive at GCCARD early next week
- Second warehouse – Located in Flint
  - 100,000 square feet of secure warehouse obtained.
  - Accepting commodities beginning Wednesday, January 13
- Logistics Support
  - The American Red Cross Logistics Planner arrived from DC today as requested. I outlined what her mission was and how I saw the progression forward. This logistics planner will assist in streamlining the inventory and distribution process now and into the future.
- Door to Door Numbers
  - Today the app implementation for the field went extremely well. There were a few issues that were quickly addressed. One related to how form fields should be filled out. Another was getting styluses for teams so that they don't have to remove their gloves in the cold. All very simple to fixes.
  - We are working on version 2.0 so this can be used at the PODs
  - We should be able to greatly optimize distribution in the near future as we mapped the active water subscribers from Flint's DPW and are adding them to the field team members apps. Of the ~56,000 possible addresses, this reduces the number of possible homes to visit down to ~29,000.
  - Notes from the field commander:
    - "Today we started out the day using two groups that consisted of approximately 10 people in each group. We eventually combine groups with Genesee County Sheriff's group and they brought two more groups with approx. 10 people (Local UAW) in each group. This made us a lot more efficient and we were able to set up a game plan. Tomorrow I feel we will be more efficient and we will have a better plan in place to get the maximum output out of our resources."
  - In the end, there were 394 total home visits with the following breakdowns:
    - 217 Door Hangers
    - 152 Vacant Homes
    - 117 Water Distributions
    - 112 Filters
    - 3 Pitchers
    - 48 Water Test Kits
- 211
  - CALL VOLUME:
    - 185 calls for water-related issues had been received as of 4:45 pm.

- Logistics made contact with Comcast and will be supplying them with filters and replacement cartridges for their deliveries in their work trucks as they make services calls. They will follow our procedures for reporting (our checklist).

Chris

---

### Update 1/11/16

The focus today was the media event and getting the supplies and logistics on track. Most of the activity today was working on logistics for the water and other supplies.

### Attached Documents:

- SitRep 6

### Key items for tomorrow to note are:

- The door to door teams will start at 0830 Tuesday morning. It is reported that troopers are going to the door but DHHS employees are the lead with a troop car nearby.
  - State and local GIS created an App today for the teams to use tomorrow but I see potential use at distribution sites.
  - The App data will be used for our maps as we survey the public/distribute supplies and we will be getting real time metrics through the site from the field send back to the SEOC. We are using Android tablets tomorrow but in the future can use any mobile device for this.

### Items to Note

- It was reported that only one POD (Station 5) was out of water longer than 30-45 minutes. This site was ~2 hours without water and part of that was the truck went to the wrong station. Trucks were sent as soon as the local EOC was notified.
- We also did not receive a DHHS shipment that was to come in which caused some filter delivery issues.
- Supplies are limited at this time; however, we are getting our shipments starting at 0630 tomorrow.
- We have Home Depot giving us 12,768 cases (this was a late development so the SitRep indicates half the amount) of water every day starting tomorrow. We are still working with other distributors too.
- ARC is flying in a logistics planner tomorrow. Three additional staff will be with her to shadow and help. We are turning warehouse logistics over to ARC logistics. We are moving tomorrow to a process that has a distribution center (GCCARD) and a warehouse that is 100,000 square that will maintain mass quantities. Staff has continually been placing orders for supplies to ensure we get a head of this. The intent is to keep the warehouse full so we do not have these continual issues of supplies.
- Began mapping lead service lines (anticipate having draft of lead service lines Friday).
- Coordinated with local IT managers overseeing filter tracking system to streamline data collection.

### Local Emergency Operations Center

- Working to coordinate resources at the local level to maintain adequate supplies at all PODs.
- Demand has exceeded supplies and supplies are moving rapidly from PODs today. Working to make sure POD managers notify us when they start running low.
- Working to establish a warehouse for local resource storage.
- Established trigger points for resources at PODs and hourly inventory reporting from the PODs.
- Discussed potential long term water sources between local EOC and SEOC.
- Established planning cycle/meeting scheduled for 1/12/16.
- Local EOC EMHSD staff with Natasha Henderson to request deployment of City representative at local EOC.

Chris

## Update 1/10/16

### Attached Documents:

- SitRep 5
- Door card (English version but Spanish version will be ready for Tuesday)

I have a local EOC section listed below but state personnel are heavily engaged in management of both locations. We occasionally hit some road bumps with this event but all personnel are working well together to accomplish our goals (especially state agency personnel).

I have had good discussion with FEMA LNOs. Two statements have been developed from our discussions that hopefully helps put this in more context but if it is more confusing I apologize:

1. In the immediate response, the State, in collaboration and coordination with city of Flint and county of Genesee are working to get water, water filters, and testing kits to the affected population. In conjunction, the state will coordinate with federal agencies to ascertain what resources can come to bear to help mitigate the issue.
2. If asked about a federal declaration from FEMA, we need to articulate the definition of major and emergency declaration and state or note to ourselves that it appears to not qualify; however, there may exist opportunities to leverage federal assistance from some agencies (i.e....EPA) under their own authority to help address this issue.
  - We need to really manage expectations on the potential for a federal declaration...not that we will not go after one but it will be difficult to get.
  - A major disaster is defined in the Stafford Act as any ***"nature catastrophe (including hurricane, tornado, storm, high water, winddriven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, snowstorm, or drought) or, regardless of cause any fire, flood, or explosion.....causes damage of sufficient severity and magnitude, to warrant major disaster assistance.....to supplement the efforts and available resources of States, and local government....."***
  - An emergency declaration is ***"is any occasion or instance for which, in determination .....assistance is needed to supplement State and local efforts and capabilities to save lives and protect property and public health and safety or to lessen or avert the threat of a catastrophe....."***
    - This is limited to immediate and short-term assistance (I hate to put times on this but short-term is like 3 weeks), essential to save lives, protect public health and safety and property.
  - Severity of the situation is ***"A finding that the situation is of such severity and magnitude that effective response is beyond the capability the state and affected local governments, and that the state requires supplementary federal emergency assistance to save and to protect property...."***
  - Nature of assistance for Emergency Declaration is for ***"Debris removal, emergency protective measures, direct federal assistance...."***
    - Debris Removal = ***self-explanatory and we do not have this***
    - Emergency Protective measures = ***water, commodities, transportation (remember ... to supplement what the locals and state are already doing if we need more)***
    - Direct federal assistance= ***what specific type of work is requested, and what are the reasons why the state/local government cannot perform or contract for performance. Essentially what is the need that state/local govt cannot provide. I can see this being something we need but we may be able to get this outside a federal declaration under the federal agencies own authority to help address this issue.***

Back to the update...

#### Key items for tomorrow to note are:

- Training is occurring for the door to door teams scheduled for Tuesday morning.
- Deploying an additional MSP District Coordinator to the local EOC for command and control support.
- Deploying two DTMB trucks and two drivers for sustained logistical support for the week.
- Media event with the Governor in Flint.
- New Incident Action Plan starts (1/11 0800 -1/13 0800 operational period). Our objectives are as follows:
  1. Ensure all households within impacted community have required resources.
  2. Ensure accurate tracking and accounting of all commodities.
  3. Improve and maintain public information strategy.
  4. Develop a long term public health and services plan.
  5. Ensure adequate staffing to support operational requirements.
  6. Identify possible assistance programs.
  7. Develop an approved GIS strategy.
  8. Maintain coordination between partner agencies and organizations.
  9. Enhance situational awareness and common operating picture of all activities.
  10. Develop a comprehensive Recovery Plan.

#### Items to Note

- All 9 churches had filter systems/replacement filters, information sheets, and water test kits delivered as requested by each pastor/reverend on Sunday. We did not think we could get them water due to the limited time but we did end up getting water to all 9 churches with the other items.
- Fire station resource locations stayed open from 9a to 9p and will continue with those hours until further notice (Staffing is in place until Saturday). ARC is staffing these locations.
- The media event was held at Fire Station No. 1 and report back is that it went well and the spirit of collaboration between local, state, non-governmental partners is strong was relayed.
- The four door to door teams will have the hours of 8:30 a.m. to 5 p.m.
  - Each will have logistics support from DTMB, security from MSP, and contact personnel from DHHS.
  - The door card is attached that will be left if no one is home.
- Worked to identify a storage location within the City of Flint for water and supplies. G-CARD is identified as temporary location but we are moving toward a state run warehouse operation (looking at private sector partners to assist, especially with the warehouse management side).
  - GCCard is large enough, centrally located and comes staffed. GCCard has 75,000 sq ft with warehouse managers to assist with tracking resources coming in and out.
- GIS will provide us daily updates of how much was distributed each day but note we have a delay in data entry from delivery to entry in the GIS system. Over the weekend there was a problem locally with staffing to get this completed. A solution is in place and will be implemented so we get timely data. Distributed to date (as of 1/8/16).
  - 12,386 filters
  - 1,985 replacement filters
  - 354 Pitchers
  - 2500 Lead Testing Kits
- Establishing and tracking of resources is a priority. Staffing has been assigned to get a good handle on these to ensure distribution sites maintain an appropriate level of inventory. I have requested trigger points get put in place so we do not get below certain levels in the main warehouse location.
  - Contacts with some large water distributors have been made and their and our logistics chiefs will connect first thing this week.
  - We have ordered an additional (expedited delivery with ETAs tomorrow)
    - 40,000 Brita Filters
    - 40,000 Brita Replacement Filters
    - 1000 Zero 8-Cup Pitchers
    - 1000 Zero 8-Cup Pitchers
    - 2000 PUR Replacement Filters

- 93 Pallets of water (about 6700 cases)
- GIS continues to produce multiple maps for use.
- JIC Items
  - Requested PSA on the radio. Media has been approved and working with MAB.
  - Requested JIC to contact Comcast and Dish Network for availability for continuous running of filter install/replacement and test kit video.
  - A news release will likely going out tomorrow regarding canvassing in neighborhoods. Continued social media messaging.
    - Tuesday – embed state PIO with one of the canvassing teams to liaison with media.
    - JIC moving tomorrow to Flint.

### Local Emergency Operations Center

I am providing you some information on some issues we ran into at the PODs. This has been addressed with additional state resources and processes put in place so we do not run out of resources. Public concerns/complaints have not been brought to my attention at this time. Staff is working very hard to ensure we do not run out of supplies at the PODs and they understand the consequences. No one in the Local EOC or State EOC is happy the following occurred and I felt you should know in case it is brought up. Again, I believe we have fixed this and I take full responsibility for any supplies not being on site.

### Fire Station Inventory Levels:

#### Station 1:

- Only time without supplies - 15 minutes without water while the truck was unloaded.

#### Station 3:

- Ran out of replacement filters around 7:00, replacement filters delivered around 7:30. Had to pick up replacement filters from Home Depot and deliver.

#### Station 5:

- Ran out of water around 5:00, water was delivered around 6:30. We needed to find additional trucks because DTMB drivers were over hours. The ARC stepped up and found a truck to go and pick up a pallet of water and deliver.
- Somewhere between 4:00-6:00 they ran out of lead test kits. No way to restock these because City facilities were closed and could not reach anyone.

#### Station 6:

- Around 5:00 ran out of water, filters, and replacement kits. Replacement kits were delivered around 7:30. Additional water and filters were delivered after 9:00 due to the DTMB drivers heading back to Lansing. Food Bank was called and had to get drivers in to operate trucks, pick up water from the School District, load and deliver to all sites. Delays occurred with weather conditions and needing to use last minute sheriff EOC staff to load due to issues with City workers. City workers were scheduled to help and left around 7:00 without helping.
- 2 pallets of water were dropped off in the afternoon and within 1 hour were gone. This was much faster than we expected. On 1/9 they didn't go through 2 pallets of water at any station for the hours 9:00-4:00.
- We received news that a reverse 9-1-1 call notified residents of water which caused an unanticipated amount of people obtaining water. There was also a report of 1 person walking out with 2 cases of water and trying to sell in the parking lot.

#### Station 8:

- Around 7:00 ran out of filters and lead tests. Filters were delivered around 8:00 from the food bank trucks.
- Hourly reports were requested in the morning from volunteers but this information was not received as to the status throughout the day. Early inventory of supplies took between 1 hour-1.5 hours to receive in the EOC. We were not advised of low counts, just zero numbers.
- Reports received that the last couple of hours were slow.
- Residents were advised of the other sites and the opportunity to obtain supplies.

#### Restocking Plan

- United Way set up meeting with Food Bank to discuss.
- Had EOC meeting on this topic to discuss options.

#### Churches:

- All 9 churches received waters, filters, and informational bulletins.
- Lt Roach received positive feedback from 3 of the pastors.
- No complaints were received.

#### Signage:

- Provided information to SEOC on signage requirements at the fire stations.

#### Storage:

- Researched storage spaces; established temporary site at GCCARD.

#### Personnel:

- Lack of local EOC leadership (seems somewhat checked out) with IC and Deputy IC (doing an okay job).
- Captain TaFoya (Genesee County) helped tremendously today with all the plans outlined above and attended the press conference.
- Tina Martinez at the Food Bank and Matt Purcell at GCCARD were extremely helpful in getting last minute operations set up.

Chris

---

#### Update 1/9/16

SitRep 4 attached for more in depth information. The below only contains some items worked on today and while the format in the attached SitRep is not perfect (it is created automatically by MICIMS) it does contain a lot more information you may want to read. I also attached one of our maps. It is our filter distribution map. All filters handed out by anyone working with us feeds into this now. We are continuing to refine these and at this time there is a delay in the upload of address data but we are working on it. We have a way to go to get filters in every home but this will help direct us to those who need still them. We also are working on identifying abandoned homes.

Key items for tomorrow to note are:

- 9 churches will have ARC volunteers and filters for distribution. Some may also get water.
- 5 fire stations are a distribution point for water, filter systems/replacement filters, and water test kits. While only open today until 4 p.m., tomorrow and until further notice they are open from 9a to 9p.
- Media event will take place on the above tomorrow.

#### Items to Note

- 211 has some issues with call load but it is being worked on. 2-1-1 Director contacted MDHHS PIO to discuss/resolve caller wait times and messaging. We anticipate an increase in activity tomorrow in 211 calls so we requested and received an increase to staff 211.
- We are shifting tasks the SEOC took on that are handled more effectively and efficiently at the local EOC. We have established command and control in their EOC. We are running things there but that is not being made public. We are doing this in partnership but we are clearly handling the operation with state personnel oversight.
- A 3rd FEMA LNO arrived today upon my request. This has nothing to do with a Presidential request for a declaration but support for some other items I want worked on for long term recovery.
- We continue morning calls with the local EOC leadership and local emergency manager on what our goals for the day are as well as any issues/concerns.
- Five 5 fire stations have received water, water filters, replacement cartridges, and water testing kits with American Red Cross personnel at each location to assist with delivery of resources and collection of addresses receiving

them. These locations will be open from 9a – 9p daily until determined they are no longer needed. Those picking up water testing kits will be advised that they can return the test kits to the fire departments (where they will be picked up and taken to the Flint City Hall), the Flint Water Treatment Plant, or they can take them directly to the Flint City Hall. *For those unable to return the kits, 211 can make arrangements for pick up the kits. We understand response to these sites has been positive thus far.* The Genesee County EOC will be monitoring these supplies and request replacement of products as needed.

- A call is going out tomorrow morning to advise this information ... I do not believe it was every resident but Tori Sachs has that info if needed.
- I approved a press release today to advise the public that all levels are working together to ensure delivery of filters, test kits and water; noting that all of these items were delivered to the 5 Flint fire department stations. It was stressed that the public should be aware that the local and state agencies have been working cooperatively to assist the residents - and will continue to do so. This was done to hopefully end or at least minimize the “who can get water and filters out first” when all of this has been connected with the state and coordinated since the state declaration was put in place.
- The arrangement of 2,000 filters, to be taken to 9 local churches on Sunday, January 10, is ongoing. The filters have been secured; they are now in the possession of the DTMB. DTMB will return to Flint on Sunday morning to deliver these to necessary locations. The American Red Cross will be on site at each church to assist with distribution and recording addresses (for GIS). The local EOC is working to ensure these arrangements are complete and run smoothly. Future engagement with the faith based community will occur to assist with additional distribution.
- A Flint City liaison has not been in the EOC but starting Monday this will be in place to keep the Flint Mayor apprised of activities being conducted in the city. She also has been advised she can call me at any time if she needs anything.
- Training has been confirmed for the door-to-door operation scheduled to start Tuesday. Four teams are initially scheduled with more to potentially be put in place. These are the teams that will be handing out water, filter systems/replacement filters, test kits and information. *If nobody is home, a door hanger with information is being left.* DHHS personnel and one MSP trooper will be on these teams.
  - Training will take place at 1 p.m. on Monday afternoon at the DHHS office on Clio Road. DEQ and DHHS will provide the training.
    - Training is so those going door to door can explain what the filters do, how to install them, if they need install help to call 211 who has a list of people who can install the filters, and answer any other questions versus just handing them the filter.
  - Hours of operation will be Tuesday through Friday from 8:30 a.m. to 5 p.m. AT THIS TIME. I am reevaluating these times to increase contact with someone versus just leaving information.
  - Logistics are being finalized for the teams and trucks to handle stocking and re-stocking of materials during daily operations.
  - GIS maps will provide guidance on deployment locations for these teams and other teams in the field.
- A pilot project at Freeman Elementary with LARA and DEQ has been initiated to see if replacing certain plumbing components in faucets at the school will drop the lead level.

#### MSP/EMHSD GIS Section Updates

##### Accomplished Today (January 9):

- Produced a Point of Distribution Map. Contains four types of distribution points; Churches, Water Resource Sites, Filter Distribution Sites, Water Distribution Sites.
- Produced Filter Distribution Map.
- *Developed process of how best to handle geocoding the household filter locations, worked on processing the data.*
- Worked on map of franchise customers outside of Flint City.
- Produced maps for MDARD on food establishments and Local Health Departments.
- Produced map of Church Filter Distribution map for DTMB.

#### Local Emergency Operations Center

- The state has deployed 10 personnel to the Genesee County EOC to ensure we have command and control at the local level. On 1/8/15 The state personnel took over the incident management functions of the Genesee County EOC (not public). The arrival of additional staff allowed the local Emergency Management Coordinator to delegate tasks which relieved a tremendous amount of stress.
- Additional Sheriff staff (2-positions) will be shadowing the state incident management team to allow for transition to the county personnel later in the incident when we are comfortable with them handling things. Not sure when that will be but we have secured a direct bill hotel for staff to stay in Flint as long as needed.
- With the additional staff, the Local EOC will be able to take over functions previously handled by the SEOC including:
  - Logistical activities to support church operations.
  - Logistical activities to support fire stations operations.
  - Coordinate Donations Management activities and draft donations management plan
  - Coordinate Volunteer Management activities
  - Identify local storage/staging facilities
  - Overall inventory tracking
  - Tracking of Points of Distribution (PODs)

Chris

---

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

Update 1/8/16

SitRep 3 attached.

There is a significant difference in what is being presented by the media and what the local EOC is relaying to us at the SEOC. It is also being driven by the media that this is a state versus local response (who is providing more and quicker versus a coordinated effort between all). That said, I advised SEOC personnel that perception is reality in some eyes and we are to move forward to address items that typically are addressed at the local level. I have ordered the SEOC open all weekend due to make the quick wins that we need and continue to get the coordination and collaboration in place that is needed (but make gains on our own as needed).

#### Items to Note

- Two FEMA LNO’s arrived today and are in the SEOC. A third LNO was requested from FEMA due to some unique issues with this event to include having to deploy more or my staff to the local EOC to get more structure and/or find out why there is an issue with the message the media is showing versus what we are hearing from the local EOC.
- We finally received from the local EOC 8 locations (we were told originally early in the week they had 80-90) that are their Points of Distribution (PODs) for water in conjunction with the local food bank. The PODs are not getting water from the food bank even though the food bank has water. We are going to resolve this issue as we can help deliver the water to the PODs but we were not aware of this. 8 PODs is not enough locations if water needs to be distributed to citizens. Speaking with the ARC Regional Administrator later today, I believe ARC got water to those locations but I need to confirm that in the morning. The food bank reported they had 376 cases of water.
- We have learned that a low number of residents are testing their water when DEQ can test 400 kits per day. This is an added focus that we believe can be increased through dissemination of test kits with the filters and any water.
- I found out the Mayor was okay with using fire stations as distribution points for water, filters, and water test kits. While this did not come to me through the local EOC, I advised we needed to get water, filters, and test kits to

these locations for tomorrow. The distribution at 5 Flint Fire Department stations has been coordinated to be in place by 10:00 am tomorrow morning.

- DTMB has provided a truck and driver to pick up water test kits from DEQ lab in Lansing, water from the Food Bank and water filters and replacement cartridges from GCARD in Genesee County.
- 10 American Red Cross (ARC) volunteers will meet the DTMB truck at GCARD at 9:00 am to be provided information about filters. Instructions will be included in water test kits. They will then report to the 5 fire stations to assist in distribution of resources to the public and track addresses of same.
- Residents will be told where they can drop off their water test kits, or that they can return them to the fire station the next day. Coordination will occur on pick up of water test kits daily to be taken to the Flint City Hall, who will then delivery them to the DEQ testing lab.
- STILL FINALIZING - We have made available 2,000 Filters for distribution on Sunday as parishioners leave mass/services. This will be 200 filters for 10 churches in Flint. While this is a small number of churches, we do not want to waste an opportunity to hand out filters and this seems like a quick way to so. The filters will be put on the DTMB truck on Saturday for delivery to TBD locations for distribution. Logistics remain undetermined as I am still waiting on a list of the churches, pastors/reverends/hours or services/etc. The DTMB truck will be returning to Lansing approximately 11:00 a.m. so we need to finalize this quickly on Saturday. We may utilize ARC to assist with this.
- The Recovery branch is working with the JIC to develop a door hanger card. DTMB is working on the printing portion of the hanger card. Recovery will also be finalizing logistics over the weekend for neighborhood canvassing to occur early next week. 40 volunteers have signed up to attend training on Monday afternoon to complete this task. The mission will be to deliver water sample kits along with water filters/replacement cartridges, and water.
- It appears that 211 has become overloaded. DHHS is researching ways to increase capacity for calls.
- A Volunteer Management Coordinator is in the Genesee County EOC as of today.
- A Donations Management Coordinator has been requested and she will be in the Genesee County EOC Saturday.
- DHHS had a conference call with GM today; they indicated they can provide cash, and supplies, but primarily manpower. No commitments were made at this point. We inquired as to availability of warehouse space and trucks. It was left as GM being a major resource pool that we can tap into as we determine missions. Further conversations will occur, but primarily GM just wanted us to know they are there if needed.
- An additional EMHSD staff member was sent to the Genesee County EOC to act as Operations Section Chief and obtain awareness of the situation there.
- GIS staff met with various parts of Genesee County/Flint personnel to try to get a handle on data available.
- GIS continues to work with local GIS personnel with three GIS staff going to Flint today to work with them. GIS staff is working with U of M on how best to proceed with digitizing water lines for long term recovery.

Chris

---

#### UPDATE 1/7/16

A summary of some of today's SEOC activities is provided below. Attached is the following:

- Today's SitRep which contains more information than below.
- The resource request/task assignment sheet for your situational awareness. This is how locals request resources as well as how we track resources and any assignments and/or tasks that are to be completed.
- JIC Task Tracking – for your situational awareness on how we are tracking requests and assignments. Once someone is assigned a task or resource request it allows them to document what work has been or will be done as shown at the bottom of the document.

#### Items to note:

- I received a document this evening from Genesee County which appears to be damage assessment information. Analysis of this will occur tomorrow. It appears to be infrastructure and costs to fix it and no other impacts.
- I spoke with Jamie Curtis, Genesee County Commissioner, this evening. A very good relationship is in place with him, especially with our District Coordinator (DC). I also have our DC working on developing stronger relationships with the Mayor/Mayor's office.
- GIS staff continue to obtain data and work with County and City personnel to get a picture of where resources have been provided, need to be provided, as well as infrastructure locations (pipes) that could be affected.
- Personnel and agencies have been tasked with developing a plan to get people in the community to deliver information, hand out filters, etc. This would target those areas we are showing minimal or no filter distribution based on the data we are collecting. The plan is to get them in the field by Tuesday and the plan will be provided to me tomorrow.
- Filters can be obtained at the following locations:
  - Michigan Department of Health and Human Services office, 125 E. Union St., Flint, MI 48502
  - Michigan Department of Health and Human Services office, 4809 Clio Road, Flint, MI 48504
  - Genesee County Community Action Resource Department office, 2727 Lippincott, Flint, MI 48507
  - Genesee County Community Action Resource Department office, 601 N. Saginaw, Flint, MI 48502
- Conducted briefing with local EOC and county executive.
- Conducted briefing with state agencies (daily updates).
- Began work to schedule legislative/congressional conference calls. Tentatively scheduled for 2 p.m. Friday.
- JIC continued to develop messaging.
- Provided input to local EOC regarding best methods of identifying health and non-structural impacts for damage assessment process.
- Deployed two EMHSD/SEOC liaisons to assist the local EOC.
- Published the Incident Action Plan and continued assignment of objectives/tasks.
- FEMA Liaison Officers just arrived in Lansing to assist command and general staff.
- I spoke with Harvey a few times and he should have talking points later tonight or tomorrow a.m. for his use and also for others who may speak to media outside of state government who may benefit from our messaging.
- We held a media round table at 1 P.M. at the SEOC. Dr. Wells and I spoke and answered questions to numerous media outlets.
- Local agencies and NGOs continue to provide water and filters to citizens.
- The website, [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater), was update with information and links to assistance to include 211. Additional recommendations were provided to include information on the testing water in homes.

#### EMHSD GIS:

##### Accomplished Today:

- Reproduced Socio-Economic Status Map
- Reproduced Predicted Affected Populations Map
- Cleansed old data and reports for water filter distributions
- Created draft map of water filter distributions (Refinement needed before releasing final product)
- Scheduled on-site visit with Flint GIS Department and Genesee County GIS Department

- Formatted databases to host content
- Researched service line database creation and scheduled meeting with U of M Flint to discuss timelines and resource needs
- Generated water infrastructure map (does not include building service lines)

#### Tasks for Tomorrow:

- Meet with Flint City GIS
- Meet with Genesee County GIS
- Meet with U of M Flint GIS
- Finalize water filter distributions map
- Finalize plan for data distribution methods

Chris

---

#### UPDATE 1/6/16

A summary of today's SEOC activities is provided below. I tried to distill this as best I could but there has been a lot of activity and discussion to get an accurate assessment of the situation. Attached is the final draft of objectives and tactics for the operational period and agency situation report (SitRep) which has more SEOC agency information. I have implemented weekly operational periods.

Advise if you want anyone else copied or off this distribution.

#### Daily Update

- Set goals for SEOC and identified response/recovery emphasis
- Requested FEMA liaison officers (LNO) from FEMA Region V. Two LNOs will be on site by ~3 p.m. 1/7/16. Both are known contacts to me and some staff and one has worked extensively with me during the SE MI flooding in a command and control position. These personnel have been specifically tasked with this mission. **THEY ARE NOT HERE TO ASSIST WITH A PRESIDENTIAL DECLARATION REQUEST BUT TO ASSIST ME.**
- PIOs from multiple agencies were here and established the Joint Information Center (JIC). News released pushed out on this. I am very happy with the PIO work and movement toward coordinated messaging.
- Held briefing for State Agency Emergency Management Coordinators, which included presentations from DEQ and DHHS subject matter experts to ensure situational awareness and to develop a common operating picture.
  - I opened the briefing by identifying our initial goals, items to think about while subject matter experts were briefing us, and how we are to move forward, find quick wins, and regain trust.
  - **MDHHS – Elevated Blood Lead Levels**
    - Dr. Elizabeth Wells gave an in depth summary of lead poisoning and what has occurred in terms of health monitoring throughout the Flint crisis.
  - **MDEQ – Water Testing Protocols**
    - Mr. George Krisztian of MDEQ gave an in depth summary of the testing protocols and summary results that as they have developed throughout the emerging crisis.
- Developed Incident objectives, strategy and tactics (see attached)
- Identified SEOC and state agency staff positions
- Assigned work tasks for SEOC operation period from 0800 January 6, 2016 to 1700 January 8, 2016
- Reviewed planned actions, prepared final draft Incident Action Plan
- Made contact with the Genesee County Emergency Manager first thing in the morning and held a conference call mid-day to discuss roles. Daily 0830 command conference calls with local EOC command staff starts tomorrow. Tomorrows call will include the County Commissioner and the City Administrator (both invited). Topics include the incident action plan objectives and establishing better local coordination,

command and control to facilitate integration with the SEOC. The local EOC is not functioning as it needs to with personnel and local coordination and we are working on that issue.

- I will be in Flint tomorrow for a 2 p.m. media round table with local officials that was set up by the JIC.
- The attached initial objectives will be updated at least every operational period and as needed. I listed the objectives below but the tactics to accomplish them is in the attached if you want further information.
  1. Activate the State Recovery Task Force (SRTF).
  2. Establish and maintain coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate medical experts.
  3. Obtain and maintain situational awareness and common operating picture of all activities.
  4. Establish SEOC operational period and hours of operations.
  5. Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program.
  6. Develop a comprehensive GIS strategy.
  7. Coordinate response and recovery activities with MIVOAD and identify potential mission areas.
  8. Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies.
  9. Provide technical assistance to the local Damage Assessment process.
  10. Establish a Joint Information Center (JIC) and develop a public information strategy.
  11. Monitor MI CIMS for resource requests and address as appropriate.
  12. Establish and disseminate cost center information for the incident.
- Additional tasks include:
  - Determine what federal agencies are already involved and their status
  - Identify potential water supplies
  - Determine where affected homes are located, where filters/pitchers (and replacements) were installed/provided, and determine who needs filters, etc.
  - Determine how filter distribution is handled, and if it can be handled more efficiently and effectively
  - Determine what mechanisms are in place for nutrition supplementation

#### EMHSD GIS Accomplishments:

- Hosted a conference call to begin coordination with Flint City and Genesee County GIS departments and the SEOC
- Established a daily call with county and city GIS personnel to synchronize GIS efforts in support of the Flint water crisis at 8:30 A.M.
- Began consolidating local data from local GIS practitioners into a consolidated database, to include:
  - Water Pipeline Locations
  - Filter Distribution Locations
  - November 25, 2015 Water Monitoring Results (Partial, some data remains to be digitized)
  - Affected School Locations
  - Predictive analysis of blood lead levels for affected area
  - Updated Parcels
  - Demographics
  - Block Groups
- Produced a map for the filter distribution locations
- Began contacting specialists who developed historic maps depicting the Flint Water Crisis to obtain the data

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:06 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** Update - Genesee County Declaration

Below are some key points for your situational awareness (FYSA) that have taken place or will take place within the next 15 hours.

- I was on the phone with Sean Kammer, Assistant to the Flint City Administrator, when the declaration hit the news so I advised him immediately. He was going to let the City Administrator know.
- I contacted MSP Lt. Roach, 3<sup>rd</sup> District Coordinator, who was at the Genesee County EOC and advised her to let the County EM know the declaration status.
- State Emergency Management Coordinators (SEMCs) were notified via our notification system with additional information in an email.
  - This included information on the SEOC activation and a 0900 briefing for SEMCs.
  - Some subject matter experts will provide us an update to establish a common operating picture.
- We have been in contact with FEMA Region V watch desk ... they will be on the call tomorrow and continue to monitor the situation.
- I have been in contact with the FEMA Region V Administrator to keep him updated.
- Operational period for the SEOC will be M-F, 0800 to 1700 at this time.
- Situation Reports (SitReps) will be provided in the evenings.
- An Incident Action Plan will be developed tomorrow.

Call me with any concerns or questions.

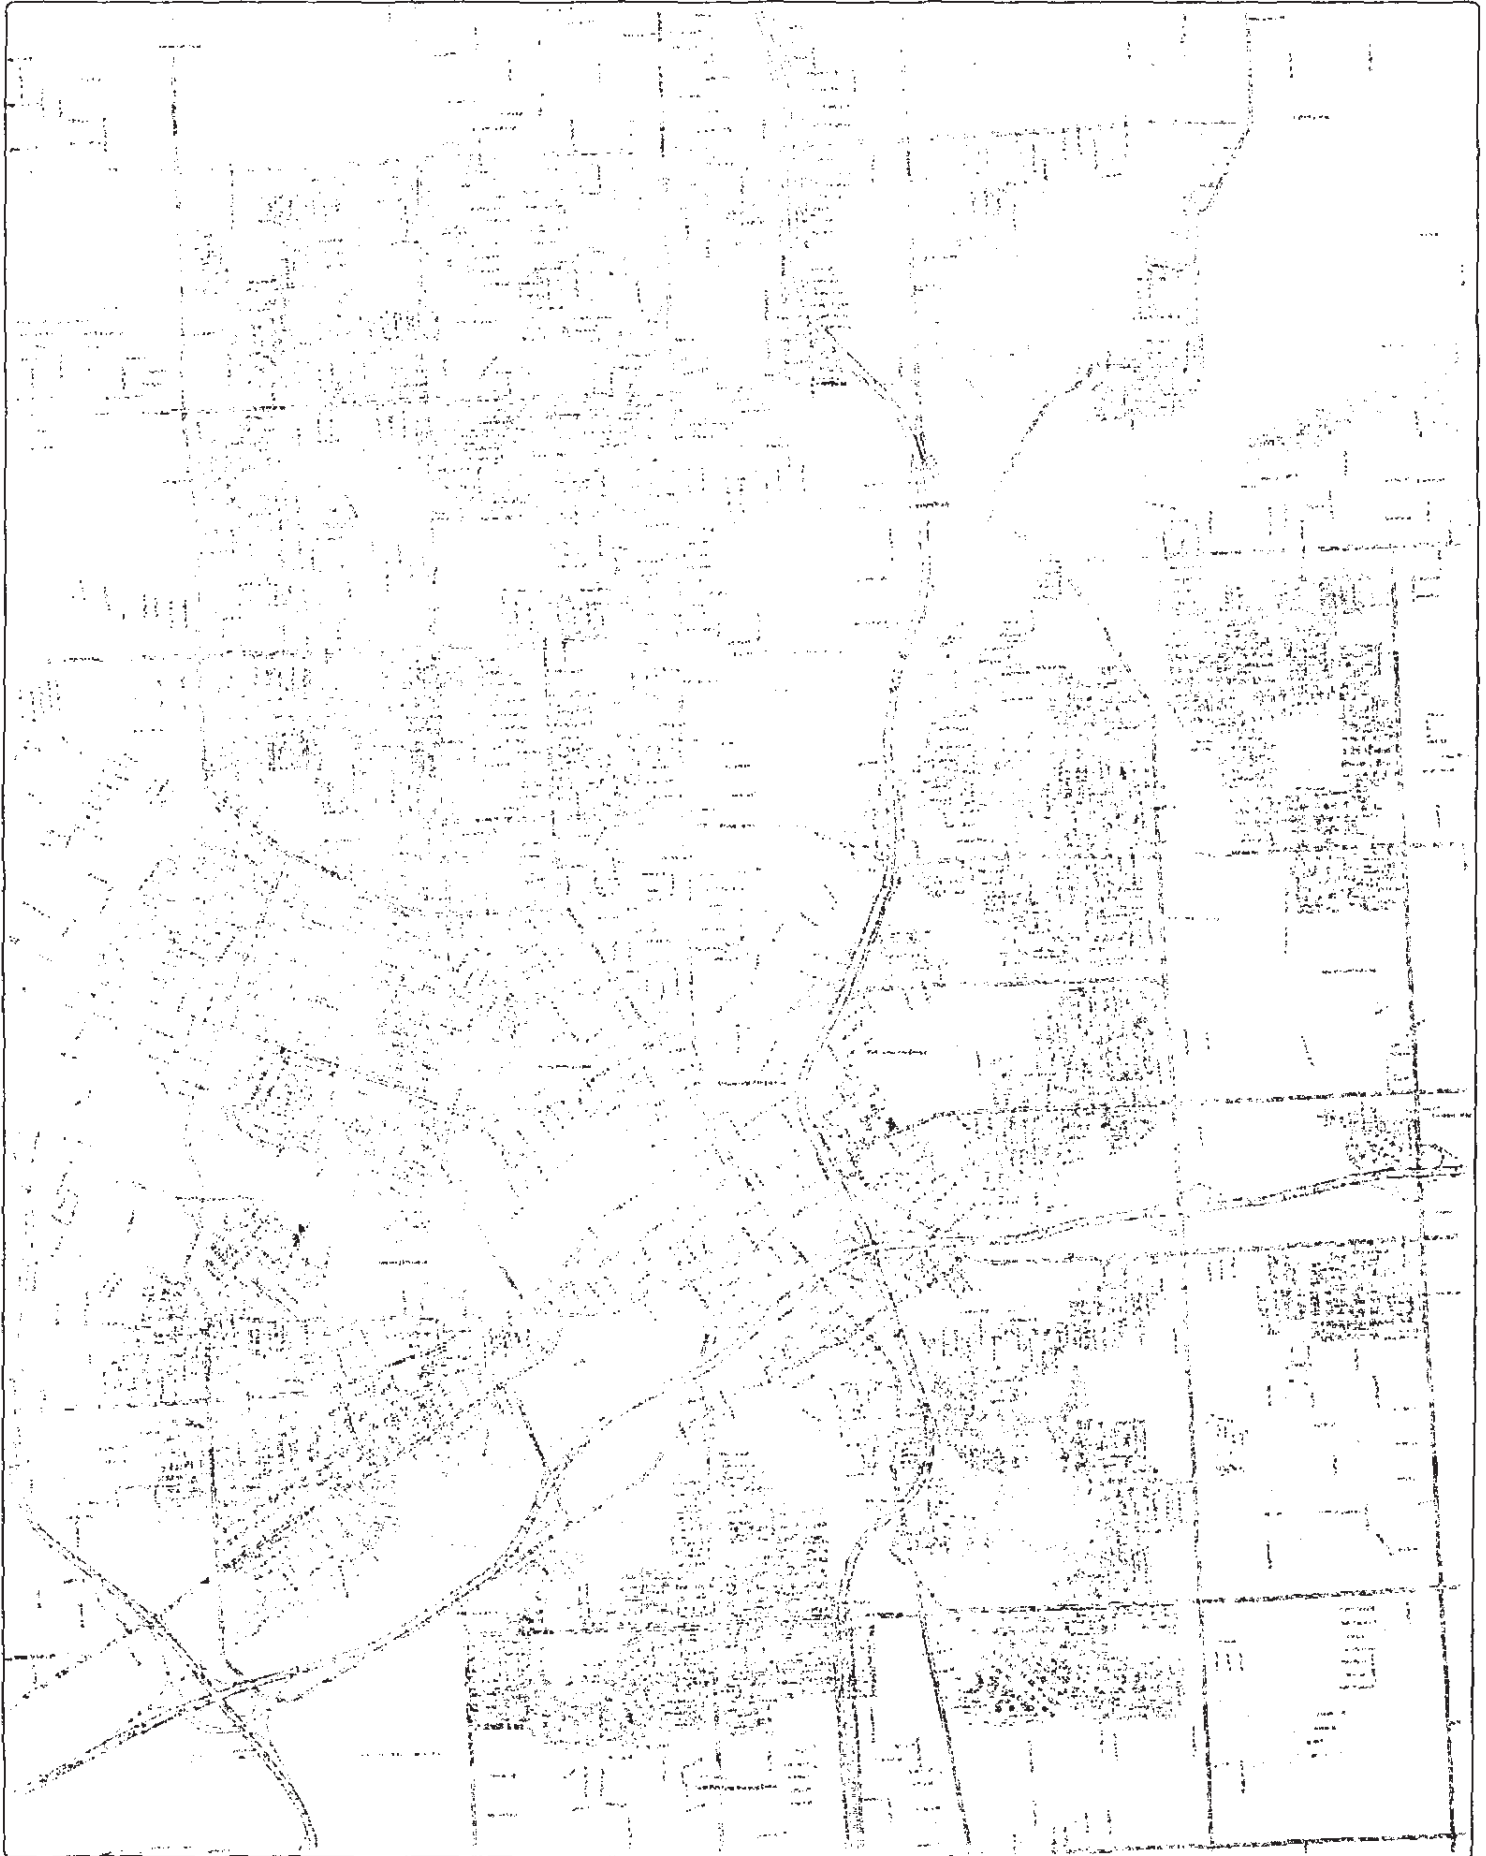

Chris

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

Operational Period

Operational Period Begin: 01/19/2016 08:00:00  
Operational Period End: 01/26/2016 08:00:00  
Situation Report No. 19  
SEOC Status: Full  
SEOC Hours of Operation Begin: 01/24/2016 08:00:00  
SEOC Hours of Operation End: 01/24/2016 20:00:00

Executive Summary

## SEOC Update:

Accomplished today (January 24):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public Information Control.

## Logistics:

- Worked with FEMA/DHHS on warehouse tracking status/strategy.
- Worked with MDOC on warehouse management transition.
- Ordering and projecting future orders of water resources and commodities.
- Working future resource planning.
- Working on local business commodity supply plan.
- Coordinated and followed through on various resources requests with state agencies.
- Continuing inventory monitoring, rapid response resolution, and tracking.

## JIC:

- o JIC was operational with limited staff out of the SEOC today. Co-located JIC in Flint will be back and operational tomorrow.
- o Evening activity news release will go out before CQB today.

## Recovery Branch:

- Reviewed and provided feedback on the Flint Water Operations Plan.
- Updated comments in ICS 204 forms (Objective 6).
- Began demobilization of trucks and vans.
- Attended Local Brief, Operations Plan Meeting, and Distribution Process Meeting.

o Data is for 1/24/16 as of 5:00 pm:

- o Total homes visited:
  - 30,483 (round 2 total).
  - 11,578 (today).

## Water Cases.

- o 17,340 (round 2 total).
  - 7,278 (today).

## Replacement Cartridges.

- o 6,631 (round 2 total).
  - 2,352 (today).

## Faucet Filters.

- o 9,345 (round 2 total).
  - 4,337 (today).

## Planning Section:

- o Published Sit Rep # 19.
- o Worked with Recovery and GIS for route planning on FWRT for Monday.
- o Participated in daily conference calls (local, state agency and distribution process meeting).
- o Provided burn rate data from PODs and FWRT to FEMA.

## Operations Section:

- o MDOC will assume all warehousing responsibilities as of Monday, January 25.
- o Demobilization of National Guard Water Response Teams will be effective as of Monday, January 25.
- o 105 Red Cross volunteers were active across the operation today.
- o 210 Event based volunteers were active on the operation today.
- o 74 National Guard personnel will remain:
  - o 1 will be at Local EOC.
  - o 70 will provide POD support.
  - o 3 are assigned to Cyber Protection.

o Warehouse Numbers as of 1800:

- Water (cases).
- 64188.
- Filters (faucet).
- 23,707.
- Replacement cartridges.
- 173,248.
- Filters (pitcher).
- 0.
- Test Kits (prepped).
- 7,240.
- Test kits (un-prepped).
- 16,704.

o PODs (1700 1/23 – 1600 1/24).

- Water (cases).
- 8,127.
- Filters (faucet).
- 583.
- Replacement Cartridges.
- 801.
- Filters (pitcher).
- 0.
- Test kits.
- 399.

• Finance Section:

- Worked with Donations Management team to obtain list of donors and donations for White House request.
- o Provided information to FEMA to forward as requested.
- Reviewed actual expenditures posted to Michigan Accounting and Information Network (MAIN) for EMHSD to account for emergency costs.
- Reviewed packing slips received by DHHS from warehouse.

• GIS Branch Updates:

- Continued to clean up V2 Dataset (patched approximately 1000 records).
- Continued consolidating field team and POD data to parcels (can display total parcels contacted, water test kit, filter status, and occupancy breakdowns).
- Flint Water Response Team maps were updated.
- Maps to be distributed by the JIC have been updated.
- Lead service line maps have been prepared for the DEQ.
- Coordinated with the DEQ to transfer lead service line mapping to their GIS department tomorrow.
- Provided maps and statistics on field team activities to National Guard for their daily update briefings.
- Cleaned up V3 data as it came in today.
- Worked with ARC to remedy paper entry issues and handle technical issues with data entry.

DTMB:

- Worked with the department of corrections today to coordinate state assets for continued support of operations tomorrow.
- Worked with logistics to return rented vehicles and consolidate resources.
- Secured additional space in Flint office building for FEMA staff.
- Secured additional supplies for warehouse staff.

DHHS-CH:

- Coordinating with the DEQ to ensure household testing data is available to the public.
- CHECC remains operational today to field information requests.

DEQ:

- Working with state agencies to address issues in EPA letter.
- 305 samples delivered to the state laboratory yesterday.
- Working with GIS to obtain maps of lead service lines.

Local EOC Update:

- Distribution of supplies at five water resource sites in the City of Flint.
- Door-to-door distribution of supplies with 34 water response teams (19 ARC volunteer teams, 15 MSP/GCSO/NG teams).
- Facilitating rapid response deliveries to homebound residents and special locations by three teams staffed by Team Rubicon, and LL deCastro (MSP/EMHSD).
- Improved logistics for rapid response teams by providing transportation and iPads starting on 01/25/2016.
- Coordinated with ARC for distribution of additional iPads for data entry.
- Identified alternative warehouse locations for loose donations.
- Directed volunteer requests to appropriate state agencies.
- Started coordination for resource demobilization.

**Incident Response/Recovery Priorities/Objectives**

1. Ensure all households within impacted community have required resources.
2. Ensure accurate tracking and accounting of all commodities.
3. Improve and maintain public information strategy and process.
4. Develop a long term public health and services plan.
5. Ensure adequate staffing to support operational requirements.
6. Identify possible assistance programs.
7. Maintain GIS strategy.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT.
9. Enhance situational awareness and common operating picture of all activities.
10. Develop a comprehensive Recovery Plan.

### Damage Assessment Summary

## Agency Summaries

### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) is operating from the State Emergency Operations Center on Saturday, January 23 and Sunday,

January 24.

**Tasks accomplished:**

- Created a media monitoring report and looked for misinformation. Found none requiring correction.
- Continued work on redesigning the Flint water website.
- Pushed out social media content based on Saturday's nightly press release.
- Working on adding the palm card and foreign language palm cards to the website.
- Updated internal and general talking points about the ongoing Flint water emergency.
- Participated in a planning call to make arrangements for a press availability on Monday with key state agencies to provide operational update.
- JIC is planning on issuing the nightly activity news release.

**Agriculture and Rural Development (MDARD)**

Sunday, Jan 24 - planning for next week: MDARD Food program staff will continue assessments at remaining medium level risk area food businesses and collect samples from remaining high risk area businesses and those that have requested an appointment to pick up samples. We may get results from last week's samples sometime this week; that will impact responses and priorities.

We will meet on Monday to set goals for coordination with other agencies and communication needs relating to pets and other animals.

**American Red Cross (ARC)**

The American Red Cross continued assembly of water test kits at ARC headquarters. We deployed and supported 19 teams for neighborhood canvassing (Water Response). We will field fewer teams on Monday. We supplied lunches for all of the event-based volunteers. The Volunteer Reception Center (VRC) was in full operation today. We continued to provide warehouse and inventory management. We will relinquish this mission at the close of warehouse operations this evening.

**Civil Rights (MDCR)**

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities.

**Community Health (MDCH)**

The CHECC remains activated at a Level 2. Phone bank calls referred from 211 decreased today.

DEQ confirmed that a multidisciplinary team will be revising the process for home lead level test results being reported to the household. Letters are being revised to reflect one way of reporting the lead levels and actions to be taken. DEQ reports that households will be able to pull up their own results on the web.

The CHECC worked with MDHHS purchasing to process a request for additional blood lead level testing supplies.

The CHECC is developing a request that will be provided to HHS/CDC that identifies the specific types of public health technical support that will be required of staff deployed to MI.

**Corrections (MDOC)**

We continue to fill resource requests and track/monitor all ground resources throughout the day and report the final assets in evening reports. Executive Team (MDOC) was briefed as follows:

1. The primary duty of our employees is to transport and support the ten member Flint Water Resource Teams on the ground, going door to door providing water, filters and special individual needs. This team is made up primarily of Michigan National Guard troops and Michigan State Police staff.
2. Provide for the pickup and transportation of the water samples from the seven designated collection sites in Flint and deliver to the DEQ Laboratory daily.
3. Assist the Flint Food Bank to deliver/transport emergency food deliveries to ensure available warehouse space is available to receive additional emergency food items.
4. Provide pickup and delivery of water bottle testing kits from the warehouse to the American Red Cross so they can be assembled and transported back to the warehouse where they will be delivered to the citizens by the Water Resource Teams.
5. Provide management and organizational support to the main 80,000 square foot main warehouse located on Clio Road.
6. Provide prisoner work crew support inside the warehouse to load and unload, stack water deliveries and assist in garbage/debris management.
7. The weekend operational period requires an increase in the need for logistical support due to the notable increase in available volunteers. Specifically, the weekend force is expected to increase by over 300 persons. Each of these volunteers will be assigned as a Flint Water Resource Team and require transportation, supplies, law enforcement security oversight and lunch. Our staff are a primary source of transportation for Water Resource Teams and their participation is critical to the success of the mission.
8. Beginning Monday 1/25/2016 at 0730 the MDOC will be assuming management duties at the Warehouse. This assignment is currently set to expire Monday February 1 at 1930 hours.

**Education (MDE)**

Michigan School for the Deaf:

As of 1/23/16: LARA and DEQ teams on site; water testing complete in school building and LRC dorm. Stevens Hall will be tested when landlord finishes upgrades.

As of 1/23/16: all water faucets replaced in Stevens Hall. 3 new drinking fountains on order; expected mid-week. Once fountains are installed, Stevens Hall will be scheduled for water testing.

### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

- Coordinated for maps from MSP-GIS showing known lead service lines based off of geographical locations and zip codes. Wall maps provided for Chief Hagler, SEOC DEQ staff and Director Creagh.
- Coordinated with the local plumbers and pipe fitters union who is providing free filter installs to provide future data showing whether houses are serviced by lead lines or not. Further coordination needs to happen to capture the data.
- Samples transported to the lab today by MDOC.
- Working on a MDEQ Flint working group secure SharePoint for information distribution for senior management.

### **Human Services (MDHS)**

MDHHS Budget working to procure blood lead testing kits and supplies.

Home Depot reports no knowledge of incidents where water filtration devices are being returned for refund. The process of marking through the barcode is effective at alerting of any attempts.

CHECC continues to maintain a Level 2 Activation

### **Licensing and Regulatory Affairs (LARA)**

- Updated the LARA Executive Team
- Assisting with translation of water analysis request forms.
- Finalizing Health Care Facility survey information and comparison.

### **Military and Veterans Affairs (DMVA)**

Commanders Situation Report (SITREP)

1. DTG: 2416302016

2. UNIT: DMVA

3. SEOC POC: MAJ Keith, Ryan J. Cell: [REDACTED] Email: ryan.j.keith6.mil@mail.mil

4. PRESENT LOCATION: State EOC, 4000 Collins Rd., Lansing, MI

5. SITUATION OVERVIEW: MIARNG has 280 Soldiers and Airmen deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS:

a. 71 Soldiers are assigned and divided to man (5) Pods. One Soldier is assigned to the Genesee County EOC. Three Soldiers are assigned as Cyber Protection. All these Soldiers will continue duty.

b. Completing duty tonight, and not continuing tomorrow: 20 Soldiers providing Command and Control, 180 Soldiers and Airmen working the Community Engagement Teams, and 5 Soldiers providing warehouse support.

7. OPERATIONS: Operations for the next 24 hours are to continue water/filter distributions throughout the 5 designated fire stations.

8. PERSONNEL: 71 Soldiers are assigned and divided to man (5) Pods. One Soldier is assigned to the Genesee County EOC. Three Soldiers are assigned as Cyber Protection. All these Soldiers will continue duty.

9. INTELLIGENCE / FORCE PROTECTION: No force threats have been identified. Traffic is a force protection measure.

10. LOGISTICS: Pallet jacks and dollies will be worked internally with DMVA. No request has been submitted to the SEOC.

11. COMMUNICATIONS: No communications issues at this time.

P: 800 MHz radios issued to PODs and WRTs.

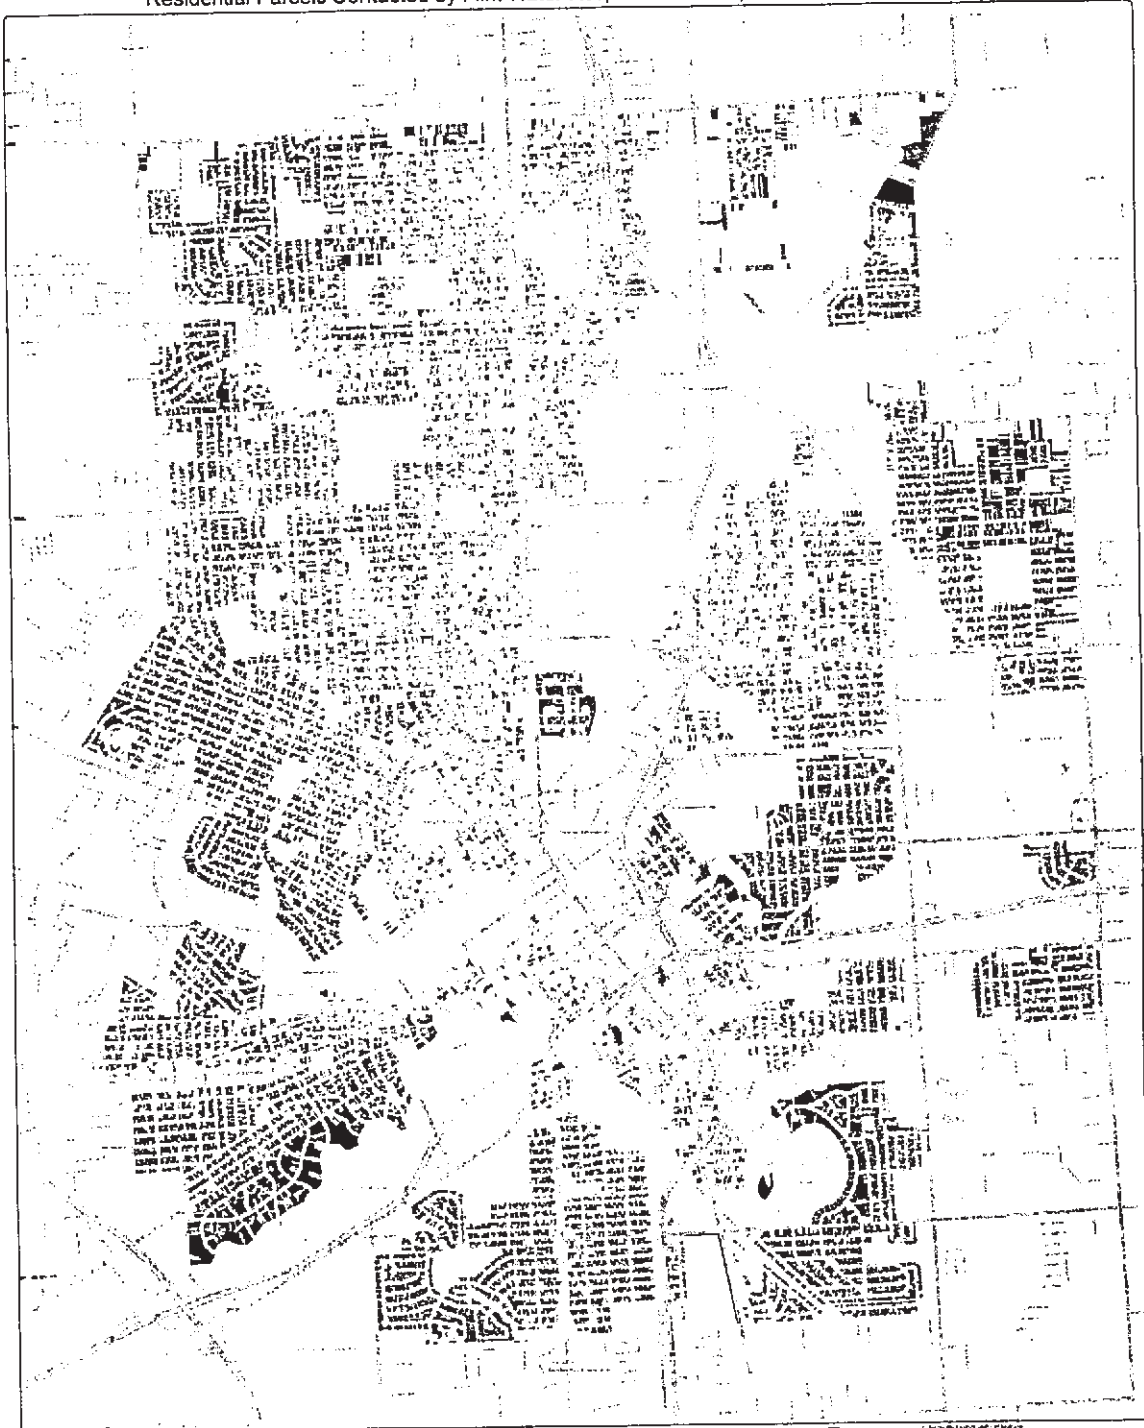

A: RRF cell phones alternate for WRTs.

C: Personal cell phone

E: Runner

Hi Colonel,

Attached please find the talking points we have prepared for you for Monday. Please note we will need to update these tomorrow evening so you will have the most updated activity numbers(homes visited, etc.) for Monday morning.

I have prepared these so that the first two pages would be your remarks. The rest of the information is for your background and in case you are asked any questions. If you want to cover more material, please let me know, but I figure with the Governor and Mayor there, it was best to keep your remarks brief.

Let me know if you have questions or would like additional information.

Thanks,  
Shanon

## Flint Water Emergency Response

Press Conference -- 1/25/16

Talking Points for Colonel Etue

**NOT INTENDED TO BE DISSEMINATED  
TO THE MEDIA OR PUBLIC IN THIS FORMAT**

- Today is the 20<sup>th</sup> day of this emergency declaration, and over the past three weeks, significant progress has been made on the ground to get Flint residents the safe water resources they need.
- As of this morning, 22,129 homes in the city of Flint were either visited by a water response team or the resident has visited a water resource site to pick up free resources such as bottled water, filters, replacement cartridges, and water testing kits.
- Our primary mission continues to be ensuring all Flint residents have access to safe water resources and that they are aware of the information and free resources available to them.
- Since January 9, the following resources have been distributed to residents, both at the water resource sites and by door-to-door water response teams:
  - More than 77,700 cases of water
  - More than 69,700 water filters
  - More than 16,600 water testing kits
- As we move to the next phase of this effort, door-to-door efforts will continue; becoming increasingly targeted to ensure we are reaching every home.

- It should be noted there are no plans to discontinue the Water Resource Sites at this point in time. Five sites remain open daily from 9 a.m. to 9 p.m.
- We have been and will continue to bring all state resources to bear to protect public health and safety here in Flint.
- We recognize this situation is a marathon – not a sprint – and we are committed to being here for as long as it takes to ensure the residents of Flint have the safe water resources they need.
- If you are a Flint resident and you need help, please call 2-1-1 or visit [www.michigan.gov/FlintWater](http://www.michigan.gov/FlintWater) for more information.
- Persons wishing to assist with response efforts can visit [www.HelpForFlint.com](http://www.HelpForFlint.com) to learn more.

## INFORMATION – IF ASKED...

---

### Volunteers and Donations

- There continues to be great cooperation on the ground in Flint by many local agencies, from the city and county to churches and public, private, and non-profit groups.
- The American Red Cross, United Way, 2-1-1, Michigan Community Service Commission, and many other organizations have assisted with water resource distribution efforts and the donations management process.
- The American Red Cross has established a volunteer reception center for those wishing to assist with ongoing efforts to distribute water, water filters, replacement cartridges and water test kits.
  - The Volunteer Reception Center is located at the Red Cross office at 1401 S. Grand Traverse St. in Flint.
- Material and in-kind donations of cases of water bottles, gallon jugs, and larger containers of water can be dropped off at the below locations.
  - Donations of 100 cases or less:
    - Catholic Charities Center for Hope, 517 E. Fifth Ave, Flint  
Monday – Friday, 9 a.m. - 4 p.m.
  - Donations of 100 cases or more, pallets of water or donations in one semi-truck:
    - Food Bank of Eastern Michigan, 2300 Lapeer Rd., Flint  
Monday - Friday 8 a.m. - 4:30 p.m.
  - For extra-large donations, such as multiple semi-trucks, delivery arrangements can be made by emailing Janet Hunter at [hunterj8@michigan.gov](mailto:hunterj8@michigan.gov).

- In-kind donations include labor to install filters and trucks to deliver materials. All in-kind donors should contact Janet Hunter at [hunterj8@michigan.gov](mailto:hunterj8@michigan.gov).

## **Federal Support**

- President Obama's approval of a federal emergency in Flint provides emergency relief in the form of bottled water, water filters, filter replacements, and water test kits. The period of assistance is up to 90 days.
- The U.S. Department of Health and Human Services has been designated the lead federal agency responsible for coordinating the federal government response and recovery efforts, and they are now on the ground here in Flint.
- In addition, the state has been working with the Federal Emergency Management Agency (FEMA) to coordinate an interagency recovery plan with other federal agencies.
- Coordination includes identifying federal agencies that have programs, authorities and/or technical expertise that could be utilized in the ongoing response and recovery efforts.
  - In addition to the agencies already mentioned, this may include agencies such as the Environmental Protection Agency, Department of Housing and Urban Development, and Army Corps of Engineers.

## **Supplemental Appropriation Request**

- The State Budget Office has assembled an emergency supplemental budget request for the current fiscal year to address the immediate funding needs for the Flint water crisis.
- The supplemental request was put together by reviewing the financial needs submitted by various state agencies, as well as the City of Flint.

- The total amount of the supplemental request is \$22.6 million from the general fund; when federal and restricted funds are included, the supplemental request totals \$28 million.
- While we know that more money will be needed to address the water crisis in Flint for the long term, this supplemental funding will provide the immediate financial support that is necessary.

### **Possible Lead in Bottled Water Issue**

- We are aware that a few residents raised concerns about lead possibly being present in the bottled and canned water that was being distributed at water resource sites.
- Upon hearing this information, the state took immediate action and tested all 21 brands of water being distributed for both lead and copper.
- The results show that all 21 brands of bottled water had results of "Not Detected."
  - With respect to lead that means that all 21 brands were less than 1 part per billion and for copper, all 21 brands were less than 50 parts per billion.
- This concern was raised due to measurements that some residents obtained with a TDS meter that was provided with their ZeroWater brand water filters.
- The term TDS stands for "Total Dissolved Solids" and is a measurement of all of the minerals and other common chemicals that are present in the water. The TDS meter is not sensitive enough to measure the lead in the water and the purpose for including it with the filter is to help the user determine when it is time to replace the filter.

## **Water Resource Sites**

- Water resource sites provide free bottled water, water filters, replacement cartridges, and water testing kits.
- As part of the distribution process, residents seeking filters and replacement cartridges are asked to share their address to gather information necessary for long-term recovery efforts. However, no resident will be denied resources if an address is not provided.
  - Photo identification is not required to receive resources.
  - In order to keep up with demand, the general guideline is one case of water per household, per day.
- Water resource sites are open daily from 9 a.m. to 9 p.m. and are located at:

Fire Station #1  
310 East 5th St.  
Flint, MI 48502

Fire Station #3  
1525 Martin Luther King Ave.  
Flint, MI 48503

Fire Station #5  
3402 Western Road  
Flint, MI 48506

Fire Station #6  
716 West Pierson Road  
Flint, MI 48505

Fire Station #8  
202 East Atherton Road  
Flint, MI 48507

## **Water Filters**

- When used properly water filters remove 99% of lead in water.
- Residents are urged to use filtered water for drinking, food preparation, brushing teeth, and watering pets. Unfiltered water may be used for bathing and cleaning.
- One filter and one replacement cartridge are being provided per household initially. Each filter is good for approximately 100 gallons of water. The filter has an indicator on it that will turn from green to red when it needs to be replaced.
- There is a detailed video posted on [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater) that explains how to properly install a water filter cartridge. An instruction sheet also has been provided to 2-1-1 to share with those individuals without internet access.

## **Resources for homebound individuals**

- 2-1-1 is collecting a list of limited mobility or homebound individuals needing home delivery of water resources and is providing that information to the Genesee County Sheriff's Department, who is making these deliveries.
- The Plumbers and Pipefitters Union has agreed to provide free water filter installation to homebound residents needing assistance. This is also being coordinated through 2-1-1.

## **DEQ Employee Suspensions**

- As a result of the pending questions regarding employee actions related to water testing in Flint, action was taken on January 23 against two DEQ employees. Both employees were suspended pending an internal investigation, in accordance with Civil Service rules.
  - The Michigan State Police Professional Standards Section is conducting this administrative investigation.

## **Water Bills**

- The City of Flint is responsible for issuing water shut-off notices for non-payment. Per the Mayor, the city has put a halt on all notices or disconnections. Shut off notices have not been mailed since the beginning of December.
- The city advises that there has been no disconnection of service for nonpayment on an active account since August 7, 2016.
- The city is currently reviewing its policy on shut off notices in light of the declared emergency and amended preliminary injunction order issued on January 11, 2016.
- The city has a legal obligation to bill for services and to maintain operation of both water and sewer systems.
- Water payment inquiries should be referred to the City of Flint.

## Chronology

- October 1, 2015: Public Health Emergency Declaration issued
- December 14, 2015: State of Emergency declared by City of Flint.
- January 4, 2016: Genesee County Board of Commissioners declared a local emergency
  - Genesee County also requested a Governor's Declaration of Emergency with the local declaration.
- January 5, 2016: Governor declared State of Emergency and activated the State Emergency Operations Center in Lansing to coordinate state response.
- January 9, 2016: Water resource sites established at fire stations. Original hours were 9 a.m. to 4 p.m. on January 9, 2016, but were extended to 9 a.m. – 9 p.m. starting January 10, 2016.
- January 12, 2016: Water response teams began going door-to-door (started with four teams)
- January 12, 2016: Governor Snyder issued an Executive Order activating the Michigan National Guard to assist with resource dissemination.
- January 14, 2016: Governor requested Presidential declaration of emergency and expedited major disaster for Genesee County.
- January 16, 2016: President Obama approved the Governor's request for a federal emergency in Flint.
  - Denied request for major disaster
- January 20, 2016: Governor Snyder submitted an appeal to President Obama following the denial of a major disaster declaration.
- January 22, 2016: President Obama denied Governor Snyder's appeal for a federal disaster declaration to aid Flint.

### Flint Water Discussion Points Updated Jan. 25

#### General High-level talking points

- There are people in the state of Michigan that can't drink their water, and that is unacceptable to all of us. As Governor, Rick Snyder has taken responsibility, taken emergency response measures and is committed to dedicate all the resources needed to make this right for the people of Flint.
- The top priority for Governor Snyder and his administration is ensuring every Flint resident has access to clean, safe drinking water. We are committed to providing affected children and families access to medical and educational resources to ensure long-term care and treatment.
- The Flint water crisis has been a systemic failure of government at all levels: from the city of Flint, the state of Michigan, the civil servant scientists and the U.S. Environmental Protection Agency (EPA).
- The Governor has held himself and his government accountable. The Governor replaced the leadership of Michigan Department of Environmental Quality (MDEQ) and has taken disciplinary measures on the staff and civil servant scientists responsible for the crisis. Actions have been taken to ensure a new and capable team is overseeing Flint water and creating a department culture focused on the health and safety of Michigan residents. Two DEQ officials involved in the testing of Flint water have been suspended pending an investigation, in accordance with civil service rules.
- The Governor has asked to completely re-open the budget proposal the administration has been working on since last fall to assess all of the resources available to provide long-term support to the health of Flint residents. In addition, the supplemental budget request will provide funds to the city to help alleviate the need for utility shutoffs.
- Governor Snyder and his administration are committed to working in partnership with Flint Mayor Karen Weaver, independent experts, and the federal government to ensure both short-term and long-term solutions.

## **Current Issues Talking Points**

### **House passage of the \$28 million supplemental bill (162-0 vote)**

- The supplemental request is a short-term solution to address immediate needs in the city, including bottled water, filters and testing kits.
- The health and safety of Flint residents remains a top priority. The Governor has worked closely with the Legislature to encourage quick passage of the supplemental to encourage immediate action.
- We look forward to the Senate taking action on this bill this week.

### **\$80 million from federal Clean Water Revolving Fund**

- \$80 million is part of the federal budget and will be offered to state in the form of low-interest loans.
- It has not been determined how much of this money will be awarded to Flint. The state must submit a plan to the federal government detailing the spending allocations before it's awarded.

### **Denial of the major disaster declaration and upcoming appeal**

- The Flint water disaster is the result of failures in all levels of government. Just as our own Legislature is working to quickly approve funding to provide clean water resources and long-term support for the people of Flint, it is our hope to receive further support from the federal government and Michigan's Congressional Delegation.
- On Friday, January 22, the President denied the Governor's appeal for a federal disaster declaration to aid Flint.
- The Governor will request that the President reconsider awarding funds under two programs allowed under the emergency declaration: The Individuals and Households Program, which provides such things as housing assistance and replacement of personal property; and money for emergency protective measures.

### **Resources distributed (as of 1/24/2016):**

- 164,991 cases of water
- 91,763 filters
- 28,763 testing kits
- 197,775 filter cartridges

### **Homes visited by Flint Water Response Teams (as of 1/24/16): 37,844**

For more information, visit [www.mi.gov/flintwater](http://www.mi.gov/flintwater) or [www.helpforflint.com](http://www.helpforflint.com).

### **AT A GLANCE: Flint Action Timeline: For the 2006 – Jan. 16, 2016 Timeline click here**

- **Sept. 28, 2015:** For the first time, DEQ and DHHS directors briefed the governor on the potential scope and magnitude of the lead issue. They begin discussion on what actions should be taken if the concerns raised by outside researchers were to be verified.
- **Oct. 1, 2015:** DHHS director informed the governor that his epidemiologists reviewed the data and confirmed Dr. Mona Hanna-Attisha's conclusions that blood lead levels in children were elevated – due to an association with lead contaminated water in certain ZIP codes.
- **October 2, 2015:** Governor releases 10-point Plan to address water systems, designates \$1 million for water filters and anticorrosion treatment. This action was taken with 24 hours of DHHS confirmation that there was lead present in Flint's drinking water. [The 10-Point Plan is available here.](#)
- **Oct. 8, 2015:** Governor announces plan to reconnect to Detroit water.
- **Oct. 15, 2015:** Governor signs supplemental appropriation with \$9.35 million to assist Flint in reconnecting to DWSD. Mott Foundation contributed \$4 million and Flint \$2 million. Flint officially reconnects to Detroit water system the following day, October 16.

For October 15, 2015 – January 16, 2016 [click here](#)

- **January 19, 2016:** Governor gives State of the State Address. Focuses on Flint response, short-term and long-term solutions.
- **January 20, 2016:** Governor releases all Flint emails sent and received on Flint between January 2014 and December 2015.
- **January 20, 2016:** Governor appeals denial of federal major disaster declaration for Flint. House of Representatives passes \$28 million supplemental bill to support Flint.
- **January 22, 2016:** Two DEQ officials involved in Flint water testing are suspended pending an investigation, in accordance with Civil Service rules.
- **January 22, 2016:** Executive power to appoint city administrator and all department heads is returned to Flint Mayor via resolution approved by Flint RTAB and Treasurer Khouri.
- **January 22, 2016:** Governor announces he will seek additional federal aid to help Flint residents despite rejected appeal. Will request resources under the Individual Households Program which provides housing assistance, personal property replacement and emergency protective measure funding. This announcement followed the President's denial of the major disaster declaration appeal.

## Flint Water Discussion Points

Updated Jan. 25

### General High-level talking points

- There are people in the state of Michigan that can't drink their water, and that is unacceptable to all of us. As Governor, Rick Snyder has taken responsibility, taken emergency response measures and is committed to dedicate all the resources needed to make this right for the people of Flint.
- The top priority for Governor Snyder and his administration is ensuring every Flint resident has access to clean, safe drinking water. We are committed to providing affected children and families access to medical and educational resources to ensure long-term care and treatment.
- The Flint water crisis has been a systemic failure of government at all levels: from the city of Flint, the state of Michigan, the civil servant scientists and the U.S. Environmental Protection Agency (EPA).
- The Governor has held himself and his government accountable. The Governor replaced the leadership of Michigan Department of Environmental Quality (MDEQ) and has taken disciplinary measures on the staff and civil servant scientists responsible for the crisis. **Subject:** SEOC Update 1/25/16 - Flint Water - Limited Distribution  
**Attachments:** 2016-01-20 - Flint Lead MDHHS Sitrep.pdf; 20160125\_1700\_Parcels\_Contacted.pdf; 20160125\_1700\_Parcels\_Filter\_Status.pdf; SitRep20.pdf

### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

#### Update 1/25/16 – 21<sup>th</sup> Day (20<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

##### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Validate all data from the WRTs/PODs and identify focus areas

##### Attached Documents:

- Sit Rep # 20
- Michigan Department of Health and Human Services Situation Report for January 20, 2016
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first map indicates based upon the outreach that has been conducted, which parcels have had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

##### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).

##### Items to Note

- 11 ARC Flint Water Response Teams to the field today.
- 8 EPA PIOs will be in the JIC tomorrow. The JIC is unaware of the role or expectations at this time.
- Reference the rash I discussed on the call tonight:

- There was one specific complaint about rashes that Community Health personnel plan on working with ATSTD/CDC. DEQ is requesting that EPA collect all appropriate water samples to enable a full analysis of the water at the address (an apartment) for bacterial contamination, and a full metals and organics panel. Lead is not associated with skin rashes, but other contaminants are and DEQ wants to find out what, if any, other contaminants are in the water.
- It was also discussed that it would be ideal if Community Health can forward to the EPA the other addresses and contact information for which they've received complaints of rashes, so that EPA could also test there for appropriate parameters to see if we can identify a cause.
- SEOC DEQ desk will continue to monitor and work this issue.
- SEOC OPS, Health, MDEQ SEOC, Logistics participated in conference calls with the Governor's office and private partners on potential alternative filtration systems for schools, daycares, etc.
- Created a form for drivers to track rapid response deliveries.
- Media avail at fire station 8 this morning received positive news coverage.
- The NAACP is holding a public meeting at U of M Flint on Tuesday.
- Rachel Maddow will hold a town hall meeting on Wednesday. MSP Third District Commander advised.
- Developed new Incident Action Plan (#7 published in MICIMS) and ICS 204s for the new operational period (1/26/2015-2/2/2016).
- MDOC assumed all warehousing responsibilities today.
- Reviewed state agency financial information received for update to current spend plan.
- Information reported to the JIC:
  - As of 1/25/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Canvassing Mission 1/25/2016
30,770	37,844	2,596 – ARC*

\*American Red Cross data has not been entered in the app, but is currently being caught up. Starting January 26, 2016, the American Red Cross has been instructed that iPads must be used in the field for data entry in order to clearly capture the homes that have filters.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	176,118
b. Filters	93,048
c. Filter cartridges	198,552
d. Test kits	29,320

3. Total number of customers on the Flint water system

- a. 29,994 current water system subscribers
- b. ~45,000 hookups (This is our high end target #)
- c. ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased\*:

- a. Cases of water 141,982 (additional 24,634 donated)
- b. Filters 124,052
- c. Filter Cartridges 285,586
- d. Test kits 62,701

\* Numbers have not been updated due to the following circumstances:

- Outstanding donations and inventory at the warehouse which has not been reported to the SEOC. Staff in the SEOC is working with donations management and warehouse to reconcile numbers.
- Outstanding data from GCCARD on deliveries from 1/8-1/12. Staff in the SEOC and local EOC is working with GCCARD to obtain data.

- At the beginning of tracking the planning factor used was 72 cases of water per pallet and 22 pallets per semi-truck. Per bill of lading received from the warehouse today, it has been identified that this assumption is not correct. Staff is working to reconcile numbers.
5. Teams going out tomorrow:
    - a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

#### Standing Information Requirements

1. **Number of homes visited each day:**
  - a. 1/25/16, as of 5 pm, 2,596 homes were visited today.
2. **Total number of homes visited:**
  - a. Phase II: 37,844
  - b. Targeted Canvassing Mission: 2,596
3. **Total number of National Guard on the ground:**
  - a.
    - i. Number in PODs: 60
    - ii. Command and Control Staff for NG Personnel: 5
4. **Total Number of Volunteers each day:**
  - a. 135 volunteers for 1/25/2016.
5. **\*Number of homes with filters:**
  - a. 17,595 homes had filters, per entered GIS data as of 1/22/2016.
6. **Number of Water filters distributed (each day and to date):**
  - a. 1,151 were distributed on 1/25/2016, and total distributed to date is 93,048.
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 9,514 were distributed on 1/25/2016, and total distributed to date is 176,118.
8. **Number of testing kits distributed (each day and to date):**
  - a. 478 were distributed on 1/25/2016, and total distributed to date is 29,320.
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Per CHECC: People tested for lead 10/1/2015 to 1/8/2016: 2,642;
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Per CHECC:
    - i. Children less than 6 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 28
    - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 7
    - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 15
11. **Number of homes with safe drinking water:**
  - a. 1099 homes, per data from September 3, 2015 to January 22, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

#### GIS Information

I have had numerous discussions with GIS staff as to getting our data validated and as close to final as possible. We are tracking 38,144 residential properties within the city (noting large apartment complexes are classified as commercial so they are not a part of this). Of these:

- 34,318 have been engaged by Flint Water Response Teams and PODs (90%) - The remaining 10% is going to be a focus for the teams in the near future
- 23,281 have led to a direct citizen engagement (61%)
- 5,173 were not home during any attempt to visit and have not been recorded as having visited a POD (14%)
- 5,864 of the properties the teams visited were vacant or destroyed (15%)

Additionally, we have been tracking the status of "Active Water Subscribers" from the Flint Department of Public Works. These are residential properties which have meters put on the homes by the city. Of the total 29,994 subscribers citywide, 26,673 have been confirmed as being on residential parcels. Of the 26,673:

- 18,487 Have been confirmed as having received a filter by the Flint Water Response Teams or PODs (69%)
- 3,928 Were not home when visited (15%)
- The remaining 16% we have no data to confirm or deny whether they have a filter

Of special significance from the water subscriber data is that the old lead maps that we are digitizing from the Flint Water Department contain 993 suspected homes with lead lines in them. Of these only 659 have received a filter.

It is significant to note that we are continuing to receive paper forms from the field and processing them. The ARC and volunteers were specifically told to use the App and we provided Ipads but tonight I was told this was not being done by everyone which has caused us some lags in data. This is likely improve the overall numbers as we process historic records (ARC had ~7,000 of these records).

It cannot be reiterated enough that data is still coming in and we are still actively cleansing it.

#### Local EOC

##### Operations:

- Coordinated with Foodbank of Eastern Michigan for issuing of Resource Request.
- Coordinating and following up on vehicle demobilization.
- Facilitated rapid response deliveries to special locations.
- Finalizing components of recycling program.
- Received authorization to operate bottle collections for recycling at Fire Station 1 and 5 PODs.
- Initiated activities to plan for inclusion of institution sampling (schools, daycares, nursing homes, etc.) in Genesee County EOC IAP.
- Coordinating volunteer management with Michigan Community Service Commission.

Chris

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### Update 1/24/16 – 20<sup>th</sup> Day (19<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

I have asked state agency SEMCs to archive their SitRep items so you only have current operational period information in the SitRep Agency Summaries. Director Creagh added to daily report.

#### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs).
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

#### Attached Documents:

- Situation Report # 19
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.

- The first one indicates based upon the outreach that has been conducted, which parcels have we had contact with a resident and which parcels have not had any contact with a resident.
- Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
  - The second map indicates the status of residents that have or have not received a filter.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
- WRTs with 3 personnel are transitioning out. No field teams. NG will continue to staff the PODs.
- Tony Katarsky will be acting SEOC State Director. Capt. Kelenske not in the SEOC - available by phone (in the Holland MI area).

Items to Note

- Deployed National Guard/state/local teams and 19 ARC Flint Water Response Teams to the field today.
- JIC was operational with limited staff out of the SEOC today. Co-located JIC in Flint will be back and operational tomorrow.
- SEOC Logistics worked with MDOC on warehouse management transition.
- Recovery Branch began demobilization of trucks and vans.
- Demobilization of National Guard Water Response Teams will be effective as of Monday, January 25.
- School for the Deaf
  - As of 1/23/16: LARA and DEQ teams on site; water testing complete in school building and LRC dorm. Stevens Hall will be tested when landlord finishes upgrades.
  - As of 1/23/16: all water faucets replaced in Stevens Hall. 3 new drinking fountains on order; expected mid-week. Once fountains are installed, Stevens Hall will be scheduled for water testing.
- SEOC Finance Donations Management team to obtain list of donors and donations for FEMA request.
- SEOC Planning Section worked on burn rate data from FWRT and PODS for FEMA request.
- GIS continued to clean up V2 Dataset (patched approximately 1000 records).
- GIS coordinated with the DEQ to transfer lead service line mapping to their GIS department tomorrow. Wall maps showing known lead service lines based off of geographical locations and zip codes provided for Chief Hagler, SEOC DEQ staff and Director Creagh.
- Out of 37,003 homes visited, 5,660 were not home/did not answer. The number of homes visited is lower than the Phase II number as some duplicate contacts at addresses were eliminated.
- Information reported to the JIC:
  - As of 1/24/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	1/24/2016
30,770	37,844	7,012 National Guard/State/Local 4,132 ARC

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	164,991
b. Filters	91,763
c. Filter cartridges	197,775
d. Test kits	28,763

3. Total number of customers on the Flint water system
  - a. 29,944 current water system subscribers
  - b. ~45,000 hookups (This is our high end target #)
  - c. ~39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 141,982 (additional 24,634 donated)
  - b. Filters 124,052
  - c. Filter Cartridges 285,586
  - d. Test kits 62,701
5. Teams going out tomorrow:
  - a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

#### Additional Standing Information Requirements

1. Number of homes visited each day:
  - a. 1/24/16, as of 5 pm, 11,144 homes were visited today
2. Total number of homes visited:
  - a. Phase II: 37,844
3. Total number of National Guard on the ground:
  - a.
    - i. Number in PODs:
    - ii. Number on Cyber Mission:
    - iii. Number with FWRTs:
    - iv. Command and Control Staff for NG Personnel
4. Total Number of Volunteers each day:
  - a. 315 volunteers for 1/24/2016.
5. \*Number of homes with filters:
  - a. 17,595 homes had filters, per entered GIS data as of 1/22/2016.
6. Number of Water filters distributed (each day and to date):
  - a. 4,920 were distributed on 1/24/2016, and total distributed to date is 91,763.
7. Cases of Bottle water distributed (each day and to date):
  - a. 16,125 were distributed on 1/24/2016, and total distributed to date is 164,991.
8. Number of testing kits distributed (each day and to date):
  - a. 3,177 were distributed on 1/24/2016, and total distributed to date is 28,763.
9. Number of people tested for elevated blood levels (kids, adults, total):
  - a. Unknown at this time, CHECC will begin providing numbers on 1/25/2016.
10. Number of people with elevated blood level (kids, adults, total):
  - a. Unknown at this time, CHECC will begin providing numbers on 1/25/2016.
11. Number of homes with safe drinking water:
  - a. 577 homes, per data from September 3, 2015 to January 20, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

\*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number – Phase II questions were developed to help clean this up.

#### Local EOC

##### Operations:

- Distribution of supplies at five water resource sites in the City of Flint.
- Door-to-door distribution of supplies with 34 water response teams (19 ARC volunteer teams, 15 MSP/GCSO/NG teams).

- Facilitating rapid response deliveries to homebound residents and special locations by three teams staffed by Team Rubicon, and Lt. de Castro (MSP/EMHSD).
- Improved logistics for rapid response teams by providing transportation and iPads starting on 01/25/2016.
- Coordinated with ARC for distribution of additional iPads for data entry.
- Identified alternative warehouse locations for loose donations.
- Directed volunteer requests to appropriate state agencies.
- Started coordination for resource demobilization.
- Coordinated with 22 churches so they had water, filters, etc. Delivered Saturday. Some advised they were set with supplies. Lt. Roach (MSP District Coordinator will maintain contact with Pastors).

Chris

---

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/23/16 – 19<sup>h</sup> Day (18<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- *Increase efficiency of warehouse operations*
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs

#### Attached Documents:

- SitRep 18

#### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Key items for tomorrow to note are:

- 
- We will have 40 ARC, type 5 teams (2-4 personnel).

#### Items to Note

- Deployed 15 state/local teams and 40 ARC Flint Water Response Teams to the field today.
- Created a media monitoring report and looked for misinformation. A call was made to WILX to amend their article that implied that the State was not distributing water to undocumented immigrants. The news release was also sent to WILX about how the State is not requiring identification to receive water resources.
- SEOC Logistics worked on future resource planning and a local business commodity supply plan.
- Drafted talking points for Monday’s press conference with Governor Snyder, Colonel Etue, and the Mayor.
- Put in place a place to control POD distribution as much as possible. SKU numbers are being lined out on commodities to prevent or minimize returns for cash.
- Information reported to the JIC:
  - As of 1/23/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

To Date	1/23/2016
37,943	6,323 National Guard
	7,361 ARC

2. Distributed: Includes outstanding data from yesterday- PODs after 5 pm, ARC worksheets and local EOC hotshots

Commodity	Total to Date
a. Number of cases of water	148,866
b. Filters	86,843
c. Filter cartridges	194,622
d. Test kits	25,586

3. Total number of customers on the Flint water system

- 29,944 paying customers
- ~45,000 hookups (This is our high end target #)
- ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased:

- Cases of water 133,662 (additional 24,634 donated)
- Filters 115,700
- Filter Cartridges 266,200
- Test kits 61,161

5. Teams going out tomorrow:

- 
- 40 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

Local EOC

Operations:

- Worked to identify all vulnerable populations to help streamline Hot Shot/Rapid Response Team process.
- Working on plan for church water distribution and POD locations.
- Looking at possible alternative locations for PODs in difficult traffic areas. The city identified some but they are just as bad as the current ones.
- Working on finalizing a recycling plan for the incident.
- Lt. Roach sent up the church information to Tom Webber. She also received one church site that will act as a potential church mega site.
- SEOC GIS to provide a layer for the vulnerable populations so that Team Rubicon can get to them and track in the iPad.

New Standing Information Requirements

1. Number of homes visited each day:

- 1/23/16, As of 5 pm, 13,684 homes were visited today

2. Total number of homes visited:

- 37,943, does include duplicate counts from the second canvassing

3. Total number of National Guard on the ground:

- 

4. Total Number of Volunteers each day:

- 310 volunteers for 1/23/2016

5. Number of homes with filters:

- 17,595 homes had filters, per entered GIS data as of 1/22/2016,

6. **Number of Water filters distributed (each day and to date):**
  - a. 4,156 were distributed on 1/23/2016, and total distributed to date is 86,843
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 27,462 were distributed on 1/23/2016, and total distributed to date is 148,866
8. **Number of testing kits distributed (each day and to date):**
  - a. 2,171 were distributed on 1/23/2016, and total distributed to date is 25,586
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Unknown at this time until we get the data
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Unknown at this time until we get the data
11. **Number of homes with safe drinking water (Not sure whether it's possible right now to provide this number):**
  - a. Unknown at this time

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 1/22/16 – 18<sup>h</sup> Day (17<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue door to door/Flint Water Response Teams (FWRTs)
- Plan for next phase with MSP and NG personnel
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration
- Work with HHS personnel to ensure they have all items needed for operations

**Attached Documents:**

- SitRep # 17
- Briefing provided to the HHS Undersecretary by FEMA (due to time only finished 75%)

**Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Key items for tomorrow to note are:**

- 
- 40 ARC (2-4 folks) type 5 teams
- Deliveries going out to all churches on our list we have been working with (21) for Sunday services.
- I will not be in the SEOC Saturday. Tony Katarsky will be the acting SEOC state director. I will be available by phone (wrestling meet).
- Sunday, Lt. Mike Johnson will be acting SEOC state director but I may be in for some of the day.
- Monday I am out on a college visit with my son...I will be available by phone and Tony will again be acting.

**Items to Note**

- Deployed 15 state/local teams and 15 ARC Flint Water Response Teams to the field today.

- SEOC Operations worked on getting local contact into the JIC along with developing messaging for resources and donations.
- SEOC Planning worked on the further development of long term strategy.
- Recovery branch continued coordination with Red Cross on volunteers and the Michigan National Guard for Friday and Saturday.
- SEOC logistics worked with FEMA/DHHS on warehouse tracking status/strategy, coordinated resources, and donations management.
- Have had a number of media request concerning resources for immigrants and population less proficient in English. Clarified with a news release that we are not requiring ID but we are asking for addresses to assist with long term recovery. Nobody will be denied resources if they fail to provide us an address.
- Have received numerous inquiries from celebrities on how they can assist and donate.
- We are validating a lot of data but what we have currently is 38,144 parcels in Flint that are not considered "vacant". This does not mean all parcels have a tenant, there are a lot of houses that are empty.
  - 26,673 water subscribers in Flint (not including franchise).
    - Water Subscribers with a Filter = 15,399 (57.7%)
    - Water Subscribers without a Filter = 11,274 (42.2%)
      - With our second pass we are getting more information as to why people do not have a filter. Looking into whether these include homes connected but nobody currently living there. We are refining the data.
  - 11,471 Non-Water Subscribers in Flint.
    - Non Water Subscribers with a Filter = 2,196 (19%)
    - Non Water Subscribers without a Filter = 9,275 (81%)
  - The SEOC Ops Chief has been directed to firm up all numbers with GIS. We have a GIS specialist from FEMA Region V also deployed to the SEOC to assist. ArcGIS has advised us that the amount of data we have collected is more than some major disasters in other states. We are looking into getting their personnel more engaged to ensure we are using all the tools available for analysis.
- SEOC Finance Chief is working on costs to date and all SEMCs were advised to tighten up their records and ensure we have accountability of all costs.
- Information reported to the JIC:
  - As of 1/22/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

To Date	1/22/2016
37,697	5,920

2. Distributed: Includes outstanding data from yesterday (PODs after 5 pm, ARC worksheets and local EOC hotshots.)

Commodity	Total to Date
a. Number of cases of water	121,404
b. Filters	82,687
c. Filter cartridges	191,704
d. Test kits	23,415

3. Resources purchased:

- a. Cases of water 130,782 (additional 21,682 donated)
- b. Filters 115,700
- c. Filter Cartridges 266,200
- d. Test kits 61,161

4. Teams going out tomorrow

- a. -----
- b. 40 ARC (2-4 folks) type 5 teams -- Goal tomorrow 100 homes per team

Local EOC

Operations:

- Worked to identify all vulnerable populations to help streamline Hot Shot process.
- Working on plan for church water distribution and POD locations.
- Looking at possible alternative locations for PODs in difficult traffic areas.
  - Working on finding a new POD for 3 and 6. We are aware that the mayor would need to approve this.
- Coordinated water donations and delivery areas.
- Last minute large donations of water and volunteers expected during the weekend.
- Working on finalizing a recycling plan for the incident.
- The Jail water has been tested and is fine. The prisoners are not being poisoned and the local health department is working on clearing this issue up.
- Working on a plan with the churches to have 4 mega sites for churches (N,E,S,W) and have smaller churches work through these sites to get supplies. Churches are interested in the recycling program, putting information in their bulletins and also used a collection sites.
- Team Rubicon is coming tomorrow to assist with home deliveries.
- Continuing with recycling plan. Need to identify sites with city. Local EOC has visited areas with the local contractor.

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

**Update 1/21/16 – 17<sup>th</sup> Day (16<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs) - “Phase II”
- Plan for next phase with MSP and NG personnel for Governor approval – “Phase III”
- Prepare for appeal on denial of Category B under the Presidential Emergency Declaration
- Work with HHS personnel to ensure they have all items needed for operations

Attached Documents:

- SitRep 16
- Draft Water Operations Plan for moving to next phases (Discussion document)
- Resident Water Sample Results Map (Not for public distribution)
- January 13-19 comparison map

Status on Governor’s request letter to the President

- Emergency declaration received. Pending decision of Major Disaster appeal and any denials under the Emergency Declaration (e.g. Category B). We have not been denied category B yet ... POTUS/FEMA has not given it to us though. I believe we may get a denial of category B in conjunction with the Major Disaster appeal decision. We will have 30 days to appeal.
  - Category B is critical in that it is for Emergency Protective Measures which includes (but is not limited to) EOC related costs, supplies and commodities, safety inspections, and in limited circumstances “water

testing and treatment supplies in the immediate aftermath of the incident to counter a specific threat.” We purposely put our start date of this incident to be April 25, 2014 in hopes we get category B and could get 75% federal funds for many other costs all the way back to 2014 – long shot but would be huge if we land this.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 15 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

Items to Note

- We are using the terms Phase II, Phase III, etc. These are for internal discussion for planning and not meant for public dissemination at this time unless it is determined to be beneficial.
- The draft operations plan (attached) was completed in conjunction with MSP and NG personnel to initiate discussion on our next steps as to WRTs and PODs.
- The WH issued a statement that \$80 million dollars in aid to MI mostly to repair Flint water infrastructure. We do not have additional information on this. This may be existing federal funds provided to MI that is just being opened up for other use. FEMA does not have any information on this.
- We have been advised we exceeded the \$5 million under the emergency declaration. We are at \$7.6 million.
- FEMA has advised that any donated items can be used to offset the state cost share. We are working on the mechanism with FEMA to do this.
- Deployed 3 state/local teams and 10 ARC Flint Water Response Teams to the field today.
- SEOC logistics worked to project future orders of water resources and commodities.
- Released updated JIC map at 1800 displaying updated field team activity and integrating historic paper records that have been entered into the tracking system for field team activity.
- DEQ test kits are only being provided to those who ask for them.
- I made contact with Senator Ananich aid, Julie Townsend, who was a POC for his volunteers. They are set to work next week on the 30<sup>th</sup>.
- MDOT met with city personnel to look at Station 6 POD and other PODs to see how traffic flow can be facilitated and safety increased. Additional report out due 1/22.
- A request from MSP MC3 for NG Cyber personnel (3 at \$32,000 for 30 days or less) was initiated. This is to assist with the cyber attacks that have occurred/future attacks related to Flint Water. PENDING APPROVAL. NG advised this would have to be funded with existing funds at this time and to make adjustments.
- MDARD Food Program staff have completed assessments of all 21 food businesses (including restaurants) that were located in the highest risk area. In addition, they have completed assessments at 34 food businesses in the medium risk area, and have scheduled 28 appointments to collect water samples.
- Dr. Nicole Lurie, the Assistant Secretary for Preparedness and Response from the US Department of Health and Human Services (HHS), in addition to the HHS Regional Coordinator and other CDC staff, visited the CHECC and SEOC this morning and provided commentary to CHECC and SEOC staff/EMCs. She also attended a briefing from FEMA before departing to visit Flint.
- Parents of boarding students at the Michigan School for the Deaf were notified of the elevated lead results in Stevens Hall. All fixtures in the dormitory are scheduled to be replaced by January 24, 2016. Lt Gov. has scheduled visit on January 25.
- Valley Area Agency on Aging (VAAA) continues to take calls from seniors and caregivers needing access to water and filters. VAAA is providing this information to the local EOC each afternoon for follow-up.
- Information reported to the JIC:
  - As of 1/21/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase 1 30,770	Phase 2 5,409
-------------------	------------------

2. Distributed: Includes outstanding data from yesterday - PODs after 5 pm, ARC worksheets and local EOC hotshots.

Commodity	Phase 1	Phase 2	Total to Date
a. Number of cases of water	94,688	10,403	105,091
b. Filters	77,215	2,356	79,571
c. Filter cartridges	188,389	1,039	189,428
d. Test kits	20,037	1,588	21,625

3. Total number of customers on the Flint water system
- 29,944 paying customers
  - ~45,000 hookups (This is our high end target #)
  - ~39,000 includes apartment complexes/multi family (The is the low end target #)
4. Resources purchased:
- Cases of water 124,398 (additional 20,098 donated)
  - Filters 115,700
  - Filter cartridges 243,200
  - Test kits 61,161
5. Teams going out tomorrow:
- - 15 ARC (2-4 folks) type 5 teams -- Goal tomorrow 100 homes per team

#### Local EOC

- Attended ARC meeting with VOADs to discuss volunteer management and strategies.
- Attended meeting with Plumbers and Pipefitters Union to assess the need for long term cooperation for filter installation and fixture replacement.
- Requested and received confirmation of deployment of Team Rubicon (starting on 01/23/2016).
- Facilitated Flint & Genesee Chamber of Commerce representation at the EOC.
- Addressed security issues at Fire Station 3, 6 and 8 PODs (residents concerned about criminal activity).
- Coordinating with SEOC Logistics to receive information on purchasing strategy and volumes for filter equipment.
- Met with Genesee County Planning Commission, United Way of Genesee County and Michigan Community Service Commission to clarify recycling plans and potential volunteer utilization.
- Coordinated and verified deliveries of supplies to apartment complexes.
- Identified potential locations for recycling stations.

Chris

---

#### Update 1/20/16 – 16<sup>th</sup> Day (15<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies

- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for second phase of door to door operations
- Submitted appeal to FEMA Region V
- Prepare for appeal on denial of Category B under the Presidential Emergency Declaration

#### Attached Documents:

- SitRep 16

#### Status on Governor's request letter to the President:

- Emergency declaration received.

#### Key items for tomorrow to note are:

- Five copies of the State/FEMA agreement will need to be signed by the Governor. Capt. Kelenske has them and will coordinate delivery.
- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- Dr. Luri from HHS will be at the SEOC ~10:00 p.m.
- A second phase is starting tomorrow which will include more refined questions as to type of filter systems each person has. This will assist with sustainment operations.
- DOC prison work crew personnel (6-7) will be at the warehouse to keep the area clean. A lot of trash is generated in the warehouse and was becoming an issue.

#### Items to Note

- Deployed state/local (NG, MSP, Local) teams and 10 ARC Flint Water Response Teams to the field today.
- MSP and local Sheriff's Department continue to provide over watch for WRTs.
- Aqua Hydrate contacted me to donate 5000 cases a month (4 semis) for a year. I was advised by Lindon Nelson this was a Governor/Mayor/Senator Ananich and Meekhof initiative and a press release was going to go out soon (TBD). Logistics is following up with them.
- News release sent from Governor's office about the appeal to the President of the disaster declaration.
- SEOC Logistics worked with JIC and Governor's office to establish a business resource submission tab on [www.helpforflint.com](http://www.helpforflint.com)
- SEOC Operations continued to develop and finalize Phase 2 canvassing roll out.
- Meeting held with Dr. Luri from HHS.
- Capt. Kelenske and other state agency financial personnel attended the appropriations hearing.
- End of day – concerns with the mass amounts of volunteers showing up and wanting to help. This can cause logistical issues but staff was working to get additional tasks for volunteers outside of the WRTs. We will continue to work on ways to involve more volunteers.
- Additional 5 person NG team for warehouse support approved.
- Information reported to the JIC:
  - As of 1/20/16 as of 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. 29,317 homes visited by the FWRTs to date.

2. Distributed: Includes outstanding hard copy data from yesterday (PODs after 5 pm, ARC worksheets and local EOC hotshots).

a. Number of cases of water 90,337

- b. Filters 73,229
  - c. Filter cartridges 185,852
  - d. Test kits 19,866
- 3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
- 4. Resources purchased:
  - a. Cases of water 111,630 (additional 18,502 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
- 5. Teams going out tomorrow:
  - a.
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Addressed reports of water contamination in distributed bottled and canned water. Confirmed that water is safe to drink through testing by MDEQ. Coordinating with JIC and MDEQ for improved public information on the issue.
- Identifying options to reroute unsolicited offers for supplies and services outside of the EOC. Coordinating to set up 800 number.
- Attended meeting with Flint & Genesee Chamber of Commerce to discuss coordination of efforts, representation at EOC, and improved messaging.
- Attended meeting with Community Foundation of Greater Flint to discuss coordination of neighborhood groups and improved messaging.
- Coordinated with MDARD to provide additional lead testing at restaurants, and signage for safe locations.
- Coordinating with SEOC Logistics to receive information on purchasing strategy and volumes for filter equipment
- Coordinated and verified deliveries of supplies to apartment complexes.
- Discussed logistics requirements of delivery requests for homebound residents with SEOC Logistics.

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### **Update 1/19/16 – 15<sup>th</sup> Day (14<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Prepare plans for next phase of operation – Second sweep of city

#### Attached Documents:

- SitRep 14

#### Status on Governor's request letter to the President:

- Emergency declaration received.
- Appeal letter pending.

#### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

#### Items to Note

- Deployed state/local teams and 11 ARC Flint Water Response Teams to the field today.
- Messaging being developed for concerns regarding the Total Dissolved Solids (TDS) meters and citizens' concerns with those meters indicating "lead" in bottled water. Testing of water to be done by DEQ to ensure we have solid messaging.
- DTMB is working to secure space in Flint for FEMA staff.
- Press release went out this afternoon to announce that the US Department of Health and Human Services will lead the federal response in Flint. Capt. Kelenske to meet with Dr. Nicole Lurie, HHS Assistant Secretary for Preparedness and Response (ASPR), on Thursday. The goal of the federal response will be to help state and local leaders identify the size and scope of the problem, and work with them to make and execute a plan for mitigation of the short- and long-term health effects of lead exposure.
- Additional NG personnel being requested to assist with Warehouse inventories.
- NG personnel on the ground with the WRTs tomorrow with more transitioning in.
- Released updated JIC map at 1800 displaying updated field team activity and integrating historic paper records that have been entered into the tracking system for field team activity.
- LG is going to be in Flint working at one of the PODs on Wednesday.
- Information reported to the JIC:
  - As of 1/19/16 as of 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. 22,129 homes visited by the FWRTs to date.

2. Distributed: Includes outstanding data from yesterday - PODs after 5 pm, ARC worksheets and local EOC hotshots.

- a. Number of cases of water 77,794
- b. Filters 69,730
- c. Filter cartridges 184,457
- d. Test kits 16,671

3. Total number of customers on the Flint water system

- a. 29,944 paying customers
- b. 45,000 hookups (This is our high end target #)
- c. 39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased:

- a. Cases of water 95,760 (additional 16,056 donated)
- b. Filters 115,700
- c. Filter cartridges 243,200
- d. Test kits 61,161

5. Teams going out tomorrow:

- a.
- b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

Local EOC

Operations:

- Attended public health group meeting with GCHD, City of Flint Water Department and MDEQ to discuss water test information being returned to residents, to allow residents a greater understanding of results.
- Attended recycling/trash management group meeting with DEQ, Republic Services, Keep Genesee County Beautiful and Genesee County Planning Commission. Provided projections on current and anticipated bottle distributions.
- Coordinated deliveries of supplies to faith-based organizations, apartment complexes and homebound residents
- Coordinated with Comcast to set up locations for distribution of filters (distributed 60 filters on 01/19/2016).

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

**Update 1/18/16 – 14<sup>th</sup> Day (13<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs) and PODs
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.
- Complete appeal for Presidential Major Disaster Declaration denial.

Attached Documents:

- SitRep 13
- Side by side comparison of homes with filters January 13<sup>th</sup> compared to January 18<sup>th</sup>. This should be hitting the media tonight. This took longer to create than I wanted but is the image I have wanted to show progress of getting filters in to the field.

Status on Governor’s request letter to the President:

- Appeal in process.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - 
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
  - NG will be bringing in personnel to prep for surge.

Items to Note

- Beginning tomorrow the operational periods will be 7 days long.
- The CDC/ATSDR (Agency for Toxic Substances Disease Registry) has deployed a team to Michigan.
- An Arabic version of the palm card was reviewed and approved. This was developed via Arab American and Chaldean Council.
- Deployed state/local teams and 10 ARC Flint Water Response Teams to the field today.

- DTMB is working to secure space in Flint for FEMA staff.
- Cost analysis to investigate if it would be more cost effective for FEMA to purchase water vs the SOM.
- ARC news release concerning the Volunteer Reception Center (VRC) sent out today.
- Media availability conducted today at 3pm at the VRC.
- Since 1/14/16 Michigan 2-1-1 has received three direct reports of bottled water testing positive for lead. DHHS SEOC Desk and DEQ SEOC Desk was able to contact two of the callers. The Zero Water filter (pitcher) has a handheld test device so people know when to change the filter. This TDS Meter measures dissolved solids (it is not a lead test). This was explained and we are going to work on messaging to ensure this does not cause issues. Dissolved solids are in all water. The water from the callers is going to be tested and a case of water from one of the companies will also be sent to DEQ for testing. Brands are Spartan Spring Water and Canned Water for Kids. The filter company is also going to work on messaging and work with us on this matter.
- Information reported to the JIC:

- As of 1/17/16 as of 5 pm (start date was Tuesday, 1/12/16)

1. 21,393 homes visited by the FWRTs to date.
2. Distributed:
  - a. Number of cases of water 37,313
  - b. Filters 53,713
  - c. Filter cartridges 169,520
  - d. Test kits 7,379
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 82,992 (additional 16,056 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a.
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Continuing to work with faith based organization to distribute resources.
- Working with colleges to obtain volunteers for canvassing.

Chris

---

#### Update 1/17/16 – 13<sup>th</sup> Day (12<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs), PODs

- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.

#### Attached Documents:

- SitRep 12

#### Status on Governor's request letter to the President:

- Emergency declaration received.
  - Limited to direct assistance so we will need to ask for the Individual Housing Program but that is something I will work on with FEMA.
- Major disaster declaration denied. The appeal is being developed with a draft to Paul Smith by later afternoon 1/18/16.

#### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - 
  - We will have 12 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

#### Items to Note

- Deployed 11 state/local teams and 10 ARC Flint Water Response Teams to the field today.
  - 4,963 homes visited today.
- DTMB is working with DSEMIC and NC3 to monitor social media for information on cyber-attack yesterday.

#### 01/16/16

- Approximately 5:00PM, Michigan.gov began to experience slowness in web page load time. Approximately 10 minutes later the Michigan.gov site became inaccessible caused by a denial of service attack.
- IBM team was able to implement a mitigation strategy to stop the attack that began at 5:00PM. At 6:24PM the michigan.gov websites were again available to the public.
- Approximately 7:30PM, a new attack was initiated on the michigan.gov environment. The attack focused on the DNS servers and resulted in michigan.gov becoming inaccessible. Additionally, due to the nature of the attack other IBM customers were affected as well. IBM was able to implement a new mitigation strategy that resulted in the excessive traffic being blocked. At 7:53PM the websites were restored to normal operation.
- Shortly after the michigan.gov websites were restored, the State of Michigan was notified by our internet service providers that a DDoS attempt was made against our SOM DTMB servers in the external DMZ. Once detected, this attack was blocked and Michigan Cyber Security saw no signs of any other types of attacks.

#### 01/17/16

- Genesee County was unable to access MiCIMS due to the State increasing filters. Michigan Cyber Security made adjustments to filter settings and their access to MiCIMS was restored.
- DTMB reached out to the City of Flint CTO, Paul Knific, offering any support they need. Right now they feel they have bigger issues than trying to get some of the things back online.

We currently do not have any additional information on the attacks on the City of Flint ([cityofflint.com](http://cityofflint.com)) or Flint Township Police ([flinttownshippolice.org](http://flinttownshippolice.org)) websites. We'll continue to pass information along as we receive it.

- Information reported to the JIC:
  - As of 1/17/16 as of 7pm (start date was Tuesday, 1/12/16)
- 1. 16,353 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received from prior to the SEOC activation (trying to validate the data) plus the PODs and door to door operations since activation.

2. Distributed:
  - a. Number of cases of water 27,195
  - b. Filters 50,432
  - c. Filter cartridges 168,605
  - d. Test kits 4,861
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 57,456 (additional 12,884 donated)
  - b. Filters 108,520
  - c. Filter cartridges 239,081
  - d. Test kits 28,901
5. Teams going out tomorrow:
  - a. 12 State (6-9 folks) type 3 teams---Goal tomorrow 300 homes per team
  - b. 12 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

#### Operations:

- Facilitated activation of the Genesee County/Genesee Health System MOU for mental health services.
- Coordinated supplies for distribution to students at the U of M Flint campus.
- Still concerned about people going to every fire station and collecting water/filters.
- Coordinated trash pickup at Fire Station PODs with the City Liaison officer.
- Coordinated hotshot deliveries of supplies to home bound population.

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### **Update 1/16/16 – 12<sup>th</sup> Day (11<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to prepare for engagement following the Presidential Emergency declaration

#### Attached Documents:

- SitRep 11

#### Status on Governor’s request letter to the President:

- Emergency declaration received. Federal Coordinating Officer (FCO) is David Samaneigo (Sam) who has been my LNO from FEMA. We began discussions on a transition to FEMA support last night. His team is headed to MI at this time and we will have our first coordination meeting on Sunday.
- The request for a Declaration of a Major Disaster was denied. FEMA advised this event does not fit the legal definition of a major disaster (natural incident or fire, flood, or explosion). This information has been provided since prior to the event to elected officials in Flint and the legislature. We are reviewing the chances for an appeal and I have already discussed this with the FCO.

Key items for tomorrow to note:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- I will be back on duty Sunday.
- We have been working with some of the churches. Contact was made with 14 churches for Sunday distributions. Interaction with the pastors has been very positive.
- A logistics briefing will be provided to see how many more teams we can put in the field.

Items to Note

- LT Gov visited the local EOC today; discussed local EOC operations.
- Deployed state teams and 10 ARC Flint Water Response Teams to the field today.
- DEQ sampling kits are now being received at the PODs.
- DEQ sampled two Head Start facilities and worked with GIS to obtain future sample sites.
- The Freeman School pilot was delayed due to some parts not arriving as scheduled. Testing was to be done Sunday but may not occur until Monday.
- NG will have a total of personnel in the PODs for distribution. Mission has not changed.
  - IG soldiers have been in the PODs. are processing in tomorrow with start date of 1/18 in the PODs. The TAG and I will be discussing future use of NG personnel door to door next week.
- Information reported to the JIC:

- As of 1/16/16 7pm (start date was Tuesday, 1/12/16)

1. 11,324 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received prior to the SEOC activation plus the PODs and door to door operations since activation. 3,850 homes were visited today (4,000 was the goal).

2. Distributed:

- a. Number of cases of water 20,876
- b. Filters 47,935
- c. Filter cartridges 167,401
- d. Test kits 3,322

3. Total number of customers on the Flint water system

- a. 29,944 paying customers
- b. 45,000 hookups (This is our high end target #)
- c. 39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased:

- a. Cases of water 57,456 (additional 12,884 donated)
- b. Filters 108,520
- c. Filter cartridges 239,081
- d. Test kits 28,901

- b. 10 ARC (2-4 folks) type 5 teams---Goal tomorrow 100 homes per team

Operations:

Operations:

- Provided direction to Operations and Logistics Section to initiate water sample collection at PODs.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional churches were supplied with water, filters and test kits.
- Still concerned about people going to every fire station and collecting water/filters.
- Station #6 (POD) has associated safety concerns due to proximity of street and lack of suitable parking. We are working to resolve.

Chris

**Subject:** SEOC Update 1/15/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 1/15/16 – 11<sup>th</sup> Day (10<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Receive, store and increase quantities of supplies
- Pilot the logistics plan and adjust as needed
- Continue with door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to ensure we get a Presidential Declaration of a Major Disaster and Emergency

Attached Documents:

- SitRep 10

Status on Governor's request letter to the President:

- All documents for the presidential request have been submitted to FEMA. Numerous calls and meetings took place between me and FEMA today.
- When we get the declaration(s) ... I will set up a legislative/congressional call I to explain and provide bullet points as to what programs we will receive. The Federal Coordinating Officer assigned will also be with me to answer questions. This has helped in the past.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - V
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
  - A pilot team was used to test our logistics plan today and with 60% strength they had 160% output (830 homes).
- I will be off tomorrow but available by cell. Tony Katarsky will be SEOC State Director. I will be back in on Sunday.

### Items to Note

- LT Gov visited the local EOC and SEOC today. He was able to hear our final briefing for the day.
  - Held a short session managing stress with SEOC staff. Two handouts were put in MICIMS for all state and local personnel to view.
  - Deployed state teams and 5 ARC Flint Water Response Teams to the field today.
  - Standing requirements were created for the JIC so we can get information to the media every day. Below are the current ones we have in place and we should have something out tonight according to the JIC.
    - As of 1/15/16 as of 7pm (start date was Tuesday, 1/12/16)
1. 7474 homes visited by the FWRTs. We believe we have ~24,000 homes with filters but are trying to validate that information. This is from the data we received from prior to the SEOC activation plus the PODs and door to door operations since activation.
  2. Distributed:
    - a. Number of cases of water 18,576
    - b. Filters 45,916
    - c. Filter cartridges 165,382
    - d. Test kits 3,217
  3. Total number of customers on the Flint water system
    - a. 29,944 paying customers
    - b. 45,000 hookups (This is our high end target #)
    - c. 39,000 includes apartment complexes (The is the low end target #)
  4. Resources purchased:
    - a. Cases of water 44,688 (additional 12,884 donated)
    - b. Filters 78,520
    - c. Filter cartridges 163,081
    - d. Test kits 18,761
  5. Teams going out tomorrow:
    - a.
    - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

### Local EOC

#### Home Deliveries:

- Still receiving lists from the Valley Area Agency on Aging (VAAA) on home deliveries and forwarding these to the Sheriff's office. They are going through a lot of homes. 120 out of 125 homes were completed yesterday.

#### Operations:

- We sent staff to visit Fire Station 6 and the warehouse today. Fire station 6 traffic was congested and that was during a "slow" time. The National Guard is identifying what is needed to alleviate this. MSP is working on providing uniform presence as needed. An additional iPad at each location will hopefully help relieve the amount of time that people are spending at the distribution sites.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional requests from churches were made and I approved the locations so they could be ready for Sunday. Lt. Roach was told by one of the pastors that he met with the Gov today and expressed how much he appreciated the efforts put forth. We should have 14 for this Sunday. We are working on how we can increase this output.

- Still concerned about people going to every fire station and collecting water/filters. NG personnel observed vehicles with several cases of water an overheard saying they were heading to the next station. Some people were helping themselves and taking more than one case at a time. Per the NG they cannot physically stop people from doing so. The NG is going to try to change staging in the fire stations to try to prevent this.
- Flint PD is going to check in every day with the EOC and provide a specific contact person. They are also going to help with traffic issues at the PODS. Will ask Flint PD to provide a presence when water is off loaded at a POD to help prevent people from "helping themselves."

Chris

---

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/14/16 – 10<sup>th</sup> Day (9<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and finalize lease on warehouse space/begin to move supplies from GCCARD to new warehouse
- Continue with door to door teams and finalize planning for future team use
- Submit request for a Presidential Declaration of a Major Disaster and Emergency
- Continue to work on long term recovery items (DHHS, DEQ, MDARD)

#### Attached Documents:

- SitRep 9

#### Status on Governor’s request letter to the President:

- All documents for the presidential request have been submitted to FEMA. I had a lengthy conversation with the FEMA Region V Administrator reference the request prior to sending.

#### Key items for tomorrow to note are:

- The door to door teams will continue in the morning.
- We will continue to ramp up door to door operations with additional teams. Teams continue to focus on the high lead level areas and additional data is being analyzed to focus mission areas.
- ARC will increase the number of their Water Response Teams.
- Supply burn rates as well as projections on how many teams will be needed to put filters in all homes within 3 and 5 days will be completed. Analysis will be done to see in NG personnel may be needed to finish in quicker manner.

#### Items to Note

- DEQ was notified of the number of homes who are willing to have them take additional samples in the future (current number (114). This question was added to the App being used by the Water Response Teams. Data will be provided when needed.
- LT Gov is scheduled to be at the local EOC and SEOC (~4:30) tomorrow to see the operations.
- Secured 80,000 sq. ft. of a warehouse today. Working to consolidate all resources in one location. Tomorrow will be the first day of full implementation of our logistics plan.
- Email sent to state employees to request volunteers for weekend.
- Media monitoring showed no incorrect information today.
- Michigan Association of Broadcasters is sending PSA to radio stations.
- Coordinating with Red Cross on volunteers for weekend.

- Deployed 8 Water Response Teams to the field today (approx. 120 volunteers). 78 Red Cross volunteers active across the operation today.
- National Guard is ramping up to have soldiers per shift at each POD tomorrow. Will also have a Public Affairs Officer at the JIC and liaison at the local EOC.
- Senator Ananich visited the SEOC today to see how things operate. The visit went well and he seemed happy with the number of staff working the Flint event. He tweeted out a message indicating there is still a lot of work to be done but all are working hard.
- DHHS
  - The Community Health Emergency Coordination Center (CHECC) is working on the following:
    - A nutrition plan
    - Education materials, messaging, and working with local agencies
    - Developing a community assessment for disaster behavioral health services.
- Lined up the delivery of filters to two large apartment complexes and a student housing complex.
- We have the list of individuals needing home service (additional contacts will be sent to the Ops Chief at the Local EOC each day at 4:00). Info will be provided to the sheriff's office for action.
- Water Response Team Numbers (this is not the total of homes with filters – I will provide that number tomorrow but it appears we have filters in over half the residences):

	TOTAL	1/12/2016	1/13/2016	1/14/2016
Occupied Homes	1450	242	492	716
Vacant Homes	1967	152	161	1654
<b>Total Homes</b>	<b>3417</b>	<b>394</b>	<b>653</b>	<b>2370</b>
<b>Resources</b>				
Door Hangars	1487	217	453	817
Water	588	117	254	217
Filters	945	112	220	613
Pitchers	22	3	13	6
Water test kits	217	48	109	60
Replacement Filter	482		137	345
<b>Total Resources Dispersed</b>	<b>3741</b>			
Future sample test site	114	28	34	52

Chris

---

#### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

#### Update 1/13/16 – 9<sup>th</sup> Day (8<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and close lease on warehouse space
- Continue with door to door teams and finalize planning for second wave increase (+15 teams – total for 1/14/16 will be 20)
- Continue to work on Governor's Declaration of an Emergency

##### Attached Documents:

- SitRep 8

#### Status on Governor's request letter to the President:

- All support data from state Agencies and local jurisdictions collected as of 6:00 pm on 01-13-16
- Current timeline:
  - First draft completed and ready for review by State Department Directors (including the Attorney General) by 11:00 am on 01-14-16
  - State agency reviews due back by 1:00 pm on 01-14-16 for revision of the draft
  - Revised draft to Captain Kelenske by 2:00 pm on 01-14-16 for review and forwarding to the Governor for final review
  - Final draft (based on Governor's review) submitted to FEMA Region V Administrator by no later than cob 01-14-16 but hopefully sooner. FEMA is aware and ready to receive.

#### Requests and potential response from FEMA/President

- The letter will request all programs eligible under the Stafford Act including Public Assistance, Individual Assistance, Hazard Mitigation, FEMA's coordination of assistance from other Federal agencies and direct assistance from FEMA
- The letter will also request potential direct reimbursement from other Federal agencies such as EPA, CDC, HUD, DHHS and SBA
- This request is in coordination with the request for Non-Stafford Act federal assistance already requested and received by the State (technical assistance and administration, but no direct reimbursement of disaster costs)
- Direct Federal assistance from FEMA in the form of Individual Assistance to homeowners for household repairs (repair and/or replacement of water service lines and Other Needs Assistance to reimburse for water filters, bottled water, etc.) is a possibility
- Direct Federal assistance from FEMA in the form of Public Assistance is not as likely as it is mostly replacement of publicly owned water distribution lines (and not the direct result of damage from a natural cause)
- If Stafford Act assistance is denied (Public Assistance, Individual Assistance and Hazard Mitigation) FEMA could still provide coordination of assistance from other Federal agencies if the President declares a disaster (or emergency) for the State of Michigan

#### Key items for tomorrow to note are:

- The door to door teams will continue at 9 a.m. – 5 p.m. Thursday morning and continue through the weekend.
- We will continue to ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas and additional data is being analyzed to focus mission areas.
- MNG will have a press event at the armory with incoming soldiers and MG Vadnais.

#### Items to Note

- Received information that Rev. Jesse Jackson will be in town 1/17/16 at 1:30 at the Heavenly Host Church of the Harvest of Dartmouth St, Flint.
- Managed and corrected misinformation on NG role.
- Senator Ananich is stopping by the SEOC tomorrow morning 0845. I am meeting with him and his Chief of Staff. Short visit as he has a 0930 at the Capitol.
- Working with Comcast so they can put teams in the field for distribution.
- Penske is going to give us 15-20 trucks over the weekend.
- Contact made with Two Men and a Truck for resources.
- Meeting set with Google where they will brief me and key staff potential tasks.
- Coordinated with Flint Mass Transportation Authority (MTA) to include Fire Station PODs on bus routes.
- Tomorrow I will have a projection as to the number of teams needed to get all citizens filters in their homes in 5 days / 3 days.
- We are standardizing team structure and supply deployment to increase efficiencies. Mission Ready Package (MRP) specifications will be sent out for other entities to assist with door to door. They will then be able to arrive as a MRP get supplies, receive a mission location and deploy.

- 5 Water Response Teams were in the field again today. Below are the numbers from the 2 days of just the Water Response Teams (there are paper copies with data still to be entered from the PODs). I was just briefed by the ARC logistics planner and there are efficiencies we can put in place to increase homes touched per day. The next version of the app will provide more granular details. Additional 30 tablets were configured by DTMB today for field implementation to include use in the PODs.

	Total	1/12/2016	1/13/2016
<b>Occupied Homes</b>	533	242	291
<b>Vacant Homes</b>	238	152	86
<b>Total Homes</b>	<b>771</b>	<b>394</b>	<b>377</b>
<b>Resources</b>			
Door Hangars	473	217	256
Water	265	117	148
Filters	235	112	123
Pitchers	9	3	6
Water test kits	92	48	44
Replacement Filter	93		93
<b>Total Resources Dispersed</b>	<b>1167</b>		
Future sample test site	62	28	34

- We show 17,276 residences with filters (this does not include data entry to be completed from POD or other locations).
  - We have 35,378 service hookups but with apartments, multi residence dwellings, etc we would be around 45,000.
- Logistics Support
  - The American Red Cross Logistics Planner provided me a brief and I approved the plan forward. The current plan includes:
    - Mission – A filter in every home ASAP.
    - 4 Distribution Methods
      - PODs (5)
      - Water Response Teams (20 effective tomorrow and this will increase)
      - Local EOC “Hot Shots” (these are calls for functional needs, unable to get to a POD location due to ??, etc). Personnel dispatched with supplies.
      - Local EOC support for other local requests (Faith based for distribution, etc.)
    - Three warehouse locations at this time
    - How to better leverage ARC resources
- Supplies – Daily Numbers
  - Replacement Cartridges - 30,700 delivered.
  - Water (cases) - 19,152 cases delivered
- Budget projection completed and will be submitted to SBO for review.
- Notes from Water Response Team Command (MSP)
  - Very good synergy between Flint Post troopers and Genesee County Sheriff command and deputies in effective and efficient deployments for distribution efforts.
  - Great attitude and efforts by uniforms and volunteers to make important contributions to the City of Flint on water response team deployments.
  - Clear direction and coordination in the field of supply teams by lieutenants and troopers. No confusion. Clearly defined roles.

All personnel continue to be fully committed to fixing this as quickly as possible.

Chris

---

#### Update 1/12/16 – 8<sup>th</sup> Day (7<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

I apologize in advance for the length of this report. With the supply issues we had the last couple of days I wanted to share our inventory plus what we anticipate to ensure we do not have supply issues.

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Fine-tune logistics
- Increase and deploy door to door teams (4 state teams added to teams from the Sheriff's Department)
- Increase collaboration and messaging of collaboration with local agencies (specifically the Sheriff's Department)

#### Attached Documents:

- SitRep 7
- Executive Order Activating the National Guard

#### Key items for tomorrow to note are:

- The Governor signed an Executive Order activating the National Guard. Mission will be to relieve ARC volunteers at the PODs (Fire Stations) which will free up the ARC volunteers for door to door activities.
  - I have briefed the ARC Disaster Officer on this plan.
- The Governor requested, through FEMA Region V, support from the Federal Emergency Management Agency (FEMA) to bring together and identify other federal agencies that may have programs and funding that could be dedicated to assisting Flint as part of an interagency recovery plan. One of the existing LNOs has been identified as the POC for this. He will be a great liaison for the FWIACC.
- The door to door teams will continue at 0830 Wednesday morning and continue through the weekend and ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas.
- We will look at all commodities and see where we are and where we need to be while working with the ARC logistics specialist.

#### Items to Note

- PSA video sent out to Flint citizens on resources available.
- Water
  - Today's numbers - 7,824 cases of water arrived today, 1/12/16 (109 pallets)
  - Ordered:
    - 19,152 cases of water are going to arrive Wednesday, 1/13/16 (266 pallets)
      - 1/3 is going to GCCARD and the rest is going to the new warehouse
    - 12,768 cases to arrive daily beginning Thursday through Saturday (177 pallets a day)
- Filters
  - Today's numbers
    - Ordered on 1/11/16 and delivered 1/12/16 direct to GCCARD
      - 2,000 – Brita filter faucet mounts
    - Filter Replacements
      - 2,400 – Brita filter replacements (single pack)
      - 8,000 – Brita filter replacements (two pack)

- Ordered on 1/12/16 to arrive Wednesday
  - Faucet Mounts – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
    - 10,000 – PUR Vertical faucet mount
    - 2,500 – PUR Horizontal mount
  - Replacement Filters – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
    - 10,000 – PUR replacement filters (3 pack)
    - 10,000 – PUR replacement filters (single pack)
  - PUR Combination Pack – to be delivered to GCCARD on 1/13/16 (Wednesday)
    - 10,700 – PUR combo packs
- To arrive Thursday
  - Zero Water Pitcher (8 Cup) – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 1,300 – Zero Water pitchers
  - Faucet Mounts – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 11,000 – PUR vertical faucet mount
    - 1,500 – PUR Horizontal faucet mount
    - 5,000 – Brita faucet mount
    - 10,000 – Brita adv faucet mount white
    - 12,000 – Brita adv faucet mount chrome
  - Replacement Filters – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 117,600 – PUR replacement filter
- Test Kits
  - 6601 unassembled kits arrived at GCCARD today, 1/12/16.
  - 500 have been assembled and are ready for distribution
  - 1000 additional unassembled kits have been ordered to be delivered at GCCARD (no ETA yet)
  - 10,142 unassembled kits to arrive at GCCARD early next week
- Second warehouse – Located in Flint
  - 100,000 square feet of secure warehouse obtained.
  - Accepting commodities beginning Wednesday, January 13
- Logistics Support
  - The American Red Cross Logistics Planner arrived from DC today as requested. I outlined what her mission was and how I saw the progression forward. This logistics planner will assist in streamlining the inventory and distribution process now and into the future.
- Door to Door Numbers
  - Today the app implementation for the field went extremely well. There were a few issues that were quickly addressed. One related to how form fields should be filled out. Another was getting styluses for teams so that they don't have to remove their gloves in the cold. All very simple to fix.
  - We are working on version 2.0 so this can be used at the PODs
  - We should be able to greatly optimize distribution in the near future as we mapped the active water subscribers from Flint's DPW and are adding them to the field team members apps. Of the ~56,000 possible addresses, this reduces the number of possible homes to visit down to ~29,000.
  - Notes from the field commander:
    - “Today we started out the day using two groups that consisted of approximately 10 people in each group. We eventually combine groups with Genesee County Sheriff’s group and they brought two more groups with approx. 10 people (Local UAW) in each group. This made us a lot more efficient and we were able to set up a game plan. Tomorrow I feel we will be more efficient and we will have a better plan in place to get the maximum output out of our resources.”
  - In the end, there were 394 total home visits with the following breakdowns:

- 217 Door Hangers
- 152 Vacant Homes
- 117 Water Distributions
- 112 Filters
- 3 Pitchers
- 48 Water Test Kits
- 211
  - CALL VOLUME:
    - 185 calls for water-related issues had been received as of 4:45 pm.
- Logistics made contact with Comcast and will be supplying them with filters and replacement cartridges for their deliveries in their work trucks as they make services calls. They will follow our procedures for reporting (our checklist).

Chris

---

### Update 1/11/16

The focus today was the media event and getting the supplies and logistics on track. Most of the activity today was working on logistics for the water and other supplies.

#### Attached Documents:

- SitRep 6

#### Key items for tomorrow to note are:

- The door to door teams will start at 0830 Tuesday morning. It is reported that troopers are going to the door but DHHS employees are the lead with a troop car nearby.
  - State and local GIS created an App today for the teams to use tomorrow but I see potential use at distribution sites.
  - The App data will be used for our maps as we survey the public/distribute supplies and we will be getting real time metrics through the site from the field send back to the SEOC. We are using Android tablets tomorrow but in the future can use any mobile device for this.

#### Items to Note

- *It was reported that only one POD (Station 5) was out of water longer than 30-45 minutes. This site was ~2 hours without water and part of that was the truck went to the wrong station. Trucks were sent as soon as the local EOC was notified.*
- We also did not receive a DHHS shipment that was to come in which caused some filter delivery issues.
- Supplies are limited at this time; however, we are getting our shipments starting at 0630 tomorrow.
- We have Home Depot giving us 12,768 cases (this was a late development so the SitRep indicates half the amount) of water every day starting tomorrow. We are still working with other distributors too.
- ARC is flying in a logistics planner tomorrow. Three additional staff will be with her to shadow and help. We are turning warehouse logistics over to ARC logistics. We are moving tomorrow to a process that has a distribution center (GCCARD) and a warehouse that is 100,000 square that will maintain mass quantities. Staff has continually been placing orders for supplies to ensure we get a head of this. The intent is to keep the warehouse full so we do not have these continual issues of supplies.
- Began mapping lead service lines (anticipate having draft of lead service lines Friday).
- Coordinated with local IT managers overseeing filter tracking system to streamline data collection.

#### Local Emergency Operations Center

- Working to coordinate resources at the local level to maintain adequate supplies at all PODs.
- Demand has exceeded supplies and supplies are moving rapidly from PODs today. Working to make sure POD managers notify us when they start running low.
- Working to establish a warehouse for local resource storage.
- Established trigger points for resources at PODs and hourly inventory reporting from the PODs.
- Discussed potential long term water sources between local EOC and SEOC.
- Established planning cycle/meeting scheduled for 1/12/16.
- Local EOC EMHSD staff with Natasha Henderson to request deployment of City representative at local EOC.

Chris

---

### Update 1/10/16

#### Attached Documents:

- SitRep 5
- Door card (English version but Spanish version will be ready for Tuesday)

I have a local EOC section listed below but state personnel are heavily engage in management of both locations. We occasionally hit some road bumps with this event but all personnel are working well together to accomplish our goals (especially state agency personnel).

I have had good discussion with FEMA LNOs. Two statements have been developed from our discussions that hopefully helps put this in more context but if it is more confusing I apologize:

1. In the immediate response, the State, in collaboration and coordination with city of Flint and county of Genesee are working to get water, water filters, and testing kits to the affected population. In conjunction, the state will coordinate with federal agencies to ascertain what resources can come to bear to help mitigate the issue.
2. If asked about a federal declaration from FEMA, we need to articulate the definition of major and emergency declaration and state or note to ourselves that it appears to not qualify; however, there may exist opportunities to leverage federal assistance from some agencies (i.e....EPA) under their own authority to help address this issue.
  - We need to really manage expectations on the potential for a federal declaration...not that we will not go after one but it will be difficult to get.
  - A major disaster is defined in the Stafford Act as any ***"nature catastrophe (including hurricane, tornado, storm, high water, winddriven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, snowstorm, or drought) or, regardless of cause any fire, flood, or explosion.....causes damage of sufficient severity and magnitude, to warrant major disaster assistance.....to supplement the efforts and available resources of States, and local government....."***
  - An emergency declaration is ***"is any occasion or instance for which, in determination .....assistance is needed to supplement State and local efforts and capabilities to save lives and protect property and public health and safety or to lessen or avert the threat of a catastrophe....."***
    - This is limited to immediate and short-term assistance (I hate to put times on this but short-term is like 3 weeks), essential to save lives, protect public health and safety and property.
  - Severity of the situation is ***"A finding that the situation is of such severity and magnitude that effective response is beyond the capability the state and affected local governments, and that the state requires supplementary federal emergency assistance to save and to protect property...."***

- Nature of assistance for Emergency Declaration is for *“Debris removal, emergency protective measures, direct federal assistance....”*
  - Debris Removal = *self-explanatory and we do not have this*
  - Emergency Protective measures = *water, commodities, transportation (remember ... to supplement what the locals and state are already doing if we need more)*
  - Direct federal assistance= *what specific type of work is requested, and what are the reasons why the state/local government cannot perform or contract for performance. Essentially what is the need that state/local govt cannot provide. I can see this being something we need but we may be able to get this outside a federal declaration under the federal agencies own authority to help address this issue.*

Back to the update...

Key items for tomorrow to note are:

- Training is occurring for the door to door teams scheduled for Tuesday morning.
- Deploying an additional MSP District Coordinator to the local EOC for command and control support.
- Deploying two DTMB trucks and two drivers for sustained logistical support for the week.
- Media event with the Governor in Flint.
- New Incident Action Plan starts (1/11 0800 -1/13 0800 operational period). Our objectives are as follows:
  1. Ensure all households within impacted community have required resources.
  2. Ensure accurate tracking and accounting of all commodities.
  3. Improve and maintain public information strategy.
  4. Develop a long term public health and services plan.
  5. Ensure adequate staffing to support operational requirements.
  6. Identify possible assistance programs.
  7. Develop an approved GIS strategy.
  8. Maintain coordination between partner agencies and organizations.
  9. Enhance situational awareness and common operating picture of all activities.
  10. Develop a comprehensive Recovery Plan.

Items to Note

- All 9 churches had filter systems/replacement filters, information sheets, and water test kits delivered as requested by each pastor/reverend on Sunday. We did not think we could get them water due to the limited time but we did end up getting water to all 9 churches with the other items.
- Fire station resource locations stayed open from 9a to 9p and will continue with those hours until further notice (Staffing is in place until Saturday). ARC is staffing these locations.
- The media event was held at Fire Station No. 1 and report back is that it went well and the spirit of collaboration between local, state, non-governmental partners is strong was relayed.
- The four door to door teams will have the hours of 8:30 a.m. to 5 p.m.
  - Each will have logistics support from DTMB, security from MSP, and contact personnel from DHHS.
  - The door card is attached that will be left if no one is home.
- Worked to identify a storage location within the City of Flint for water and supplies. G-CARD is identified as temporary location but we are moving toward a state run warehouse operation (looking at private sector partners to assist, especially with the warehouse management side).
  - GCCard is large enough, centrally located and comes staffed. GCCard has 75,000 sq ft with warehouse managers to assist with tracking resources coming in and out.
- GIS will provide us daily updates of how much was distributed each day but note we have a delay in data entry from delivery to entry in the GIS system. Over the weekend there was a problem locally with staffing to get this completed. A solution is in place and will be implemented so we get timely data. Distributed to date (as of 1/8/16).
  - 12,386 filters
  - 1,985 replacement filters
  - 354 Pitchers

- 2500 Lead Testing Kits
- Establishing and tracking of resources is a priority. Staffing has been assigned to get a good handle on these to ensure distribution sites maintain an appropriate level of inventory. I have requested trigger points get put in place so we do not get below certain levels in the main warehouse location.
  - Contacts with some large water distributors have been made and their and our logistics chiefs will connect first thing this week.
  - We have ordered an additional (expedited delivery with ETAs tomorrow)
    - 40,000 Brita Filters
    - 40,000 Brita Replacement Filters
    - 1000 Zero 8-Cup Pitchers
    - 1000 Zero 8-Cup Pitchers
    - 2000 PUR Replacement Filters
    - 93 Pallets of water (about 6700 cases)
- GIS continues to produce multiple maps for use.
- JIC Items
  - Requested PSA on the radio. Media has been approved and working with MAB.
  - Requested JIC to contact Comcast and Dish Network for availability for continuous running of filter install/replacement and test kit video.
  - A news release will likely going out tomorrow regarding canvassing in neighborhoods. Continued social media messaging.
    - Tuesday – embed state PIO with one of the canvassing teams to liaison with media.
    - JIC moving tomorrow to Flint.

#### Local Emergency Operations Center

I am providing you some information on some issues we ran into at the PODs. This has been addressed with additional state resources and processes put in place so we do not run out of resources. Public concerns/complaints have not been brought to my attention at this time. Staff is working very hard to ensure we do not run out of supplies at the PODs and they understand the consequences. No one in the Local EOC or State EOC is happy the following occurred and I felt you should know in case it is brought up. Again, I believe we have fixed this and I take full responsibility for any supplies not being on site.

#### Fire Station Inventory Levels:

##### Station 1:

- Only time without supplies - 15 minutes without water while the truck was unloaded.

##### Station 3:

- Ran out of replacement filters around 7:00, replacement filters delivered around 7:30. Had to pick up replacement filters from Home Depot and deliver.

##### Station 5:

- Ran out of water around 5:00, water was delivered around 6:30. We needed to find additional trucks because DTMB drivers were over hours. The ARC stepped up and found a truck to go and pick up a pallet of water and deliver.
- Somewhere between 4:00-6:00 they ran out of lead test kits. No way to restock these because City facilities were closed and could not reach anyone.

##### Station 6:

- Around 5:00 ran out of water, filters, and replacement kits. Replacement kits were delivered around 7:30. Additional water and filters were delivered after 9:00 due to the DTMB drivers heading back to Lansing. Food Bank was called and had to get drivers in to operate trucks, pick up water from the School District load and deliver to all sites. Delays occurred with weather conditions and needing to use last minute sheriff EOC staff to load due to issues with City workers. City workers were scheduled to help and left around 7:00 without helping.

- 2 pallets of water were dropped off in the afternoon and within 1 hour were gone. This was much faster than we expected. On 1/9 they didn't go through 2 pallets of water at any station for the hours 9:00-4:00.
- We received news that a reverse 9-1-1 call notified residents of water which caused an unanticipated amount of people obtaining water. There was also a report of 1 person walking out with 2 cases of water and trying to sell in the parking lot.

#### Station 8:

- Around 7:00 ran out of filters and lead tests. Filters were delivered around 8:00 from the food bank trucks.
- Hourly reports were requested in the morning from volunteers but this information was not received as to the status throughout the day. Early inventory of supplies took between 1 hour-1.5 hours to receive in the EOC. We were not advised of low counts, just zero numbers.
- Reports received that the last couple of hours were slow.
- Residents were advised of the other sites and the opportunity to obtain supplies.

#### Restocking Plan

- United Way set up meeting with Food Bank to discuss.
- Had EOC meeting on this topic to discuss options.

#### Churches:

- All 9 churches received waters, filters, and informational bulletins.
- Lt Roach received positive feedback from 3 of the pastors.
- No complaints were received.

#### Signage:

- Provided information to SEOC on signage requirements at the fire stations.

#### Storage:

- Researched storage spaces; established temporary site at GCCARD.

#### Personnel:

- Lack of local EOC leadership (seems somewhat checked out) with IC and Deputy IC (doing an okay job).
- Captain TaFoya (Genesee County) helped tremendously today with all the plans outlined above and attended the press conference.
- Tina Martinez at the Food Bank and Matt Purcell at GCCARD were extremely helpful in getting last minute operations set up.

Chris

#### Update 1/9/16

SitRep 4 attached for more in depth information. The below only contains some items worked on today and while the format in the attached SitRep is not perfect (it is created automatically by MICIMS) it does contain a lot more information you may want to read. I also attached one of our maps. It is our filter distribution map. All filters handed out by anyone working with us feeds into this now. We are continuing to refine these and at this time there is a delay in the upload of address data but we are working on it. We have a ways to go to get filters in every home but this will help direct us to those who need still them. We also are working on identifying abandoned homes.

Key items for tomorrow to note are:

- 9 churches will have ARC volunteers and filters for distribution. Some may also get water.
- 5 fire stations are a distribution point for water, filter systems/replacement filters, and water test kits. While only open today until 4 p.m., tomorrow and until further notice they are open from 9a to 9p.
- Media event will take place on the above tomorrow.

#### Items to Note

- 211 has some issues with call load but it is being worked on. 2-1-1 Director contacted MDHHS PIO to discuss/resolve caller wait times and messaging. We anticipate an increase in activity tomorrow in 211 calls so we requested and received an increase to staff 211.
- We are shifting tasks the SEOC took on that are handled more effectively and efficiently at the local EOC. We have established command and control in their EOC. We are running things there but that is not being made public. We are doing this in partnership but we are clearly handling the operation with state personnel oversight.
- A 3rd FEMA LNO arrived today upon my request. This has nothing to do with a Presidential request for a declaration but support for some other items I want worked on for long term recovery.
- We continue morning calls with the local EOC leadership and local emergency manager on what our goals for the day are as well as any issues/concerns.
- Five 5 fire stations have received water, water filters, replacement cartridges, and water testing kits with American Red Cross personnel at each location to assist with delivery of resources and collection of addresses receiving them. These locations will be open from 9a – 9p daily until determined they are no longer needed. Those picking up water testing kits will be advised that they can return the test kits to the fire departments (where they will be picked up and taken to the Flint City Hall), the Flint Water Treatment Plant, or they can take them directly to the Flint City Hall. For those unable to return the kits, 211 can make arrangements for pick up the kits. We understand response to these sites has been positive thus far. The Genesee County EOC will be monitoring these supplies and request replacement of products as needed.
  - A call is going out tomorrow morning to advise this information ... I do not believe it was every resident but Tori Sachs has that info if needed.
- I approved a press release today to advise the public that all levels are working together to ensure delivery of filters, test kits and water; noting that all of these items were delivered to the 5 Flint fire department stations. It was stressed that the public should be aware that the local and state agencies have been working cooperatively to assist the residents - and will continue to do so. This was done to hopefully end or at least minimize the “who can get water and filters out first” when all of this has been connected with the state and coordinated since the state declaration was put in place.
- The arrangement of 2,000 filters, to be taken to 9 local churches on Sunday, January 10, is ongoing. The filters have been secured; they are now in the possession of the DTMB. DTMB will return to Flint on Sunday morning to deliver these to necessary locations. The American Red Cross will be on site at each church to assist with distribution and recording addresses (for GIS). The local EOC is working to ensure these arrangements are complete and run smoothly. Future engagement with the faith based community will occur to assist with additional distribution.
- A Flint City liaison has not been in the EOC but starting Monday this will be in place to keep the Flint Mayor apprised of activities being conducted in the city. She also has been advised she can call me at any time if she needs anything.
- Training has been confirmed for the door-to-door operation scheduled to start Tuesday. Four teams are initially scheduled with more to potentially be put in place. These are the teams that will be handing out water, filter systems/replacement filters, test kits and information. If nobody is home, a door hanger with information is being left. DHHS personnel and one MSP trooper will be on these teams.
  - Training will take place at 1 p.m. on Monday afternoon at the DHHS office on Clio Road. DEQ and DHHS will provide the training.
    - Training is so those going door to door can explain what the filters do, how to install them, if they need install help to call 211 who has a list of people who can install the filters, and answer any other questions versus just handing them the filter.
  - Hours of operation will be Tuesday through Friday from 8:30 a.m. to 5 p.m. AT THIS TIME. I am reevaluating these times to increase contact with someone versus just leaving information.
  - Logistics are being finalized for the teams and trucks to handle stocking and re-stocking of materials during daily operations.
  - GIS maps will provide guidance on deployment locations for these teams and other teams in the field.
- A pilot project at Freeman Elementary with LARA and DEQ has been initiated to see if replacing certain plumbing components in faucets at the school will drop the lead level.

## MSP/EMHSD GIS Section Updates

### Accomplished Today (January 9):

- Produced a Point of Distribution Map. Contains four types of distribution points; Churches, Water Resource Sites, Filter Distribution Sites, Water Distribution Sites.
- Produced Filter Distribution Map.
- Developed process of how best to handle geocoding the household filter locations, worked on processing the data.
- Worked on map of franchise customers outside of Flint City.
- Produced maps for MDARD on food establishments and Local Health Departments.
- Produced map of Church Filter Distribution map for DTMB.

## Local Emergency Operations Center

- The state has deployed 10 personnel to the Genesee County EOC to ensure we have command and control at the local level. On 1/8/15 The state personnel took over the incident management functions of the Genesee County EOC (not public). The arrival of additional staff allowed the local Emergency Management Coordinator to delegate tasks which relieved a tremendous amount of stress.
- Additional Sherriff staff will be shadowing the state incident management team to allow for transition to the county personnel later in the incident when we are comfortable with them handling things. Not sure when that will be but we have secured a direct bill hotel for staff to stay in Flint as long as needed.
- With the additional staff, the Local EOC will be able to take over functions previously handled by the SEOC including:
  - Logistical activities to support church operations.
  - Logistical activities to support fire stations operations.
  - Coordinate Donations Management activities and draft donations management plan
  - Coordinate Volunteer Management activities
  - Identify local storage/staging facilities
  - Overall inventory tracking
  - Tracking of Points of Distribution (PODs)

Chris

---

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/8/16

SitRep 3 attached.

There is a significant difference in what is being presented by the media and what the local EOC is relaying to us at the SEOC. It is also being driven by the media that this is a state versus local response (who is providing more and quicker versus a coordinated effort between all). That said, I advised SEOC personnel that perception is reality in some eyes and we are to move forward to address items that typically are addressed at the local level. I have ordered the SEOC open all weekend due to make the quick wins that we need and continue to get the coordination and collaboration in place that is needed (but make gains on our own as needed).

### Items to Note

- Two FEMA LNO’s arrived today and are in the SEOC. A third LNO was requested from FEMA due to some unique issues with this event to include having to deploy more of my staff to the local EOC to get more structure and/or find out why there is an issue with the message the media is showing versus what we are hearing from the local EOC

- We finally received from the local EOC 8 locations (we were told originally early in the week they had 80-90) that are their Points of Distribution (PODs) for water in conjunction with the local food bank. The PODs are not getting water from the food bank even though the food bank has water. We are going to resolve this issue as we can help deliver the water to the PODs but we were not aware of this. 8 PODs is not enough locations if water needs to be distributed to citizens. Speaking with the ARC Regional Administrator later today, I believe ARC got water to those locations but I need to confirm that in the morning. The food bank reported they had 376 cases of water.
- We have learned that a low number of residents are testing their water when DEQ can test 400 kits per day. This is an added focus that we believe can be increased through dissemination of test kits with the filters and any water.
- I found out the Mayor was okay with using fire stations as distribution points for water, filters, and water test kits. While this did not come to me through the local EOC, I advised we needed to get water, filters, and test kits to these locations for tomorrow. The distribution at 5 Flint Fire Department stations has been coordinated to be in place by 10:00 am tomorrow morning.
  - DTMB has provided a truck and driver to pick up water test kits from DEQ lab in Lansing, water from the Food Bank and water filters and replacement cartridges from GCARD in Genesee County.
  - 10 American Red Cross (ARC) volunteers will meet the DTMB truck at GCARD at 9:00 am to be provided information about filters. Instructions will be included in water test kits. They will then report to the 5 fire stations to assist in distribution of resources to the public and track addresses of same.
  - Residents will be told where they can drop off their water test kits, or that they can return them to the fire station the next day. Coordination will occur on pick up of water test kits daily to be taken to the Flint City Hall, who will then delivery them to the DEQ testing lab.
- STILL FINALIZING - We have made available 2,000 Filters for distribution on Sunday as parishioners leave mass/services. This will be 200 filters for 10 churches in Flint. While this is a small number of churches, we do not want to waste an opportunity to hand out filters and this seems like a quick way to so. The filters will be put on the DTMB truck on Saturday for delivery to TBD locations for distribution. Logistics remain undetermined as I am still waiting on a list of the churches, pastors/reverends/hours or services/etc. The DTMB truck will be returning to Lansing approximately 11:00 a.m. so we need to finalize this quickly on Saturday. We may utilize ARC to assist with this.
- The Recovery branch is working with the JIC to develop a door hanger card. DTMB is working on the printing portion of the hanger card. Recovery will also be finalizing logistics over the weekend for neighborhood canvassing to occur early next week. 40 volunteers have signed up to attend training on Monday afternoon to complete this task. The mission will be to deliver water sample kits along with water filters/replacement cartridges, and water.
- It appears that 211 has become overloaded. DHHS is researching ways to increase capacity for calls.
- A Volunteer Management Coordinator is in the Genesee County EOC as of today.
- A Donations Management Coordinator has been requested and she will be in the Genesee County EOC Saturday.
- DHHS had a conference call with GM today; they indicated they can provide cash, and supplies, but primarily manpower. No commitments were made at this point. We inquired as to availability of warehouse space and trucks. It was left as GM being a major resource pool that we can tap into as we determine missions. Further conversations will occur, but primarily GM just wanted us to know they are there if needed.
- An additional EMHSD staff member was sent to the Genesee County EOC to act as Operations Section Chief and obtain awareness of the situation there.
- GIS staff met with various parts of Genesee County/Flint personnel to try to get a handle on data available.

- GIS continues to work with local GIS personnel with three GIS staff going to Flint today to work with them. GIS staff is working with U of M on how best to proceed with digitizing water lines for long term recovery.

Chris

---

UPDATE 1/7/16

A summary of some of today's SEOC activities is provided below. Attached is the following:

- Today's SitRep which contains more information than below.
- The resource request/task assignment sheet for your situational awareness. This is how locals request resources as well as how we track resources and any assignments and/or tasks that are to be completed.
- JIC Task Tracking – for your situational awareness on how we are tracking requests and assignments. Once someone is assigned a task or resource request it allows them to document what work has been or will be done as shown at the bottom of the document.

**Items to note:**

- I received a document this evening from Genesee County which appears to be damage assessment information. Analysis of this will occur tomorrow. It appears to be infrastructure and costs to fix it and no other impacts.
- I spoke with Jamie Curtis, Genesee County Commissioner, this evening. A very good relationship is in place with him, especially with our District Coordinator (DC). I also have our DC working on developing stronger relationships with the Mayor/Mayor's office.
- GIS staff continue to obtain data and work with County and City personnel to get a picture of where resources have been provided, need to be provided, as well as infrastructure locations (pipes) that could be affected.
- Personnel and agencies have been tasked with developing a plan to get people in the community to deliver information, hand out filters, etc. This would target those areas we are showing minimal or no filter distribution based on the data we are collecting. The plan is to get them in the field by Tuesday and the plan will be provided to me tomorrow.
- Filters can be obtained at the following locations:
  - Michigan Department of Health and Human Services office, 125 E. Union St., Flint, MI 48502
  - Michigan Department of Health and Human Services office, 4809 Clio Road, Flint, MI 48504
  - Genesee County Community Action Resource Department office, 2727 Lippincott, Flint, MI 48507
  - Genesee County Community Action Resource Department office, 601 N. Saginaw, Flint, MI 48502
- Conducted briefing with local EOC and county executive.
- Conducted briefing with state agencies (daily updates).
- Began work to schedule legislative/congressional conference calls. Tentatively scheduled for 2 p.m. Friday.
- JIC continued to develop messaging.
- Provided input to local EOC regarding best methods of identifying health and non-structural impacts for damage assessment process.
- Deployed two EMHSD/SEOC liaisons to assist the local EOC.
- Published the Incident Action Plan and continued assignment of objectives/tasks.
- FEMA Liaison Officers just arrived in Lansing to assist command and general staff.
- I spoke with Harvey a few times and he should have talking points later tonight or tomorrow a.m. for his use and also for others who may speak to media outside of state government who may benefit from our messaging.

- We held a media round table at 1 P.M. at the SEOC. Dr. Wells and I spoke and answered questions to numerous media outlets.
- Local agencies and NGOs continue to provide water and filters to citizens.
- The website, [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater), was update with information and links to assistance to include 211. Additional recommendations were provided to include information on the testing water in homes.

#### EMHSD GIS:

##### Accomplished Today:

- Reproduced Socio-Economic Status Map
- Reproduced Predicted Affected Populations Map
- Cleansed old data and reports for water filter distributions
- Created draft map of water filter distributions (Refinement needed before releasing final product)
- Scheduled on-site visit with Flint GIS Department and Genesee County GIS Department
- Formatted databases to host content
- Researched service line database creation and scheduled meeting with U of M Flint to discuss timelines and resource needs
- Generated water infrastructure map (does not include building service lines)

##### Tasks for Tomorrow:

- Meet with Flint City GIS
- Meet with Genesee County GIS
- Meet with U of M Flint GIS
- Finalize water filter distributions map
- Finalize plan for data distribution methods

Chris

---

#### UPDATE 1/6/16

A summary of today's SEOC activities is provided below. I tried to distill this as best I could but there has been a lot of activity and discussion to get an accurate assessment of the situation. Attached is the final draft of objectives and tactics for the operational period and agency situation report (SitRep) which has more SEOC agency information. I have implemented weekly operational periods.

Advise if you want anyone else copied or off this distribution.

#### **Daily Update**

- Set goals for SEOC and identified response/recovery emphasis
- Requested FEMA liaison officers (LNO) from FEMA Region V. Two LNOs will be on site by ~3 p.m. 1/7/16. Both are known contacts to me and some staff and one has worked extensively with me during the SE MI flooding in a command and control position. These personnel have been specifically tasked with this mission. **THEY ARE NOT HERE TO ASSIST WITH A PRESIDENTIAL DECLARATION REQUEST BUT TO ASSIST ME.**
- PIOs from multiple agencies were here and established the Joint Information Center (JIC). News released pushed out on this. I am very happy with the PIO work and movement toward coordinated messaging.
- Held briefing for State Agency Emergency Management Coordinators, which included presentations from DEQ and DHHS subject matter experts to ensure situational awareness and to develop a common operating picture.
  - I opened the briefing by identifying our initial goals, items to think about while subject matter experts were briefing us, and how we are to move forward, find quick wins, and regain trust.
  - MDHHS – Elevated Blood Lead Levels

- Dr. Elizabeth Wells gave an in depth summary of lead poisoning and what has occurred in terms of health monitoring throughout the Flint crisis.
- **MDEQ – Water Testing Protocols**
  - Mr. George Krisztian of MDEQ gave an in depth summary of the testing protocols and summary results that as they have developed throughout the emerging crisis.
- Developed Incident objectives, strategy and tactics (see attached)
- Identified SEOC and state agency staff positions
- Assigned work tasks for SEOC operation period from 0800 January 6, 2016 to 1700 January 8, 2016
- Reviewed planned actions, prepared final draft Incident Action Plan
- **Made contact with the Genesee County Emergency Manager first thing in the morning and held a conference call mid-day to discuss roles. Daily 0830 command conference calls with local EOC command staff starts tomorrow. Tomorrows call will include the County Commissioner and the City Administrator (both invited). Topics include the incident action plan objectives and establishing better local coordination, command and control to facilitate integration with the SEOC. The local EOC is not functioning as it needs to with personnel and local coordination and we are working on that issue.**
- I will be in Flint tomorrow for a 2 p.m. media round table with local officials that was set up by the JIC.
- The attached initial objectives will be updated at least every operational period and as needed. I listed the objectives below but the tactics to accomplish them is in the attached if you want further information.
  1. Activate the State Recovery Task Force (SRTF).
  2. Establish and maintain coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate medical experts.
  3. Obtain and maintain situational awareness and common operating picture of all activities.
  4. Establish SEOC operational period and hours of operations.
  5. Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program.
  6. Develop a comprehensive GIS strategy.
  7. Coordinate response and recovery activities with MIVOAD and identify potential mission areas.
  8. Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies.
  9. Provide technical assistance to the local Damage Assessment process.
  10. Establish a Joint Information Center (JIC) and develop a public information strategy.
  11. Monitor MI CIMS for resource requests and address as appropriate.
  12. Establish and disseminate cost center information for the incident.
- Additional tasks include:
  - Determine what federal agencies are already involved and their status
  - Identify potential water supplies
  - Determine where affected homes are located, where filters/pitchers (and replacements) were installed/provided, and determine who needs filters, etc.
  - Determine how filter distribution is handled, and if it can be handled more efficiently and effectively
  - Determine what mechanisms are in place for nutrition supplementation

#### **EMHSD GIS Accomplishments:**

- Hosted a conference call to begin coordination with Flint City and Genesee County GIS departments and the SEOC
- Established a daily call with county and city GIS personnel to synchronize GIS efforts in support of the Flint water crisis at 8:30 A.M.
- Began consolidating local data from local GIS practitioners into a consolidated database, to include:
  - Water Pipeline Locations
  - Filter Distribution Locations
  - November 25, 2015 Water Monitoring Results (Partial, some data remains to be digitized)
  - Affected School Locations
  - Predictive analysis of blood lead levels for affected area

- Updated Parcels
- Demographics
- Block Groups
- Produced a map for the filter distribution locations
- Began contacting specialists who developed historic maps depicting the Flint Water Crisis to obtain the data

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:13 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** RE: Update - Genesee County Declaration

I forgot to advise that we have asked key state agency PIOs to be in the SEOC for the briefing.

---

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:06 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** Update - Genesee County Declaration

Below are some key points for your situational awareness (FYSA) that have taken place or will take place within the next 15 hours.

- I was on the phone with Sean Kammer, Assistant to the Flint City Administrator, when the declaration hit the news so I advised him immediately. He was going to let the City Administrator know.
- I contacted MSP Lt. Roach, 3<sup>rd</sup> District Coordinator, who was at the Genesee County EOC and advised her to let the County EM know the declaration status.
- State Emergency Management Coordinators (SEMCs) were notified via our notification system with additional information in an email.
  - This included information on the SEOC activation and a 0900 briefing for SEMCs.
  - Some subject matter experts will provide us an update to establish a common operating picture.
- We have been in contact with FEMA Region V watch desk ... they will be on the call tomorrow and continue to monitor the situation.
- I have been in contact with the FEMA Region V Administrator to keep him updated.
- Operational period for the SEOC will be M-F, 0800 to 1700 at this time.
- Situation Reports (SitReps) will be provided in the evenings.
- An Incident Action Plan will be developed tomorrow.

Call me with any concerns or questions.

Chris

**Flint Water Lead Project**  
**Michigan Department of Health and Human Services**  
**Situation Report for January 20, 2016**

Governor Snyder declares a state of emergency for Genesee County due to the health and safety issues related to lead in city of Flint drinking water.

The Community Health Emergency Coordination Center (CHECC) is at Level 2 Activation

**\*\*NOTE: Contains potentially Identifiable Information- REDACT AS INDICATED\*\***  
**New items for the day listed first and in bold print.**

Daily Briefing and Situation Report prepared by Linda Dykema

Surveillance Indicators: People Tested for Lead 10/1/2015 to 1/8/2016: 2,642;  
Children less than 6 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 28  
Children 6 to 17 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 7  
Adults 18 years and older  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 15  
Severity Indicators: Hospitalized/Discharged - 1/1; Deaths - 0

**DAILY ACTIVITY SUMMARY**

**Elevated Blood Level (EBL) Environmental Investigations** – ETC Contractors, Wes Priem, Courtney Wisinski

- EBL report through 1/20/2016
  - 23 families contacted
  - 17 EBL investigations completed.
  - 17 Water sampling completed.
  - 8 Homes where water filters were observed
  - **10 EBL Reports Received.**
    - **10 homes with lead dust hazards**
    - **3 homes with lead in soil hazards**
    - **9 homes with lead-based paint hazards**
    - **6 homes with lead detected in tap water**
      - 1 home with lead water levels greater than 15 ppb
  - 4 investigations scheduled.
  - **6 applications received for the Lead Safe Homes Program, 1 family enrolled.**
- 1 home was found to have elevated lead concentrations (72 ppb) in water from a bathroom tap. The family has been advised not to use the tap for consumption or brushing teeth. An additional filter will be provided to the family and options for replacing the fixture will be explored.

**MDHHS/Genesee County Health Department (GCHD) Case Management (CM) Services** – Nancy Peeler

- CM report through 1/8/2016:
  - # of contacts attempted: 186 (0-5 year olds) and 12 (6-17 year olds)
  - # offered CM: 134 (0-5 year olds) and 12 (6-17 year olds)
  - # CM started: 25 (0-5 year olds) and 3 (6-17 year olds)
  - # of children receiving CM who live in Flint: 25 (0-5 year olds) and 3 (6-17 year olds)
  - # billed to Medicaid: 14 (0-5 year olds) and 1 (6-17 year olds)
  - # other disposition: 30 (0-5 year olds) and 1 (6-17 year olds)

**Epidemiology/Surveillance** – Corinne Miller, Patti McKane, Martha Stanbury, Bob Scott, Jessica Cooper

- Developed metrics related to elevated blood lead testing among children < 6 years of age in Flint who are enrolled in Medicaid.
- Held conference call with CDC to discuss development of tools related to identification of and recommendations for facilities at greater risk for transmission of opportunistic pathogens.
- Updated Analysis/Summary on first illness wave investigation with recently acquired patient information and illness-related mortality standard.
- Supplied Legionellosis cases to Vital Records for linkage to ascertain any unreported deaths.

**Filter & Water Distribution** Sheryl Thompson

- Filters distributed January 1-20, 2016

Brita Filters	1,706
Zero Water Pitchers	204
PUR Filters	92
Replacement Cartridges - Brita	2,157
Replacement Cartridges - PUR	382
Replacement Cartridges - Zero	247

**Communications/Information Sharing** – Linda Dykema, Eden Wells

- Hosted site visit from ATSDR/NCEH staff.

**Health Education Resources Updates** - Michelle Bruneau, Emily Houk

- Continuing to write and coordinate additions to the EBL Case Manager Binder, now known as the MDHHS Lead Safe Family Guide Book. (MB)
- Began work on filter cartridge changing fact sheet; clarifying uses of filtered/vs unfiltered water (MB)

**Toxicology** - No Updates

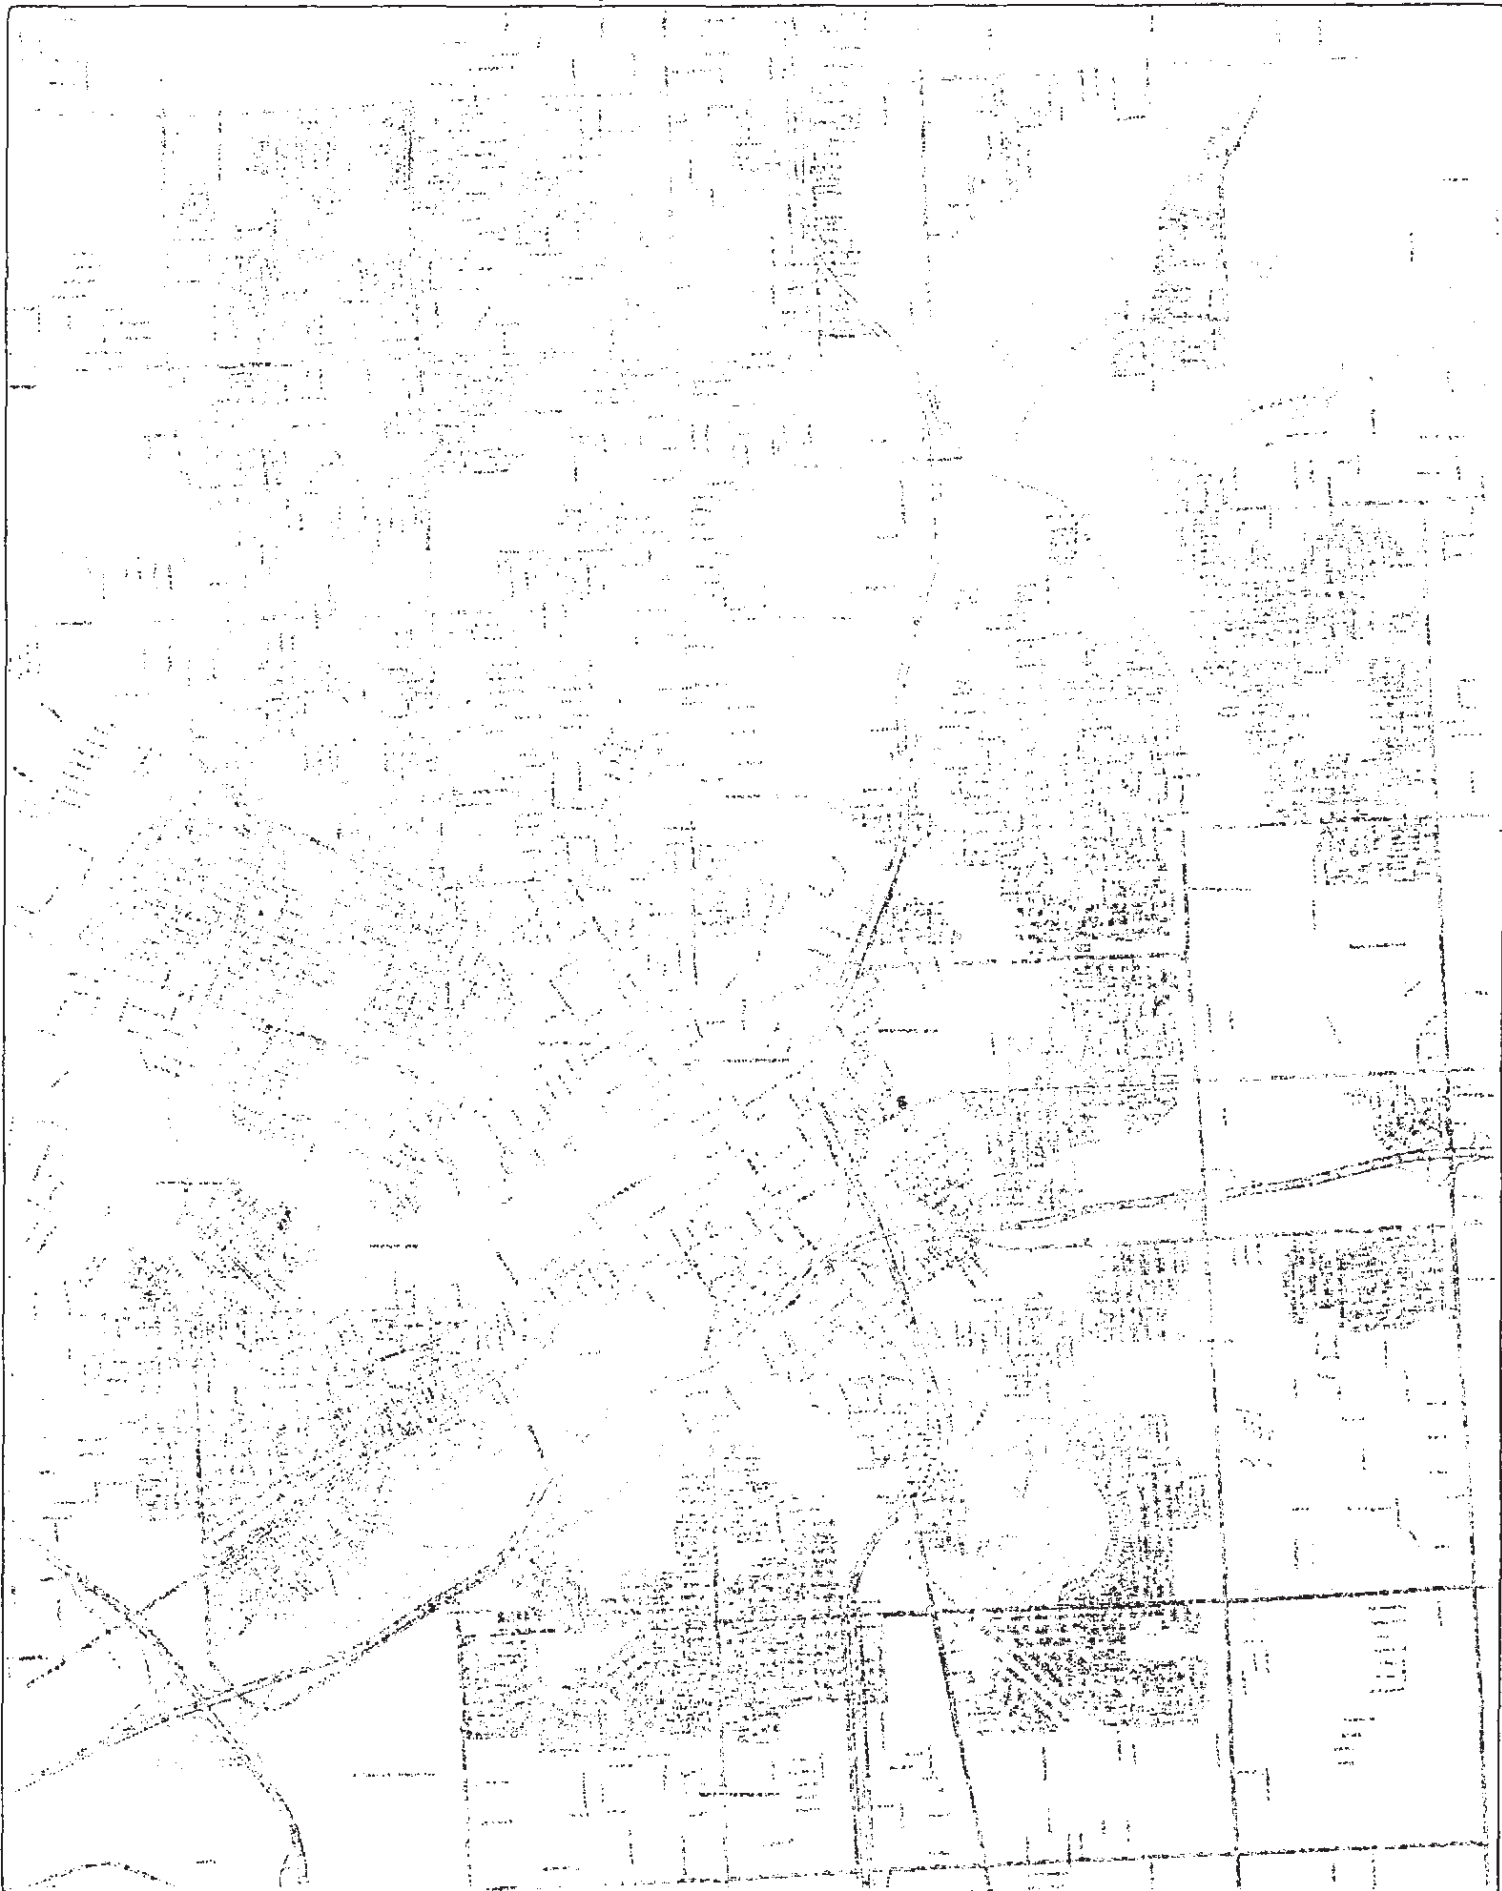

**WIC** - No updates.

**Healthcare/Providers** - No updates

**DEQ Information** - Linda Dykema as Liaison

- DLARA plumbers will replace fixtures at Freeman Elementary School that were previously tested and found to have > 15 ppb of lead in the water. MDEQ will conduct a “deep flush” of the school plumbing since many lines have been unused for several months. MDEQ will then retest of the water from the new fixtures to confirm whether or not these efforts have been effective in reducing or eliminating exposure to lead in the water.

SEOC Hours of Operation End: 01/25/2016 20:00:00

## Executive Summary

### SEOC Update:

Accomplished today (January 25):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public Information Control.

### Logistics:

- Worked with FEMA/DHHS on warehouse tracking status/strategy.
- Worked with MDOC on warehouse management transition.
- Ordering and projecting future orders of water resources and commodities.
- Worked on future resource planning.
- Worked on local business commodity supply plan.
- Coordinated and followed through on various resources requests with state agencies.
- Continued inventory monitoring and rapid response resolution and tracking.
- Participated in conference calls with the Governor's office and private partners on potential alternative filtration systems for schools, daycares, etc.
- Created a form for drivers to track rapid response deliveries.
- Ordered 5 iPads for each rapid response driver to track deliveries.

### JIC:

- o Media avail at fire station 8 this morning received positive news coverage.
- o The NAACP is holding a public meeting at U of M Flint on Tuesday.
- o Rachel Maddow will hold a town hall meeting on Wednesday.

### Recovery Branch:

- o Updated Flint Water Response Team plan for tomorrow.
- o Updated ICS 204 forms (Obj. 1 and Obj. 6) for the new operational period.
- o Continued demobilization of resources from team ramp up.
- o Attended Local EOC briefing, Tactics Meeting, Operations Plan Meeting, and Distribution Process Meeting.
- o Worked with GIS to acquire addresses for water response team responses.

### Data is for 1/25/16 as of 5:00 pm:

- o Total homes visited.
  - 313 (visited after 5pm 1/24).
  - 2,596 (round 3).
- o Water Cases.
  - 192 (delivered after 5pm 1/24).
  - 1,041 (round 3).
- o Replacement Cartridges.
  - 55 (delivered after 5pm 1/24).
  - 0 (round 3).
- o Faucet Filters.
  - 57 (delivered after 5pm 1/24).
  - 524 (round 3).

### Planning Section:

- o Published Sit Rep # 20.
- o IAP # 7 developed and approved today.
- o Worked with Resource Unit Leader and Logistics to enhance number tracking.
- o Participated in daily conference calls (local, state agency and distribution process meeting).
- o Provided burn rate data from PODs and FWRT to FEMA.

### Operations Section:

- o MDOC assumed all warehousing responsibilities today.
- o 54 Red Cross volunteers were active across the operation today.
- o 81 Event based volunteers were active on the operation today.

o 65 National Guard on ground today.

o Warehouse Numbers for today were not able to be captured this evening but will be reconciled and sent first thing tomorrow morning.

o PODs (1700 1/24 – 1600 1/25).

□ Water (cases).

• 8,994.

□ Filters (faucet).

• 597.

□ Replacement Cartridges.

• 722.

□ Filters (pitcher).

• 7.

□ Test kits.

• 502.

• Finance Section:

• Discussions with state agencies to explain SEOC financial processes and the current emergency declaration accounting policies for response efforts.

• Discussion with Keith Francis, Genesee County Controller, to explain current emergency declaration, what Category B costs are and why EMHSD is asking for those costs from all state agencies and locals.

• Reviewed state agency financial information received for update to current spend plan.

• Reviewed Donations Management plan in an effort to obtain more information from the warehouse due to FEMA requests for information.

• GIS Branch Updates:

• Produced updated distribution maps for the JIC.

• Produced updated map to assist with team assignments for tomorrow.

• Work on verifying LARA's facilities on the Flint Water System and those visited by Water Response Teams.

• Removed Vulnerable Populations web map due to HIPPA concerns.

• Geocoded and incorporating 3690 data records from 1/6, 1/7, 1/8, 1/9, 1/17 from the Office of Genesee County Sheriff and points from 1/17 from Water Response Teams.

DTMB:

• Worked with the department of corrections today to coordinate state assets for continued support of operations tomorrow.

• Worked with logistics to return rented vehicles and consolidate resources.

• Working to secure additional space in Flint State office building for FEMA.

DHHS-CH:

• Coordinating with the DEQ to ensure household testing data is available to the public.

• CHECC remains operational today to field information requests.

DEQ:

• Working with EPA to address issue with chlorine pumping station.

• Activated DEQ ECC to work on long term planning.

• Working to modify laboratory reporting.

• Working to disseminate school sampling data on website.

Local EOC Update:

• Coordinated with Food bank of Eastern Michigan for issuing of Resource Request.

• Coordinating and following up on vehicle demobilization.

• Facilitated rapid response deliveries to special locations.

• Finalizing components of recycling program.

• Received authorization to operate bottle collections for recycling at Fire Station 1 and 5 PODs.

• Initiated activities to plan for inclusion of institution sampling (schools, daycares, nursing homes, etc.) in Genesee County EOC IAP.

• Coordinating volunteer management with Michigan Community Service Commission.

## Incident Response/Recovery Priorities/Objectives

(Objectives are in order of priority with original objective number attached)

1. Ensure all households within impacted community have required resources.

2. Ensure accurate tracking and accounting of all commodities.

3. Gather, analyze, and disseminate GIS data to develop products for future planning.

10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.

3. Improve and maintain the public information strategy and process.

8. Maintain coordination between partner agencies and organizations to include FEMA IMAT and the FMCC

4. Develop a long term public health and services plan.

6. Develop an overview of possible assistance programs.

9. Enhance situational awareness and common operating picture of all activities.

5. Continue to maintain adequate staffing to support operational requirements.

#### Damage Assessment Summary

### Agency Summaries

#### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was expected to be operational in Flint from 8 a.m. to 8 p.m. on Jan. 25.

State agencies at the JIC included the Michigan State Police and Departments of Environmental Quality, Health and Human Services, Agriculture and Rural Development, Transportation, and Military and Veterans Affairs. The Federal Emergency Management Agency, Genesee County Sheriff's Office and American Red Cross were also present.

#### Tasks accomplished:

- Held a media availability at Flint Fire Station No. 8 to provide an update on the activities and mission of the water response teams. Maj. Gen. Gregory Vadnais, Spl/F/Lt. Dave Kaiser, Genesee County Sheriff's Office and the American Red Cross participated in the event. Roughly 10 local, state and national media outlets attended.
- o MSP F/Lt. Dave Kaiser conducted interviews with WNEM-TV 5, ABC 12, and MLive after the briefing. Maj. General Vadnais

conducted a live interview with WNEM-TV 5 during the noon newscast.

- Media hotline staff answered over 10 emails and phone calls ranging from donations to updates about the water response teams.
- Key agency PIOs conducted multiple news interviews throughout the day, including interviews with Michigan Radio, Flint Journal and Detroit News.
- Coordinated with FEMA to arrange a Congressional/Legislative briefing for tomorrow afternoon.
- Created a media monitoring report and looked for information requiring correction; found none.
- Updated internal and general talking points about the ongoing Flint water emergency.
- Continued routing public information materials for approval, including communications from MDE and MDARD.
- JIC is planning to issue the nightly activity news release around 7 p.m.

#### **Agriculture and Rural Development (MDARD)**

Monday, Jan. 25 - Compliance Tracker spreadsheet drafted to be updated daily based on field assessments of food operations in Flint. Once approved, this spreadsheet will be posted on the Flint water website daily. Additional field assessments completed since COB Friday is 41 (3 from the high risk list); and 7 additional water samples were taken. Conference call with animal industry stakeholders being planned. Responded to referrals from the JIC regarding questions about animal health.

#### **American Red Cross (ARC)**

The American Red Cross deployed and supported 11 teams for neighborhood canvassing (Water Response Teams). 33 Event-Based volunteers were included in our teams.

The Volunteer Reception Center (VRC) was in full operation today.

#### **Civil Rights (MDCR)**

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. The Michigan Civil Rights Commission (MCRC) has adopted a resolution to hold hearings on the Flint water crisis starting in the next 30 days; will post/forward a copy of the resolution once it becomes available. Pursued copies of the palm card/door hanger and water sampling instructions in all available languages. Reviewed media coverage of local protests and weekend water delivery/community engagement activities. Addressed concerns received from staff from community and advocates through internal channels.

#### **Community Health (MDCH)**

The CHECC remains activated at a Level 2. Phone bank received a low volume of calls today.

MDHHS leadership and CHECC staff met with federal partners from SAMHSA and CDC/HHS today to discuss technical assistance and federal activities. Michigan's HHS Regional Coordinator will serve as the lead within a Unified Coordination Center that will be stood up within the next couple of days to help streamline information and coordinate activities. An LNO will be located in the CHECC and serve as the liaison between the Unified Coordination Center and MDHHS.

Confirmed with the local health department that the palm cards that have been translated to Arabic will be delivered to Flint's Arab-American Heritage Council.

Participated in tactics meeting and updated ICS Form 204.

Confirmed with FEMA that blood lead testing kits may be an allowable purchase under the "other related necessary resources" within the Emergency Declaration if, and only if, the State and Locals are unable to procure them otherwise. Therefore, MDHHS has proceeded today with fulfilling the LHD order for blood lead testing kits and ancillary supplies.

#### **Corrections (MDOC)**

At this time the MDOC has assumed responsibility for all warehouse operations. The mission is to supply the PODS (Point of Distribution) with water, filters and test kits. Additionally, we will be handling requests to support "rapid response" deliveries as directed for homebound residents and deliveries identified by the Local EOC and SEOC. Lastly, we will also be assisting in returning rented and donated vehicles to their point of origin.

We continue collecting and delivering water test kits from Flint to the DEQ lab in Lansing.

We will continue to fill resource requests and track/monitor all ground resources throughout the week and report the final assets in our daily reports.

The MDOC will have the following resources dedicated to Warehouse Operations for Tuesday, January 26, 2016:

(13) - MDOC employees

(6) - MDOC SAI prisoners w/Corporal – SAI supplying

(2) - Passenger vans w/driver – SMT and RGC supplying

(1)- Regular Cab Pickup w/driver – Regional Maintenance supplying

(1) – F-250 Pickup – Mike Whitford and Lt. Fred Bevins supplying

(5) – Box Trucks w/driver – DRC, WHV (Vehicle Only) and Regional Maintenance supplying

- (1) – 20 Person Shuttle Bus w/driver (Sent to Red Cross Volunteer Sight) – Mike Whitford and Lt. Fred Bevins supplying
- (1) - 53' Refrigerated Semi-Trailer – Mike Whitford and Fleet Supplying
- (3) - Electric Pallet Jacks - Regional Maintenance supplying
- (7) – Hand Pallet Jacks - Regional Maintenance supplying
- (1) – Warehouse Manager - Regional Maintenance supplying
- (1) – Warehouse Security Person w/vehicle – TCF Supplying
- All vehicles drivers have 800 MHz Radio Operability (G EVENT 9)

#### **Education (MDE)**

1. The Michigan Department of Education (MDE) is requesting additional USDA Commodity Foods under the Household Disaster Feeding Distribution program from the United States Department of Agriculture (USDA) Food and Nutrition Service (FNS). These additional foods will be distributed to eligible TEFAP (The Emergency Food Assistance Program) participants by current distributing agencies within the 16 affected zip codes for the Flint Water Crisis.
2. USDA approved the request from the Michigan Department of Education (MDE) submitted on January 21, 2016, seeking additional federal funds in the amount of \$62,700 for immediate expansion of the Fresh Fruit and Vegetable Program (FFVP) in Flint, Michigan.
3. Michigan School for the Deaf report that Lieutenant Governor visit went very well. No issues reported.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

Coordinated GIS support staff from DNR and EMHSD. ARC GIS accounts to be established for support staff, DEQ Director, DEQ EMC and DEQ SEOC Representatives to view all available data.

Requested modification to iPad application utilized by volunteer plumbers who are assisting residents with water filter installation to allow for capturing the water service line type.

Activation of the department emergency coordination center and establishment of SharePoint site.

Requested IT support for modification of laboratory Crystal Reports this has been fulfilled by DTMB.

*Forwarded Holmes STEM Academy, Doyle Ryder Elementary and Potter Elementary Reports to SEOC PIO for posting to website.*

#### **Human Services (MDHS)**

MDHHS Budget provided break down of funds expensed through 01/25/16 on the Flint Water Project.

Conferencing with 211 about their concerns, their ability to cover surges of calls, and a standardized form for rapid response deliveries.

CHECC continues to maintain a Level 2 Activation

#### **Licensing and Regulatory Affairs (LARA)**

-Updated the LARA Executive Team

-Re-assigned translation of water analysis request forms to DTMB; they have a resource that can provide translation of documents with 24 hour turnaround.

-Finalizing Health Care Facility survey information and comparison.

#### **Military and Veterans Affairs (DMVA)**

1. DTG: 2516002016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: 1LT Roland, John G. Cell:                      Email: john.g.roland2.mil@mail.mil

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

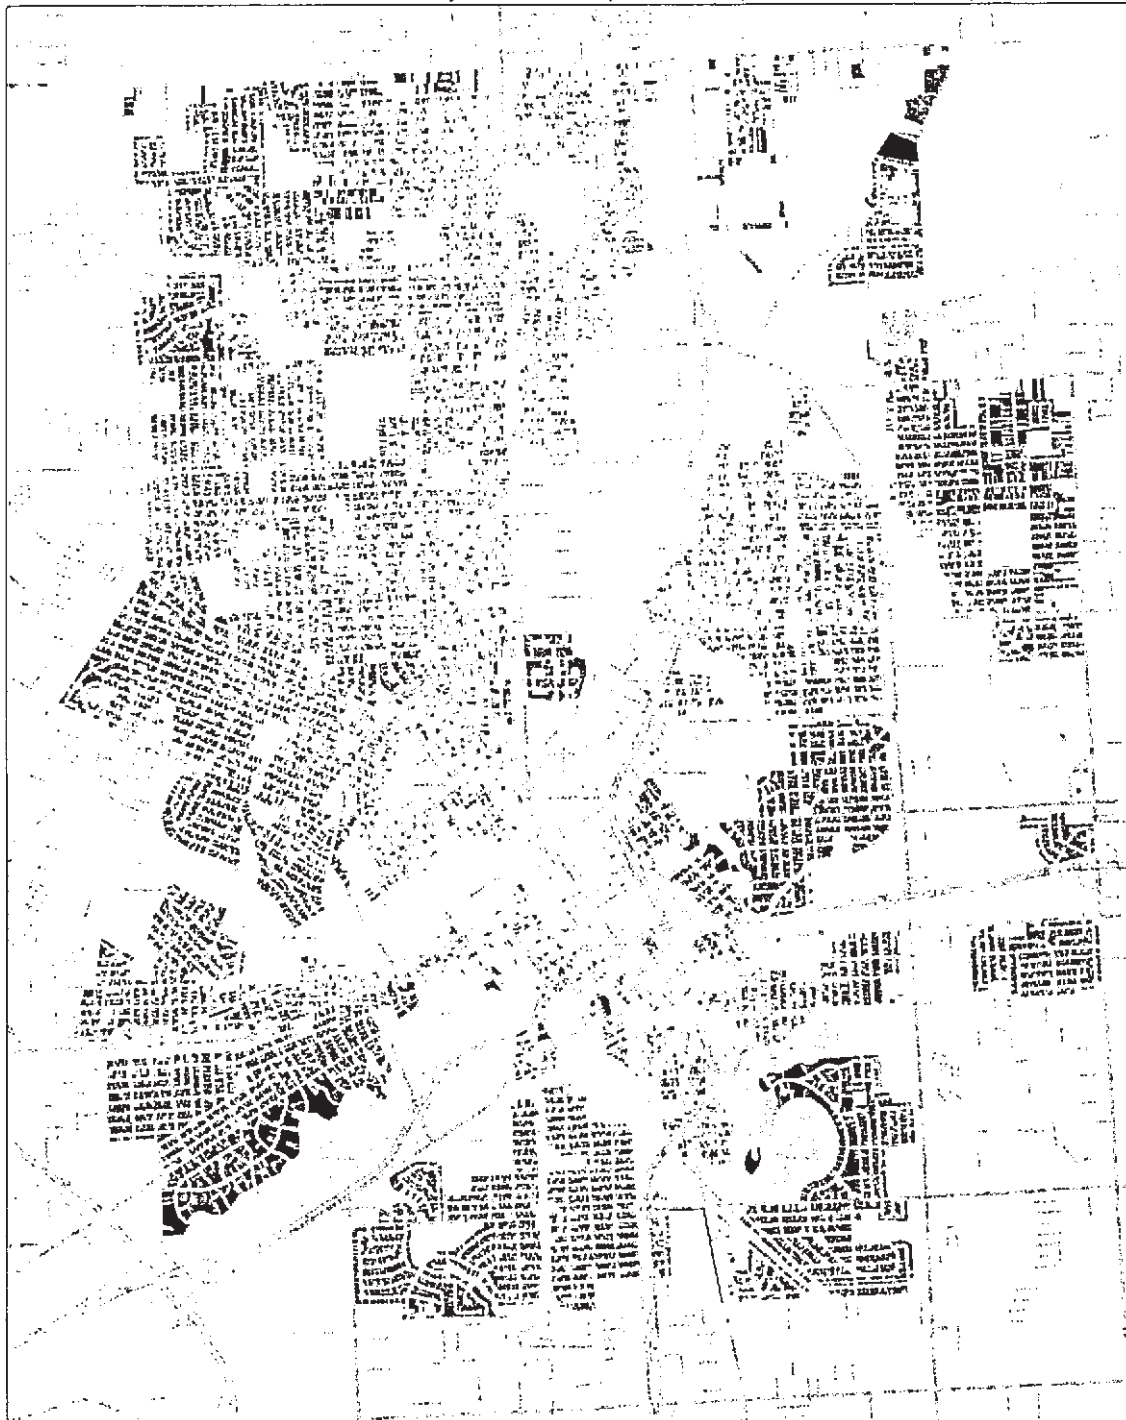

5. SITUATION OVERVIEW: 1-125 IN has 65 Soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has 65 Soldiers on ground supporting the mission.

7. OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.

8. PERSONNEL:     Soldiers are currently assigned to the POD operations     Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.

Residential Parcels Contacted by Flint Water Response Teams (As of 1/25/2016 at 1700)

Michigan State Police  
Emergency Management and  
Homeland Security Division

Subject: Flint Status Update

All,

As of January 21, Rich Baird has assumed the Lead Point of Contact role for Flint. This has been communicated to the existing team working on the Flint water emergency. As of today, an office has been opened in the State of Michigan building located at 125 Union Street in downtown Flint. In addition to the individual team members listed below, a representative from DEQ, DHHS and the Department of Civil Rights will join Rich's team.

Per Rich, here is a list of the "Mission Flint" team and a summary of roles and responsibilities:

LG Calley—Will establish an office in Flint and provide input to POC Leader. He will also be focused on sustaining a quality partnership with Dr. Mona Hanna-Attisha and DHHS to attest to blood sampling protocols and interpretation, and begin executing additional monitoring/education and remediation for those impacted. He will also provide input and guidance to the EO communications team on ways to be more proactive with messaging and the public narrative (drawing attention to volunteers, community groups, and stories that are happening but not getting into the narrative).

Harvey Hollins—Harvey will continue (with R. Baird) to nurture a quality partnership with Mayor Weaver and her team, pastor groups, and provide grass roots community leadership so that we can stay acutely attuned to the needs of the Flint Community and bring resources to bear. Harvey will also serve as the co-facilitator for the FWIACC with the first meeting occurring on January 27.

Bill Nowling—Bill will step back from the role he is playing as Crisis Leader for Communications Department. Meegan Holland will work closely with LG Calley to improve (department wide) proactive efforts in messaging and narrative. Bill will approve all communications from our Flint Team. He will coordinate the Mercury team communications engagement and engage with Mark Davidoff and the Deloitte team to provide more support to Mayor Weaver (through his associate Ms. Cockrell).

Tori Sachs—Tori will continue playing a "utility" role on a variety of fronts, including supporting the philanthropic campaign, eliciting University engagement (Community Scholars, etc.), monitoring vendors and follow up with third party validation groups, assisting with messaging and volunteer deployment, and supporting Col. Greg Durkac in tracking our critical matters and decisions organization framework.

Colonel Greg Durkac—SME for project management, logistics, and organizational frameworks for critical matters and decisions. He lives in Linden (just outside Flint) and is deferring his retirement for this assignment.

Captain Chris Kelenske--As Chris winds down from Phase 1 Emergency Stabilization, it is important he remain engaged as a spokesperson, coordination expert, and leveraging his expertise as we continue a different model of community outreach (testing, monitoring, engaging resources, etc.). He will also work with Harvey on the FWIACC and in continued community outreach.

Nat Forstner/Ben Geiger— Will take the lead on data collection, analytics, comparative interpretation and

communication to Governor Snyder and principals. Need more benchmarking and historical data not just from Michigan but around the country.

Others who have agreed to engage as appropriate are Mike Finney (community outreach), Nick Khouri (treasury support and financing), Chris Rizik (Entrepreneurial recruitment and identification of venture capital/other capital) Peter Remington (Philanthropic and Campaign Strategy) and Matt Rizik (Intergovernmental relations City/County).

Clearly there will many more connection points as represented in the FWIACC but the above represent a type of "executive committee" to lead us into Phase 2 and 3 of "Mission Flint".

Please feel free to reach out to me, Rich or Jarrod if you have any questions or suggestions.

Thanks,

Beth

Governor Rick Snyder  
**REINVENTING MICHIGAN**  
Getting It Right. Getting It Done.

### In the News

Tuesday, January 26, 2016

[NEWS \(Click the link to read the full article\)](#)

#### GOV's ACTIVITIES

##### *Flint water*

[Governor Snyder answers questions about Flint water crisis \(WDIV\)](#)

Governor Rick Snyder sat down with Local 4 on Monday to answer questions you have. The Defenders have been flooded with questions and comments about the water crisis in Flint. Now we're getting answers directly from the governor.

[Flint water task force wants to question Gov. Snyder before issuing final report \(Mlive\)](#)

A task force on Flint water wants to ask Gov. Rick Snyder some questions before issuing its final report next month and the governor says he's ready to answer. Chris DeWitt, a spokesman for the group, said details of the meeting are being worked out with Snyder's office in advance of a final report that's expected to be issued by the end of February.

[Subpoenas Served to Governor Snyder and MDEQ in Flint class action suit \(Michigan Radio\)](#)

The legal team representing one of the class action lawsuits stemming from the Flint water crisis served subpoenas for records today on Governor Snyder, the Governor's Office and the Michigan Department of Environmental Quality (MDEQ).

[State civil rights panel plans to hold Flint hearings \(Detroit News\)](#)

The Michigan Civil Rights Commission voted Monday to conduct a series of public hearings on whether racial discrimination contributed to Flint's contaminated water. The commission, created under the state constitution and appointed by the governor, unanimously adopted a resolution to convene at least three public meetings on Flint water, including one within 30 days. Dates have not yet been finalized.

##### *State of the State*

[Snyder mentions NMU program during State of the State address \(TV 6 UP\)](#)

During Governor Snyder's State of the State address, he gave a shout out to a group of students and leaders of Invent@NMU. Invent@NMU helps students, community members and start-ups turn inventions or product ideas into reality. This program offers opportunities that Snyder says should be "part of our DNA in this state."

#### FLINT WATER

[Expert: Flint's lead test results show improvement \(Detroit News\)](#)

Water samples taken from Flint homes in recent weeks indicate the city's water quality is improving, an expert said Monday, but state officials don't want residents to abandon bottled water and filters.

#### Ex-prosecutor to lead investigation into Flint water (AP)

A former prosecutor and a retired head of the Detroit FBI will play key roles in an investigation into Flint's water crisis as part of an effort to seek answers and prevent potential conflicts of interest in the ongoing probe, Michigan's attorney general announced Monday.

#### Former Detroit FBI chief to assist Flint water probe (Freep)

he team Michigan Attorney General Bill Schuette appointed to lead his investigation of the lead contamination of Flint drinking water vowed Monday to turn over every stone in determining whether state laws were broken in the lead-up to the public health crisis.

### **DETROIT**

#### 'Illegal' teacher strikes common in Michigan long before Detroit Public Schools sick-outs (MLive)

The year was 1979 and Michigan classrooms in more than 25 districts were empty.

#### Cass Tech students walk out to support teachers (Detroit News)

Detroit Public School teachers, students and other supporters rallied Monday in support of instructors who have staged repeated sickouts to protest poor building conditions and other problems in the state's largest school district.

#### City of Detroit releases DPS inspections reports, requirements moving forward (WDIV)

The city of Detroit has released the results of recent inspections conducted at Detroit Public Schools (DPS) buildings.

#### Grant program invests in Detroit neighborhoods (Detroit News)

Development projects in two neighborhood districts, a bridal boutique co-owned by a reality television star, and trade school specializing in fashion and film, were among the recipients of \$500,000 in grants in the second round of Detroit's Motor City Match program.

#### City finds heat, electric issues, rodents at DPS sites (Detroit News)

Mold and rodent abatement, and heating and electrical repairs are among the corrective actions being ordered for several ailing Detroit Public Schools buildings, according to inspection documents released Monday.

#### Judge refuses to issue order ending Detroit teacher sick-outs, sets another hearing (MLive)

A Michigan Court of Claims judge on Monday refused to issue an immediate order barring Detroit Public Schools teachers from conducting "sick-out" protests that have intermittently forced schools to close.

#### Judge denies order to stop Detroit teacher 'sick-outs' (AP)

A Detroit judge has again denied a temporary restraining order requested by the city's school district that would force teachers to stop skipping school. The judge said Monday there's no proof the union or individual activists are behind the teacher absences, called sick-outs.

#### Students plan walk out in support of Detroit teachers (Fox 2)

Students at several Detroit Public Schools have threatened to walkout in support of teachers on Monday. FOX 2 has learned that students at three different schools are planning to walk out of class Monday in support of their teachers who have been protesting the conditions of classrooms for several weeks.

#### Several Michigan schools close due to social media threats (Michigan Radio)

Several schools around the state closed Monday in response to threats made on social media over the weekend.

#### Social media threats shut down schools in metro Detroit (Freep)

Classes were canceled Monday at a handful of schools across metro Detroit after districts received threats that were posted on social media today and over the weekend.

Are Detroit's sick-outs legal? School district takes teachers to court (Christian Science Monitor)

Detroit teachers on Monday plan to rally outside a courthouse where a judge is set to hear a case that could force them to stop skipping class to protest working conditions in the city's public schools.

Mayor puts the brakes on elections billboard contract (Detroit News)

Detroit Mayor Mike Duggan is putting the brakes on a controversial campaign to spend nearly \$1 million reminding residents to vote.

Duggan appoints 3 new members to city water commission (Detroit News)

Mayor Mike Duggan Monday said he has appointed three new members to the Detroit Water and Sewerage Department's Board of Water Commissioners.

Detroit Public Schools' executives are still among the highest paid in the country (WXYZ)

Last year, in his first budget address as emergency manager for the Detroit Public Schools, Darnell Earley hit a familiar note.

## DEPARTMENTS

### *Attorney General*

Michigan Attorney General Picks Investigator for Flint Water Case (New York Times)

The attorney general of Michigan said Monday that a former county prosecutor would lead his office's investigation into the water crisis in Flint, where a 2014 switch of the city's drinking water source led to contamination and widespread health concerns.

Local Circuit Court judge to resign from bench, join AG's office (LSJ)

8th Circuit Court Judge David Hoort will step down from the bench next month. Hoort is resigning to accept a position in the Michigan Attorney General's Office. He will work as an attorney in the Civil Litigation, Employment and Elections Division.

AG creates 'conflict wall' in Flint water probe (CNN)

Michigan Attorney General Bill Schuette announced Monday he is appointing an ex-prosecutor and Detroit's former FBI chief to join the investigation into Flint's water crisis, creating a "conflict wall" between the state's probe and the lawsuits targeting the state.

Flint Water Crisis: Investigation Will Be 'Exhaustive, Independent' Says Attorney General (ABC News)

Michigan Attorney General Bill Schuette announced two new leaders of the investigation into the ongoing Flint water crisis.

Water Bills in Poisoned Flint an 'Outrage,' Attorney General Says (NBC News)

Michigan's top prosecutor said Monday that it's an "outrage" that residents of Flint are being forced to pay for water that's unsafe to drink — and his office may take action to stop the billing.

### *MDOT*

Decision on I-375 delayed indefinitely (Freep)

A recommendation on what to do with Detroit's aging I-375 expressway, originally expected more than a year ago, has now been delayed indefinitely.

### *DHHS*

Reminders for women to stay on top of their health during Cervical Health Awareness month (FOX 28)

The Michigan Department of Health and Human Services reminds women to improve their health by staying current on their cervical cancer screening, in recognition of January as Cervical Cancer Awareness Month.

#### *DEQ*

Harsens Island bridge plan resurrected (Times Herald)

Efforts to build a bridge to Harsens Island are moving forward. The Detroit International Bridge Company has applied for a permit from the Michigan Department of Environmental Quality to build a 1,750-foot bascule bridge across the North Channel of the St. Clair River.

#### *Supreme Court*

High Court gives Michigan teen lifers 2nd chance (Detroit News)

More than 1,000 prison inmates, some behind bars more than 50 years for murders they committed as teenagers, will get a chance to seek their freedom under a Supreme Court decision announced Monday.

The Supreme Court just gave juvenile lifers a shot at parole (MLive)

Nearly 350 prisoners in Michigan serving mandatory life sentences for murder or other violent acts committed as minors could now be eligible for parole under an opinion handed down Monday by the U.S. Supreme Court.

#### *MSHDA*

Metro Detroit housing projects earn federal tax credits (Detroit News)

Six projects in Metro Detroit are among those across the state receiving some of more than \$11.7 million in low-income housing tax credits, Michigan State Housing Development Authority officials announced Monday.

#### *MEDC*

2015 'best year ever' for tourism in West Michigan (WZZM)

The year 2015 was a record-breaking year for tourism across West Michigan, which means more money into the local economy.

#### **LEGISLATIVE**

Michigan Lawmakers Join 15 Other States Introducing Privacy Legislation (MPRN-Lansing)

A bipartisan group of state lawmakers hopes to send privacy protection legislation to Gov. Rick Snyder's desk this year.

Michigan lawmakers jump in to help National Guard in Flint (WLNS)

Lawmakers had their boots on the ground to join the troops in Flint Monday. "We're to help and observe. See what the needs are on the ground. That's why we're here. That's the only way you know what's going on is by going door to door and hear from the people of Flint what's going on," said Rep. Holly Hughes (R), Montague.

Disgraced Former Detroit Mayor Says Michigan Lawmakers Have Long Known About Flint Water Crisis (Huffington Post)

In a letter reportedly written from federal prison, disgraced former Detroit mayor Kwame Kilpatrick claims Michigan officials have known about contamination in Flint's water supply for much longer than they're letting on.

Former Representative Cindy Gamrat launches new website against surveillance abuse (WWMT)

Former State Representative Cindy Gamrat has launched a new website to help people suffering from surveillance abuse.

#### **OPINION**

Editorial: Don't pay for dirty Flint water (Detroit News)

Flint city leaders continue to bill residents for water service, including bills for past service of contaminated water. But residents shouldn't be on the hook for water they can't use.

Let DPS families choose schools (Detroit News)

The plans proposed to date to address Detroit's public school crisis are too expensive and insufficient to the task of eliminating debt while elevating the education prospects of the city's 46,000 public school kids. For a city that has seen the Detroit Three become vital again through re-invention, it's sad that Motor City perseverance has yet to pervade the education sector.

Jacques: More school choice would help Detroit (Detroit News)

This is National School Choice Week, and it's an awareness campaign of the variety of choices parents should have regarding where to send their children to school.

Thompson: Independent probe needed in Flint (Detroit News)

It is hard to predict what Michigan Attorney General Bill Schuette will do next, having staged one news conference after another and making carefully calculated announcements regarding Flint's water crisis.

Editorial: High court does what Michigan failed to do (Detroit Free Press)

Here's what we know about young people's brains. We know they aren't fully formed until well after the legal age of adulthood, at least as far as judgment is concerned.

Susan J. Demas: Flint water crisis could propel Kildee to run for governor in 2018 (MLive)

He's a gravelly-voiced guy from Flint, a place nobody spent much time thinking about until last month.

End disasters in Detroit schools, Flint by ending emergency management (MLive)

When is enough really enough? Gov. Rick Snyder, through appointment of emergency managers, primarily in communities of color, continues to extend an oppressive form of governance that takes away local control and power from Michigan residents.

The Flint disaster is Rick Snyder's fault (Washington Post)

But the Flint disaster, three years in the making, is not a failure of government generally. It's the failure of a specific governing philosophy: Snyder's belief that government works better if run more like a business.

**FOR IMMEDIATE RELEASE**  
Tuesday, Jan. 26, 2016

517-335-6397

# **Gov. Rick Snyder: State to request additional medical services for Flint residents under age 21**

*Request would boost coverage for children affected by  
lead exposure*

LANSING, Mich. — All Flint residents under age 21 would receive additional healthcare services to address potential problems brought on from exposure to lead, under a request to be sent to the federal government by Gov. Rick Snyder.

"We're focused on protecting the health and welfare of Flint residents, especially children and young adults who might have been exposed to lead," Snyder said. "We want to make sure comprehensive medical care services are available, and we hope the federal government will partner in our efforts."

The request will include:

- Expanded Medicaid eligibility for all residents in the impacted areas up to age 21, regardless of income level. The request would also include the expansion of Medicaid coverage for people already enrolled in

other forms of insurance to ensure comprehensive benefits are available to children who may have come into contact with lead in the water.

- Additional, community-based resources to ensure all children, regardless of health insurance coverage, have access to comprehensive medical treatment. This will include physical and behavioral health treatment in addition to long-term health care services.
- Federal Medicaid match for lead abatement activities in impacted areas. Because of the number of children enrolled in Medicaid in the impacted area, lead-abatement programs would help minimize and/or prevent any long term adverse health problems associated with lead exposure.

These are efforts that will supplement state-supported health and well-being programs that are already in place to help people in Flint and across the state.

The formal request will be submitted soon by the Michigan Department of Health and Human Services to the U.S. Department of Health and Human Services.

For updates on Flint water, please visit [www.mi.gov/flintwater](http://www.mi.gov/flintwater).

For more information on how to help Flint residents, visit [www.helpforflint.com](http://www.helpforflint.com).

**Subject:** Tuesday Jan. 26 update from the Flint Water Response Team

# FLINT WATER RESPONSE TEAM

UPDATE | TUESDAY, JANUARY 26, 2016

This daily update is being issued in order to provide the latest information regarding actions and available resources.

Governor Snyder announced today that the state of Michigan will request through the federal government additional healthcare services for all Flint residents under the age of 21.

The request will be submitted by the Michigan Department of Health and Human Services to the U.S. Department of Health and Human Services and will include:

- Expanded Medicaid eligibility for all residents in the impacted areas up to age 21, regardless of income level.
- Additional, community-based resources to ensure all children, regardless of health insurance coverage, have access to comprehensive medical treatment. This will include physical and behavioral health treatment in addition to long-term health care services.
- Federal Medicaid match for lead abatement activities in impacted areas. Because of the number of children enrolled in Medicaid in the impacted area, lead-abatement programs would help minimize and/or prevent any long term adverse health problems associated with lead exposure.

**[Click here to learn more about the state's request.](#)**

Since January 9, our water resource teams have been delivering critical clean water resources:

- 176,118 cases of bottled water
- 93,048 filters
- 198,552 filter cartridges
- 29,320 water testing kits

## REMINDERS

- For Flint water assistance: Dial 211 or visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)
- To donate or volunteer: visit [www.HelpForFlint.com](http://www.HelpForFlint.com)
- Residents should install filters to their taps to ensure they have immediate and ongoing access to safe water. Only run cold water through the water filter and use filtered water for drinking and cooking. Monitor the cartridge on the filter and replace as needed.

## WATER RESOURCE LOCATIONS

These sites are open seven days a week from 9 a.m. to 9 p.m. with the following resources:

- Bottled water
- Water filters
- Replacement cartridges for water filters
- Water testing kits pick-up
- Drop-off location for water testing kits

Fire Station #1  
310 East 5th St.  
Flint, MI 48502

Fire Station #3  
1525 Martin Luther King Ave.  
Flint, MI 48503

Fire Station #5  
3402 Western Rd.  
Flint, MI 48506

Fire Station #6  
716 West Pierson Rd.  
Flint, MI 48505

Fire Station #8  
202 East Atherton Rd.  
Flint, MI 48507

We will continue to work to improve the water situation in Flint. Community members and local officials are working together to make sure we hear and respond to concerns. Governor Snyder will continue to keep you updated on the latest news and information. **If you don't find the resources you need by dialing 211 please call the Governor's office directly at 517-335-7858.**

### Flint Water Discussion Points Updated Jan. 26

#### Current Issues Talking Points

##### Medicaid/Federal Asks

- Governor Snyder today announced that a request will be sent to the federal government that asks for all Flint residents under age 21 to receive additional healthcare services to address potential problems brought on from exposure to lead.
- We want to make sure comprehensive medical care services are available, and we hope the federal government will partner in our efforts.
- Request will include:
  - Expanded Medicaid eligibility for all residents in the impacted areas up to age 21, regardless of income level.
  - Lead-abatement programs to help minimize and/or prevent any long term adverse health problems associated with lead exposure.
  - Additional, community-based resources to ensure all children, regardless of health insurance coverage, have access to comprehensive medical treatment.

##### House passage of the \$28 million supplemental bill (unanimous vote)

- The supplemental request includes short-term funding to address immediate needs in the city, including bottled water, filters and testing kits.
  - The supplemental request will also include funds to address the most critical needs of Flint residents.
  - The Governor has asked to completely re-open the budget proposal the administration has been working on since last fall to assess all of the resources available to provide long-term support for the health of Flint residents.
- The health and safety of Flint residents remains a top priority. The Governor has worked closely with the Legislature to encourage quick passage of the supplemental to encourage immediate action.
- We look forward to the Senate taking action on this bill this week.

### **General High-level talking points**

- There are people in the state of Michigan that can't drink their water, and that is unacceptable to all of us. As Governor, Rick Snyder has taken responsibility, taken emergency response measures and is committed to *dedicate all the resources needed to make this right for the people of Flint.*
- The top priority for Governor Snyder and his administration is ensuring every Flint resident has access to clean, safe drinking water. We are committed to providing affected children and families access to medical and educational resources to ensure long-term care and treatment.
- The Flint water crisis has been a systemic failure of government at all levels: from the city of Flint, the state of Michigan, the civil servant scientists and the U.S. Environmental Protection Agency (EPA).
- The Governor has held himself and his government accountable. The Governor replaced the leadership of Michigan Department of Environmental Quality (MDEQ) and has taken disciplinary measures on the staff and civil servant scientists responsible for the crisis. Actions have been taken to ensure a new and capable team is overseeing Flint water and creating a department culture focused on the health and safety of Michigan residents. Two DEQ officials involved in the testing of Flint water have been suspended pending an investigation, in accordance with civil service rules.
- The Governor has asked to completely re-open the budget proposal the administration has been working on *since last fall to assess all of the resources available to provide long-term support to the health of Flint residents.* In addition, the supplemental budget request will provide funds to the city to help alleviate the need for utility shutoffs.
- Governor Snyder and his administration are committed to working in partnership with Flint Mayor Karen Weaver, independent experts, and the federal government to ensure both short-term and long-term solutions.

### **Resources distributed (as of 1/25/2016):**

- 176,118 cases of water
- 93,048 filters
- 29,320 testing kits
- 198,552 filter cartridges

**Homes visited by Flint Water Response Teams (as of 1/24/16): 37,844**

### **AT A GLANCE: Flint Action Timeline: For the 2006 – Jan. 16, 2016 Timeline click here**

- **Sept. 28, 2015:** For the first time, DEQ and DHHS directors briefed the governor on the potential scope and magnitude of the lead issue. They begin discussion on what actions should be taken if the concerns raised by outside researchers were to be verified.
- **Oct. 1, 2015:** DHHS director informed the governor that his epidemiologists reviewed the data and confirmed Dr. Mona Hanna-Attisha's conclusions that blood lead levels in children were elevated – due to an association with lead contaminated water in certain ZIP codes.
- **October 2, 2015:** Governor releases 10-point Plan to address water systems, designates \$1 million for water filters and anticorrosion treatment. This action was taken with 24 hours of DHHS confirmation that there was lead present in Flint's drinking water. The 10-Point Plan is available here.
- **Oct. 8, 2015:** Governor announces plan to reconnect to Detroit water.
- **Oct. 15, 2015:** Governor signs supplemental appropriation with \$9.35 million to assist Flint in reconnecting to DWSD. Mott Foundation contributed \$4 million and Flint \$2 million. Flint officially reconnects to Detroit water system the following day, October 16.

For October 15, 2015 – January 16, 2016 [click here](#)

- **January 19, 2016:** Governor gives State of the State Address. Focuses on Flint response, short-term and long-term solutions.
- **January 20, 2016:** Governor releases all Flint emails sent and received on Flint between January 2014 and December 2015.
- **January 20, 2016:** Governor appeals denial of federal major disaster declaration for Flint. House of Representatives passes \$28 million supplemental bill to support Flint.
- **January 22, 2016:** Two DEQ officials involved in Flint water testing are suspended pending an investigation, in accordance with Civil Service rules.
- **January 22, 2016:** Executive power to appoint city administrator and all department heads is returned to Flint Mayor via resolution approved by Flint RTAB and Treasurer Khouri.
- **January 22, 2016:** Governor announces he will seek additional federal aid to help Flint residents despite rejected appeal. Will request resources under the *Individual Households Program* which provides housing assistance, personal property replacement and emergency protective measure funding. This announcement followed the President's denial of the major disaster declaration appeal.

## Flint Water Discussion Points

Updated Jan. 26

### Current Issues Talking Points

#### Medicaid/Federal Asks

- Governor Snyder today announced that a request will be sent to the federal government that asks for all Flint residents under age 21 to receive additional healthcare services to address potential problems brought on from exposure to lead.
- We want to make sure comprehensive medical care services are available, and we hope the federal government will partner in our efforts.
- Request will include:

### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

#### Update 1/26/16 – 22<sup>th</sup> Day (21<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

##### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Validate all data from the WRTs/PODs and identify focus areas.

##### Attached Documents:

- Sit Rep # 21
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first one indicates based upon the outreach that has been conducted, which parcels have had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

##### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
- Press conference to be held in Flint with the Governor, Mayor and some state agency personnel.

##### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- We have taken a significant number of paper records from the ARC WRTs so we can get the data entered into our system. MSP HQ staff has been pulled to the SEOC for data entry. These are a portion of the records the ARC had as

they were not using the door to door App as directed. This data will further clarify areas covered/not covered by any teams.

- The WRTs are going to "targeted" locations where we are showing residences not contacted.
- We are working on identifying any multi-unit housing to ensure all have filters (e.g. apartment buildings). Some have been taken care of but we are ensuring these locations are not missed.
- Information reported to the JIC:
  - As of 1/26/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Canvass MissionTotal	Targeted Canvassing Mission 1/26/2016
30,770	37,844	3,946	1,350.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	186,309
b. Filters	94,301
c. Filter cartridges	199,489
d. Test kits	29,841

3. Total number of customers on the Flint water system

- a. 29,994 current water system subscribers
- b. ~45,000 hookups (This is our high end target #)
- c. ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased\*:

- a. Cases of water 146,142 (additional 26,834 donated to the state warehouse and does not include other locations like GCCARD/Food Banks, Churches, etc.)
- b. Filters 154,052
- c. Filter Cartridges 299,508
- d. Test kits 62,701

5. Teams going out tomorrow:

- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

Standing Information Requirements

1. Number of homes visited each day:

- a. 1/26/16, as of 5 pm, 1,350 homes were visited today.

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 3,946

3. Total number of National Guard on the ground:

- a.
  - i. Number in PODs:
  - ii. Command Cell:
  - iii. Cyber Mission

4. Total Number of Volunteers each day:

- a. 98 volunteers for 1/26/2016.

5. \*Number of homes with filters:

- a. 18,487 homes had filters, per entered GIS data as of 1/25/2016.

6. Number of Water filters distributed (each day and to date):

- a. 1,091 were distributed on 1/26/2016, and total distributed to date is 94,301.

7. **Cases of Bottle water distributed (each day and to date):**
  - a. 7,862 were distributed on 1/26/2016, and total distributed to date is 186,309.
8. **Number of testing kits distributed (each day and to date):**
  - a. 403 were distributed on 1/26/2016, and total distributed to date is 29,841.
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Per CHECC: People tested for lead 10/1/2015 to 1/8/2016: 2,642;  
\*this data is updated bi-monthly
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Per CHECC:
    - i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 28
    - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
    - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 15
\*this data is updated bi-monthly
11. **Number of homes with safe drinking water:**
  - a. 1,099 homes, per data from September 3, 2015 to January 22, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.  
\*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number  
– Phase II questions were developed to help clean this up.

#### Local EOC

- Delivered iPads to warehouse and provided on-site training to drivers, followed with written instructions.
- Facilitated recycling planning meeting and planned for implementation of the program.
- Attended local "Pastors and Police" meeting to coordinate water distribution plan with faith-based organizations
- Planning for a transition of operational control to local level.
- Coordinated the incoming donations of water and filters through the Michigan Community Service Commission.
- Coordinated volunteer management with Michigan Community Service Commission, ARC and other VOADS.

Chris

#### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

#### Update 1/25/16 – 21<sup>th</sup> Day (20<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Validate all data from the WRTs/PODs and identify focus areas

##### Attached Documents:

- Sit Rep # 20
- Michigan Department of Health and Human Services Situation Report for January 20, 2016
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first map indicates based upon the outreach that has been conducted, which parcels have had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.

- The second map indicates the status of residents that have or have not received a filter.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).

#### Items to Note

- 11 ARC Flint Water Response Teams to the field today.
- 8 EPA PIOs will be in the JIC tomorrow. The JIC is unaware of the role or expectations at this time.
- Reference the rash I discussed on the call tonight:
  - There was one specific complaint about rashes that Community Health personnel plan on working with ATSTD/CDC. DEQ is requesting that EPA collect all appropriate water samples to enable a full analysis of the water at the address (an apartment) for bacterial contamination, and a full metals and organics panel. Lead is not associated with skin rashes, but other contaminants are and DEQ wants to find out what, if any, other contaminants are in the water.
  - It was also discussed that it would be ideal if Community Health can forward to the EPA the other addresses and contact information for which they've received complaints of rashes, so that EPA could also test there for appropriate parameters to see if we can identify a cause.
  - SEOC DEQ desk will continue to monitor and work this issue.
- SEOC OPS, Health, MDEQ SEOC, Logistics participated in conference calls with the Governor's office and private partners on potential alternative filtration systems for schools, daycares, etc.
- Created a form for drivers to track rapid response deliveries.
- Media avail at fire station 8 this morning received positive news coverage.
- The NAACP is holding a public meeting at U of M Flint on Tuesday.
- Rachel Maddow will hold a town hall meeting on Wednesday. MSP Third District Commander advised.
- Developed new Incident Action Plan (#7 published in MICIMS) and ICS 204s for the new operational period (1/26/2015-2/2/2016).
- MDOC assumed all warehousing responsibilities today.
- Reviewed state agency financial information received for update to current spend plan.
- Information reported to the JIC:
  - As of 1/25/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

#### 1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Canvassing Mission 1/25/2016
30,770	37,844	2,596 – ARC*

\*American Red Cross data has not been entered in the app, but is currently being caught up. Starting January 26, 2016, the American Red Cross has been instructed that iPads must be used in the field for data entry in order to clearly capture the homes that have filters.

#### 2. Distributed:

Commodity	Total to Date
a. Number of cases of water	176,118
b. Filters	93,048
c. Filter cartridges	198,552
d. Test kits	29,320

#### 3. Total number of customers on the Flint water system

- a. 29,994 current water system subscribers

- b. ~45,000 hookups (This is our high end target #)
  - c. ~39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased\*:
- a. Cases of water 141,982 (additional 24,634 donated)
  - b. Filters 124,052
  - c. Filter Cartridges 285,586
  - d. Test kits 62,701
- \* Numbers have not been updated due to the following circumstances:
- Outstanding donations and inventory at the warehouse which has not been reported to the SEOC. Staff in the SEOC is working with donations management and warehouse to reconcile numbers.
  - Outstanding data from GCCARD on deliveries from 1/8-1/12. Staff in the SEOC and local EOC is working with GCCARD to obtain data.
  - At the beginning of tracking the planning factor used was 72 cases of water per pallet and 22 pallets per semi-truck. Per bill of lading received from the warehouse today, it has been identified that this assumption is not correct. Staff is working to reconcile numbers.
5. Teams going out tomorrow:
- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

#### Standing Information Requirements

1. **Number of homes visited each day:**
  - a. 1/25/16, as of 5 pm, 2,596 homes were visited today.
2. **Total number of homes visited:**
  - a. Phase II: 37,844
  - b. Targeted Canvassing Mission: 2,596
3. **Total number of National Guard on the ground:**
  - a.
    - i. Number in PODs:
    - ii. Command and Control Staff for NG Personnel:
4. **Total Number of Volunteers each day:**
  - a. 135 volunteers for 1/25/2016.
5. **\*Number of homes with filters:**
  - a. 17,595 homes had filters, per entered GIS data as of 1/22/2016.
6. **Number of Water filters distributed (each day and to date):**
  - a. 1,151 were distributed on 1/25/2016, and total distributed to date is 93,048.
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 9,514 were distributed on 1/25/2016, and total distributed to date is 176,118.
8. **Number of testing kits distributed (each day and to date):**
  - a. 478 were distributed on 1/25/2016, and total distributed to date is 29,320.
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Per CHECC: People tested for lead 10/1/2015 to 1/8/2016: **2,642**;
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Per CHECC:
    - i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: **28**
    - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: **7**
    - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: **15**
11. **Number of homes with safe drinking water:**
  - a. 1099 homes, per data from September 3, 2015 to January 22, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

### GIS Information

I have had numerous discussions with GIS staff as to getting our data validated and as close to final as possible. We are tracking 38,144 residential properties within the city (noting large apartment complexes are classified as commercial so they are not a part of this). Of these:

- 34,318 have been engaged by Flint Water Response Teams and PODs (90%) - The remaining 10% is going to be a focus for the teams in the near future
- 23,281 have led to a direct citizen engagement (61%)
- 5,173 were not home during any attempt to visit and have not been recorded as having visited a POD (14%)
- 5,864 of the properties the teams visited were vacant or destroyed (15%)

Additionally, we have been tracking the status of "Active Water Subscribers" from the Flint Department of Public Works. These are residential properties which have meters put on the homes by the city. Of the total 29,994 subscribers citywide, 26,673 have been confirmed as being on residential parcels. Of the 26,673:

- 18,487 Have been confirmed as having received a filter by the Flint Water Response Teams or PODs (69%)
- 3,928 Were not home when visited (15%)
- The remaining 16% we have no data to confirm or deny whether they have a filter

*Of special significance from the water subscriber data is that the old lead maps that we are digitizing from the Flint Water Department contain 993 suspected homes with lead lines in them. Of these only 659 have received a filter.*

*It is significant to note that we are continuing to receive paper forms from the field and processing them. The ARC and volunteers were specifically told to use the App and we provided Ipads but tonight I was told this was not being done by everyone which has caused us some lags in data. This is likely improve the overall numbers as we process historic records (ARC had ~7,000 of these records).*

It cannot be reiterated enough that data is still coming in and we are still actively cleansing it.

### Local EOC

Operations:

- Coordinated with Foodbank of Eastern Michigan for issuing of Resource Request.
- Coordinating and following up on vehicle demobilization.
- Facilitated rapid response deliveries to special locations.
- Finalizing components of recycling program.
- Received authorization to operate bottle collections for recycling at Fire Station 1 and 5 PODs.
- Initiated activities to plan for inclusion of institution sampling (schools, daycares, nursing homes, etc.) in Genesee County EOC IAP.
- Coordinating volunteer management with Michigan Community Service Commission.

Chris

---

### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### **Update 1/24/16 – 20<sup>th</sup> Day (19<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

I have asked state agency SEMCs to archive their SitRep items so you only have current operational period information in the SitRep Agency Summaries. Director Creagh added to daily report.

#### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs).
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

#### Attached Documents:

- Situation Report # 19
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first one indicates based upon the outreach that has been conducted, which parcels have we had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
- WRTs with NG personnel are transitioning out. No field teams. NG will continue to staff the PODs.
- Tony Katarsky will be acting SEOC State Director. Capt. Kelenske not in the SEOC - available by phone (in the Holland MI area).

#### Items to Note

- Deployed National Guard/state/local teams and 19 ARC Flint Water Response Teams to the field today.
- JIC was operational with limited staff out of the SEOC today. Co-located JIC in Flint will be back and operational tomorrow.
- SEOC Logistics worked with MDOC on warehouse management transition.
- Recovery Branch began demobilization of trucks and vans.
- Demobilization of National Guard Water Response Teams will be effective as of Monday, January 25.
- School for the Deaf
  - As of 1/23/16: LARA and DEQ teams on site; water testing complete in school building and LRC dorm. Stevens Hall will be tested when landlord finishes upgrades.
  - As of 1/23/16: all water faucets replaced in Stevens Hall. 3 new drinking fountains on order; expected mid-week. Once fountains are installed, Stevens Hall will be scheduled for water testing.
- SEOC Finance Donations Management team to obtain list of donors and donations for FEMA request.
- SEOC Planning Section worked on burn rate data from FWRT and PODS for FEMA request.
- GIS continued to clean up V2 Dataset (patched approximately 1000 records).
- GIS coordinated with the DEQ to transfer lead service line mapping to their GIS department tomorrow. Wall maps showing known lead service lines based off of geographical locations and zip codes provided for Chief Hagler, SEOC DEQ staff and Director Creagh.
- Out of 37,003 homes visited, 5,660 were not home/did not answer. The number of homes visited is lower than the Phase II number as some duplicate contacts at addresses were eliminated.
- Information reported to the JIC:
  - As of 1/24/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	1/24/2016
30,770	37,844	7,012 National Guard/State/Local 4,132 ARC

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	164,991
b. Filters	91,763
c. Filter cartridges	197,775
d. Test kits	28,763

3. Total number of customers on the Flint water system

- 29,944 current water system subscribers
- ~45,000 hookups (This is our high end target #)
- ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased:

- Cases of water 141,982 (additional 24,634 donated)
- Filters 124,052
- Filter Cartridges 285,586
- Test kits 62,701

5. Teams going out tomorrow:

- 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

Additional Standing Information Requirements

1. Number of homes visited each day:

- 1/24/16, as of 5 pm, 11,144 homes were visited today

2. Total number of homes visited:

- Phase II: 37,844

3. Total number of National Guard on the ground:

- Number in PODs
  - Number on Cyber Mission
  - Number with FWRTs: 100
  - Command and Control Staff for NG Personnel.

4. Total Number of Volunteers each day:

- 315 volunteers for 1/24/2016.

5. \*Number of homes with filters:

- 17,595 homes had filters, per entered GIS data as of 1/22/2016.

6. Number of Water filters distributed (each day and to date):

- 4,920 were distributed on 1/24/2016, and total distributed to date is 91,763.

7. Cases of Bottle water distributed (each day and to date):

- 16,125 were distributed on 1/24/2016, and total distributed to date is 164,991.

8. Number of testing kits distributed (each day and to date):

- 3,177 were distributed on 1/24/2016, and total distributed to date is 28,763.

9. Number of people tested for elevated blood levels (kids, adults, total):

- Unknown at this time, CHECC will begin providing numbers on 1/25/2016.

10. Number of people with elevated blood level (kids, adults, total):

- Unknown at this time, CHECC will begin providing numbers on 1/25/2016.

**11. Number of homes with safe drinking water:**

- a. 577 homes, per data from September 3, 2015 to January 20, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

\*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number – Phase II questions were developed to help clean this up.

Local EOC

Operations:

- Distribution of supplies at five water resource sites in the City of Flint.
- Door-to-door distribution of supplies with 34 water response teams (19 ARC volunteer teams, 15 MSP/GCSO/NG teams).
- Facilitating rapid response deliveries to homebound residents and special locations by three teams staffed by Team Rubicon, and Lt. de Castro (MSP/EMHSD).
- Improved logistics for rapid response teams by providing transportation and iPads starting on 01/25/2016.
- Coordinated with ARC for distribution of additional iPads for data entry.
- Identified alternative warehouse locations for loose donations.
- Directed volunteer requests to appropriate state agencies.
- Started coordination for resource demobilization.
- Coordinated with 22 churches so they had water, filters, etc. Delivered Saturday. Some advised they were set with supplies. Lt. Roach (MSP District Coordinator will maintain contact with Pastors).

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 1/23/16 – 19<sup>th</sup> Day (18<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs

Attached Documents:

- SitRep 18

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Key items for tomorrow to note are:

- 
- We will have 40 ARC, type 5 teams (2-4 personnel).

Items to Note

- Deployed state/local teams and 40 ARC Flint Water Response Teams to the field today.
- Created a media monitoring report and looked for misinformation. A call was made to WILX to amend their article that implied that the State was not distributing water to undocumented immigrants. The news release was also sent to WILX about how the State is not requiring identification to receive water resources.
- SEOC Logistics worked on future resource planning and a local business commodity supply plan.
- Drafted talking points for Monday's press conference with Governor Snyder, Colonel Etue, and the Mayor.
- Put in place a place to control POD distribution as much as possible. SKU numbers are being lined out on commodities to prevent or minimize returns for cash.
- Information reported to the JIC:
  - As of 1/23/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

To Date	1/23/2016
37,943	6,323 National Guard
	7,361 ARC

2. Distributed: Includes outstanding data from yesterday- PODs after 5 pm, ARC worksheets and local EOC hotshots

Commodity	Total to Date
a. Number of cases of water	148,866
b. Filters	86,843
c. Filter cartridges	194,622
d. Test kits	25,586

3. Total number of customers on the Flint water system

- a. 29,944 paying customers
- b. ~45,000 hookups (This is our high end target #)
- c. ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased:

- a. Cases of water 133,662 (additional 24,634 donated)
- b. Filters 115,700
- c. Filter Cartridges 266,200
- d. Test kits 61,161

5. Teams going out tomorrow:

- a. ~~type 5 teams~~
- b. 40 ARC (2-4 folks) type 5 teams---Goal tomorrow 100 homes per team

Local EOC

Operations:

- Worked to identify all vulnerable populations to help streamline Hot Shot/Rapid Response Team process.
- Working on plan for church water distribution and POD locations.
- Looking at possible alternative locations for PODs in difficult traffic areas. The city identified some but they are just as bad as the current ones.
- Working on finalizing a recycling plan for the incident.
- Lt. Roach sent up the church information to Tom Webber. She also received one church site that will act as a potential church mega site.
- SEOC GIS to provide a layer for the vulnerable populations so that Team Rubicon can get to them and track in the iPad.

## New Standing Information Requirements

1. **Number of homes visited each day:**
  - a. 1/23/16, As of 5 pm, 13,684 homes were visited today
2. **Total number of homes visited:**
  - a. 37,943, does include duplicate counts from the second canvassing
3. **Total number of National Guard on the ground:**
  - a. ---
4. **Total Number of Volunteers each day:**
  - a. 310 volunteers for 1/23/2016
5. **Number of homes with filters:**
  - a. 17,595 homes had filters, per entered GIS data as of 1/22/2016,
6. **Number of Water filters distributed (each day and to date):**
  - a. 4,156 were distributed on 1/23/2016, and total distributed to date is 86,843
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 27,462 were distributed on 1/23/2016, and total distributed to date is 148,866
8. **Number of testing kits distributed (each day and to date):**
  - a. 2,171 were distributed on 1/23/2016, and total distributed to date is 25,586
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Unknown at this time until we get the data
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Unknown at this time until we get the data
11. **Number of homes with safe drinking water (Not sure whether it's possible right now to provide this number):**
  - a. Unknown at this time

Chris

---

## **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

### Update 1/22/16 – 18<sup>th</sup> Day (17<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue door to door/Flint Water Response Teams (FWRTs)
- Plan for next phase with MSP and NG personnel
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration
- Work with HHS personnel to ensure they have all items needed for operations

#### Attached Documents:

- SitRep # 17
- Briefing provided to the HHS Undersecretary by FEMA (due to time only finished 75%)

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Key items for tomorrow to note are:

- 40 ARC (2-4 folks) type 5 teams
- Deliveries going out to all churches on our list we have been working with (21) for Sunday services.
- I will not be in the SEOC Saturday. Tony Katarsky will be the acting SEOC state director. I will be available by phone (wrestling meet).
- Sunday, Lt. Mike Johnson will be acting SEOC state director but I may be in for some of the day.
- Monday I am out on a college visit with my son...I will be available by phone and Tony will again be acting.

#### Items to Note

- Deployed state/local teams and 15 ARC Flint Water Response Teams to the field today.
- SEOC Operations worked on getting local contact into the JIC along with developing messaging for resources and donations.
- SEOC Planning worked on the further development of long term strategy.
- Recovery branch continued coordination with Red Cross on volunteers and the Michigan National Guard for Friday and Saturday.
- SEOC logistics worked with FEMA/DHHS on warehouse tracking status/strategy, coordinated resources, and donations management.
- Have had a number of media request concerning resources for immigrants and population less proficient in English. Clarified with a news release that we are not requiring ID but we are asking for addresses to assist with long term recovery. Nobody will be denied resources if they fail to provide us an address.
- Have received numerous inquiries from celebrities on how they can assist and donate.
- We are validating a lot of data but what we have currently is 38,144 parcels in Flint that are not considered "vacant". This does not mean all parcels have a tenant, there are a lot of houses that are empty.
  - 26,673 water subscribers in Flint (not including franchise).
    - Water Subscribers with a Filter = 15,399 (57.7%)
    - Water Subscribers without a Filter = 11,274 (42.2%)
      - With our second pass we are getting more information as to why people do not have a filter. Looking into whether these include homes connected but nobody currently living there. We are refining the data.
  - 11,471 Non-Water Subscribers in Flint.
    - Non Water Subscribers with a Filter = 2,196 (19%)
    - Non Water Subscribers without a Filter = 9,275 (81%)
  - The SEOC Ops Chief has been directed to firm up all numbers with GIS. We have a GIS specialist from FEMA Region V also deployed to the SEOC to assist. ArcGIS has advised us that the amount of data we have collected is more than some major disasters in other states. We are looking into getting their personnel *more engaged to ensure we are using all the tools available for analysis.*
- SEOC Finance Chief is working on costs to date and all SEMCs were advised to tighten up their records and ensure we have accountability of all costs.
- Information reported to the JIC:
  - As of 1/22/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

#### 1. Homes visited by the FWRTs to date.

To Date	1/22/2016
37,697	5,920

#### 2. Distributed: Includes outstanding data from yesterday (PODs after 5 pm, ARC worksheets and local EOC hotshots.)

Commodity	Total to Date
a. Number of cases of water	121,404

- Resident Water Sample Results Map (Not for public distribution)
- January 13-19 comparison map

#### Status on Governor's request letter to the President

- Emergency declaration received. Pending decision of Major Disaster appeal and any denials under the Emergency Declaration (e.g. Category B). We have not been denied category B yet ... POTUS/FEMA has not given it to us though. I believe we may get a denial of category B in conjunction with the Major Disaster appeal decision. We will have 30 days to appeal.
  - Category B is critical in that it is for Emergency Protective Measures which includes (but is not limited to) EOC related costs, supplies and commodities, safety inspections, and in limited circumstances "water testing and treatment supplies in the immediate aftermath of the incident to counter a specific threat." We purposely put our start date of this incident to be April 25, 2014 in hopes we get category B and could get 75% federal funds for many other costs all the way back to 2014 – long shot but would be huge if we land this.

#### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - nes
  - We will have 15 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

#### Items to Note

- We are using the terms Phase II, Phase III, etc. These are for internal discussion for planning and not meant for public dissemination at this time unless it is determined to be beneficial.
- The draft operations plan (attached) was completed in conjunction with MSP and NG personnel to initiate discussion on our next steps as to WRTs and PODs.
- The WH issued a statement that \$80 million dollars in aid to MI mostly to repair Flint water infrastructure. We do not have additional information on this. This may be existing federal funds provided to MI that is just being opened up for other use. FEMA does not have any information on this.
- We have been advised we exceeded the \$5 million under the emergency declaration. We are at \$7.6 million.
- FEMA has advised that any donated items can be used to offset the state cost share. We are working on the mechanism with FEMA to do this.
- Deployed 18 state/local teams and 10 ARC Flint Water Response Teams to the field today.
- SEOC logistics worked to project future orders of water resources and commodities.
- Released updated JIC map at 1800 displaying updated field team activity and integrating historic paper records that have been entered into the tracking system for field team activity.
- DEQ test kits are only being provided to those who ask for them.
- I made contact with Senator Ananich aid, Julie Townsend, who was a POC for his volunteers. They are set to work next week on the 30<sup>th</sup>.
- MDOT met with city personnel to look at Station 6 POD and other PODs to see how traffic flow can be facilitated and safety increased. Additional report out due 1/22.
- A request from MSP MC3 for NG Cyber personnel (3 at \$32,000 for 30 days or less) was initiated. This is to assist with the cyber attacks that have occurred/future attacks related to Flint Water. PENDING APPROVAL. NG advised this would have to be funded with existing funds at this time and to make adjustments.
- MDARD Food Program staff have completed assessments of all 21 food businesses (including restaurants) that were located in the highest risk area. In addition, they have completed assessments at 34 food businesses in the medium risk area, and have scheduled 28 appointments to collect water samples.
- Dr. Nicole Lurie, the Assistant Secretary for Preparedness and Response from the US Department of Health and Human Services (HHS), in addition to the HHS Regional Coordinator and other CDC staff, visited the CHECC and SEOC this morning and provided commentary to CHECC and SEOC staff/EMCs. She also attended a briefing from FEMA before departing to visit Flint.

- Parents of boarding students at the Michigan School for the Deaf were notified of the elevated lead results in Stevens Hall. All fixtures in the dormitory are scheduled to be replaced by January 24, 2016. Lt Gov. has scheduled visit on January 25.
- Valley Area Agency on Aging (VAAA) continues to take calls from seniors and caregivers needing access to water and filters. VAAA is providing this information to the local EOC each afternoon for follow-up.
- Information reported to the JIC:

o As of 1/21/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase 1	Phase 2
30,770	5,409

2. Distributed: Includes outstanding data from yesterday - PODs after 5 pm, ARC worksheets and local EOC hotshots.

Commodity	Phase 1	Phase 2	Total to Date
a. Number of cases of water	94,688	10,403	105,091
b. Filters	77,215	2,356	79,571
c. Filter cartridges	188,389	1,039	189,428
d. Test kits	20,037	1,588	21,625

3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. ~45,000 hookups (This is our high end target #)
  - c. ~39,000 includes apartment complexes/multi family (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 124,398 (additional 20,098 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a.
  - b. 15 ARC (2-4 folks) type 5 teams -- Goal tomorrow 100 homes per team

#### Local EOC

- Attended ARC meeting with VOADs to discuss volunteer management and strategies.
- Attended meeting with Plumbers and Pipefitters Union to assess the need for long term cooperation for filter installation and fixture replacement.
- Requested and received confirmation of deployment of Team Rubicon (starting on 01/23/2016).
- Facilitated Flint & Genesee Chamber of Commerce representation at the EOC.
- Addressed security issues at Fire Station 3, 6 and 8 PODs (residents concerned about criminal activity).
- Coordinating with SEOC Logistics to receive information on purchasing strategy and volumes for filter equipment.
- Met with Genesee County Planning Commission, United Way of Genesee County and Michigan Community Service Commission to clarify recycling plans and potential volunteer utilization.
- Coordinated and verified deliveries of supplies to apartment complexes.

- Identified potential locations for recycling stations.

Chris

---

### Update 1/20/16 – 16<sup>th</sup> Day (15<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for second phase of door to door operations
- Submitted appeal to FEMA Region V
- Prepare for appeal on denial of Category B under the Presidential Emergency Declaration

#### Attached Documents:

- SitRep 16

#### Status on Governor's request letter to the President:

- Emergency declaration received.

#### Key items for tomorrow to note are:

- Five copies of the State/FEMA agreement will need to be signed by the Governor. Capt. Kelenske has them and will coordinate delivery.
- The logistics plan will be fully executed tomorrow with all teams.
  - 
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- Dr. Luri from HHS will be at the SEOC ~10:00 p.m.
- A second phase is starting tomorrow which will include more refined questions as to type of filter systems each person has. This will assist with sustainment operations.
- DOC prison work crew personnel (6-7) will be at the warehouse to keep the area clean. A lot of trash is generated in the warehouse and was becoming an issue.

#### Items to Note

- [redacted] and 10 ARC Flint Water Response Teams to the field today.
- MSP and local Sheriff's Department continue to provide over watch for WRTs.
- Aqua Hydrate contacted me to donate 5000 cases a month (4 semis) for a year. I was advised by Lindon Nelson this was a Governor/Mayor/Senator Ananich and Meekhof initiative and a press release was going to go out soon (TBD). Logistics is following up with them.
- News release sent from Governor's office about the appeal to the President of the disaster declaration.
- SEOC Logistics worked with JIC and Governor's office to establish a business resource submission tab on [www.helpforflint.com](http://www.helpforflint.com)
- SEOC Operations continued to develop and finalize Phase 2 canvassing roll out.
- Meeting held with Dr. Luri from HHS.
- Capt. Kelenske and other state agency financial personnel attended the appropriations hearing.
- End of day – concerns with the mass amounts of volunteers showing up and wanting to help. This can cause logistical issues but staff was working to get additional tasks for volunteers outside of the WRTs. We will continue to work on ways to involve more volunteers.

- Additional 5 person NG team for warehouse support approved.
  - Information reported to the JIC:
    - As of 1/20/16 as of 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)
1. 29,317 homes visited by the FWRTs to date.
  2. Distributed: Includes outstanding hard copy data from yesterday (PODs after 5 pm, ARC worksheets and local EOC hotshots).
    - a. Number of cases of water 90,337
    - b. Filters 73,229
    - c. Filter cartridges 185,852
    - d. Test kits 19,866
  3. Total number of customers on the Flint water system
    - a. 29,944 paying customers
    - b. 45,000 hookups (This is our high end target #)
    - c. 39,000 includes apartment complexes (The is the low end target #)
  4. Resources purchased:
    - a. Cases of water 111,630 (additional 18,502 donated)
    - b. Filters 115,700
    - c. Filter cartridges 243,200
    - d. Test kits 61,161
  5. Teams going out tomorrow:
    - a. :
    - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Addressed reports of water contamination in distributed bottled and canned water. Confirmed that water is safe to drink through testing by MDEQ. Coordinating with JIC and MDEQ for improved public information on the issue.
- Identifying options to reroute unsolicited offers for supplies and services outside of the EOC. Coordinating to set up 800 number.
- Attended meeting with Flint & Genesee Chamber of Commerce to discuss coordination of efforts, representation at EOC, and improved messaging.
- Attended meeting with Community Foundation of Greater Flint to discuss coordination of neighborhood groups and improved messaging.
- Coordinated with MDARD to provide additional lead testing at restaurants, and signage for safe locations.
- Coordinating with SEOC Logistics to receive information on purchasing strategy and volumes for filter equipment
- Coordinated and verified deliveries of supplies to apartment complexes.
- Discussed logistics requirements of delivery requests for homebound residents with SEOC Logistics.

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

## Update 1/19/16 – 15<sup>th</sup> Day (14<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Prepare plans for next phase of operation – Second sweep of city

### Attached Documents:

- SitRep 14

### Status on Governor's request letter to the President:

- Emergency declaration received.
- Appeal letter pending.

### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

### Items to Note

- Deployed state/local teams and 11 ARC Flint Water Response Teams to the field today.
- Messaging being developed for concerns regarding the Total Dissolved Solids (TDS) meters and citizens' concerns with those meters indicating "lead" in bottled water. Testing of water to be done by DEQ to ensure we have solid messaging.
- DTMB is working to secure space in Flint for FEMA staff.
- Press release went out this afternoon to announce that the US Department of Health and Human Services will lead the federal response in Flint. Capt. Kelenske to meet with Dr. Nicole Lurie, HHS Assistant Secretary for Preparedness and Response (ASPR), on Thursday. The goal of the federal response will be to help state and local leaders identify the size and scope of the problem, and work with them to make and execute a plan for mitigation of the short- and long-term health effects of lead exposure.
- Additional NG personnel being requested to assist with Warehouse inventories.
- Additional NG personnel on the ground with the WRTs tomorrow with 100 more transitioning in.
- Released updated JIC map at 1800 displaying updated field team activity and integrating historic paper records that have been entered into the tracking system for field team activity.
- LG is going to be in Flint working at one of the PODs on Wednesday.
- Information reported to the JIC:

- As of 1/19/16 as of 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. 22,129 homes visited by the FWRTs to date.
2. Distributed: Includes outstanding data from yesterday - PODs after 5 pm, ARC worksheets and local EOC hotshots.
  - a. Number of cases of water 77,794
  - b. Filters 69,730
  - c. Filter cartridges 184,457
  - d. Test kits 16,671

3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 95,760 (additional 16,056 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a. . . . .
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

Local EOC

Operations:

- Attended public health group meeting with GCHD, City of Flint Water Department and MDEQ to discuss water test information being returned to residents, to allow residents a greater understanding of results.
- Attended recycling/trash management group meeting with DEQ, Republic Services, Keep Genesee County Beautiful and Genesee County Planning Commission. Provided projections on current and anticipated bottle distributions.
- Coordinated deliveries of supplies to faith-based organizations, apartment complexes and homebound residents
- Coordinated with Comcast to set up locations for distribution of filters (distributed 60 filters on 01/19/2016).

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

**Update 1/18/16 – 14<sup>th</sup> Day (13<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs) and PODs
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.
- Complete appeal for Presidential Major Disaster Declaration denial.

Attached Documents:

- SitRep 13
- Side by side comparison of homes with filters January 13<sup>th</sup> compared to January 18<sup>th</sup>. This should be hitting the media tonight. *This took longer to create than I wanted but is the image I have wanted to show progress of getting filters in to the field.*

Status on Governor’s request letter to the President:

- Appeal in process.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.

- 
- We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- NG will be bringing in personnel to prep for surge.

#### Items to Note

- Beginning tomorrow the operational periods will be 7 days long.
- The CDC/ATSDR (Agency for Toxic Substances Disease Registry) has deployed a team to Michigan.
- An Arabic version of the palm card was reviewed and approved. This was developed via Arab American and Chaldean Council.
- Deployed 12 state/local teams and 10 ARC Flint Water Response Teams to the field today.
- DTMB is working to secure space in Flint for FEMA staff.
- Cost analysis to investigate if it would be more cost effective for FEMA to purchase water vs the SOM.
- ARC news release concerning the Volunteer Reception Center (VRC) sent out today.
- Media availability conducted today at 3pm at the VRC.
- *Since 1/14/16 Michigan 2-1-1 has received three direct reports of bottled water testing positive for lead. DHHS SEOC Desk and DEQ SEOC Desk was able to contact two of the callers. The Zero Water filter (pitcher) has a handheld test device so people know when to change the filter. This TDS Meter measures dissolved solids (it is not a lead test). This was explained and we are going to work on messaging to ensure this does not cause issues. Dissolved solids are in all water. The water from the callers is going to be tested and a case of water from one of the companies will also be sent to DEQ for testing. Brands are Spartan Spring Water and Canned Water for Kids. The filter company is also going to work on messaging and work with us on this matter.*
- Information reported to the JIC:
  - As of 1/17/16 as of 5 pm (start date was Tuesday, 1/12/16)

1. 21,393 homes visited by the FWRTs to date.
2. Distributed:
  - a. Number of cases of water 37,313
  - b. Filters 53,713
  - c. Filter cartridges 169,520
  - d. Test kits 7,379
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 82,992 (additional 16,056 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a.
  - b. 10 ARC (2-4 folks) type 5 teams—Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Continuing to work with faith based organization to distribute resources.
- Working with colleges to obtain volunteers for canvassing.

Update 1/17/16 – 13<sup>th</sup> Day (12<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs), PODs
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.

Attached Documents:

- SitRep 12

Status on Governor's request letter to the President:

- Emergency declaration received.
  - Limited to direct assistance so we will need to ask for the Individual Housing Program but that is something I will work on with FEMA.
- Major disaster declaration denied. The appeal is being developed with a draft to Paul Smith by later afternoon 1/18/16.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - 
  - We will have 12 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

Items to Note

- Deployed 11 state/local teams and 10 ARC Flint Water Response Teams to the field today.
  - 4,963 homes visited today.
- DTMB is working with DSEMIC and NC3 to monitor social media for information on cyber-attack yesterday.

**01/16/16**

- Approximately 5:00PM, Michigan.gov began to experience slowness in web page load time. Approximately 10 minutes later the Michigan.gov site became inaccessible caused by of a denial of service attack.
- IBM team was able to implement a mitigation strategy to stop the attack that began at 5:00PM. At 6:24PM the michigan.gov websites were again available to the public.
- Approximately 7:30PM, a new attack was initiated on the michigan.gov environment. The attack focused on the DNS servers and resulted in michigan.gov becoming inaccessible. Additionally, due to the nature of the attack other IBM customers were affected as well. IBM was able to implement a new mitigation strategy that resulted in the excessive traffic being blocked. At 7:53PM the websites were restored to normal operation.
- Shortly after the michigan.gov websites were restored, the State of Michigan was notified by our internet service providers that a DDoS attempt was made against our SOM DTMB servers in the external DMZ. Once detected, this attack was blocked and Michigan Cyber Security saw no signs of any other types of attacks.

**01/17/16**

- Genesee County was unable to access MiCIMS due to the State increasing filters. Michigan Cyber Security made adjustments to filter settings and their access to MiCIMS was restored.
- DTMB reached out to the City of Flint CTO, Paul Knific, offering any support they need. Right now they feel they have bigger issues than trying to get some of the things back online.

We currently do not have any additional information on the attacks on the City of Flint ([cityofflint.com](http://cityofflint.com)) or Flint Township Police ([flinttownshippolice.org](http://flinttownshippolice.org)) websites. We'll continue to pass information along as we receive it.

- Information reported to the JIC:
  - As of 1/17/16 as of 7pm (start date was Tuesday, 1/12/16)
  - 1. 16,353 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received from prior to the SEOC activation (trying to validate the data) plus the PODs and door to door operations since activation.
  - 2. Distributed:
    - a. Number of cases of water 27,195
    - b. Filters 50,432
    - c. Filter cartridges 168,605
    - d. Test kits 4,861
  - 3. Total number of customers on the Flint water system
    - a. 29,944 paying customers
    - b. 45,000 hookups (This is our high end target #)
    - c. 39,000 includes apartment complexes (The is the low end target #)
  - 4. Resources purchased:
    - a. Cases of water 57,456 (additional 12,884 donated)
    - b. Filters 108,520
    - c. Filter cartridges 239,081
    - d. Test kits 28,901
  - 5. Teams going out tomorrow:
    - a.
    - b. 12 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

#### Operations:

- Facilitated activation of the Genesee County/Genesee Health System MOU for mental health services.
- Coordinated supplies for distribution to students at the U of M Flint campus.
- Still concerned about people going to every fire station and collecting water/filters.
- Coordinated trash pickup at Fire Station PODs with the City Liaison officer.
- Coordinated hotshot deliveries of supplies to home bound population.

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### Update 1/16/16 – 12<sup>th</sup> Day (11<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies

- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to prepare for engagement following the Presidential Emergency declaration

#### Attached Documents:

- SitRep 11

#### Status on Governor's request letter to the President:

- Emergency declaration received. Federal Coordinating Officer (FCO) is David Samaneigo (Sam) who has been my LNO from FEMA. We began discussions on a transition to FEMA support last night. His team is headed to MI at this time and we will have our first coordination meeting on Sunday.
- The request for a Declaration of a Major Disaster was denied. FEMA advised this event does not fit the legal definition of a major disaster (natural incident or fire, flood, or explosion). This information has been provided since prior to the event to elected officials in Flint and the legislature. We are reviewing the chances for an appeal and I have already discussed this with the FCO.

#### Key items for tomorrow to note:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- I will be back on duty Sunday.
- We have been working with some of the churches. Contact was made with 14 churches for Sunday distributions. Interaction with the pastors has been very positive.
- A logistics briefing will be provided to see how many more teams we can put in the field.

#### Items to Note

- LT Gov visited the local EOC today; discussed local EOC operations.
  - Deployed 11 state teams and 10 ARC Flint Water Response Teams to the field today.
  - DEQ sampling kits are now being received at the PODs.
  - DEQ sampled two Head Start facilities and worked with GIS to obtain future sample sites.
  - The Freeman School pilot was delayed due to some parts not arriving as scheduled. Testing was to be done Sunday but may not occur until Monday.
  - NG will have a total of     personnel in the PODs for distribution. Mission has not changed.
    - NG soldiers have been in the PODS. 38 more processing in tomorrow with start date of 1/18 in the PODS. The TAG and I will be discussing future use of NG personnel door to door next week.
  - Information reported to the JIC:
    - As of 1/16/16 7pm (start date was Tuesday, 1/12/16)
1. 11,324 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received prior to the SEOC activation plus the PODs and door to door operations since activation. 3,850 homes were visited today (4,000 was the goal).
  2. Distributed:
    - a. Number of cases of water 20,876
    - b. Filters 47,935
    - c. Filter cartridges 167,401
    - d. Test kits 3,322
  3. Total number of customers on the Flint water system
    - a. 29,944 paying customers

- b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
- 4. Resources purchased:
  - a. Cases of water 57,456 (additional 12,884 donated)
  - b. Filters 108,520
  - c. Filter cartridges 239,081
  - d. Test kits 28,901
- 5. Teams going out tomorrow:
  - a.
  - b. 10 ARC (2-4 folks) type 5 teams---Goal tomorrow 100 homes per team

#### Local EOC

#### Operations:

- Provided direction to Operations and Logistics Section to initiate water sample collection at PODs.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional churches were supplied with water, filters and test kits.
- Still concerned about people going to every fire station and collecting water/filters.
- Station #6 (POD) has associated safety concerns due to proximity of street and lack of suitable parking. We are working to resolve.

Chris

**Subject:** SEOC Update 1/15/16 - Flint Water - Limited Distribution

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

#### **Update 1/15/16 – 11<sup>th</sup> Day (10<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

#### **Mission focus for the day:**

- Receive, store and increase quantities of supplies
- Pilot the logistics plan and adjust as needed
- Continue with door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to ensure we get a Presidential Declaration of a Major Disaster and Emergency

#### **Attached Documents:**

- SitRep 10

#### **Status on Governor's request letter to the President:**

- All documents for the presidential request have been submitted to FEMA. Numerous calls and meetings took place between me and FEMA today.

- When we get the declaration(s) ... I will set up a legislative/congressional call to explain and provide bullet points as to what programs we will receive. The Federal Coordinating Officer assigned will also be with me to answer questions. This has helped in the past.

#### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - we will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
  - A pilot team was used to test our logistics plan today and with 60% strength they had 160% output (830 homes).
- I will be off tomorrow but available by cell. Tony Katarsky will be SEOC State Director. I will be back in on Sunday.

#### Items to Note

- LT Gov visited the local EOC and SEOC today. He was able to hear our final briefing for the day.
  - Held a short session managing stress with SEOC staff. Two handouts were put in MICIMS for all state and local personnel to view.
  - Deployed 10 state teams and 5 ARC Flint Water Response Teams to the field today.
  - Standing requirements were created for the JIC so we can get information to the media every day. Below are the current ones we have in place and we should have something out tonight according to the JIC.
    - As of 1/15/16 as of 7pm (start date was Tuesday, 1/12/16)
1. 7474 homes visited by the FWRTs. We believe we have ~24,000 homes with filters but are trying to validate that information. This is from the data we received from prior to the SEOC activation plus the PODs and door to door operations since activation.
  2. Distributed:
    - a. Number of cases of water 18,576
    - b. Filters 45,916
    - c. Filter cartridges 165,382
    - d. Test kits 3,217
  3. Total number of customers on the Flint water system
    - a. 29,944 paying customers
    - b. 45,000 hookups (This is our high end target #)
    - c. 39,000 includes apartment complexes (The is the low end target #)
  4. Resources purchased:
    - a. Cases of water 44,688 (additional 12,884 donated)
    - b. Filters 78,520
    - c. Filter cartridges 163,081
    - d. Test kits 18,761
  5. Teams going out tomorrow:
    - a. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

#### Home Deliveries:

- Still receiving lists from the Valley Area Agency on Aging (VAAA) on home deliveries and forwarding these to the Sheriff's office. They are going through a lot of homes. 120 out of 125 homes were completed yesterday.

#### Operations:

- We sent staff to visit Fire Station 6 and the warehouse today. Fire station 6 traffic was congested and that was during a "slow" time. The National Guard is identifying what is needed to alleviate this. MSP is working on providing uniform presence as needed. An additional iPad at each location will hopefully help relieve the amount of time that people are spending at the distribution sites.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional requests from churches were made and I approved the locations so they could be ready for Sunday. Lt. Roach was told by one of the pastors that he met with the Gov today and expressed how much he appreciated the efforts put forth. We should have 14 for this Sunday. We are working on how we can increase this output.
- Still concerned about people going to every fire station and collecting water/filters. NG personnel observed vehicles with several cases of water an overheard saying they were heading to the next station. Some people were helping themselves and taking more than one case at a time. Per the NG they cannot physically stop people from doing so. The NG is going to try to change staging in the fire stations to try to prevent this.
- Flint PD is going to check in every day with the EOC and provide a specific contact person. They are also going to help with traffic issues at the PODS. Will ask Flint PD to provide a presence when water is off loaded at a POD to help prevent people from "helping themselves."

Chris

---

#### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

#### Update 1/14/16 – 10<sup>th</sup> Day (9<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and finalize lease on warehouse space/begin to move supplies from GCCARD to new warehouse
- Continue with door to door teams and finalize planning for future team use
- Submit request for a Presidential Declaration of a Major Disaster and Emergency
- Continue to work on long term recovery items (DHHS, DEQ, MDARD)

#### Attached Documents:

- SitRep 9

#### Status on Governor's request letter to the President:

- All documents for the presidential request have been submitted to FEMA. I had a lengthy conversation with the FEMA Region V Administrator reference the request prior to sending.

#### Key items for tomorrow to note are:

- The door to door teams will continue in the morning.
- We will continue to ramp up door to door operations with additional teams. Teams continue to focus on the high lead level areas and additional data is being analyzed to focus mission areas.
- ARC will increase the number of their Water Response Teams.
- Supply burn rates as well as projections on how many teams will be needed to put filters in all homes within 3 and 5 days will be completed. Analysis will be done to see in NG personnel may be needed to finish in quicker manner.

#### Items to Note

- DEQ was notified of the number of homes who are willing to have them take additional samples in the future (current number (114). This question was added to the App being used by the Water Response Teams. Data will be provided when needed.
- LT Gov is scheduled to be at the local EOC and SEOC (~4:30) tomorrow to see the operations.
- Secured 80,000 sq. ft. of a warehouse today. Working to consolidate all resources in one location. Tomorrow will be the first day of full implementation of our logistics plan.
- Email sent to state employees to request volunteers for weekend.
- Media monitoring showed no incorrect information today.
- Michigan Association of Broadcasters is sending PSA to radio stations.
- Coordinating with Red Cross on volunteers for weekend.
- Deployed 8 Water Response Teams to the field today (approx. 120 volunteers). 78 Red Cross volunteers active across the operation today.
- National Guard is ramping up to have 3 soldiers per shift at each POD tomorrow. Will also have a Public Affairs Officer at the JIC and liaison at the local EOC.
- Senator Ananich visited the SEOC today to see how things operate. The visit went well and he seemed happy with the number of staff working the Flint event. He tweeted out a message indicating there is still a lot of work to be done but all are working hard.
- DHHS
  - The Community Health Emergency Coordination Center (CHECC) is working on the following:
    - A nutrition plan
    - Education materials, messaging, and working with local agencies
    - Developing a community assessment for disaster behavioral health services.
- Lined up the delivery of filters to two large apartment complexes and a student housing complex.
- We have the list of individuals needing home service (additional contacts will be sent to the Ops Chief at the Local EOC each day at 4:00). Info will be provided to the sheriff's office for action.
- Water Response Team Numbers (this is not the total of homes with filters – I will provide that number tomorrow but it appears we have filters in over half the residences):

	<b>TOTAL</b>	<b>1/12/2016</b>	<b>1/13/2016</b>	<b>1/14/2016</b>
<b>Occupied Homes</b>	1450	242	492	716
<b>Vacant Homes</b>	1967	152	161	1654
<b>Total Homes</b>	<b>3417</b>	<b>394</b>	<b>653</b>	<b>2370</b>
<b>Resources</b>				
Door Hangars	1487	217	453	817
Water	588	117	254	217
Filters	945	112	220	613
Pitchers	22	3	13	6
Water test kits	217	48	109	60
Replacement Filter	482		137	345
<b>Total Resources Dispersed</b>	<b>3741</b>			
Future sample test site	114	28	34	52

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 1/13/16 – 9<sup>th</sup> Day (8<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and close lease on warehouse space
- Continue with door to door teams and finalize planning for second wave increase (+15 teams – total for 1/14/16 will be 20)
- Continue to work on Governor's Declaration of an Emergency

**Attached Documents:**

- SitRep 8

**Status on Governor's request letter to the President:**

- All support data from state Agencies and local jurisdictions collected as of 6:00 pm on 01-13-16
- Current timeline:
  - First draft completed and ready for review by State Department Directors (including the Attorney General) by 11:00 am on 01-14-16
  - State agency reviews due back by 1:00 pm on 01-14-16 for revision of the draft
  - Revised draft to Captain Kelenske by 2:00 pm on 01-14-16 for review and forwarding to the Governor for final review
  - Final draft (based on Governor's review) submitted to FEMA Region V Administrator by no later than cob 01-14-16 but hopefully sooner. FEMA is aware and ready to receive.

**Requests and potential response from FEMA/President**

- The letter will request all programs eligible under the Stafford Act including Public Assistance, Individual Assistance, Hazard Mitigation, FEMA's coordination of assistance from other Federal agencies and direct assistance from FEMA
- The letter will also request potential direct reimbursement from other Federal agencies such as EPA, CDC, HUD, DHHS and SBA
- This request is in coordination with the request for Non-Stafford Act federal assistance already requested and received by the State (technical assistance and administration, but no direct reimbursement of disaster costs)
- Direct Federal assistance from FEMA in the form of Individual Assistance to homeowners for household repairs (repair and/or replacement of water service lines and Other Needs Assistance to reimburse for water filters, bottled water, etc.) is a possibility
- Direct Federal assistance from FEMA in the form of Public Assistance is not as likely as it is mostly replacement of publicly owned water distribution lines (and not the direct result of damage from a natural cause)
- If Stafford Act assistance is denied (Public Assistance, Individual Assistance and Hazard Mitigation) FEMA could still provide coordination of assistance from other Federal agencies if the President declares a disaster (or emergency) for the State of Michigan

**Key items for tomorrow to note are:**

- The door to door teams will continue at 9 a.m. – 5 p.m. Thursday morning and continue through the weekend.
- We will continue to ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas and additional data is being analyzed to focus mission areas.
- MNG will have a press event at the armory with incoming soldiers and MG Vadnais.

**Items to Note**

- Received information that Rev. Jesse Jackson will be in town 1/17/16 at 1:30 at the Heavenly Host Church of the Harvest of Dartmouth St, Flint.
- Managed and corrected misinformation on NG role.
- Senator Ananich is stopping by the SEOC tomorrow morning 0845. I am meeting with him and his Chief of Staff. Short visit as he has a 0930 at the Capitol.
- Working with Comcast so they can put teams in the field for distribution.

- Penske is going to give us 15-20 trucks over the weekend.
- Contact made with Two Men and a Truck for resources.
- Meeting set with Google where they will brief me and key staff potential tasks.
- Coordinated with Flint Mass Transportation Authority (MTA) to include Fire Station PODs on bus routes.
- Tomorrow I will have a projection as to the number of teams needed to get all citizens filters in their homes in 5 days / 3 days.
- We are standardizing team structure and supply deployment to increase efficiencies. Mission Ready Package (MRP) specifications will be sent out for other entities to assist with door to door. They will then be able to arrive as a MRP get supplies, receive a mission location and deploy.
- 5 Water Response Teams were in the field again today. Below are the numbers from the 2 days of just the Water Response Teams (there are paper copies with data still to be entered from the PODs). I was just briefed by the ARC logistics planner and there are efficiencies we can put in place to increase homes touched per day. The next version of the app will provide more granular details. Additional 30 tablets were configured by DTMB today for field implementation to include use in the PODs.

	Total	1/12/2016	1/13/2016
<b>Occupied Homes</b>	533	242	291
<b>Vacant Homes</b>	238	152	86
<b>Total Homes</b>	<b>771</b>	<b>394</b>	<b>377</b>
<b>Resources</b>			
Door Hangars	473	217	256
Water	265	117	148
Filters	235	112	123
Pitchers	9	3	6
Water test kits	92	48	44
Replacement Filter	93		93
<b>Total Resources Dispersed</b>	<b>1167</b>		
Future sample test site	62	28	34

- We show 17,276 residences with filters (this does not include data entry to be completed from POD or other locations).
  - We have 35,378 service hookups but with apartments, multi residence dwellings, etc we would be around 45,000.
- Logistics Support
  - The American Red Cross Logistics Planner provided me a brief and I approved the plan forward. The current plan includes:
    - Mission – A filter in every home ASAP.
    - 4 Distribution Methods
      - PODs (5)
      - Water Response Teams (20 effective tomorrow and this will increase)
      - Local EOC “Hot Shots” (these are calls for functional needs, unable to get to a POD location due to ??, etc). Personnel dispatched with supplies.
      - Local EOC support for other local requests (Faith based for distribution, etc.)
    - Three warehouse locations at this time
    - How to better leverage ARC resources
- Supplies – Daily Numbers
  - Replacement Cartridges - 30,700 delivered.
  - Water (cases) - 19,152 cases delivered
- Budget projection completed and will be submitted to SBO for review.

- Notes from Water Response Team Command (MSP)
  - Very good synergy between Flint Post troopers and Genesee County Sheriff command and deputies in effective and efficient deployments for distribution efforts.
  - Great attitude and efforts by uniforms and volunteers to make important contributions to the City of Flint on water response team deployments.
  - Clear direction and coordination in the field of supply teams by lieutenants and troopers. No confusion. Clearly defined roles.

**All personnel continue to be fully committed to fixing this as quickly as possible.**

Chris

---

#### Update 1/12/16 – 8<sup>th</sup> Day (7<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

I apologize in advance for the length of this report. With the supply issues we had the last couple of days I wanted to share our inventory plus what we anticipate to ensure we do not have supply issues.

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Fine-tune logistics
- 
- Increase collaboration and messaging of collaboration with local agencies (specifically the Sheriff's Department)

#### Attached Documents:

- SitRep 7
- Executive Order Activating the National Guard

#### Key items for tomorrow to note are:

- The Governor signed an Executive Order activating the National Guard. Mission will be to relieve ARC volunteers at the PODs (Fire Stations) which will free up the ARC volunteers for door to door activities.
  - I have briefed the ARC Disaster Officer on this plan.
- The Governor requested, through FEMA Region V, support from the Federal Emergency Management Agency (FEMA) to bring together and identify other federal agencies that may have programs and funding that could be dedicated to assisting Flint as part of an interagency recovery plan. One of the existing LNOs has been identified as the POC for this. He will be a great liaison for the FWIACC.
- The door to door teams will continue at 0830 Wednesday morning and continue through the weekend and ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas.
- We will look at all commodities and see where we are and where we need to be while working with the ARC logistics specialist.

#### Items to Note

- PSA video sent out to Flint citizens on resources available.
- Water
  - Today's numbers - 7,824 cases of water arrived today, 1/12/16 (109 pallets)
  - Ordered:
    - 19,152 cases of water are going to arrive Wednesday, 1/13/16 (266 pallets)
      - 1/3 is going to GCCARD and the rest is going to the new warehouse
    - 12,768 cases to arrive daily beginning Thursday through Saturday (177 pallets a day)

- Filters
  - Today's numbers
    - Ordered on 1/11/16 and delivered 1/12/16 direct to GCCARD
      - 2,000 – Brita filter faucet mounts
    - Filter Replacements
      - 2,400 – Brita filter replacements (single pack)
      - 8,000 – Brita filter replacements (two pack)
  - Ordered on 1/12/16 to arrive Wednesday
    - Faucet Mounts – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
      - 10,000 – PUR Vertical faucet mount
      - 2,500 – PUR Horizontal mount
    - Replacement Filters – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
      - 10,000 – PUR replacement filters (3 pack)
      - 10,000 – PUR replacement filters (single pack)
    - PUR Combination Pack – to be delivered to GCCARD on 1/13/16 (Wednesday)
      - 10,700 – PUR combo packs
- To arrive Thursday
  - Zero Water Pitcher (8 Cup) – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 1,300 – Zero Water pitchers
  - Faucet Mounts – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 11,000 – PUR vertical faucet mount
    - 1,500 – PUR Horizontal faucet mount
    - 5,000 – Brita faucet mount
    - 10,000 – Brita adv faucet mount white
    - 12,000 – Brita adv faucet mount chrome
  - Replacement Filters – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 117,600 – PUR replacement filter
- Test Kits
  - 6601 unassembled kits arrived at GCCARD today, 1/12/16.
  - 500 have been assembled and are ready for distribution
  - 1000 additional unassembled kits have been ordered to be delivered at GCCARD (no ETA yet)
  - 10,142 unassembled kits to arrive at GCCARD early next week
- Second warehouse – Located in Flint
  - 100,000 square feet of secure warehouse obtained.
  - Accepting commodities beginning Wednesday, January 13
- Logistics Support
  - The American Red Cross Logistics Planner arrived from DC today as requested. I outlined what her mission was and how I saw the progression forward. This logistics planner will assist in streamlining the inventory and distribution process now and into the future.
- Door to Door Numbers
  - Today the app implementation for the field went extremely well. There were a few issues that were quickly addressed. One related to how form fields should be filled out. Another was getting styluses for teams so that they don't have to remove their gloves in the cold. All very simple to fix.
  - We are working on version 2.0 so this can be used at the PODs

- We should be able to greatly optimize distribution in the near future as we mapped the active water subscribers from Flint's DPW and are adding them to the field team members apps. Of the ~56,000 possible addresses, this reduces the number of possible homes to visit down to ~29,000.
- Notes from the field commander:
  - "Today we started out the day using two groups that consisted of approximately 10 people in each group. We eventually combine groups with Genesee County Sheriff's group and they brought two more groups with approx. 10 people (Local UAW) in each group. This made us a lot more efficient and we were able to set up a game plan. Tomorrow I feel we will be more efficient and we will have a better plan in place to get the maximum output out of our resources."
- In the end, there were 394 total home visits with the following breakdowns:
  - 217 Door Hangers
  - 152 Vacant Homes
  - 117 Water Distributions
  - 112 Filters
  - 3 Pitchers
  - 48 Water Test Kits
- 211
  - CALL VOLUME:
    - 185 calls for water-related issues had been received as of 4:45 pm.
- Logistics made contact with Comcast and will be supplying them with filters and replacement cartridges for their deliveries in their work trucks as they make services calls. They will follow our procedures for reporting (our checklist).

Chris

---

### Update 1/11/16

The focus today was the media event and getting the supplies and logistics on track. Most of the activity today was working on logistics for the water and other supplies.

### Attached Documents:

- SitRep 6

### Key items for tomorrow to note are:

- The door to door teams will start at 0830 Tuesday morning. It is reported that troopers are going to the door but DHHS employees are the lead with a troop car nearby.
  - State and local GIS created an App today for the teams to use tomorrow but I see potential use at distribution sites.
  - The App data will be used for our maps as we survey the public/distribute supplies and we will be getting real time metrics through the site from the field send back to the SEOC. We are using Android tablets tomorrow but in the future can use any mobile device for this.

### Items to Note

- It was reported that only one POD (Station 5) was out of water longer than 30-45 minutes. This site was ~2 hours without water and part of that was the truck went to the wrong station. Trucks were sent as soon as the local EOC was notified.
- We also did not receive a DHHS shipment that was to come in which caused some filter delivery issues.
- Supplies are limited at this time; however, we are getting our shipments starting at 0630 tomorrow.
- We have Home Depot giving us 12,768 cases (this was a late development so the SitRep indicates half the amount) of water every day starting tomorrow. We are still working with other distributors too.

- ARC is flying in a logistics planner tomorrow. Three additional staff will be with her to shadow and help. We are turning warehouse logistics over to ARC logistics. We are moving tomorrow to a process that has a distribution center (GCCARD) and a warehouse that is 100,000 square that will maintain mass quantities. Staff has continually been placing orders for supplies to ensure we get a head of this. The intent is to keep the warehouse full so we do not have these continual issues of supplies.
- Began mapping lead service lines (anticipate having draft of lead service lines Friday).
- Coordinated with local IT managers overseeing filter tracking system to streamline data collection.

#### Local Emergency Operations Center

- Working to coordinate resources at the local level to maintain adequate supplies at all PODs.
- Demand has exceeded supplies and supplies are moving rapidly from PODs today. Working to make sure POD managers notify us when they start running low.
- Working to establish a warehouse for local resource storage.
- Established trigger points for resources at PODs and hourly inventory reporting from the PODs.
- Discussed potential long term water sources between local EOC and SEOC.
- Established planning cycle/meeting scheduled for 1/12/16.
- Local EOC EMHSD staff with Natasha Henderson to request deployment of City representative at local EOC.

Chris

---

#### Update 1/10/16

##### Attached Documents:

- SitRep 5
- Door card (English version but Spanish version will be ready for Tuesday)

I have a local EOC section listed below but state personnel are heavily engaged in management of both locations. We occasionally hit some road bumps with this event but all personnel are working well together to accomplish our goals (especially state agency personnel).

I have had good discussion with FEMA LNOs. Two statements have been developed from our discussions that hopefully helps put this in more context but if it is more confusing I apologize:

1. In the immediate response, the State, in collaboration and coordination with city of Flint and county of Genesee are working to get water, water filters, and testing kits to the affected population. In conjunction, the state will coordinate with federal agencies to ascertain what resources can come to bear to help mitigate the issue.
2. If asked about a federal declaration from FEMA, we need to articulate the definition of major and emergency declaration and state or note to ourselves that it appears to not qualify; however, there may exist opportunities to leverage federal assistance from some agencies (i.e....EPA) under their own authority to help address this issue.
  - We need to really manage expectations on the potential for a federal declaration...not that we will not go after one but it will be difficult to get.
  - A major disaster is defined in the Stafford Act as any ***"nature catastrophe (including hurricane, tornado, storm, high water, winddriven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, snowstorm, or drought) or, regardless of cause any fire, flood, or explosion.....causes damage of sufficient severity and magnitude, to warrant major disaster assistance.....to supplement the efforts and available resources of States, and local government....."***

- An emergency declaration is ***“is any occasion or instance for which, in determination .....assistance is needed to supplement State and local efforts and capabilities to save lives and protect property and public health and safety or to lessen or avert the threat of a catastrophe.....”***
  - This is limited to immediate and short-term assistance (I hate to put times on this but short-term is like 3 weeks), essential to save lives, protect public health and safety and property.
- Severity of the situation is ***“A finding that the situation is of such severity and magnitude that effective response is beyond the capability the state and affected local governments, and that the state requires supplementary federal emergency assistance to save and to protect property....”***
- Nature of assistance for Emergency Declaration is for ***“Debris removal, emergency protective measures, direct federal assistance....”***
  - Debris Removal = *self-explanatory and we do not have this*
  - Emergency Protective measures = *water, commodities, transportation (remember ... to supplement what the locals and state are already doing if we need more)*
  - Direct federal assistance= *what specific type of work is requested, and what are the reasons why the state/local government cannot perform or contract for performance. Essentially what is the need that state/local govt cannot provide. I can see this being something we need but we may be able to get this outside a federal declaration under the federal agencies own authority to help address this issue.*

Back to the update...

Key items for tomorrow to note are:

- Training is occurring for the door to door teams scheduled for Tuesday morning.
- Deploying an additional MSP District Coordinator to the local EOC for command and control support.
- Deploying two DTMB trucks and two drivers for sustained logistical support for the week.
- Media event with the Governor in Flint.
- New Incident Action Plan starts (1/11 0800 -1/13 0800 operational period). Our objectives are as follows:
  1. Ensure all households within impacted community have required resources.
  2. Ensure accurate tracking and accounting of all commodities.
  3. Improve and maintain public information strategy.
  4. Develop a long term public health and services plan.
  5. Ensure adequate staffing to support operational requirements.
  6. Identify possible assistance programs.
  7. Develop an approved GIS strategy.
  8. Maintain coordination between partner agencies and organizations.
  9. Enhance situational awareness and common operating picture of all activities.
  10. Develop a comprehensive Recovery Plan.

Items to Note

- All 9 churches had filter systems/replacement filters, information sheets, and water test kits delivered as requested by each pastor/reverend on Sunday. We did not think we could get them water due to the limited time but we did end up getting water to all 9 churches with the other items.
- Fire station resource locations stayed open from 9a to 9p and will continue with those hours until further notice (Staffing is in place until Saturday). ARC is staffing these locations.
- The media event was held at Fire Station No. 1 and report back is that it went well and the spirit of collaboration between local, state, non-governmental partners is strong was relayed.
- The four door to door teams will have the hours of 8:30 a.m. to 5 p.m.
  - Each will have logistics support from DTMB, security from MSP, and contact personnel from DHHS.
  - The door card is attached that will be left if no one is home.
- Worked to identify a storage location within the City of Flint for water and supplies. G-CARD is identified as temporary location but we are moving toward a state run warehouse operation (looking at private sector partners to assist, especially with the warehouse management side).

- GCCard is large enough, centrally located and comes staffed. GCCard has 75,000 sq ft with warehouse managers to assist with tracking resources coming in and out.
- GIS will provide us daily updates of how much was distributed each day but note we have a delay in data entry from delivery to entry in the GIS system. Over the weekend there was a problem locally with staffing to get this completed. A solution is in place and will be implemented so we get timely data. *Distributed to date (as of 1/8/16).*
  - 12,386 filters
  - 1,985 replacement filters
  - 354 Pitchers
  - 2500 Lead Testing Kits
- Establishing and tracking of resources is a priority. Staffing has been assigned to get a good handle on these to ensure distribution sites maintain an appropriate level of inventory. I have requested trigger points get put in place so we do not get below certain levels in the main warehouse location.
  - Contacts with some large water distributors have been made and their and our logistics chiefs will connect first thing this week.
  - We have ordered an additional (expedited delivery with ETAs tomorrow)
    - 40,000 Brita Filters
    - 40,000 Brita Replacement Filters
    - 1000 Zero 8-Cup Pitchers
    - 1000 Zero 8-Cup Pitchers
    - 2000 PUR Replacement Filters
    - 93 Pallets of water (about 6700 cases)
- GIS continues to produce multiple maps for use.
- JIC Items
  - Requested PSA on the radio. Media has been approved and working with MAB.
  - Requested JIC to contact Comcast and Dish Network for availability for continuous running of filter install/replacement and test kit video.
  - A news release will likely going out tomorrow regarding canvassing in neighborhoods. Continued social media messaging.
    - Tuesday – embed state PIO with one of the canvassing teams to liaison with media.
    - JIC moving tomorrow to Flint.

### Local Emergency Operations Center

I am providing you some information on some issues we ran into at the PODs. This has been addressed with additional state resources and processes put in place so we do not run out of resources. Public concerns/complaints have not been brought to my attention at this time. Staff is working very hard to ensure we do not run out of supplies at the PODs and they understand the consequences. No one in the Local EOC or State EOC is happy the following occurred and I felt you should know in case it is brought up. Again, I believe we have fixed this and I take full responsibility for any supplies not being on site.

### Fire Station Inventory Levels:

Station 1:

- Only time without supplies - 15 minutes without water while the truck was unloaded.

Station 3:

- Ran out of replacement filters around 7:00, replacement filters delivered around 7:30. Had to pick up replacement filters from Home Depot and deliver.

Station 5:

- Ran out of water around 5:00, water was delivered around 6:30. We needed to find additional trucks because DTMB drivers were over hours. The ARC stepped up and found a truck to go and pick up a pallet of water and deliver.
- Somewhere between 4:00-6:00 they ran out of lead test kits. No way to restock these because City facilities were closed and could not reach anyone.

#### Station 6:

- Around 5:00 ran out of water, filters, and replacement kits. Replacement kits were delivered around 7:30. Additional water and filters were delivered after 9:00 due to the DTMB drivers heading back to Lansing. Food Bank was called and had to get drivers in to operate trucks, pick up water from the School District load and deliver to all sites. Delays occurred with weather conditions and needing to use last minute sheriff EOC staff to load due to issues with City workers. City workers were scheduled to help and left around 7:00 without helping.
- 2 pallets of water were dropped off in the afternoon and within 1 hour were gone. This was much faster than we expected. On 1/9 they didn't go through 2 pallets of water at any station for the hours 9:00-4:00.
- We received news that a reverse 9-1-1 call notified residents of water which caused an unanticipated amount of people obtaining water. There was also a report of 1 person walking out with 2 cases of water and trying to sell in the parking lot.

#### Station 8:

- Around 7:00 ran out of filters and lead tests. Filters were delivered around 8:00 from the food bank trucks.
- Hourly reports were requested in the morning from volunteers but this information was not received as to the status throughout the day. Early inventory of supplies took between 1 hour-1.5 hours to receive in the EOC. We were not advised of low counts, just zero numbers.
- Reports received that the last couple of hours were slow.
- Residents were advised of the other sites and the opportunity to obtain supplies.

#### Restocking Plan

- United Way set up meeting with Food Bank to discuss.
- Had EOC meeting on this topic to discuss options.

#### Churches:

- All 9 churches received waters, filters, and informational bulletins.
- Lt Roach received positive feedback from 3 of the pastors.
- No complaints were received.

#### Signage:

- Provided information to SEOC on signage requirements at the fire stations.

#### Storage:

- Researched storage spaces; established temporary site at GCCARD.

#### Personnel:

- Lack of local EOC leadership (seems somewhat checked out) with IC and Deputy IC (doing an okay job).
- Captain TaFoya (Genesee County) helped tremendously today with all the plans outlined above and attended the press conference.
- Tina Martinez at the Food Bank and Matt Purcell at GCCARD were extremely helpful in getting last minute operations set up.

Chris

---

#### Update 1/9/16

SitRep 4 attached for more in depth information. The below only contains some items worked on today and while the format in the attached SitRep is not perfect (it is created automatically by MICIMS) it does contain a lot more information you may want to read. I also attached one of our maps. It is our filter distribution map. All filters handed out by anyone working with us feeds into this now. We are continuing to refine these and at this time there is a delay in the upload of address data but we are working on it. We have a ways to go to get filters in every home but this will help direct us to those who need still them. We also are working on identifying abandoned homes.

Key items for tomorrow to note are:

- 9 churches will have ARC volunteers and filters for distribution. Some may also get water.
- 5 fire stations are a distribution point for water, filter systems/replacement filters, and water test kits. While only open today until 4 p.m., tomorrow and until further notice they are open from 9a to 9p.
- Media event will take place on the above tomorrow.

### Items to Note

- 211 has some issues with call load but it is being worked on. 2-1-1 Director contacted MDHHS PIO to discuss/resolve caller wait times and messaging. We anticipate an increase in activity tomorrow in 211 calls so we requested and received an increase to staff 211.
- We are shifting tasks the SEOC took on that are handled more effectively and efficiently at the local EOC. We have established command and control in their EOC. We are running things there but that is not being made public. We are doing this in partnership but we are clearly handling the operation with state personnel oversight.
- A 3rd FEMA LNO arrived today upon my request. This has nothing to do with a Presidential request for a declaration but support for some other items I want worked on for long term recovery.
- We continue morning calls with the local EOC leadership and local emergency manager on what our goals for the day are as well as any issues/concerns.
- Five 5 fire stations have received water, water filters, replacement cartridges, and water testing kits with American Red Cross personnel at each location to assist with delivery of resources and collection of addresses receiving them. These locations will be open from 9a – 9p daily until determined they are no longer needed. Those picking up water testing kits will be advised that they can return the test kits to the fire departments (where they will be picked up and taken to the Flint City Hall), the Flint Water Treatment Plant, or they can take them directly to the Flint City Hall. For those unable to return the kits, 211 can make arrangements for pick up the kits. We understand response to these sites has been positive thus far. The Genesee County EOC will be monitoring these supplies and request replacement of products as needed.
  - A call is going out tomorrow morning to advise this information ... I do not believe it was every resident but Tori Sachs has that info if needed.
- I approved a press release today to advise the public that all levels are working together to ensure delivery of filters, test kits and water; noting that all of these items were delivered to the 5 Flint fire department stations. It was stressed that the public should be aware that the local and state agencies have been working cooperatively to assist the residents - and will continue to do so. This was done to hopefully end or at least minimize the “who can get water and filters out first” when all of this has been connected with the state and coordinated since the state declaration was put in place.
- The arrangement of 2,000 filters, to be taken to 9 local churches on Sunday, January 10, is ongoing. The filters have been secured; they are now in the possession of the DTMB. DTMB will return to Flint on Sunday morning to deliver these to necessary locations. The American Red Cross will be on site at each church to assist with distribution and recording addresses (for GIS). The local EOC is working to ensure these arrangements are complete and run smoothly. Future engagement with the faith based community will occur to assist with additional distribution.
- A Flint City liaison has not been in the EOC but starting Monday this will be in place to keep the Flint Mayor apprised of activities being conducted in the city. She also has been advised she can call me at any time if she needs anything.
- Training has been confirmed for the door-to-door operation scheduled to start Tuesday. Four teams are initially scheduled with more to potentially be put in place. These are the teams that will be handing out water, filter systems/replacement filters, test kits and information. If nobody is home, a door hanger with information is being left. DHHS personnel and one MSP trooper will be on these teams.
  - Training will take place at 1 p.m. on Monday afternoon at the DHHS office on Clio Road. DEQ and DHHS will provide the training.
    - Training is so those going door to door can explain what the filters do, how to install them, if they need install help to call 211 who has a list of people who can install the filters, and answer any other questions versus just handing them the filter.

- Hours of operation will be Tuesday through Friday from 8:30 a.m. to 5 p.m. AT THIS TIME. I am reevaluating these times to increase contact with someone versus just leaving information.
- Logistics are being finalized for the teams and trucks to handle stocking and re-stocking of materials during daily operations.
- GIS maps will provide guidance on deployment locations for these teams and other teams in the field.
- A pilot project at Freeman Elementary with LARA and DEQ has been initiated to see if replacing certain plumbing components in faucets at the school will drop the lead level.

### MSP/EMHSD GIS Section Updates

Accomplished Today (January 9):

- Produced a Point of Distribution Map. Contains four types of distribution points; Churches, Water Resource Sites, Filter Distribution Sites, Water Distribution Sites.
- Produced Filter Distribution Map.
- Developed process of how best to handle geocoding the household filter locations, worked on processing the data.
- Worked on map of franchise customers outside of Flint City.
- Produced maps for MDARD on food establishments and Local Health Departments.
- Produced map of Church Filter Distribution map for DTMB.

### Local Emergency Operations Center

- The state has deployed 10 personnel to the Genesee County EOC to ensure we have command and control at the local level. On 1/8/15 The state personnel took over the incident management functions of the Genesee County EOC (not public). The arrival of additional staff allowed the local Emergency Management Coordinator to delegate tasks which relieved a tremendous amount of stress.
- Additional Sheriff staff will be shadowing the state incident management team to allow for transition to the county personnel later in the incident when we are comfortable with them handling things. Not sure when that will be but we have secured a direct bill hotel for staff to stay in Flint as long as needed.
- With the additional staff, the Local EOC will be able to take over functions previously handled by the SEOC including:
  - Logistical activities to support church operations.
  - Logistical activities to support fire stations operations.
  - Coordinate Donations Management activities and draft donations management plan
  - Coordinate Volunteer Management activities
  - Identify local storage/staging facilities
  - Overall inventory tracking
  - Tracking of Points of Distribution (PODs)

Chris

---

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

Update 1/8/16

SitRep 3 attached.

There is a significant difference in what is being presented by the media and what the local EOC is relaying to us at the SEOC. It is also being driven by the media that this is a state versus local response (who is providing more and quicker versus a coordinated effort between all). That said, I advised SEOC personnel that perception is reality in some eyes and we are to move forward to address items that typically are addressed at the local level. I have ordered the SEOC open all weekend due to make the quick wins that we need and continue to get the coordination and collaboration in place that is needed (but make gains on our own as needed).

## Items to Note

- Two FEMA LNO's arrived today and are in the SEOC. A third LNO was requested from FEMA due to some unique issues with this event to include having to deploy more of my staff to the local EOC to get more structure and/or find out why there is an issue with the message the media is showing versus what we are hearing from the local EOC
- We finally received from the local EOC 8 locations (we were told originally early in the week they had 80-90) that are their Points of Distribution (PODs) for water in conjunction with the local food bank. The PODs are not getting water from the food bank even though the food bank has water. We are going to resolve this issue as we can help deliver the water to the PODs but we were not aware of this. 8 PODs is not enough locations if water needs to be distributed to citizens. Speaking with the ARC Regional Administrator later today, I believe ARC got water to those locations but I need to confirm that in the morning. The food bank reported they had 376 cases of water.
- We have learned that a low number of residents are testing their water when DEQ can test 400 kits per day. This is an added focus that we believe can be increased through dissemination of test kits with the filters and any water.
- I found out the Mayor was okay with using fire stations as distribution points for water, filters, and water test kits. While this did not come to me through the local EOC, I advised we needed to get water, filters, and test kits to these locations for tomorrow. The distribution at 5 Flint Fire Department stations has been coordinated to be in place by 10:00 am tomorrow morning.
  - DTMB has provided a truck and driver to pick up water test kits from DEQ lab in Lansing, water from the Food Bank and water filters and replacement cartridges from GCARD in Genesee County.
  - 10 American Red Cross (ARC) volunteers will meet the DTMB truck at GCARD at 9:00 am to be provided information about filters. Instructions will be included in water test kits. They will then report to the 5 fire stations to assist in distribution of resources to the public and track addresses of same.
  - Residents will be told where they can drop off their water test kits, or that they can return them to the fire station the next day. Coordination will occur on pick up of water test kits daily to be taken to the Flint City Hall, who will then delivery them to the DEQ testing lab.
- STILL FINALIZING - We have made available 2,000 Filters for distribution on Sunday as parishioners leave mass/services. This will be 200 filters for 10 churches in Flint. While this is a small number of churches, we do not want to waste an opportunity to hand out filters and this seems like a quick way to so. The filters will be put on the DTMB truck on Saturday for delivery to TBD locations for distribution. Logistics remain undetermined as I am still waiting on a list of the churches, pastors/reverends/hours or services/etc. The DTMB truck will be returning to Lansing approximately 11:00 a.m. so we need to finalize this quickly on Saturday. We may utilize ARC to assist with this.
- The Recovery branch is working with the JIC to develop a door hanger card. DTMB is working on the printing portion of the hanger card. Recovery will also be finalizing logistics over the weekend for neighborhood canvassing to occur early next week. 40 volunteers have signed up to attend training on Monday afternoon to complete this task. The mission will be to deliver water sample kits along with water filters/replacement cartridges, and water.
- It appears that 211 has become overloaded. DHHS is researching ways to increase capacity for calls.
- A Volunteer Management Coordinator is in the Genesee County EOC as of today.
- A Donations Management Coordinator has been requested and she will be in the Genesee County EOC Saturday.
- DHHS had a conference call with GM today; they indicated they can provide cash, and supplies, but primarily manpower. No commitments were made at this point. We inquired as to availability of warehouse space and

trucks. It was left as GM being a major resource pool that we can tap into as we determine missions. Further conversations will occur, but primarily GM just wanted us to know they are there if needed.

- An additional EMHSD staff member was sent to the Genesee County EOC to act as Operations Section Chief and obtain awareness of the situation there.
- GIS staff met with various parts of Genesee County/Flint personnel to try to get a handle on data available.
- GIS continues to work with local GIS personnel with three GIS staff going to Flint today to work with them. GIS staff is working with U of M on how best to proceed with digitizing water lines for long term recovery.

Chris

---

#### UPDATE 1/7/16

A summary of some of today's SEOC activities is provided below. Attached is the following:

- Today's SitRep which contains more information than below.
- The resource request/task assignment sheet for your situational awareness. This is how locals request resources as well as how we track resources and any assignments and/or tasks that are to be completed.
- JIC Task Tracking – for your situational awareness on how we are tracking requests and assignments. Once someone is assigned a task or resource request it allows them to document what work has been or will be done as shown at the bottom of the document.

#### **Items to note:**

- I received a document this evening from Genesee County which appears to be damage assessment information. Analysis of this will occur tomorrow. It appears to be infrastructure and costs to fix it and no other impacts.
- I spoke with Jamie Curtis, Genesee County Commissioner, this evening. A very good relationship is in place with him, especially with our District Coordinator (DC). I also have our DC working on developing stronger relationships with the Mayor/Mayor's office.
- GIS staff continue to obtain data and work with County and City personnel to get a picture of where resources have been provided, need to be provided, as well as infrastructure locations (pipes) that could be affected.
- Personnel and agencies have been tasked with developing a plan to get people in the community to deliver information, hand out filters, etc. This would target those areas we are showing minimal or no filter distribution based on the data we are collecting. The plan is to get them in the field by Tuesday and the plan will be provided to me tomorrow.
- Filters can be obtained at the following locations:
  - Michigan Department of Health and Human Services office, 125 E. Union St., Flint, MI 48502
  - Michigan Department of Health and Human Services office, 4809 Clio Road, Flint, MI 48504
  - Genesee County Community Action Resource Department office, 2727 Lippincott, Flint, MI 48507
  - Genesee County Community Action Resource Department office, 601 N. Saginaw, Flint, MI 48502
- Conducted briefing with local EOC and county executive.
- Conducted briefing with state agencies (daily updates).
- Began work to schedule legislative/congressional conference calls. Tentatively scheduled for 2 p.m. Friday.
- JIC continued to develop messaging.

- Provided input to local EOC regarding best methods of identifying health and non-structural impacts for damage assessment process.
- Deployed two EMHSD/SEOC liaisons to assist the local EOC.
- Published the Incident Action Plan and continued assignment of objectives/tasks.
- FEMA Liaison Officers just arrived in Lansing to assist command and general staff.
- I spoke with Harvey a few times and he should have talking points later tonight or tomorrow a.m. for his use and also for others who may speak to media outside of state government who may benefit from our messaging.
- We held a media round table at 1 P.M. at the SEOC. Dr. Wells and I spoke and answered questions to numerous media outlets.
- Local agencies and NGOs continue to provide water and filters to citizens.
- The website, [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater), was update with information and links to assistance to include 211. Additional recommendations were provided to include information on the testing water in homes.

#### EMHSD GIS:

##### Accomplished Today:

- Reproduced Socio-Economic Status Map
- Reproduced Predicted Affected Populations Map
- Cleansed old data and reports for water filter distributions
- Created draft map of water filter distributions (Refinement needed before releasing final product)
- Scheduled on-site visit with Flint GIS Department and Genesee County GIS Department
- Formatted databases to host content
- Researched service line database creation and scheduled meeting with U of M Flint to discuss timelines and resource needs
- Generated water infrastructure map (does not include building service lines)

##### Tasks for Tomorrow:

- Meet with Flint City GIS
- Meet with Genesee County GIS
- Meet with U of M Flint GIS
- Finalize water filter distributions map
- Finalize plan for data distribution methods

Chris

---

#### UPDATE 1/6/16

A summary of today's SEOC activities is provided below. I tried to distill this as best I could but there has been a lot of activity and discussion to get an accurate assessment of the situation. Attached is the final draft of objectives and tactics for the operational period and agency situation report (SitRep) which has more SEOC agency information. I have implemented weekly operational periods.

Advise if you want anyone else copied or off this distribution.

#### Daily Update

- Set goals for SEOC and identified response/recovery emphasis
- Requested FEMA liaison officers (LNO) from FEMA Region V. Two LNOs will be on site by ~3 p.m. 1/7/16. Both are known contacts to me and some staff and one has worked extensively with me during the SE MI flooding in a command and control position. These personnel have been specifically tasked with this mission. **THEY ARE NOT HERE TO ASSIST WITH A PRESIDENTIAL DECLARATION REQUEST BUT TO ASSIST ME.**

- PIOs from multiple agencies were here and established the Joint Information Center (JIC). News released pushed out on this. I am very happy with the PIO work and movement toward coordinated messaging.
- Held briefing for State Agency Emergency Management Coordinators, which included presentations from DEQ and DHHS subject matter experts to ensure situational awareness and to develop a common operating picture.
  - I opened the briefing by identifying our initial goals, items to think about while subject matter experts were briefing us, and how we are to move forward, find quick wins, and regain trust.
  - **MDHHS – Elevated Blood Lead Levels**
    - Dr. Elizabeth Wells gave an in depth summary of lead poisoning and what has occurred in terms of health monitoring throughout the Flint crisis.
  - **MDEQ – Water Testing Protocols**
    - Mr. George Krisztian of MDEQ gave an in depth summary of the testing protocols and summary results that as they have developed throughout the emerging crisis.
- Developed Incident objectives, strategy and tactics (see attached)
- Identified SEOC and state agency staff positions
- Assigned work tasks for SEOC operation period from 0800 January 6, 2016 to 1700 January 8, 2016
- Reviewed planned actions, prepared final draft Incident Action Plan
- **Made contact with the Genesee County Emergency Manager first thing in the morning and held a conference call mid-day to discuss roles. Daily 0830 command conference calls with local EOC command staff starts tomorrow. Tomorrows call will include the County Commissioner and the City Administrator (both invited). Topics include the incident action plan objectives and establishing better local coordination, command and control to facilitate integration with the SEOC. The local EOC is not functioning as it needs to with personnel and local coordination and we are working on that issue.**
- I will be in Flint tomorrow for a 2 p.m. media round table with local officials that was set up by the JIC.
- The attached initial objectives will be updated at least every operational period and as needed. I listed the objectives below but the tactics to accomplish them is in the attached if you want further information.
  1. Activate the State Recovery Task Force (SRTF).
  2. Establish and maintain coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate medical experts.
  3. Obtain and maintain situational awareness and common operating picture of all activities.
  4. Establish SEOC operational period and hours of operations.
  5. Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program.
  6. Develop a comprehensive GIS strategy.
  7. Coordinate response and recovery activities with MIVOAD and identify potential mission areas.
  8. Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies.
  9. Provide technical assistance to the local Damage Assessment process.
  10. Establish a Joint Information Center (JIC) and develop a public information strategy.
  11. Monitor MI CIMS for resource requests and address as appropriate.
  12. Establish and disseminate cost center information for the incident.
- Additional tasks include:
  - Determine what federal agencies are already involved and their status
  - Identify potential water supplies
  - Determine where affected homes are located, where filters/pitchers (and replacements) were installed/provided, and determine who needs filters, etc.
  - Determine how filter distribution is handled, and if it can be handled more efficiently and effectively
  - Determine what mechanisms are in place for nutrition supplementation

#### **EMHSD GIS Accomplishments:**

- Hosted a conference call to begin coordination with Flint City and Genesee County GIS departments and the SEOC

- Established a daily call with county and city GIS personnel to synchronize GIS efforts in support of the Flint water crisis at 8:30 A.M.
- Began consolidating local data from local GIS practitioners into a consolidated database, to include:
  - Water Pipeline Locations
  - Filter Distribution Locations
  - November 25, 2015 Water Monitoring Results (Partial, some data remains to be digitized)
  - Affected School Locations
  - Predictive analysis of blood lead levels for affected area
  - Updated Parcels
  - Demographics
  - Block Groups
- Produced a map for the filter distribution locations
- Began contacting specialists who developed historic maps depicting the Flint Water Crisis to obtain the data

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:13 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** RE: Update - Genesee County Declaration

I forgot to advise that we have asked key state agency PIOs to be in the SEOC for the briefing.

---

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:06 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** Update - Genesee County Declaration

Below are some key points for your situational awareness (FYSA) that have taken place or will take place within the next 15 hours.

- I was on the phone with Sean Kammer, Assistant to the Flint City Administrator, when the declaration hit the news so I advised him immediately. He was going to let the City Administrator know.
- I contacted MSP Lt. Roach, 3<sup>rd</sup> District Coordinator, who was at the Genesee County EOC and advised her to let the County EM know the declaration status.
- State Emergency Management Coordinators (SEMCs) were notified via our notification system with additional information in an email.
  - This included information on the SEOC activation and a 0900 briefing for SEMCs.
  - Some subject matter experts will provide us an update to establish a common operating picture.
- We have been in contact with FEMA Region V watch desk ... they will be on the call tomorrow and continue to monitor the situation.
- I have been in contact with the FEMA Region V Administrator to keep him updated.
- Operational period for the SEOC will be M-F, 0800 to 1700 at this time.
- Situation Reports (SitReps) will be provided in the evenings.
- An Incident Action Plan will be developed tomorrow.

Call me with any concerns or questions.

Chris

## This is a high-contrast, black and white map of a city grid, likely New York City. The map shows a dense network of streets and blocks. A large body of water, possibly a bay or harbor, is visible on the right side of the map. The map is oriented with North at the top. The image is heavily degraded with noise and artifacts, making it difficult to read specific labels or details. The map shows a grid of streets with some larger, irregular shapes that might represent parks or other landmarks. The overall appearance is that of a very old or poorly preserved document.

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 01/26/2016 08:00:00  
Operational Period End: 02/02/2016 08:00:00  
Situation Report No. 21  
SEOC Status: Full  
SEOC Hours of Operation Begin: 01/26/2016 08:00:00  
SEOC Hours of Operation End: 01/26/2016 20:00:00

## Executive Summary

SEOC Update:

Accomplished today (January 26):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

• Logistics:

- o Identified alternate way for drivers to communicate Rapid Response orders (radios instead of iPads).
- o Processed requests (RRF's) for water from the FEMA staging area.
- o Discussions with Target on routine water deliveries.
- o Resolved blue pallet issue (company will pick them up from warehouse).
- o Researched warehouse options with local EOC, FEMA, and Target.
- o Inventory quantity standardization will begin Wednesday, 1/27, inventory will be counted in liters and by "each".
- o Requested an optimal warehouse inventory staffing plan.
- o Attended a conference call with FEMA inventory and logistics team.
- o Secured 2 (DTMB and Belle Tire) out of 3 requested trucks/drivers for Food Bank.
- o Working on replacement strategy for (4) broken pallet jacks at PODs.
- o Created a table of document translations and printing requests and status.
- o Reviewed, assigned, investigated, and updated resource requests.

• JIC:

- o Released daily distribution data release and map this morning.
- o Worked with the SEOC and FEMA to schedule a legislative and Congressional briefing today at 2:30p.

• Recovery Branch:

- o Coordinated data entry for ARC paper tracking forms with SEOC and state agency personnel.
- o Compiling a list of apartment complexes for targeted outreach. Once the plan is in place a team will go to each complex and verify tenants have received filters and GIS will mark parcel as complete.
- o Worked with GIS to acquire addresses for all FWRT responses.
- o Operations for the Water Response Teams has shifted to a targeted effort to get filters into homes that we show have not been contacted.
- o Continued to work on demobilization of trucks and vans.

o Data is for 1/26/16 as of 5:00 pm:

- o Total homes visited:
  - 3,846 (round 3 total).
  - 1,350 (today).
- o Water Cases:
  - 1,768 (round 3 total).
  - 727 (today).
- o Replacement cartridges:
  - 170 (round 3 total).
  - 170 (today).
- o Faucet filters:
  - 1,201 (round 3 total).
  - 677 (today).

• Planning Section:

- o Published Sit Rep # 21.
- o Worked with Resource Unit Leader and Logistics to enhance number tracking.
- o Participated in daily conference calls (local, state agency and distribution process meeting).
- o Provided burn rate data from PODs and FWRT to FEMA.

• Operations Section:

- o MDOT is working with the SEOC on resource redistribution at PODs.
- o 74 Red Cross volunteers were active across the operation today.
- o 24 Event based volunteers were active on the operation today.

o 58 National Guard on ground today.

o Warehouse Numbers as of 1800:

□ Water (cases):

• 57,312.

□ Filters (faucet):

• 39,501.

□ Replacement cartridges:

• 118,597.

□ Filters (pitcher):

• 2,778.

□ Test Kits (prepped):

• 48.

□ Test kits (un-prepped):

• 0 (all supplies out to ARC for assembly).

o PODs (1700 1/25 – 1600 1/26).

□ Water (cases).

• 9,464.

□ Filters (faucet):

• 576.

□ Replacement cartridges.

• 767.

□ Filters (pitcher):

• 10.

□ Test kits.

• 437.

• Finance Section:

• Update the spend plan with updated state agency costs.

• Had discussions with Genesee County Controller to discuss the requested Category B costs.

• Reviewed warehouse packing slips to provide Home Depot documentation to DHHS.

• Attending meeting at MSP HQ to discuss procurement processes and approvals.

• GIS Branch Updates:

• Coordinated with DEQ on building lead service line data for mapping.

• Worked to geocoding outstanding data collected in the field.

• Produced Zip code map for Flint and surrounding municipalities for DHHS.

• Produced updated map to assist with team assignments for tomorrow.

• Reloaded priority population data sets.

• Updated the City of Flint parcel map to include parcels outside city limits that purchase water from the city.

DTMB:

• Worked with the Department of Corrections today to coordinate state assets for continued support of operations tomorrow.

• Worked with logistics to return rented vehicles and consolidate resources.

• Secured additional space in the Flint state office building for federal partners.

DHHS-CH:

• Disaster Behavioral Health planning is being worked on by SAMHSA.

• Federal agency unified coordination center is being setup in the next two days.

DEQ:

• Updated water data sent to GIS and JIC for dissemination and publishing.

• Coordinated sampling teams with the EPA and DEQ.

Local EOC Update:

• Delivered iPad's to warehouse and provided on-site training to drivers, followed with written instructions.

• Coordinated today's rapid response deliveries.

• Ongoing resource request coordination with SEOC.

• Facilitated recycling planning meeting and planned for implementation of the program.

• Attended local "Pastors and Police" meeting to coordinate water distribution plan with faith-based organizations.

• Coordinated the incoming donations of water and filters through the Michigan Community Service Commission.

• Coordinated volunteer management with Michigan Community Service Commission, ARC and other VOADs.

• Planning for transition of operational control to local level.

## Incident Response/Recovery Priorities/Objectives

(Objectives are in order of priority with original objective number attached)

1. Ensure all households within impacted community have required resources.

2. Ensure accurate tracking and accounting of all commodities.

7. Gather, analyze, and disseminate GIS data to develop products for future planning.

10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.

3. Improve and maintain the public information strategy and process.

8. Maintain coordination between partner agencies and organizations to include FEMA IMAT and the FWCC

4. Develop a long term public health and services plan.

6. Develop an overview of possible assistance programs.

9. Enhance situational awareness and common operating picture of all activities.

5. Continue to maintain adequate staffing to support operational requirements.

**Damage Assessment Summary****Agency Summaries****Joint Information Center / Public Information Officer**

The Joint Information Center (JIC) was expected to be operational in Flint from 8 a.m. to 8 p.m. on Jan. 26. The JIC was operational

until 10:30 p.m. on Jan. 25.

State agencies at the JIC included the Michigan State Police, Michigan Economic Development Corporation, and Departments of Environmental Quality, Health and Human Services, Agriculture and Rural Development, Transportation, and Military and Veterans Affairs. The Federal Emergency Management Agency, Genesee County Sheriff's Office and American Red Cross were also present.

**Tasks accomplished:**

- Drafted and issued social media posts about water response teams and sites.
- Provided MDHHS talking points to 2-1-1 about bathing in Flint water. Will also include information in nightly activity news release.
- Worked with DTMB to make digital public information products ADA compliant, including the filter replacement video and [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater) website. ADA issues for [www.helpforflint.com](http://www.helpforflint.com) were forwarded to the Governor's Office.
- Worked with DTMB to optimize search engine results for [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater) on Google and Bing.
- Reorganized [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater) so citizens can find information easier.
- Media hotline staff answered more than 15 emails and phone calls ranging from lead water testing to undocumented immigrant identification.
- Key agency PIOs fielded multiple news inquiries throughout the day, including conducting or scheduling interviews with the Gospel Radio Network, MIRS, Associated Press, ABC 12 in Flint and New York Times, Detroit Free Press, WILX-TV, MLive, Al-Jazeera, Michigan Radio, and ATTN.
- Coordinated with FEMA to hold a 2:30 p.m. legislative and congressional conference call.
- Created a media monitoring report and looked for information requiring correction; found none.
- Updated internal talking points about the ongoing Flint water emergency.
- Continued routing public information materials for approval, including communications from MDE, MDHHS and MDARD.
- JIC is planning to issue the nightly activity news release around 7 p.m. Will include information on bathing, recycling and checking on your neighbors.

**Agriculture and Rural Development (MDARD)**

Tuesday, Jan. 26 - Followed up on whether or not SBA would have low cost loans for pipe replacement; followed up on conference call AID is setting up for Friday with industry partners; food establishment compliance list process has been approved and will be posted on the Flint water website and updated daily. Food establishment assessment totals for today: 34 assessments and 7 water samples collected. Assessment totals completed to date: 165 assessments, 26 water samples collected.

**American Red Cross (ARC)**

The American Red Cross deployed and supported 10 Water Response Teams today. We provided snacks for event-based volunteers.

The Volunteer Reception Center (VRC) was in full operation today. The VRC is scheduled to be open from 9am to 7pm each day through Friday. The weekend schedule has not yet been set. We have been assembling water test kits again today.

**Civil Rights (MDCR)**

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Provided contact information for community group to provide additional water filter data to GIS. Shared additional Flint demographic data with staff from the American Community Survey. Today Governor Snyder signed Executive Order 2016-3 transferring the ethnic commissions – the Hispanic/Latino Commission of Michigan (HLC), the Michigan Asian Pacific American Affairs Commission (MAPAAC), and the Commission on Middle Eastern American Affairs (CMEAA) - from MDCR to the Department of Licensing and Regulatory Affairs (LARA). Each commission will continue working to enhance economic opportunity, prevent discrimination and encourage cultural awareness. LARA is the home of the Office of New Americans, and the move will help streamline the human resources and budgetary functions of each commission. The transfer will take effect in 60 days.

**Community Health (MDCH)**

The CHECC remains activated at Level 2, and a phone bank is staffed at the CHECC from 0800 - 1700 daily to support the Genesee County Health Department by answering health-related questions that 2-1-1 cannot answer. In summary, as of January 26, the CHECC hotline had received a total of ninety calls since initial activation on Friday, January 15. Of these calls, twenty-three had been referred to personnel assigned to the CHECC Epidemiology Desk. Furthermore, the CHECC hotline received and facilitated five requests for rapid response team deployment. Common questions/issues directed to the hotline focused largely on lead testing and bathing considerations, noted on the table below.

The CHECC continues to work on a variety of activities to include Disaster Behavioral Health planning, nutritional planning, coordination with the local health department, development and dissemination of messaging to healthcare providers, and gathering information necessary to support the overall federal response efforts. The CHECC reached over 80,000 healthcare providers using WebMD Medscape, and continues planning efforts to craft messages for various medical specialty providers such as pediatricians and obstetricians.

In support of the Disaster Behavioral Health planning, MDHHS has also facilitated the implementation of the Disaster Distress Hotline that has been made available on the Flint Water website, offering 24/7 anonymous crisis counseling for individuals affected by the incident.

MDHHS has worked with the US DHHS to query emPower data on the medically-dependent individuals residing in the Flint area, to ensure that they are contacted by the Flint Water Response Teams. Their locations have been mapped by GIS and provided to the LEOC for follow-up and rapid response deliveries.

MDHHS leadership and CHECC staff continue to meet with federal partners from SAMHSA and HHS/CDC today to discuss technical assistance and federal activities. Michigan's HHS Regional Coordinator will serve as the Federal Health Coordinating Officer (FHCO) within a Unified Coordination Group (UCG) that will be operational this week in an effort to streamline information and coordinate federal activities. A LNO will be located in the CHECC to serve as the liaison between the UCG and MDHHS.

MDHHS ordered 100 Blood lead level testing kits, and the accompanying ancillary supplies, to be shipped to the Genesee County Health Department in support of their blood lead testing clinics. MDHHS is also working in coordination with Michigan State University to support blood lead testing efforts.

The CHECC maintains ongoing daily correspondence with both the EMCs in the SEOC and the Local Health Department to offer assistance and guidance as necessary.

#### **Corrections (MDOC)**

The MDOC continues to operate the warehouse on Clio Rd. The primary mission of the warehouse is to manage the flow of water, kits, etc. to the residents of Flint. To that end, staff in Flint continue to work closely with the MSP and the National Guard to maintain a steady flow of product to the PODS in a timely fashion and other sites as determined by both local EOC and the SEOC. In addition to this mission we continue to deliver the test kits to DEQ for processing, today 564 test kits were delivered to DEQ in Lansing. We also continued the process of delivering loaned vehicles from Penske back to their point of origin.

For today's mission we had the following resource's and personnel on site in Flint:

(17) - MDOC employees

(6) - MDOC - SAI Provided one (1) 6 person work crew

(2) - Passenger vans w/driver

(1)- Regular Cab Pickup w/driver

(1) – F-250 Pickup

(5) – Box Trucks w/driver

(1) - 53' Refrigerated Semi-Trailer

(3) - Electric Pallet Jacks

(7) – Hand Pallet Jacks

(1) – Warehouse Manager

(1) – Warehouse Security Person w/vehicle

All vehicles drivers have 800 MHz Radio Operability (G EVENT 9)

#### **Education (MDE)**

1. MSD reports that LARA has tentatively scheduled Stevens Hall for testing on 5 and 6 February.
2. MSD is coordinating with parents to get their consent forms for Genesee County Health Department blood testing on February 8.
3. MSD reports they have been getting abundant water donations.
4. Marla Moss reports Vista Fletcher, USDA Branch Chief, School Nutrition Programs and Food Distribution, is onsite in Flint.
5. GISD (Dr. Treder) has shared a detailed listing, by school, of students residing in impacted zip codes from Early Childhood-grade 5 students and by age groupings. Work continues in this regard.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

Sent updated water data to GIS for mapping and JIC for web-publishing.

#### **Human Services (MDHS)**

Talked with MDHHS purchasing director regarding past, in process, and possible future procurements.

Two Genesee Co MDHHS offices continue to be points of distribution for filtration devices.

Genesee Co MDHHS director Mose, was at local EOC today, working with local EM on human service topics.

MDHHS's Michigan Community Service Commission (MCSC) remains heavily active locally with donation management, and volunteer coordination.

CHECC continues to maintain a Level 2 Activation

#### **Licensing and Regulatory Affairs (LARA)**

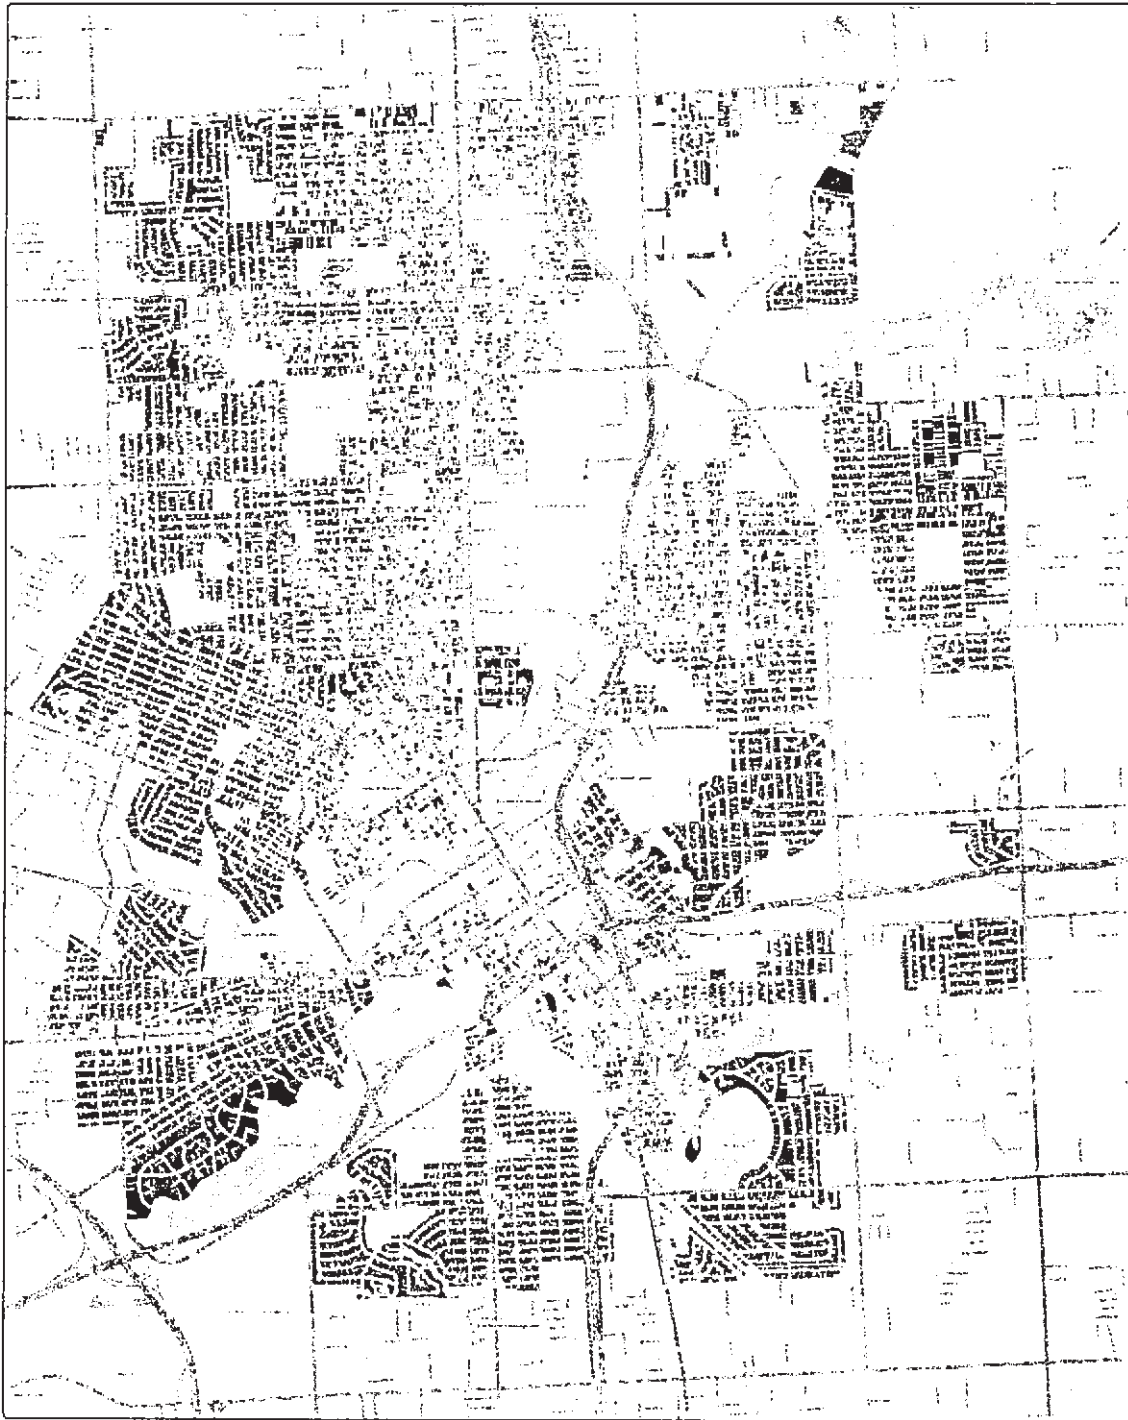

-Updated the LARA Executive Team

-Finalizing Health Care Facility survey information and comparison.

MIRS BREAKING NEWS: Snyder Taps Edwards, Hanna-Attisha To New Panel -- 12:17 p.m.  
[http://www.mirsnews.com/alert.php?alert\\_id=2174](http://www.mirsnews.com/alert.php?alert_id=2174)

---

(FLINT) -- Backed by Flint Mayor Karen WEAVER and a slew of state officials, Gov. Rick SNYDER announced the creation of a new panel to make long-term recommendations on the Flint water crisis, which includes the two who blew the whistle on lead being in the state's municipal water supply -- Marc EDWARDS and Mona HANNA-ATTISHA.

Opening a state government office in Flint aimed at the crisis, expanding Medicaid for people under the age of 21 in Flint, the \$28 million supplemental bill and replacing water fixtures in Flint's public schools were other actions laid out by the Governor and state agency directors today.

Snyder's tone was markedly somber throughout the conference.

"This is about continuing to take action," Snyder said. "Now is the time to act to do things to continue to help the people of Flint address the damage that's been done, both in the short term, the intermediate term and the long term, and we're continuing to getting that done."

Also announced at the conference the appointment of a panel of experts to "oversee long-term solutions" for the Flint water crisis.

The panel, deemed the Flint Water Interagency Coordinating Committee, will exist within the Michigan State Police and is comprised largely of local figures and the experts credited with bringing the crisis into the national spotlight.

But state officials will have a significant presence, as well. The directors of the departments of Environmental Quality (DEQ), Health and Human Service (DHHS), Licensing and Regulatory Affairs (LARA), in addition to the state treasurer, superintendent and director of the Office of Urban Initiatives.

Representing Flint will be Weaver; Hanna-Attisha, the pediatrician who first revealed elevated lead levels in the blood of Flint children; the city's administrator Natasha HENDERSON, and a professor of mechanical engineering from Kettering University, Laura SULLIVAN.

Genesee County will be represented by Jamie CURTIS, the chairman of the county's board of commissioners; Mark VALACAK, the Genesee County Health Department's health officer and Jim KOSKI, the retired Saginaw county drain commissioner.

Edwards, the Virginia Tech water quality expert whose extensive research into Flint's water issues provided the scientific basis for the crisis, will serve on the panel representing "subject matter experts," along with Lawrence REYNOLDS, who is the president and CEO of the Mott Children's Health Center.

Weaver also announced in her statements that Edwards had been "retained by the city of Flint to oversee all water testing done by the state and federal government."

According to a statement issued by the Governor's office, one other member will be named at a later date.

## Klotz, Josephine (MSP)

---

**From:** Governor's Office <governorsoffice@govsubscriptions.michigan.gov>  
**Sent:** Wednesday, January 27, 2016 5:08 PM  
**To:** Etue, Kriste (MSP)  
**Subject:** Wednesday Jan. 27 update from the Flint Water Response Team

# FLINT WATER RESPONSE TEAM

UPDATE | WEDNESDAY, JANUARY 27, 2016

This daily update is being issued in order to provide the latest information regarding actions and available resources.

In Flint today, Governor Snyder held a press conference with Mayor Karen Weaver to announce a comprehensive effort to improve health, infrastructure, and economic opportunities. The goal is to make Flint a stronger city after the water crisis.

As part of that effort, the Governor announced that one of his top aides, Flint-native Rich Baird, will lead a team with an office in the city focused on improving the quality of life.

In addition, the Governor said that Professor Marc Edwards and Dr. Mona Hanna-Attisha, from Hurley Hospital, both instrumental in bringing to light the problems of elevated blood lead levels in the city, have agreed to be part of the Flint Water Interagency Coordinating Council (FWICC).

**[Click here to read more about the latest updates from Flint.](#)**

Since January 9, our water resource teams have been delivering critical clean water resources:

- 186,309 cases of bottled water
- 94,301 filters
- 29,841 water testing kits

## REMINDERS

- For Flint water assistance: Dial 211 or visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)
- To donate or volunteer: visit [www.HelpForFlint.com](http://www.HelpForFlint.com)
- Residents should install filters to their taps to ensure they have immediate and ongoing access to safe water. Only run cold water through the water filter and use filtered water for drinking and cooking. Monitor the cartridge on the filter and replace as needed.

## WATER RESOURCE LOCATIONS

These sites are open seven days a week from 9 a.m. to 9 p.m. with the following resources:

- Bottled water

- Water filters
- Replacement cartridges for water filters
- Water testing kits pick-up
- Drop-off location for water testing kits

Fire Station #1  
310 East 5th St.  
Flint, MI 48502

Fire Station #3  
1525 Martin Luther King Ave.  
Flint, MI 48503

Fire Station #5  
3402 Western Rd.  
Flint, MI 48506

Fire Station #6  
716 West Pierson Rd.  
Flint, MI 48505

Fire Station #8  
202 East Atherton Rd.  
Flint, MI 48507

We will continue to work to improve the water situation in Flint. Community members and local officials are working together to make sure we hear and respond to concerns. Governor Snyder will continue to keep you updated on the latest news and information. **If you don't find the resources you need by dialing 211 please call the Governor's office directly at 517-335-7858.**

### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

#### Update 1/27/16 – 23<sup>th</sup> Day (22<sup>nd</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

##### Attached Documents:

- Sit Rep 22
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today. (Provided earlier by GIS)
    - The first one indicates based upon the outreach that has been conducted, which parcels have had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today. (Provided earlier by GIS)
    - The second map indicates the status of residents that have or have not received a filter.

##### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
  - ARC teams are targeting the homes we show that were not visited.
- Information provided to the Governor's Office (Paul Smith) for an extension to the Governor's Declaration of an Emergency. This has to be approved by both houses of the legislature. The extension will put us on the same timeline as FEMA's declaration.

### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- Recovery Branch compiled a list of targets for apartment complexes. Once plan is in place, a team will go to each complex and verify all tenants have been given or have a water filter. Once outreach has taken place for each complex, GIS will manually mark entire parcel as complete.
- SEOC Logistics worked with the Michigan Community Service Commission on donations management and volunteers
- GIS coordinated with DNR and DEQ to establish timelines for lead mapping and strategize updates of lead statuses based on plumber activities.
- GIS coordinated with DTMB/CSS to meet with local GIS staff to review city GIS infrastructure and provide recommendations on future asset management.
- Planning and Financial provide information for Senate Appropriations Committee meeting this afternoon.
- Financial Reviewed donations as match guidelines for required 25% federal match.
- Information reported to the JIC:
  - As of 1/27/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

#### 1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Canvassing Total	Targeted Canvassing Mission 1/27/2016
30,770	37,844	4,966	1,020

#### 2. Distributed:

Commodity	Total to Date
a. Number of cases of water	196,456
b. Filters	95,417
c. Filter cartridges	200,654
d. Test kits	30,255

#### 3. Resources purchased\*:

- a. Cases of water 165,042 (additional 32,234 donated)
- b. Filters 154,052
- c. Filter Cartridges 299,508
- d. Test kits 62,701

#### 4. Teams going out tomorrow:

- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

### Standing Information Requirements

#### 1. Number of homes visited each day:

- a. 1/27/16, as of 5 pm, 1,020 homes were visited today.

#### 2. Total number of homes visited:

- a. Targeted Canvassing Mission: 4,966

#### 3. Total number of National Guard on the ground:

- a.
  - i. Number in PODs:
  - ii. Command Cell:
  - iii. Cyber Mission:
  - iv. Joint Forces Headquarters:

#### 4. Total Number of Volunteers each day:

- a. 109 volunteers for 1/27/2016.

#### 5. \*Number of homes with filters:

Total	Number with filters
-------	---------------------

	Number	
Residential parcels	38,238	22,939
Active residential water subscribers	26,673	19,677

**6. Number of Water filters distributed (each day and to date):**

- a. 971 were distributed on 1/27/2016, and total distributed to date is 95,417.

**7. Cases of Bottle water distributed (each day and to date):**

- a. 7,592 were distributed on 1/27/2016, and total distributed to date is 196,456.

**8. Number of testing kits distributed (each day and to date):**

- a. 341 were distributed on 1/27/2016, and total distributed to date is 30,255.

**9. Number of people tested for elevated blood levels (kids, adults, total):**

- a. Per CHECC: People Tested for Lead 10/1/2015 to 1/22/2016: \*3,351

\*this data is updated bi-weekly

**10. Number of people with elevated blood level (kids, adults, total):**

- a. Per CHECC: These numbers are only updated bi-weekly
- i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
  - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
  - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 22

**11. Number of homes with safe drinking water:**

- a. 2,991 homes, per data from September 3, 2015 to January 27, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

\*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number – Phase II questions were developed to help clean this up.

GIS Information

AS OF 1/27/2016 AT 5 p.m. USING DATA FROM FLINT WATER RESPONSE TEAMS, POD DISTRIBUTIONS, AND GENESEE COUNTY HEALTH DISTRIBUTION DATA.

NOTE: PLEASE REMEMBER THAT PAPER DATA AND DATA ENTRY FROM PREVIOUS DAYS CONTINUES TO COME IN AND WILL BE INCLUDED IN THE TOTALS AS IT IS RECEIVED.

We are tracking **38,238** residential parcels that the City of Flint has identified as non-vacant (including Franchise). Of those:

- **34,849 (91%)** of the parcels have been engaged (e.g. face to face, left an information card, etc.) as part of response efforts
- **22,939 (60%)** of the parcels have been confirmed to have some form of filter
- **10,723 (28%)** of the parcels have volunteered for water testing sites
- **4,918 (13%)** of the parcels have not had personal contact (not home or did not visit a POD)

We are also tracking that there are 29,994 active water subscribers (metered service lines) in the city. When consolidated down and filtering out only residential there are **26,673** residential parcels that have the ability to use the Flint Water System. Of these

- **25,457 (95%)** of the parcels have been engaged as part of response efforts
- **19,677 (74%)** of the parcels have been confirmed have some form of filter
- **9,561 (36%)** of the parcels have volunteered for water testing
- **3,718 (14%)** of the parcels have not had personal contact (not home or did not visit a POD)

Local EOC

- Planning for transition of operational control to local level.
- Identifying and securing additional warehouse space for donations management.

- Coordinating rapid response deliveries to identified locations.
- Coordinating demobilization of vehicles and technology.
- Working to implement recycling program. Press conference scheduled for 01/28/2016.
- Coordinating in-kind and monetary donations through Michigan Community Service Commission.
- Coordinating volunteer management with Michigan Community Service Commission, ARC and other VOADs.

Chris

---

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/26/16 – 22<sup>th</sup> Day (21<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Validate all data from the WRTs/PODs and identify focus areas.

#### Attached Documents:

- Sit Rep # 21
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first one indicates based upon the outreach that has been conducted, which parcels have had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

#### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
- Press conference to be held in Flint with the Governor, Mayor and some state agency personnel.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- We have taken a significant number of paper records from the ARC WRTs so we can get the data entered into our system. MSP HQ staff has been pulled to the SEOC for data entry. These are a portion of the records the ARC had as they were not using the door to door App as directed. This data will further clarify areas covered/not covered by any teams.
- The WRTs are going to “targeted” locations where we are showing residences not contacted.
- We are working on identifying any multi-unit housing to ensure all have filters (e.g. apartment buildings). Some have been taken care of but we are ensuring these locations are not missed.
- Information reported to the JIC:

- o As of 1/26/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Canvass Mission Total	Targeted Canvassing Mission 1/26/2016
30,770	37,844	3,946	1,350.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	186,309
b. Filters	94,301
c. Filter cartridges	199,489
d. Test kits	29,841

3. Total number of customers on the Flint water system

- a. 29,994 current water system subscribers
- b. ~45,000 hookups (This is our high end target #)
- c. ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased\*:

- a. Cases of water 146,142 (additional 26,834 donated to the state warehouse and does not include other locations like GCCARD/Food Banks, Churches, etc.)
- b. Filters 154,052
- c. Filter Cartridges 299,508
- d. Test kits 62,701

5. Teams going out tomorrow:

- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

Standing Information Requirements

1. Number of homes visited each day:

- a. 1/26/16, as of 5 pm, 1,350 homes were visited today.

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 3,946

3. Total number of National Guard on the ground:

- a.
  - i. Number in PODs:
  - ii. Command Cell:
  - iii. Cyber Mission:

4. Total Number of Volunteers each day:

- a. 98 volunteers for 1/26/2016.

5. \*Number of homes with filters:

- a. 18,487 homes had filters, per entered GIS data as of 1/25/2016.

6. Number of Water filters distributed (each day and to date):

- a. 1,091 were distributed on 1/26/2016, and total distributed to date is 94,301.

7. Cases of Bottle water distributed (each day and to date):

- a. 7,862 were distributed on 1/26/2016, and total distributed to date is 186,309.

8. Number of testing kits distributed (each day and to date):

- a. 403 were distributed on 1/26/2016, and total distributed to date is 29,841.

9. Number of people tested for elevated blood levels (kids, adults, total):

- a. Per CHECC: People tested for lead 10/1/2015 to 1/8/2016: 2,642;

\*this data is updated bi-monthly

**10. Number of people with elevated blood level (kids, adults, total):**

a. Per CHECC:

- i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 28
- ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
- iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 15

\*this data is updated bi-monthly

**11. Number of homes with safe drinking water:**

- a. 1,099 homes, per data from September 3, 2015 to January 22, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

\*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number – Phase II questions were developed to help clean this up.

Local EOC

- Delivered iPads to warehouse and provided on-site training to drivers, followed with written instructions.
- Facilitated recycling planning meeting and planned for implementation of the program.
- Attended local “Pastors and Police” meeting to coordinate water distribution plan with faith-based organizations
- Planning for a transition of operational control to local level.
- Coordinated the incoming donations of water and filters through the Michigan Community Service Commission.
- Coordinated volunteer management with Michigan Community Service Commission, ARC and other VOADs.

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

Update 1/25/16 – 21<sup>th</sup> Day (20<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Validate all data from the WRTs/PODs and identify focus areas

Attached Documents:

- Sit Rep # 20
- Michigan Department of Health and Human Services Situation Report for January 20, 2016
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first map indicates based upon the outreach that has been conducted, which parcels have had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.

- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).

Items to Note

- 11 ARC Flint Water Response Teams to the field today.
- 8 EPA PIOs will be in the JIC tomorrow. The JIC is unaware of the role or expectations at this time.
- Reference the rash I discussed on the call tonight:
  - There was one specific complaint about rashes that Community Health personnel plan on working with ATSTD/CDC. DEQ is requesting that EPA collect all appropriate water samples to enable a full analysis of the water at the address (an apartment) for bacterial contamination, and a full metals and organics panel. Lead is not associated with skin rashes, but other contaminants are and DEQ wants to find out what, if any, other contaminants are in the water.
  - It was also discussed that it would be ideal if Community Health can forward to the EPA the other addresses and contact information for which they've received complaints of rashes, so that EPA could also test there for appropriate parameters to see if we can identify a cause.
  - SEOC DEQ desk will continue to monitor and work this issue.
- SEOC OPS, Health, MDEQ SEOC, Logistics participated in conference calls with the Governor's office and private partners on potential alternative filtration systems for schools, daycares, etc.
- Created a form for drivers to track rapid response deliveries.
- Media avail at fire station 8 this morning received positive news coverage.
- The NAACP is holding a public meeting at U of M Flint on Tuesday.
- Rachel Maddow will hold a town hall meeting on Wednesday. MSP Third District Commander advised.
- Developed new Incident Action Plan (#7 published in MICIMS) and ICS 204s for the new operational period (1/26/2015-2/2/2016).
- MDOC assumed all warehousing responsibilities today.
- Reviewed state agency financial information received for update to current spend plan.
- Information reported to the JIC:
  - As of 1/25/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Canvassing Mission 1/25/2016
30,770	37,844	2,596 – ARC*

\*American Red Cross data has not been entered in the app, but is currently being caught up. Starting January 26, 2016, the American Red Cross has been instructed that iPads must be used in the field for data entry in order to clearly capture the homes that have filters.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	176,118
b. Filters	93,048
c. Filter cartridges	198,552
d. Test kits	29,320

3. Total number of customers on the Flint water system

- 29,994 current water system subscribers
- ~45,000 hookups (This is our high end target #)
- ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased\*:

- a. Cases of water 141,982 (additional 24,634 donated)
- b. Filters 124,052
- c. Filter Cartridges 285,586
- d. Test kits 62,701

\* Numbers have not been updated due to the following circumstances:

- Outstanding donations and inventory at the warehouse which has not been reported to the SEOC. Staff in the SEOC is working with donations management and warehouse to reconcile numbers.
- Outstanding data from GCCARD on deliveries from 1/8-1/12. Staff in the SEOC and local EOC is working with GCCARD to obtain data.
- At the beginning of tracking the planning factor used was 72 cases of water per pallet and 22 pallets per semi-truck. Per bill of lading received from the warehouse today, it has been identified that this assumption is not correct. Staff is working to reconcile numbers.

5. Teams going out tomorrow:

- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

### Standing Information Requirements

1. **Number of homes visited each day:**

- a. 1/25/16, as of 5 pm, 2,596 homes were visited today.

2. **Total number of homes visited:**

- a. Phase II: 37,844
- b. Targeted Canvassing Mission: 2,596

3. **Total number of National Guard on the ground:**

- a.
  - i. Number in PODs: 6
  - ii. Command and Control Staff for NG Personnel:

4. **Total Number of Volunteers each day:**

- a. 135 volunteers for 1/25/2016.

5. **\*Number of homes with filters:**

- a. 17,595 homes had filters, per entered GIS data as of 1/22/2016.

6. **Number of Water filters distributed (each day and to date):**

- a. 1,151 were distributed on 1/25/2016, and total distributed to date is 93,048.

7. **Cases of Bottle water distributed (each day and to date):**

- a. 9,514 were distributed on 1/25/2016, and total distributed to date is 176,118.

8. **Number of testing kits distributed (each day and to date):**

- a. 478 were distributed on 1/25/2016, and total distributed to date is 29,320.

9. **Number of people tested for elevated blood levels (kids, adults, total):**

- a. Per CHECC: People tested for lead 10/1/2015 to 1/8/2016: 2,642;

10. **Number of people with elevated blood level (kids, adults, total):**

- a. Per CHECC:
  - i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 28
  - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
  - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 15

11. **Number of homes with safe drinking water:**

- a. 1099 homes, per data from September 3, 2015 to January 22, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

### GIS Information

I have had numerous discussions with GIS staff as to getting our data validated and as close to final as possible. We are tracking 38,144 residential properties within the city (noting large apartment complexes are classified as commercial so they are not a part of this). Of these:

- 34,318 have been engaged by Flint Water Response Teams and PODs (90%) - The remaining 10% is going to be a focus for the teams in the near future
- 23,281 have led to a direct citizen engagement (61%)
- 5,173 were not home during any attempt to visit and have not been recorded as having visited a POD (14%)
- 5,864 of the properties the teams visited were vacant or destroyed (15%)

Additionally, we have been tracking the status of "Active Water Subscribers" from the Flint Department of Public Works. These are residential properties which have meters put on the homes by the city. Of the total 29,994 subscribers citywide, 26,673 have been confirmed as being on residential parcels. Of the 26,673:

- 18,487 Have been confirmed as having received a filter by the Flint Water Response Teams or PODs (69%)
- 3,928 Were not home when visited (15%)
- The remaining 16% we have no data to confirm or deny whether they have a filter

Of special significance from the water subscriber data is that the old lead maps that we are digitizing from the Flint Water Department contain 993 suspected homes with lead lines in them. Of these only 659 have received a filter.

It is significant to note that we are continuing to receive paper forms from the field and processing them. The ARC and volunteers were specifically told to use the App and we provided Ipads but tonight I was told this was not being done by everyone which has caused us some lags in data. This is likely improve the overall numbers as we process historic records (ARC had ~7,000 of these records).

It cannot be reiterated enough that data is still coming in and we are still actively cleansing it.

#### Local EOC

##### Operations:

- Coordinated with Foodbank of Eastern Michigan for issuing of Resource Request.
- Coordinating and following up on vehicle demobilization.
- Facilitated rapid response deliveries to special locations.
- Finalizing components of recycling program.
- Received authorization to operate bottle collections for recycling at Fire Station 1 and 5 PODs.
- Initiated activities to plan for inclusion of institution sampling (schools, daycares, nursing homes, etc.) in Genesee County EOC IAP.
- Coordinating volunteer management with Michigan Community Service Commission.

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

##### Update 1/24/16 – 20<sup>th</sup> Day (19<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

I have asked state agency SEMCs to archive their SitRep items so you only have current operational period information in the SitRep Agency Summaries. Director Creagh added to daily report.

##### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs).

- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

#### Attached Documents:

- Situation Report # 19
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first one indicates based upon the outreach that has been conducted, which parcels have we had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
- WRTs with NG personnel are transitioning out. No field teams. NG will continue to staff the PODs.
- Tony Katarsky will be acting SEOC State Director. Capt. Kelenske not in the SEOC - available by phone (in the Holland MI area).

#### Items to Note

- Deployed: National Guard/state/local teams and 19 ARC Flint Water Response Teams to the field today.
- JIC was operational with limited staff out of the SEOC today. Co-located JIC in Flint will be back and operational tomorrow.
- SEOC Logistics worked with MDOC on warehouse management transition.
- Recovery Branch began demobilization of trucks and vans.
- Demobilization of National Guard Water Response Teams will be effective as of Monday, January 25.
- School for the Deaf
  - As of 1/23/16: LARA and DEQ teams on site; water testing complete in school building and LRC dorm. Stevens Hall will be tested when landlord finishes upgrades.
  - As of 1/23/16: all water faucets replaced in Stevens Hall. 3 new drinking fountains on order; expected mid-week. Once fountains are installed, Stevens Hall will be scheduled for water testing.
- SEOC Finance Donations Management team to obtain list of donors and donations for FEMA request.
- SEOC Planning Section worked on burn rate data from FWRT and PODS for FEMA request.
- GIS continued to clean up V2 Dataset (patched approximately 1000 records).
- GIS coordinated with the DEQ to transfer lead service line mapping to their GIS department tomorrow. Wall maps showing known lead service lines based off of geographical locations and zip codes provided for Chief Hagler, SEOC DEQ staff and Director Creagh.
- Out of 37,003 homes visited, 5,660 were not home/did not answer. The number of homes visited is lower than the Phase II number as some duplicate contacts at addresses were eliminated.
- Information reported to the JIC:
  - As of 1/24/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

#### 1. Homes visited by the FWRTs to date.

Phase I	Phase II	1/24/2016
30,770	37,844	7,012 National Guard/State/Local

	4,132 ARC
--	-----------

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	164,991
b. Filters	91,763
c. Filter cartridges	197,775
d. Test kits	28,763

3. Total number of customers on the Flint water system

- 29,944 current water system subscribers
- ~45,000 hookups (This is our high end target #)
- ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased:

- Cases of water 141,982 (additional 24,634 donated)
- Filters 124,052
- Filter Cartridges 285,586
- Test kits 62,701

5. Teams going out tomorrow:

- 10 ARC (2-4 people) type 5 teams – Goal tomorrow 100 homes per team

Additional Standing Information Requirements

1. Number of homes visited each day:

- 1/24/16, as of 5 pm, 11,144 homes were visited today

2. Total number of homes visited:

- Phase II: 37,844

3. Total number of National Guard on the ground:

- Number in PODs: 1
  - Number on Cyber Mission:
  - Number with FWRTs: 1
  - Command and Control Staff for NG Personnel:

4. Total Number of Volunteers each day:

- 315 volunteers for 1/24/2016.

5. \*Number of homes with filters:

- 17,595 homes had filters, per entered GIS data as of 1/22/2016.

6. Number of Water filters distributed (each day and to date):

- 4,920 were distributed on 1/24/2016, and total distributed to date is 91,763.

7. Cases of Bottle water distributed (each day and to date):

- 16,125 were distributed on 1/24/2016, and total distributed to date is 164,991.

8. Number of testing kits distributed (each day and to date):

- 3,177 were distributed on 1/24/2016, and total distributed to date is 28,763.

9. Number of people tested for elevated blood levels (kids, adults, total):

- Unknown at this time, CHECC will begin providing numbers on 1/25/2016.

10. Number of people with elevated blood level (kids, adults, total):

- Unknown at this time, CHECC will begin providing numbers on 1/25/2016.

11. Number of homes with safe drinking water:

- 577 homes, per data from September 3, 2015 to January 20, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

\*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number – Phase II questions were developed to help clean this up.

#### Local EOC

##### Operations:

- Distribution of supplies at five water resource sites in the City of Flint.
- Door-to-door distribution of supplies with 34 water response teams (19 ARC volunteer teams, 15 MSP/GCSO/NG teams).
- Facilitating rapid response deliveries to homebound residents and special locations by three teams staffed by Team Rubicon, and Lt. de Castro (MSP/EMHSD).
- Improved logistics for rapid response teams by providing transportation and iPads starting on 01/25/2016.
- Coordinated with ARC for distribution of additional iPads for data entry.
- Identified alternative warehouse locations for loose donations.
- Directed volunteer requests to appropriate state agencies.
- Started coordination for resource demobilization.
- Coordinated with 22 churches so they had water, filters, etc. Delivered Saturday. Some advised they were set with supplies. Lt. Roach (MSP District Coordinator will maintain contact with Pastors).

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### Update 1/23/16 – 19<sup>h</sup> Day (18<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs

##### Attached Documents:

- SitRep 18

##### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Key items for tomorrow to note are:

- 
- We will have 40 ARC, type 5 teams (2-4 personnel).

##### Items to Note

- Deployed ... state/local teams and 40 ARC Flint Water Response Teams to the field today.

- Created a media monitoring report and looked for misinformation. A call was made to WILX to amend their article that implied that the State was not distributing water to undocumented immigrants. The news release was also sent to WILX about how the State is not requiring identification to receive water resources.
- SEOC Logistics worked on future resource planning and a local business commodity supply plan.
- Drafted talking points for Monday's press conference with Governor Snyder, Colonel Etue, and the Mayor.
- Put in place a place to control POD distribution as much as possible. SKU numbers are being lined out on commodities to prevent or minimize returns for cash.
- Information reported to the JIC:

○ As of 1/23/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

To Date	1/23/2016
37,943	6,323 National Guard
	7,361 ARC

2. Distributed: Includes outstanding data from yesterday- PODs after 5 pm, ARC worksheets and local EOC hotshots

Commodity	Total to Date
a. Number of cases of water	148,866
b. Filters	86,843
c. Filter cartridges	194,622
d. Test kits	25,586

3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. ~45,000 hookups (This is our high end target #)
  - c. ~39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 133,662 (additional 24,634 donated)
  - b. Filters 115,700
  - c. Filter Cartridges 266,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a.
  - b. 4U ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Worked to identify all vulnerable populations to help streamline Hot Shot/Rapid Response Team process.
- Working on plan for church water distribution and POD locations.
- Looking at possible alternative locations for PODs in difficult traffic areas. The city identified some but they are just as bad as the current ones.
- Working on finalizing a recycling plan for the incident.
- Lt. Roach sent up the church information to Tom Webber. She also received one church site that will act as a potential church mega site.
- SEOC GIS to provide a layer for the vulnerable populations so that Team Rubicon can get to them and track in the iPad.

#### New Standing Information Requirements

1. **Number of homes visited each day:**
  - a. 1/23/16, As of 5 pm, 13,684 homes were visited today
2. **Total number of homes visited:**
  - a. 37,943, does include duplicate counts from the second canvassing
3. **Total number of National Guard on the ground:**
  - a.
4. **Total Number of Volunteers each day:**
  - a. 310 volunteers for 1/23/2016
5. **Number of homes with filters:**
  - a. 17,595 homes had filters, per entered GIS data as of 1/22/2016,
6. **Number of Water filters distributed (each day and to date):**
  - a. 4,156 were distributed on 1/23/2016, and total distributed to date is 86,843
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 27,462 were distributed on 1/23/2016, and total distributed to date is 148,866
8. **Number of testing kits distributed (each day and to date):**
  - a. 2,171 were distributed on 1/23/2016, and total distributed to date is 25,586
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Unknown at this time until we get the data
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Unknown at this time until we get the data
11. **Number of homes with safe drinking water (Not sure whether it's possible right now to provide this number):**
  - a. Unknown at this time

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 1/22/16 – 18<sup>h</sup> Day (17<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue door to door/Flint Water Response Teams (FWRTs)
- Plan for next phase with MSP and NG personnel
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration
- Work with HHS personnel to ensure they have all items needed for operations

**Attached Documents:**

- SitRep # 17
- Briefing provided to the HHS Undersecretary by FEMA (due to time only finished 75%)

**Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Key items for tomorrow to note are:**

-

- 40 ARC (2-4 folks) type 5 teams
- Deliveries going out to all churches on our list we have been working with (21) for Sunday services.
- I will not be in the SEOC Saturday. Tony Katarsky will be the acting SEOC state director. I will be available by phone (wrestling meet).
- Sunday, Lt. Mike Johnson will be acting SEOC state director but I may be in for some of the day.
- Monday I am out on a college visit with my son...I will be available by phone and Tony will again be acting.

#### Items to Note

- Deployed state/local teams and 15 ARC Flint Water Response Teams to the field today.
- SEOC Operations worked on getting local contact into the JIC along with developing messaging for resources and donations.
- SEOC Planning worked on the further development of long term strategy.
- Recovery branch continued coordination with Red Cross on volunteers and the Michigan National Guard for Friday and Saturday.
- SEOC logistics worked with FEMA/DHHS on warehouse tracking status/strategy, coordinated resources, and donations management.
- Have had a number of media request concerning resources for immigrants and population less proficient in English. Clarified with a news release that we are not requiring ID but we are asking for addresses to assist with long term recovery. Nobody will be denied resources if they fail to provide us an address.
- Have received numerous inquiries from celebrities on how they can assist and donate.
- We are validating a lot of data but what we have currently is 38,144 parcels in Flint that are not considered "vacant". This does not mean all parcels have a tenant, there are a lot of houses that are empty.
  - 26,673 water subscribers in Flint (not including franchise).
    - Water Subscribers with a Filter = 15,399 (57.7%)
    - Water Subscribers without a Filter = 11,274 (42.2%)
      - With our second pass we are getting more information as to why people do not have a filter. Looking into whether these include homes connected but nobody currently living there. We are refining the data.
  - 11,471 Non-Water Subscribers in Flint.
    - Non Water Subscribers with a Filter = 2,196 (19%)
    - Non Water Subscribers without a Filter = 9,275 (81%)
  - The SEOC Ops Chief has been directed to firm up all numbers with GIS. We have a GIS specialist from FEMA Region V also deployed to the SEOC to assist. ArcGIS has advised us that the amount of data we have collected is more than some major disasters in other states. We are looking into getting their personnel more engaged to ensure we are using all the tools available for analysis.
- SEOC Finance Chief is working on costs to date and all SEMCs were advised to tighten up their records and ensure we have accountability of all costs.
- Information reported to the JIC:
  - As of 1/22/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

#### 1. Homes visited by the FWRTs to date.

To Date	1/22/2016
37,697	5,920

#### 2. Distributed: Includes outstanding data from yesterday (PODs after 5 pm, ARC worksheets and local EOC hotshots.)

Commodity	Total to Date
a. Number of cases of water	121,404
b. Filters	82,687

c. Filter cartridges	191,704
d. Test kits	23,415

3. Resources purchased:
  - a. Cases of water 130,782 (additional 21,682 donated)
  - b. Filters 115,700
  - c. Filter Cartridges 266,200
  - d. Test kits 61,161
4. Teams going out tomorrow:
  - a.
  - b. 40 ARK (2-4 TOIKS) type 5 teams -- Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Worked to identify all vulnerable populations to help streamline Hot Shot process.
- Working on plan for church water distribution and POD locations.
- Looking at possible alternative locations for PODs in difficult traffic areas.
  - o Working on finding a new POD for 3 and 6. We are aware that the mayor would need to approve this.
- Coordinated water donations and delivery areas.
- Last minute large donations of water and volunteers expected during the weekend.
- Working on finalizing a recycling plan for the incident.
- The Jail water has been tested and is fine. The prisoners are not being poisoned and the local health department is working on clearing this issue up.
- Working on a plan with the churches to have 4 mega sites for churches (N,E,S,W) and have smaller churches work through these sites to get supplies. Churches are interested in the recycling program, putting information in their bulletins and also used a collection sites.
- Team Rubicon is coming tomorrow to assist with home deliveries.
- Continuing with recycling plan. Need to identify sites with city. Local EOC has visited areas with the local contractor.

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### **Update 1/21/16 – 17<sup>th</sup> Day (16<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs) - “Phase II”
- Plan for next phase with MSP and NG personnel for Governor approval – “Phase III”
- Prepare for appeal on denial of Category B under the Presidential Emergency Declaration
- Work with HHS personnel to ensure they have all items needed for operations

##### Attached Documents:

- SitRep 16
- Draft Water Operations Plan for moving to next phases (Discussion document)
- Resident Water Sample Results Map (Not for public distribution)

- January 13-19 comparison map

#### Status on Governor's request letter to the President

- Emergency declaration received. Pending decision of Major Disaster appeal and any denials under the Emergency Declaration (e.g. Category B). We have not been denied category B yet ... POTUS/FEMA has not given it to us though. I believe we may get a denial of category B in conjunction with the Major Disaster appeal decision. We will have 30 days to appeal.
  - Category B is critical in that it is for Emergency Protective Measures which includes (but is not limited to) EOC related costs, supplies and commodities, safety inspections, and in limited circumstances "water testing and treatment supplies in the immediate aftermath of the incident to counter a specific threat." We purposely put our start date of this incident to be April 25, 2014 in hopes we get category B and could get 75% federal funds for many other costs all the way back to 2014 – long shot but would be huge if we land this.

#### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 15 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

#### Items to Note

- We are using the terms Phase II, Phase III, etc. These are for internal discussion for planning and not meant for public dissemination at this time unless it is determined to be beneficial.
- The draft operations plan (attached) was completed in conjunction with MSP and NG personnel to initiate discussion on our next steps as to WRTs and PODs.
- The WH issued a statement that \$80 million dollars in aid to MI mostly to repair Flint water infrastructure. We do not have additional information on this. This may be existing federal funds provided to MI that is just being opened up for other use. FEMA does not have any information on this.
- We have been advised we exceeded the \$5 million under the emergency declaration. We are at \$7.6 million.
- FEMA has advised that any donated items can be used to offset the state cost share. We are working on the mechanism with FEMA to do this.
- Deployed 18 state/local teams and 10 ARC Flint Water Response Teams to the field today.
- SEOC logistics worked to project future orders of water resources and commodities.
- Released updated JIC map at 1800 displaying updated field team activity and integrating historic paper records that have been entered into the tracking system for field team activity.
- DEQ test kits are only being provided to those who ask for them.
- I made contact with Senator Ananich aid, Julie Townsend, who was a POC for his volunteers. They are set to work next week on the 30<sup>th</sup>.
- MDOT met with city personnel to look at Station 6 POD and other PODs to see how traffic flow can be facilitated and safety increased. Additional report out due 1/22.
- A request from MSP MC3 for NG Cyber personnel (3 at \$32,000 for 30 days or less) was initiated. This is to assist with the cyber attacks that have occurred/future attacks related to Flint Water. PENDING APPROVAL. NG advised this would have to be funded with existing funds at this time and to make adjustments.
- MDARD Food Program staff have completed assessments of all 21 food businesses (including restaurants) that were located in the highest risk area. In addition, they have completed assessments at 34 food businesses in the medium risk area, and have scheduled 28 appointments to collect water samples.
- Dr. Nicole Lurie, the Assistant Secretary for Preparedness and Response from the US Department of Health and Human Services (HHS), in addition to the HHS Regional Coordinator and other CDC staff, visited the CHECC and SEOC this morning and provided commentary to CHECC and SEOC staff/EMCs. She also attended a briefing from FEMA before departing to visit Flint.

- Parents of boarding students at the Michigan School for the Deaf were notified of the elevated lead results in Stevens Hall. All fixtures in the dormitory are scheduled to be replaced by January 24, 2016. Lt Gov. has scheduled visit on January 25.
- Valley Area Agency on Aging (VAAA) continues to take calls from seniors and caregivers needing access to water and filters. VAAA is providing this information to the local EOC each afternoon for follow-up.
- Information reported to the JIC:

○ As of 1/21/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase 1	Phase 2
30,770	5,409

2. Distributed: Includes outstanding data from yesterday - PODs after 5 pm, ARC worksheets and local EOC hotshots.

Commodity	Phase 1	Phase 2	Total to Date
a. Number of cases of water	94,688	10,403	105,091
b. Filters	77,215	2,356	79,571
c. Filter cartridges	188,389	1,039	189,428
d. Test kits	20,037	1,588	21,625

3. Total number of customers on the Flint water system

- a. 29,944 paying customers
- b. ~45,000 hookups (This is our high end target #)
- c. ~39,000 includes apartment complexes/multi family (The is the low end target #)

4. Resources purchased:

- a. Cases of water 124,398 (additional 20,098 donated)
- b. Filters 115,700
- c. Filter cartridges 243,200
- d. Test kits 61,161

5. Teams going out tomorrow:

- a. ...
- b. 15 ARC (2-4 folks) type 5 teams -- Goal tomorrow 100 homes per team

#### Local EOC

- Attended ARC meeting with VOADs to discuss volunteer management and strategies.
- Attended meeting with Plumbers and Pipefitters Union to assess the need for long term cooperation for filter installation and fixture replacement.
- Requested and received confirmation of deployment of Team Rubicon (starting on 01/23/2016).
- Facilitated Flint & Genesee Chamber of Commerce representation at the EOC.
- Addressed security issues at Fire Station 3, 6 and 8 PODs (residents concerned about criminal activity).
- Coordinating with SEOC Logistics to receive information on purchasing strategy and volumes for filter equipment.
- Met with Genesee County Planning Commission, United Way of Genesee County and Michigan Community Service Commission to clarify recycling plans and potential volunteer utilization.
- Coordinated and verified deliveries of supplies to apartment complexes.

- Identified potential locations for recycling stations.

Chris

### Update 1/20/16 – 16<sup>th</sup> Day (15<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for second phase of door to door operations
- Submitted appeal to FEMA Region V
- Prepare for appeal on denial of Category B under the Presidential Emergency Declaration

#### Attached Documents:

- SitRep 16

#### Status on Governor's request letter to the President:

- Emergency declaration received.

#### Key items for tomorrow to note are:

- Five copies of the State/FEMA agreement will need to be signed by the Governor. Capt. Kelenske has them and will coordinate delivery.
- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- Dr. Luri from HHS will be at the SEOC ~10:00 p.m.
- A second phase is starting tomorrow which will include more refined questions as to type of filter systems each person has. This will assist with sustainment operations.
- DOC prison work crew personnel (6-7) will be at the warehouse to keep the area clean. A lot of trash is generated in the warehouse and was becoming an issue.

5

#### Items to Note

- 
- MSP and local Sheriff's Department continue to provide over watch for WRTs.
- Aqua Hydrate contacted me to donate 5000 cases a month (4 semis) for a year. I was advised by Lindon Nelson this was a Governor/Mayor/Senator Ananich and Meekhof initiative and a press release was going to go out soon (TBD). Logistics is following up with them.
- News release sent from Governor's office about the appeal to the President of the disaster declaration.
- SEOC Logistics worked with JIC and Governor's office to establish a business resource submission tab on [www.helpforflint.com](http://www.helpforflint.com)
- SEOC Operations continued to develop and finalize Phase 2 canvassing roll out.
- Meeting held with Dr. Luri from HHS.
- Capt. Kelenske and other state agency financial personnel attended the appropriations hearing.
- End of day – concerns with the mass amounts of volunteers showing up and wanting to help. This can cause logistical issues but staff was working to get additional tasks for volunteers outside of the WRTs. We will continue to work on ways to involve more volunteers.

- Additional 5 person NG team for warehouse support approved.
- Information reported to the JIC:
  - As of 1/20/16 as of 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. 29,317 homes visited by the FWRTs to date.
2. Distributed: Includes outstanding hard copy data from yesterday (PODs after 5 pm, ARC worksheets and local EOC hotshots).
  - a. Number of cases of water 90,337
  - b. Filters 73,229
  - c. Filter cartridges 185,852
  - d. Test kits 19,866
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 111,630 (additional 18,502 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a.
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Addressed reports of water contamination in distributed bottled and canned water. Confirmed that water is safe to drink through testing by MDEQ. Coordinating with JIC and MDEQ for improved public information on the issue.
- Identifying options to reroute unsolicited offers for supplies and services outside of the EOC. Coordinating to set up 800 number.
- Attended meeting with Flint & Genesee Chamber of Commerce to discuss coordination of efforts, representation at EOC, and improved messaging.
- Attended meeting with Community Foundation of Greater Flint to discuss coordination of neighborhood groups and improved messaging.
- Coordinated with MDARD to provide additional lead testing at restaurants, and signage for safe locations.
- Coordinating with SEOC Logistics to receive information on purchasing strategy and volumes for filter equipment
- Coordinated and verified deliveries of supplies to apartment complexes.
- Discussed logistics requirements of delivery requests for homebound residents with SEOC Logistics.

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

## Update 1/19/16 – 15<sup>th</sup> Day (14<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Prepare plans for next phase of operation – Second sweep of city

### Attached Documents:

- SitRep 14

### Status on Governor's request letter to the President:

- Emergency declaration received.
- Appeal letter pending.

### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

### Items to Note

- Deployed 5 state/local teams and 11 ARC Flint Water Response Teams to the field today.
- Messaging being developed for concerns regarding the Total Dissolved Solids (TDS) meters and citizens' concerns with those meters indicating "lead" in bottled water. Testing of water to be done by DEQ to ensure we have solid messaging.
- DTMB is working to secure space in Flint for FEMA staff.
- Press release went out this afternoon to announce that the US Department of Health and Human Services will lead the federal response in Flint. Capt. Kelenske to meet with Dr. Nicole Lurie, HHS Assistant Secretary for Preparedness and Response (ASPR), on Thursday. The goal of the federal response will be to help state and local leaders identify the size and scope of the problem, and work with them to make and execute a plan for mitigation of the short- and long-term health effects of lead exposure.
- 5 Additional NG personnel being requested to assist with Warehouse inventories.
- NG personnel on the ground with the WRTs tomorrow with 100 more transitioning in.
- Released updated JIC map at 1800 displaying updated field team activity and integrating historic paper records that have been entered into the tracking system for field team activity.
- LG is going to be in Flint working at one of the PODs on Wednesday.
- Information reported to the JIC:

- As of 1/19/16 as of 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. 22,129 homes visited by the FWRTs to date.
2. Distributed: Includes outstanding data from yesterday - PODs after 5 pm, ARC worksheets and local EOC hotshots.
  - a. Number of cases of water 77,794
  - b. Filters 69,730
  - c. Filter cartridges 184,457
  - d. Test kits 16,671

3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 95,760 (additional 16,056 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a.
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Attended public health group meeting with GCHD, City of Flint Water Department and MDEQ to discuss water test information being returned to residents, to allow residents a greater understanding of results.
- Attended recycling/trash management group meeting with DEQ, Republic Services, Keep Genesee County Beautiful and Genesee County Planning Commission. Provided projections on current and anticipated bottle distributions.
- Coordinated deliveries of supplies to faith-based organizations, apartment complexes and homebound residents
- Coordinated with Comcast to set up locations for distribution of filters (distributed 60 filters on 01/19/2016).

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### **Update 1/18/16 – 14<sup>th</sup> Day (13<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs) and PODs
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.
- Complete appeal for Presidential Major Disaster Declaration denial.

##### Attached Documents:

- SitRep 13
- Side by side comparison of homes with filters January 13<sup>th</sup> compared to January 18<sup>th</sup>. This should be hitting the media tonight. This took longer to create than I wanted but is the image I have wanted to show progress of getting filters in to the field.

##### Status on Governor’s request letter to the President:

- Appeal in process.

##### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.

- 
- We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- NG will be bringing in personnel to prep for surge.

#### Items to Note

- Beginning tomorrow the operational periods will be 7 days long.
- The CDC/ATSDR (Agency for Toxic Substances Disease Registry) has deployed a team to Michigan.
- An Arabic version of the palm card was reviewed and approved. This was developed via Arab American and Chaldean Council.
- Deployed state/local teams and 10 ARC Flint Water Response Teams to the field today.
- DTMB is working to secure space in Flint for FEMA staff.
- Cost analysis to investigate if it would be more cost effective for FEMA to purchase water vs the SOM.
- ARC news release concerning the Volunteer Reception Center (VRC) sent out today.
- Media availability conducted today at 3pm at the VRC.
- Since 1/14/16 Michigan 2-1-1 has received three direct reports of bottled water testing positive for lead. DHHS SEOC Desk and DEQ SEOC Desk was able to contact two of the callers. The Zero Water filter (pitcher) has a handheld test device so people know when to change the filter. This TDS Meter measures dissolved solids (it is not a lead test). This was explained and we are going to work on messaging to ensure this does not cause issues. Dissolved solids are in all water. The water from the callers is going to be tested and a case of water from one of the companies will also be sent to DEQ for testing. Brands are Spartan Spring Water and Canned Water for Kids. The filter company is also going to work on messaging and work with us on this matter.
- Information reported to the JIC:
  - As of 1/17/16 as of 5 pm (start date was Tuesday, 1/12/16)

1. 21,393 homes visited by the FWRTs to date.
2. Distributed:
  - a. Number of cases of water 37,313
  - b. Filters 53,713
  - c. Filter cartridges 169,520
  - d. Test kits 7,379
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 82,992 (additional 16,056 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a.
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Continuing to work with faith based organization to distribute resources.
- Working with colleges to obtain volunteers for canvassing.

**Update 1/17/16 – 13<sup>th</sup> Day (12<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs), PODs
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.

**Attached Documents:**

- SitRep 12

**Status on Governor's request letter to the President:**

- Emergency declaration received.
  - Limited to direct assistance so we will need to ask for the Individual Housing Program but that is something I will work on with FEMA.
- Major disaster declaration denied. The appeal is being developed with a draft to Paul Smith by later afternoon 1/18/16.

**Key items for tomorrow to note are:**

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 12 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

**Items to Note**

- Deployed 11 state/local teams and 10 ARC Flint Water Response Teams to the field today.
  - 4,963 homes visited today.
- DTMB is working with DSEMIC and NC3 to monitor social media for information on cyber-attack yesterday.

**01/16/16**

- Approximately 5:00PM, Michigan.gov began to experience slowness in web page load time. Approximately 10 minutes later the Michigan.gov site became inaccessible caused by of a denial of service attack.
- IBM team was able to implement a mitigation strategy to stop the attack that began at 5:00PM. At 6:24PM the michigan.gov websites were again available to the public.
- Approximately 7:30PM, a new attack was initiated on the michigan.gov environment. The attack focused on the DNS servers and resulted in michigan.gov becoming inaccessible. Additionally, due to the nature of the attack other IBM customers were affected as well. IBM was able to implement a new mitigation strategy that resulted in the excessive traffic being blocked. At 7:53PM the websites were restored to normal operation.
- Shortly after the michigan.gov websites were restored, the State of Michigan was notified by our internet service providers that a DDoS attempt was made against our SOM DTMB servers in the external DMZ. Once detected, this attack was blocked and Michigan Cyber Security saw no signs of any other types of attacks.

**01/17/16**

- Genesee County was unable to access MiCIMS due to the State increasing filters. Michigan Cyber Security made adjustments to filter settings and their access to MiCIMS was restored.
- DTMB reached out to the City of Flint CTO, Paul Knific, offering any support they need. Right now they feel they have bigger issues than trying to get some of the things back online.

We currently do not have any additional information on the attacks on the City of Flint ([cityofflint.com](http://cityofflint.com)) or Flint Township Police ([flinttownshippolice.org](http://flinttownshippolice.org)) websites. We'll continue to pass information along as we receive it.

- Information reported to the JIC:
  - As of 1/17/16 as of 7pm (start date was Tuesday, 1/12/16)
  - 1. 16,353 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received from prior to the SEOC activation (trying to validate the data) plus the PODs and door to door operations since activation.
  - 2. Distributed:
    - a. Number of cases of water 27,195
    - b. Filters 50,432
    - c. Filter cartridges 168,605
    - d. Test kits 4,861
  - 3. Total number of customers on the Flint water system
    - a. 29,944 paying customers
    - b. 45,000 hookups (This is our high end target #)
    - c. 39,000 includes apartment complexes (The is the low end target #)
  - 4. Resources purchased:
    - a. Cases of water 57,456 (additional 12,884 donated)
    - b. Filters 108,520
    - c. Filter cartridges 239,081
    - d. Test kits 28,901
  - 5. Teams going out tomorrow:
    - a.
    - b. 12 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

#### Operations:

- Facilitated activation of the Genesee County/Genesee Health System MOU for mental health services.
- Coordinated supplies for distribution to students at the U of M Flint campus.
- Still concerned about people going to every fire station and collecting water/filters.
- Coordinated trash pickup at Fire Station PODs with the City Liaison officer.
- Coordinated hotshot deliveries of supplies to home bound population.

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### Update 1/16/16 – 12<sup>th</sup> Day (11<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies

- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to prepare for engagement following the Presidential Emergency declaration

#### Attached Documents:

- SitRep 11

#### Status on Governor's request letter to the President:

- Emergency declaration received. Federal Coordinating Officer (FCO) is David Samaneigo (Sam) who has been my LNO from FEMA. We began discussions on a transition to FEMA support last night. His team is headed to MI at this time and we will have our first coordination meeting on Sunday.
- The request for a Declaration of a Major Disaster was denied. FEMA advised this event does not fit the legal definition of a major disaster (natural incident or fire, flood, or explosion). This information has been provided since prior to the event to elected officials in Flint and the legislature. We are reviewing the chances for an appeal and I have already discussed this with the FCO.

#### Key items for tomorrow to note:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- I will be back on duty Sunday.
- We have been working with some of the churches. Contact was made with 14 churches for Sunday distributions. Interaction with the pastors has been very positive.
- A logistics briefing will be provided to see how many more teams we can put in the field.

#### Items to Note

- LT Gov visited the local EOC today, discussed local EOC operations.
  - DEQ sampling kits are now being received at the PODs.
  - DEQ sampled two Head Start facilities and worked with GIS to obtain future sample sites.
  - The Freeman School pilot was delayed due to some parts not arriving as scheduled. Testing was to be done Sunday but may not occur until Monday.
  - NG will have a total of 100 personnel in the PODs for distribution. Mission has not changed.
    - NG soldiers have been in the PODs. 38 more processing in tomorrow with start date of 1/18 in the PODs. The TAG and I will be discussing future use of NG personnel door to door next week.
  - Information reported to the JIC:
    - As of 1/16/16 7pm (start date was Tuesday, 1/12/16)
1. 11,324 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received prior to the SEOC activation plus the PODs and door to door operations since activation. 3,850 homes were visited today (4,000 was the goal).
  2. Distributed:
    - a. Number of cases of water 20,876
    - b. Filters 47,935
    - c. Filter cartridges 167,401
    - d. Test kits 3,322
  3. Total number of customers on the Flint water system
    - a. 29,944 paying customers

- b. 45,000 hookups (This is our high end target #)
- c. 39,000 includes apartment complexes (The is the low end target #)
- 4. Resources purchased:
  - a. Cases of water 57,456 (additional 12,884 donated)
  - b. Filters 108,520
  - c. Filter cartridges 239,081
  - d. Test kits 28,901
- 5. Teams going out tomorrow:
  - a.
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

#### Operations:

- Provided direction to Operations and Logistics Section to initiate water sample collection at PODs.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional churches were supplied with water, filters and test kits.
- Still concerned about people going to every fire station and collecting water/filters.
- Station #6 (POD) has associated safety concerns due to proximity of street and lack of suitable parking. We are working to resolve.

Chris

**Subject:** SEOC Update 1/15/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### Update 1/15/16 – 11<sup>th</sup> Day (10<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Pilot the logistics plan and adjust as needed
- Continue with door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to ensure we get a Presidential Declaration of a Major Disaster and Emergency

#### Attached Documents:

- SitRep 10

#### Status on Governor’s request letter to the President:

- All documents for the presidential request have been submitted to FEMA. Numerous calls and meetings took place between me and FEMA today.

- When we get the declaration(s) ... I will set up a legislative/congressional call to explain and provide bullet points as to what programs we will received. The Federal Coordinating Officer assigned will also be with me to answer questions. This has helped in the past.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - 
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
  - A pilot team was used to test our logistics plan today and with 60% strength they had 160% output (830 homes).
- I will be off tomorrow but available by cell. Tony Katarsky will be SEOC State Director. I will be back in on Sunday.

Items to Note

- LT Gov visited the local EOC and SEOC today. He was able to hear our final briefing for the day.
  - Held a short session managing stress with SEOC staff. Two handouts were put in MICIMS for all state and local personnel to view.
  - Deployed 10 state teams and 5 ARC Flint Water Response Teams to the field today.
  - Standing requirements were created for the JIC so we can get information to the media every day. Below are the current ones we have in place and we should have something out tonight according to the JIC.
    - As of 1/15/16 as of 7pm (start date was Tuesday, 1/12/16)
1. 7474 homes visited by the FWRTs. We believe we have ~24,000 homes with filters but are trying to validate that information. This is from the data we received from prior to the SEOC activation plus the PODs and door to door operations since activation.
  2. Distributed:
    - a. Number of cases of water 18,576
    - b. Filters 45,916
    - c. Filter cartridges 165,382
    - d. Test kits 3,217
  3. Total number of customers on the Flint water system
    - a. 29,944 paying customers
    - b. 45,000 hookups (This is our high end target #)
    - c. 39,000 includes apartment complexes (The is the low end target #)
  4. Resources purchased:
    - a. Cases of water 44,688 (additional 12,884 donated)
    - b. Filters 78,520
    - c. Filter cartridges 163,081
    - d. Test kits 18,761
  5. Teams going out tomorrow:
    - a.
    - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

Local EOC

Home Deliveries:

- Still receiving lists from the Valley Area Agency on Aging (VAAA) on home deliveries and forwarding these to the Sheriff's office. They are going through a lot of homes. 120 out of 125 homes were completed yesterday.

#### Operations:

- We sent staff to visit Fire Station 6 and the warehouse today. Fire station 6 traffic was congested and that was during a "slow" time. The National Guard is identifying what is needed to alleviate this. MSP is working on providing uniform presence as needed. An additional iPad at each location will hopefully help relieve the amount of time that people are spending at the distribution sites.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional requests from churches were made and I approved the locations so they could be ready for Sunday. Lt. Roach was told by one of the pastors that he met with the Gov today and expressed how much he appreciated the efforts put forth. We should have 14 for this Sunday. We are working on how we can increase this output.
- Still concerned about people going to every fire station and collecting water/filters. NG personnel observed vehicles with several cases of water an overheard saying they were heading to the next station. Some people were helping themselves and taking more than one case at a time. Per the NG they cannot physically stop people from doing so. The NG is going to try to change staging in the fire stations to try to prevent this.
- Flint PD is going to check in every day with the EOC and provide a specific contact person. They are also going to help with traffic issues at the PODS. Will ask Flint PD to provide a presence when water is off loaded at a POD to help prevent people from "helping themselves."

Chris

---

#### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

#### Update 1/14/16 – 10<sup>th</sup> Day (9<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and finalize lease on warehouse space/begin to move supplies from GCCARD to new warehouse
- Continue with door to door teams and finalize planning for future team use
- Submit request for a Presidential Declaration of a Major Disaster and Emergency
- Continue to work on long term recovery items (DHHS, DEQ, MDARD)

##### Attached Documents:

- SitRep 9

##### Status on Governor's request letter to the President:

- All documents for the presidential request have been submitted to FEMA. I had a lengthy conversation with the FEMA Region V Administrator reference the request prior to sending.

##### Key items for tomorrow to note are:

- The door to door teams will continue in the morning.
- We will continue to ramp up door to door operations with additional teams. Teams continue to focus on the high lead level areas and additional data is being analyzed to focus mission areas.
- ARC will increase the number of their Water Response Teams.
- Supply burn rates as well as projections on how many teams will be needed to put filters in all homes within 3 and 5 days will be completed. Analysis will be done to see if NG personnel may be needed to finish in quicker manner.

##### Items to Note

- DEQ was notified of the number of homes who are willing to have them take additional samples in the future (current number (114). This question was added to the App being used by the Water Response Teams. Data will be provided when needed.
- LT Gov is scheduled to be at the local EOC and SEOC (~4:30) tomorrow to see the operations.
- Secured 80,000 sq. ft. of a warehouse today. Working to consolidate all resources in one location. Tomorrow will be the first day of full implementation of our logistics plan.
- Email sent to state employees to request volunteers for weekend.
- Media monitoring showed no incorrect information today.
- Michigan Association of Broadcasters is sending PSA to radio stations.
- Coordinating with Red Cross on volunteers for weekend.
- Deployed 8 Water Response Teams to the field today (approx. 120 volunteers). 78 Red Cross volunteers active across the operation today.
- National Guard is ramping up to have 3 soldiers per shift at each POD tomorrow. Will also have a Public Affairs Officer at the JIC and liaison at the local EOC.
- Senator Ananich visited the SEOC today to see how things operate. The visit went well and he seemed happy with the number of staff working the Flint event. He tweeted out a message indicating there is still a lot of work to be done but all are working hard.
- DHHS
  - The Community Health Emergency Coordination Center (CHECC) is working on the following:
    - A nutrition plan
    - Education materials, messaging, and working with local agencies
    - Developing a community assessment for disaster behavioral health services.
- Lined up the delivery of filters to two large apartment complexes and a student housing complex.
- We have the list of individuals needing home service (additional contacts will be sent to the Ops Chief at the Local EOC each day at 4:00). Info will be provided to the sheriff's office for action.
- Water Response Team Numbers (this is not the total of homes with filters – I will provide that number tomorrow but it appears we have filters in over half the residences):

	<b>TOTAL</b>	<b>1/12/2016</b>	<b>1/13/2016</b>	<b>1/14/2016</b>
<b>Occupied Homes</b>	1450	242	492	716
<b>Vacant Homes</b>	1967	152	161	1654
<b>Total Homes</b>	<b>3417</b>	<b>394</b>	<b>653</b>	<b>2370</b>
<b>Resources</b>				
Door Hangars	1487	217	453	817
Water	588	117	254	217
Filters	945	112	220	613
Pitchers	22	3	13	6
Water test kits	217	48	109	60
Replacement Filter	482		137	345
<b>Total Resources Dispersed</b>	<b>3741</b>			
Future sample test site	114	28	34	52

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 1/13/16 – 9<sup>th</sup> Day (8<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and close lease on warehouse space
- Continue with door to door teams and finalize planning for second wave increase (teams – total for 1/14/16 will be 20)
- Continue to work on Governor's Declaration of an Emergency

**Attached Documents:**

- SitRep 8

**Status on Governor's request letter to the President:**

- All support data from state Agencies and local jurisdictions collected as of 6:00 pm on 01-13-16
- Current timeline:
  - First draft completed and ready for review by State Department Directors (including the Attorney General) by 11:00 am on 01-14-16
  - State agency reviews due back by 1:00 pm on 01-14-16 for revision of the draft
  - Revised draft to Captain Kelenske by 2:00 pm on 01-14-16 for review and forwarding to the Governor for final review
  - Final draft (based on Governor's review) submitted to FEMA Region V Administrator by no later than cob 01-14-16 but hopefully sooner. FEMA is aware and ready to receive.

**Requests and potential response from FEMA/President**

- The letter will request all programs eligible under the Stafford Act including Public Assistance, Individual Assistance, Hazard Mitigation, FEMA's coordination of assistance from other Federal agencies and direct assistance from FEMA
- The letter will also request potential direct reimbursement from other Federal agencies such as EPA, CDC, HUD, DHHS and SBA
- This request is in coordination with the request for Non-Stafford Act federal assistance already requested and received by the State (technical assistance and administration, but no direct reimbursement of disaster costs)
- Direct Federal assistance from FEMA in the form of Individual Assistance to homeowners for household repairs (repair and/or replacement of water service lines and Other Needs Assistance to reimburse for water filters, bottled water, etc.) is a possibility
- Direct Federal assistance from FEMA in the form of Public Assistance is not as likely as it is mostly replacement of publicly owned water distribution lines (and not the direct result of damage from a natural cause)
- If Stafford Act assistance is denied (Public Assistance, Individual Assistance and Hazard Mitigation) FEMA could still provide coordination of assistance from other Federal agencies if the President declares a disaster (or emergency) for the State of Michigan

**Key items for tomorrow to note are:**

- The door to door teams will continue at 9 a.m. – 5 p.m. Thursday morning and continue through the weekend.
- We will continue to ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas and additional data is being analyzed to focus mission areas.
- MNG will have a press event at the armory with incoming soldiers and MG Vadnais.

**Items to Note**

- Received information that Rev. Jesse Jackson will be in town 1/17/16 at 1:30 at the Heavenly Host Church of the Harvest of Dartmouth St, Flint.
- Managed and corrected misinformation on NG role.
- Senator Ananich is stopping by the SEOC tomorrow morning 0845. I am meeting with him and his Chief of Staff. Short visit as he has a 0930 at the Capitol.
- Working with Comcast so they can put teams in the field for distribution.

- Penske is going to give us 15-20 trucks over the weekend.
- Contact made with Two Men and a Truck for resources.
- Meeting set with Google where they will brief me and key staff potential tasks.
- Coordinated with Flint Mass Transportation Authority (MTA) to include Fire Station PODs on bus routes.
- Tomorrow I will have a projection as to the number of teams needed to get all citizens filters in their homes in 5 days / 3 days.
- We are standardizing team structure and supply deployment to increase efficiencies. Mission Ready Package (MRP) specifications will be sent out for other entities to assist with door to door. They will then be able to arrive as a MRP get supplies, receive a mission location and deploy.
- 5 Water Response Teams were in the field again today. Below are the numbers from the 2 days of just the Water Response Teams (there are paper copies with data still to be entered from the PODs). I was just briefed by the ARC logistics planner and there are efficiencies we can put in place to increase homes touched per day. The next version of the app will provide more granular details. Additional 30 tablets were configured by DTMB today for field implementation to include use in the PODs.

	Total	1/12/2016	1/13/2016
<b>Occupied Homes</b>	533	242	291
<b>Vacant Homes</b>	238	152	86
<b>Total Homes</b>	<b>771</b>	<b>394</b>	<b>377</b>
<b>Resources</b>			
Door Hangars	473	217	256
Water	265	117	148
Filters	235	112	123
Pitchers	9	3	6
Water test kits	92	48	44
Replacement Filter	93		93
<b>Total Resources Dispersed</b>	<b>1167</b>		
Future sample test site	62	28	34

- We show 17,276 residences with filters (this does not include data entry to be completed from POD or other locations).
  - We have 35,378 service hookups but with apartments, multi residence dwellings, etc we would be around 45,000.
- Logistics Support
  - The American Red Cross Logistics Planner provided me a brief and I approved the plan forward. The current plan includes:
    - Mission – A filter in every home ASAP.
    - 4 Distribution Methods
      - PODs (5)
      - Water Response Teams (20 effective tomorrow and this will increase)
      - Local EOC “Hot Shots” (these are calls for functional needs, unable to get to a POD location due to ??, etc). Personnel dispatched with supplies.
      - Local EOC support for other local requests (Faith based for distribution, etc.)
    - Three warehouse locations at this time
    - How to better leverage ARC resources
- Supplies – Daily Numbers
  - Replacement Cartridges - 30,700 delivered.
  - Water (cases) - 19,152 cases delivered
- Budget projection completed and will be submitted to SBO for review.

- Notes from Water Response Team Command (MSP)
  - Very good synergy between Flint Post troopers and Genesee County Sheriff command and deputies in effective and efficient deployments for distribution efforts.
  - Great attitude and efforts by uniforms and volunteers to make important contributions to the City of Flint on water response team deployments.
  - Clear direction and coordination in the field of supply teams by lieutenants and troopers. No confusion. Clearly defined roles.

**All personnel continue to be fully committed to fixing this as quickly as possible.**

Chris

---

#### Update 1/12/16 – 8<sup>th</sup> Day (7<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

I apologize in advance for the length of this report. With the supply issues we had the last couple of days I wanted to share our inventory plus what we anticipate to ensure we do not have supply issues.

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Fine-tune logistics
- Increase and deploy door to door teams (4 state teams added to teams from the Sheriff's Department)
- Increase collaboration and messaging of collaboration with local agencies (specifically the Sheriff's Department)

#### Attached Documents:

- SitRep 7
- Executive Order Activating the National Guard

#### Key items for tomorrow to note are:

- The Governor signed an Executive Order activating the National Guard. Mission will be to relieve ARC volunteers at the PODs (Fire Stations) which will free up the ARC volunteers for door to door activities.
  - I have briefed the ARC Disaster Officer on this plan.
- The Governor requested, through FEMA Region V, support from the Federal Emergency Management Agency (FEMA) to bring together and identify other federal agencies that may have programs and funding that could be dedicated to assisting Flint as part of an interagency recovery plan. One of the existing LNOs has been identified as the POC for this. He will be a great liaison for the FWIACC.
- The door to door teams will continue at 0830 Wednesday morning and continue through the weekend and ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas.
- We will look at all commodities and see where we are and where we need to be while working with the ARC logistics specialist.

#### Items to Note

- PSA video sent out to Flint citizens on resources available.
- Water
  - Today's numbers - 7,824 cases of water arrived today, 1/12/16 (109 pallets)
  - Ordered:
    - 19,152 cases of water are going to arrive Wednesday, 1/13/16 (266 pallets)
      - 1/3 is going to GCCARD and the rest is going to the new warehouse
    - 12,768 cases to arrive daily beginning Thursday through Saturday (177 pallets a day)

- Filters
  - Today's numbers
    - Ordered on 1/11/16 and delivered 1/12/16 direct to GCCARD
      - 2,000 – Brita filter faucet mounts
    - Filter Replacements
      - 2,400 – Brita filter replacements (single pack)
      - 8,000 – Brita filter replacements (two pack)
  - Ordered on 1/12/16 to arrive Wednesday
    - Faucet Mounts – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
      - 10,000 – PUR Vertical faucet mount
      - 2,500 – PUR Horizontal mount
    - Replacement Filters – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
      - 10,000 – PUR replacement filters (3 pack)
      - 10,000 – PUR replacement filters (single pack)
    - PUR Combination Pack – to be delivered to GCCARD on 1/13/16 (Wednesday)
      - 10,700 – PUR combo packs
- To arrive Thursday
  - Zero Water Pitcher (8 Cup) – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 1,300 – Zero Water pitchers
  - Faucet Mounts – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 11,000 – PUR vertical faucet mount
    - 1,500 – PUR Horizontal faucet mount
    - 5,000 – Brita faucet mount
    - 10,000 – Brita adv faucet mount white
    - 12,000 – Brita adv faucet mount chrome
  - Replacement Filters – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 117,600 – PUR replacement filter
- Test Kits
  - 6601 unassembled kits arrived at GCCARD today, 1/12/16.
  - 500 have been assembled and are ready for distribution
  - 1000 additional unassembled kits have been ordered to be delivered at GCCARD (no ETA yet)
  - 10,142 unassembled kits to arrive at GCCARD early next week
- Second warehouse – Located in Flint
  - 100,000 square feet of secure warehouse obtained.
  - Accepting commodities beginning Wednesday, January 13
- Logistics Support
  - The American Red Cross Logistics Planner arrived from DC today as requested. I outlined what her mission was and how I saw the progression forward. This logistics planner will assist in streamlining the inventory and distribution process now and into the future.
- Door to Door Numbers
  - Today the app implementation for the field went extremely well. There were a few issues that were quickly addressed. One related to how form fields should be filled out. Another was getting styluses for teams so that they don't have to remove their gloves in the cold. All very simple to fixes.
  - We are working on version 2.0 so this can be used at the PODs

- We should be able to greatly optimize distribution in the near future as we mapped the active water subscribers from Flint's DPW and are adding them to the field team members apps. Of the ~56,000 possible addresses, this reduces the number of possible homes to visit down to ~29,000.
- Notes from the field commander:
  - "Today we started out the day using two groups that consisted of approximately 10 people in each group. We eventually combine groups with Genesee County Sheriff's group and they brought two more groups with approx. 10 people (Local UAW) in each group. This made us a lot more efficient and we were able to set up a game plan. Tomorrow I feel we will be more efficient and we will have a better plan in place to get the maximum output out of our resources."
- In the end, there were 394 total home visits with the following breakdowns:
  - 217 Door Hangers
  - 152 Vacant Homes
  - 117 Water Distributions
  - 112 Filters
  - 3 Pitchers
  - 48 Water Test Kits
- 211
  - CALL VOLUME:
    - 185 calls for water-related issues had been received as of 4:45 pm.
- Logistics made contact with Comcast and will be supplying them with filters and replacement cartridges for their deliveries in their work trucks as they make services calls. They will follow our procedures for reporting (our checklist).

Chris

---

#### Update 1/11/16

The focus today was the media event and getting the supplies and logistics on track. Most of the activity today was working on logistics for the water and other supplies.

#### Attached Documents:

- SitRep 6

#### Key items for tomorrow to note are:

- The door to door teams will start at 0830 Tuesday morning. It is reported that troopers are going to the door but *DHHS employees are the lead with a troop car nearby.*
  - State and local GIS created an App today for the teams to use tomorrow but I see potential use at distribution sites.
  - The App data will be used for our maps as we survey the public/distribute supplies and we will be getting real time metrics through the site from the field send back to the SEOC. We are using Android tablets tomorrow but in the future can use any mobile device for this.

#### Items to Note

- It was reported that only one POD (Station 5) was out of water longer than 30-45 minutes. This site was ~2 hours without water and part of that was the truck went to the wrong station. Trucks were sent as soon as the local EOC was notified.
- *We also did not receive a DHHS shipment that was to come in which caused some filter delivery issues.*
- Supplies are limited at this time; however, we are getting our shipments starting at 0630 tomorrow.
- We have Home Depot giving us 12,768 cases (this was a late development so the SitRep indicates half the amount) of water every day starting tomorrow. We are still working with other distributors too.

- ARC is flying in a logistics planner tomorrow. Three additional staff will be with her to shadow and help. We are turning warehouse logistics over to ARC logistics. We are moving tomorrow to a process that has a distribution center (GCCARD) and a warehouse that is 100,000 square that will maintain mass quantities. Staff has continually been placing orders for supplies to ensure we get a head of this. The intent is to keep the warehouse full so we do not have these continual issues of supplies.
- Began mapping lead service lines (anticipate having draft of lead service lines Friday).
- Coordinated with local IT managers overseeing filter tracking system to streamline data collection.

#### Local Emergency Operations Center

- Working to coordinate resources at the local level to maintain adequate supplies at all PODs.
- Demand has exceeded supplies and supplies are moving rapidly from PODs today. Working to make sure POD managers notify us when they start running low.
- Working to establish a warehouse for local resource storage.
- Established trigger points for resources at PODs and hourly inventory reporting from the PODs.
- Discussed potential long term water sources between local EOC and SEOC.
- Established planning cycle/meeting scheduled for 1/12/16.
- Local EOC EMHSD staff with Natasha Henderson to request deployment of City representative at local EOC.

Chris

---

#### Update 1/10/16

##### Attached Documents:

- SitRep 5
- Door card (English version but Spanish version will be ready for Tuesday)

I have a local EOC section listed below but state personnel are heavily engaged in management of both locations. We occasionally hit some road bumps with this event but all personnel are working well together to accomplish our goals (especially state agency personnel).

I have had good discussion with FEMA LNOs. Two statements have been developed from our discussions that hopefully helps put this in more context but if it is more confusing I apologize:

1. In the immediate response, the State, in collaboration and coordination with city of Flint and county of Genesee are working to get water, water filters, and testing kits to the affected population. In conjunction, the state will coordinate with federal agencies to ascertain what resources can come to bear to help mitigate the issue.
2. If asked about a federal declaration from FEMA, we need to articulate the definition of major and emergency declaration and state or note to ourselves that it appears to not qualify; however, there may exist opportunities to leverage federal assistance from some agencies (i.e....EPA) under their own authority to help address this issue.
  - We need to really manage expectations on the potential for a federal declaration...not that we will not go after one but it will be difficult to get.
  - A major disaster is defined in the Stafford Act as any ***"nature catastrophe (including hurricane, tornado, storm, high water, winddriven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, snowstorm, or drought) or, regardless of cause any fire, flood, or explosion.....causes damage of sufficient severity and magnitude, to warrant major disaster assistance.....to supplement the efforts and available resources of States, and local government....."***

- An emergency declaration is *"is any occasion or instance for which, in determination .....assistance is needed to supplement State and local efforts and capabilities to save lives and protect property and public health and safety or to lessen or avert the threat of a catastrophe....."*
  - This is limited to immediate and short-term assistance (I hate to put times on this but short-term is like 3 weeks), essential to save lives, protect public health and safety and property.
- Severity of the situation is *"A finding that the situation is of such severity and magnitude that effective response is beyond the capability the state and affected local governments, and that the state requires supplementary federal emergency assistance to save and to protect property....*
- Nature of assistance for Emergency Declaration is for *"Debris removal, emergency protective measures, direct federal assistance...."*
  - Debris Removal = *self-explanatory and we do not have this*
  - Emergency Protective measures = *water, commodities, transportation (remember ... to supplement what the locals and state are already doing if we need more)*
  - Direct federal assistance= *what specific type of work is requested, and what are the reasons why the state/local government cannot perform or contract for performance. Essentially what is the need that state/local govt cannot provide. I can see this being something we need but we may be able to get this outside a federal declaration under the federal agencies own authority to help address this issue.*

Back to the update...

#### Key items for tomorrow to note are:

- Training is occurring for the door to door teams scheduled for Tuesday morning.
- Deploying an additional MSP District Coordinator to the local EOC for command and control support.
- Deploying two DTMB trucks and two drivers for sustained logistical support for the week.
- Media event with the Governor in Flint.
- New Incident Action Plan starts (1/11 0800 -1/13 0800 operational period). Our objectives are as follows:
  1. Ensure all households within impacted community have required resources.
  2. Ensure accurate tracking and accounting of all commodities.
  3. Improve and maintain public information strategy.
  4. Develop a long term public health and services plan.
  5. Ensure adequate staffing to support operational requirements.
  6. Identify possible assistance programs.
  7. Develop an approved GIS strategy.
  8. Maintain coordination between partner agencies and organizations.
  9. Enhance situational awareness and common operating picture of all activities.
  10. Develop a comprehensive Recovery Plan.

#### Items to Note

- All 9 churches had filter systems/replacement filters, information sheets, and water test kits delivered as requested by each pastor/reverend on Sunday. We did not think we could get them water due to the limited time but we did end up getting water to all 9 churches with the other items.
- Fire station resource locations stayed open from 9a to 9p and will continue with those hours until further notice (Staffing is in place until Saturday). ARC is staffing these locations.
- The media event was held at Fire Station No. 1 and report back is that it went well and the spirit of collaboration between local, state, non-governmental partners is strong was relayed.
- The four door to door teams will have the hours of 8:30 a.m. to 5 p.m.
  - Each will have logistics support from DTMB, security from MSP, and contact personnel from DHHS.
  - The door card is attached that will be left if no one is home.
- Worked to identify a storage location within the City of Flint for water and supplies. G-CARD is identified as temporary location but we are moving toward a state run warehouse operation (looking at private sector partners to assist, especially with the warehouse management side).

- GCard is large enough, centrally located and comes staffed. GCard has 75,000 sq ft with warehouse managers to assist with tracking resources coming in and out.
- GIS will provide us daily updates of how much was distributed each day but note we have a delay in data entry from delivery to entry in the GIS system. Over the weekend there was a problem locally with staffing to get this completed. A solution is in place and will be implemented so we get timely data. Distributed to date (as of 1/8/16).
  - 12,386 filters
  - 1,985 replacement filters
  - 354 Pitchers
  - 2500 Lead Testing Kits
- Establishing and tracking of resources is a priority. Staffing has been assigned to get a good handle on these to ensure distribution sites maintain an appropriate level of inventory. I have requested trigger points get put in place so we do not get below certain levels in the main warehouse location.
  - Contacts with some large water distributors have been made and their and our logistics chiefs will connect first thing this week.
  - We have ordered an additional (expedited delivery with ETAs tomorrow)
    - 40,000 Brita Filters
    - 40,000 Brita Replacement Filters
    - 1000 Zero 8-Cup Pitchers
    - 1000 Zero 8-Cup Pitchers
    - 2000 PUR Replacement Filters
    - 93 Pallets of water (about 6700 cases)
- GIS continues to produce multiple maps for use.
- JIC Items
  - Requested PSA on the radio. Media has been approved and working with MAB.
  - Requested JIC to contact Comcast and Dish Network for availability for continuous running of filter install/replacement and test kit video.
  - A news release will likely going out tomorrow regarding canvassing in neighborhoods. Continued social media messaging.
    - Tuesday – embed state PIO with one of the canvassing teams to liaison with media.
    - JIC moving tomorrow to Flint.

### Local Emergency Operations Center

I am providing you some information on some issues we ran into at the PODs. This has been addressed with additional state resources and processes put in place so we do not run out of resources. Public concerns/complaints have not been brought to my attention at this time. Staff is working very hard to ensure we do not run out of supplies at the PODs and they understand the consequences. No one in the Local EOC or State EOC is happy the following occurred and I felt you should know in case it is brought up. Again, I believe we have fixed this and I take full responsibility for any supplies not being on site.

### Fire Station Inventory Levels:

#### Station 1:

- Only time without supplies - 15 minutes without water while the truck was unloaded.

#### Station 3:

- Ran out of replacement filters around 7:00, replacement filters delivered around 7:30. Had to pick up replacement filters from Home Depot and deliver.

#### Station 5:

- Ran out of water around 5:00, water was delivered around 6:30. We needed to find additional trucks because DTMB drivers were over hours. The ARC stepped up and found a truck to go and pick up a pallet of water and deliver.
- Somewhere between 4:00-6:00 they ran out of lead test kits. No way to restock these because City facilities were closed and could not reach anyone.

#### Station 6:

- Around 5:00 ran out of water, filters, and replacement kits. Replacement kits were delivered around 7:30. Additional water and filters were delivered after 9:00 due to the DTMB drivers heading back to Lansing. Food Bank was called and had to get drivers in to operate trucks, pick up water from the School District load and deliver to all sites. Delays occurred with weather conditions and needing to use last minute sheriff EOC staff to load due to issues with City workers. City workers were scheduled to help and left around 7:00 without helping.
- 2 pallets of water were dropped off in the afternoon and within 1 hour were gone. This was much faster than we expected. On 1/9 they didn't go through 2 pallets of water at any station for the hours 9:00-4:00.
- We received news that a reverse 9-1-1 call notified residents of water which caused an unanticipated amount of people obtaining water. There was also a report of 1 person walking out with 2 cases of water and trying to sell in the parking lot.

#### Station 8:

- Around 7:00 ran out of filters and lead tests. Filters were delivered around 8:00 from the food bank trucks.
- Hourly reports were requested in the morning from volunteers but this information was not received as to the status throughout the day. Early inventory of supplies took between 1 hour-1.5 hours to receive in the EOC. We were not advised of low counts, just zero numbers.
- Reports received that the last couple of hours were slow.
- Residents were advised of the other sites and the opportunity to obtain supplies.

#### Restocking Plan

- United Way set up meeting with Food Bank to discuss.
- Had EOC meeting on this topic to discuss options.

#### Churches:

- All 9 churches received waters, filters, and informational bulletins.
- Lt Roach received positive feedback from 3 of the pastors.
- No complaints were received.

#### Signage:

- Provided information to SEOC on signage requirements at the fire stations.

#### Storage:

- Researched storage spaces; established temporary site at GCCARD.

#### Personnel:

- Lack of local EOC leadership (seems somewhat checked out) with IC and Deputy IC (doing an okay job).
- Captain TaFoya (Genesee County) helped tremendously today with all the plans outlined above and attended the press conference.
- Tina Martinez at the Food Bank and Matt Purcell at GCCARD were extremely helpful in getting last minute operations set up.

Chris

---

#### Update 1/9/16

SitRep 4 attached for more in depth information. The below only contains some items worked on today and while the format in the attached SitRep is not perfect (it is created automatically by MICIMS) it does contain a lot more information you may want to read. I also attached one of our maps. It is our filter distribution map. All filters handed out by anyone working with us feeds into this now. We are continuing to refine these and at this time there is a delay in the upload of address data but we are working on it. We have a ways to go to get filters in every home but this will help direct us to those who need still them. We also are working on identifying abandoned homes.

Key items for tomorrow to note are:

- 9 churches will have ARC volunteers and filters for distribution. Some may also get water.
- 5 fire stations are a distribution point for water, filter systems/replacement filters, and water test kits. While only open today until 4 p.m., tomorrow and until further notice they are open from 9a to 9p.
- Media event will take place on the above tomorrow.

#### Items to Note

- 211 has some issues with call load but it is being worked on. 2-1-1 Director contacted MDHHS PIO to discuss/resolve caller wait times and messaging. We anticipate an increase in activity tomorrow in 211 calls so we requested and received an increase to staff 211.
- We are shifting tasks the SEOC took on that are handled more effectively and efficiently at the local EOC. We have established command and control in their EOC. We are running things there but that is not being made public. We are doing this in partnership but we are clearly handling the operation with state personnel oversight.
- A 3rd FEMA LNO arrived today upon my request. This has nothing to do with a Presidential request for a declaration but support for some other items I want worked on for long term recovery.
- We continue morning calls with the local EOC leadership and local emergency manager on what our goals for the day are as well as any issues/concerns.
- Five 5 fire stations have received water, water filters, replacement cartridges, and water testing kits with American Red Cross personnel at each location to assist with delivery of resources and collection of addresses receiving them. These locations will be open from 9a – 9p daily until determined they are no longer needed. Those picking up water testing kits will be advised that they can return the test kits to the fire departments (where they will be picked up and taken to the Flint City Hall), the Flint Water Treatment Plant, or they can take them directly to the Flint City Hall. For those unable to return the kits, 211 can make arrangements for pick up the kits. We understand response to these sites has been positive thus far. The Genesee County EOC will be monitoring these supplies and request replacement of products as needed.
  - A call is going out tomorrow morning to advise this information ... I do not believe it was every resident but Tori Sachs has that info if needed.
- I approved a press release today to advise the public that all levels are working together to ensure delivery of filters, test kits and water; noting that all of these items were delivered to the 5 Flint fire department stations. It was stressed that the public should be aware that the local and state agencies have been working cooperatively to assist the residents - and will continue to do so. This was done to hopefully end or at least minimize the “who can get water and filters out first” when all of this has been connected with the state and coordinated since the state declaration was put in place.
- The arrangement of 2,000 filters, to be taken to 9 local churches on Sunday, January 10, is ongoing. The filters have been secured; they are now in the possession of the DTMB. DTMB will return to Flint on Sunday morning to deliver these to necessary locations. The American Red Cross will be on site at each church to assist with distribution and recording addresses (for GIS). The local EOC is working to ensure these arrangements are complete and run smoothly. Future engagement with the faith based community will occur to assist with additional distribution.
- A Flint City liaison has not been in the EOC but starting Monday this will be in place to keep the Flint Mayor apprised of activities being conducted in the city. She also has been advised she can call me at any time if she needs anything.
- Training has been confirmed for the door-to-door operation scheduled to start Tuesday. Four teams are initially scheduled with more to potentially be put in place. These are the teams that will be handing out water, filter systems/replacement filters, test kits and information. If nobody is home, a door hanger with information is being left. DHHS personnel and one MSP trooper will be on these teams.
  - Training will take place at 1 p.m. on Monday afternoon at the DHHS office on Clio Road. DEQ and DHHS will provide the training.
    - Training is so those going door to door can explain what the filters do, how to install them, if they need install help to call 211 who has a list of people who can install the filters, and answer any other questions versus just handing them the filter.

- Hours of operation will be Tuesday through Friday from 8:30 a.m. to 5 p.m. AT THIS TIME. I am reevaluating these times to increase contact with someone versus just leaving information.
- Logistics are being finalized for the teams and trucks to handle stocking and re-stocking of materials during daily operations.
- GIS maps will provide guidance on deployment locations for these teams and other teams in the field.
- A pilot project at Freeman Elementary with LARA and DEQ has been initiated to see if replacing certain plumbing components in faucets at the school will drop the lead level.

#### MSP/EMHSD GIS Section Updates

Accomplished Today (January 9):

- Produced a Point of Distribution Map. Contains four types of distribution points; Churches, Water Resource Sites, Filter Distribution Sites, Water Distribution Sites.
- Produced Filter Distribution Map.
- Developed process of how best to handle geocoding the household filter locations, worked on processing the data.
- Worked on map of franchise customers outside of Flint City.
- Produced maps for MDARD on food establishments and Local Health Departments.
- Produced map of Church Filter Distribution map for DTMB.

#### Local Emergency Operations Center

- The state has deployed 10 personnel to the Genesee County EOC to ensure we have command and control at the local level. On 1/8/15 The state personnel took over the incident management functions of the Genesee County EOC (not public). The arrival of additional staff allowed the local Emergency Management Coordinator to delegate tasks which relieved a tremendous amount of stress.
- Additional Sherriff staff (2-positions) will be shadowing the state incident management team to allow for transition to the county personnel later in the incident when we are comfortable with them handling things. Not sure when that will be but we have secured a direct bill hotel for staff to stay in Flint as long as needed.
- With the additional staff, the Local EOC will be able to take over functions previously handled by the SEOC including:
  - Logistical activities to support church operations.
  - Logistical activities to support fire stations operations.
  - Coordinate Donations Management activities and draft donations management plan
  - Coordinate Volunteer Management activities
  - Identify local storage/staging facilities
  - Overall inventory tracking
  - Tracking of Points of Distribution (PODs)

Chris

---

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

#### Update 1/8/16

SitRep 3 attached.

There is a significant difference in what is being presented by the media and what the local EOC is relaying to us at the SEOC. It is also being driven by the media that this is a state versus local response (who is providing more and quicker versus a coordinated effort between all). That said, I advised SEOC personnel that perception is reality in some eyes and we are to move forward to address items that typically are addressed at the local level. I have ordered the SEOC open all weekend due to make the quick wins that we need and continue to get the coordination and collaboration in place that is needed (but make gains on our own as needed).

## Items to Note

- Two FEMA LNO's arrived today and are in the SEOC. A third LNO was requested from FEMA due to some unique issues with this event to include having to deploy more of my staff to the local EOC to get more structure and/or find out why there is an issue with the message the media is showing versus what we are hearing from the local EOC
- We finally received from the local EOC 8 locations (we were told originally early in the week they had 80-90) that are their Points of Distribution (PODs) for water in conjunction with the local food bank. The PODs are not getting water from the food bank even though the food bank has water. We are going to resolve this issue as we can help deliver the water to the PODs but we were not aware of this. 8 PODs is not enough locations if water needs to be distributed to citizens. Speaking with the ARC Regional Administrator later today, I believe ARC got water to those locations but I need to confirm that in the morning. The food bank reported they had 376 cases of water.
- We have learned that a low number of residents are testing their water when DEQ can test 400 kits per day. This is an added focus that we believe can be increased through dissemination of test kits with the filters and any water.
- I found out the Mayor was okay with using fire stations as distribution points for water, filters, and water test kits. While this did not come to me through the local EOC, I advised we needed to get water, filters, and test kits to these locations for tomorrow. The distribution at 5 Flint Fire Department stations has been coordinated to be in place by 10:00 am tomorrow morning.
  - DTMB has provided a truck and driver to pick up water test kits from DEQ lab in Lansing, water from the Food Bank and water filters and replacement cartridges from GCARD in Genesee County.
  - 10 American Red Cross (ARC) volunteers will meet the DTMB truck at GCARD at 9:00 am to be provided information about filters. Instructions will be included in water test kits. They will then report to the 5 fire stations to assist in distribution of resources to the public and track addresses of same.
  - Residents will be told where they can drop off their water test kits, or that they can return them to the fire station the next day. Coordination will occur on pick up of water test kits daily to be taken to the Flint City Hall, who will then delivery them to the DEQ testing lab.
- STILL FINALIZING - We have made available 2,000 Filters for distribution on Sunday as parishioners leave mass/services. This will be 200 filters for 10 churches in Flint. While this is a small number of churches, we do not want to waste an opportunity to hand out filters and this seems like a quick way to so. The filters will be put on the DTMB truck on Saturday for delivery to TBD locations for distribution. Logistics remain undetermined as I am still waiting on a list of the churches, pastors/reverends/hours or services/etc. The DTMB truck will be returning to Lansing approximately 11:00 a.m. so we need to finalize this quickly on Saturday. We may utilize ARC to assist with this.
- The Recovery branch is working with the JIC to develop a door hanger card. DTMB is working on the printing portion of the hanger card. Recovery will also be finalizing logistics over the weekend for neighborhood canvassing to occur early next week. 40 volunteers have signed up to attend training on Monday afternoon to complete this task. The mission will be to deliver water sample kits along with water filters/replacement cartridges, and water.
- It appears that 211 has become overloaded. DHHS is researching ways to increase capacity for calls.
- A Volunteer Management Coordinator is in the Genesee County EOC as of today.
- A Donations Management Coordinator has been requested and she will be in the Genesee County EOC Saturday.
- DHHS had a conference call with GM today; they indicated they can provide cash, and supplies, but primarily manpower. No commitments were made at this point. We inquired as to availability of warehouse space and

trucks. It was left as GM being a major resource pool that we can tap into as we determine missions. Further conversations will occur, but primarily GM just wanted us to know they are there if needed.

- An additional EMHSD staff member was sent to the Genesee County EOC to act as Operations Section Chief and obtain awareness of the situation there.
- GIS staff met with various parts of Genesee County/Flint personnel to try to get a handle on data available.
- GIS continues to work with local GIS personnel with three GIS staff going to Flint today to work with them. GIS staff is working with U of M on how best to proceed with digitizing water lines for long term recovery.

Chris

---

#### UPDATE 1/7/16

A summary of some of today's SEOC activities is provided below. Attached is the following:

- Today's SitRep which contains more information than below.
- The resource request/task assignment sheet for your situational awareness. This is how locals request resources as well as how we track resources and any assignments and/or tasks that are to be completed.
- JIC Task Tracking – for your situational awareness on how we are tracking requests and assignments. Once someone is assigned a task or resource request it allows them to document what work has been or will be done as shown at the bottom of the document.

#### **Items to note:**

- I received a document this evening from Genesee County which appears to be damage assessment information. Analysis of this will occur tomorrow. It appears to be infrastructure and costs to fix it and no other impacts.
- I spoke with Jamie Curtis, Genesee County Commissioner, this evening. A very good relationship is in place with him, especially with our District Coordinator (DC). I also have our DC working on developing stronger relationships with the Mayor/Mayor's office.
- GIS staff continue to obtain data and work with County and City personnel to get a picture of where resources have been provided, need to be provided, as well as infrastructure locations (pipes) that could be affected.
- Personnel and agencies have been tasked with developing a plan to get people in the community to deliver information, hand out filters, etc. This would target those areas we are showing minimal or no filter distribution based on the data we are collecting. The plan is to get them in the field by Tuesday and the plan will be provided to me tomorrow.
- Filters can be obtained at the following locations:
  - Michigan Department of Health and Human Services office, 125 E. Union St., Flint, MI 48502
  - Michigan Department of Health and Human Services office, 4809 Clio Road, Flint, MI 48504
  - Genesee County Community Action Resource Department office, 2727 Lippincott, Flint, MI 48507
  - Genesee County Community Action Resource Department office, 601 N. Saginaw, Flint, MI 48502
- Conducted briefing with local EOC and county executive.
- Conducted briefing with state agencies (daily updates).
- Began work to schedule legislative/congressional conference calls. Tentatively scheduled for 2 p.m. Friday.
- JIC continued to develop messaging.

- Provided input to local EOC regarding best methods of identifying health and non-structural impacts for damage assessment process.
- Deployed two EMHSD/SEOC liaisons to assist the local EOC.
- Published the Incident Action Plan and continued assignment of objectives/tasks.
- FEMA Liaison Officers just arrived in Lansing to assist command and general staff.
- I spoke with Harvey a few times and he should have talking points later tonight or tomorrow a.m. for his use and also for others who may speak to media outside of state government who may benefit from our messaging.
- We held a media round table at 1 P.M. at the SEOC. Dr. Wells and I spoke and answered questions to numerous media outlets.
- Local agencies and NGOs continue to provide water and filters to citizens.
- The website, [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater), was update with information and links to assistance to include 211. Additional recommendations were provided to include information on the testing water in homes.

#### EMHSD GIS:

##### Accomplished Today:

- Reproduced Socio-Economic Status Map
- Reproduced Predicted Affected Populations Map
- Cleansed old data and reports for water filter distributions
- Created draft map of water filter distributions (Refinement needed before releasing final product)
- Scheduled on-site visit with Flint GIS Department and Genesee County GIS Department
- Formatted databases to host content
- Researched service line database creation and scheduled meeting with U of M Flint to discuss timelines and resource needs
- Generated water infrastructure map (does not include building service lines)

##### Tasks for Tomorrow:

- Meet with Flint City GIS
- Meet with Genesee County GIS
- Meet with U of M Flint GIS
- Finalize water filter distributions map
- Finalize plan for data distribution methods

Chris

---

#### UPDATE 1/6/16

A summary of today's SEOC activities is provided below. I tried to distill this as best I could but there has been a lot of activity and discussion to get an accurate assessment of the situation. Attached is the final draft of objectives and tactics for the operational period and agency situation report (SitRep) which has more SEOC agency information. I have implemented weekly operational periods.

Advise if you want anyone else copied or off this distribution.

#### Daily Update

- Set goals for SEOC and identified response/recovery emphasis
- Requested FEMA liaison officers (LNO) from FEMA Region V. Two LNOs will be on site by ~3 p.m. 1/7/16. Both are known contacts to me and some staff and one has worked extensively with me during the SE MI flooding in a command and control position. These personnel have been specifically tasked with this mission. **THEY ARE NOT HERE TO ASSIST WITH A PRESIDENTIAL DECLARATION REQUEST BUT TO ASSIST ME.**

- PIOs from multiple agencies were here and established the Joint Information Center (JIC). News released pushed out on this. I am very happy with the PIO work and movement toward coordinated messaging.
- Held briefing for State Agency Emergency Management Coordinators, which included presentations from DEQ and DHHS subject matter experts to ensure situational awareness and to develop a common operating picture.
  - I opened the briefing by identifying our initial goals, items to think about while subject matter experts were briefing us, and how we are to move forward, find quick wins, and regain trust.
  - **MDHHS – Elevated Blood Lead Levels**
    - Dr. Elizabeth Wells gave an in depth summary of lead poisoning and what has occurred in terms of health monitoring throughout the Flint crisis.
  - **MDEQ – Water Testing Protocols**
    - Mr. George Krisztian of MDEQ gave an in depth summary of the testing protocols and summary results that as they have developed throughout the emerging crisis.
- Developed Incident objectives, strategy and tactics (see attached)
- Identified SEOC and state agency staff positions
- Assigned work tasks for SEOC operation period from 0800 January 6, 2016 to 1700 January 8, 2016
- Reviewed planned actions, prepared final draft Incident Action Plan
- **Made contact with the Genesee County Emergency Manager first thing in the morning and held a conference call mid-day to discuss roles. Daily 0830 command conference calls with local EOC command staff starts tomorrow. Tomorrows call will include the County Commissioner and the City Administrator (both invited). Topics include the incident action plan objectives and establishing better local coordination, command and control to facilitate integration with the SEOC. The local EOC is not functioning as it needs to with personnel and local coordination and we are working on that issue.**
- I will be in Flint tomorrow for a 2 p.m. media round table with local officials that was set up by the JIC.
- The attached initial objectives will be updated at least every operational period and as needed. I listed the objectives below but the tactics to accomplish them is in the attached if you want further information.
  1. Activate the State Recovery Task Force (SRTF).
  2. Establish and maintain coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate medical experts.
  3. Obtain and maintain situational awareness and common operating picture of all activities.
  4. Establish SEOC operational period and hours of operations.
  5. Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program.
  6. Develop a comprehensive GIS strategy.
  7. Coordinate response and recovery activities with MIVOAD and identify potential mission areas.
  8. Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies.
  9. Provide technical assistance to the local Damage Assessment process.
  10. Establish a Joint Information Center (JIC) and develop a public information strategy.
  11. Monitor MI CIMS for resource requests and address as appropriate.
  12. Establish and disseminate cost center information for the incident.
- Additional tasks include:
  - Determine what federal agencies are already involved and their status
  - Identify potential water supplies
  - Determine where affected homes are located, where filters/pitchers (and replacements) were installed/provided, and determine who needs filters, etc.
  - Determine how filter distribution is handled, and if it can be handled more efficiently and effectively
  - Determine what mechanisms are in place for nutrition supplementation

#### **EMHSD GIS Accomplishments:**

- Hosted a conference call to begin coordination with Flint City and Genesee County GIS departments and the SEOC

- Established a daily call with county and city GIS personnel to synchronize GIS efforts in support of the Flint water crisis at 8:30 A.M.
- Began consolidating local data from local GIS practitioners into a consolidated database, to include:
  - Water Pipeline Locations
  - Filter Distribution Locations
  - November 25, 2015 Water Monitoring Results (Partial, some data remains to be digitized)
  - Affected School Locations
  - Predictive analysis of blood lead levels for affected area
  - Updated Parcels
  - Demographics
  - Block Groups
- Produced a map for the filter distribution locations
- Began contacting specialists who developed historic maps depicting the Flint Water Crisis to obtain the data

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:13 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** RE: Update - Genesee County Declaration

I forgot to advise that we have asked key state agency PIOs to be in the SEOC for the briefing.

---

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:06 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** Update - Genesee County Declaration

Below are some key points for your situational awareness (FYSA) that have taken place or will take place within the next 15 hours.

- I was on the phone with Sean Kammer, Assistant to the Flint City Administrator, when the declaration hit the news so I advised him immediately. He was going to let the City Administrator know.
- I contacted MSP Lt. Roach, 3<sup>rd</sup> District Coordinator, who was at the Genesee County EOC and advised her to let the County EM know the declaration status.
- State Emergency Management Coordinators (SEMCs) were notified via our notification system with additional information in an email.
  - This included information on the SEOC activation and a 0900 briefing for SEMCs.
  - Some subject matter experts will provide us an update to establish a common operating picture.
- We have been in contact with FEMA Region V watch desk ... they will be on the call tomorrow and continue to monitor the situation.
- I have been in contact with the FEMA Region V Administrator to keep him updated.
- Operational period for the SEOC will be M-F, 0800 to 1700 at this time.
- Situation Reports (SitReps) will be provided in the evenings.
- An Incident Action Plan will be developed tomorrow.

Call me with any concerns or questions.

Chris

SEOC Hours of Operation End: 01/27/2016 20:00:00

## Executive Summary

### SEOC Update:

Accomplished today (January 27, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

### Logistics:

- o Ordered radios from MSP Communications for supply truck drivers.
- o Processed Requests (RRF's) for water, filters, replacement cartridges, pitchers, and pallet jacks from FEMA.
- o Worked with the Michigan Community Service Commission on donations management and volunteers.
- o Researched possible warehouse options with the local EOC, FEMA and GM.
- o Warehouse inventory will be taken in liters for water and by each unit for other items.
- o Requested an optimal warehouse inventory staffing plan for the new warehouse when identified.
- o Secured donations of pallet jacks (so far) from American Logistics Aid Network. In discussions for warehouse space, staffing, and equipment.
- o Reviewed, assigned, investigated, and updated resource requests.

### JIC:

- o Press conference held today with the Mayor, Governor, Capt. Kelenske, and others.
- o Press releases 19 went out today concerning bathing in water, number of homes visited, and the Governor's announcement of a comprehensive plan for Flint.

### Recovery Branch:

- o Coordinated the data entry of the ARC paper tracking forms.
- o Coordinated with the SEOC GIS team to identify areas to develop and provide maps that the Red Cross Teams are working on today.
- o Worked with GIS to develop an area map and spreadsheet with addresses based on data specified as follow up required.
- o Worked with GIS to acquire addresses for water response teams.
- o Coordinated daily assignments for the Flint Water Response Teams.
- o Compiling a list of apartment complexes for targeted outreach. Once the plan is in place a team will go to each complex and verify tenants have received filters and GIS will mark parcel as complete
- o Operations for the Water Response Teams has shifted to a targeted effort to get filters into homes our data shows don't currently have filters.
- o Continued demobilization of trucks and vans.
- o City Sections Visited Today: 6, 26, 27, 28, 29, 31
- o City Sections Scheduled Tomorrow: 3, 9, 11, 17, 19, 20, 23

o Data is for 1/27/16 as of 5:00 pm:

- o Total homes visited.
  - 4,966 (round 3 total).
  - 1,020 (today).
- o Water Cases:
  - 2,534 (round 3 total).
  - 766 (today).
- o Replacement Cartridges:
  - 343 (round 3 total).
  - 173 (today).
- o Faucet Filters:
  - 1,877 (round 3 total).
  - 676 (today).

### Planning Section:

- o Published Sit Rep # 22.
- o Participated in daily SEOC briefings and distribution process conference calls.
- o Collected and prepared data for Governor's Office and Senate Appropriations committee meeting.

### Operations Section:

- o 69 Red Cross volunteers were active across the operation today.
- o 40 event based volunteers were active across the operation today.
- o Captain Kelenske will be in Flint today at meetings and a press conference.
- o Facilitated state agency and local briefing calls.

o Warehouse Numbers as of 1800 (inventory was calculated from 1/26/16 totals and net movement of resources 1/27/16):

- Water (cases):
  - 70,369.
- Filters (faucet):
  - 42,758.
- Replacement cartridges:
  - 159,467.
- Test Kits (prepped):
  - 3,689.
- Test kits (un-prepped):
  - 0 (all supplies out to ARC for assembly).

o PODs (1700 1/26 – 1600 1/27).

- Water (cases):
  - 9,381.
- Filters (faucet):
  - 440.
- Replacement Cartridges:
  - 992.
- Filters (pitcher):
  - 351.
- Test kits:
  - 353.

#### Finance Section:

- Provide financial information for Senate Appropriations Committee meeting this afternoon.
- Worked on the SEOC Staffing report.
- Worked with other state agencies regarding procurement policies and procedures.
- Reviewed donations as match guidelines for required 25% federal match.

#### GIS Branch Updates:

- Identified several unique zip codes in the city that do not have a prescribed geographic area that will need to be considered for mass mailings or identifications of addresses.
- Produced new team assignment maps to assist FWRT in targeting parcels that require follow-up.
- Monitored and cleaned up real time application data from field teams and PODS.
- Coordinated with DTMB/CSS to meet with local GIS staff to review city GIS infrastructure and provide recommendations on future asset management.
- Coordinated with DNR and DEQ to establish timelines for lead mapping and strategize updates of lead statuses based on plumber activities.
- o NOTE: DNR will be providing semi regular updates to GIS on newly identified lead areas and we will consolidate at the end of day for daily status maps
- o NOTE: Lead mapping project is projected to be Friday, 29 January 2016.
- Requested updated zip code file be generated by DTMB CSS, update will be provided tomorrow on the status of the feature creation.
- Researched applications of the DTMB master address repository to emergency operations.
- Created map comparing today's planned activities to newly established priority areas.
- Mapping test results from DEQ, final product should be completed by the morning.

#### DTMB:

- Worked with leasing office to secure warehouse space at a closed Kroger site.
- Worked with VTS to develop a plan for demobilization of vans from Flint.
- Worked with DEQ to develop a way to ensure other filtration systems meet the NSF standard.
- Worked with the department of corrections to obtain pallet jacks for the PODs and drivers for the food bank.

#### DHHS-CH:

- The CHECC met with the State Coordinating Officer from US DHHS. They worked on a plan for support.
- Working to leverage local health volunteers to support this response.
- Local HD has expressed concerns about staffing and we are working on a solution.
- We are working on a health strategy for pregnant mothers.

#### DEQ:

- Working with the department of corrections to get samples taken to the DEQ laboratory in Lansing.
- Working with DOC and ARC to get bottles transferred to ARC to be made into testing kits.

#### Local EOC Update:

- Planning for transition of operational control to local level.
- Identifying and securing additional warehouse space for donations management.
- Coordinating rapid response deliveries to identified locations.
- Coordinating demobilization of vehicles and technology.
- Working to implement the recycling program in Flint. Press conference scheduled for 01/28/2016.
- Coordinating in-kind and monetary donations through Michigan Community Service Commission.
- Coordinating volunteer management through the Michigan Community Service Commission, ARC and other VOADs.

#### **Incident Response/Recovery Priorities/Objectives**

(Objectives are in order of priority with original objective number attached)

1. Ensure all households within impacted community have required resources.
2. Ensure accurate tracking and accounting of all commodities.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
3. Improve and maintain the public information strategy and process.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT and the FWCC
4. Develop a long term public health and services plan.
6. Develop an overview of possible assistance programs.
9. Enhance situational awareness and common operating picture of all activities.
5. Continue to maintain adequate staffing to support operational requirements.

## Emergency Declarations

### Local Declarations

#### Jurisdiction(s): Date/Time:

Genesee County, Public Health Emergency, 10/01/2015

City of Flint, Declaration of State of Emergency, 12/15/2015

### Federal Declarations

#### Jurisdiction: Date/Time:

Declaration of Emergency for Michigan Contaminated Water (EM-3375), 1/16/2016

## Weather Conditions

### Watches/Warnings

### Upcoming Forecast

Forecast Update for Flint, MI - January 27

- Additional snowfall late tonight into Thursday (January 28). Less than 1 inch of accumulation expected.
- Breezy conditions Thursday (January 28) and Friday (January 29) with gusts around 25 mph.

High temperatures through the end of the week will hover around 32 degrees before increasing into the 40s both Saturday (January 30) and Sunday (January 31).

Risk for frostbite from exposure over the next week is low unless exposure time for the individual is several hours in length with the person engaging in little to no activity.

#### Damage Assessment Summary

#### Agency Summaries

##### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was expected to be operational in Flint from 8 a.m. to 8 p.m. on Jan. 27. The JIC was operational until 10:30 p.m. on Jan. 26.

State agencies at the JIC included the Michigan State Police, Michigan State Housing Development Authority, and Departments of Environmental Quality, Health and Human Services, Agriculture and Rural Development, Licensing and Regulatory Affairs, Technology, Management and Budget, and Military and Veterans Affairs. The Genesee County Sheriff's Office and American Red Cross were also present.

##### Tasks accomplished:

- Media hotline staff answered more than 10 emails and phone calls ranging from identification requirements at water resource sites to bathing in Flint water.
- Key agency PIOs fielded multiple news inquiries throughout the day, including conducting or scheduling interviews with the Detroit News, Thinkprogress.org, CNN, ABC 12, Marketplace and Michigan Radio.
- Assisted the Governor's Office with media check-in for an 11 a.m. press conference at the University of Michigan-Flint's Northbank Center to provide an update about current actions and next steps to address about Flint water. More than 40 members of the media attended the press conference from local, state and national outlets.
- Licensing and Regulatory Affairs and Environmental Quality PIOs attended the first meeting of the Flint Water Interagency Coordinating Committee at the University of Michigan-Flint's Northbank Center.
- Created a media monitoring report and looked for information requiring correction.
- Updated internal talking points about the ongoing Flint water emergency.
- Continued routing public information materials for approval, including communications from MDE, MDHHS and MDARD.
- Issued a news release at 1:15 p.m. to inform the public and news media that bathing in Flint water is safe for children and adults.
- JIC is planning to issue the nightly activity news release around 7 p.m.
- Working on revising the water donation guidelines flyer due to overwhelming demand of water donations.
- Emailed all state agency PIOs to request assistance with staffing the Flint JIC for the next two weeks.
- Coordinated with Genesee County Emergency Operations Center and State Emergency Operations Center regarding concerns from undocumented workers and English as second language speakers, including fielding a phone call from the Mexican Consulate in Detroit. Efforts are underway to reach out to these communities and to translate more materials for publication.

##### Agriculture and Rural Development (MDARD)

Wednesday, Jan 27 - Resolved issue regarding Flint community schools MDEQ, MLARA, and MDARD. Identified a need for consistent response to sampling results by MDARD, MDEQ, MDHHS (Health) Byron Beerbower or designee will work with agencies to develop plan. Forwarded SBA low cost loan information to MDARD Exec team. Food establishment assessment totals for today: 20 assessments and 0 water samples collected. Assessment totals completed to date: 185 assessments, 26 water samples collected.

##### American Red Cross (ARC)

The American Red Cross deployed and supported 10 Water Response Teams on Wednesday.

The Volunteer Reception Center (VRC) was in full operation today. The VRC is scheduled to be open from 9am to 7pm each day through Friday. The weekend schedule has not yet been set.

We continued assembling water test kits today.

##### Civil Rights (MDCR)

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities.

\* Advised agencies that 2-1-1 is not accessible to individuals using a pre-paid/minute mobile phone - have requested alternative messaging for the alternative line available 1-844-875-9211

\* Reviewed and discussed the "Bathing in Water is Safe" Press Release with MSP-PIO and DHHS-Health regarding language and impact with possible solutions

\* Reviewed snopes.com coverage of Flint/CPS/water bills

\* Responded to Genesee County Hispanic Latino Collaborative issues and concerns; sent reply to Ops regarding outreach and community fear; ongoing consultation with PIO regarding messaging/web design/ engagement with non-English speaking communities

\* Met with Branch and MSP-PIO regarding community engagement where language or trust are key inhibitors to access

\* Provided list of area non-profits engaged in stabilization and recovery to FEMA-DHS representative

##### Community Health (MDCH)

The CHECC remains activated at Level 2, and a phone bank is staffed at the CHECC from 0800 - 1700 daily to support the Genesee County Health Department by answering health-related questions that 2-1-1 cannot answer. The CHECC experienced a low level of calls today.

MDHHS CHECC staff met with the HHS State Coordinator Officer (SCO) regarding what HHS resources will be sent to Michigan, to include a nine person team. The team will consist of the following individuals; Mental Health staff, Sanitarian, Health Educator, Nurse, Nurse Manager, Behavioral Health staff, Risk Communication Developer, and Data Support. The team will be led by a Mental Health professional.

A behavioral health community partners meeting was held at Genesee Health System (GHS) to provide mental and behavioral health agencies and stakeholders the opportunity to identify resources that can leverage behavioral health services, and determine strategies to develop a short, intermediate, and long-term recovery plans. There were sixteen participants in attendance from a variety of disciplines, ranging from faith-based organizations to community health.

Barbara Reynolds, the CDC Senior Advisor for Crisis and Risk Communication on-site in the CHECC held a phone conference call with Dr. Wells (CME) today. Ms. Reynolds will be in Flint on 1/28/2016 to discuss the current situation and help develop appropriate risk communication strategies.

MDHHS Bureau of Epidemiology (BOE) met with CDC subject matter experts to delineate technical assistance needs, including statistician, lead epidemiologist, and a GIS specialist. BOE submitted a draft Flint Blood Test Report reflective through Jan. 22, 2016 to HHS Communications staff. They also submitted the first Daily Blood Count Report to HHS management, along with a drafted response to the Governor's Task Force letter. BOE also held a meeting/conference call with EPA, CDC, GCHD to discuss response to high lead water test results at individual homes or other locations.

MDEQ has asked MDHHS Bureau of Laboratories (BOL) to help with water testing to increase surge capacity. Testing protocols, training, competencies and proficiency testing issues are being addressed. The Kent County Local Health Department and Saginaw County Local Health Department laboratories have offered to help with water testing as well. DEQ has been notified of this offer.

The CHECC is developing a process for the mobilization of health volunteers to integrate with the current local volunteer operations, in order to leverage what is already in place. GCHD expressed concern as to having enough staff to support operations locally.

The CHECC continues to work on outreach materials and messaging targeted at pregnant and nursing mothers.

MDHHS EMC has been working DTMB and the JIC to translate materials into Spanish, that can be provided to the GCHD.

#### **Corrections (MDOC)**

(5) Electric Pallet Jacks were ordered and received in the warehouse. (3) Hand Pallet Jacks were distributed to PODS 1, 5, and 6. All PODS have operational pallet jacks. Warehouse operations went well today.

23 Penske Trucks remain as of 1500. (3) are in use by Team Rubicon

588 Water Samples were collected and delivered to the DEQ Lab in Lansing.

MDOC had the following resources operational today.

(12) - MDOC employees

(6) - MDOC SAI prisoners w/Corporal

(1) - Passenger van w/driver

(1) - Regular Cab Pickup w/driver

(1) - F-250 Pickup

(5) - Box Trucks w/driver

(1) - 53' Refrigerated Semi-Trailer

(3) - Electric Pallet Jacks

(7) - Hand Pallet Jacks

(1) - Warehouse Manager

(1) - Warehouse Security Person w/vehicle

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

Tracked test bottle orders and facilitated transport to/from warehouse and American Red Cross Headquarters.

Supported DEQ Emergency Coordination Center establishment and operations.

## **Human Services (MDHS)**

Two Genesee Co MDHHS offices continue to be points of distribution for filtration devices.

Health and Human Services Branch met with LARA & MDEQ, conferenced in Steve Yager MDHHS Children Services Administration (CSA) on water testing of Child Care Institutions (CCI), and licensed foster care homes. CSA will provide list of CCI to LARA and will reference Flint Water website to cross reference foster homes with the intention of identifying if they have received the water and filters they need.

Enter new resource request for a donations management email address, Flintdonations@michigan.gov. This email will need to be associated with one of the iPhones that was previously given to the donations management staff.

Provided Donations Management with a template for additional staff resource request. This information will be useful in obtaining the help they are requesting.

Had meeting with Donations Management and several branches of State and FEMA regarding donation and volunteer management. Going to schedule regular meeting on Wednesday with the group for weekly face to face updates.

CHECC continues to maintain a Level 2 Activation

## **Licensing and Regulatory Affairs (LARA)**

-Updated the LARA Executive Team

-Finalizing Health Care Facility survey information and comparison.

-Continue working on translation of documents to various languages. Providing resources.

- Finalizing numbers for faucet project to include facilities regulated by LARA, DHHS and MDE.

## **Military and Veterans Affairs (DMVA)**

### **Commanders Situation Report (SITREP)**

1. DTG: 271200Z016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: 1LT Roland, John G. Cell: · Email: john.g.roland1.mil@mail.mil.com

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. SITUATION OVERVIEW: 1-125 IN has 65 Soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has 65 Soldiers on ground supporting the mission.

7. OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.

a. LT Benke is meeting with local city engineering today in response to traffic signage at the PODs.

b. Yesterday evening Flint City Electricians assessed lighting around the outside areas of the PODs IOT fix lighting issues.

c. There will be a press conference at station #1 on Thursday 28JAN16 including the Governor and Mayor of Flint. All major agencies are sending a representative.

8. PERSONNEL: 65 Soldiers are currently assigned to the POD operations. 58 Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.

9. INTELLIGENCE / FORCE PROTECTION: No force threats have been identified.

10. LOGISTICS: PODs are short on pallet jacks. Pallet jackets should be arriving from the warehouse to the PODs today.

a. The distribution drives will also transport the broken pallet jacks from the PODs back to the warehouse.

b. (3) dollies/handcarts were delivered to station 3 and (2) dollies/handcarts were delivered to station 5, thus resolving the dolly/handcart issue.

11. COMMUNICATIONS: No communications issues at this time.

P: 800 MHz radios issued to PODs and WRTs.

A: RRF cell phones alternate for WRTs.

C: Personal cell phone  
E: Runner

12. NARRATIVE: N/A

**13. COMMANDER'S EVALUATION:**

- POD operations are still functioning well. We are trying to improve the efficiency, professional appearance, and long-term establishment of the POD's, but, overall the POD's operations are remaining successful.
- More recycling assets have been/are being dropped off at the fire stations for empty water bottles and used water filter cartridges.
- Consolidated Station Report OUT (last 24 hours)  
Bottled water-6206 Water (Gallons)-55 Lead Testing Kits-435  
Pitcher (23 cup)-18 Brita Faucet Filter-409 Brita Replacement Cartridge-300  
Pur Filter-201 Pur Replacement Filter-559

**National Weather Service (NWS)**

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

**Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:  
Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

**Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:

Kathryn C. Boles  
President, CEO  
Valley Area Agency on Aging  
225 E. Fifth Street, Suite 200  
Flint, MI 48502  
(810) 239-7671  
(810) 239-8869 fax

**State Police (MSP)**

10 Red Cross Teams completed WRT duties, homes continue to be visited. MDOC continues to staff the warehouse, and the Michigan National Guard staffed 5 distribution PODS.

The 3 cyber trained personnel from MING who were called upon to support Michigan State Police, Michigan Cyber Command Center at the MC3 located on the 3rd Floor of State Police Headquarters reported to Headquarters on 1/22/16. MING personnel are currently on stand-by and will be called upon when needed.

The MSP position within the SEOC will be staffed at MSP Operations at HQ. All e-mails to [MSP-EOC-MDSP@michigan.gov](mailto:MSP-EOC-MDSP@michigan.gov) are being forwarded to the Operations Lt. The phone number for the on duty Operations Lieutenant is 517-241-8000

**Supreme Court**

08:50 - State Judiciary EMC John Ort reported to the SEOC regarding the Flint water emergency. Nothing to report from the Judiciary regarding the emergency. DEQ website resources shared with our State Court Administrative Office (attn: Region II) in case our Genesee County courts have any questions regarding the emergency.

**Technology, Management and Budget (MDTMB)**

Continue to provide DTMB management with daily updates and resource requests received.

DTMB Print & Graphic Services continues to provide translation of water documents and printing for water related documents.

Created e-mail account for Donations Management and assisted with addition to SMART phone for user.  
Real Estate Division leasing manager provided assistance with potential secondary warehouse location.  
DTMB Vehicle Travel Services has three drivers with trucks assisting in transporting supplies to support point of distribution centers and Mail Services has one driver assisting the local food bank with distribution of donated water.  
151 tablets provided to the Flint Water Response Teams will begin demobilizing and return to Lansing on Thursday. Genesee County has requested 25 tablets remain with their employees until no longer needed.

Continue to provide server monitoring of MiCIMS servers and analyzing slow internet service at the Joint Information Center in the Flint State office Building.

Working with Governor's Office to provide a tab on the Help For Flint website to capture vendors wanting to pitch their

product/ideas.

Thirteen minivans that were provided will be transported back to the State Secondary Complex on Friday as they are no longer needed.

Provided FEMA personnel with safety information and floor evacuation maps for the new SEOC facility.

#### **Transportation (MDOT)**

MDOT is providing traffic measures at Fire Station #6 on Pierson Rd. and Fire Station #3 on Martin Luther King Blvd:

-4 portable changeable message boards (2 each site).

-100 grabber traffic cones (narrow reflective cones) (50 each site)

MDOT continues to maintain situational awareness and respond to issues regarding equipment and road conditions.

**FOR IMMEDIATE RELEASE**  
Wednesday, Jan. 27, 2016

## **Gov. Rick Snyder appoints field experts to oversee long-term solutions for Flint water system**

LANSING, Mich. – Gov. Rick Snyder today named a group of medical and field experts to the Flint Water Interagency Coordinating Committee to set in place long-term solutions to Flint's water system.

The 17 member committee, housed within the Michigan State Police, will be asked to make recommendations regarding the health and welfare of people exposed to lead, study Flint's water infrastructure and determine potential upgrades, review Flint Water Task Force recommendations, and establish ways to improve communication between local and state government.

"Flint residents deserve clean, safe drinking water, and I am confident

that the expertise represented on this committee will be a tremendous asset as we continue to address the water crisis in Flint," Snyder said. "I am grateful to these appointees for their willingness to serve on this important committee."

Karen Weaver is the mayor of the city of Flint. She earned a bachelor's degree from Tougaloo College, a master's degree from Long Island University, and a doctorate from Michigan State University.

Jamie Curtis is the chairman of the Genesee County Board of Commissioners. He earned a millwright apprenticeship certificate from Mott College. Curtis is a representative of Genesee County who shall be submitted by the Genesee County Board of Commissioners.

Marc Edwards is a professor at Virginia Tech with numerous awards and honors for his work. He earned a bachelor's degree in bio-physics from SUNY Buffalo, and both a master's and doctorate of science in environmental engineering from the University of Washington. Edwards will represent subject matter experts.

Mona Hanna-Attisha is the director of the pediatric residency program at Hurley Medical Center. She earned a bachelor's degree in resource ecology and management/environmental health from the University of Michigan, a doctorate from Michigan State University College of Human Medicine, and a master's from the University of Michigan School of Public Health.

Natasha Henderson is the city administrator and chief administrator officer for the city of Flint. She earned a bachelor's degree from the University of Arkansas – Pine Bluff, and a master's in business administration from Texas A&M University – Texarkana. Henderson is a representative of the city of Flint who shall be submitted by the mayor of the city of Flint.

Jim Koski retired as the Saginaw county drain commissioner, a role in which he had served from 1977 to 1980 and again in 1996 to 2011. He is a representative of Genesee County who shall be submitted by the Genesee County Board of Commissioners.

Lawrence Reynolds is president and CEO of the Mott Children's Health Center. He earned a bachelor's degree in political science from Wayne State University and a doctorate from Howard University College of Medicine. Reynolds will represent subject matter experts.

Laura Sullivan is a professor of mechanical engineering at Kettering

University. She earned a bachelor's degree in premedical engineering from Arizona State University, and both a master's degree and a doctorate in materials science and engineering from the University of Texas at Arlington. Sullivan is a representative of the city of Flint who shall be submitted by the mayor of the city of Flint.

Mark Valacak is the health officer of the Genesee County Health Department and an instructor at the Michigan State University College of Human Medicine. He earned both a bachelor's degree and a master's of public health degree from the University of Michigan. Valacak is a representative of Genesee County who shall be submitted by the Genesee County Board of Commissioners.

One additional member will be named at a later date.

The following members will also serve on the Coordinating Committee:

- Harvey Hollins, director of Office of Urban Initiatives within the Executive Office of the Governor;
- Col. Chris Kelenske , deputy state director of Emergency Management and Homeland Security within the Michigan Department of State Police;
- Keith Creagh, director of the Department of Environmental Quality, or his or her designee;
- Nick Lyon, director of the Department of Health and Human Services, or his or her designee;
- Mike Zimmer, director of the Department of Licensing and Regulatory Affairs, or his or her designee;
- Nick Khouri, state treasurer, or his or her designee;
- Brian Whiston, superintendent of public instruction, or his or her designee;

Members will serve three-year terms expiring Dec. 31, 2018. Their appointments are not subject to the advice and consent from the Senate.

**To:** Etue, Kriste (MSP)  
**Subject:** Re: Flint Water Emergency

Col

Thought I would update you based on our conversation yesterday.

I stopped by EMHSD and the SEOC. Capt. Kelenske was still in Flint.

I had an opportunity to talk to a few people there one on one.

They are holding up well, but I think are tired too. Speaking with Joel Pepper he indicated that in his 17 years, this one is completely different creating a lot of demands. I did not take it as complaining. I think they are having difficulty seeing how this ends or what it means to them. They are a very dedicated group of employees.

I talked to Capt. Kelenske last night about staffing. I asked him to develop a schedule that has some relief built in. He will be working on that. He indicated that even when people are not expected to be there, they keep coming in. That is part of the issue. I told him that we are going to have to "order" them to take some time off.

I am going to reach out to Dr. Wolford today for his situational awareness. I don't think anybody is at the breaking point, but want to head this off before they get there.

---

The Senate today voted unanimously to move its version of a \$28 million supplemental in emergency funding for Flint out of its chamber.

In addition to changes made in the Senate Appropriations Committee on Wednesday, Senators on the floor voted to approve an amendment from Senate Majority Leader Arlan MEEKHOF (R-West Olive) that the Office of the Auditor General will audit the use of the funds and report back to the Legislature a minimum of every six months until all of the funds are expended.

Senate Minority Leader Jim ANANICH (D-Flint) supported the legislation, but prior to the vote stressed that contrary to speculation that only a handful of people were affected by the crisis, medical and environmental experts have stressed that the lack of data means it must be assumed that the issue is a population-wide problem.

"Because of the length of time this was kept secret . . . many folks were drinking this on a regular basis," he said, adding that the supplemental provides support for development, nutrition and other services that are proven to alleviate the issues associated with lead exposure.

On Wednesday, the Senate Appropriations Committee made some changes to Gov. Rick SNYDER's initial proposal, incorporating an amendment from Sen. Curtis HERTEL, Jr., (D-Meridian Twp.) to make sure roughly 4,500 Flint toddlers and babies aged 0-3 are assessed for lead exposure.

That change takes \$3 million away from bottled water and filters -- due to the outpouring of private support on that front -- and is using \$500,000 for school nurses, \$1 million for food banks and nutrition, and \$1.75 million for the assessments (See "Senate Using Flint Money To Assess Babies, Toddlers For Lead," 1/27/15).

The early assessment provides for a team that tracks how a child grows and learns. If a child is not accomplishing goals at the expected rate for other children, a more intensive evaluation plan can be put in place for that child to ensure they are getting all of the help that they need, Hertel said.

Under the Senate's version of the plan, \$1.75 million was moved from the money initially allocated to the Michigan Department of Health and Human Services (DHHS) to the Department of Education for additional health assessment among children potentially exposed to unsafe levels of lead.

Other changes from the House-passed plan include funding shifts within the proposed funding allocated to DHHS, with an additional \$100,000 added to money already allocated to child adolescent health access and another \$200,000 added to support nutritional efforts in Genesee County.

Sen. David KNEZEK (D-Dearborn Heights) also won an amendment that would *modify boilerplate language to allow additional nursing services to qualify for funding, particularly services that could protect vulnerable populations such as pregnant women.*

In his State of the State address, Snyder asked the Legislature for \$28 million in supplemental funding to help address the Flint water crisis, with \$22 million of that dollar amount coming from the General Fund. Another \$9 million was approved late last year to switch Flint's water source from the Flint River back to the Detroit water system.

The House quickly passed the Governor's initial funding request out of its chamber last week, which passed 106-0 with one member absent and 96 cosponsors (See "House Passes \$28M Flint Water Spending Bill," <<http://mirsnews.com/capsule.php?gid=4753>> 1/20/16).

Services covered in the funding also include:

- Supporting National Guard efforts in providing water
- Funding for the Department of Education to support the hiring of additional school nurses
- Wrap-around services, including providing early on and special education services
- Funding for the Department of Health and Human Services to cover the purchase of water filters and filter replacements
- Nutrition support and community education and to support child and adolescent health centers
- Allowing the Department of Environmental Quality to fund water system needs, to provide for lab and testing costs and to provide corrosion control procedures and an infrastructure integrity study using outside experts.

The appropriation flows across a total of six departments.

**FOR IMMEDIATE RELEASE**  
Thursday, January 28, 2016

517-335-6397

### **\$28 million in immediate supplemental funds for Flint approved by Michigan House, Senate**

*Funding passed unanimously in both  
chambers*

LANSING, Mich. – Twenty-eight million in direct funding will aid with recovery efforts in Flint, after the Michigan House and Senate unanimously voted to pass a supplemental bill package today.

“Thanks to the swift action of the Legislature, this \$28 million will provide the immediate resources needed in Flint,” Snyder said. “I want the residents of Flint to know this supplemental funding is just one part of the solution for healing the city. The immediate needs will be met, but so will the long-term needs of residents with regard to public health, infrastructure replacement and community support.

“The quick approval of this funding shows how all of Michigan can pull together in times of crisis, and further shows what working together can accomplish.”

The supplemental will allocate funding to:

- Supply free bottled water, faucet filters, and testing kits for Flint residents;
- Put nine nurses in local schools to monitor student health and well-being;
- Provide better nutrition for students and infants through WIC and in-school nutrition programs;
- Replace fixtures in schools, daycares and nursing homes;
- Provide for an infrastructure study using independent experts;
- Treat any children who have high lead levels in the blood, using diagnostic testing, nurse visits and environmental assessments in the home;
- Help the city of Flint relieve residents of water bill payments.

Gov. Snyder asked for the \$28 million during his State of the State address on Jan. 19. Further recommendations on long-term budget resources for Flint will come during his annual budget presentation on Feb. 10.

#

*The state of Michigan continues to coordinate response efforts in partnership with the city of Flint, Genesee County, and local community organizations. For information about clean water resources available in Flint—such as bottled water, water filters, home testing kits, and replacement cartridges, please visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater). For information about donating or volunteering in Flint, please visit [www.HelpForFlint.com](http://www.HelpForFlint.com).*

**FOR IMMEDIATE RELEASE**  
Thursday, Jan. 28, 2016

517-335-6397

## **Gov. Rick Snyder: Flint emergency declaration extended to April 14**

LANSING, Mich. – Gov. Rick Snyder today issued a proclamation calling for an extension to the emergency declaration in the city of Flint and Genesee County.

"The emergency response in the city of Flint has been critical to ensure every Flint family has access to bottled water, filters, and testing kits. While these efforts have a big impact in the short term, there is still much more work to be done.

"Extending this emergency will help us continue these efforts while working on long-term solutions to help Flint recover from this tragedy."

The Michigan House and Senate approved the request today, extending the emergency until April 14, 2016. The extension coincides with the current Presidential Emergency Declaration.

**Subject:** RE: NEWS RELEASE: Gov. Rick Snyder: Flint emergency declaration extended to April 14

Late last night this came up and it got signed this morning. It is not needed nor have we done this since Tony or Joel have been here but someone wanted it done. Apparently the last day both houses are around is today. No changes in anything on our end. With different agencies involved it is probably good to have in place just in case.

Chris

# FLINT WATER RESPONSE TEAM

UPDATE | THURSDAY, JANUARY 28, 2016

This daily update is being issued in order to provide the latest information regarding actions and available resources.

Today, the Michigan House and Senate passed Governor Rick Snyder's \$28 million request for additional recovery resources for Flint. But the Governor noted that this supplemental funding is just one part of the solution for healing the city. The immediate needs will be met, but so will the long-term needs of residents.

The \$28 million will be used to help Flint's utilities, treat children with high blood lead levels, add nurses to schools, and replace plumbing fixtures in schools, child care centers, foster care, and nursing homes. [Click here to learn about the details in the supplemental budget.](#)

**Governor Snyder intends to sign the legislation tomorrow and you can watch the bill signing here: [www.mi.gov/SnyderLive](http://www.mi.gov/SnyderLive)**

The Governor also issued a proclamation today calling for an extension to the emergency declaration in the city of Flint and Genesee County. While the emergency response has been critically important in Flint's recovery efforts, there is still much more work to be done.

Since January 9, our water resource teams have been delivering critical clean water resources:

- 196,456 cases of bottled water
- 95,417 filters
- 30,255 water testing kits

## REMINDERS

- For Flint water assistance: Dial 211 or visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)
- To donate or volunteer: visit [www.HelpForFlint.com](http://www.HelpForFlint.com)
- Residents should install filters to their taps to ensure they have immediate and ongoing access to safe water. Only run cold water through the water filter and use filtered water for drinking and cooking. Monitor the cartridge on the filter and replace as needed.

## WATER RESOURCE LOCATIONS

These sites are open seven days a week from 9 a.m. to 9 p.m. with the following resources:

- Bottled water
- Water filters
- Replacement cartridges for water filters
- Water testing kits pick-up
- Drop-off location for water testing kits

Fire Station #1  
310 East 5th St.  
Flint, MI 48502

Fire Station #3  
1525 Martin Luther King Ave.  
Flint, MI 48503

Fire Station #5  
3402 Western Rd.  
Flint, MI 48506

Fire Station #6  
716 West Pierson Rd.  
Flint, MI 48505

Fire Station #8  
202 East Atherton Rd.  
Flint, MI 48507

We will continue to work to improve the water situation in Flint. Community members and local officials are working together to make sure we hear and respond to concerns. Governor Snyder will continue to keep you updated on the latest news and information. **If you don't find the resources you need by dialing 211 please call the Governor's office directly at 517-335-7858.**

**Flint Water Daily Update**  
**Updated Jan. 28**

### **Current Issues Talking Points**

#### **Michigan Legislature approves immediate supplemental funds for Flint**

- The Michigan Legislature has unanimously approved Gov. Rick Snyder's \$28 million supplemental proposal for Flint.
- This emergency funding is in addition to the \$9.35 million allocated back in October to switch the water source back to Detroit's water system, purchase filters and screen for abnormal blood lead levels.
  - The state is working on longer-term funding to be included in the Governor's budget request in February.
- The \$28 million will be used to help Flint's utilities, treating Flint children with high blood lead levels and the replacement of plumbing fixtures in schools, child care centers, foster care and nursing homes.
- This supplemental funding is just one part of the solution for healing Flint.
  - The immediate needs will be met, but so will the long-term needs of residents with regard to public health, infrastructure replacement and community support.

#### **Flint emergency declaration extended to April 14**

- Today Gov. Rick Snyder issued a proclamation calling for an extension to the emergency declaration in the city of Flint and Genesee County.
- The Michigan House and Senate approved the request, extending the emergency until April 14, 2016.
  - This extension coincides with the current Presidential Emergency Declaration.
- Extending this emergency will help us continue providing immediate assistance to the people of Flint while working on long-term solutions to help Flint recover from this tragedy.

#### **Federal funds**

- In an interview today, Lt. Gov. Brian Calley said that only \$17 million of the \$80 million in federal loans made available to Michigan can be allocated towards the recovery effort in Flint.
- This clarified a misunderstanding that the entire \$80 million in federal loans could be allocated to aid in water infrastructure improvements for Flint.
- Read the Detroit Free Press story here: <http://www.freep.com/story/news/local/michigan/flint-water-crisis/2016/01/28/only-17m-federal-loans-flint-says-lt-gov/79454204/>

#### **Comprehensive Plan for Flint**

- Yesterday, the Governor held a press conference in Flint to outline next steps for the city, including infrastructure needs and clean water.
- Later in the day, Dr. Mark Edwards, who is part of the Governor's newly appointed Flint Water Interagency Coordinating Committee, echoed Governor Snyder's sentiments on how to fix the water issue and how to deal with the pipes.

#### **Medicaid/Federal Asks**

- On Jan. 26, Governor Snyder announced that a request will be sent to the federal government that asks for all Flint residents under age 21 to receive additional healthcare services to address potential problems brought on from exposure to lead.
- We want to make sure comprehensive medical care services are available, and we hope the federal government will partner in our efforts.
- Request will include:
  - Expanded Medicaid eligibility for all residents in the impacted areas up to age 21, regardless of income level.
  - Lead-abatement programs to help minimize and/or prevent any long term adverse health problems associated with lead exposure.
  - Additional, community-based resources to ensure all children, regardless of health insurance coverage, have access to comprehensive medical treatment.

## Flint Water Daily Update

Updated Jan. 28

### Current Issues Talking Points

#### Michigan Legislature approves immediate supplemental funds for Flint

- The Michigan Legislature has unanimously approved Gov. Rick Snyder's \$28 million supplemental proposal for Flint.
- This emergency funding is in addition to the \$9.35 million allocated back in October to switch the water source back to Detroit's water system, purchase filters and screen for abnormal blood lead levels.
  - The state is working on longer-term funding to be included in the Governor's budget request in February.
- The \$28 million will be used to help Flint's utilities, treating Flint children with high blood lead levels and the replacement of plumbing fixtures in schools, child care centers, foster care and nursing homes.
- This supplemental funding is just one part of the solution for healing Flint.
  - The immediate needs will be met, but so will the long-term needs of residents with regard to public health, infrastructure replacement and community support.

#### Flint emergency declaration extended to April 14

- Today Gov. Rick Snyder issued a proclamation calling for an extension to the emergency declaration in the city of Flint and Genesee County.
- The Michigan House and Senate approved the request, extending the emergency until April 14, 2016.
  - *This extension coincides with the current Presidential Emergency Declaration.*
- Extending this emergency will help us continue providing immediate assistance to the people of Flint while working on long-term solutions to help Flint recover from this tragedy.

#### Federal funds

- In an interview today, Lt. Gov. Brian Calley said that only \$17 million of the \$80 million in federal loans made available to Michigan can be allocated towards the recovery effort in Flint.
- This clarified a misunderstanding that the entire \$80 million in federal loans could be allocated to aid in water infrastructure improvements for Flint.
- Read the Detroit Free Press story here: <http://www.freep.com/story/news/local/michigan/flint-water-crisis/2016/01/28/only-17m-federal-loans-flint-says-lt-gov/79454204/>

#### Comprehensive Plan for Flint

- Yesterday, the Governor held a press conference in Flint to outline next steps for the city, including infrastructure needs and clean water.
- Later in the day, Dr. Mark Edwards, who is part of the Governor's newly appointed Flint Water Interagency Coordinating Committee, echoed Governor Snyder's sentiments on how to fix the water issue and how to deal with the pipes.

#### Medicaid/Federal Asks

- On Jan. 26, Governor Snyder announced that a request will be sent to the federal government that asks for all Flint residents under age 21 to receive additional healthcare services to address potential problems brought on from exposure to lead.
- We want to make sure comprehensive medical care services are available, and we hope the federal government will partner in our efforts.
- Request will include:
  - Expanded Medicaid eligibility for all residents in the impacted areas up to age 21, regardless of income level.

- Lead-abatement programs to help minimize and/or prevent any long term adverse health problems associated with lead exposure.

### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

#### Update 1/28/16 – 24<sup>th</sup> Day (23<sup>rd</sup> Full Day) After Governor’s Declaration of an Emergency

##### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

##### Attached Documents:

- Sit Rep # 23
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today. (Provide earlier by GIS)
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today. (Provide earlier by GIS)

##### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
- We continue to send ARC teams to targeted areas potentially missed.
- Collins Road SEOC will be shutdown. New SEOC at 7150 Harris Drive in Windsor Township (former GOB) will be activated for SEOC staff only. All EMHSD admin personnel will start at the new facility on Monday.

##### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- MSP HQ staff completed data entry on all ARC paper copies.
- Recovery Staff attended local Community Partners Meeting.

- Recovery Branch worked with GIS to develop an area map and spreadsheet with addresses based on data specified as "follow up required "for Red Cross teams.
- SEOC Logistics researched possible warehouse options with the local EOC, FEMA and General Motors.
- We have a corporate owned (originally thought to be a franchise owned) Kroger that is no longer in business near Fire Station 6. Looking to get a lower cost for potentially use.
- Received an inquiry regarding potential scams being perpetrated on residents of Flint. This information was referred to the Attorney General's office for a possible news release and further action.
- Issued a media advisory and coordinated a press conference about recycling with Lt. Gov. Brian Calley at noon at Fire Station #1. Used social media to promote the event as it occurred.
- SEOC Operations coordinated water pitcher request for vulnerable population.
- Information reported to the JIC:
  - As of 1/28/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 1/28/2016
30,770	37,844	6,734	1,768

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	207,055
b. Filters	97,342
c. Filter cartridges	201,848
d. Test kits	30,801

3. Resources purchased:

- a. Cases of water 1,980,504 Liters (additional 517,152 Liters donated)
- b. Filters 154,052
- c. Filter Cartridges 299,508
- d. Test kits 62,701

4. Teams going out tomorrow:

- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

New Standing Information Requirements

1. Number of homes visited each day:

- a. 1/28/16, as of 5 pm, 1,768 homes were visited today.

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 6,734

3. Total number of National Guard on the ground:

- a.
  - i. Number in PODs:
  - ii. Command Cell: -
  - iii. Cyber Mission
  - iv. Joint Forces Headquarters:

4. Total Number of Volunteers each day:

- a. 125 volunteers for 1/28/2016.

5. Number of homes with filters:

	Total Number	Number with filters
Residential parcels	38,238	25,221

Active residential water subscribers	26,673	20,788
--------------------------------------	--------	--------

6. **Number of Water filters distributed (each day and to date):**
  - a. 1,806 were distributed on 1/28/2016, and total distributed to date is 97,342.
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 8,428 were distributed on 1/28/2016, and total distributed to date is 207,055.
8. **Number of testing kits distributed (each day and to date):**
  - a. 466 were distributed on 1/28/2016, and total distributed to date is 30,801.
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351  
\*this data is updated bi-weekly
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Per CHECC: These numbers are only updated bi-weekly
    - i. Children less than 6 years old  $\geq 5 \mu\text{g/dl}$  since 10/1/2015: 38
    - ii. Children 6 to 17 years old  $\geq 5 \mu\text{g/dl}$  since 10/1/2015: 7
    - iii. Adults 18 years and older  $\geq 5 \mu\text{g/dl}$  since 10/1/2015: 22
11. **Number of homes with safe drinking water:**
  - a. 3,726 water samples out of 3,972 sampled through January 28, 2016 are at or below the action level of 15 ppb for lead. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

#### Local EOC

- Planning for transition of operational control to local level.
- Discussed transition and demobilization of EOC support team with SEOC staff, Genesee County Sheriff's Office and Genesee County Emergency Management & Homeland Security.
- Identifying and securing additional warehouse space.
- Implementing recycling program. Promoted program at a press conference with Lt. Gov. Calley.
- Coordinating in-kind and monetary donations through Michigan Community Service Commission.
- Coordinating volunteer management with Michigan Community Service Commission, ARC and other VOADs.
- Continuously addressing public concerns over perceived fraud through door-to-door teams.

Chris

---

#### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

#### Update 1/27/16 – 23<sup>th</sup> Day (22<sup>nd</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

##### Attached Documents:

- Sit Rep 22
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today. (Provided earlier by GIS)

- The first one indicates based upon the outreach that has been conducted, which parcels have had contact with a resident and which parcels have not had any contact with a resident.
- Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today. (Provided earlier by GIS)
  - The second map indicates the status of residents that have or have not received a filter.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
  - ARC teams are targeting the homes we show that were not visited.
- Information provided to the Governor's Office (Paul Smith) for an extension to the Governor's Declaration of an Emergency. This has to be approved by both houses of the legislature. The extension will put us on the same timeline as FEMA's declaration.

Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- Recovery Branch compiled a list of targets for apartment complexes. Once plan is in place, a team will go to each complex and verify all tenants have been given or have a water filter. Once outreach has taken place for each complex, GIS will manually mark entire parcel as complete.
- SEOC Logistics worked with the Michigan Community Service Commission on donations management and volunteers
- GIS coordinated with DNR and DEQ to establish timelines for lead mapping and strategize updates of lead statuses based on plumber activities.
- GIS coordinated with DTMB/CSS to meet with local GIS staff to review city GIS infrastructure and provide recommendations on future asset management.
- Planning and Financial provide information for Senate Appropriations Committee meeting this afternoon.
- Financial Reviewed donations as match guidelines for required 25% federal match.
- Information reported to the JIC:
  - As of 1/27/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Canvassing Total	Targeted Canvassing Mission 1/27/2016
30,770	37,844	4,966	1,020

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	196,456
b. Filters	95,417
c. Filter cartridges	200,654
d. Test kits	30,255

3. Resources purchased\*:

- a. Cases of water 165,042 (additional 32,234 donated)
- b. Filters 154,052
- c. Filter Cartridges 299,508
- d. Test kits 62,701

4. Teams going out tomorrow:

- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

## Standing Information Requirements

1. **Number of homes visited each day:**
  - a. 1/27/16, as of 5 pm, 1,020 homes were visited today.
2. **Total number of homes visited:**
  - a. Targeted Canvassing Mission: 4,966
3. **Total number of National Guard on the ground:**
  - a.
    - i. Number in PODs: .
    - ii. Command Cell:
    - iii. Cyber Mission:
    - iv. Joint Forces Headquarters:

4. **Total Number of Volunteers each day:**

- a. 109 volunteers for 1/27/2016.

5. **\*Number of homes with filters:**

	Total Number	Number with filters
Residential parcels	38,238	22,939
Active residential water subscribers	26,673	19,677

6. **Number of Water filters distributed (each day and to date):**
  - a. 971 were distributed on 1/27/2016, and total distributed to date is 95,417.
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 7,592 were distributed on 1/27/2016, and total distributed to date is 196,456.
8. **Number of testing kits distributed (each day and to date):**
  - a. 341 were distributed on 1/27/2016, and total distributed to date is 30,255.
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Per CHECC: People Tested for Lead 10/1/2015 to 1/22/2016: \*3,351  
\*this data is updated bi-weekly
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Per CHECC: These numbers are only updated bi-weekly
    - i. Children less than 6 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 38
    - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 7
    - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 22
11. **Number of homes with safe drinking water:**
  - a. 2,991 homes, per data from September 3, 2015 to January 27, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.  
\*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number – Phase II questions were developed to help clean this up.

## GIS Information

AS OF 1/27/2016 AT 5 p.m. USING DATA FROM FLINT WATER RESPONSE TEAMS, POD DISTRIBUTIONS, AND GENESEE COUNTY HEALTH DISTRIBUTION DATA.

NOTE: PLEASE REMEMBER THAT PAPER DATA AND DATA ENTRY FROM PREVIOUS DAYS CONTINUES TO COME IN AND WILL BE INCLUDED IN THE TOTALS AS IT IS RECEIVED.

We are tracking **38,238** residential parcels that the City of Flint has identified as non-vacant (including Franchise). Of those:

- 34,849 (91%) of the parcels have been engaged (e.g. face to face, left an information card, etc.) as part of response efforts
- 22,939 (60%) of the parcels have been confirmed to have some form of filter
- 10,723 (28%) of the parcels have volunteered for water testing sites
- 4,918 (13%) of the parcels have not had personal contact (not home or did not visit a POD)

We are also tracking that there are 29,994 active water subscribers (metered service lines) in the city. When consolidated down and filtering out only residential there are 26,673 residential parcels that have the ability to use the Flint Water System. Of these

- 25,457 (95%) of the parcels have been engaged as part of response efforts
- 19,677 (74%) of the parcels have been confirmed have some form of filter
- 9,561 (36%) of the parcels have volunteered for water testing
- 3,718 (14%) of the parcels have not had personal contact (not home or did not visit a POD)

#### Local EOC

- Planning for transition of operational control to local level.
- Identifying and securing additional warehouse space for donations management.
- Coordinating rapid response deliveries to identified locations.
- Coordinating demobilization of vehicles and technology.
- Working to implement recycling program. Press conference scheduled for 01/28/2016.
- Coordinating in-kind and monetary donations through Michigan Community Service Commission.
- Coordinating volunteer management with Michigan Community Service Commission, ARC and other VOADs.

Chris

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### Update 1/26/16 – 22<sup>th</sup> Day (21<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

##### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Validate all data from the WRTs/PODs and identify focus areas.

##### Attached Documents:

- Sit Rep # 21
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first one indicates based upon the outreach that has been conducted, which parcels have had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

##### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
- Press conference to be held in Flint with the Governor, Mayor and some state agency personnel.

Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- We have taken a significant number of paper records from the ARC WRTs so we can get the data entered into our system. MSP HQ staff has been pulled to the SEOC for data entry. These are a portion of the records the ARC had as they were not using the door to door App as directed. This data will further clarify areas covered/not covered by any teams.
- The WRTs are going to "targeted" locations where we are showing residences not contacted.
- We are working on identifying any multi-unit housing to ensure all have filters (e.g. apartment buildings). Some have been taken care of but we are ensuring these locations are not missed.
- Information reported to the JIC:
  - As of 1/26/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Canvass Mission Total	Targeted Canvassing Mission 1/26/2016
30,770	37,844	3,946	1,350.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	186,309
b. Filters	94,301
c. Filter cartridges	199,489
d. Test kits	29,841

3. Total number of customers on the Flint water system

- 29,994 current water system subscribers
- ~45,000 hookups (This is our high end target #)
- ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased\*:

- Cases of water 146,142 (additional 26,834 donated to the state warehouse and does not include other locations like GCCARD/Food Banks, Churches, etc.)
- Filters 154,052
- Filter Cartridges 299,508
- Test kits 62,701

5. Teams going out tomorrow:

- 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

Standing Information Requirements

1. Number of homes visited each day:

- 1/26/16, as of 5 pm, 1,350 homes were visited today.

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 3,946
3. **Total number of National Guard on the ground:**
  - a.
    - i. Number in POD: 1
    - ii. Command Cell:
    - iii. Cyber Mission: 1
4. **Total Number of Volunteers each day:**
  - a. 98 volunteers for 1/26/2016.
5. **\*Number of homes with filters:**
  - a. 18,487 homes had filters, per entered GIS data as of 1/25/2016.
6. **Number of Water filters distributed (each day and to date):**
  - a. 1,091 were distributed on 1/26/2016, and total distributed to date is 94,301.
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 7,862 were distributed on 1/26/2016, and total distributed to date is 186,309.
8. **Number of testing kits distributed (each day and to date):**
  - a. 403 were distributed on 1/26/2016, and total distributed to date is 29,841.
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Per CHECC: People tested for lead 10/1/2015 to 1/8/2016: 2,642;  
\*this data is updated bi-monthly
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Per CHECC:
    - i. Children less than 6 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 28
    - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 7
    - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 15
 \*this data is updated bi-monthly
11. **Number of homes with safe drinking water:**
  - a. 1,099 homes, per data from September 3, 2015 to January 22, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.  
\*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number  
– Phase II questions were developed to help clean this up.

#### Local EOC

- Delivered iPads to warehouse and provided on-site training to drivers, followed with written instructions.
- Facilitated recycling planning meeting and planned for implementation of the program.
- Attended local “Pastors and Police” meeting to coordinate water distribution plan with faith-based organizations
- Planning for a transition of operational control to local level.
- Coordinated the incoming donations of water and filters through the Michigan Community Service Commission.
- Coordinated volunteer management with Michigan Community Service Commission, ARC and other VOADs.

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### Update 1/25/16 – 21<sup>th</sup> Day (20<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

##### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.

- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Validate all data from the WRTs/PODs and identify focus areas

#### Attached Documents:

- Sit Rep # 20
- Michigan Department of Health and Human Services Situation Report for January 20, 2016
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first map indicates based upon the outreach that has been conducted, which parcels have had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).

#### Items to Note

- 11 ARC Flint Water Response Teams to the field today.
- 8 EPA PIOs will be in the JIC tomorrow. The JIC is unaware of the role or expectations at this time.
- Reference the rash I discussed on the call tonight:
  - There was one specific complaint about rashes that Community Health personnel plan on working with ATSTD/CDC. DEQ is requesting that EPA collect all appropriate water samples to enable a full analysis of the water at the address (an apartment) for bacterial contamination, and a full metals and organics panel. Lead is not associated with skin rashes, but other contaminants are and DEQ wants to find out what, if any, other contaminants are in the water.
  - It was also discussed that it would be ideal if Community Health can forward to the EPA the other addresses and contact information for which they've received complaints of rashes, so that EPA could also test there for appropriate parameters to see if we can identify a cause.
  - SEOC DEQ desk will continue to monitor and work this issue.
- SEOC OPS, Health, MDEQ SEOC, Logistics participated in conference calls with the Governor's office and private partners on potential alternative filtration systems for schools, daycares, etc.
- Created a form for drivers to track rapid response deliveries.
- Media avail at fire station 8 this morning received positive news coverage.
- The NAACP is holding a public meeting at U of M Flint on Tuesday.
- Rachel Maddow will hold a town hall meeting on Wednesday. MSP Third District Commander advised.
- Developed new Incident Action Plan (#7 published in MICIMS) and ICS 204s for the new operational period (1/26/2015-2/2/2016).
- MDOC assumed all warehousing responsibilities today.
- Reviewed state agency financial information received for update to current spend plan.
- Information reported to the JIC:
  - As of 1/25/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Canvassing Mission 1/25/2016
---------	----------	---------------------------------------

30,770	37,844	2,596 – ARC*
--------	--------	--------------

\*American Red Cross data has not been entered in the app, but is currently being caught up. Starting January 26, 2016, the American Red Cross has been instructed that iPads must be used in the field for data entry in order to clearly capture the homes that have filters.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	176,118
b. Filters	93,048
c. Filter cartridges	198,552
d. Test kits	29,320

3. Total number of customers on the Flint water system

- a. 29,994 current water system subscribers
- b. ~45,000 hookups (This is our high end target #)
- c. ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased\*:

- a. Cases of water 141,982 (additional 24,634 donated)
- b. Filters 124,052
- c. Filter Cartridges 285,586
- d. Test kits 62,701

\* Numbers have not been updated due to the following circumstances:

- Outstanding donations and inventory at the warehouse which has not been reported to the SEOC. Staff in the SEOC is working with donations management and warehouse to reconcile numbers.
- Outstanding data from GCCARD on deliveries from 1/8-1/12. Staff in the SEOC and local EOC is working with GCCARD to obtain data.
- At the beginning of tracking the planning factor used was 72 cases of water per pallet and 22 pallets per semi-truck. Per bill of lading received from the warehouse today, it has been identified that this assumption is not correct. Staff is working to reconcile numbers.

5. Teams going out tomorrow:

- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

### Standing Information Requirements

1. Number of homes visited each day:

- a. 1/25/16, as of 5 pm, 2,596 homes were visited today.

2. Total number of homes visited:

- a. Phase II: 37,844
- b. Targeted Canvassing Mission: 2,596

3. Total number of National Guard on the ground:

- a.
  - i. Number in PODs: '
  - ii. Command and Control Staff for NG Personnel:

4. Total Number of Volunteers each day:

- a. 135 volunteers for 1/25/2016.

5. \*Number of homes with filters:

- a. 17,595 homes had filters, per entered GIS data as of 1/22/2016.

6. Number of Water filters distributed (each day and to date):

- a. 1,151 were distributed on 1/25/2016, and total distributed to date is 93,048.

7. Cases of Bottle water distributed (each day and to date):

- a. 9,514 were distributed on 1/25/2016, and total distributed to date is 176,118.

**8. Number of testing kits distributed (each day and to date):**

- a. 478 were distributed on 1/25/2016, and total distributed to date is 29,320.

**9. Number of people tested for elevated blood levels (kids, adults, total):**

- a. Per CHECC: People tested for lead 10/1/2015 to 1/8/2016: **2,642**;

**10. Number of people with elevated blood level (kids, adults, total):**

- a. Per CHECC:

i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: **28**

ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: **7**

iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: **15**

**11. Number of homes with safe drinking water:**

- a. 1099 homes, per data from September 3, 2015 to January 22, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

GIS Information

I have had numerous discussions with GIS staff as to getting our data validated and as close to final as possible. We are tracking 38,144 residential properties within the city (noting large apartment complexes are classified as commercial so they are not a part of this). Of these:

- 34,318 have been engaged by Flint Water Response Teams and PODs (90%) - The remaining 10% is going to be a focus for the teams in the near future
- 23,281 have led to a direct citizen engagement (61%)
- 5,173 were not home during any attempt to visit and have not been recorded as having visited a POD (14%)
- 5,864 of the properties the teams visited were vacant or destroyed (15%)

Additionally, we have been tracking the status of "Active Water Subscribers" from the Flint Department of Public Works. These are residential properties which have meters put on the homes by the city. Of the total 29,994 subscribers citywide, 26,673 have been confirmed as being on residential parcels. Of the 26,673:

- 18,487 Have been confirmed as having received a filter by the Flint Water Response Teams or PODs (69%)
- 3,928 Were not home when visited (15%)
- The remaining 16% we have no data to confirm or deny whether they have a filter

Of special significance from the water subscriber data is that the old lead maps that we are digitizing from the Flint Water Department contain 993 suspected homes with lead lines in them. Of these only 659 have received a filter.

It is significant to note that we are continuing to receive paper forms from the field and processing them. The ARC and volunteers were specifically told to use the App and we provided I pads but tonight I was told this was not being done by everyone which has caused us some lags in data. This is likely improve the overall numbers as we process historic records (ARC had ~7,000 of these records).

It cannot be reiterated enough that data is still coming in and we are still actively cleansing it.

Local EOC

Operations:

- Coordinated with Foodbank of Eastern Michigan for issuing of Resource Request.
- Coordinating and following up on vehicle demobilization.
- Facilitated rapid response deliveries to special locations.
- Finalizing components of recycling program.
- Received authorization to operate bottle collections for recycling at Fire Station 1 and 5 PODs.
- Initiated activities to plan for inclusion of institution sampling (schools, daycares, nursing homes, etc.) in Genesee County EOC IAP.
- Coordinating volunteer management with Michigan Community Service Commission.

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

**Update 1/24/16 – 20<sup>th</sup> Day (19<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

I have asked state agency SEMCs to archive their SitRep items so you only have current operational period information in the SitRep Agency Summaries. Director Creagh added to daily report.

**Mission focus for the day:**

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs).
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

**Attached Documents:**

- Situation Report # 19
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first one indicates based upon the outreach that has been conducted, which parcels have we had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

**Status on Governor’s request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Key items for tomorrow to note are:**

- We will have 10 ARC, type 5 teams (2-4 personnel).
- WRTs with NG personnel are transitioning out. No field teams. NG will continue to staff the PODs.
- Tony Katarsky will be acting SEOC State Director. Capt. Kelenske not in the SEOC - available by phone (in the Holland MI area).

**Items to Note**

- Deployed : National Guard/state/local teams and 19 ARC Flint Water Response Teams to the field today.
- JIC was operational with limited staff out of the SEOC today. Co-located JIC in Flint will be back and operational tomorrow.
- SEOC Logistics worked with MDOC on warehouse management transition.
- Recovery Branch began demobilization of trucks and vans.
- Demobilization of National Guard Water Response Teams will be effective as of Monday, January 25.
- School for the Deaf
  - As of 1/23/16: LARA and DEQ teams on site; water testing complete in school building and LRC dorm. Stevens Hall will be tested when landlord finishes upgrades.

- As of 1/23/16: all water faucets replaced in Stevens Hall. 3 new drinking fountains on order; expected mid-week. Once fountains are installed, Stevens Hall will be scheduled for water testing.
- SEOC Finance Donations Management team to obtain list of donors and donations for FEMA request.
- SEOC Planning Section worked on burn rate data from FWRT and PODS for FEMA request.
- GIS continued to clean up V2 Dataset (patched approximately 1000 records).
- GIS coordinated with the DEQ to transfer lead service line mapping to their GIS department tomorrow. Wall maps showing known lead service lines based off of geographical locations and zip codes provided for Chief Hagler, SEOC DEQ staff and Director Creagh.
- Out of 37,003 homes visited, 5,660 were not home/did not answer. The number of homes visited is lower than the Phase II number as some duplicate contacts at addresses were eliminated.
- Information reported to the JIC:
  - As of 1/24/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	1/24/2016
30,770	37,844	7,012 National Guard/State/Local 4,132 ARC

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	164,991
b. Filters	91,763
c. Filter cartridges	197,775
d. Test kits	28,763

3. Total number of customers on the Flint water system

- a. 29,944 current water system subscribers
- b. ~45,000 hookups (This is our high end target #)
- c. ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased:

- a. Cases of water 141,982 (additional 24,634 donated)
- b. Filters 124,052
- c. Filter Cartridges 285,586
- d. Test kits 62,701

5. Teams going out tomorrow:

- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

Additional Standing Information Requirements

1. **Number of homes visited each day:**

- a. 1/24/16, as of 5 pm, 11,144 homes were visited today

2. **Total number of homes visited:**

- a. Phase II: 37,844

3. **Total number of National Guard on the ground:**

- a.
  - i. Number in PODs:
  - ii. Number on Cyber Mission:
  - iii. Number with FWRTs:
  - iv. Command and Control Staff for NG Personnel:

4. **Total Number of Volunteers each day:**

- a. 315 volunteers for 1/24/2016.
5. **\*Number of homes with filters:**
  - a. 17,595 homes had filters, per entered GIS data as of 1/22/2016.
6. **Number of Water filters distributed (each day and to date):**
  - a. 4,920 were distributed on 1/24/2016, and total distributed to date is 91,763.
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 16,125 were distributed on 1/24/2016, and total distributed to date is 164,991.
8. **Number of testing kits distributed (each day and to date):**
  - a. 3,177 were distributed on 1/24/2016, and total distributed to date is 28,763.
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Unknown at this time, CHECC will begin providing numbers on 1/25/2016.
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Unknown at this time, CHECC will begin providing numbers on 1/25/2016.
11. **Number of homes with safe drinking water:**
  - a. 577 homes, per data from September 3, 2015 to January 20, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

\*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number – Phase II questions were developed to help clean this up.

#### Local EOC

##### Operations:

- Distribution of supplies at five water resource sites in the City of Flint.
- Door-to-door distribution of supplies with 34 water response teams (19 ARC volunteer teams, 15 MSP/GCSO/NG teams).
- Facilitating rapid response deliveries to homebound residents and special locations by three teams staffed by Team Rubicon, and Lt. de Castro (MSP/EMHSD).
- Improved logistics for rapid response teams by providing transportation and iPads starting on 01/25/2016.
- Coordinated with ARC for distribution of additional iPads for data entry.
- Identified alternative warehouse locations for loose donations.
- Directed volunteer requests to appropriate state agencies.
- Started coordination for resource demobilization.
- Coordinated with 22 churches so they had water, filters, etc. Delivered Saturday. Some advised they were set with supplies. Lt. Roach (MSP District Coordinator will maintain contact with Pastors).

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### **Update 1/23/16 – 19<sup>h</sup> Day (18<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs

#### Attached Documents:

- SitRep 18

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Key items for tomorrow to note are:

- We will have 15 National Guard/state/local agency, type 3 teams (6-9 personnel).
- We will have 40 ARC, type 5 teams (2-4 personnel).

#### Items to Note

- Deployed state/local teams and 40 ARC Flint Water Response Teams to the field today.
- Created a media monitoring report and looked for misinformation. A call was made to WILX to amend their article that implied that the State was not distributing water to undocumented immigrants. The news release was also sent to WILX about how the State is not requiring identification to receive water resources.
- SEOC Logistics worked on future resource planning and a local business commodity supply plan.
- Drafted talking points for Monday's press conference with Governor Snyder, Colonel Etue, and the Mayor.
- Put in place a place to control POD distribution as much as possible. SKU numbers are being lined out on commodities to prevent or minimize returns for cash.
- Information reported to the JIC:

- As of 1/23/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

To Date	1/23/2016
37,943	6,323 National Guard
	7,361 ARC

2. Distributed: Includes outstanding data from yesterday- PODs after 5 pm, ARC worksheets and local EOC hotshots

Commodity	Total to Date
a. Number of cases of water	148,866
b. Filters	86,843
c. Filter cartridges	194,622
d. Test kits	25,586

3. Total number of customers on the Flint water system

- a. 29,944 paying customers
- b. ~45,000 hookups (This is our high end target #)
- c. ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased:

- a. Cases of water 133,662 (additional 24,634 donated)
- b. Filters 115,700
- c. Filter Cartridges 266,200
- d. Test kits 61,161

5. Teams going out tomorrow:

- a. National Guard State type 3 teams---Goal tomorrow 300 homes per team
- b. 40 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

## Local EOC

### Operations:

- Worked to identify all vulnerable populations to help streamline Hot Shot/Rapid Response Team process.
- Working on plan for church water distribution and POD locations.
- Looking at possible alternative locations for PODs in difficult traffic areas. The city identified some but they are just as bad as the current ones.
- Working on finalizing a recycling plan for the incident.
- Lt. Roach sent up the church information to Tom Webber. She also received one church site that will act as a potential church mega site.
- SEOC GIS to provide a layer for the vulnerable populations so that Team Rubicon can get to them and track in the iPad.

## New Standing Information Requirements

1. **Number of homes visited each day:**
  - a. 1/23/16, As of 5 pm, 13,684 homes were visited today
2. **Total number of homes visited:**
  - a. 37,943, does include duplicate counts from the second canvassing
3. **Total number of National Guard on the ground:**
  - a.
4. **Total Number of Volunteers each day:**
  - a. 310 volunteers for 1/23/2016
5. **Number of homes with filters:**
  - a. 17,595 homes had filters, per entered GIS data as of 1/22/2016,
6. **Number of Water filters distributed (each day and to date):**
  - a. 4,156 were distributed on 1/23/2016, and total distributed to date is 86,843
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 27,462 were distributed on 1/23/2016, and total distributed to date is 148,866
8. **Number of testing kits distributed (each day and to date):**
  - a. 2,171 were distributed on 1/23/2016, and total distributed to date is 25,586
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Unknown at this time until we get the data
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Unknown at this time until we get the data
11. **Number of homes with safe drinking water (Not sure whether it's possible right now to provide this number):**
  - a. Unknown at this time

Chris

---

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

### Update 1/22/16 – 18<sup>h</sup> Day (17<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue door to door/Flint Water Response Teams (FWRTs)
- Plan for next phase with MSP and NG personnel
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration

- Work with HHS personnel to ensure they have all items needed for operations

#### Attached Documents:

- SitRep # 17
- Briefing provided to the HHS Undersecretary by FEMA (due to time only finished 75%)

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Key items for tomorrow to note are:

- 
- 40 ARC (2-4 folks) type 5 teams
- Deliveries going out to all churches on our list we have been working with (21) for Sunday services.
- I will not be in the SEOC Saturday. Tony Katarsky will be the acting SEOC state director. I will be available by phone (wrestling meet).
- Sunday, Lt. Mike Johnson will be acting SEOC state director but I may be in for some of the day.
- Monday I am out on a college visit with my son...I will be available by phone and Tony will again be acting.

#### Items to Note

- Deployed state/local teams and 15 ARC Flint Water Response Teams to the field today.
- SEOC Operations worked on getting local contact into the JIC along with developing messaging for resources and donations.
- SEOC Planning worked on the further development of long term strategy.
- Recovery branch continued coordination with Red Cross on volunteers and the Michigan National Guard for Friday and Saturday.
- SEOC logistics worked with FEMA/DHHS on warehouse tracking status/strategy, coordinated resources, and donations management.
- Have had a number of media request concerning resources for immigrants and population less proficient in English. Clarified with a news release that we are not requiring ID but we are asking for addresses to assist with long term recovery. Nobody will be denied resources if they fail to provide us an address.
- Have received numerous inquiries from celebrities on how they can assist and donate.
- We are validating a lot of data but what we have currently is 38,144 parcels in Flint that are not considered "vacant". This does not mean all parcels have a tenant, there are a lot of houses that are empty.
  - 26,673 water subscribers in Flint (not including franchise).
    - Water Subscribers with a Filter = 15,399 (57.7%)
    - Water Subscribers without a Filter = 11,274 (42.2%)
      - With our second pass we are getting more information as to why people do not have a filter. Looking into whether these include homes connected but nobody currently living there. We are refining the data.
  - 11,471 Non-Water Subscribers in Flint.
    - Non Water Subscribers with a Filter = 2,196 (19%)
    - Non Water Subscribers without a Filter = 9,275 (81%)
  - The SEOC Ops Chief has been directed to firm up all numbers with GIS. We have a GIS specialist from FEMA Region V also deployed to the SEOC to assist. ArcGIS has advised us that the amount of data we have collected is more than some major disasters in other states. We are looking into getting their personnel more engaged to ensure we are using all the tools available for analysis.
- SEOC Finance Chief is working on costs to date and all SEMCs were advised to tighten up their records and ensure we have accountability of all costs.
- Information reported to the JIC:

- o As of 1/22/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

To Date	1/22/2016
37,697	5,920

2. Distributed: Includes outstanding data from yesterday (PODs after 5 pm, ARC worksheets and local EOC hotshots.)

Commodity	Total to Date
a. Number of cases of water	121,404
b. Filters	82,687
c. Filter cartridges	191,704
d. Test kits	23,415

3. Resources purchased:

- a. Cases of water 130,782 (additional 21,682 donated)
- b. Filters 115,700
- c. Filter Cartridges 266,200
- d. Test kits 61,161

4. Teams going out tomorrow:

- a. 15 National Guard State (6-9 folks) type 3 teams -- Goal tomorrow 300 homes per team
- b. 40 ARC (2-4 folks) type 5 teams -- Goal tomorrow 100 homes per team

Local EOC

Operations:

- Worked to identify all vulnerable populations to help streamline Hot Shot process.
- Working on plan for church water distribution and POD locations.
- Looking at possible alternative locations for PODs in difficult traffic areas.
  - o Working on finding a new POD for 3 and 6. We are aware that the mayor would need to approve this.
- Coordinated water donations and delivery areas.
- Last minute large donations of water and volunteers expected during the weekend.
- Working on finalizing a recycling plan for the incident.
- The Jail water has been tested and is fine. The prisoners are not being poisoned and the local health department is working on clearing this issue up.
- Working on a plan with the churches to have 4 mega sites for churches (N,E,S,W) and have smaller churches work through these sites to get supplies. Churches are interested in the recycling program, putting information in their bulletins and also used a collection sites.
- Team Rubicon is coming tomorrow to assist with home deliveries.
- Continuing with recycling plan. Need to identify sites with city. Local EOC has visited areas with the local contractor.

Chris

---

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

Update 1/21/16 – 17<sup>th</sup> Day (16<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs) - "Phase II"
- Plan for next phase with MSP and NG personnel for Governor approval – "Phase III"
- Prepare for appeal on denial of Category B under the Presidential Emergency Declaration
- Work with HHS personnel to ensure they have all items needed for operations

#### Attached Documents:

- SitRep 16
- Draft Water Operations Plan for moving to next phases (Discussion document)
- Resident Water Sample Results Map (Not for public distribution)
- January 13-19 comparison map

#### Status on Governor's request letter to the President

- Emergency declaration received. Pending decision of Major Disaster appeal and any denials under the Emergency Declaration (e.g. Category B). We have not been denied category B yet ... POTUS/FEMA has not given it to us though. I believe we may get a denial of category B in conjunction with the Major Disaster appeal decision. We will have 30 days to appeal.
  - Category B is critical in that it is for Emergency Protective Measures which includes (but is not limited to) EOC related costs, supplies and commodities, safety inspections, and in limited circumstances "water testing and treatment supplies in the immediate aftermath of the incident to counter a specific threat." We purposely put our start date of this incident to be April 25, 2014 in hopes we get category B and could get 75% federal funds for many other costs all the way back to 2014 – long shot but would be huge if we land this.

#### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - 
  - We will have 15 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

#### Items to Note

- We are using the terms Phase II, Phase III, etc. These are for internal discussion for planning and not meant for public dissemination at this time unless it is determined to be beneficial.
- The draft operations plan (attached) was completed in conjunction with MSP and NG personnel to initiate discussion on our next steps as to WRTs and PODs.
- The WH issued a statement that \$80 million dollars in aid to MI mostly to repair Flint water infrastructure. We do not have additional information on this. This may be existing federal funds provided to MI that is just being opened up for other use. FEMA does not have any information on this.
- We have been advised we exceeded the \$5 million under the emergency declaration. We are at \$7.6 million.
- FEMA has advised that any donated items can be used to offset the state cost share. We are working on the mechanism with FEMA to do this.
- Deployed state/local teams and 10 ARC Flint Water Response Teams to the field today.
- SEOC logistics worked to project future orders of water resources and commodities.
- Released updated JIC map at 1800 displaying updated field team activity and integrating historic paper records that have been entered into the tracking system for field team activity.
- DEQ test kits are only being provided to those who ask for them.
- I made contact with Senator Ananich aid, Julie Townsend, who was a POC for his volunteers. They are set to work next week on the 30<sup>th</sup>.

- MDOT met with city personnel to look at Station 6 POD and other PODs to see how traffic flow can be facilitated and safety increased. Additional report out due 1/22.
- A request from MSP MC3 for NG Cyber personnel (3 at \$32,000 for 30 days or less) was initiated. This is to assist with the cyber attacks that have occurred/future attacks related to Flint Water. PENDING APPROVAL. NG advised this would have to be funded with existing funds at this time and to make adjustments.
- MDARD Food Program staff have completed assessments of all 21 food businesses (including restaurants) that were located in the highest risk area. In addition, they have completed assessments at 34 food businesses in the medium risk area, and have scheduled 28 appointments to collect water samples.
- Dr. Nicole Lurie, the Assistant Secretary for Preparedness and Response from the US Department of Health and Human Services (HHS), in addition to the HHS Regional Coordinator and other CDC staff, visited the CHECC and SEOC this morning and provided commentary to CHECC and SEOC staff/EMCs. She also attended a briefing from FEMA before departing to visit Flint.
- Parents of boarding students at the Michigan School for the Deaf were notified of the elevated lead results in Stevens Hall. All fixtures in the dormitory are scheduled to be replaced by January 24, 2016. Lt Gov. has scheduled visit on January 25.
- Valley Area Agency on Aging (VAAA) continues to take calls from seniors and caregivers needing access to water and filters. VAAA is providing this information to the local EOC each afternoon for follow-up.
- Information reported to the JIC:

○ As of 1/21/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase 1	Phase 2
30,770	5,409

2. Distributed: Includes outstanding data from yesterday - PODs after 5 pm, ARC worksheets and local EOC hotshots.

Commodity	Phase 1	Phase 2	Total to Date
a. Number of cases of water	94,688	10,403	105,091
b. Filters	77,215	2,356	79,571
c. Filter cartridges	188,389	1,039	189,428
d. Test kits	20,037	1,588	21,625

3. Total number of customers on the Flint water system

- 29,944 paying customers
- ~45,000 hookups (This is our high end target #)
- ~39,000 includes apartment complexes/multi family (The is the low end target #)

4. Resources purchased:

- Cases of water 124,398 (additional 20,098 donated)
- Filters 115,700
- Filter cartridges 243,200
- Test kits 61,161

5. Teams going out tomorrow:

- National Guard/State/Local type 3 teams -- Goal tomorrow 300 homes per team
- 15 ARC (2-4 folks) type 5 teams -- Goal tomorrow 100 homes per team

Local EOC

- Attended ARC meeting with VOADs to discuss volunteer management and strategies.
- Attended meeting with Plumbers and Pipefitters Union to assess the need for long term cooperation for filter installation and fixture replacement.
- Requested and received confirmation of deployment of Team Rubicon (starting on 01/23/2016).
- Facilitated Flint & Genesee Chamber of Commerce representation at the EOC.
- Addressed security issues at Fire Station 3, 6 and 8 PODs (residents concerned about criminal activity).
- Coordinating with SEOC Logistics to receive information on purchasing strategy and volumes for filter equipment.
- Met with Genesee County Planning Commission, United Way of Genesee County and Michigan Community Service Commission to clarify recycling plans and potential volunteer utilization.
- Coordinated and verified deliveries of supplies to apartment complexes.
- Identified potential locations for recycling stations.

Chris

---

### Update 1/20/16 – 16<sup>th</sup> Day (15<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for second phase of door to door operations
- Submitted appeal to FEMA Region V
- Prepare for appeal on denial of Category B under the Presidential Emergency Declaration

#### Attached Documents:

- SitRep 16

#### Status on Governor's request letter to the President:

- Emergency declaration received.

#### Key items for tomorrow to note are:

- Five copies of the State/FEMA agreement will need to be signed by the Governor. Capt. Kelenske has them and will coordinate delivery.
- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- Dr. Luri from HHS will be at the SEOC ~10:00 p.m.
- A second phase is starting tomorrow which will include more refined questions as to type of filter systems each person has. This will assist with sustainment operations.
- DOC prison work crew personnel (6-7) will be at the warehouse to keep the area clean. A lot of trash is generated in the warehouse and was becoming an issue.

#### Items to Note

- Deployed state/local (NG, MSP, Local) teams and 10 ARC Flint Water Response Teams to the field today.
- MSP and local Sheriff's Department continue to provide over watch for WRTs.

- Aqua Hydrate contacted me to donate 5000 cases a month (4 semis) for a year. I was advised by Lindon Nelson this was a Governor/Mayor/Senator Ananich and Meekhof initiative and a press release was going to go out soon (TBD). Logistics is following up with them.
- News release sent from Governor's office about the appeal to the President of the disaster declaration.
- SEOC Logistics worked with JIC and Governor's office to establish a business resource submission tab on [www.helpforflint.com](http://www.helpforflint.com)
- SEOC Operations continued to develop and finalize Phase 2 canvassing roll out.
- Meeting held with Dr. Luri from HHS.
- Capt. Kelenske and other state agency financial personnel attended the appropriations hearing.
- End of day – concerns with the mass amounts of volunteers showing up and wanting to help. This can cause logistical issues but staff was working to get additional tasks for volunteers outside of the WRTs. We will continue to work on ways to involve more volunteers.
- Additional person NG team for warehouse support approved.
- Information reported to the JIC:

- As of 1/20/16 as of 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. 29,317 homes visited by the FWRTs to date.

2. Distributed: Includes outstanding hard copy data from yesterday (PODs after 5 pm, ARC worksheets and local EOC hotshots).
  - a. Number of cases of water 90,337
  - b. Filters 73,229
  - c. Filter cartridges 185,852
  - d. Test kits 19,866
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 111,630 (additional 18,502 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow
  - a.
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Addressed reports of water contamination in distributed bottled and canned water. Confirmed that water is safe to drink through testing by MDEQ. Coordinating with JIC and MDEQ for improved public information on the issue.
- Identifying options to reroute unsolicited offers for supplies and services outside of the EOC. Coordinating to set up 800 number.
- Attended meeting with Flint & Genesee Chamber of Commerce to discuss coordination of efforts, representation at EOC, and improved messaging.
- Attended meeting with Community Foundation of Greater Flint to discuss coordination of neighborhood groups and improved messaging.

- Coordinated with MDARD to provide additional lead testing at restaurants, and signage for safe locations.
- Coordinating with SEOC Logistics to receive information on purchasing strategy and volumes for filter equipment
- Coordinated and verified deliveries of supplies to apartment complexes.
- Discussed logistics requirements of delivery requests for homebound residents with SEOC Logistics.

Chris

---

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/19/16 ~ 15<sup>th</sup> Day (14<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Prepare plans for next phase of operation – Second sweep of city

#### Attached Documents:

- SitRep 14

#### Status on Governor’s request letter to the President:

- Emergency declaration received.
- Appeal letter pending.

#### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

#### Items to Note

- Deployed state/local teams and 11 ARC Flint Water Response Teams to the field today.
- Messaging being developed for concerns regarding the Total Dissolved Solids (TDS) meters and citizens’ concerns with those meters indicating “lead” in bottled water. Testing of water to be done by DEQ to ensure we have solid messaging.
- DTMB is working to secure space in Flint for FEMA staff.
- Press release went out this afternoon to announce that the US Department of Health and Human Services will lead the federal response in Flint. Capt. Kelenske to meet with Dr. Nicole Lurie, HHS Assistant Secretary for Preparedness and Response (ASPR), on Thursday. The goal of the federal response will be to help state and local leaders identify the size and scope of the problem, and work with them to make and execute a plan for mitigation of the short- and long-term health effects of lead exposure.
- Additional NG personnel being requested to assist with Warehouse inventories.
- 1 NG personnel on the ground with the WRTs tomorrow with 100 more transitioning in.
- Released updated JIC map at 1800 displaying updated field team activity and integrating historic paper records that have been entered into the tracking system for field team activity.
- LG is going to be in Flint working at one of the PODs on Wednesday.
- Information reported to the JIC:

- o As of 1/19/16 as of 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. 22,129 homes visited by the FWRTs to date.
2. Distributed: Includes outstanding data from yesterday - PODs after 5 pm, ARC worksheets and local EOC hotshots.
  - a. Number of cases of water 77,794
  - b. Filters 69,730
  - c. Filter cartridges 184,457
  - d. Test kits 16,671
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 95,760 (additional 16,056 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a.
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Attended public health group meeting with GCHD, City of Flint Water Department and MDEQ to discuss water test information being returned to residents, to allow residents a greater understanding of results.
- Attended recycling/trash management group meeting with DEQ, Republic Services, Keep Genesee County Beautiful and Genesee County Planning Commission. Provided projections on current and anticipated bottle distributions.
- Coordinated deliveries of supplies to faith-based organizations, apartment complexes and homebound residents
- Coordinated with Comcast to set up locations for distribution of filters (distributed 60 filters on 01/19/2016).

Chris

---

#### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

#### Update 1/18/16 – 14<sup>th</sup> Day (13<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- *Receive, store and increase quantities of supplies*
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs) and PODs
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.
- Complete appeal for Presidential Major Disaster Declaration denial.

#### Attached Documents:

- SitRep 13
- Side by side comparison of homes with filters January 13<sup>th</sup> compared to January 18<sup>th</sup>. This should be hitting the media tonight. This took longer to create than I wanted but is the image I have wanted to show progress of getting filters in to the field.

#### Status on Governor's request letter to the President:

- Appeal in process.

#### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
  - NG will be bringing in personnel to prep for surge.

#### Items to Note

- Beginning tomorrow the operational periods will be 7 days long.
- The CDC/ATSDR (Agency for Toxic Substances Disease Registry) has deployed a team to Michigan.
- An Arabic version of the palm card was reviewed and approved. This was developed via Arab American and Chaldean Council.
- Deployed 12 state/local teams and 10 ARC Flint Water Response Teams to the field today.
- DTMB is working to secure space in Flint for FEMA staff.
- Cost analysis to investigate if it would be more cost effective for FEMA to purchase water vs the SOM.
- ARC news release concerning the Volunteer Reception Center (VRC) sent out today.
- Media availability conducted today at 3pm at the VRC.
- Since 1/14/16 Michigan 2-1-1 has received three direct reports of bottled water testing positive for lead. DHHS SEOC Desk and DEQ SEOC Desk was able to contact two of the callers. The Zero Water filter (pitcher) has a handheld test device so people know when to change the filter. This TDS Meter measures dissolved solids (it is not a lead test). This was explained and we are going to work on messaging to ensure this does not cause issues. Dissolved solids are in all water. The water from the callers is going to be tested and a case of water from one of the companies will also be sent to DEQ for testing. Brands are Spartan Spring Water and Canned Water for Kids. The filter company is also going to work on messaging and work with us on this matter.
- Information reported to the JIC:
  - As of 1/17/16 as of 5 pm (start date was Tuesday, 1/12/16)

1. 21,393 homes visited by the FWRTs to date.

2. Distributed:

- a. Number of cases of water 37,313
- b. Filters 53,713
- c. Filter cartridges 169,520
- d. Test kits 7,379

3. Total number of customers on the Flint water system

- a. 29,944 paying customers
- b. 45,000 hookups (This is our high end target #)
- c. 39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased:

- a. Cases of water 82,992 (additional 16,056 donated)

- b. Filters 115,700
- c. Filter cartridges 243,200
- d. Test kits 61,161

5. Teams going out tomorrow:

- a. 5-6 State (6-9 folks) type 3 teams---Goal tomorrow 300 homes per team
- b. 10 ARC (2-4 folks) type 5 teams---Goal tomorrow 100 homes per team

Local EOC

Operations:

- Continuing to work with faith based organization to distribute resources.
- Working with colleges to obtain volunteers for canvassing.

Chris

Update 1/17/16 – 13<sup>th</sup> Day (12<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs), PODs
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.

Attached Documents:

- SitRep 12

Status on Governor's request letter to the President:

- Emergency declaration received.
  - Limited to direct assistance so we will need to ask for the Individual Housing Program but that is something I will work on with FEMA.
- Major disaster declaration denied. The appeal is being developed with a draft to Paul Smith by later afternoon 1/18/16.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 12 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

Items to Note

- Deployed state/local teams and 10 ARC Flint Water Response Teams to the field today.
    - 4,963 homes visited today.
  - DTMB is working with DSEMIC and NC3 to monitor social media for information on cyber-attack yesterday.
- 01/16/16**
- Approximately 5:00PM, Michigan.gov began to experience slowness in web page load time. Approximately 10 minutes later the Michigan.gov site became inaccessible caused by of a denial of service attack.
  - IBM team was able to implement a mitigation strategy to stop the attack that began at 5:00PM. At 6:24PM the michigan.gov websites were again available to the public.
  - Approximately 7:30PM, a new attack was initiated on the michigan.gov environment. The attack focused on the DNS servers and resulted in michigan.gov becoming inaccessible. Additionally, due to the nature of the attack other IBM customers were affected as well. IBM was able to implement a new mitigation strategy

that resulted in the excessive traffic being blocked. At 7:53PM the websites were restored to normal operation.

- Shortly after the michigan.gov websites were restored, the State of Michigan was notified by our internet service providers that a DDoS attempt was made against our SOM DTMB servers in the external DMZ. Once detected, this attack was blocked and Michigan Cyber Security saw no signs of any other types of attacks.

01/17/16

- Information reported to the JIC:

- As of 1/17/16 as of 7pm (start date was Tuesday, 1/12/16)

1. 16,353 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received from prior to the SEOC activation (trying to validate the data) plus the PODs and door to door operations since activation.
2. Distributed:
  - a. Number of cases of water 27,195
  - b. Filters 50,432
  - c. Filter cartridges 168,605
  - d. Test kits 4,861
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 57,456 (additional 12,884 donated)
  - b. Filters 108,520
  - c. Filter cartridges 239,081
  - d. Test kits 28,901
5. Teams going out tomorrow:
  - a.
  - b. 12 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

#### Operations:

- Facilitated activation of the Genesee County/Genesee Health System MOU for mental health services.
- Coordinated supplies for distribution to students at the U of M Flint campus.
- Still concerned about people going to every fire station and collecting water/filters.
- Coordinated trash pickup at Fire Station PODs with the City Liaison officer.
- Coordinated hotshot deliveries of supplies to home bound population.

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 1/16/16 – 12<sup>th</sup> Day (11<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to prepare for engagement following the Presidential Emergency declaration

**Attached Documents:**

- SitRep 11

**Status on Governor's request letter to the President:**

- Emergency declaration received. Federal Coordinating Officer (FCO) is David Samaneigo (Sam) who has been my LNO from FEMA. We began discussions on a transition to FEMA support last night. His team is headed to MI at this time and we will have our first coordination meeting on Sunday.
- The request for a Declaration of a Major Disaster was denied. FEMA advised this event does not fit the legal definition of a major disaster (natural incident or fire, flood, or explosion). This information has been provided since prior to the event to elected officials in Flint and the legislature. We are reviewing the chances for an appeal and I have already discussed this with the FCO.

**Key items for tomorrow to note:**

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 10 state agency, type 3 teams (6-9 personnel), with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- I will be back on duty Sunday.
- We have been working with some of the churches. Contact was made with 14 churches for Sunday distributions. Interaction with the pastors has been very positive.
- A logistics briefing will be provided to see how many more teams we can put in the field.

**Items to Note**

- LT Gov visited the local EOC today; discussed local EOC operations.
- Deployed state teams and 10 ARC Flint Water Response Teams to the field today.
- DEQ sampling kits are now being received at the PODs.
- DEQ sampled two Head Start facilities and worked with GIS to obtain future sample sites.
- The Freeman School pilot was delayed due to some parts not arriving as scheduled. Testing was to be done Sunday but may not occur until Monday.
- NG will have a total of personnel in the PODs for distribution. Mission has not changed.
  - NG soldiers have been in the PODS. more processing in tomorrow with start date of 1/18 in the PODS. The TAG and I will be discussing future use of NG personnel door to door next week.
- Information reported to the JIC:
  - As of 1/16/16 7pm (start date was Tuesday, 1/12/16)

1. 11,324 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received prior to the SEOC activation plus the PODs and door to door operations since activation. 3,850 homes were visited today (4,000 was the goal).
2. Distributed:
  - a. Number of cases of water 20,876
  - b. Filters 47,935
  - c. Filter cartridges 167,401
  - d. Test kits 3,322
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 57,456 (additional 12,884 donated)
  - b. Filters 108,520
  - c. Filter cartridges 239,081
  - d. Test kits 28,901
5. Teams going out tomorrow:
  - a.
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

#### Operations:

- Provided direction to Operations and Logistics Section to initiate water sample collection at PODs.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional churches were supplied with water, filters and test kits.
- Still concerned about people going to every fire station and collecting water/filters.
- Station #6 (POD) has associated safety concerns due to proximity of street and lack of suitable parking. We are working to resolve.

**Subject:** SEOC Update 1/15/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

**Update 1/15/16 – 11<sup>th</sup> Day (10<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Pilot the logistics plan and adjust as needed

- Continue with door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to ensure we get a Presidential Declaration of a Major Disaster and Emergency

#### Attached Documents:

- SitRep 10

#### Status on Governor's request letter to the President:

- All documents for the presidential request have been submitted to FEMA. Numerous calls and meetings took place between me and FEMA today.
- When we get the declaration(s) ... I will set up a legislative/congressional call to explain and provide bullet points as to what programs we will receive. The Federal Coordinating Officer assigned will also be with me to answer questions. This has helped in the past.

#### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
  - A pilot team was used to test our logistics plan today and with 60% strength they had 160% output (830 homes).
- I will be off tomorrow but available by cell. Tony Katarsky will be SEOC State Director. I will be back in on Sunday.

#### Items to Note

- LT Gov visited the local EOC and SEOC today. He was able to hear our final briefing for the day.
  - Held a short session managing stress with SEOC staff. Two handouts were put in MICIMS for all state and local personnel to view.
  - Deployed 10 state teams and 5 ARC Flint Water Response Teams to the field today.
  - Standing requirements were created for the JIC so we can get information to the media every day. Below are the current ones we have in place and we should have something out tonight according to the JIC.
    - As of 1/15/16 as of 7pm (start date was Tuesday, 1/12/16)
1. 7474 homes visited by the FWRTs. We believe we have ~24,000 homes with filters but are trying to validate that information. This is from the data we received from prior to the SEOC activation plus the PODs and door to door operations since activation.
  2. Distributed:
    - a. Number of cases of water 18,576
    - b. Filters 45,916
    - c. Filter cartridges 165,382
    - d. Test kits 3,217
  3. Total number of customers on the Flint water system
    - a. 29,944 paying customers
    - b. 45,000 hookups (This is our high end target #)
    - c. 39,000 includes apartment complexes (The is the low end target #)
  4. Resources purchased:
    - a. Cases of water 44,688 (additional 12,884 donated)
    - b. Filters 78,520
    - c. Filter cartridges 163,081
    - d. Test kits 18,761

5. Teams going out tomorrow:

- a.
- b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

Local EOC

Home Deliveries:

- Still receiving lists from the Valley Area Agency on Aging (VAAA) on home deliveries and forwarding these to the Sheriff's office. They are going through a lot of homes. 120 out of 125 homes were completed yesterday.

Operations:

- We sent staff to visit Fire Station 6 and the warehouse today. Fire station 6 traffic was congested and that was during a "slow" time. The National Guard is identifying what is needed to alleviate this. MSP is working on providing uniform presence as needed. An additional iPad at each location will hopefully help relieve the amount of time that people are spending at the distribution sites.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional requests from churches were made and I approved the locations so they could be ready for Sunday. Lt. Roach was told by one of the pastors that he met with the Gov today and expressed how much he appreciated the efforts put forth. We should have 14 for this Sunday. We are working on how we can increase this output.
- Still concerned about people going to every fire station and collecting water/filters. NG personnel observed vehicles with several cases of water an overheard saying they were heading to the next station. Some people were helping themselves and taking more than one case at a time. Per the NG they cannot physically stop people from doing so. The NG is going to try to change staging in the fire stations to try to prevent this.
- Flint PD is going to check in every day with the EOC and provide a specific contact person. They are also going to help with traffic issues at the PODS. Will ask Flint PD to provide a presence when water is off loaded at a POD to help prevent people from "helping themselves."

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

Update 1/14/16 – 10<sup>th</sup> Day (9<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and finalize lease on warehouse space/begin to move supplies from GCCARD to new warehouse
- Continue with door to door teams and finalize planning for future team use
- Submit request for a Presidential Declaration of a Major Disaster and Emergency
- Continue to work on long term recovery items (DHHS, DEQ, MDARD)

Attached Documents:

- SitRep 9

Status on Governor's request letter to the President:

- All documents for the presidential request have been submitted to FEMA. I had a lengthy conversation with the FEMA Region V Administrator reference the request prior to sending.

Key items for tomorrow to note are:

- The door to door teams will continue in the morning.
- We will continue to ramp up door to door operations with additional teams. Teams continue to focus on the high lead level areas and additional data is being analyzed to focus mission areas.
- ARC will increase the number of their Water Response Teams.
- Supply burn rates as well as projections on how many teams will be needed to put filters in all homes within 3 and 5 days will be completed. Analysis will be done to see if NG personnel may be needed to finish in quicker manner.

#### Items to Note

- DEQ was notified of the number of homes who are willing to have them take additional samples in the future (current number (114). This question was added to the App being used by the Water Response Teams. Data will be provided when needed.
- LT Gov is scheduled to be at the local EOC and SEOC (~4:30) tomorrow to see the operations.
- Secured 80,000 sq. ft. of a warehouse today. Working to consolidate all resources in one location. Tomorrow will be the first day of full implementation of our logistics plan.
- Email sent to state employees to request volunteers for weekend.
- Media monitoring showed no incorrect information today.
- Michigan Association of Broadcasters is sending PSA to radio stations.
- Coordinating with Red Cross on volunteers for weekend.
- Deployed 8 Water Response Teams to the field today (approx. 120 volunteers). 78 Red Cross volunteers active across the operation today.
- National Guard is ramping up to have soldiers per shift at each POD tomorrow. Will also have a Public Affairs Officer at the JIC and liaison at the local EOC.
- Senator Ananich visited the SEOC today to see how things operate. The visit went well and he seemed happy with the number of staff working the Flint event. He tweeted out a message indicating there is still a lot of work to be done but all are working hard.
- DHHS
  - The Community Health Emergency Coordination Center (CHECC) is working on the following:
    - A nutrition plan
    - Education materials, messaging, and working with local agencies
    - Developing a community assessment for disaster behavioral health services.
- Lined up the delivery of filters to two large apartment complexes and a student housing complex.
- We have the list of individuals needing home service (additional contacts will be sent to the Ops Chief at the Local EOC each day at 4:00). Info will be provided to the sheriff's office for action.
- Water Response Team Numbers (this is not the total of homes with filters – I will provide that number tomorrow but it appears we have filters in over half the residences):

	TOTAL	1/12/2016	1/13/2016	1/14/2016
<b>Occupied Homes</b>	1450	242	492	716
<b>Vacant Homes</b>	1967	152	161	1654
<b>Total Homes</b>	<b>3417</b>	<b>394</b>	<b>653</b>	<b>2370</b>
<b>Resources</b>				
Door Hangars	1487	217	453	817
Water	588	117	254	217
Filters	945	112	220	613
Pitchers	22	3	13	6
Water test kits	217	48	109	60
Replacement Filter	482		137	345
<b>Total Resources Dispersed</b>	<b>3741</b>			
Future sample test site	114	28	34	52

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 1/13/16 – 9<sup>th</sup> Day (8<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and close lease on warehouse space
- Continue with door to door teams and finalize planning for second wave increase (+15 teams – total for 1/14/16 will be 20)
- Continue to work on Governor's Declaration of an Emergency

**Attached Documents:**

- SitRep 8

**Status on Governor's request letter to the President:**

- All support data from state Agencies and local jurisdictions collected as of 6:00 pm on 01-13-16
- Current timeline:
  - First draft completed and ready for review by State Department Directors (including the Attorney General) by 11:00 am on 01-14-16
  - State agency reviews due back by 1:00 pm on 01-14-16 for revision of the draft
  - Revised draft to Captain Kelenske by 2:00 pm on 01-14-16 for review and forwarding to the Governor for final review
  - Final draft (based on Governor's review) submitted to FEMA Region V Administrator by no later than cob 01-14-16 but hopefully sooner. FEMA is aware and ready to receive.

**Requests and potential response from FEMA/President**

- The letter will request all programs eligible under the Stafford Act including Public Assistance, Individual Assistance, Hazard Mitigation, FEMA's coordination of assistance from other Federal agencies and direct assistance from FEMA
- The letter will also request potential direct reimbursement from other Federal agencies such as EPA, CDC, HUD, DHHS and SBA
- This request is in coordination with the request for Non-Stafford Act federal assistance already requested and received by the State (technical assistance and administration, but no direct reimbursement of disaster costs)
- Direct Federal assistance from FEMA in the form of Individual Assistance to homeowners for household repairs (repair and/or replacement of water service lines and Other Needs Assistance to reimburse for water filters, bottled water, etc.) is a possibility
- Direct Federal assistance from FEMA in the form of Public Assistance is not as likely as it is mostly replacement of publicly owned water distribution lines (and not the direct result of damage from a natural cause)
- If Stafford Act assistance is denied (Public Assistance, Individual Assistance and Hazard Mitigation) FEMA could still provide coordination of assistance from other Federal agencies if the President declares a disaster (or emergency) for the State of Michigan

**Key items for tomorrow to note are:**

- The door to door teams will continue at 9 a.m. – 5 p.m. Thursday morning and continue through the weekend.
- We will continue to ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas and additional data is being analyzed to focus mission areas.
- MNG will have a press event at the armory with incoming soldiers and MG Vadnais.

### Items to Note

- Received information that Rev. Jesse Jackson will be in town 1/17/16 at 1:30 at the Heavenly Host Church of the Harvest of Dartmouth St, Flint.
- Managed and corrected misinformation on NG role.
- Senator Ananich is stopping by the SEOC tomorrow morning 0845. I am meeting with him and his Chief of Staff. Short visit as he has a 0930 at the Capitol.
- Working with Comcast so they can put teams in the field for distribution.
- Penske is going to give us 15-20 trucks over the weekend.
- Contact made with Two Men and a Truck for resources.
- Meeting set with Google where they will brief me and key staff potential tasks.
- Coordinated with Flint Mass Transportation Authority (MTA) to include Fire Station PODs on bus routes.
- Tomorrow I will have a projection as to the number of teams needed to get all citizens filters in their homes in 5 days / 3 days.
- We are standardizing team structure and supply deployment to increase efficiencies. Mission Ready Package (MRP) specifications will be sent out for other entities to assist with door to door. They will then be able to arrive as a MRP get supplies, receive a mission location and deploy.
- 5 Water Response Teams were in the field again today. Below are the numbers from the 2 days of just the Water Response Teams (there are paper copies with data still to be entered from the PODs). I was just briefed by the ARC logistics planner and there are efficiencies we can put in place to increase homes touched per day. The next version of the app will provide more granular details. Additional 30 tablets were configured by DTMB today for field implementation to include use in the PODs.

	Total	1/12/2016	1/13/2016
Occupied Homes	533	242	291
Vacant Homes	238	152	86
<b>Total Homes</b>	<b>771</b>	<b>394</b>	<b>377</b>
<b>Resources</b>			
Door Hangars	473	217	256
Water	265	117	148
Filters	235	112	123
Pitchers	9	3	6
Water test kits	92	48	44
Replacement Filter	93		93
<b>Total Resources Dispersed</b>	<b>1167</b>		
Future sample test site	62	28	34

- We show 17,276 residences with filters (this does not include data entry to be completed from POD or other locations).
  - We have 35,378 service hookups but with apartments, multi residence dwellings, etc we would be around 45,000.
- Logistics Support
  - The American Red Cross Logistics Planner provided me a brief and I approved the plan forward. The current plan includes:
    - Mission – A filter in every home ASAP.
    - 4 Distribution Methods
      - PODs (5)
      - Water Response Teams (20 effective tomorrow and this will increase)
      - Local EOC “Hot Shots” (these are calls for functional needs, unable to get to a POD location due to ??, etc). Personnel dispatched with supplies.

- Local EOC support for other local requests (Faith based for distribution, etc.)
  - Three warehouse locations at this time
  - How to better leverage ARC resources
- Supplies – Daily Numbers
  - Replacement Cartridges - 30,700 delivered.
  - Water (cases) - 19,152 cases delivered
- Budget projection completed and will be submitted to SBO for review.
- Notes from Water Response Team Command (MSP)
  - Very good synergy between Flint Post troopers and Genesee County Sheriff command and deputies in effective and efficient deployments for distribution efforts.
  - Great attitude and efforts by uniforms and volunteers to make important contributions to the City of Flint on water response team deployments.
  - Clear direction and coordination in the field of supply teams by lieutenants and troopers. No confusion. Clearly defined roles.

All personnel continue to be fully committed to fixing this as quickly as possible.

Chris

---

#### Update 1/12/16 – 8<sup>th</sup> Day (7<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

I apologize in advance for the length of this report. With the supply issues we had the last couple of days I wanted to share our inventory plus what we anticipate to ensure we do not have supply issues.

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Fine-tune logistics
- Increase and deploy door to door teams (4 state teams added to teams from the Sheriff's Department)
- Increase collaboration and messaging of collaboration with local agencies (specifically the Sheriff's Department)

#### Attached Documents:

- SitRep 7
- Executive Order Activating the National Guard

#### Key items for tomorrow to note are:

- The Governor signed an Executive Order activating the National Guard. Mission will be to relieve ARC volunteers at the PODs (Fire Stations) which will free up the ARC volunteers for door to door activities.
  - I have briefed the ARC Disaster Officer on this plan.
- The Governor requested, through FEMA Region V, support from the Federal Emergency Management Agency (FEMA) to bring together and identify other federal agencies that may have programs and funding that could be dedicated to assisting Flint as part of an interagency recovery plan. One of the existing LNOs has been identified as the POC for this. He will be a great liaison for the FWIACC.
- The door to door teams will continue at 0830 Wednesday morning and continue through the weekend and ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas.
- We will look at all commodities and see where we are and where we need to be while working with the ARC logistics specialist.

#### Items to Note

- PSA video sent out to Flint citizens on resources available.
- Water
  - Today's numbers - 7,824 cases of water arrived today, 1/12/16 (109 pallets)
  - Ordered:
    - 19,152 cases of water are going to arrive Wednesday, 1/13/16 (266 pallets)
      - 1/3 is going to GCCARD and the rest is going to the new warehouse
    - 12,768 cases to arrive daily beginning Thursday through Saturday (177 pallets a day)
- Filters
  - Today's numbers
    - Ordered on 1/11/16 and delivered 1/12/16 direct to GCCARD
      - 2,000 – Brita filter faucet mounts
    - Filter Replacements
      - 2,400 – Brita filter replacements (single pack)
      - 8,000 – Brita filter replacements (two pack)
  - Ordered on 1/12/16 to arrive Wednesday
    - Faucet Mounts – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
      - 10,000 – PUR Vertical faucet mount
      - 2,500 – PUR Horizontal mount
    - Replacement Filters – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
      - 10,000 – PUR replacement filters (3 pack)
      - 10,000 – PUR replacement filters (single pack)
    - PUR Combination Pack – to be delivered to GCCARD on 1/13/16 (Wednesday)
      - 10,700 – PUR combo packs
- To arrive Thursday
  - Zero Water Pitcher (8 Cup) – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 1,300 – Zero Water pitchers
  - Faucet Mounts – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 11,000 – PUR vertical faucet mount
    - 1,500 – PUR Horizontal faucet mount
    - 5,000 – Brita faucet mount
    - 10,000 – Brita adv faucet mount white
    - 12,000 – Brita adv faucet mount chrome
  - Replacement Filters – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 117,600 – PUR replacement filter
- Test Kits
  - 6601 unassembled kits arrived at GCCARD today, 1/12/16.
  - 500 have been assembled and are ready for distribution
  - 1000 additional unassembled kits have been ordered to be delivered at GCCARD (no ETA yet)
  - 10,142 unassembled kits to arrive at GCCARD early next week
- Second warehouse – Located in Flint
  - 100,000 square feet of secure warehouse obtained.
  - Accepting commodities beginning Wednesday, January 13
- Logistics Support

- The American Red Cross Logistics Planner arrived from DC today as requested. I outlined what her mission was and how I saw the progression forward. This logistics planner will assist in streamlining the inventory and distribution process now and into the future.
- Door to Door Numbers
  - Today the app implementation for the field went extremely well. There were a few issues that were quickly addressed. One related to how form fields should be filled out. Another was getting styluses for teams so that they don't have to remove their gloves in the cold. All very simple to fixes.
  - We are working on version 2.0 so this can be used at the PODs
  - We should be able to greatly optimize distribution in the near future as we mapped the active water subscribers from Flint's DPW and are adding them to the field team members apps. Of the ~56,000 possible addresses, this reduces the number of possible homes to visit down to ~29,000.
  - Notes from the field commander:
    - "Today we started out the day using two groups that consisted of approximately 10 people in each group. We eventually combine groups with Genesee County Sheriff's group and they brought two more groups with approx. 10 people (Local UAW) in each group. This made us a lot more efficient and we were able to set up a game plan. Tomorrow I feel we will be more efficient and we will have a better plan in place to get the maximum output out of our resources."
  - In the end, there were 394 total home visits with the following breakdowns:
    - 217 Door Hangers
    - 152 Vacant Homes
    - 117 Water Distributions
    - 112 Filters
    - 3 Pitchers
    - 48 Water Test Kits
- 211
  - CALL VOLUME:
    - 185 calls for water-related issues had been received as of 4:45 pm.
- Logistics made contact with Comcast and will be supplying them with filters and replacement cartridges for their deliveries in their work trucks as they make services calls. They will follow our procedures for reporting (our checklist).

Chris

---

### Update 1/11/16

The focus today was the media event and getting the supplies and logistics on track. Most of the activity today was working on logistics for the water and other supplies.

### Attached Documents:

- SitRep 6

### Key items for tomorrow to note are:

- The door to door teams will start at 0830 Tuesday morning. It is reported that troopers are going to the door but DHHS employees are the lead with a troop car nearby.
  - State and local GIS created an App today for the teams to use tomorrow but I see potential use at distribution sites.
  - The App data will be used for our maps as we survey the public/distribute supplies and we will be getting real time metrics through the site from the field send back to the SEOC. We are using Android tablets tomorrow but in the future can use any mobile device for this.

#### Items to Note

- It was reported that only one POD (Station 5) was out of water longer than 30-45 minutes. This site was ~2 hours without water and part of that was the truck went to the wrong station. Trucks were sent as soon as the local EOC was notified.
- We also did not receive a DHHS shipment that was to come in which caused some filter delivery issues.
- Supplies are limited at this time; however, we are getting our shipments starting at 0630 tomorrow.
- We have Home Depot giving us 12,768 cases (this was a late development so the SitRep indicates half the amount) of water every day starting tomorrow. We are still working with other distributors too.
- ARC is flying in a logistics planner tomorrow. Three additional staff will be with her to shadow and help. We are turning warehouse logistics over to ARC logistics. We are moving tomorrow to a process that has a distribution center (GCCARD) and a warehouse that is 100,000 square that will maintain mass quantities. Staff has continually been placing orders for supplies to ensure we get a head of this. The intent is to keep the warehouse full so we do not have these continual issues of supplies.
- Began mapping lead service lines (anticipate having draft of lead service lines Friday).
- Coordinated with local IT managers overseeing filter tracking system to streamline data collection.

#### Local Emergency Operations Center

- Working to coordinate resources at the local level to maintain adequate supplies at all PODs.
- Demand has exceeded supplies and supplies are moving rapidly from PODs today. Working to make sure POD managers notify us when they start running low.
- Working to establish a warehouse for local resource storage.
- Established trigger points for resources at PODs and hourly inventory reporting from the PODs.
- Discussed potential long term water sources between local EOC and SEOC.
- Established planning cycle/meeting scheduled for 1/12/16.
- Local EOC EMHSD staff with Natasha Henderson to request deployment of City representative at local EOC.

Chris

---

#### Update 1/10/16

##### Attached Documents:

- SitRep 5
- Door card (English version but Spanish version will be ready for Tuesday)

I have a local EOC section listed below but state personnel are heavily engaged in management of both locations. We occasionally hit some road bumps with this event but all personnel are working well together to accomplish our goals (especially state agency personnel).

I have had good discussion with FEMA LNOs. Two statements have been developed from our discussions that hopefully helps put this in more context but if it is more confusing I apologize:

1. In the immediate response, the State, in collaboration and coordination with city of Flint and county of Genesee are working to get water, water filters, and testing kits to the affected population. In conjunction, the state will coordinate with federal agencies to ascertain what resources can come to bear to help mitigate the issue.
2. If asked about a federal declaration from FEMA, we need to articulate the definition of major and emergency declaration and state or note to ourselves that it appears to not qualify; however, there may exist opportunities

to leverage federal assistance from some agencies (i.e....EPA) under their own authority to help address this issue.

- We need to really manage expectations on the potential for a federal declaration...not that we will not go after one but it will be difficult to get.
- A major disaster is defined in the Stafford Act as any ***“nature catastrophe (including hurricane, tornado, storm, high water, winddriven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, snowstorm, or drought) or, regardless of cause any fire, flood, or explosion.....causes damage of sufficient severity and magnitude, to warrant major disaster assistance.....to supplement the efforts and available resources of States, and local government.....”***
- An emergency declaration is ***“is any occasion or instance for which, in determination .....assistance is needed to supplement State and local efforts and capabilities to save lives and protect property and public health and safety or to lessen or avert the threat of a catastrophe.....”***
  - This is limited to immediate and short-term assistance (I hate to put times on this but short-term is like 3 weeks), essential to save lives, protect public health and safety and property.
- Severity of the situation is ***“A finding that the situation is of such severity and magnitude that effective response is beyond the capability the state and affected local governments, and that the state requires supplementary federal emergency assistance to save and to protect property....***
- Nature of assistance for Emergency Declaration is for ***“Debris removal, emergency protective measures, direct federal assistance....”***
  - Debris Removal = *self-explanatory and we do not have this*
  - Emergency Protective measures = *water, commodities, transportation (remember ... to supplement what the locals and state are already doing if we need more)*
  - Direct federal assistance= *what specific type of work is requested, and what are the reasons why the state/local government cannot perform or contract for performance. Essentially what is the need that state/local govt cannot provide. I can see this being something we need but we may be able to get this outside a federal declaration under the federal agencies own authority to help address this issue.*

Back to the update...

Key items for tomorrow to note are:

- Training is occurring for the door to door teams scheduled for Tuesday morning.
- Deploying an additional MSP District Coordinator to the local EOC for command and control support.
- Deploying two DTMB trucks and two drivers for sustained logistical support for the week.
- Media event with the Governor in Flint.
- New Incident Action Plan starts (1/11 0800 -1/13 0800 operational period). Our objectives are as follows:
  1. Ensure all households within impacted community have required resources.
  2. Ensure accurate tracking and accounting of all commodities.
  3. Improve and maintain public information strategy.
  4. Develop a long term public health and services plan.
  5. Ensure adequate staffing to support operational requirements.
  6. Identify possible assistance programs.
  7. Develop an approved GIS strategy.
  8. Maintain coordination between partner agencies and organizations.
  9. Enhance situational awareness and common operating picture of all activities.
  10. Develop a comprehensive Recovery Plan.

Items to Note

- All 9 churches had filter systems/replacement filters, information sheets, and water test kits delivered as requested by each pastor/reverend on Sunday. We did not think we could get them water due to the limited time but we did end up getting water to all 9 churches with the other items.

- Fire station resource locations stayed open from 9a to 9p and will continue with those hours until further notice (Staffing is in place until Saturday). ARC is staffing these locations.
- The media event was held at Fire Station No. 1 and report back is that it went well and the spirit of collaboration between local, state, non-governmental partners is strong was relayed.
- The four door to door teams will have the hours of 8:30 a.m. to 5 p.m.
  - Each will have logistics support from DTMB, security from MSP, and contact personnel from DHHS.
  - The door card is attached that will be left if no one is home.
- Worked to identify a storage location within the City of Flint for water and supplies. G-CARD is identified as temporary location but we are moving toward a state run warehouse operation (looking at private sector partners to assist, especially with the warehouse management side).
  - GCCard is large enough, centrally located and comes staffed. GCCard has 75,000 sq ft with warehouse managers to assist with tracking resources coming in and out.
- GIS will provide us daily updates of how much was distributed each day but note we have a delay in data entry from delivery to entry in the GIS system. Over the weekend there was a problem locally with staffing to get this completed. A solution is in place and will be implemented so we get timely data. Distributed to date (as of 1/8/16).
  - 12,386 filters
  - 1,985 replacement filters
  - 354 Pitchers
  - 2500 Lead Testing Kits
- Establishing and tracking of resources is a priority. Staffing has been assigned to get a good handle on these to ensure distribution sites maintain an appropriate level of inventory. I have requested trigger points get put in place so we do not get below certain levels in the main warehouse location.
  - Contacts with some large water distributors have been made and their and our logistics chiefs will connect first thing this week.
  - We have ordered an additional (expedited delivery with ETAs tomorrow)
    - 40,000 Brita Filters
    - 40,000 Brita Replacement Filters
    - 1000 Zero 8-Cup Pitchers
    - 1000 Zero 8-Cup Pitchers
    - 2000 PUR Replacement Filters
    - 93 Pallets of water (about 6700 cases)
- GIS continues to produce multiple maps for use.
- JIC Items
  - Requested PSA on the radio. Media has been approved and working with MAB.
  - Requested JIC to contact Comcast and Dish Network for availability for continuous running of filter install/replacement and test kit video.
  - A news release will likely going out tomorrow regarding canvassing in neighborhoods. Continued social media messaging.
    - Tuesday – embed state PIO with one of the canvassing teams to liaison with media.
    - JIC moving tomorrow to Flint.

### Local Emergency Operations Center

I am providing you some information on some issues we ran into at the PODs. This has been addressed with additional state resources and processes put in place so we do not run out of resources. Public concerns/complaints have not been brought to my attention at this time. Staff is working very hard to ensure we do not run out of supplies at the PODs and they understand the consequences. No one in the Local EOC or State EOC is happy the following occurred and I felt you should know in case it is brought up. Again, I believe we have fixed this and I take full responsibility for any supplies not being on site.

### Fire Station Inventory Levels:

Station 1:

- Only time without supplies - 15 minutes without water while the truck was unloaded.

#### Station 3:

- Ran out of replacement filters around 7:00, replacement filters delivered around 7:30. Had to pick up replacement filters from Home Depot and deliver.

#### Station 5:

- Ran out of water around 5:00, water was delivered around 6:30. We needed to find additional trucks because DTMB drivers were over hours. The ARC stepped up and found a truck to go and pick up a pallet of water and deliver.
- Somewhere between 4:00-6:00 they ran out of lead test kits. No way to restock these because City facilities were closed and could not reach anyone.

#### Station 6:

- Around 5:00 ran out of water, filters, and replacement kits. Replacement kits were delivered around 7:30. Additional water and filters were delivered after 9:00 due to the DTMB drivers heading back to Lansing. Food Bank was called and had to get drivers in to operate trucks, pick up water from the School District load and deliver to all sites. Delays occurred with weather conditions and needing to use last minute sheriff EOC staff to load due to issues with City workers. City workers were scheduled to help and left around 7:00 without helping.
- 2 pallets of water were dropped off in the afternoon and within 1 hour were gone. This was much faster than we expected. On 1/9 they didn't go through 2 pallets of water at any station for the hours 9:00-4:00.
- We received news that a reverse 9-1-1 call notified residents of water which caused an unanticipated amount of people obtaining water. There was also a report of 1 person walking out with 2 cases of water and trying to sell in the parking lot.

#### Station 8:

- Around 7:00 ran out of filters and lead tests. Filters were delivered around 8:00 from the food bank trucks.
- Hourly reports were requested in the morning from volunteers but this information was not received as to the status throughout the day. Early inventory of supplies took between 1 hour-1.5 hours to receive in the EOC. We were not advised of low counts, just zero numbers.
- Reports received that the last couple of hours were slow.
- Residents were advised of the other sites and the opportunity to obtain supplies.

#### Restocking Plan

- United Way set up meeting with Food Bank to discuss.
- Had EOC meeting on this topic to discuss options.

#### Churches:

- All 9 churches received waters, filters, and informational bulletins.
- Lt Roach received positive feedback from 3 of the pastors.
- No complaints were received.

#### Signage:

- Provided information to SEOC on signage requirements at the fire stations.

#### Storage:

- Researched storage spaces; established temporary site at GCCARD.

#### Personnel:

- Lack of local EOC leadership (seems somewhat checked out) with IC and Deputy IC (doing an okay job).
- Captain TaFoya (Genesee County) helped tremendously today with all the plans outlined above and attended the press conference.
- Tina Martinez at the Food Bank and Matt Purcell at GCCARD were extremely helpful in getting last minute operations set up.

Chris

## Update 1/9/16

SitRep 4 attached for more in depth information. The below only contains some items worked on today and while the format in the attached SitRep is not perfect (it is created automatically by MICIMS) it does contain a lot more information you may want to read. I also attached one of our maps. It is our filter distribution map. All filters handed out by anyone working with us feeds into this now. We are continuing to refine these and at this time there is a delay in the upload of address data but we are working on it. We have a ways to go to get filters in every home but this will help direct us to those who need still them. We also are working on identifying abandoned homes.

Key items for tomorrow to note are:

- 9 churches will have ARC volunteers and filters for distribution. Some may also get water.
- 5 fire stations are a distribution point for water, filter systems/replacement filters, and water test kits. While only open today until 4 p.m., tomorrow and until further notice they are open from 9a to 9p.
- Media event will take place on the above tomorrow.

## Items to Note

- 211 has some issues with call load but it is being worked on. 2-1-1 Director contacted MDHHS PIO to discuss/resolve caller wait times and messaging. We anticipate an increase in activity tomorrow in 211 calls so we requested and received an increase to staff 211.
- We are shifting tasks the SEOC took on that are handled more effectively and efficiently at the local EOC. We have established command and control in their EOC. We are running things there but that is not being made public. We are *doing this in partnership but we are clearly handling the operation with state personnel oversight.*
- A 3rd FEMA LNO arrived today upon my request. This has nothing to do with a Presidential request for a declaration but support for some other items I want worked on for long term recovery.
- We continue morning calls with the local EOC leadership and local emergency manager on what our goals for the day are as well as any issues/concerns.
- Five 5 fire stations have received water, water filters, replacement cartridges, and water testing kits with American Red Cross personnel at each location to assist with delivery of resources and collection of addresses receiving them. These locations will be open from 9a – 9p daily until determined they are no longer needed. Those picking up water testing kits will be advised that they can return the test kits to the fire departments (where they will be picked up and taken to the Flint City Hall), the Flint Water Treatment Plant, or they can take them directly to the Flint City Hall. For those unable to return the kits, 211 can make arrangements for pick up the kits. We understand response to these sites has been positive thus far. The Genesee County EOC will be monitoring these supplies and request replacement of products as needed.
  - A call is going out tomorrow morning to advise this information ... I do not believe it was every resident but Tori Sachs has that info if needed.
- I approved a press release today to advise the public that all levels are working together to ensure delivery of filters, test kits and water; noting that all of these items were delivered to the 5 Flint fire department stations. It was *stressed that the public should be aware that the local and state agencies have been working cooperatively to assist the residents - and will continue to do so. This was done to hopefully end or at least minimize the “who can get water and filters out first” when all of this has been connected with the state and coordinated since the state declaration was put in place.*
- The arrangement of 2,000 filters, to be taken to 9 local churches on Sunday, January 10, is ongoing. The filters have been secured; they are now in the possession of the DTMB. DTMB will return to Flint on Sunday morning to deliver these to necessary locations. The American Red Cross will be on site at each church to assist with distribution and recording addresses (for GIS). The local EOC is working to ensure these arrangements are complete and run smoothly. Future engagement with the faith based community will occur to assist with additional distribution.
- A Flint City liaison has not been in the EOC but starting Monday this will be in place to keep the Flint Mayor apprised of activities being conducted in the city. She also has been advised she can call me at any time if she needs anything.

- Training has been confirmed for the door-to-door operation scheduled to start Tuesday. Four teams are initially scheduled with more to potentially be put in place. These are the teams that will be handing out water, filter systems/replacement filters, test kits and information. If nobody is home, a door hanger with information is being left. DHHS personnel and one MSP trooper will be on these teams.
  - Training will take place at 1 p.m. on Monday afternoon at the DHHS office on Clio Road. DEQ and DHHS will provide the training.
    - Training is so those going door to door can explain what the filters do, how to install them, if they need install help to call 211 who has a list of people who can install the filters, and answer any other questions versus just handing them the filter.
  - Hours of operation will be Tuesday through Friday from 8:30 a.m. to 5 p.m. AT THIS TIME. I am reevaluating these times to increase contact with someone versus just leaving information.
  - Logistics are being finalized for the teams and trucks to handle stocking and re-stocking of materials during daily operations.
  - GIS maps will provide guidance on deployment locations for these teams and other teams in the field.
- A pilot project at Freeman Elementary with LARA and DEQ has been initiated to see if replacing certain plumbing components in faucets at the school will drop the lead level.

#### MSP/EMHSD GIS Section Updates

##### Accomplished Today (January 9):

- Produced a Point of Distribution Map. Contains four types of distribution points; Churches, Water Resource Sites, Filter Distribution Sites, Water Distribution Sites.
- Produced Filter Distribution Map.
- Developed process of how best to handle geocoding the household filter locations, worked on processing the data.
- Worked on map of franchise customers outside of Flint City.
- Produced maps for MDARD on food establishments and Local Health Departments.
- Produced map of Church Filter Distribution map for DTMB.

#### Local Emergency Operations Center

- The state has deployed 10 personnel to the Genesee County EOC to ensure we have command and control at the local level. On 1/8/15 The state personnel took over the incident management functions of the Genesee County EOC (not public). The arrival of additional staff allowed the local Emergency Management Coordinator to delegate tasks which relieved a tremendous amount of stress.
- Additional Sherriff staff will be shadowing the state incident management team to allow for transition to the county personnel later in the incident when we are comfortable with them handling things. Not sure when that will be but we have secured a direct bill hotel for staff to stay in Flint as long as needed.
- With the additional staff, the Local EOC will be able to take over functions previously handled by the SEOC including:
  - Logistical activities to support church operations.
  - Logistical activities to support fire stations operations.
  - Coordinate Donations Management activities and draft donations management plan
  - Coordinate Volunteer Management activities
  - Identify local storage/staging facilities
  - Overall inventory tracking
  - Tracking of Points of Distribution (PODs)

Chris

---

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

Update 1/8/16

SitRep 3 attached.

There is a significant difference in what is being presented by the media and what the local EOC is relaying to us at the SEOC. *It is also being driven by the media that this is a state versus local response (who is providing more and quicker versus a coordinated effort between all).* That said, I advised SEOC personnel that perception is reality in some eyes and we are to move forward to address items that typically are addressed at the local level. I have ordered the SEOC open all weekend due to make the quick wins that we need and continue to get the coordination and collaboration in place that is needed (but make gains on our own as needed).

#### Items to Note

- Two FEMA LNO's arrived today and are in the SEOC. A third LNO was requested from FEMA due to some unique issues with this event to include having to deploy more of my staff to the local EOC to get more structure and/or find out why there is an issue with the message the media is showing versus what we are hearing from the local EOC
- We finally received from the local EOC 8 locations (we were told originally early in the week they had 80-90) that are their Points of Distribution (PODs) for water in conjunction with the local food bank. The PODs are not getting water *from the food bank even though the food bank has water. We are going to resolve this issue as we can help deliver the water to the PODs but we were not aware of this.* 8 PODs is not enough locations if water needs to be distributed to citizens. Speaking with the ARC Regional Administrator later today, I believe ARC got water to those locations but I need to confirm that in the morning. The food bank reported they had 376 cases of water.
- We have learned that a low number of residents are testing their water when DEQ can test 400 kits per day. This is an added focus that we believe can be increased through dissemination of test kits with the filters and any water.
- I found out the Mayor was okay with using fire stations as distribution points for water, filters, and water test kits. While this did not come to me through the local EOC, I advised we needed to get water, filters, and test kits to these locations for tomorrow. The distribution at 5 Flint Fire Department stations has been coordinated to be in place by 10:00 am tomorrow morning.
  - DTMB has provided a truck and driver to pick up water test kits from DEQ lab in Lansing, water from the Food Bank and water filters and replacement cartridges from GCARD in Genesee County.
  - 10 American Red Cross (ARC) volunteers will meet the DTMB truck at GCARD at 9:00 am to be provided information about filters. Instructions will be included in water test kits. They will then report to the 5 fire stations to assist in distribution of resources to the public and track addresses of same.
  - Residents will be told where they can drop off their water test kits, or that they can return them to the fire station the next day. Coordination will occur on pick up of water test kits daily to be taken to the Flint City Hall, who will then delivery them to the DEQ testing lab.
- *STILL FINALIZING* - We have made available 2,000 Filters for distribution on Sunday as parishioners leave mass/services. This will be 200 filters for 10 churches in Flint. While this is a small number of churches, we do not want to waste an opportunity to hand out filters and this seems like a quick way to so. The filters will be put on the DTMB truck on Saturday for delivery to TBD locations for distribution. Logistics remain undetermined as I am still waiting on a list of the churches, pastors/reverends/hours or services/etc. The DTMB truck will be returning to Lansing approximately 11:00 a.m. so we need to finalize this quickly on Saturday. We may utilize ARC to assist with this.
- The Recovery branch is working with the JIC to develop a door hanger card. DTMB is working on the printing portion of the hanger card. Recovery will also be finalizing logistics over the weekend for neighborhood canvassing to occur early next week. 40 volunteers have signed up to attend training on Monday afternoon to complete this task. The mission will be to deliver water sample kits along with water filters/replacement cartridges, and water.

- It appears that 211 has become overloaded. DHHS is researching ways to increase capacity for calls.
- A Volunteer Management Coordinator is in the Genesee County EOC as of today.
- A Donations Management Coordinator has been requested and she will be in the Genesee County EOC Saturday.
- DHHS had a conference call with GM today; they indicated they can provide cash, and supplies, but primarily manpower. No commitments were made at this point. We inquired as to availability of warehouse space and trucks. It was left as GM being a major resource pool that we can tap into as we determine missions. Further conversations will occur, but primarily GM just wanted us to know they are there if needed.
- An additional EMHSD staff member was sent to the Genesee County EOC to act as Operations Section Chief and obtain awareness of the situation there.
- GIS staff met with various parts of Genesee County/Flint personnel to try to get a handle on data available.
- GIS continues to work with local GIS personnel with three GIS staff going to Flint today to work with them. GIS staff is working with U of M on how best to proceed with digitizing water lines for long term recovery.

Chris

---

#### UPDATE 1/7/16

A summary of some of today's SEOC activities is provided below. Attached is the following:

- *Today's SitRep which contains more information than below.*
- The resource request/task assignment sheet for your situational awareness. This is how locals request resources as well as how we track resources and any assignments and/or tasks that are to be completed.
- *JIC Task Tracking – for your situational awareness on how we are tracking requests and assignments. Once someone is assigned a task or resource request it allows them to document what work has been or will be done as shown at the bottom of the document.*

#### **Items to note:**

- I received a document this evening from Genesee County which appears to be damage assessment information. Analysis of this will occur tomorrow. It appears to be infrastructure and costs to fix it and no other impacts.
- I spoke with Jamie Curtis, Genesee County Commissioner, this evening. A very good relationship is in place with him, especially with our District Coordinator (DC). I also have our DC working on developing stronger relationships with the Mayor/Mayor's office.
- GIS staff continue to obtain data and work with County and City personnel to get a picture of where resources have been provided, need to be provided, as well as infrastructure locations (pipes) that could be affected.
- Personnel and agencies have been tasked with developing a plan to get people in the community to deliver information, hand out filters, etc. This would target those areas we are showing minimal or no filter distribution based on the data we are collecting. The plan is to get them in the field by Tuesday and the plan will be provided to me tomorrow.
- Filters can be obtained at the following locations:

- Michigan Department of Health and Human Services office, 125 E. Union St., Flint, MI 48502
- Michigan Department of Health and Human Services office, 4809 Clio Road, Flint, MI 48504
- Genesee County Community Action Resource Department office, 2727 Lippincott, Flint, MI 48507
- Genesee County Community Action Resource Department office, 601 N. Saginaw, Flint, MI 48502
- Conducted briefing with local EOC and county executive.
- Conducted briefing with state agencies (daily updates).
- Began work to schedule legislative/congressional conference calls. Tentatively scheduled for 2 p.m. Friday.
- JIC continued to develop messaging.
- Provided input to local EOC regarding best methods of identifying health and non-structural impacts for damage assessment process.
- Deployed two EMHSD/SEOC liaisons to assist the local EOC.
- Published the Incident Action Plan and continued assignment of objectives/tasks.
- FEMA Liaison Officers just arrived in Lansing to assist command and general staff.
- I spoke with Harvey a few times and he should have talking points later tonight or tomorrow a.m. for his use and also for others who may speak to media outside of state government who may benefit from our messaging.
- We held a media round table at 1 P.M. at the SEOC. Dr. Wells and I spoke and answered questions to numerous media outlets.
- Local agencies and NGOs continue to provide water and filters to citizens.
- The website, [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater), was update with information and links to assistance to include 211. Additional recommendations were provided to include information on the testing water in homes.

#### EMHSD GIS:

##### Accomplished Today:

- Reproduced Socio-Economic Status Map
- Reproduced Predicted Affected Populations Map
- Cleansed old data and reports for water filter distributions
- Created draft map of water filter distributions (Refinement needed before releasing final product)
- Scheduled on-site visit with Flint GIS Department and Genesee County GIS Department
- Formatted databases to host content
- Researched service line database creation and scheduled meeting with U of M Flint to discuss timelines and resource needs
- Generated water infrastructure map (does not include building service lines)

##### Tasks for Tomorrow:

- Meet with Flint City GIS
- Meet with Genesee County GIS
- Meet with U of M Flint GIS
- Finalize water filter distributions map
- Finalize plan for data distribution methods

Chris

---

#### UPDATE 1/6/16

A summary of today's SEOC activities is provided below. I tried to distill this as best I could but there has been a lot of activity and discussion to get an accurate assessment of the situation. Attached is the final draft of objectives and tactics for the operational period and agency situation report (SitRep) which has more SEOC agency information. I have implemented weekly operational periods.

Advise if you want anyone else copied or off this distribution.

## Daily Update

- Set goals for SEOC and identified response/recovery emphasis
- Requested FEMA liaison officers (LNO) from FEMA Region V. Two LNOs will be on site by ~3 p.m. 1/7/16. Both are known contacts to me and some staff and one has worked extensively with me during the SE MI flooding in a command and control position. These personnel have been specifically tasked with this mission. **THEY ARE NOT HERE TO ASSIST WITH A PRESIDENTIAL DECLARATION REQUEST BUT TO ASSIST ME.**
- PIOs from multiple agencies were here and established the Joint Information Center (JIC). News released *pushed out on this. I am very happy with the PIO work and movement toward coordinated messaging.*
- Held briefing for State Agency Emergency Management Coordinators, which included presentations from DEQ and DHHS subject matter experts to ensure situational awareness and to develop a common operating picture.
  - I opened the briefing by identifying our initial goals, items to think about while subject matter experts were briefing us, and how we are to move forward, find quick wins, and regain trust.
  - **MDHHS – Elevated Blood Lead Levels**
    - Dr. Elizabeth Wells gave an in depth summary of lead poisoning and what has occurred in terms of health monitoring throughout the Flint crisis.
  - **MDEQ – Water Testing Protocols**
    - Mr. George Krisztian of MDEQ gave an in depth summary of the testing protocols and summary results that as they have developed throughout the emerging crisis.
- Developed Incident objectives, strategy and tactics (see attached)
- Identified SEOC and state agency staff positions
- Assigned work tasks for SEOC operation period from 0800 January 6, 2016 to 1700 January 8, 2016
- Reviewed planned actions, prepared final draft Incident Action Plan
- **Made contact with the Genesee County Emergency Manager first thing in the morning and held a conference call mid-day to discuss roles. Daily 0830 command conference calls with local EOC command staff starts tomorrow. Tomorrows call will include the County Commissioner and the City Administrator (both invited). Topics include the incident action plan objectives and establishing better local coordination, command and control to facilitate integration with the SEOC. The local EOC is not functioning as it needs to with personnel and local coordination and we are working on that issue.**
- I will be in Flint tomorrow for a 2 p.m. media round table with local officials that was set up by the JIC.
- The attached initial objectives will be updated at least every operational period and as needed. I listed the objectives below but the tactics to accomplish them is in the attached if you want further information.
  1. Activate the State Recovery Task Force (SRTF).
  2. Establish and maintain coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate medical experts.
  3. Obtain and maintain situational awareness and common operating picture of all activities.
  4. Establish SEOC operational period and hours of operations.
  5. Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program.
  6. Develop a comprehensive GIS strategy.
  7. Coordinate response and recovery activities with MIVOAD and identify potential mission areas.
  8. Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies.
  9. Provide technical assistance to the local Damage Assessment process.
  10. Establish a Joint Information Center (JIC) and develop a public information strategy.
  11. Monitor MI CIMS for resource requests and address as appropriate.
  12. Establish and disseminate cost center information for the incident.
- Additional tasks include:
  - Determine what federal agencies are already involved and their status
  - Identify potential water supplies

- Determine where affected homes are located, where filters/pitchers (and replacements) were installed/provided, and determine who needs filters, etc.
- Determine how filter distribution is handled, and if it can be handled more efficiently and effectively
- Determine what mechanisms are in place for nutrition supplementation

**EMHSD GIS Accomplishments:**

- Hosted a conference call to begin coordination with Flint City and Genesee County GIS departments and the SEOC
- Established a daily call with county and city GIS personnel to synchronize GIS efforts in support of the Flint water crisis at 8:30 A.M.
- Began consolidating local data from local GIS practitioners into a consolidated database, to include:
  - Water Pipeline Locations
  - Filter Distribution Locations
  - November 25, 2015 Water Monitoring Results (Partial, some data remains to be digitized)
  - Affected School Locations
  - Predictive analysis of blood lead levels for affected area
  - Updated Parcels
  - Demographics
  - Block Groups
- Produced a map for the filter distribution locations
- Began contacting specialists who developed historic maps depicting the Flint Water Crisis to obtain the data

**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** Update - Genesee County Declaration

Below are some key points for your situational awareness (FYSA) that have taken place or will take place within the next 15 hours.

- I was on the phone with Sean Kammer, Assistant to the Flint City Administrator, when the declaration hit the news so I advised him immediately. He was going to let the City Administrator know.
- I contacted MSP Lt. Roach, 3<sup>rd</sup> District Coordinator, who was at the Genesee County EOC and advised her to let the County EM know the declaration status.
- State Emergency Management Coordinators (SEMCs) were notified via our notification system with additional information in an email.
  - This included information on the SEOC activation and a 0900 briefing for SEMCs.
  - Some subject matter experts will provide us an update to establish a common operating picture.
- We have been in contact with FEMA Region V watch desk ... they will be on the call tomorrow and continue to monitor the situation.
- I have been in contact with the FEMA Region V Administrator to keep him updated.

- Operational period for the SEOC will be M-F, 0800 to 1700 at this time.
- Situation Reports (SitReps) will be provided in the evenings.
- An Incident Action Plan will be developed tomorrow.

Call me with any concerns or questions.

Chris

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 01/28/2016 08:00:00  
Operational Period End: 02/02/2016 08:00:00  
Situation Report No. 23  
SEOC Status: Full  
SEOC Hours of Operation Begin: 01/28/2016 08:00:00  
SEOC Hours of Operation End: 01/28/2016 20:00:00

## Executive Summary

SEOC Update:  
Accomplished today (January 28, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

Logistics:

- Processed requests (RRF's) for water, filters, replacement cartridges, pitchers, and pallet jacks from FEMA.
- Researched possible warehouse options with the local EOC, FEMA and General Motors.
- Warehouse inventory will be taken in liters for water and by each unit for other items (1/27).
- Secured donations of pallet jacks (so far) from American Logistics Aid Network. In discussions for warehouse space, staffing, and equipment.
- Reviewed, assigned, investigated, and updated resource requests.
- Received and handled resource requests for water/filters/cartridges.
- Provided supplemental staff for Donations Management.

JIC:

- Received an inquiry regarding potential scams being perpetrated on residents of Flint. This information was referred to the Attorney General's office for a possible news release and further action.
- Issued a media advisory and coordinated a press conference about recycling with Lt. Gov. Brian Calley at noon at Fire Station #1. Used social media to promote the event as it occurred.
- Staff attended a 3:00 pm community partnership meeting at the Red Cross office to help dispel rumors about immigration enforcement.
- Obtained a recording of the Governor's tele-town hall on 1/17/16 and will post this information on the michigan.gov/flintwater webpage and include a link in the nightly news release.

Recovery Branch:

- o Coordinated the data entry of the ARC paper tracking forms with Headquarters volunteers.
- o Worked with GIS to develop an area map and spreadsheet with addresses based on data specified as follow up required.
- o Coordinated daily assignments for the Flint Water Response Teams.
- o Operations for the Water Response Teams has shifted to a targeted effort to get filters into homes our data shows don't currently have filters.
- o Continued demobilization of trucks and vans.
- o City sections visited today: 2,3,9,10,11,17,19,20,23,28.
- o City sections scheduled tomorrow\*: Finishing routes from January 28.
- o 10 American Red Cross teams scheduled for Friday, January 29th.

\* Data is for 1/28/16 as of 5:00 pm:

- o Total homes visited:
  - 6,734 (round 3 total).
  - 1,768 (today).
- o Water cases:
  - 4,013 (round 3 total).
  - 1,479 (today).
- o Replacement cartridges:
  - 737 (round 3 total).
  - 394 (today).
- o Faucet filters:
  - 3,286 (round 3 total).
  - 1,409 (today).

Planning Section:

- Published Sit Rep # 23.
- Compiled list of answers for questions from the Governor's office.
- Worked on tracking of resources from PODs.
- Participated in local, SEOC, and daily distribution conference calls.

Operations Section:

- 55 Red Cross volunteers were active across the operation today.
- 70 event based volunteers were active across the operation today.
- Facilitated state agency and local briefing calls.
- Coordinating National Guard escort from Lansing to Flint.
- Coordinated water pitcher request for vulnerable population.
- Warehouse Numbers as of 1800:
  - Water (liters):
    - 231,504.
  - Filters (faucet):
    - 45,524.
  - Replacement cartridges:
    - 289,570.
  - Test Kits (prepped):
    - 19,368.
  - Test kits (un-prepped):
    - 0 (all supplies out to ARC for assembly).
  - PODs (1700 1/27– 1600 1/28).
  - Water (cases):
    - 9,120.
  - Filters (faucet):
    - 516.
  - Replacement Cartridges:
    - 809.
  - Filters (pitcher):
    - 207.
  - Test kits:
    - 361.

Finance Section:

- Provide financial information for meeting this afternoon.
- Continue to work on SEOC Staffing report.
- Work with other state agencies regarding procurement policies and procedures.
- Review donation as match guidelines for required 25% federal match.
- Log resource requests and update missing financials.

GIS Branch Updates:

- Created map of schools for LARA.
- Created map of healthcare facilities for LARA.
- Troubleshoot app issues with network connectivity.
- Created map of religious facilities for local EOC.
- Coordinated with U of M Flint on lead mapping (state work completed today, U of M will have their data ready next week and we will cross validate findings)
- Provided metrics and goals to command.
- Updated individual team assignment maps.
- Updated wall maps.
- Updated JIC maps.
- Coordinated with DNR on water test kit mapping.
- Migrated parcel content to a more stable database for long term storage and maintenance.
- Prepared for move to new building.
- Prepared wall maps of parcel statuses.
- Prepared stats for governor.

DTMB:

- DTMB Print & Graphic Services continues to provide translation of water documents and printing for water related documents.
- Created e-mail account for Donations Management and assisted with addition to SMART phone for user.
- Real Estate Division leasing manager provided assistance with potential secondary warehouse location.
- Working with Governor's Office to provide a tab on the Help For Flint website to capture vendors wanting to pitch their product/ideas.

DHHS-CH:

- The CHECC remains activated at a level 2 with communications being coordinated between GCHD EPC, Federal Coordinating Officers, MDHHS Leadership and the SEOC.
- Historical blood lead data is being obtained and an accurate display that is clear and understandable is in development.
- The Genesee County Health Department has requested assistance with risk communications. The Public Health Team lead will be in Flint tomorrow and will be able to assist with this request. The MDHHS will also provide technical assistance as requested.

DEQ:

- Requested Michigan Department of Corrections to continue support of sample transport from collection sites to the DEQ Laboratory through February 15, 2016.
- Provided direction to all involved in supporting the efforts with local public entities regarding the need for credentialing.
- Provided updated test bottle orders to EMHSD finance.
- Lead service line mapping completed by DNR GIS.

Local EOC Update:

- Planning for transition of operational control to local level.
- Discussed transition and demobilization of EOC support team with SEOC staff, Genesee County Sheriff's Office and Genesee County Emergency Management & Homeland Security
- Identifying and securing additional warehouse space.
- Coordinating rapid response deliveries to special locations.
- Coordinating vehicle and technology demobilization.
- Implementing recycling program. Press conference held with Lt. Gov. Calley.
- Coordinating in-kind and monetary donations through Michigan Community Service Commission.

- Coordinating volunteer management with Michigan Community Service Commission, ARC and other VOADs. Attended meeting with VOADs.
- Received donation of \$10,000 from Little River
- Continuously addressing public concerns over perceived fraud through door-to-door teams.

#### Incident Response/Recovery Priorities/Objectives

(Objectives are in order of priority with original objective number attached)

1. Ensure all households within impacted community have required resources.
2. Ensure accurate tracking and accounting of all commodities.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
3. Improve and maintain the public information strategy and process.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT and the FWICC
4. Develop a long term public health and services plan.
6. Develop an overview of possible assistance programs.
9. Enhance situational awareness and common operating picture of all activities.
5. Continue to maintain adequate staffing to support operational requirements.

#### Agency Summaries

##### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was expected to be operational in Flint from 8 a.m. to 8 p.m. on Jan. 28. The JIC was operational until 10:30 p.m. on Jan. 27.

State agencies at the JIC included the Michigan State Police, Michigan State Housing Development Authority, Michigan Economic Development Corporation, Michigan Community Service Commission, and Departments of Environmental Quality, Health and Human Services, Licensing and Regulatory Affairs, Technology, Management and Budget, and Military and Veterans Affairs. The Genesee County Sheriff's Office and American Red Cross were also present.

##### Tasks accomplished:

- Media hotline staff answered more than 20 emails and phone calls ranging from recycling to Spanish-speaking operators at 2-1-1.
- Received an inquiry regarding potential scams being perpetrated on residents of Flint. This information was referred to the Attorney General's office for a possible news release and further action.
- Key agency PIOs fielded multiple news inquiries throughout the day, including conducting or scheduling interviews with the Detroit News, Snopes.com, Bloomberg BNA, FOX 2, Supertalk 1570, WDIV Channel 4, and ABC 12.
- Assisted the Governor's Office with media photo op with Flint pastors at 10:30 a.m. at Flint City Hall.
- Issued a media advisory and coordinated a press conference about recycling with Lt. Gov. Brian Calley at noon at Fire Station #1. Used social media to promote the event as it occurred.
- Coordinated a live shot at Fire Station #1 with Channel 4 in Indianapolis. Six-thousand cases of water were donated by citizens of Indianapolis, IN, and were dropped off at the Clio Rd. warehouse.
- Staff attended a 3:00 pm community partnership meeting at the Red Cross office to help dispel rumors about immigration enforcement.
- Problem solved fact sheet printing issue with State Emergency Operations Center, Genesee County Emergency Operations Center, and Genesee County Health Department.
- Created a media monitoring report and looked for information requiring correction.
- Updated internal talking points about the ongoing Flint water emergency.
- Continued routing public information materials for approval, including communications from MDHHS and MDEQ.
- Obtained a recording of the Governor's tele-town hall on 1/17/16 and will post this information on the michigan.gov/flintwater webpage and include a link in the nightly news release.
- JIC is planning to issue the nightly activity news release around 7 p.m.
- Developed a dozen social media messages for use by state agencies to support operational messaging.

##### Agriculture and Rural Development (MDARD)

Thursday, Jan 28th -

The first water samples from food establishments have been returned; ( 8 reports received-50% 'not detected' and 50% at varying levels of lead detected from 2-21 ppb). MDARD is reviewing results and will be coordinating on next steps and requirements for those firms. Assessments of food businesses are continuing.

MDARD's Animal Health & Environmental programs is working on how to get information about pets and gardening / urban agriculture to people in the areas most impacted. We will coordinate public messaging with the JIC and have to coordinate with Local Health given the sensitivity and privacy concerns of residents.

MDARD plans to participate in a conference call with DEQ, LARA, DHHS, and MDE to discuss a common message regarding interpretation of water lead test results.

Question from Civil Rights re: cottage food producers - by legislation they are not licensed and do not have to register so there are no lists; MDARD will reach out to the areas where those businesses may be selling (generally farm markets)

##### American Red Cross (ARC)

The American Red Cross deployed and supported 10 Water Response Teams on Thursday. We expect to have 10 teams available tomorrow as well.  
The Volunteer Reception Center (VRC) was in full operation today. The VRC is scheduled to be open from 9am to 7pm today and tomorrow. The weekend schedule 9am to 3pm.  
We continued assembling water test kits today.

#### **Civil Rights (MDCR)**

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities.

\* Followed up with FEMA HHS rep. on 2-1-1 accessibility for pre-paid/minute mobile phone; aware and advised push for alternative messaging for the alternative line available 1-844-875-9211 has been ongoing discussion

\* Reviewed continuing media coverage of Genesee County Hispanic Latino Collaborative issues and concerns;

\* Continue to update list of area non-profits engaged in stabilization and recovery for 360 inclusion

\* Briefed on Michigan Civil Rights Commission/MDCR public hearings

\* Forwarded list of non-Christian/non-Flint proper religious institutions for verification as to GIS layer

#### **Community Health (MDCH)**

The CHECC remains activated at a level 2 with communications being coordinated between GCHD EPC, Federal Coordinating Officers, MDHHS Leadership and the SEOC.

Dr. Wells, the Chief Medical Executive will begin weekly communications with the healthcare community through webinars and/or newsletters. The first webinar is scheduled for Wednesday 2/3/16.

Historical blood lead data is being obtained and an accurate display that is clear and understandable is in development.

Dr. Barbara Reynolds, Senior Advisor for CDC Crisis and Risk Communication provided technical assistance with risk communication strategies and a training in Flint.

Dr.'s Lurie and DeSalvo will be visiting a WIC clinic in Flint tomorrow.

The Genesee County Health Department has requested assistance with risk communications. The Public Health Team lead will be in Flint tomorrow and will be able to assist with this request. The MDHHS will also provide technical assistance as requested.

#### **Corrections (MDOC)**

We continued to streamline operations at the warehouse to assure that PODs are well supplied. We will continue to keep trucks dedicated to delivering to individual PODs and have Rapid Responses ready for any POD that gets to a critical level of supplies.

14 Penske Trucks remain as of 1630.

333 Water Samples were collected and delivered to the DEQ Lab in Lansing.

MDOC had the following resources operational today.

(14) - MDOC employees

(6) - MDOC SAI prisoners w/Corporal

(1) - Passenger van w/driver

(1)- Regular Cab Pickup w/driver

(1) – F-250 Pickup

(5) – Box Trucks w/driver

(1) - 53' Refrigerated Semi-Trailer

(3) - Electric Pallet Jacks

(7) – Hand Pallet Jacks

(1) – Warehouse Manager

(1) – Warehouse Security Person w/vehicle

#### **Education (MDE)**

1. Provided spreadsheet to LARA, as requested, with detailed child care provider information for Genesee County.
2. Provided requested data to DHHS, with breakdown of students ages 5-10 that reside within impacted zip codes.
3. Uploaded spreadsheet to Activity Log from GISD with listing of student enrollment in all districts of students that reside within

impacted zip codes, by school district and age of enrolled students, ages 0 to 21+.

4. GISD is critical MDE partner in communication to local districts. 16,424 students that reside within impacted zip codes attend 35 Public/PSA districts in Genesee County. Nearly 11,000 of those students attend a district/entity other than Flint Community Schools. 1,424 are less than Kindergarten aged (0-4) and enrolled in Early On programming through GISD.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

Requested Michigan Department of Corrections to continue support of sample transport from collection sites to the DEQ Laboratory through February 15, 2016.

Provided updated test bottle orders to EMHSD finance.

Provided direction to all involved in supporting the efforts with local public entities regarding the need for credentialing.

Established procedure for participation of SEOC DEQ Representative in DEQ Emergency Coordination Center Planning Meeting.

Facilitated conversation with EMHSD and DNR-GIS reference statistical points relative to provided maps.

Lead service line mapping completed by DNR GIS

#### **Human Services (MDHS)**

Two Genesee Co MDHHS offices continue to be points of distribution for filtration devices.

Entered Resource Request for additional staff to assist MCSC with donations management.

CHECC continues to maintain a Level 2 Activation

#### **Licensing and Regulatory Affairs (LARA)**

-Updated the LARA Executive Team

-Finalizing Health Care Facility survey information and comparison.

-Continue working on translation of documents to various languages. Providing resources.

- Finalizing numbers for faucet project to include facilities regulated by LARA, DHHS and MDE.

#### **Military and Veterans Affairs (DMVA)**

Commanders Situation Report (SITREP)

1. DTG: 2813002016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC:1LT Roland, John G. Cell: 7 Email: john.g.roland2.mil@mail.mil.com

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. SITUATION OVERVIEW: 1-125 IN has 65 Soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has 65 Soldiers on ground supporting the mission.

7. OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.

a. LT Benke met with local city engineering yesterday in response to traffic signs at the PODs.

1.) Workers from the City of Flint determined that they do not have the capabilities to support the road sign warnings. Local EOC is working through the Genesee County Road Commission IOT have traffic signs placed at the requested PODs.

b. Unknown if Flint City Electricians assessed lighting around the outside areas of the PODs IOT fix lighting issues.

8. PERSONNEL: Soldiers are currently assigned to the POD operations. Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.

9. INTELLIGENCE / FORCE PROTECTION: No force threats have been identified.

10. LOGISTICS: Every POD has at least one fully functional pallet jack and dolly/handcart.

11. COMMUNICATIONS: No communications issues at this time.

P: 800 MHz radios issued to PODs and WRTs.

A: RRF cell phones alternate for WRTs.

C: Personal cell phone

E: Runner

## Klotz, Josephine (MSP)

**To:** Etue, Kriste (MSP)  
**Subject:** Thank you for your service

RICK SNYDER  
GOVERNOR

BRIAN CALLEY  
LT. GOVERNOR

### THANK YOU!

Fellow employees,

Each day, more than 46,000 state of Michigan employees come to work with the confidence and commitment to make Michigan a better place to live, work and play. I appreciate the way you care about the citizens we serve, and how it is reflected in the work that you do.

As you have heard from me and the media, our reputation and trust can be severely impacted when people do not make good decisions, or use good judgment in solving problems. That principle is universal, but never more so than when public health is at stake. What happened in Flint can never be allowed to happen again anywhere in our state.

I know that you want to work in a place where employee input is valued, efforts are recognized, and teams are always striving for continuous improvement. That's why we introduced employee surveys, Bureaucracy Busters and other reinvention initiatives. We want and deserve a culture of innovation, continuous improvement and employee engagement at every level. We can never take for granted how important the people are who depend on us to do our jobs, and I am asking you not to let the situation in Flint negatively impact your motivation to excel every day.

Many of you have taken an interest in helping the citizens of Flint on your own time, and I'd like to *take this opportunity to recognize and thank those who have volunteered over the last couple of weekends*. You have worked tirelessly to deliver cases of bottled water, water filters, replacement cartridges and water testing kits to the families in need. I appreciate you donating your time to help our fellow Michiganders. To date, more than 37,000 homes have been visited by one of our water resource teams.

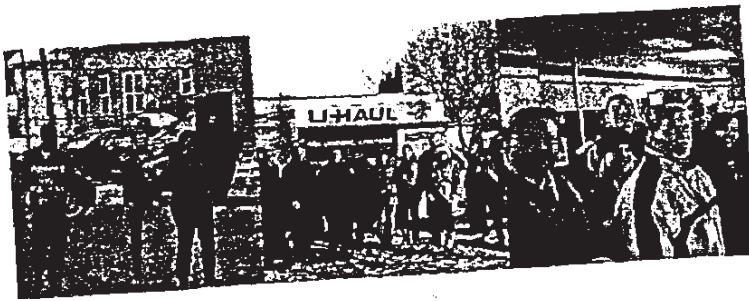

For employees who would like to further help the people of Flint, please visit [www.HelpForFlint.com](http://www.HelpForFlint.com) to learn how you can do so. For additional information and to sign up for daily updates, please visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater). I am committed to ensuring that all residents have access to safe and clean water.

Again, I'd like to express my gratitude for the work you do every day to continuously improve our state and earn the trust of those you serve. You make a real difference.

Thanks,

A handwritten signature of Rick Snyder in black ink.

Governor Rick Snyder

#### **State Police (MSP)**

1:36 p.m. The MIOC is monitoring a Facebook Post reference the next Flint City Council meeting which will be held on Wednesday, February 3, 2016, City Council Chambers, 3rd Floor, City Hall, 1101 S. Saginaw Street, Flint. There is a flyer making its rounds on Facebook stating: "We need the city hall packed. Even if you are just driving up and down Saginaw Street. Like back to the bricks."

(Also, on February 3, is the City Council Public Safety Committee Meeting from 6 p.m. – 7 p.m. same location)

The MIOC will continue to monitor this for additional information. This information was forwarded to the SEOC, Local EOC, along with the MSP Flint Post.

The MSP position within the SEOC will be staffed at MSP Operations at HQ. All e-mails to MSP-EOC-MDSP@michigan.gov are being forwarded to the Operations Lt. The phone number for the on duty Operations Lieutenant is 517-241-8000

#### **Technology, Management and Budget (MDTMB)**

Continue to provide DTMB management with daily updates and resource requests received.

DTMB Print & Graphic Services translating aerator fact sheet in Spanish and Arabic.

DTMB has five trucks/drivers assisting with delivery of supplies; three for the point of distribution sites and two assisting the food bank.

Asked to provide credentialing for contractors working on fixture replacement work at regulated facilities.

Providing a lockset at the JIC office space in Flint.

Warehouse is requesting additional supplies.

DTMB Real Estate worked with landlord of former Kroger store on Pierson Road in Flint to write up a month-to-month rental agreement.

#### **Transportation (MDOT)**

MDOT is providing traffic measures at Fire Station #6 on Pierson Rd. and Fire Station #3 on Martin Luther King Blvd:

-4 portable changeable message boards (2 each site).

-100 grabber traffic cones (narrow reflective cones) (50 each site)

MDOT continues to maintain situational awareness and respond to issues regarding equipment and road conditions.

# Flint Daily Blood Test Report

Week of February 1-5, 2016: Includes Zip Codes 48501 to 48507

The table on p.2 presents daily counts of the total number of venous or capillary blood lead test results for Flint residents in zip codes 48501-48507 received by MDHHS in the previous 24 hours. (Counts on each Monday of the week include the previous week-end.) Cumulative total counts are also provided for the week. These counts do not represent the number of individual people tested, as some individuals may be tested more than once per year. For information on the number of people tested per calendar year, please see the weekly Flint Blood Test Report (available at [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater)) that includes counts and percentage of tests with blood lead levels  $\geq 5$  micrograms per deciliter of blood by calendar year.

## Table Key

**# Tests:** the total number of venous or capillary blood lead test results received in the previous 24 hours.

**#  $\Rightarrow$  5:** the number of venous or capillary blood lead test results received in the previous 24 hours that were  $\Rightarrow$  5 micrograms per deciliter of blood

**#  $\Rightarrow$  5 new:** the number of those test results  $\Rightarrow$  5 micrograms per deciliter of blood that were from people not previously tested.

**%  $\geq$  5:** the percent of total tests received in the previous 24 hours that were  $\Rightarrow$  5 micrograms per deciliter of blood.

## **Environmental Investigations**

### ***Elevated Blood Level Environmental Investigations:***

Through 02/1/2016:

- 28 families contacted
- 25 EBL investigations completed
- 22 Water sampling completed
  - 10 Homes where water filters were observed
- 7 EBL Reports Received
  - 13 homes with lead dust hazards were identified
  - 5 homes with lead in soil hazards
  - 13 homes with lead-based paint hazards

- 9 homes with lead detected in tap water
  - 2 home with lead water levels greater than 15 ppb
- 1 investigations scheduled
- 10 applications received for the Lead Safe Homes Program
  - 2 family enrolled

**Filters distributed GCCARD/DHHS:**

	<b>Distributed Feb 1, 2016</b>	<b>Total Distributed Oct- Feb 1</b>
Brita Filters	5	13,193
Zero Water Pitchers	0	558
PUR Filters	15	271
Replacement Cartridges - Brita	10	3,719
Replacement Cartridges - PUR	23	678
Replacement Cartridges - Zero	5	434

**State Emergency Operations Center (SEOC) Update**

Data is for 2/1/16 as of 5:00 pm

- Total homes visited:
  - 11,876 (round 3 total)
  - 1,686 (total 1/31)
  - 1,164 (today)
- Water Cases (liters calculated by multiplying # of cases x 12):
  - 87,792 liters or 7,316 cases (round 3 total)
  - 13,932 liters or 1,161 cases (total 1/31)
  - 5,796 liters or 483 cases (today)
- Replacement Cartridges:
  - 1,866 (round 3 total)
  - 144 (total 1/31)
  - 473 (today)
- Faucet Filters:
  - 6,228 (round 3 total)
  - 407 (total 1/31)
  - 437 (today)

**Bureau of Disease Control, Prevention, and Epidemiology**

- Provided the April 2014 to date list of addresses of all children tested for lead in Flint to the CHECC for GIS mapping in the SEOC.

**Case Management**

- Case management DATA through 2/1/2016:
  - Contacted 190 (0-5 year olds) and 12 (6-17 year olds)
    - Offered case management services to 147 (0-5 year olds) and 8 (6-17 year olds)
  - Case management services provided to 27 (0-5 year olds) and 4 (6-17 year olds)
    - 16 (0-5 year olds) and 1 (6-17 year olds) billed to Medicaid

- 20 (0-5 year olds) and 1 (6-17 year olds) with 'Other' disposition, which includes moved out of county or out of state, or Case Management closed because child's lead level is testing <5.
- During a weekly call with Genesee County Case Management staff (2/2), the following challenges were raised from a Community Forum; Members expressed concern with navigating the FlintWater website and delays with 211 response.

#### **Flint Water Crisis: Michigan's Aging Network/Aging & Adult Services Agency**

- Prior to the State Declaration of Emergency on Jan. 5, Valley Area Agency on Aging (VAAA), in partnership with other local community agencies such as the Genesee County Community Action Resource Department and the Genesee County Health Department, participated in the local ad-hoc response to the local water crisis by helping organize local meetings and by distributed water and water filters to the Region 5 Planning and Service area home-delivered meals participants.
- **AASA Staff:** AASA has a staff person who supports the SEOC and serves as a liaison to VAAA.
- **Trusted Access Point/Call Center:** VAAA continues to serve as a trusted access point for calls from homebound seniors who need assistance with bottled water, water filters, or if they have other general questions. VAAA also makes referrals to other agencies who can provide other needed services.

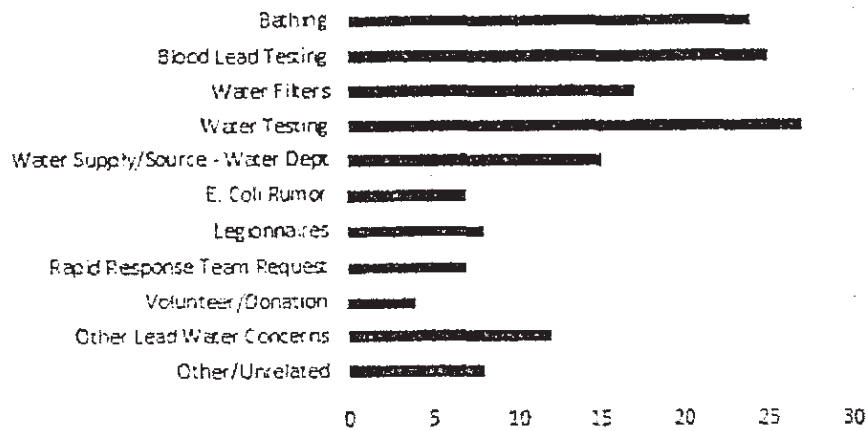

#### **Children's Services Agency (CSA)**

- **Actions:**
  - 89% visual confirmations of water filters (or otherwise confirmed as outside city of Flint water source) for all impacted foster care placement providers. Deadline 2/8/16
  - Genesee County Child Welfare Health Liaison Officer (HLO) reviewed lead testing information available on MCIR for 100% of foster children currently placed in Flint
  - Completed 100% of blood lead level testing for children placed at Whaley; results are pending
- Resources distributed by MDHHS child welfare staff (additional resources distributed by general services staff):
  - Water Filter Units: 63
  - Replacement Cartridges: 167
  - Test Kits: 45
  - Zerowater Pitchers: 32
  - Zerowater pitcher replacement cartridges: 24
- **Interagency Coordination/Communication:**
  - Written communication sent on 2/1/16 to all Child Welfare staff regarding expectation for water testing, follow up medical care for foster children, safety planning, and updated foster parents/agency agreement
  - Informational conference call conducted on 2/2/16 with the Business Service Center and county directors regarding the written communication sent on 2/1/16

#### **Outreach**

- The CHECC will be hosting the MDHHS Chief Medical Executive webinar tomorrow at 12:00PM for Genesee County healthcare providers titled: *An Introduction to the Health Implications of Lead Exposure*
- The CHECC have provided a Fluoride, Bottled Water, and Oral Health Prevention FAQ to the JIC

CHECC Hotline Call Issues 1-15 to 2-1

Governor Rick Snyder  
**REINVENTING MICHIGAN**  
Getting It Right. Getting It Done.

### In the News

Wednesday, Feb. 3, 2016

[NEWS \(Click the link to read the full article\)](#)

#### GOV's ACTIVITIES

##### *Flint water bill relief*

[Snyder wants \\$30 million for Flint water bills \(FOX 47\)](#)

Flint residents want the murky, lead-contaminated drinking water gone, and the bills too.

[Michigan Governor Rick Snyder plans \\$30 M credit for Flint water customers \(AP\)](#)

Michigan Gov. Rick Snyder will propose \$30 million in state funding to help pay the water bills of Flint residents facing an emergency over the city's lead-contaminated water supply.

[Governor proposes \\$30M to pay Flint water bills \(WSJM\)](#)

Governor Rick Snyder is proposing \$30 million in state funding to help pay the water bills of Flint residents facing an emergency over the city's lead-contaminated water supply.

[Governor seeking \\$30 million to reimburse Flint residents for water bills \(WDIV\)](#)

Gov. Rick Snyder is asking the Legislature to approve \$30 million in funds that would go to Flint to reimburse residents for the money they've spent on water that was improperly treated and in some cases has tested astronomically high for lead.

[Snyder plans \\$30M credit for Flint water customers \(Michigan Radio\)](#)

Michigan Governor Rick Snyder will propose \$30 million in state funding to help pay the water bills of Flint residents facing an emergency over the city's lead-contaminated water supply.

[Snyder seeking \\$30M to reimburse Flint water customers \(Detroit Free Press\)](#)

Gov. Rick Snyder plans to announce Wednesday he will ask the state legislature to approve a \$30-million water payment relief plan for Flint residents to keep their water service on and reimburse them for water they cannot drink because of a lead-contaminated water supply, according to a document reviewed by the Detroit Free Press.

[Snyder proposing \\$30M to help pay Flint residents' water bills \(MLive\)](#)

Gov. Rick Snyder is proposing \$30 million in state funding to help pay residents' water bills in Flint water crisis.

##### *DPS Emergency Manager*

[State Manager for Detroit Schools Leaving Job Months Early \(AP\)](#)

Criticized on two fronts for his role in Flint's lead-tainted water crisis and his handling of teacher sick-outs and building conditions in Detroit's troubled public schools, Darnell Earley has decided to step down from his job as the state-appointed emergency manager for Michigan's largest school district before the end of his 18-month term.

Gov. Rick Snyder says emergency manager Darnell Earley to leave troubled Detroit schools early (AP)

Gov. Rick Snyder says emergency manager Darnell Earley to leave troubled Detroit schools early.

DPS emergency manager Darnell Earley to step down (Detroit Free Press)

Embattled Detroit Public Schools emergency manager Darnell Earley, who has faced increased criticism for his management of the district and his role in the Flint water crisis, is leaving his job Feb. 29. Gov. Rick Snyder will appoint a transition leader by the end of the month.

CEO to take over academics of four East Detroit schools (Detroit Free Press)

The state will appoint a chief executive officer to oversee four chronically low-performing schools in East Detroit Public Schools.

Ex-Flint manager Earley shrugs off U.S. House subpoena (Detroit Free Press)

Sources told the Free Press on Tuesday night that a congressional committee voted to subpoena former Flint emergency manager Darnell Earley to testify on the city's water crisis but that he has refused service.

New DPS manager needs Detroit's trust (Detroit News)

The calls for the resignation of the Detroit Public Schools emergency manager escalated to a fever pitch in recent weeks. And Darnell Earley got the message, letting the governor know Tuesday he'll step down at the end of the month. It was the right decision.

DPS Emergency Manager Darnell Earley out at end of month (Fox 2)

Detroit Public Schools Emergency Manager Darnell Earley has informed Gov. Snyder he is planning to leave his position at the end of the month, Gov. Snyder's office confirmed in a news release. You can read Earley's letter in full below. Earley is also the former Emergency Manager of the city of Flint, which is now under national scrutiny over its contaminated water system. While Earley was Flint's emergency manager, the city switched from Detroit's water system back to Flint's to cut costs. High lead levels have since been detected in Flint resident's tap water.

Detroit Public Schools EM Darnell Earley resigns from position (WDIV)

Detroit Public Schools (DPS) Emergency Manager and former Flint city emergency manager Darnell Earley will resign from his position at DPS this month. Earley will resign on Feb. 29, according to Gov. Rick Snyder's office.

Darnell Earley has resigned as DPS emergency manager (ABC 7 WXYZ)

Sources tell 7 Action News that Darnell Earley has resigned as emergency manager of Detroit Public Schools. The resignation will be effective February 29, according to a statement from the governor's office. "Darnell has done a very good job under some very difficult circumstances.

Flint's Former Manager Resigns as Head of Detroit Schools (New York Times)

The state-appointed emergency manager of the Detroit Public Schools, who had also managed the city of Flint and oversaw its decision to draw its water from the Flint River, resigned on Tuesday, the day before a congressional committee hearing in Washington on Flint's water.

Detroit school system's manager to step down this month (Reuters)

Detroit Public Schools' emergency manager Darnell Earley is stepping down later this month, Michigan Governor Rick Snyder said on Tuesday. Earley, who has drawn criticism from the teachers union and black state lawmakers for the crumbling state of the city's schools, will leave the school district on Feb. 29, the governor said in a statement.

Controversial Emergency Manager Of Detroit's Public Schools Resigns (NPR)

A Michigan emergency manager tied to two major controversies has resigned from his current post running Detroit's public school district. Darnell Earley has faced escalating criticism over poor conditions in Detroit schools. Before that, he ran the troubled city of Flint. As Michigan Radio's Rick Pluta reports:

Earley To Be Out The Door Early As Emergency Manager of Detroit Public Schools (Daily Detroit)

The Emergency Manager of the Detroit Public Schools and former Emergency Manager of the city of Flint, Darnell Earley, will be leaving office on February 29, 2016, says the Governor's office. His term was to end in June. This does not mean the end of emergency management for the district. Governor Rick Snyder will announce his appointment of someone to lead DPS by the end of the month.

Darnell Earley, current DPS EM, ex-Flint EM, to step down (Michigan Radio)

The controversial emergency manager of the Detroit Public Schools will step down at the end of this month, Gov. Snyder's office announced Tuesday. Snyder faced growing pressure to get rid of Darnell Earley.

Detroit Schools' Emergency Manager to Step Down (Wall Street Journal)

Embattled Detroit Public Schools emergency manager Darnell Earley will step down from his post at the end of the month, departing from the cash-strapped school district after just over a year and leaving the system's next steps in the hands of another state appointee.

Detroit Schools Emergency Manager Darnell Earley Will Step Aside Early (Deadline Detroit)

"Darnell Earley was a complete disaster as the Emergency Manager of Detroit Public Schools and the City of Flint," says Ron Bieber, President of the Michigan AFL-CIO, in a statement. "But let's be clear, Rick Snyder is the one who's ultimately responsible for Earley's failures in Flint and Detroit."

The Detroit schools emergency manager resigns after a month of 'sick-outs' and stomach-turning images of decay (Business Insider)

Detroit Public Schools (DPS) emergency manager Darnell Earley announced he will step down at the end of February, The Detroit Free Press reported.

Darnell Earley, head of Detroit schools and former Flint EM, resigning (MLive)

Darnell Earley, the state-appointed emergency manager of Detroit Public Schools who also ran Flint government during that city's ill-fated water system changes, is resigning.

Detroit school system's manager to step down (Aljazeera)

Detroit Public Schools' emergency manager Darnell Earley is stepping down later this month, Michigan Gov. Rick Snyder said on Tuesday.

Detroit Public Schools emergency manager steps down (FOX 28)

In Michigan a controversial official is stepping down after Detroit teachers called for his removal last week.

Detroit Public Schools Emergency Manager Darnell Earley Resigns (WDET)

Detroit Public Schools Emergency Manager Darnell Earley announced Tuesday he will step down at the end of this month.

SRO Announcement

4 East Detroit schools to get CEO to boost academics (The Detroit News)

Thirty Michigan schools, including 12 Detroit Public Schools, will be removed from the state's list of the lowest performing schools, Gov. Rick Snyder announced Tuesday.

### 30 Michigan schools no longer among state's lowest performers (MLive)

Thirty Michigan schools will be removed from the state's list of lowest performing schools after making academic strides, Gov. Rick Snyder's office announced Tuesday.

### Three downriver schools remain on state's Priority Schools list (The News Herald)

Three Downriver schools remain on the state's Priority Schools list after Gov. Rick Snyder's office announced today that 30 schools were being removed due to significant improvement in education

### FOIA

#### Amid the Flint water crisis, journalists are calling for changes to Michigan's FOIA law (Poynter)

When Michigan Gov. Rick Snyder released emails related to the ongoing water crisis in the city of Flint earlier this month, he was under no obligation to do so. Michigan is one of only two states in the country (Massachusetts is the other) where the state's Freedom of Information Act excludes the governor's office from public records searches. Missing from Gov. Snyder's voluntary 274-page disclosure were emails from before 2014, when the governor-appointed emergency manager in charge of Flint made the decision to switch the city's water source from Detroit public water to the Flint River, a poorly-managed transition which resulted in the lead poisoning of thousands of Flint residents.

### The Struggle for Accountability in Flint (Boston Review)

What is unfolding in Flint, Michigan, is not just a public health crisis. Faith in the public sector, too, is at risk of being irreparably shaken. Lead-contaminated water has flowed since the spring of 2014 into this city of roughly 100,000 people, despite residents' repeated complaints. Several investigations and class-action lawsuits are underway, highlighting the contempt in which the people of Flint were held by the very state officials tasked with protecting their safety. Governor Rick Snyder has apologized and promised support not just to fix Flint's corroded pipes, but also to expand special education and mental health services.

### Flint Water

#### Neither party wants Rick Snyder to resign over Flint (Michigan Radio)

If you've turned on any TV news channel today, my guess is that you saw experts talking about the meaning of the Iowa caucuses. I watched more of that than I intended to, and discovered that the single best assessment did not come from one of the glamorous talking heads, but from a former congressman who is going to be 90 years old this summer.

### Governor Snyder signs \$28M in aid for Flint (Leader Call)

The state has come under fire for its handling of the Flint water crisis up until now, with some demanding Snyder's resignation. Rick Snyder doesn't want you to know which corporations are paying to salvage his reputation in the wake of the lead poisoning of Flint's children under his watch.

### Gov. Rick Snyder taking 'baby steps' on Flint water crisis, Michigan senator accuses (MLive)

Senate Minority Leader Jim Ananich sent a letter to Gov. Rick Snyder over the weekend asking for the thing he says Flint residents need right now: swift action to address the Flint water crisis. "I'm tired of spin. I'm tired of meetings saying they're going to do things," Ananich said at a press conference Tuesday morning.

### Fieger lawsuit targets Flint hospital and Snyder administration on behalf of Legionnaires' patients (ABC 7 WXYZ)

Attorney Geoffrey Fieger has filed a \$100 million lawsuit on behalf of four Genesee County residents who contracted Legionnaires' disease at McLaren Hospital during the Flint water crisis. According to the lawsuit, one of those residents, 58-year-old Debra Kidd, died from Legionella pneumonia on August 2, 2015.

### Fieger Files 100 Million Dollar Lawsuit Against Snyder Administration And McLaren Hospital For Legionella Outbreak And Flint Water Crisis (PR Newswire)

Attorney Geoffrey Fieger announced today he has filed a one hundred million dollar lawsuit on behalf of four Genesee County residents who contracted Legionnaires' disease while being treated at McLaren Flint Hospital during the Flint

water crisis. One of the residents was 58 year old Debra Kidd, who died from *Legionella pneumonia* on August 2, 2015, just seven days after she presented to the McLaren Flint ER with a headache.

#### *Bill Signings*

Gov. Snyder okays personal emergency information on state IDs (AP)

Laws enacted by Gov. Rick Snyder will let Michigan residents have their emergency contact information linked to their driver's license or state ID.

Snyder signs law linking emergency contact to your ID (WWMT)

Governor Snyder has signed legislation that will allow you to link emergency contact to your ID.

#### *MISC.*

Snyder plan to fight Great Lakes algae draws criticism (The Detroit News)

Michigan Gov. Rick Snyder's plan for helping reduce the spread of algal blooms in the Great Lakes fails to go far enough, according to several conservation groups. In November, state officials rolled out their plan for reducing the amount of phosphorus that reaches the lakes and helps generate the green blooms that foul beaches and interfere with boating. Algae has become particularly problematic in Lake Erie, where it contaminated Toledo's water supply in 2014.

#### **FLINT**

U.S. Rep. Kildee plans to testify before Congress on Flint water (Mlive)

U.S. Rep. Dan Kildee says he will testify before the House Committee on Oversight and Government Reform on the Flint water crisis Wednesday, Feb. 3. Kildee's announcement comes amid reports by The Detroit Free Press and others that former Flint emergency manager Darnell Earley may not testify after having been called to by the House committee.

FBI Investigating Flint Lead Poisoning Scandal (Patch)

The FBI has joined the investigation into the Flint lead-poisoning scandal, federal prosecutors and others have confirmed. FBI Detroit field office spokesman Jill Washburn told The Detroit News the agency has been investigating the manmade public health catastrophe "for a while" to "determine if there are any federal violations."

FBI joins Flint drinking water investigation (Detroit Free Press)

The FBI is now investigating the contamination of Flint's drinking water, a man-made public health catastrophe, which has left an unknown number of Flint children and other residents poisoned by lead and resulted in state and federal emergency declarations. Gina Balaya, a spokeswoman for the U.S. Attorney's Office in Detroit, told the Free Press Monday that federal prosecutors are "working with a multi-agency investigation team on the Flint water contamination matter, including the FBI, the U.S. Postal Inspection Service, EPA's Office of Inspector General, and EPA's Criminal Investigation Division."

New class-action takes aim at alleged Flint water 'conspiracy' (Mlive)

A new class-action lawsuit has been filed claiming state and local leaders conspired to deny any trouble with the city's water supply while discriminating against residents by providing clean water to state office workers here.

Flint mayor calls for immediate removal of lead pipes (Detroit Free Press)

Flint Mayor Karen Weaver is expected to call for immediate action to remove lead pipes from the city's water distribution system at a news conference, city officials announced Tuesday. Weaver is expected to make the announcement alongside Baltimore Mayor Stephanie Rawlings-Blake, Lansing Mayor Virg Bernero and former Atlanta Mayor Shirley Franklin and community members at City Hall.

Flint residents headed to Washington, D.C., for hearing on water crisis (Mlive)

A group of Flint residents who want to be heard in Washington, D.C., will leave Flint tonight.

Organizers want people who are impacted by the Flint water crisis to be able to tell their stories during the U.S. House Committee on Oversight and Government Reform hearing.

Prominent Baltimore attorney brings class-action lawsuit against Flint officials over water contamination (The Baltimore Sun)

Prominent Baltimore attorney William H. "Billy" Murphy Jr. — who recently won a \$6.4 million settlement for the family of Freddie Gray — has brought a federal class-action lawsuit against state and local officials in Flint, Michigan over the contamination of the city's drinking water.

## DETROIT

East Detroit Public Schools to fall under state control for academics (Macomb Daily Education)

A chief executive officer will soon be named to oversee academics in East Detroit Public Schools after years of chronically low student achievement, state officials said Tuesday. The CEO will have jurisdiction over all instructional and financial decisions of four of the district's seven schools for the next three years along with the superintendent, according to the State School Reform Office.

House speaker bashes Detroit teachers union after emergency manager announces resignation (MLive)

House Speaker Kevin Cotter, R-Mt. Pleasant, tore into the Detroit teachers union Tuesday in a statement issued after Gov. Rick Snyder's office announced the resignation of Darnell Early, who's led Detroit Public Schools since January 2015.

Flint's former emergency manager subpoenaed (KRDO)

Darnell Early sent a letter to Michigan's governor Tuesday announcing his resignation from his role as emergency manager of Detroit Public Schools. Hours later officials in Washington sent him a different kind of message: a subpoena.

Mayor Duggan expands effort to get Detroit teens to work (WXYZ)

Detroit Mayor Mike Duggan is expanding an effort to put teens to work this summer.

The Latest: Teachers' Union Wants Local Control for District (ABC News)

The Detroit teachers' union president says emergency manager Darnell Early's decision to step down is a step in returning the district to local control. Ivy Bailey said Tuesday that "appointing another emergency manager won't fix Detroit's education crisis."

Detroit mayor announces reduction in property assessments (Mining Journal)

Mayor Mike Duggan announced a drop in residential property assessments for about 95 percent of Detroit residents after years of cost complaints from angry homeowners.

## DEPARTMENTS

### AG

FBI Joins Investigation of Flint Water Lead Contamination (AP)

The FBI is working with a multi-agency team investigating the lead contamination of Flint's drinking water, alongside Environmental Protection Agency investigators who can tackle criminal violations of federal environmental law, officials said Tuesday. Several local, state and federal officials have resigned since doctors revealed last year that using the Flint River for the city's drinking water supply caused elevated levels of lead in some children's blood. Lead contamination has been linked to learning disabilities and other problems. Michigan's governor has apologized repeatedly for the state's role.

Michigan attorney general seeks public input on Mackinac Straits pipeline risks (Legal Newline)

Michigan Attorney General Bill Schuette has announced the state will seek public input on proposal drafts from environmental and engineering experts completing risk and alternative studies on the Mackinac Straits pipeline known as Enbridge Energy's Line 5.

Michigan attorney general issues warning about Flint water scams (WDIV)

Michigan Attorney General Bill Schuette on Tuesday issued a warning about scams relating to the Flint water crisis. Schuette said two common scams involve charitable giving and home and business repairs.

Why is the FBI getting involved in Flint? (Christian Science Monitor)

Multiple federal agencies are now involved in a criminal investigation into the Flint, Mich., water crisis. Gina Balaya, a spokeswoman for the US Attorney's Office in Detroit, said in an email to media that federal prosecutors in Michigan are "working with a multi-agency investigation team on the Flint water contamination matter, including the FBI, the U.S. Postal Inspection Service, the EPA's Office of Inspector General ... and the EPA's Criminal Investigation Division."

65 untested rape kits in Ann Arbor connected to cases concluded by other means, police say (MLive)

The 65 untested rape kits in Ann Arbor Police Department are connected to cases that were concluded by other means, police say.

Michigan attorney general issues warning about Flint water scams (Click on Detroit)

Michigan Attorney General Bill Schuette on Tuesday issued a warning about scams relating to the Flint water crisis.

Ypsilanti's 30 untested rape kits tied to complete or disputed cases (MLive)

The 30 untested rape kits in the Ypsilanti Police Department are part of cases that are completed or disputed, police say.

DEQ

FBI joins Flint water contamination probe (AP)

The FBI is working with a multi-agency team investigating the lead contamination of Flint's drinking water, alongside Environmental Protection Agency investigators who can tackle criminal violations of federal environmental law, officials said Tuesday.

Flint water crisis provides battle cry in local environmental fights (MLive)

Bursting into cheers at every mention of Flint, a crowd of Southfield residents angrily expressed opposition to a proposal to drill for oil in a residentially zoned area Monday night. It was the second time in five days that a large crowd of Metro Detroiters gathered over fears of environmental contamination, pointing repeatedly to the Flint's water crisis as an example of disaster caused by flawed state regulation.

EPA lays out future plans in Flint water crisis (MLive)

The U.S. Environmental Protection Agency is in Flint and plans to stay for the long haul as it works on testing water at homes and ensuring the city's infrastructure is repaired.

Arbor Hills odors lead to violation, construction (Hometown life)

Construction to replace existing gas wells and add new ones at the Arbor Hills Landfill — which also has a proposal to expand — is underway, a move expected to reduce odors that nearby homeowners have complained about. "I've gotten quite a few complaints last week and through the weekend and yesterday," said Tom Casari, Northville Township public services director. "They are coming from everywhere on the west end."

DHHS

Leadership class to help give foster children, parents more comfortable visit room (Petoskey News)

People who use the visitation room at the Michigan Department of Health and Human Services in Petoskey are probably not thinking about worn-out furniture or sparse wall decorations. It is more likely they have other, more important things on their minds. Like spending quality time with their children.

"The visitation room is used to facilitate visits between foster children and their parents and other family members.

State has fewer goals to end child welfare system oversight (9&10 News)

The FBI is now investigating the contamination of Flint's drinking water, a man-made public health catastrophe,

which has left an unknown number of Flint children and other residents poisoned by lead and resulted in state and federal emergency declarations.

Flint rashes: State, U.S. agencies to investigate cause (Detroit Free Press)

The Michigan Department of Health and Human Services has begun to investigate the rashes that have plagued many Flint residents since the city changed its water source to the Flint River in 2014.

DTE Energy asks state of Michigan for Ok to raise rates (Detroit Free Press)

DTE Energy has asked the state of Michigan to raise its electricity rates.

## SOS

Tesla looking to overturn Michigan's franchised dealership law (The Verge)

Though Tesla is applying for a car dealership license with the State of Michigan, the company has no plans to begin franchising dealerships in the state, the company says in a statement. Yesterday, it was reported that Tesla had applied with the Michigan Secretary of State for a "Class A" license to "buy and sell new vehicles under a franchise agreement or a contract with a new vehicle manufacturer." That would be fine, except Tesla is the manufacturer of the vehicles in question.

Tesla Motors applies to sell, service cars in Michigan (CBS New York)

Tesla Motors has applied for licenses to sell and service its vehicles in Michigan

Deadline to register to vote in March primary is next Monday (94.9)

The deadline to register to vote in Michigan's presidential primaries is fast approaching. The Michigan Secretary of State's office warns it's next Monday.

## LEGISLATIVE

Senate minority leader says Governor must take "real estate" in Flint (WILX)

Many state lawmakers aren't holding back their feelings about how Governor Rick Snyder handled Flint's water crisis.

State couldn't advertise for 'Healthy Michigan' Medicaid expansion under bill (MLive)

The state Department of Health and Human Services would have to stop spending \$2 million per year on advertising for the Healthy Michigan plan under a proposal the Senate Health Policy Committee considered on Tuesday.

75 mph speed limit green light by Michigan House panel (MLive)

Speed limits on some Michigan freeways could eventually reach 80 miles per hour under a package approved by the House Transportation and Infrastructure Committee Tuesday.

Tax credits for charitable donations may be restored (Detroit Free Press)

Five years after tax credits for a wide variety of charitable contributions and other expenses were eliminated as part of Gov. Rick Snyder's tax reform policies, the Michigan Legislature began taking action Tuesday to restore those credits.

Michigan bills aim to make sick-outs illegal strikes (Detroit Free Press)

Frustrated by teacher sick-outs that have caused the closure of dozens of Detroit Public School buildings since the beginning of the year, the Senate Education Committee voted Tuesday to make it easier to determine that a sick-out is an illegal strike and to punish the teachers and school districts that participate.

Michigan lawmakers may raise speeds on rural highways (Detroit News)

The speed limit could jump to 75 mph on some 600 miles of rural highway in Michigan — and possibly even higher on portions of two heavily traveled interstates — under a measure a committee sent to the state House on Tuesday.

## OPINION

Editorial: Earley is out, but Detroit kids still need help (Detroit Free Press)

And just like that, Darnell Earley is heading out the door.

Miller: 'No' to nuclear waste near Lake Huron (Detroit News)

The United States and Canada have long shared an appreciation for the vital role the Great Lakes play in our economic and cultural lives and history — and a commitment to preserve and protect the Lakes for generations to come.

Editorial: New DPS manager needs Detroit's trust (Detroit News)

The calls for the resignation of the Detroit Public Schools emergency manager escalated to a fever pitch in recent weeks. And Darnell Earley got the message, letting the governor know Tuesday he'll step down at the end of the month. It was the right decision.

Letters: Readers on Snyder record, Flint responsibility (Detroit News)

Re: Paul W. Smith's Jan. 30 column in The Detroit News "Don't forget Snyder's good work": I'm not a Smith fan, but now I'm echoing him all the way. His column on our governor is the first clear, fair accounting on the subject I've seen since the Flint water debacle became public.

New DPS manager needs Detroit's trust (Detroit News)

The calls for the resignation of the Detroit Public Schools emergency manager escalated to a fever pitch in recent weeks. And Darnell Earley got the message, letting the governor know Tuesday he'll step down at the end of the month. It was the right decision.

MIRS MIDDAY UPDATE: Snyder Calls For \$30M To Pay For Flint Residents' Water Bills -- 12 p.m.  
[http://www.mirsnews.com/alert.php?alert\\_id=2182](http://www.mirsnews.com/alert.php?alert_id=2182)

---

Flint residents would receive a state credit on their water bills from April 2014 to whenever their tap water is safe to drink, under a \$30 million plan Gov. Rick SNYDER announced this morning.

Residents would still need to pay for the sewer portion of their bills under Snyder's plan, but would be cleared from having to paying the "consumption" charge, which is roughly 65 percent of the total bill.

The proposed "Consumption and Consumer Use Credit" will be formally presented to the Legislature when Snyder unveils his Fiscal Year (FY) 2017 budget recommendation on Feb. 10. The credit would not take effect until the budget goes through the full state budget process, including vetting and approval by House and Senate committees as well as a vote of both chambers, according to a release from the Governor's office.

"I agree with Flint residents, that they should not have to pay for water they cannot drink," Snyder said.

Marc EDWARDS, the Virginia Tech University researcher whose findings of lead being in Flint's water supply sounded the alarm on the severity of Flint's situation, was quoted in the Governor's press release.

He called it an "amazing gesture of common sense and good will and it corrects an injustice.

"I feel so encouraged by the direction this is going," he said.

Senate Majority Leader Arian MEEKHOF (R-West Olive) said he is open to the Governor's request, noting that the Legislature is willing to consider anything that can be proven to help the city and its residents address the fallout from the water crisis.

"We're going to have a very, very open and frank discussion about it," he said.

Senate Minority Leader Jim ANANICH (D-Flint) said he appreciates the fact that the Governor is realizing requiring citizens to pay for bad water is unfair. However, he said estimates he's heard from local officials on drinking water usage costs are likely closer to \$60 million since the switch happened.

"It's very difficult to put a percentage on the problem -- I think if the true cost is 60 million, then we need to work towards that," he said. "I think that's the only thing that's fair for the taxpayers."

Ananich added that he believes the funding should come in a supplemental instead of moving through the budget process.

In other news today, Ananich proposed that the state cancel an \$80 million annual tax credit to insurance companies that came about as part of a "drafting error" in 2012 and direct that money to replacing Flint's corroded lead pipes.

Ananich also said he believes the Governor's plan should cover the entirety of Flint residents' water bills since no one has a firm handle on when and how the water could have been safely used. It's better, he said, to give Flint residents "the full credit they are due -- and not factor a percentage on their safety."

"The Governor is right to take on this problem of unfair bills," Ananich said. "I hope he's willing to work with me to get this legislature to act more swiftly and secure resources to fully address all facets of this crisis."

The Governor and Legislature have already directed \$28 million in emergency money to Flint last week in addition to \$9.3 million approved in October to move Flint's water supply back to Detroit's system, among other expenses.

### FLINT WATER RESPONSE TEAM

UPDATE | WEDNESDAY, FEBRUARY 3, 2016

This daily update is being issued in order to provide the latest information regarding actions and available resources.

#### Governor Snyder proposes \$30 million for Flint water bill repayments

“I agree with Flint residents, that they should not have to pay for water they cannot drink.

My budget recommendation will include the request for the state to make payments to the city's water system for residential bills going back to April 2014.”

— Rick Snyder

[www.mi.gov/FlintWater](http://www.mi.gov/FlintWater) | [www.HelpForFlint.com](http://www.HelpForFlint.com)

When Governor Rick Snyder presents his budget recommendation next Wednesday, Feb. 10, he will include a \$30 million request for the residents of Flint to keep their water service on and eliminate the need to pay for water they cannot completely trust to drink.

The credit would be applied to consumption usage (roughly 65 percent) of a resident's water portion of the bill.

Professor Marc Edwards of Virginia Tech said, "This essentially refunds all the money associated with consumption or consumer use. I think it's an amazing gesture of common sense and good will and it corrects an injustice. I don't think there's a precedent for this. I feel so encouraged by the direction this is going."

#### [Click here to learn more about the \\$30 million budget recommendation.](#)

Flint families need critical clean water resources. Since January 9, the state has distributed:

- 244,933 cases of bottled water
- 101,911 water filters
- 205,820 replacement cartridges
- 33,561 water testing kits

#### REMINDERS

- For Flint water assistance: Dial United Way 211 or visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)
- To donate or volunteer: visit [www.HelpForFlint.com](http://www.HelpForFlint.com)

- Residents should install filters to their taps to ensure they have immediate and ongoing access to safe water. Only run cold water through the water filter and use filtered water for drinking and cooking. Monitor the cartridge on the filter and replace as needed.

#### WATER RESOURCE LOCATIONS

These sites are open seven days a week from 9 a.m. to 9 p.m. with the following resources:

- Bottled water
- Water filters
- Replacement cartridges for water filters
- Water testing kits pick-up
- Drop-off location for water testing kits

Fire Station #1  
310 East 5th St.  
Flint, MI 48502

Fire Station #3  
1525 Martin Luther King Ave.  
Flint, MI 48503

Fire Station #5  
3402 Western Rd.  
Flint, MI 48506

Fire Station #6  
716 West Pierson Rd.  
Flint, MI 48505

Fire Station #8  
202 East Atherton Rd.  
Flint, MI 48507

We will continue to work to improve the water situation in Flint. Community members and local officials are working together to make sure we hear and respond to concerns. Governor Snyder will continue to keep you updated on the latest news and information. **If you don't find the resources you need by dialing United Way 211 please call the Governor's office directly at 517-335-7858.**

### Budget recommendation will include \$30 million request for Flint water bill repayments

“I agree with Flint residents, that they  
should not have to pay for water they  
cannot drink.

My budget recommendation will  
include the request for the state to make  
payments to the city's water  
system for residential bills going  
back to April 2014.”

[www.mi.gov/FlintWater](http://www.mi.gov/FlintWater) | [www.HelpForFlint.com](http://www.HelpForFlint.com)

When Governor Rick Snyder presents his budget recommendation next Wednesday, Feb. 10, he will include a \$30 million request for the residents of Flint to keep their water service on and eliminate the need to pay for water they cannot completely trust to drink.

Under the governor's ask, the funding would enable the city of Flint to apply credits for customers on future bills. Estimates show water is roughly 47 percent of billing and sewer costs are around 53 percent. The credit would be applied to consumption usage (roughly 65 percent) of a resident's water portion of the bill, such as for bathing, drinking, cooking, and washing your hands. Residents still would be responsible for paying the sewer portion of their water bills.

Professor Marc Edwards of Virginia Tech said, "This essentially refunds all the money associated with consumption or consumer use. I think it's an amazing gesture of common sense and good will

and it corrects an injustice. I don't think there's a precedent for this. I feel so encouraged by the direction this is going."

### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

#### **Update 2/3/16 – 30<sup>th</sup> Day (29<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

##### **Mission focus for the day:**

- Refocus state agencies on objectives, tasks in the Incident Action Plan and how we get to the end state/shift to longer term recovery.
- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application – outstanding item is the certification of availability of financial assistance. Priority item for the a.m. so this can get submitted. Press release has been completed.

##### **Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### **Attached:**

1. Daily Summary of Data, full version and abridged (New reporting format – we will ensure we give liters of water and cases in the future)
2. Residential Water Sampling Results Maps – Lead and Copper
3. SitRep 29

##### **Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Thursday, February 4, 2016.

- Will continue to target residences from the Apartment List from 2/2/16

#### Items to Note

- Paired down the list of parcels not visited from 2400 to 958. Will continue on 2/4/16 to identify any parcels not visited. Some parcels contain multifamily residences and those types of residences are being reviewed and targeted to ensure coverage.
- MDOC is going to look into their job programs for any prisoners begin release back into the Flint area. This will be in conjunction with any other job programs identified. We are working with MTED on solutions.
- DEQ and DHHS will be going to residences with >150 ppb starting tomorrow. They will be checking residences next to the one with the high lead level to see if this is a single residence issue or a bigger issue affecting the block or line in an area. This will not initially include EPA as they did not seem interested in combining teams but we are working on more collaboration without slowing us down.
- DEQ will have a representative in the UCG starting 2/4/15.
- Discussed with UPS on ways they can assist with Rapid Response Team and filter replacements in the future.
- Additional warehouse will be put in service potentially Saturday. Seventh Day Adventist are potentially going to operate it or help with operations to phase out state agency personnel and make it more community run. The warehouse does include some office space if needed.
- 10 ARC Flint Water Response Teams to the field today.
- Team Priority Visited Today: Apartment List from 2/2/16
- SEOC Logistics worked with MDOC on their assistance with warehouse management and staffing for new warehouse Reached out to Food Bank on their recommendation and coordination for hours/days of operation of new warehouse.
- SEOC Operations attended a donations management meeting to discuss the need for a consolidated list of donated goods.
- JIC strategized with the U.S. Department of Health and Human Services and Environmental Protection Agency on how to better coordinate public information.

#### Unified Coordination Group (UCG):

- UCG IAP approved today for the operational period 0800 2/2/16 to 0800 2/4/16.
- The Federal Health Coordinating Officer had a meeting today with Economic Development and Housing and Urban Development.
- EMHSD liaison provided information on Michigan EM structure to Command.
- State JIC manager now in the communication loop for the UCG.
- UCG discussed MARCs and potential implementation.
- Capt. Kelenske met with Don Boyce from US DHHS to discuss concerns with Federal HHS and EPA and how we can move forward with better collaboration and coordination. Boyce also met with Governor's Office staff on same. The meeting went well and a solid relationship is in place with Boyce. He is a direct report to Dr. Lurie and will provide her some context on the issues and how we can move forward. He will be a good POC to assist us with any shifts in direction needed at the federal level.

#### Local EOC

- Coordinated rapid response deliveries to homebound residents and special locations.
- Working on refining rapid response delivery process.
  - Preparing transition from Team Rubicon personnel to NCCC teams, and eventually Southern Baptist Disaster Relief.
  - Coordinating with ARC for logistics support to NCCC teams (AmeriCorp).
- Working with ARC to ensure resource needs of franchise customers at Sunridge Apartments complex in Flint Township are met.
- Coordinating with MDEQ to streamline test kit assembly process.
- Attended distribution plan meeting with faith-based organizations, state, and local agencies.
- Referring VOADs to appropriate volunteer management agencies.

- Addressing various public concerns, including availability of supplies at child care facilities.

Chris

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 2/2/16 – 29<sup>th</sup> Day (28<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue investigating a warehousing option for non-palletized donations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Continue to work on SBA application.
- Obtain additional information from the City of Flint and Genesee County for appeal.

#### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. MDDHS Director’s Sit Rep: Reference blood lead testing results.
2. Sit Rep #28

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Wednesday, February 3, 2016
- Apartment complexes will be targeted tomorrow.
- We anticipate providing a cleaner way to view the numbers at a glance starting tomorrow.
- **Work with the Chamber of Commerce and MEDC to get more businesses for the SBA declaration. Found that we only have a gross revenue loss of 24% when it needs to exceed 40%. Will follow up first thing with SBA to double check this. Chamber of Commerce was to provide the top 5 businesses with losses.**

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- Team Priority Visited Today: Completed Section 8 housing list. 10 remaining franchise customers.
- SEOC Logistics worked with DTMB to secure additional warehouse location for donated water.
- JIC partnered with the Michigan Association of Broadcasters (MAB) to record two PSAs in Spanish. The PSAs were shared with MAB member stations.
- SEOC Finance met with State Budget Office to discuss and develop collaborative cost reporting for all state agencies.
- SEOC Planning finalized Small Business Administration request for economic injury.
- Information reported to the JIC:
  - As of 2/2/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 2/2/16*
30,770	37,844	12,406	530

\*There were issues with the app in the field on February 2, 2016. Outstanding data will be included tomorrow night.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	255,457
b. Filters	102,498
c. Filter cartridges	206,642
d. Test kits	33,243*

\*Adjusted due to test kits were not assembled at POD 1 yesterday and sent back to warehouse. Those kits were included as distributed and should not have been.

3. Resources purchased:

- a. Cases of water 2,715,324 Liters (additional 1,209,675 Liters donated)
- b. Filters 266,312\*
- c. Filter Cartridges 584,957\*
- d. Test kits 62,701

\*Includes back data, not previously accounted for, from MDHHS purchases on January 12-16, 2016 so there is a jump in the amounts.

4. Teams going out tomorrow:

- a. 10 American Red Cross Teams scheduled for Wednesday, February 3, 2016.

Standing Information Requirements

1. Number of homes visited each day:

- a. 2/2/16, as of 5 pm, 530 homes were visited today

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 12,406

3. Total number of National Guard on the ground:

- a.

4. Total Number of Volunteers each day:

- a. 27 volunteers on 2/2/16, per ARC.

5. \*Number of homes with filters:

	Total Number	Number with filters
Residential parcels	38,831	28,277
Active residential water subscribers	26,673	22,491

6. Number of Water filters distributed (each day and to date):

- a. 587 (172 FWRT + 415 PODs [1700 2/1 to 1600 2/2]) were distributed since this report yesterday and total distributed to date is 102,498.

7. Cases of Bottle water distributed (each day and to date):

- a. 10,524 (444 FWRT +10,080 cases or 120,960 liters PODs [1700 2/1 to 1600 2/2]) were distributed since this report yesterday and the total distributed to date is 255,457 cases or 3,065,484 Liters.

8. Number of testing kits distributed (each day and to date):

- a. 491 (56 FWRT +435 PODs [1700 2/1 to 1600 2/2]) were distributed since this report yesterday and the total distributed to date is 33,243.

9. Number of people tested for elevated blood levels (kids, adults, total):

- a. See attached MDHHS Sit Rep, pages 1 and 3 – this is a new format from DHHS but we are working to pull it into an easier format.

10. Number of people with elevated blood level (kids, adults, total):

- a. See attached MDHHS Sit Rep, pages 1 and 3 -- this is a new format from DHHS but we are working to pull it into an easier format.

11. Number of homes with safe drinking water:

- a. Drinking water (Analyzed 9/3/15 to 2/2/16)
  - i. 5516 out of 5906 (93%) at or below 15 ppb (390 tests above)
  - ii. <5 ppb: 4853 (82%)
  - iii. 5-15 ppb: 663 (11%)
  - iv. > 15 ppb: 390 (7%)
  - v. >30 ppb: 214 (4%)
  - vi. >150 ppb: 50 (0.8%) (DEQ and DHHS are working to get a plan in place to ensure these homes are visited).

\*Note, per MDEQ, this data is from uncontrolled samples provided by residents.

Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Coordinating distribution of appropriate supplies to Flint water system franchise customers outside the City of Flint.
- Coordinating with owner of new warehouse site for access to the site, and operations at the facility.
- Addressing various public concerns, including availability of supplies to residents in apartment complexes.
- Attended meeting with UM-Flint to discuss student volunteer opportunities and potential communications support.
- Attended VOAD meeting to discuss volunteer engagement, volunteer management, and distribution management.
- Coordinating replacement for Team Rubicon after their demobilization for rapid response deliveries.

Chris

**From:** Kelenske, Chris (MSP)

**Sent:** Monday, February 01, 2016 9:48 PM

**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV); Baird, Richard (GOV); Hollins, Harvey (GOV); Clement, Elizabeth (GOV); 'snyderr11@michigan.gov'; 'calleyb11@michigan.gov'; Creagh, Keith (DEQ); Lyon, Nick (DHHS)

**Cc:** Banner, Shanon (MSP); Leix, Ron (MSP); Murray, David (GOV); Holland, Meegan (GOV); Katarsky, Anthony (MSP); Sachs, Tori (GOV); Agen, Jarrod (GOV); Scott, Allison (GOV); Redford, James (GOV); Forstner, Nathaniel (GOV)

**Subject:** SEOC Update 2/1/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 2/1/16 – 28<sup>th</sup> Day (27<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

Mission focus for the day:

- Finalize new Incident Action Plan (IAP) for Operational Period 2/2/16 to 2/9/16.
- Sync up with the UCG to ensure lines of communication and operation are clear.
- Ensure adequate quantities of supplies to support operations.
- Continue investigating a warehousing option for non-palletized donations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.

- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Continue to work on SBA application – pends status of Declaration of Emergency appeal.
- Obtain additional information from the City of Flint and Genesee County for appeal.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal. IHP is an Individual Assistance program.

Attached:

1. SitRep 27
2. Flint Water Timeline (DRAFT) – This is a running record I keep so I have it for future reference. This is draft but thought some of you may want it at this time.
3. State Agency Weekly Activities – It was mentioned on the morning call to have a weekly activities sheet. I am certain there are other events to be added but this is from the SEOC personnel.
4. Day to Day POD Comparison Data – Internal for EMHSD and FEMA

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Tuesday, February 2, 2016
- Franchise Customers continue to be targeted for visits with additional to be determined.

Items to Note

- The question came up as to the difference between active residential customers and residential parcels. Customers are on the Flint water system according to what the City of Flint provides us. Residential parcels are those not on the system for numerous reasons to include them having a well or just not connected to the system. We are aware some not on the system have gotten filters. I also do not have a lot of faith in the records provided to us by the city water department. We just received an updated franchise list which had more customers from the city that is different from the one we were given earlier.
- Received approval to obtain a former Kroger store near Statoin 6 POD. This will greatly alleviate donation management issues. Office space is available at this location if needed.
- 10 ARC Flint Water Response Teams to the field today.
- GIS was not able to develop maps with today's data due to issues with the software. They will be providing maps first thing tomorrow.
- Recovery Branch coordinated meeting with Michigan Community Service Commission (MCSC), Local EOC, and ARC regarding volunteer coordination and reporting.
- JIC is working to set up a legislative and congressional briefing call this week.
- Information reported to the JIC:
  - As of 2/1/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I 1/31/16	Phase II 2/1/16	Targeted Total	ARC Paper Data* 1/31/16	Targeted Canvassing Mission 2/1/16
30,770	37,844	11,876	1,135	1,164

\*Data from last night that was not available.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	244,933

b. Filters	101,911
c. Filter cartridges	205,820
d. Test kits	33,561

3. Resources purchased:

- a. Cases of water 2,637,324 Liters (additional 1,127,171 Liters donated)
- b. Filters 165,048
- c. Filter Cartridges 389,357
- d. Test kits 62,701

4. Teams going out tomorrow:

- a. 10 American Red Cross Teams scheduled for Tuesday, February 2, 2016.

Standing Information Requirements

1. Number of homes visited each day:

- a. 1/31/16, ARC Data, 1,135 homes were visited yesterday. Data was not included in yesterday's report.
- b. 2/1/16, as of 5 pm, 1,164 homes were visited today

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 11,876

3. Total number of National Guard on the ground:

- a.

4. Total Number of Volunteers each day:

- a. 50 volunteers on 2/1/16, per ARC.

5. \*Number of homes with filters:

	Total Number	Number with filters*
Residential parcels	38,831	28,167
Active residential water subscribers	26,673	22,400

\*Number does not include franchise customers, will be updated tomorrow morning.

6. Number of Water filters distributed (each day and to date):

- a. 1,318 (1,001 FWRT + 317 PODs [1700 1/31 to 1600 2/1]) were distributed since this report yesterday and total distributed to date is 101,911.

7. Cases of Bottle water distributed (each day and to date):

- a. 10,443 (1,218 FWRT +9,225 PODs [1700 1/31 to 1600 2/1]) were distributed since this report yesterday and the total distributed to date is 244,933.

8. Number of testing kits distributed (each day and to date):

- a. 1,091 (293 FWRT +798 PODs [1700 1/31 to 1600 2/1]) were distributed since this report yesterday and the total distributed to date is 33,184.

9. Number of people tested for elevated blood levels (kids, adults, total):

- a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351

\*this data will not be updated again until Tuesday.

10. Number of people with elevated blood level (kids, adults, total):

- a. Per CHECC: These numbers are only updated bi-weekly
  - i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
  - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
  - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 22

\*This data will not be updated again until Tuesday

11. Number of homes with safe drinking water:

- a. Drinking water (9/3/15 to 2/1/16)\*
  - i. 5227 out of 5590 (94%) at or below 15ppb (363 tests above)
  - ii. <5 ppb: 4594 (82%)
  - iii. 5-15 ppb: 633 (11%)
  - iv. > 15 ppb: 363 (6%)

- v. > 150 ppb: 48 (0.9%) – DEQ was tasked with getting better information on this as to how many are residences, what steps have been taken with them, how many have been “cleared,” and how many are new. They will be working on it first thing tomorrow. Based on sheets I was provided this evening, since the report on Friday:
1. Saturday there were 4 additional results >150 ppb
  2. Sunday there were 5 additional results >150 ppb
  3. Monday there were 6 additional results >150 ppb
- vi. > 30 ppb: 199 (4%)
- \*Note, per MDEQ, this data is from uncontrolled samples provided by residents.

#### Local EOC

- Coordination of rapid response deliveries to homebound residents and special locations.
- Finalized rapid response delivery plan with ARC, Team Rubicon, Michigan Community Service Commission and SEOC.
- IC/Genesee County EMC attended county commission meeting, briefed commission on response efforts, and addressed questions and concerns.
- Addressing public concerns, including rumors of availability of FEMA relocation assistance.
- Coordinating with charter schools outside the city of Flint/Flint water system for supply of water resources to students that are Flint residents.
- Attended conference call with Dow Chemical to discuss potential donation of filter systems. Will provide spec sheets to SEOC Logistics.

**Subject:** SEOC Update 1/31/16 - Flint Water - Limited Distribution

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### Update 1/31/16 – 27<sup>th</sup> Day (26<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- *Continue investigating a warehousing option for non-palletized donations.*
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Finalize SBA application.

##### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Monday, February 1, 2016
- City Sections Scheduled Tomorrow\*: Franchise Customers, Additional to be determined.

\*City sections subject to change based on available data updates. Teams will reach out for additional assignments if entire city section is completed during the operational period.

Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- Information reported to the JIC:
  - As of 1/31/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 1/31/2016
30,770	37,844	9,577	551*

\*Due to an issue with the iPads in the field not all numbers were captured for today's outreach. The additional residences will be entered tonight by ARC and will be included in the data for tomorrow, per Recovery Branch.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	234,490
b. Filters	100,593
c. Filter cartridges	204,736
d. Test kits	32,093

3. Resources purchased:

- a. Cases of water 2,637,324 Liters (additional 996,080 Liters donated)
- b. Filters 165,048
- c. Filter Cartridges 383,282
- d. Test kits 62,701

4. Teams going out tomorrow:

- a. 10 American Red Cross Teams scheduled for Monday, February 1, 2016.

New Standing Information Requirements

1. Number of homes visited each day:

- a. 1/31/16, as of 5 pm, 551\* homes were visited today
  - i. \*The numbers are low due to an issue with the iPad input, the additional residences will be inputted tonight and included in tomorrow numbers.

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 9,577

3. Total number of National Guard on the ground:

- a.

4. Total Number of Volunteers each day:

- a. 236 volunteers on 1/31/2016, per ARC.

5. Number of homes with filters:

	Total Number	Number with filters
Residential parcels	38,831	28,081
Active residential water subscribers	26,673	22,334

6. Number of Water filters distributed (each day and to date):

- a. 624 (299 FWRT + 325 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and total distributed to date is 100,593.
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 7,302 (426 FWRT +6876 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and the total distributed to date is 234,490.
8. **Number of testing kits distributed (each day and to date):**
  - a. 581 (251 FWRT +330 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and the total distributed to date is 32,093.
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351  
\*This data will not be updated again until Tuesday.
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Per CHECC: These numbers are only updated bi-weekly
    - i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
    - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
    - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 22  
\*This data will not be updated again until Tuesday
11. **Number of homes with safe drinking water:**
  - a. 5,020 water samples out of 5,356 sampled through January 31, 2016 are at or below the action level of 15 ppb for lead. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

#### Local FOC

- Addressing various public concerns, including concerns regarding filter efficiency.
- Establishing procedures for receiving incoming donations of loose water at overflow locations.
- Established rapid response delivery plan with ARC and Team Rubicon.
- Coordinated rapid response deliveries to homebound residents and special locations.
- Coordinated with VRC for door-to-door distribution of recycling information and supplies.
- Genesee County Board of Commissioners meeting scheduled for 02/01/2016.

Chris

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 02/02/2016 08:00:00  
Operational Period End: 02/09/2016 08:00:00  
Situation Report No. 29  
SEOC Status: Full  
SEOC Hours of Operation Begin: 02/03/2016 08:00:00  
SEOC Hours of Operation End: 02/03/2016 20:00:00

## Executive Summary

SEOC Update:

Accomplished today (February 3, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

Logistics:

- Fielded resource requests.
- Fielded rapid response requests.
- Fielded Governor's office requests.
- Facilitated distribution team calls.
- Sent request to Chad Veaser to secure Seventh day Adventists to staff warehouse.
- Followed up on request for equipment/supplies from ALANaid for new warehouse.
- Ordered 25,000 more english palm cards for the warehouse.
- Worked with DOC on their assistance with warehouse management and staffing for new warehouse.
- Reached out to Food Bank on their recommendation and coordination for hours/days of operation of new warehouse.
- Assisted with modifying Rapid Response Form for 2-1-1.

JIC:

- The JIC fielded multiple news inquiries throughout the day, including conducting or scheduling interviews with CNN and the Washington Post.
- Assisted with Governor Snyder's 10:45 p.m. media availability at the Flint and Genesee County Chamber of Commerce. The governor will ask the Michigan Legislature to approve a \$30 million water consumption credit plan for the residents of Flint to keep their water service on and eliminate the need to pay for water they cannot completely trust to drink.
- Developed talking points for Governor Snyder's TeleTown Hall at 6:30 p.m. Notified United Way 2-1-1 about the town hall so they are prepared for a surge of calls.
- Issued a news release about Michigan and federal environmental health officials advancing plans to monitor skin conditions in Flint.
- Strategized with the U.S. Department of Health and Human Services and Environmental Protection Agency on how to better coordinate public information.

Recovery Branch:

- Attended Local Brief, SEOC State Agency Briefing Meeting, and Distribution Process Meeting
- Updated plan for ARC to visit apartment complexes.
- Worked with county and postal partners to collect information about home vacancies and resident's with forwarded mail addresses in order to ensure we are contacting all occupied residences in the City of Flint.
- Supported the efforts of MSDHA to provide resources to tenants in their facilities.
- Collaborated with GCCARD to develop additions to the list of vulnerable persons requiring additional support within the City of Flint.
- Team Priority Visited Today: Apartment List from 2/2/16
- City Sections Scheduled Tomorrow\*: Continuation of Apartment List from 2/2/16
- 10 American Red Cross Teams scheduled for Thursday, February 4, 2016

\* Data is for 2/3/16 as of 5:00 pm:

- o Total homes visited:
  - 13,211 (round 3 total).
  - 805 (today).
- o Water cases (liters calculated by multiplying # of cases x 12):
  - 97,500 liters or 8,125 cases (round 3 total).
  - 4,380 liters or 365 cases (today).
- o Replacement cartridges:
  - 2,138 (round 3 total).
  - 173 (today).
- o Faucet filters:
  - 6,638 (round 3 total).
  - 238 (today).

Planning Section:

- Published Sit Rep #29.
- SBA request information handed off to the Deputy State Director for finalization.
- Participated in local EOC, state agency, and distribution process conference calls.
- Updated Governor's data tracking spreadsheet.
- Responded to JIC media inquiries.

#### Operations Section:

- o Donations management meeting was held today and the need for a consolidated list of donated goods was discussed.
- o Facilitated daily local EOC and SEOC state agency briefings
- o 46 total volunteers (21 ARC and 25 event based) were active on the FWRTs today.

#### o Warehouse Numbers as of 1800:

- Water (liters):
  - 441,710 liters or 36,809 cases.
- Filters (faucet):
  - 48,656.
- Replacement cartridges:
  - 372,350.
- Test Kits (prepped):
  - 21,676.
- o PODs (1700 2/2 – 1600 2/3):
  - Water (cases):
    - 88,644 liters or 7,387 cases.
  - Filters (faucet):
    - 268.
  - Replacement Cartridges:
    - 598.
  - Test kits:
    - 379.

#### Finance Section:

- EMHSD staffing cost reports developed to update financial status reports.
- Reviewed state agency financial data for compiling comprehensive report.
- Reviewed Donations Management module in MI CIMS.

#### GIS Branch Updates:

- Updated water test results data with DEQ supplied spreadsheet.
- Provided the recovery unit with a list of address of residences that do not have a filter and how many times the residence was visited.
- Provided planning with a count of kitchen sinks for the City of Flint.
- Developed maps for LARA showing schools, child care, and adult foster care facilities.
- Developed a PowerPoint for the Governor's representative showing maps produced by GIS.

#### DTMB:

- DTMB Print & Graphic Services translating aerator fact sheet in Spanish and Arabic.
- DTMB has five trucks/drivers assisting with delivery of supplies; three for the point of distribution sites and two assisting the food bank.
- DTMB received donation of 24 "Gaylord" boxes to use at the warehouse for single bottle water donations from Rapid Shred.
- Rental agreement signed with landlord of former Kroger store on Pierson Road in Flint.

#### DHHS-CH:

- The CHECC remains active at a Level 2, and continues to staff the hotline to answer any lead health-related questions referred by 2-1-1 in support of the GCHD.
- MDHHS, MDEQ, and LARA developed a plan for an MDEQ Team to contact all of the homes with lead levels above the acceptable range beginning 2/4/16.
- o Health information, including to have lead testing done will be shared with the residents of these dwellings during the MDEQ visits. Home visits will be tracked on the iPads.
- A new LNO officer from US DHHS, Janet Odom has arrived at the CHECC and will be there through Sunday 2/7/16.

#### DEQ:

- 576 test kits delivered to lab.
- Continued coordination for > 100ppb state response plan and implementation
- Provided guidance to MSHDA on residential sampling program
- Requested DHHS to verify how many homes GCHD has contacted and what services were provided.

#### Unified Coordination Group (UCG):

- UCG IAP approved today for the operational period 0800 2/2/16 to 0800 2/4/16.
- The Federal Health Coordinating Officer had a meeting today with Economic Development and Housing and Urban Development.
- EMHSD liaison provided information on Michigan EM structure to command.
- State JIC manager now in the communication loop for the UCG.
- UCG discussed MARCs and potential implementation.

#### Local EOC:

- Coordinated rapid response deliveries to homebound residents and special locations.
- Working on refining rapid response delivery process.
- o Preparing transition from Team Rubicon personnel to NCCC teams, and eventually Southern Baptist Disaster Relief.
- o Coordinating with ARC for logistics support to NCCC teams.
- Working with ARC to ensure resource needs of franchise customers at Sunridge Apartments complex in Flint Township are met.
- Coordinating with MDEQ to streamline test kit assembly process.
- Attended distribution plan meeting with faith-based organizations, state, and local agencies.
- Referring VOADs to appropriate volunteer management agencies.
- Addressing various public concerns, including availability of supplies at child care facilities.

## Incident Response/Recovery Priorities/Objectives

(Objectives are in order of priority with original objective number attached)

11. Ensure accurate tracking and accounting of all donations.
5. Continue to maintain adequate staffing to support operational requirements.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
9. Enhance situational awareness and common operating picture of all activities.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT, FWICC, and the US Department of Health and Human Services Unified Coordination Group (UGC).
3. Improve and maintain the public information strategy and process.
6. Develop an overview of possible assistance programs.
4. Develop a long term public health and services plan.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
1. Ensure all households within impacted community have required resources and are included in DEQ water sampling plan.
2. Ensure accurate tracking and accounting of all commodities.

## Emergency Declarations

### Local Declarations

#### Damage Assessment Summary

#### Agency Summaries

##### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was expected to be operational in Flint from 8 a.m. to 8 p.m. on Feb. 3. The JIC was operational until 8 p.m. on Feb. 2.

State agencies at the JIC included the Michigan Economic Development Corporation, Michigan State Police and Departments of Agriculture and Rural Development, Environmental Quality, Health and Human Services, Licensing and Regulatory Affairs, Treasury, Corrections and Military and Veterans Affairs. The Genesee County Sheriff's Office and the American Red Cross were also present.

##### Tasks accomplished:

- Media hotline staff answered more than 10 emails and phone calls, ranging from inquiries about the U.S. House Committee on Oversight and Government Reform hearing to how much money and water have been donated to Flint residents.
- Key agency PIOs fielded multiple news inquiries throughout the day, including conducting or scheduling interviews with CNN and the Washington Post.
- Created a morning and afternoon media monitoring report and looked for information requiring correction.
- Updated internal talking points about the ongoing Flint water emergency.
- Continued routing public information materials for approval, including water filter installation fact sheets, pregnant women and lead fact sheet, adult lead exposure fact sheet, and oral health FAQ. Also began submitting materials for Spanish translation.
- Worked with Governor's Office to reorganize the [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater) website. The Governor's Office is now leading the content of the website.
- Assisted with Governor Snyder's 10:45 p.m. media availability at the Flint and Genesee County Chamber of Commerce. The governor will ask the Michigan Legislature to approve a \$30 million water consumption credit plan for the residents of Flint to keep their water service on and eliminate the need to pay for water they cannot completely trust to drink.
- Continued adding individuals to staff the Flint JIC for the next two weeks.
- Developed talking points for Governor Snyder's TeleTown Hall at 6:30 p.m. Notified United Way 2-1-1 about the town hall so they are prepared for a surge of calls.
- Began drafting a news release about Edible Flint, an organization an established organization in Flint that has been working on food access, nutrition and urban agriculture for several years. The organization assists gardeners with resources, like soil lead tests, and is looking at ways to expand their current efforts to allow for more lead tests, possible hose filters for watering, and supporting additional gardens in the city to increase access to nutritious foods, especially for those with children in the household.
- Drafted a news release about Michigan and federal environmental health officials advancing plans to monitor skin conditions in Flint. The Flint JIC intends to issue the news release today.
- Strategized with the U.S. Department of Health and Human Services and Environmental Protection Agency on how to better coordinate public information.

##### Agriculture and Rural Development (MDARD)

MDARD's field activities for 2/3/16 included:

- o 16 assessments completed at food businesses (11 re-assessments, 5 initial assessments)
- o 24 water samples collected (17 "in-use" samples, 7 first draw)
- o 8 water sampling appointments scheduled

To date, MDARD has completed initial water assessments at all food businesses in the high risk area and has conducted a total of 382 initial assessments. 149 water samples have been collected.

The daily MDARD Water Response Report will go out at 10am (summarizing the previous day's activities), instead of 4-5pm to allow proper time for all data from the day's activities to come in and be organized.

The FDA Detroit District Office asked MDARD to share the following: FDA Warns Marketers of Unapproved 'Chelation' Drugs <http://www.fda.gov/downloads/ForConsumers/ConsumerUpdates/UCM229436.pdf>

##### American Red Cross (ARC)

The American Red Cross deployed and supported 10 Water Response Teams on Wednesday, 2/3/16. It's anticipated that 10 teams will deploy tomorrow.

The Volunteer Reception Center (VRC) was in operation today, from 9am to 5pm. Assembly of water test kits will resume when materials become available.

##### Civil Rights (MDCR)

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Maintaining media awareness regarding situation and community activities. Requested ASL video translation of "Taking Action on Flint Water" flyer. Raised issue with LARA regarding water softener/filter issues. Advised Branch, PIO/JIC as to document posted via the Mexican Consulate and in use by local advocates.

##### Community Health (MDCH)

The CHECC remains active at a Level 2, and continues to staff the hotline to answer any lead health-related questions referred by 2-1-1 in support of the GCHD.

MDHHS and MDEQ facilitated conference calls between MDEQ ECC and MDHHS and LARA that resulted in a plan for an MDEQ Team to contact all of the homes with lead levels above the acceptable range beginning 2/4/16. Health information, including encouragement to have lead blood levels drawn and testing locations where to have lead testing done will be shared with the residents of these dwellings during the MDEQ visits. This activity is in support of the GCHD. The home site visits will be tracked on an iPad. The initial goal is to reach all homes that have tested at or above 150 ppb 2/4/16, then the homes at 100 ppb or above. LARA will also have plumbers available on 2/4/16 to accompany the team(s). This information was also relayed to the Governor's representative in the SEOC.

A new LNO officer, Janet Odom has arrived at the CHECC and will be there through Sunday 2/7/16.

#### **Corrections (MDOC)**

MDOC continued operations at the warehouse and all PODs were well supplied.

MDOC continue to keep trucks dedicated to delivering to individual PODs and have Rapid Responses ready for any POD that gets to a critical level of supplies.

576 Water Samples were collected and delivered to the DEQ Lab in Lansing. 551 Residential and 25 MI Department of Agriculture and Rural Development (MDARD)

MDOC had 17 employees and an SAI work crew on the ground in Flint today.

MDOC continue to staff the SEOC from 0800-2000, 7 days/week.

We are in the process of establishing a second warehouse location and MDOC will be staffing the second location beginning on Saturday for a week or possibly two.

MDOC has also been asked to assume Recovery Branch duties. Mike Farmer and Bridget Spencer will assume command of the Recovery Branch.

#### **Education (MDE)**

1. Donations Management Group asked MDE for information regarding which schools in Flint have drinkable water and which schools do not. This request was in response to schools turning down bottled water. Donations management wants verification of what schools need water.

2. MDE contacted LARA for information regarding school water supplies. LARA provided a document that lists schools in the affected area on Flint Water System and schools in the affected area not on Flint Water System. MDE the shared information with Donations Management Group and contacted MDARD to request further information based on school cafeteria testing. MDARD is reviewing their involvement with school testing and results, referred MDE to DEQ website for additional information.

3. MDE will update the Donations Management Group when further information is received.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

- ☐ Continued coordination for > 100ppb state response plan and implementation
- ☐ Provided guidance to MSHDA on residential sampling program
- ☐ Requested DHHS to verify how many homes GCHD has contacted and what services were provided

#### **Human Services (MDHS)**

Working with State VAL and Recovery on process for distributing replacement cartridges in the future.

Participated in "MARC" discussions.

Held Donation Management weekly meeting. More staff needed to handle day to day operations and coordination of information gathering and entering.

Daily update conference call with MDHHS Budget & Field Operations.

CHECC continues to maintain a Level 2 Activation

#### **Licensing and Regulatory Affairs (LARA)**

Updated the LARA Executive Team

LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.

Working with DEQ for Strike Teams.

Preparing materials lists for plumbing fixtures.

## **Military and Veterans Affairs (DMVA)**

### **Commanders Situation Report (SITREP)**

1. DTG: 0212002016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: 1LT Roland, John G. Cell: / Email: john.g.roland2.mil@mail.mil

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. SITUATION OVERVIEW: 1-125 IN has Soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has Soldiers on ground supporting the mission.

7. OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.

a. Traffic outside of Stations 1, 5, and 8 still remains an issue.

1.) No response has been given to the request to have traffic signs in place at 3 of the POD locations. There have been 2 vehicle accidents in front of Station 8 over that last 48hrs.

b. Flint City Electricians have fixed the lighting issue at Station 8. POD 5 is still waiting for an update on the capabilities of additional lighting at Station 5.

8. PERSONNEL: Soldiers are currently assigned to the POD operations Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.

9. INTELLIGENCE / FORCE PROTECTION: Michigan militia did establish a presence within the AO. The intentions were not harmful and in support of efforts made to resolving issues to residents of Flint.

10. LOGISTICS: In support of recycle project sponsored by Schupon, the special purpose recycle bags have not been distributed to POD operations. Logistics is expecting the recycle bags to be on the PODs for distribution within the next 48hrs.

11. COMMUNICATIONS: No communications issues at this time.

P: 800 MHz radios issued to PODs and WRTs.

A: RRF cell phones alternate for WRTs.

C: Personal cell phone

E: Runner

12. NARRATIVE: N/A

### **13. COMMANDER'S EVALUATION:**

- SPC Colwell at Station 1 tended to a Flint citizen who approached the fire station and was having an asthma attack. SPC Colwell successfully treated and stabilized her until local EMS could respond.
  - There have been (2) car accidents at fire station 8 over the last 2 days. Neither was directly caused by our operation but the need for MDOT assistance to ensure worksite safety is becoming more critical.
  - Consolidated Station Report OUT (last 24 hours)
- Bottled water-5765 Water (Gallons)-33 Lead Testing Kits-889 (432 were returned to the warehouse to be reassembled correctly)  
Pitcher (23 cup)-0 Brita Faucet Filter-264 Brita Replacement Cartridge-292  
Pur Filter-91 Pur Replacement Filter-394

## **National Weather Service (NWS)**

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

## **Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

## **Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:  
Kathryn C. Boles  
President, CEO  
Valley Area Agency on Aging  
225 E. Fifth Street, Suite 200  
Flint, MI 48502  
(810) 239-7671  
(810) 239-8869 fax

#### **State Police (MSP)**

Open Source is reporting that Hillary Clinton and Bernie Sanders have agreed to hold a debate in Flint in March. Open Source is advising the debate is scheduled for March 6th. The location is not known at this time. The MIOC will continue to monitor Open Source for additional information.

The MSP position within the SEOC will be staffed at MSP Operations at HQ. All e-mails to MSP-EOC-MDSP@michigan.gov are being forwarded to the Operations Lt. The phone number for the on duty Operations Lieutenant is 517-241-8000

#### **Supreme Court**

08:50 - State Judiciary EMC John Ort reported to the SEOC regarding the Flint water emergency. Nothing to report from the Judiciary regarding the emergency. DEQ website resources shared with our State Court Administrative Office (attn: Region II) in case our Genesee County courts have any questions regarding the emergency.

#### **Technology, Management and Budget (MDTMB)**

Continue to provide DTMB management with daily updates and resource requests received.

DTMB Print & Graphic Services translating aerator fact sheet in Spanish and Arabic.

DTMB has five trucks/drivers assisting with delivery of supplies; three for the point of distribution sites and two assisting the food bank.

DTMB received donation of 24 "Gaylord" boxes to use at the warehouse for single bottle water donations from Rapid Shred.

Rental agreement signed with landlord of former Kroger store on Pierson Road in Flint.

Ordered printer toner for multi-function device at warehouse.

#### **Transportation (MDOT)**

MDOT is providing traffic measures at Fire Station #6 on Pierson Rd. and Fire Station #3 on Martin Luther King Blvd:

-4 portable changeable message boards (2 each site).

-100 grabber traffic cones (narrow reflective cones) (50 each site)

MDOT continues to maintain situational awareness and respond to issues regarding equipment and road conditions.

### **Flint Water Daily Update**

**Updated Feb. 3**

#### ***Current Issues Talking Points***

#### **Governor proposes \$30M to cover Flint water bills**

- The Governor announced a proposed plan to request \$30 million as part of the Fiscal year 2017 budget proposal to cover Flint residents' water bills because he believes they should not pay for water that wasn't suitable for consumption.
- The proposal calls for a Consumption and Use Credit the city could use to relieve families of a portion of their water bills from April 2014-April 2016.
- Under the plan, the funding would cover water used for drinking, cooking and bathing which is approximately 65 percent of a resident's water bill.
- Residents would still be responsible for covering sewer costs as well as water not used for consumption (i.e. water heaters, outside water use, etc.).
- The Governor's proposal would allow Flint to relieve residents of their water bills or provide payment credits for future use.
- The request will be part of the Governor's official budget presentation next week on Feb. 10.
- The \$30 million recommendation builds on the previous \$37.3 million in emergency funding already allocated to Flint by the state.
- The recommendation must go through the formal state budget process and be approved by both the House and Senate.

## **Congressional Hearing**

- A Congressional hearing on Flint water took place today in Washington D.C.
- Interim DEQ Director Keith Creagh and Virginia Tech Professor of Environmental and Water Resources Engineering Marc Edwards testified in the hearing of the Reform and Oversight Committee.
- To date, the Governor has not been invited to testify before Congress.
- The Governor remains focused on fixing the problem in Flint. He is committed to establishing both a short and long-term solution to ensure clean, safe drinking water for Flint families.
- He was in Flint today meeting with local community leaders and discussing the Consumption and Use Credit \$30 million budget proposal with local media outlets.

## **Democratic Presidential Debate coming to Flint**

- It was confirmed today that a Democratic Presidential debate will take place in Flint in early March.
- To date the Federal Government has provided only \$5 million in funding to assist residents in Flint while the State has allocated \$37.3 million in emergency funding to support Flint families.
- The Governor also proposed a plan to dedicate an additional \$30 million as part of his upcoming formal budget presentation to assist Flint residents with water bill payments.
- What will help Flint more than a presidential debate is working together to implement concrete solutions that will aid the city along its road to recovery now and into the future.
- It is important we draw on all available resources to help meet both the immediate and long-term needs of Flint residents.

**Attachments:** Protesters\_ 'Arrest Rick Snyder! Make him drink the water!' \_ MLive\_2-4-2016.pdf

Good Morning,

The first "Weekly Ann Arbor Protest: ArrestGovSnyder FlintWaterCrisis" was held last night in front of Governor Snyder's residence at [REDACTED], it is reported that over 80 individuals turned out for the demonstration. Participants loudly chanted, carried posters, and wrote messages on the sidewalk in front of the residence.

The next protest will be held on Wednesday, February 10 between 5:30 p.m. – 6:30 p.m. also in front of Governor Snyder's residence in Ann Arbor. Currently 45 individuals have RSVP'd they plan to attend.

This is for situational awareness only.

Thanks,

Sue

It's hard out here for a governor.

Facing continued pressure to resign over the Flint water crisis, Michigan Gov. Rick Snyder has been **publicly heckled** while trying to dine out in Ann Arbor, he's been the subject of criticisms written in chalk on downtown sidewalks, his face is on wanted posters plastered around multiple cities, and then there's the protests.

Dozens of protesters demonstrated once again Wednesday night outside the embattled governor's personal condo in downtown Ann Arbor.

Protest organizer Jan BenDor of Michigan Rising said they're planning to continue holding weekly protests outside the Main Street loft condo the governor and his wife moved into this past year. The Snyders had been living in a gated community just outside the city before deciding to make the move downtown.

"We're just hoping to keep this situation in the public eye," BenDor said of the Flint water crisis. "Often even the worst tragedies just disappear after a week or so of concern, and this is a long-term horrible thing that has happened in our state. So, we want to make sure everybody keeps helping with this."

The condo's window blinds were closed Wednesday night, and it wasn't clear that anybody was home, but protesters still chanted loudly.

"Arrest Rick Snyder! Make him drink the water!" they yelled as they marched along Main Street.

"Jail the nerd!" they chanted in unison multiple times.

"No more procrastination! We want incarceration!"

The protesters didn't channel all of their energy into anger and frustration toward the governor, though.

They also handed out fliers informing passersby how they can help the residents of Flint, with suggested charities to support.

## All Stories

"We're encouraging people to donate to the [FlintKids.com](http://FlintKids.com) website for the long-term health care of the poisoned children," BenDor said. "And we are also encouraging donations to some other agencies that are doing uniquely good work."

The flier also directs people to a CrowdRise page for a charity for Flint residents called [Crossing Water](#).

Ann Arbor resident Susan Fecteau was among those protesting. She's also behind the anti-Snyder sidewalk chalk messages seen around downtown.

"You enjoying your clean water up there, Rick?" read one of the messages written on the sidewalk right outside the governor's window Wednesday night.

Fecteau said she's been out chalking just about every day for weeks now and she's been watched and photographed. She's not sure who's doing it, but somebody has been wiping away her messages after she leaves, but she keeps going back.

She said Wednesday's protest was about making sure people are fully aware of what has happened in Flint.

She said people need to take back their government.

"People need to get educated about it, and understand that when we vote guys in like this, this is what happens, this is the result," she said.

"And I've been stunned as I've been talking to people. I'm surprised people still don't know what has happened. People don't understand about the emergency manager law. They don't understand about FOIA and that he's FOIA-proof."

Not everyone was happy with the protest, though.

Paula Porter, an employee of the Four Directions store on the ground level under the governor's condo, came out and confronted the protesters. She questioned whether what they were doing was constructive or effective.

"I'm on their side, but I'd prefer they go to Flint," she said. "I've lived in Flint. Go spend time in Flint, get things done."

Porter said she doesn't think the governor is going to care much about what protesters outside his condo have to say.

A city police officer was on the scene at one point responding to complaints that people were stuffing fliers into one or more mail slots.

Dave Murray, a spokesman for the governor, said in response to the protest that Snyder is focused on the people of Flint, not politics.

"He's making sure Flint residents are getting the assistance they need as we move forward, addressing issues related to health, education and infrastructure," he said.

"Today the governor discussed his \$30 million proposal to bring relief to Flint residents who have been paying for water they cannot use to drink or cook with. This is on top of the \$28 million our partners in the Legislature approved last week to provide immediate relief and the \$9 million approved in October.

"People across our state, from both sides of the aisle, are coming together to help the people of Flint."

**Attachments:** 2015-10-01 City of Flint Water Contamination-Shortage SitRep 28 2016-02-....pdf; Director's SITREP 02\_02\_16 FINAL.PDF

### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### **Update 2/2/16 – 29<sup>th</sup> Day (28<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

##### **Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue investigating a warehousing option for non-palletized donations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Continue to work on SBA application.
- Obtain additional information from the City of Flint and Genesee County for appeal.

##### **Status on Governor’s request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### **Attached:**

1. MDDHS Director’s Sit Rep: Reference blood lead testing results.
2. Sit Rep #28

##### **Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Wednesday, February 3, 2016
- Apartment complexes will be targeted tomorrow.
- We anticipate providing a cleaner way to view the numbers at a glance starting tomorrow.
- **Work with the Chamber of Commerce and MEDC to get more businesses for the SBA declaration. Found that we only have a gross revenue loss of 24% when it needs to exceed 40%. Will follow up first thing with SBA to double check this. Chamber of Commerce was to provide the top 5 businesses with losses.**

##### **Items to Note**

- 10 ARC Flint Water Response Teams to the field today.

- Team Priority Visited Today: Completed Section 8 housing list. 10 remaining franchise customers.
- SEOC Logistics worked with DTMB to secure additional warehouse location for donated water.
- JIC partnered with the Michigan Association of Broadcasters (MAB) to record two PSAs in Spanish. The PSAs were shared with MAB member stations.
- SEOC Finance met with State Budget Office to discuss and develop collaborative cost reporting for all state agencies.
- SEOC Planning finalized Small Business Administration request for economic injury.
- Information reported to the JIC:
  - As of 2/2/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 2/2/16*
30,770	37,844	12,406	530

\*There were issues with the app in the field on February 2, 2016. Outstanding data will be included tomorrow night.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	255,457
b. Filters	102,498
c. Filter cartridges	206,642
d. Test kits	33,243*

\*Adjusted due to test kits were not assembled at POD 1 yesterday and sent back to warehouse. Those kits were included as distributed and should not have been.

3. Resources purchased:

- a. Cases of water 2,715,324 Liters (additional 1,209,675 Liters donated)
- b. Filters 266,312\*
- c. Filter Cartridges 584,957\*
- d. Test kits 62,701

\*Includes back data, not previously accounted for, from MDHHS purchases on January 12-16, 2016 so there is a jump in the amounts.

4. Teams going out tomorrow:

- a. 10 American Red Cross Teams scheduled for Wednesday, February 3, 2016.

Standing Information Requirements

1. Number of homes visited each day:

- a. 2/2/16, as of 5 pm, 530 homes were visited today

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 12,406

3. Total number of National Guard on the ground:

- a.

4. Total Number of Volunteers each day:

- a. 27 volunteers on 2/2/16, per ARC.

5. \*Number of homes with filters:

	Total Number	Number with filters
Residential parcels	38,831	28,277
Active residential water subscribers	26,673	22,491

6. **Number of Water filters distributed (each day and to date):**
  - a. 587 (172 FWRT + 415 PODs [1700 2/1 to 1600 2/2]) were distributed since this report yesterday and total distributed to date is 102,498.
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 10,524 (444 FWRT +10,080 cases or 120,960 liters PODs [1700 2/1 to 1600 2/2]) were distributed since this report yesterday and the total distributed to date is 255,457 cases or 3,065,484 Liters.
8. **Number of testing kits distributed (each day and to date):**
  - a. 491 (56 FWRT +435 PODs [1700 2/1 to 1600 2/2]) were distributed since this report yesterday and the total distributed to date is 33,243.
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. See attached MDHHS Sit Rep, pages 1 and 3 – this is a new format from DHHS but we are working to pull it into an easier format.
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. See attached MDHHS Sit Rep, pages 1 and 3 -- this is a new format from DHHS but we are working to pull it into an easier format.
11. **Number of homes with safe drinking water:**
  - a. Drinking water (Analyzed 9/3/15 to 2/2/16)
    - i. 5516 out of 5906 (93%) at or below 15 ppb (390 tests above)
    - ii. <5 ppb: 4853 (82%)
    - iii. 5-15 ppb: 663 (11%)
    - iv. > 15 ppb: 390 (7%)
    - v. >30 ppb: 214 (4%)
    - vi. >150 ppb: 50 (0.8%) (DEQ and DHHS are working to get a plan in place to ensure these homes are visited).

\*Note, per MDEQ, this data is from uncontrolled samples provided by residents.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Coordinating distribution of appropriate supplies to Flint water system franchise customers outside the City of Flint.
- Coordinating with owner of new warehouse site for access to the site, and operations at the facility.
- Addressing various public concerns, including availability of supplies to residents in apartment complexes.
- Attended meeting with UM-Flint to discuss student volunteer opportunities and potential communications support.
- Attended VOAD meeting to discuss volunteer engagement, volunteer management, and distribution management.
- Coordinating replacement for Team Rubicon after their demobilization for rapid response deliveries.

Chris

**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV); Baird, Richard (GOV); Hollins, Harvey (GOV); Clement, Elizabeth (GOV); 'snyderr11@michigan.gov'; 'calleyb11@michigan.gov'; Creagh, Keith (DEQ); Lyon, Nick (DHHS)

**Cc:** Banner, Shanon (MSP); Leix, Ron (MSP); Murray, David (GOV); Holland, Meegan (GOV); Katarsky, Anthony (MSP); Sachs, Tori (GOV); Agen, Jarrod (GOV); Scott, Allison (GOV); Redford, James (GOV); Forstner, Nathaniel (GOV)

**Subject:** SEOC Update 2/1/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 2/1/16 – 28<sup>th</sup> Day (27<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

#### Mission focus for the day:

- Finalize new Incident Action Plan (IAP) for Operational Period 2/2/16 to 2/9/16.
- Sync up with the UCG to ensure lines of communication and operation are clear.
- Ensure adequate quantities of supplies to support operations.
- Continue investigating a warehousing option for non-palletized donations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Continue to work on SBA application – pends status of Declaration of Emergency appeal.
- Obtain additional information from the City of Flint and Genesee County for appeal.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal. IHP is an Individual Assistance program.

#### Attached:

1. SitRep 27
2. Flint Water Timeline (DRAFT) – This is a running record I keep so I have it for future reference. This is draft but thought some of you may want it at this time.
3. State Agency Weekly Activities – It was mentioned on the morning call to have a weekly activities sheet. I am certain there are other events to be added but this is from the SEOC personnel.
4. Day to Day POD Comparison Data – Internal for EMHSD and FEMA

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Tuesday, February 2, 2016
- Franchise Customers continue to be targeted for visits with additional to be determined.

#### Items to Note

- The question came up as to the difference between active residential customers and residential parcels. Customers are on the Flint water system according to what the City of Flint provides us. Residential parcels are those not on the system for numerous reasons to include them having a well or just not connected to the system. We are aware some not on the system have gotten filters. I also do not have a lot of faith in the records provided to us by the city water department. We just received an updated franchise list which had more customers from the city that is different from the one we were given earlier.
- Received approval to obtain a former Kroger store near Statoin 6 POD. This will greatly alleviate donation management issues. Office space is available at this location if needed.
- 10 ARC Flint Water Response Teams to the field today.
- GIS was not able to develop maps with today's data due to issues with the software. They will be providing maps first thing tomorrow.
- Recovery Branch coordinated meeting with Michigan Community Service Commission (MCSC), Local EOC, and ARC regarding volunteer coordination and reporting.
- JIC is working to set up a legislative and congressional briefing call this week.
- Information reported to the JIC:
  - As of 2/1/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	ARC Paper Data* 1/31/16	Targeted Canvassing Mission 2/1/16
30,770	37,844	11,876	1,135	1,164

\*Data from last night that was not available.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	244,933
b. Filters	101,911
c. Filter cartridges	205,820
d. Test kits	33,561

3. Resources purchased:

- a. Cases of water 2,637,324 Liters (additional 1,127,171 Liters donated)
- b. Filters 165,048
- c. Filter Cartridges 389,357
- d. Test kits 62,701

4. Teams going out tomorrow:

- a. 10 American Red Cross Teams scheduled for Tuesday, February 2, 2016.

Standing Information Requirements

1. Number of homes visited each day:

- a. 1/31/16, ARC Data, 1,135 homes were visited yesterday. Data was not included in yesterday's report.
- b. 2/1/16, as of 5 pm, 1,164 homes were visited today

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 11,876

3. Total number of National Guard on the ground:

- a.

4. Total Number of Volunteers each day:

- a. 50 volunteers on 2/1/16, per ARC.

5. \*Number of homes with filters:

	Total Number	Number with filters*
Residential parcels	38,831	28,167
Active residential water subscribers	26,673	22,400

\*Number does not include franchise customers, will be updated tomorrow morning.

6. Number of Water filters distributed (each day and to date):

- a. 1,318 (1,001 FWRT + 317 PODs [1700 1/31 to 1600 2/1]) were distributed since this report yesterday and total distributed to date is 101,911.

7. Cases of Bottle water distributed (each day and to date):

- a. 10,443 (1,218 FWRT +9,225 PODs [1700 1/31 to 1600 2/1]) were distributed since this report yesterday and the total distributed to date is 244,933.

8. Number of testing kits distributed (each day and to date):

- a. 1,091 (293 FWRT +798 PODs [1700 1/31 to 1600 2/1]) were distributed since this report yesterday and the total distributed to date is 33,184.

9. Number of people tested for elevated blood levels (kids, adults, total):

- a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351

\*this data will not be updated again until Tuesday.

10. Number of people with elevated blood level (kids, adults, total):

- a. Per CHECC: These numbers are only updated bi-weekly

- i. Children less than 6 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 38
- ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 7
- iii. Adults 18 years and older  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 22

\*This data will not be updated again until Tuesday

#### 11. Number of homes with safe drinking water:

##### a. Drinking water (9/3/15 to 2/1/16)\*

- i. 5227 out of 5590 (94%) at or below 15ppb (363 tests above)
- ii. <5 ppb: 4594 (82%)
- iii. 5-15 ppb: 633 (11%)
- iv. > 15 ppb: 363 (6%)
- v. > 150 ppb: 48 (0.9%) – DEQ was tasked with getting better information on this as to how many are residences, what steps have been taken with them, how many have been “cleared,” and how many are new. They will be working on it first thing tomorrow. Based on sheets I was provided this evening, since the report on Friday:
  - 1. Saturday there were 4 additional results >150 ppb
  - 2. Sunday there were 5 additional results >150 ppb
  - 3. Monday there were 6 additional results >150 ppb
- vi. > 30 ppb: 199 (4%)

\*Note, per MDEQ, this data is from uncontrolled samples provided by residents.

#### Local EOC

- Coordination of rapid response deliveries to homebound residents and special locations.
- Finalized rapid response delivery plan with ARC, Team Rubicon, Michigan Community Service Commission and SEOC.
- IC/Genesee County EMC attended county commission meeting, briefed commission on response efforts, and addressed questions and concerns.
- Addressing public concerns, including rumors of availability of FEMA relocation assistance.
- Coordinating with charter schools outside the city of Flint/Flint water system for supply of water resources to students that are Flint residents.
- Attended conference call with Dow Chemical to discuss potential donation of filter systems. Will provide spec sheets to SEOC Logistics.

Chris

**Subject:** SEOC Update 1/31/16 - Flint Water - Limited Distribution

#### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

#### Update 1/31/16 – 27<sup>th</sup> Day (26<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue investigating a warehousing option for non-palletized donations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.

- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Finalize SBA application.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Key items for tomorrow to note are:

- **10 American Red Cross Teams scheduled for Monday, February 1, 2016**
- **City Sections Scheduled Tomorrow\*:** Franchise Customers, Additional to be determined.  
\*City sections subject to change based on available data updates. Teams will reach out for additional assignments if entire city section is completed during the operational period.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- Information reported to the JIC:
  - As of 1/31/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

#### 1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 1/31/2016 *
30,770	37,844	9,577	551*

\*Due to an issue with the iPads in the field not all numbers were captured for today's outreach. The additional residences will be entered tonight by ARC and will be included in the data for tomorrow, per Recovery Branch.

#### 2. Distributed:

Commodity	Total to Date
a. Number of cases of water	234,490
b. Filters	100,593
c. Filter cartridges	204,736
d. Test kits	32,093

#### 3. Resources purchased:

- a. Cases of water      2,637,324 Liters (additional 996,080 Liters donated)
- b. Filters                      165,048
- c. Filter Cartridges      383,282
- d. Test kits                    62,701

#### 4. Teams going out tomorrow:

- a. 10 American Red Cross Teams scheduled for Monday, February 1, 2016.

#### New Standing Information Requirements

#### 1. Number of homes visited each day:

- a. 1/31/16, as of 5 pm, 551\* homes were visited today
  - i. \*The numbers are low due to an issue with the iPad input, the additional residences will be inputted tonight and included in tomorrow numbers.

#### 2. Total number of homes visited:

- a. Targeted Canvassing Mission: 9,577

#### 3. Total number of National Guard on the ground:

a.

4. **Total Number of Volunteers each day:**

- a. 236 volunteers on 1/31/2016, per ARC.

5. **Number of homes with filters:**

	Total Number	Number with filters
Residential parcels	38,831	28,081
Active residential water subscribers	26,673	22,334

6. **Number of Water filters distributed (each day and to date):**

- a. 624 (299 FWRT + 325 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and total distributed to date is 100,593.

7. **Cases of Bottle water distributed (each day and to date):**

- a. 7,302 (426 FWRT + 6876 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and the total distributed to date is 234,490.

8. **Number of testing kits distributed (each day and to date):**

- a. 581 (251 FWRT + 330 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and the total distributed to date is 32,093.

9. **Number of people tested for elevated blood levels (kids, adults, total):**

- a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351

\*This data will not be updated again until Tuesday.

10. **Number of people with elevated blood level (kids, adults, total):**

- a. Per CHECC: These numbers are only updated bi-weekly
- Children less than 6 years old  $\geq 5 \mu\text{g/dl}$  since 10/1/2015: 38
  - Children 6 to 17 years old  $\geq 5 \mu\text{g/dl}$  since 10/1/2015: 7
  - Adults 18 years and older  $\geq 5 \mu\text{g/dl}$  since 10/1/2015: 22

\*This data will not be updated again until Tuesday

11. **Number of homes with safe drinking water:**

- a. 5,020 water samples out of 5,356 sampled through January 31, 2016 are at or below the action level of 15 ppb for lead. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

Local EOC

- Addressing various public concerns, including concerns regarding filter efficiency.
- Establishing procedures for receiving incoming donations of loose water at overflow locations.
- Established rapid response delivery plan with ARC and Team Rubicon.
- Coordinated rapid response deliveries to homebound residents and special locations.
- Coordinated with VRC for door-to-door distribution of recycling information and supplies.
- Genesee County Board of Commissioners meeting scheduled for 02/01/2016.

Chris

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 02/02/2016 08:00:00  
Operational Period End: 02/09/2016 08:00:00  
Situation Report No. 28  
SEOC Status: Full  
SEOC Hours of Operation Begin: 02/02/2016 08:00:00  
SEOC Hours of Operation End: 02/02/2016 20:00:00

## Executive Summary

### SEOC Update:

Accomplished today (February 2, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

### Logistics:

- Fielded resource requests.
- Fielded rapid response requests.
- Fielded Governor's office request.
- Facilitated distribution team calls.
- Coordinated warehouse deliveries – donated water.
- Submitted proposal to open second warehouse – proposal approved.
- Sent request to Chad Veaser to secure Adventists to staff warehouse.
- Requested equipment/supplies from ALANaid for new warehouse.
- Requested FEMA advisors for new warehouse.
- Requested DOC's assistance with warehouse management and staffing for new warehouse.
- Revised staffing for the Recovery branch.
- Requested DOC work crew to assist in short-term staffing for the new warehouse.
- Fielded inquiry from ARC on the Washington Post wanting to tour the warehouse.

### JIC:

- Created a morning and afternoon media monitoring report and looked for information requiring correction.
- Updated internal talking points about the ongoing Flint water emergency.
- Continued routing public information materials for approval, including communications about water bottle and water filter recycling and water filter installation fact sheets.
- Partnered with the Michigan Association of Broadcasters (MAB) to record two PSAs in Spanish. The PSAs were shared with MAB member stations.

### Recovery Branch:

- Attended local brief, SEOC state agency briefing meeting, and distribution process meeting
- Worked with GIS to map and analyze City of Flint apartment buildings to send out water resource teams.
- Created plan for ARC to visit apartment complexes.
- Worked with GIS to develop a map and street addresses for franchise customers to send out to Red Cross water resource teams.
- Team priority visited today: completed section 8 list
- City sections visited today: 10 remaining franchise customers.
- City sections scheduled tomorrow\*: apartment complexes
- 10 American Red Cross Teams scheduled for Wednesday, February 3, 2016.

o Data is for 2/2/16 as of 5:00 pm (Data is low due to iPad difficulties, additional data will be included in tomorrows numbers):

o Total homes visited:

□ 12,406 (round 3 total).

□ 530 (today).

o Water cases (liters calculated by multiplying # of cases x 12):

□ 93,120 liters or 7,760 cases (round 3 total).

□ 5,328 liters or 444 cases (today).

o Replacement cartridges:

□ 1,965 (round 3 total).

□ 99 (today).

o Faucet filters:

□ 6,400 (round 3 total).

□ 172 (today).

### Planning Section:

- Published Sit Rep #28.
- Finalized SBA request.

- Participated in local EOC, state agency, and distribution process conference calls.
- Posted signed IAP #8 to MI CIMS.
- Expanded Governor's data tracking worksheet.

#### Operations Section:

- o DHHS is researching options for seniors to open bottled water.
- o DHHS reported CDC is sending staff today to assist with the response.
- o Held a 1000 meeting with State Director, DEQ, DHHS, and Recovery branch to develop a plan for residences testing over the action level of 150 ppb.
- o Facilitate daily local EOC and SEOC state agency briefings
- o 27 total volunteers (20 ARC and 7 event based) were active across the operation today.

#### o Warehouse Numbers as of 1800:

- Water (liters):
  - 538,085 liters or 48,757 cases.
- Filters (faucet):
  - 49,016.
- Replacement cartridges:
  - 372,350.
- Test Kits (prepped):
  - 22,292.

#### o PODs (1700 2/1 – 1600 2/2):

- Water (cases):
  - 120,960 liters or 10,080 cases.
- Filters (faucet):
  - 415.
- Replacement Cartridges:
  - 723.
- Test kits:
  - 435.

#### Finance Section:

- Met with State Budget Office to discuss and develop collaborative cost reporting for all state agencies.
- Reviewed EMHSD Staff overtime to estimate current costs.
- Reviewed FEMA RRFs for commodity costs for projections and match calculation.

#### GIS Branch Updates:

- Created a map for DHHS of blood levels for children 0-6 years old in the city of Flint.
- Updated the data collection application to include parcels outside of the city of Flint.
- Worked in verifying HUD housing addresses for recovery.
- Calculated the number of kitchen sinks in the city of Flint
- Consolidating field team data to streamline daily map requests.

#### DTMB:

- DTMB Print & Graphic Services translating aerator fact sheet in Spanish and Arabic.
- DTMB has five trucks/drivers assisting with delivery of supplies; three for the point of distribution sites and two assisting the food bank.
- Asked to provide credentialing for contractors working on fixture replacement work at regulated facilities.
- Providing a lockset at the JIC office space in Flint.
- DTMB Real Estate worked with landlord of former Kroger store on Pierson Road in Flint to write up a month-to-month rental agreement.

#### DHHS-CH:

- Participated on a conference call with DEQ, LARA, EPA, CHECC, and MDHHS Environmental Health to discuss the plan and process going forward to follow-up with the homes that have tested at 150 PPB or higher for lead.
- Confirmed with MDARD and the JIC that MSU is not offering free lead testing for pets; and therefore, this information should not be provided to callers who call the CHECC hotline. This information has also been provided to Human Services for 2-1-1.
- Held a discussion with the CHECC regarding identification and outreach to pregnant women and young children in Flint. Those activities are ongoing and include the development of an info-graphic as well as inclusion in the Wednesday webinar series that Dr. Wells will be providing to health professionals weekly.
- Worked with GIS to obtain a map that depicts an overlay of blood lead level testing results and water testing results. Not available for dissemination, as they contain sensitive health information protected by HIPPA.

#### DEQ:

- 621 test kits delivered to lab.
- Coordinated with the EPA for participation on the high lead home strike force.

#### Local EOC Update:

- Coordinating rapid response deliveries to homebound residents and special locations.
- Coordinating distribution of appropriate supplies to Flint water system franchise customers outside the City of Flint.
- Coordinating with owner of new warehouse site for access to the site, and operations at the facility.
- Addressing various public concerns, including availability of supplies to residents in apartment complexes.
- Attended meeting with UM-Flint to discuss student volunteer opportunities and potential communications support.
- Attended VOAD meeting to discuss volunteer engagement, volunteer management, and distribution management.
- Coordinating replacement for Team Rubicon after their demobilization for rapid response deliveries.

### Incident Response/Recovery Priorities/Objectives

(Objectives are in order of priority with original objective number attached)

11. Ensure accurate tracking and accounting of all donations.
5. Continue to maintain adequate staffing to support operational requirements.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
9. Enhance situational awareness and common operating picture of all activities.

8. Maintain coordination between partner agencies and organizations to include FEMA IMAT, FWCC, and the US Department of Health and Human Services Unified Coordination Group (UGC).
3. Improve and maintain the public information strategy and process.
6. Develop an overview of possible assistance programs.
4. Develop a long term public health and services plan.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
1. Ensure all households within impacted community have required resources and are included in DEQ water sampling plan.
2. Ensure accurate tracking and accounting of all commodities.

#### Damage Assessment Summary

#### Agency Summaries

##### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was expected to be operational in Flint from 8 a.m. to 8 p.m. on Feb. 2. The JIC was operational until 10:45 p.m. on Feb 1.

State agencies at the JIC included the Michigan State Police and Departments of Agriculture and Rural Development, Environmental Quality, Health and Human Services, Licensing and Regulatory Affairs, Transportation, and Military and Veterans Affairs. The Genesee County Sheriff's Office and the American Red Cross were also present.

##### Tasks accomplished:

- Media hotline staff answered more than 20 emails and phone calls ranging from DEQ staff legal representation to National Guard members refusing to deliver supplies to certain areas of Flint because it is considered "too dangerous."
- Key agency PIOs fielded multiple news inquiries throughout the day, including conducting or scheduling interviews with the *Baltimore Sun*, *New York Times*, *Lansing State Journal*, ABC News, WJRT-TV 12 in Flint, WEYI-TV 25 in Flint, and WNEM-TV 5 in Flint.
- Created a morning and afternoon media monitoring report and looked for information requiring correction.
- Updated internal talking points about the ongoing Flint water emergency.
- Continued routing public information materials for approval, including communications from about water bottle and water filter recycling and water filter installation fact sheets.
- Continued adding individuals to staff the Flint JIC for the next two weeks.
- Partnered with the Michigan Association of Broadcasters (MAB) to record two PSAs in Spanish. The PSAs were shared with MAB member stations.

##### Agriculture and Rural Development (MDARD)

As of 2/2/16, MDARD completed water assessments at all 21 food businesses in the high risk area and 127 in the medium risk and 221 in other areas (numbers differ from those reported 2/1/16 due to risk reclassification of some businesses). Follow-up assessments/verification sampling was completed at 15 firms.

Staff have collected 125 water samples to date, with more scheduled for this week. Results for 61 of the samples are back. 51% had elevated lead levels (over 0.01 ppb) including 4 samples with levels greater than 15 ppb.

MDARD Environmental Stewardship Division staff held a conference call today with several local entities regarding how we can coordinate urban agriculture/gardening questions related to the Flint Water issue. One resource is the MSU Extension Lead Webpage: <http://msue.anr.msu.edu/program/info/lead>.

There was a rumor that the Michigan State University Veterinary Clinic was conducting free lead testing for Flint pet owners. It was confirmed this afternoon that this is not true.

##### American Red Cross (ARC)

The American Red Cross deployed and supported 10 Water Response Teams on Tuesday, 2/2/16. It's anticipated that 10 teams will deploy tomorrow.

The Volunteer Reception Center (VRC) was in operation today, from 9am to 5pm, and processed 25 event-based volunteers. Assembly of water test kits will resume when materials become available.

##### Civil Rights (MDCR)

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Maintaining media awareness regarding situation and community activities. Pull list of potential adaptive devices for bottle openers and forwarded to Branch Director Thelen. Requested PIO/JIC add Deaf/Hard of Hearing and Spanish language options to the website where The Disaster Distress Helpline is listed.

##### Community Health (MDCH)

The CHECC remains active at a Level 2, and continues to staff the hotline to answer any health-related questions that 2-1-1 is unable to answer in order to support GCHD.

Participated on a conference call with DEQ, LARA, EPA, CHECC, and MDHHS Environmental Health to discuss the plan and process going forward to follow-up with the homes that have tested at 150 PPB or higher for lead. DEQ has drafted a plan that will be provided to the State Director for implementation as early as tomorrow, 2/3/16.

Requested that CHECC communications staff support MSP staff with updates to the Flint Water website.

Confirmed with MDARD and the JIC that MSU is not offering free lead testing for pets; and therefore, this information should not be provided to callers who call the CHECC hotline. This information has also been provided to Human Services for 2-1-1.

Confirmed with MDE the correct zip codes to be used when responding to the CHECC's inquiry for nutritional planning.

Confirmed with the CHECC that no additional activities have occurred involving CMS since the letters to healthcare providers were sent and posted to the Flint Water website.

Held a discussion with the CHECC regarding identification and outreach to pregnant women and young children in Flint. Those activities are ongoing and include the development of an info-graphic as well as inclusion in the Wednesday webinar series that Dr. Wells will be providing to health professionals weekly.

Worked with GIS to obtain a map that depicts an overlay of blood lead level testing results and water testing results. Not available for dissemination, as they contain sensitive health information protected by HIPPA.

#### **Corrections (MDOC)**

We continued operations at the warehouse and all PODs were well supplied.

We continue to keep trucks dedicated to delivering to individual PODs and have Rapid Responses ready for any POD that gets to a critical level of supplies.

621 Water Samples were collected and delivered to the DEQ Lab in Lansing. 584 Residential and 37 MDARD

We had 17 employees and an SAI work crew on the ground in Flint today. We continue to staff the SEOC from 0800-2000, 7 days/week.

We are in the process of establishing a second warehouse location and MDOC will be staffing the second location for at 2 weeks.

MDOC has also been asked to assume Recovery Branch duties.

#### **Education (MDE)**

1. Michigan School for the Deaf. Report from MSD that two of the three new drinking fountains were installed this past weekend (Jan 30-31). Landlord said he anticipates this weekend (February 6/7), to install final new drinking fountain. Based on that, MSD will contact Joe Madziar on Monday (8 February), to establish a tentative date for LARA to schedule Stevens Hall testing.

2. MDE was contacted by Senator Stabenow's office. Her representative was very interested in CEP and the schools in Flint. We sent her some info yesterday. She also told us Stabenow's office is available to assist us in any way they can. We will continue regular communication with her and keep SEOC posted.

3. MSD reports they received confirmation that Dr. Eden Wells, Chief Medical Executive of the Michigan Department of Health and Human Services, will be attending the February 9th MSD parent meeting to address any parental concerns regarding lead exposure.

4. MSD reports visit by Dr. Jamal Gwathney, representing the U.S. Department of Health and Human Services. He said his agency is part of a coordinated federal response involving HHS, FEMA, and CDC. He asked background questions about the school's response to the water crisis, and offered to assist MSD with any unmet needs. He seemed satisfied that the school's needs are met.

He asked about other potential contacts within the Deaf Community, and MSD referred him to Communication Access Center (CAC). They are the local non-profit group that runs several group homes for Deaf people, a Deaf senior citizens program, interpreter services, and provides contracted staff to MSD.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

621 samples were delivered to the lab today.

Coordinated with USEPA, USDHHS, MDHHS and MDEQ for participation on High Lead Home Strike Force.

#### **Human Services (MDHS)**

Met with MDARD & MDE on joint efforts regarding food service establishments and schools.

Working with State VAL and Recovery on process for distributing replacement cartridges in the future.

Participated on 10:00 conference call with GCHD. GCHD continues to get resources out. They have lots of federal agencies there. The NCCC team arrived 02/01/16, they are being oriented to the area and what efforts have already been completed.

Provided logistics with information on bottle openers received from Aging and Adult and Civil Rights. This is to address the concern of some citizens with grip or strength limitations to open water bottles.

Reached out to see if MDHHS might have existing data that would help identify high population / low income areas.

CHECC continues to maintain a Level 2 Activation

#### **Licensing and Regulatory Affairs (LARA)**

Updated the LARA Executive Team

LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.

Working with DEQ for Strike Teams.

Preparing materials lists for plumbing fixtures.

#### **Military and Veterans Affairs (DMVA)**

1. DTG: 0113002016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: Ssg Gazzeny, Darryl L. Cell: (                      Email: armyinfantry31@yahoo.com

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. SITUATION OVERVIEW: 1-125 IN has      Soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has      Soldiers on ground supporting the mission.

7. OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.

a. SEOC has the POC with MDOT. Lt. Benke will be linking up with MDOT technician to do a visual reconnaissance.

1.) Workers from the City of Flint determined that they do not have the capabilities to support the road sign warnings. Local EOC was working through the Genesee County Road Commission and determined that they do not have the resources to sustain our long term operations.

b. Flint City Electricians have assessed outside lighting issue at station 5 and 8. In addition, they will be fulfilling long requested work order for maintenance on all lighting at those stations. Station 8 work order to be initiated NLT 01FEB2016 0730.

8. PERSONNEL:      Soldiers are currently assigned to the POD operations      Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.      Soldiers were released and conducted reverse RSOL.      new Soldiers will report 2JAN2016 in support of TF Flint.

9. INTELLIGENCE / FORCE PROTECTION: Michigan militia did establish a presence within the AO. The intentions were not harmful and in support of efforts made to resolving issues to residents of Flint.

10. LOGISTICS: In support of recycle project sponsored by Schupon, the special purpose recycle bags have not been distributed to POD operations.

11. COMMUNICATIONS: No communications issues at this time.

P: 800 MHz radios issued to PODs and WRTs.

A: RRF cell phones alternate for WRTs.

C: Personal cell phone

E: Runner

12. NARRATIVE: N/A

#### **13. COMMANDER'S EVALUATION:**

- POD operations are still functioning well. We are trying to improve the efficiency, professional appearance, and long-term establishment of the POD's, but, overall the POD's operations are remaining successful.

- Recycling has been implemented at PODs 1, 5, and 8. Recycling is happening frequently but at a restriction due to the lack of supply of clear recycle bags given from schupan..

- Consolidated Station Report OUT (last 24 hours)

Bottled water-3523 Water (Gallons)-244 Lead Testing Kits-235

Pitcher (23 cup)-0 Brita Faucet Filter-136 Brita Replacement Cartridge-186

Pur Filter-162 Pur Replacement Filter-346

#### **National Weather Service (NWS)**

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

#### **Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

#### **Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe

Operations Section:

- o Facilitated state agency and local briefing calls.
- o Follow up on reported resident concerns.
- o Warehouse Numbers as of 1800:
  - Water (liters):
    - 435,742.
  - Filters (faucet):
    - 50,360.
  - Replacement cartridges:
    - 362,597.
  - Test Kits (prepped):
    - 25,019.
  - Test kits (un-prepped):
    - 0 (all supplies out to ARC for assembly).
  - o PODs (1700 1/29 – 1800 1/30):
    - Water (cases):
      - 9,743.
    - Filters (faucet):
      - 622.
    - Replacement Cartridges:
      - 932.
    - Filters (pitcher):
      - 0 (no longer being distributed at PODs).
    - Test kits:
      - 336.

Finance Section:

- Review current cost data from state agencies that have submitted information.
- Updated Resource Request Information
- Log Commodity Costs and Quantity Information
- Update spend plan with state agency costs

GIS Branch Updates:

- Created a church location map for local EOC.
- Map of DEQ water test sites with lead and copper level result.
- Provided image of water service curb maps for JIC.
- Created spreadsheet of residential vacant parcels for DEQ.
- Created team assignment area map.
- Created individual team area maps.

DTMB:

- Supporting logistics with requests.
- Demobilizing some of the iPads in field.
- Michigan.gov website was attacked again today – site continued to run.

DHHS-CH:

- 211 number receiving numerous inquiries regarding sample turnaround times
- Filters may not be effective with levels exceeding 150 parts per million.
- Media coverage on this – looking for JIC assistance.

DEQ:

- Request from ECC for 8 sampling teams to begin February 8.
- Coordination of the composition of teams for ECC.

Local EOC Update:

- Coordinated short-term resource needs of incoming volunteer groups.
- Addressing public concerns regarding filter efficiency.
- Addressing concerns regarding rapid response delivery system.
- Planning for transition of operational control to local level.
- Planning for demobilization of MSP/EMHSD support staff at Genesee County EOC.
- Attended conference call with Michigan Community Service Commission regarding long-term volunteer management plan.
- Refined 211 data entry and record keeping process.

**Incident Response/Recovery Priorities/Objectives**

(Objectives are in order of priority with original objective number attached)

1. Ensure all households within impacted community have required resources.
2. Ensure accurate tracking and accounting of all commodities.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
3. Improve and maintain the public information strategy and process.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT and the FWICC
4. Develop a long term public health and services plan.
6. Develop an overview of possible assistance programs.
9. Enhance situational awareness and common operating picture of all activities.
5. Continue to maintain adequate staffing to support operational requirements.

**Upcoming Forecast**

Forecast Update for Flint, MI - January 30

- \* Quiet weather today Saturday (January 30) with rain Sunday (January 31).
- \* Milder temperatures this weekend with high temperatures in the mid 40s Saturday (January 30) and 45 to 50 on Sunday (January 31)
- \* Drier and cooler Monday (February 1st)
- \* Rain Tuesday afternoon (February 2nd) through Tuesday night - may mix with sleet, freezing rain and snow. Details below
- \* Turner much colder late next week (February 3rd-5th)

Tuesday afternoon (February 2) through Tuesday night looking like it could be a very rainy, wet stretch in the Flint area. Some portions of Michigan, especially the upper peninsula, northern lower and southwest lower could see significant snow and maybe some sleet and freezing rain with travel impacts and power outages possible. Flint area right now looks like mostly rain, but the forecast could change to include snow, sleet freezing rain for Tuesday and Tuesday night.

JIC not operational in Flint today. PIO operated out of SEOC.

**Agriculture and Rural Development (MDARD)**

Friday, Jan 30th -

MDARD has developed plans for the coming week for water sampling and assessments of food businesses as well as follow up

based on test results, including verification and compliance assistance. As of 1/29, MDARD completed water assessments at all 18 food businesses in the high risk area and 135 of the 156 in the medium risk area, as well as 58 in the other parts of the City. The overall assessment compliance rate is 70.1%. We also have collected 74 water samples, with more scheduled for next week.

#### **American Red Cross (ARC)**

The American Red Cross deployed and supported 10 Water Response Teams on Saturday. We expect to have 10 teams available tomorrow as well.

Carpenters and Millwrights supplied hundreds of volunteers today. Some were assigned to accompany the Water Response Teams. The rest filled their own vehicles with bottled water and were assigned distribution routes.

The Volunteer Reception Center (VRC) was in operation today and processed 169 event-based volunteers. Sunday's schedule is 9am to 3pm.

Assembly of water test kits will resume when materials become available.

#### **Civil Rights (MDCR)**

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Maintaining media awareness regarding situation and community activities. Provided link to Spanish version of CDC infographic "If you are pregnant" to tasking request via MI-CIMS [http://www.cdc.gov/nceh/lead/tools/are\\_you\\_pregnant\\_spanish.pdf](http://www.cdc.gov/nceh/lead/tools/are_you_pregnant_spanish.pdf)

#### **Community Health (MDCH)**

The CHECC remains activated at a level 2 with communications being coordinated between GCHD EPC, Federal Coordinating Officers, MDHHS Leadership and the SEOC.

CHECC hotline received multiple calls related to water filter efficacy. Overall total call volume remains low.

Nutritional planning and Disaster Behavioral Health planning is ongoing in the CHECC and with partnering agencies.

Received a communication from the Michigan Pharmacist Association offering to collaborate and brainstorm ways that pharmacies in the Flint area can support response efforts. A call may be scheduled with MPA and the CHECC to explore this option further.

#### **Corrections (MDOC)**

We continued to streamline operations at the warehouse to assure that PODs are well supplied. Today was the second consecutive day the PODS did not run out of supplies. We will continue to keep trucks dedicated to delivering to individual PODs and have Rapid Responses ready for any POD that gets to a critical level of supplies.

203 Water Samples were collected and delivered to the DEQ Lab in Lansing.

A total of 3 Semi-Tuck and Trailers and 3 full box trucks of water were and loaded today at the warehouse and delivered to the Home Depot parking lot for the large scale volunteer event with Red Cross.

We are in the process of training backfill personnel for the staff assigned to the detail.

#### **Education (MDE)**

1. Michigan School for the Deaf. Report to LARA on the latest word from the landlord is that the three new drinking fountains will be installed this weekend (Jan 30-31). He said we should allow him until mid-week, next week, as a back-up estimated completion date. Based on that, MSD contacted Joe Madziar, and he indicated next Friday (February 5) would be a tentative date for LARA to schedule Stevens Hall testing.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

Responded to request from EPA by providing up-to-date spreadsheet of sample results through January 29, 2016.

Worked with Joint Information Center (JIC) to seek to manage public expectations about how long it will take for sample results to be mailed to residents, given what was reported in some media.

Confirmed that the City was provided the assistance they requested yesterday to send out sample test results.

Continued activities to comply with EPA Order, including:

Ordered Public Information Officer (PIO) for DEQ Incident Management Team to liaison with Flint Emergency Operations Center PIO, as well as documentation leader.

Several new mapping/GIS requests for overall analysis.

Initiated resource order for 10 new teams with law enforcement escort.

Secured addresses of currently unoccupied homes.

## **Human Services (MDHS)**

Worked with SEOC PIO to address some concerns brought up by 211, due to some media stories related to water filter capabilities, and duration to obtain water test results.

CHECC continues to maintain a Level 2 Activation

## **Licensing and Regulatory Affairs (LARA)**

-Updated the LARA Executive Team

-Work by LARA/BCC at Freeman Elementary School was completed today. Testing performed by DEQ/LARA will take place tomorrow.

-A material list was completed for Neithercut Elementary School,

## **Military and Veterans Affairs (DMVA)**

Commanders Situation Report (SITREP)

1. DTG: 301300Z016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: 1LT Roland, John G. Cell: Email: john.g.roland2.mil@mail.mil.com

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. SITUATION OVERVIEW: 1-125 IN has 65 Soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has 65 Soldiers on ground supporting the mission.

7. OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.

a. SEOC has the POC with MDOT, standing by for a response.

1.) Workers from the City of Flint determined that they do not have the capabilities to support the road sign warnings. Local EOC was working through the Genesee County Road Commission and determined that they do not have the recourses to sustain our long term operations.

b. Flint City Electricians have assessed lighting around the outside areas of the PODs IOT fix lighting issues.

2.) Monday, 01 Feb 2016, at 0730hrs the electrician is planning on fixing the lighting issue at POD 8.

8. PERSONNEL: 65 Soldiers are currently assigned to the POD operations. 58 Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.

9. INTELLIGENCE / FORCE PROTECTION: No force threats have been identified.

10. LOGISTICS: No Change.

11. COMMUNICATIONS: No communications issues at this time.

P: 800 MHz radios issued to PODs and WRTs.

A: RRF cell phones alternate for WRTs.

C: Personal cell phone

E: Runner

12. NARRATIVE: N/A

13. COMMANDER'S EVALUATION:

- POD operations are still functioning well. We are trying to improve the efficiency, professional appearance, and long-term establishment of the POD's, but, overall the POD's operations are remaining successful.
- We have about half of the current 1-125 IN BN soldiers who would like to stay on the TF Flint mission orders. For continuity purposes, my recommendation is to utilize these as long as possible.
- Flint water response team badges were provided to the POD's to ensure each soldier was a credentialed member of the Flint water response team.
- MSU football is planning on sending (20) football players to assist in POD operations. The LEOC is working in acquiring a roster so we can establish a plan to have them assist in the operation. Orange reflective vests and Flint water response badges will need to be acquired from the LEOC for these volunteers.
- Consolidated Station Report OUT (last 24 hours)
- Bottled water- 7030 Water (Gallons)- 16 Lead Testing Kits- 269
- Pitcher (23 cup)- 0 Brita Faucet Filter- 138 Brita Replacement Cartridge- 275
- Pur Filter- 279 Pur Replacement Filter- 719

**National Weather Service (NWS)**

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

**Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

**Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:

Kathryn C. Boles

President, CEO

Valley Area Agency on Aging

225 E. Fifth Street, Suite 200

Flint, MI 48502

(810) 239-7671

(810) 239-8869 fax

**State Police (MSP)**

The MSP position within the SEOC will be staffed at MSP Operations at HQ. All e-mails to MSP-EOC-MDSP@michigan.gov are being forwarded to the Operations Lt. The phone number for the on duty Operations Lieutenant is 517-241-8000

**Technology, Management and Budget (MDTMB)**

Continue to provide DTMB management with daily updates and resource requests received.

DTMB Print & Graphic Services continues to provide translation of water documents and printing for water related documents. Demobilizing iPads. 71 of 151 tablets have been returned to DTMB. Genesee County will retain 25 tablets for their use. Working with local EOC to determine where the remaining tablets are located.

Continue to provide server monitoring of MiCIMS servers and analyzing slow internet service at the Joint Information Center in the Flint State office Building.

Provided access cards and access to employees at the JIC and for Federal partners.

Providing a laptop with dual monitors and a printer for DEQ employee in Constitution Hall. Will be installed by COB Monday dual monitors and laptop installed at Constitution Hall.

Increased storage space for the JICManager Outlook mailbox.

**Transportation (MDOT)**

MDOT is providing traffic measures at Fire Station #6 on Pierson Rd. and Fire Station #3 on Martin Luther King Blvd:

-4 portable changeable message boards (2 each site).

-100 grabber traffic cones (narrow reflective cones) (50 each site)

MDOT continues to maintain situational awareness and respond to issues regarding equipment and road conditions.

**Incident Related Images**

1/31/2016

**#OpPoisonedH2O**

Greetings citizens of the world we are Anonymous. The Flint water crisis has drawn the attention of Anonymous. Anonymous would first like to pay respect to this deliberate poisoning. We will not rest until the families of the murdered people and lead poisoned children get justice. The victims have been specified (garbled). We will support you and magnify your voice. For Michigan Governor Rick Snyder your failed cost cutting measures have caused the death of your people you are charged with the responsibility to protect. The decent and responsible next action from you would be to step down from office. This isn't what you have chosen to do. Instead you are allowing the people of Flint to be further terrorized by the system you set up. You gave the power of Flint's government to an emergency manager. Darnell Earley rejected using Flint River water in 2012 after meeting with the EPA. Yet you overrode his decision. You used the contaminated river water and the deteriorated plumbing. You also decided to save another \$100 per day by not adding the critical chemicals to keep from further degrading the aging infrastructure. City and State workers have been provided clean drinking water for quite some time now. Yes, these debts and lifelong illnesses squarely are on your hands. The people of Flint are still being mailed bills for poisonous water. Further you threaten them with condemnation of their homes, removal of their children and placement of those children in a state agency that you govern. We will not stand idly by while you murder, poison, and terrorize our brothers and sisters in Flint Michigan. This is a call to all hacktivists, activists, trolls, protestors, marchers, agents, vishers, those who work in this corruption can speak through us Anonymously as well. All people of humanity should know that Michigan has the largest reserve of fresh water on earth. If this can happen in Michigan it can most assuredly happen where you live. We ask that you use your skills, talents, and time to help bring justice to our fallen and injured family in Flint. Cyber attacks are already under way. In the event that children are taken from their home because of failure to pay for poisonous water

there will be concentrated cyber attacks on Governor Snyder, government websites, Brian Larkin, Howard Croft, Natesha Henderson (spelling?), and Dave Walling you should do the right thing as well. Protestors should peacefully occupy the water department, 1101 Saginaw Street, Flint, Michigan. Don't let your neighbors pay for poisonous water. Protest at the Governor's mansion protest the EPA in all states. They are allowing the poisonous water to still grown and further victimization of people who live in and visit Flint. Governor Rick Snyder, State of Michigan, City of Flint, US Environmental Protection Agency, we are Anonymous united as one, divided by zero, we do not forgive we do not forget, expect us.

If you have any questions please let me know.

**Subject:** Flint update

Friends,

Here's a quick recap of last week's Flint water response.

### **\$28 Million in Emergency Funding for Flint**

On Friday, Governor Snyder, together with leaders of the Michigan legislature, signed the unanimously approved \$28 million supplemental spending bill for Flint. The emergency funding first proposed by the governor at the State of the State, will help Flint with utilities, treating children with high blood lead levels and the replacement of plumbing fixtures in schools, child care centers, foster care and nursing homes.

This emergency funding is in addition to the \$9.35 million allocated back in October to switch the water source back to Detroit's water system, purchase filters and screen for abnormal blood lead levels. **The state is working on longer-term funding to be included the Governor's budget request in February.**

Here are a few articles about this week's activities:

- NPR: Flint Needs Long-Term Solutions To Unsafe Water, State Official Says  
Lt. Governor, Brian Calley, talks to NPR about Michigan's efforts to respond to the Flint water crisis and clears up the record on part of the federal response.
- Detroit Free Press: Only \$17M in federal loans for Flint, says Lt. Gov.  
Only \$17 million of the \$80 million in federal loans available to Michigan can be used in Flint as part of recovery from the water crisis, according to Michigan Lt. Gov. Brian Calley.
- Detroit News: Snyder meets with pastors over Flint's water crisis  
Gov. Rick Snyder again held a private meeting in the city to discuss the state's response to the lead-tainted water crisis. Snyder, with an orange mug of water and a bright Flint pin notched to his lapel, sat near the end of a table inside City Hall Thursday, facing a row of concerned pastors gathered in a conference room. Mayor Karen Weaver also was present.
- Detroit Free Press: Flint's damaged pipes spark debate on fix  
Pipe corrosion experts agree that the water should be treated first with phosphates, which forms a scale layer inside pipes that inhibits corrosion, before embarking on a more permanent fix. The scale prevents lead from leaching into the water.
- Detroit News: Feds deny Snyder's request to raise Flint WIC eligibility  
The U.S. Department of Agriculture has rejected Michigan's request to increase access for Flint children ages 5 to 10 to the federal nutritional program for low-income women and children. The state had made the request as part of its effort to help mitigate the negative effects of lead exposure in Flint's children, stemming from the ongoing public health emergency in the city.

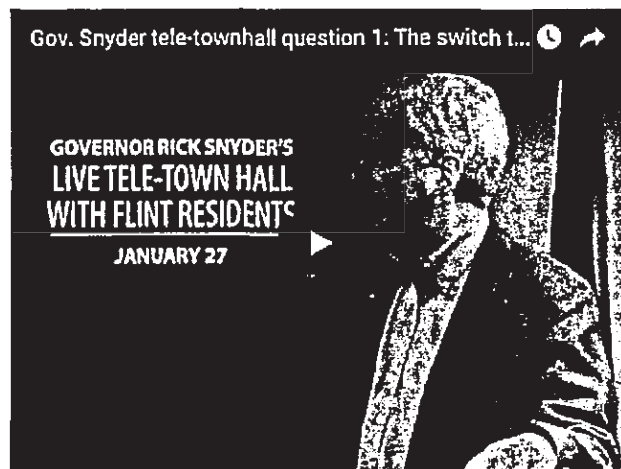

In addition to several meetings in Flint this week, Gov. Rick Snyder held a tele-town hall with nearly 8,000 Flint residents. The event covered many topics and you can listen to some of the most frequently asked questions by clicking below.

Governor Rick Snyder · oneinagood · Jan 27

Today I held a tele-town hall with Flint residents. Here is the first question about the switch to the Flint River: [youtube.com/watch?v=vmeZkL...](https://www.youtube.com/watch?v=vmeZkL...)

YouTube

Gov. Snyder tele-townhall question 1: The switch to the Flint River

We will continue to keep you updated on the situation and response efforts in Flint. If you or someone you know needs resources in Flint or if you want to donate or volunteer please visit [helpforflint.com](http://helpforflint.com).

Sincerely,

Tori Sachs  
External Affairs Advisor  
Office of Gov. Rick Snyder

**Subject:** SEOC Update 1/31/16 - Flint Water - Limited Distribution  
**Attachments:** SitRep26 Flint Water.pdf

### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

#### Update 1/31/16 – 27<sup>th</sup> Day (26<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue investigating a warehousing option for non-palletized donations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Finalize SBA application.

##### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Key items for tomorrow to note are:

- **10 American Red Cross Teams scheduled for Monday, February 1, 2016**
- **City Sections Scheduled Tomorrow\*:** Franchise Customers, Additional to be determined.  
\*City sections subject to change based on available data updates. Teams will reach out for additional assignments if entire city section is completed during the operational period.

##### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- Information reported to the JIC:
  - As of 1/31/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

##### 1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 1/31/2016
30,770	37,844	9,577	551*

\*Due to an issue with the iPads in the field not all numbers were captured for today's outreach. The additional residences will be entered tonight by ARC and will be included in the data for tomorrow, per Recovery Branch.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	234,490
b. Filters	100,593
c. Filter cartridges	204,736
d. Test kits	32,093

3. Resources purchased:

- a. Cases of water 2,637,324 Liters (additional 996,080 Liters donated)
- b. Filters 165,048
- c. Filter Cartridges 383,282
- d. Test kits 62,701

4. Teams going out tomorrow:

- a. 10 American Red Cross Teams scheduled for Monday, February 1, 2016.

New Standing Information Requirements

1. Number of homes visited each day:

- a. 1/31/16, as of 5 pm, 551\* homes were visited today
  - i. \*The numbers are low due to an issue with the iPad input, the additional residences will be inputted tonight and included in tomorrow numbers.

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 9,577

3. Total number of National Guard on the ground:

- a.

4. Total Number of Volunteers each day:

- a. 236 volunteers on 1/31/2016, per ARC.

5. Number of homes with filters:

	Total Number	Number with filters
Residential parcels	38,831	28,081
Active residential water subscribers	26,673	22,334

6. Number of Water filters distributed (each day and to date):

- a. 624 (299 FWRT + 325 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and total distributed to date is 100,593.

7. Cases of Bottle water distributed (each day and to date):

- a. 7,302 (426 FWRT +6876 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and the total distributed to date is 234,490.

8. Number of testing kits distributed (each day and to date):

- a. 581 (251 FWRT +330 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and the total distributed to date is 32,093.

9. Number of people tested for elevated blood levels (kids, adults, total):

- a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351  
\*This data will not be updated again until Tuesday.

10. Number of people with elevated blood level (kids, adults, total):

- a. Per CHECC: These numbers are only updated bi-weekly
  - i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
  - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7

iii. Adults 18 years and older  $\geq 5 \mu\text{g/dl}$  since 10/1/2015: 22

\*This data will not be updated again until Tuesday

**11. Number of homes with safe drinking water:**

- a. 5,020 water samples out of 5,356 sampled through **January 31, 2016** are at or below the action level of 15 ppb for lead. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

Local EOC

- Addressing various public concerns, including concerns regarding filter efficiency.
- Establishing procedures for receiving incoming donations of loose water at overflow locations.
- Established rapid response delivery plan with ARC and Team Rubicon.
- Coordinated rapid response deliveries to homebound residents and special locations.
- Coordinated with VRC for door-to-door distribution of recycling information and supplies.
- Genesee County Board of Commissioners meeting scheduled for 02/01/2016.

Chris

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 01/26/2016 08:00:00  
Operational Period End: 02/02/2016 08:00:00  
Situation Report No. 26  
SEOC Status: Full  
SEOC Hours of Operation Begin: 01/31/2016 08:00:00  
SEOC Hours of Operation End: 01/31/2016 20:00:00

## Executive Summary

### SEOC Update:

Accomplished today (January 31, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

### Logistics:

- Conference call with Dave Guterrez (Red Cross) and Brianna Briggs (Recovery) regarding donations management POC issues.
- Resource requests fielded.
- Rapid response requests fielded.
- Governor's office requests fielded.
- Facilitated distribution team calls.
- Assigned task received from DOC to DTMB.
- Assisted DTMB in locating missing 5000 post cards delivered to warehouse on 1/29.

### JIC:

- The JIC is operating from the SEOC on Saturday, January 30 and Sunday, January 31.
- Created a media monitoring report and looked for misinformation. Provided several media outlets with information regarding the state's efforts to reach homebound individuals as well as residents outside of the city limits who receive Flint water.
- Coordinated several updates and postings to the [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater) site.
- Updated internal and general talking points about the ongoing Flint water emergency.
- JIC will issue the nightly activity news release.

### Recovery Branch:

- Attended local brief, SEOC state agency briefing meeting, and distribution process meeting.
- Coordinated with GIS to develop an area map and spreadsheet with addresses based on data specified as "follow up required" for Red Cross teams.
- Coordinated with GIS to map and analyze city of Flint apartment buildings to send out water resource team.
- Worked with GIS to develop a map and street addresses for franchise customers to provide to Red Cross water resource teams.
- Team priority visited today: franchise customers.
- City sections visited today: 28, 17, 11, 27, 29, 30, 31.
- City sections scheduled tomorrow: franchise customers, additional to be determined.
- 10 American Red Cross teams scheduled for Monday, February 1, 2016.

o Data is for 1/31/16 as of 5:00 pm:

o Total homes visited.

□ 9,577 (round 3 total).

□ 551 (today).

o Water cases:

□ 6,098 (round 3 total).

□ 426 (today).

o Replacement cartridges:

□ 1,325 (round 3 total).

□ 76 (today).

o Faucet filters:

□ 5,227 (round 3 total).

□ 299 (today).

### Planning Section:

- Published sit rep #26.
- Worked with resource unit leader to streamline the number reporting mechanisms.
- Developed reporting process sheet for situation unit leader.
- Participated in local EOC, SEOC state agency, and distribution process conference call.

### Operations Section:

- o Facilitated state agency and local briefing calls.

- o 42 ARC volunteers were active across the operation today.
- o 194 event based volunteers were active across the operation today.
- o Discussions regarding concerns over handling water donations not on pallets or semi quantities near the end of business hours at the warehouse.
- o Warehouse numbers as of 1800:
  - Water (liters):
    - 620,558.
  - Filters (faucet):
    - 50,360.
  - Replacement cartridges:
    - 369,192.
  - Test kits (prepped):
    - 23,795.
  - Test kits (un-prepped):
    - 0 (all supplies out to ARC for assembly).
- o PODs (1700 1/29 – 1600 1/30):
  - Water (cases):
    - 6,876.
  - Filters (faucet):
    - 325.
  - Replacement cartridges:
    - 595.
  - Test kits:
    - 330.

#### Finance Section:

- EMHSD expenditure report for costs charged to city of Flint water emergency.
- Worked on draft template to be used for state agency reporting; meeting with SBO on Tuesday to discuss reporting needs.
- Reviewed FEMA RRF for estimated costs to date to track 25% match.

#### GIS branch updates:

- Updated franchise customer listing with data from city of Flint website.
- Mapped apartment complexes.
- Provided final map of lead service lines and began validating results by comparing to water testing.
- Corrected the PODS dashboard.
- Troubleshooting for iPads.
- Prepared field team maps.
- Completed daily individual team assignments map.
- Conducted heat mapping of water test results.
- Consulted with governor's office representative on public facing mapping options.

#### DTMB:

- Print & Graphic Services providing translation of lead fact sheet and printing for water testing document.
- Providing four drivers to assist with transportation of supplies on Monday (three for point of distribution sites and one for food bank).

#### DHHS-CH:

- CHECC remains active at level 2, continues to staff hotline to answer any health related questions that 2-1-1 is unable to answer.
- CHECC is also working with the GCHD to assess the potential need for volunteer staffing and management support, as well as a communication strategy for messaging to pregnant women and oral health professionals.
- UCG will be setting up four (4) Task Force Teams:
  - o Health and medical task force – Led by HHS
  - o Human services task force – Led by Administration for Children and Families
  - o Water quality task force – Led by EPA and ATSDR (CDC)
  - o Nutrition and education task force – Led by USDA

#### DEQ:

- 205 test kits delivered to lab.
- Assisted website update to ensure documents can post in the "DEQ Reports to the EPA" tab.
- Developed a data spreadsheet with graphs of water testing results by month, showing total tests for four threshold categories.

#### Local EOC Update:

- Addressing various public concerns, including concerns regarding filter efficiency.
- Establishing procedures for receiving incoming donations of loose water at overflow locations.
- Established rapid response delivery plan with ARC and Team Rubicon.
- Coordinated rapid response deliveries to homebound residents and special locations.
- Coordinated with VRC for door-to-door distribution of recycling information and supplies.
- Genesee County Board of Commissioners meeting scheduled for 02/01/2016.

#### Incident Response/Recovery Priorities/Objectives

(Objectives are in order of priority with original objective number attached)

1. Ensure all households within impacted community have required resources.
2. Ensure accurate tracking and accounting of all commodities.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
3. Improve and maintain the public information strategy and process.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT and the FWCC
4. Develop a long term public health and services plan.
6. Develop an overview of possible assistance programs.
9. Enhance situational awareness and common operating picture of all activities.
5. Continue to maintain adequate staffing to support operational requirements.

**Damage Assessment Summary****Agency Summaries****Joint Information Center / Public Information Officer**

The co-located JIC will be operational in the City of Flint.

**Agriculture and Rural Development (MDARD)**

MDARD has developed plans for the week starting tomorrow February 1 for water sampling and assessments of food businesses as well as follow up based on test results, including verification and compliance assistance. As of 1/29, MDARD completed water assessments at all 18 food businesses in the high risk area and 135 of the 156 in the medium risk area, as well as 58 in the other parts of the City. The overall assessment compliance rate is 70.1%. We also have collected 74 water samples, with more scheduled for this week.

#### **American Red Cross (ARC)**

The American Red Cross deployed and supported 10 Water Response Teams on Sunday. The Volunteer Reception Center (VRC) was in operation today from 9am to 3pm. 194 event-based volunteers were processed through the VRC today. The VRC will operate from 9am to 5pm Monday through Sunday. Assembly of water test kits will resume when materials become available.

#### **Civil Rights (MDCR)**

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Maintaining media awareness regarding situation and community activities. Requested list of links to Mexican lead-awareness documentation allegedly in use by local advocates seeking Spanish language materials.

#### **Community Health (MDCH)**

The CHECC remains active at a Level 2, and continues to staff the hotline to answer any health-related questions that 2-1-1 is unable to answer in order to support GCHD. The CHECC is also working with the GCHD to assess the potential need for volunteer staffing and management support, as well as a communication strategy for messaging to pregnant women and oral health professionals.

MDHHS participated in the Unified Coordination Group (UCG) call this morning at 0900. UCG will be setting up four (4) Task Force Teams, as detailed below. State and local entities will only be involved with these task forces on an "ad-hoc" basis if subject matter expertise is requested. Discussion took place with the UCG on the development of a "Science Group," that would advise and provide technical expertise outside of operations. The objectives of the Science Group will be set by the Flint Water Interagency Coordination Committee (FWICC).

- Health and Medical Task Force – Led by HHS
- Human Services Task Force – Led by Administration for Children and Families
- Water Quality Task Force – Led by EPA and ATSDR (CDC)
- Nutrition and Education Task Force – Led by USDA

MDHHS participated in a meeting with the CDC ATSDR and NCEH to discuss priorities in relation to data and surveillance, to include what involvement may be necessary from the state.

#### **Corrections (MDOC)**

We continued operations at the warehouse and all PODs were well supplied.

We continue to keep trucks dedicated to delivering to individual PODs and have Rapid Responses ready for any POD that gets to a critical level of supplies.

205 Water Samples were collected and delivered to the DEQ Lab in Lansing.

We are in the process of training backfill personnel for the staff assigned to the detail. We had 17 employees and an SAJ work crew on the ground in Flint today. Our employees assigned to the mission are often putting in 12+ hours days and have not complained once. *We truly appreciate their efforts and we remind them daily. We continue to staff the SEOC from 0800-2000, 7 days/week.*

#### **Education (MDE)**

1. Michigan School for the Deaf. Report to LARA on the latest word from the landlord is that the three new drinking fountains will be installed this weekend (Jan 30-31). He said we should allow him until mid-week, next week, as a back-up estimated completion date. Based on that, MSD contacted Joe Madziar, and he indicated next Friday (February 5) would be a tentative date for LARA to schedule Stevens Hall testing.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

Responded to request from EPA by providing up-to-date spreadsheet of sample results through January 29, 2016.

Worked with Joint Information Center (JIC) to seek to manage public expectations about how long it will take for sample results to be mailed to residents, given what was reported in some media.

Confirmed that the City was provided the assistance they requested yesterday to send out sample test results.

Continued activities to comply with EPA Order, including:

Several new mapping/GIS requests for overall analysis.

Initiated resource order for 10 new teams with law enforcement escort.

Secured addresses of currently unoccupied homes.

#### **Human Services (MDHS)**

Continue to review activities to provide support and assistance to Human Services branch and other SEOC entities.

CHECC continues to maintain a Level 2 Activation

#### **Licensing and Regulatory Affairs (LARA)**

Updated the LARA Executive Team

Testing at Freeman School was terminated today due to a broken pipe. Repairs occurred to ensure system is working for the school week. Testing has been rescheduled with DEQ.

Material Lists continue to be developed.

Reviewed facility needs for DHHS Child facilities.

#### **Military and Veterans Affairs (DMVA)**

Commanders Situation Report (SITREP)

1. DTG: 3113002016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: Ssg Gazzeny, Darryl L. Cell:                      Email: armyinfantry31@yahoo.com

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. *SITUATION OVERVIEW: 1-125 IN has 53 Soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.*

6. *OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has 53 Soldiers on ground supporting the mission.*

7. *OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.*

a. SEOC has the POC with MDOT. Lt. Benke will be linking up with MDOT technician to do a visual reconnaissance.

1.) Workers from the City of Flint determined that they do not have the capabilities to support the road sign warnings. Local EOC was working through the Genesee County Road Commission and determined that they do not have the resources to sustain our long term operations.

b. Flint City Electricians have assessed outside lighting issue at station 5 and 8. In addition, they will be fulfilling long requested work order for maintenance on all lighting at those stations.

8. *PERSONNEL*     Soldiers are currently assigned to the POD operations     Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.     Soldiers were released and conducted reverse RSOI.     new Soldiers will report 1JAN2016 in support of TF Flint.

9. *INTELLIGENCE / FORCE PROTECTION: No force threats have been identified.*

10. *LOGISTICS: In support of recycle project sponsored by Schupan, the special purpose recycle bags have not been distributed to POD operations.*

11. *COMMUNICATIONS: No communications issues at this time.*

P: 800 MHz radios issued to PODs and WRTs.

A: RRF cell phones alternate for WRTs.

C: Personal cell phone

E: Runner

12. *NARRATIVE: N/A*

#### **13. COMMANDER'S EVALUATION:**

- POD operations are still functioning well. We are trying to improve the efficiency, professional appearance, and long-term establishment of the POD's, but, overall the POD's operations are remaining successful.
- Recycling has been implemented at PODs 1, 5, and 8. Recycling is happening frequently but at a restriction due to the lack of supply of clear recycle bags given from schupan..
- Consolidated Station Report OUT (last 24 hours)
- Bottled water-4196 Water (Gallons)-36 Lead Testing Kits-399
- Pitcher (23 cup)-0 Brita Faucet Filter-102 Brita Replacement Cartridge-251
- Pur Filter-484 Pur Replacement Filter-623

#### **National Weather Service (NWS)**

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

#### **Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:  
Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

#### **Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:

Kathryn C. Boles  
President, CEO  
Valley Area Agency on Aging  
225 E. Fifth Street, Suite 200  
Flint, MI 48502  
(810) 239-7671  
(810) 239-8869 fax

#### **State Police (MSP)**

(Also, on February 3, is the City Council Public Safety Committee Meeting from 6 p.m. – 7 p.m. same location)

The MIOC will continue to monitor this for additional information. This information was forwarded to the SEOC, Local EOC, along with the MSP Flint Post.

The MSP position within the SEOC will be staffed at MSP Operations at HQ. All e-mails to MSP-EOC-MDSP@michigan.gov are being forwarded to the Operations Lt. The phone number for the on duty Operations Lieutenant is 517-241-8000

#### **Supreme Court**

08:50 - State Judiciary EMC John Ort reported to the SEOC regarding the Flint water emergency. Nothing to report from the Judiciary regarding the emergency. DEQ website resources shared with our State Court Administrative Office (attn: Region II) in case our Genesee County courts have any questions regarding the emergency.

#### **Technology, Management and Budget (MDTMB)**

Continue to provide DTMB management with daily updates and resource requests received.

DTMB Print & Graphic Services to provide translation of Lead Fact sheet and printing for water testing document.  
DTMB providing four drivers to assist with transportation of supplies on Monday, three for the point of distribution sites and one at the food bank.

#### **Transportation (MDOT)**

MDOT is providing traffic measures at Fire Station #6 on Pierson Rd. and Fire Station #3 on Martin Luther King Blvd:  
-4 portable changeable message boards (2 each site).  
-100 grabber traffic cones (narrow reflective cones) (50 each site)

MDOT continues to maintain situational awareness and respond to issues regarding equipment and road conditions.

### **Flint Water Daily Update Updated Feb. 1**

#### **Current Issues Talking Points**

##### **Governor and DEQ stress importance of home water testing**

- The health and safety of Flint residents remains a top priority. It is essential that all Flint residents have the water in their homes tested as soon as possible.
- While water filters will eliminate lead in most homes, those with levels above 150 parts per billion will need to take extra precaution.
- If levels are above 150 ppb, residents should not drink water from the filtered faucet and use bottled water only.
- DEQ and DHHS will visit homes found to have lead levels over 150 ppb for additional testing.
- To date, less than one percent of Flint homes have been identified as having lead levels of this amount. Results showing lower levels indicate residents should continue following established protocols.
- Pregnant and nursing mothers and young children should continue to drink bottled water as a precaution.
- Free water testing kits are available at Fire Stations 1, 3, 5, 6, and 8. Water Samples should be returned to the fire stations for testing.
- Anyone who is unable to get to a Fire Station to pick up a free testing kit should call United Way 2-1-1 for assistance.

##### **Federal denial of WIC expansion for Flint children**

- On Saturday, the federal government denied the Governor's request to use supplemental nutrition funding for Flint children up to 10 years of age who may have been exposed to high lead levels in the water.
- The governor has continually stated that the Flint water issue is the result of government failure at all levels. All levels of government should be committed to supporting Flint's families along their road to recovery.

- It is understood that WIC funding is generally meant for children five years old and younger, however this disaster calls for a waiver of this rule. Expanded nutritional support for children under 10 is essential to their long-term well-being.
- The Governor is urging the federal government to re-evaluate their denial of this funding.
- The state has provided more than \$28 million for a short-term solution in Flint, but additional funding and collaboration is necessary to implement a successful long-term solution.

**Subject:** Monday, Feb. 1 update from the Flint Water Response Team

## FLINT WATER RESPONSE TEAM

UPDATE | MONDAY, FEBRUARY 1, 2016

This daily update is being issued in order to provide the latest information regarding actions and available resources.

### **EPA and DEQ continue interagency cooperation discussions on Flint water**

Michigan DEQ Director Keith Creagh met with the EPA as part of ongoing interagency cooperation to address the Flint water crisis. *The EPA and DEQ have met regularly since a state of emergency was declared in Flint in early January.*

**[Click here to learn more about the interagency cooperation.](#)**

Flint families need critical clean water resources. Since January 9, the state has distributed:

- 234,490 cases of bottled water
- 100,593 water filters
- 204,736 replacement cartridges

### **REMINDERS**

- For Flint water assistance: Dial 211 or visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)
- To donate or volunteer: visit [www.HelpForFlint.com](http://www.HelpForFlint.com)
- Residents should install filters to their taps to ensure they have immediate and ongoing access to safe water. Only run cold water through the water filter and use filtered water for drinking and cooking. Monitor the cartridge on the filter and replace as needed.

### **WATER RESOURCE LOCATIONS**

These sites are open seven days a week from 9 a.m. to 9 p.m. with the following resources:

- Bottled water
- Water filters
- Replacement cartridges for water filters
- Water testing kits pick-up
- Drop-off location for water testing kits

Fire Station #1  
310 East 5th St.  
Flint, MI 48502

Fire Station #3  
1525 Martin Luther King Ave.  
Flint MI 48503

Fire Station #5  
3402 Western Rd.  
Flint, MI 48506

Fire Station #6  
716 West Pierson Rd.  
Flint, MI 48505

Fire Station #8  
202 East Atherton Rd.  
Flint, MI 48507

We will continue to work to improve the water situation in Flint. Community members and local officials are working together to make sure we hear and respond to concerns. Governor Snyder will continue to keep you updated on the latest news and information. **If you don't find the resources you need by dialing 211 please call the Governor's office directly at 517-335-7858.**

### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

#### **Update 2/1/16 – 28<sup>th</sup> Day (27<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

##### **Mission focus for the day:**

- Finalize new Incident Action Plan (IAP) for Operational Period 2/2/16 to 2/9/16.
- Sync up with the UCG to ensure lines of communication and operation are clear.
- Ensure adequate quantities of supplies to support operations.
- Continue investigating a warehousing option for non-palletized donations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Continue to work on SBA application – pends status of Declaration of Emergency appeal.
- Obtain additional information from the City of Flint and Genesee County for appeal.

##### **Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal. IHP is an Individual Assistance program.

##### **Attached:**

1. SitRep 27
2. Flint Water Timeline (DRAFT) – This is a running record I keep so I have it for future reference. This is draft but thought some of you may want it at this time.
3. State Agency Weekly Activities – It was mentioned on the morning call to have a weekly activities sheet. I am certain there are other events to be added but this is from the SEOC personnel.
4. Day to Day POD Comparison Data – Internal for EMHSD and FEMA

##### **Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Tuesday, February 2, 2016
- Franchise Customers continue to be targeted for visits with additional to be determined.

### Items to Note

- The question came up as to the difference between active residential customers and residential parcels. Customers are on the Flint water system according to what the City of Flint provides us. Residential parcels are those not on the system for numerous reasons to include them having a well or just not connected to the system. We are aware some not on the system have gotten filters. I also do not have a lot of faith in the records provided to us by the city water department. We just received an updated franchise list which had more customers from the city that is different from the one we were given earlier.
- Received approval to obtain a former Kroger store near Statoin 6 POD. This will greatly alleviate donation management issues. Office space is available at this location if needed.
- 10 ARC Flint Water Response Teams to the field today.
- GIS was not able to develop maps with today's data due to issues with the software. They will be providing maps first thing tomorrow.
- Recovery Branch coordinated meeting with Michigan Community Service Commission (MCSC), Local EOC, and ARC regarding volunteer coordination and reporting.
- JIC is working to set up a legislative and congressional briefing call this week.
- Information reported to the JIC:
  - As of 2/1/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

#### 1. Homes visited by the FWRTs to date.

Phase I 1/12/16	Phase II 1/12/16	Targeted Total 1/12/16	ARC Paper Data* 1/31/16	Targeted Canvassing Mission 2/1/16
30,770	37,844	11,876	1,135	1,164

\*Data from last night that was not available.

#### 2. Distributed:

Commodity	Total to Date
a. Number of cases of water	244,933
b. Filters	101,911
c. Filter cartridges	205,820
d. Test kits	33,561

#### 3. Resources purchased:

- a. Cases of water 2,637,324 Liters (additional 1,127,171 Liters donated)
- b. Filters 165,048
- c. Filter Cartridges 389,357
- d. Test kits 62,701

#### 4. Teams going out tomorrow:

- a. 10 American Red Cross Teams scheduled for Tuesday, February 2, 2016.

### Standing Information Requirements

#### 1. Number of homes visited each day:

- a. 1/31/16, ARC Data, 1,135 homes were visited yesterday. Data was not included in yesterday's report.
- b. 2/1/16, as of 5 pm, 1,164 homes were visited today

#### 2. Total number of homes visited:

- a. Targeted Canvassing Mission: 11,876

#### 3. Total number of National Guard on the ground:

- a.

#### 4. Total Number of Volunteers each day:

- a. 50 volunteers on 2/1/16, per ARC.

5. **\*Number of homes with filters:**

	Total Number	Number with filters*
Residential parcels	38,831	28,167
Active residential water subscribers	26,673	22,400

\*Number does not include franchise customers, will be updated tomorrow morning.

6. **Number of Water filters distributed (each day and to date):**

- a. 1,318 (1,001 FWRT + 317 PODs [1700 1/31 to 1600 2/1]) were distributed since this report yesterday and total distributed to date is 101,911.

7. **Cases of Bottle water distributed (each day and to date):**

- a. 10,443 (1,218 FWRT + 9,225 PODs [1700 1/31 to 1600 2/1]) were distributed since this report yesterday and the total distributed to date is 244,933.

8. **Number of testing kits distributed (each day and to date):**

- a. 1,091 (293 FWRT + 798 PODs [1700 1/31 to 1600 2/1]) were distributed since this report yesterday and the total distributed to date is 33,184.

9. **Number of people tested for elevated blood levels (kids, adults, total):**

- a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351

\*this data will not be updated again until Tuesday.

10. **Number of people with elevated blood level (kids, adults, total):**

- a. Per CHECC: These numbers are only updated bi-weekly
- Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
  - Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
  - Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 22

\*This data will not be updated again until Tuesday

11. **Number of homes with safe drinking water:**

- a. Drinking water (9/3/15 to 2/1/16)\*
- 5227 out of 5590 (94%) at or below 15ppb (363 tests above)
  - <5 ppb: 4594 (82%)
  - 5-15 ppb: 633 (11%)
  - > 15 ppb: 363 (6%)
  - > 150 ppb: 48 (0.9%) – DEQ was tasked with getting better information on this as to how many are residences, what steps have been taken with them, how many have been “cleared,” and how many are new. They will be working on it first thing tomorrow. Based on sheets I was provided this evening, since the report on Friday:
    - Saturday there were 4 additional results >150 ppb
    - Sunday there were 5 additional results >150 ppb
    - Monday there were 6 additional results >150 ppb
  - > 30 ppb: 199 (4%)

\*Note, per MDEQ, this data is from uncontrolled samples provided by residents.

Local EOC

- Coordination of rapid response deliveries to homebound residents and special locations.
- Finalized rapid response delivery plan with ARC, Team Rubicon, Michigan Community Service Commission and SEOC.
- IC/Genesee County EMC attended county commission meeting, briefed commission on response efforts, and addressed questions and concerns.
- Addressing public concerns, including rumors of availability of FEMA relocation assistance.
- Coordinating with charter schools outside the city of Flint/Flint water system for supply of water resources to students that are Flint residents.
- Attended conference call with Dow Chemical to discuss potential donation of filter systems. Will provide spec sheets to SEOC Logistics.

Chris

**From:** Kelenske, Chris (MSP)

**Sent:** Sunday, January 31, 2016 9:37 PM

**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV); Baird, Richard (GOV); Hollins, Harvey (GOV); Clement, Elizabeth (GOV); 'snyderr11@michigan.gov'; 'calleyb11@michigan.gov'; Creagh, Keith (DEQ); Lyon, Nick (DHHS)

**Cc:** Banner, Shanon (MSP); Leix, Ron (MSP); Murray, David (GOV); Holland, Meegan (GOV); Katarsky, Anthony (MSP); Sachs, Tori (GOV); Agen, Jarrod (GOV); Scott, Allison (GOV); Redford, James (GOV); Forstner, Nathaniel (GOV)

**Subject:** SEOC Update 1/31/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

**Update 1/31/16 – 27<sup>th</sup> Day (26<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

**Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue investigating a warehousing option for non-palletized donations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Finalize SBA application.

**Status on Governor’s request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Key items for tomorrow to note are:**

- **10 American Red Cross Teams scheduled for Monday, February 1, 2016**
- **City Sections Scheduled Tomorrow\***: Franchise Customers, Additional to be determined.  
\*City sections subject to change based on available data updates. Teams will reach out for additional assignments if entire city section is completed during the operational period.

**Items to Note**

- 10 ARC Flint Water Response Teams to the field today.
- Information reported to the JIC:
  - As of 1/31/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 1/31/2016
30,770	37,844	9,577	551*

\*Due to an issue with the iPads in the field not all numbers were captured for today’s outreach. The additional residences will be entered tonight by ARC and will be included in the data for tomorrow, per Recovery Branch.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	234,490
b. Filters	100,593
c. Filter cartridges	204,736

d. Test kits	32,093
--------------	--------

3. Resources purchased:
  - a. Cases of water 2,637,324 Liters (additional 996,080 Liters donated)
  - b. Filters 165,048
  - c. Filter Cartridges 383,282
  - d. Test kits 62,701
4. Teams going out tomorrow:
  - a. 10 American Red Cross Teams scheduled for Monday, February 1, 2016.

#### New Standing Information Requirements

1. Number of homes visited each day:
  - a. 1/31/16, as of 5 pm, 551\* homes were visited today
    - i. \*The numbers are low due to an issue with the iPad input, the additional residences will be inputted tonight and included in tomorrow numbers.
2. Total number of homes visited:
  - a. Targeted Canvassing Mission: 9,577
3. Total number of National Guard on the ground:
  - a.
4. Total Number of Volunteers each day:
  - a. 236 volunteers on 1/31/2016, per ARC.
5. Number of homes with filters:

	Total Number	Number with filters
Residential parcels	38,831	28,081
Active residential water subscribers	26,673	22,334

6. Number of Water filters distributed (each day and to date):
  - a. 624 (299 FWRT + 325 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and total distributed to date is 100,593.
7. Cases of Bottle water distributed (each day and to date):
  - a. 7,302 (426 FWRT +6876 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and the total distributed to date is 234,490.
8. Number of testing kits distributed (each day and to date):
  - a. 581 (251 FWRT +330 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and the total distributed to date is 32,093.
9. Number of people tested for elevated blood levels (kids, adults, total):
  - a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351  
\*This data will not be updated again until Tuesday.
10. Number of people with elevated blood level (kids, adults, total):
  - a. Per CHECC: These numbers are only updated bi-weekly
    - i. Children less than 6 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 38
    - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 7
    - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 22
 \*This data will not be updated again until Tuesday
11. Number of homes with safe drinking water:
  - a. 5,020 water samples out of 5,356 sampled through January 31, 2016 are at or below the action level of 15 ppb for lead. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

#### Local EOC

- Addressing various public concerns, including concerns regarding filter efficiency.
- Establishing procedures for receiving incoming donations of loose water at overflow locations.

- Established rapid response delivery plan with ARC and Team Rubicon.
- Coordinated rapid response deliveries to homebound residents and special locations.
- Coordinated with VRC for door-to-door distribution of recycling information and supplies.
- Genesee County Board of Commissioners meeting scheduled for 02/01/2016.

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 01/26/2016 08:00:00  
Operational Period End: 02/02/2016 08:00:00  
Situation Report No. 27  
SEOC Status: Full  
SEOC Hours of Operation Begin: 02/01/2016 08:00:00  
SEOC Hours of Operation End: 02/01/2016 20:00:00

## Executive Summary

### SEOC Update:

Accomplished today (February 1, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

### Logistics:

- Fielded resource requests.
- Fielded rapid response requests.
- Fielded Governor's office requests.
- Facilitated distribution team calls.
- Coordinated warehouse deliveries for donated and purchased water.
- Continued to check the status of the Food Bank warehouse.

### JIC:

- Updated internal talking points about the ongoing Flint water emergency.
- JIC is planning to issued a news release regarding a meeting between DEQ and EPA, and the continued interagency partnership.
- JIC is working to set up a legislative and congressional briefing call this week.

### Recovery Branch:

- Attended local briefing, SEOC state agency briefing, and distribution process meetings.
- Worked with GIS to develop an area map and spreadsheet with addresses based on data specified as "follow up required" for Red Cross teams.
- Worked with GIS to map and analyze city of Flint apartment buildings to send out water response teams.
- Worked with GIS to develop a map and street addresses for franchise customers to send out to Red Cross water resource teams.
- Coordinated meeting with MCSC, local EOC, and ARC regarding volunteer coordination and reporting.
- Team priority visited today: franchise customers.
- City sections visited today: franchise customers, 22, 33, 4, 7, 1, 32, 13, 12, 15, 37.
- City sections scheduled tomorrow: franchise customers, additional to be determined.
- 10 American Red Cross teams scheduled for Tuesday, February 2, 2016.

o Data is for 2/1/16 as of 5:00 pm:

o Total homes visited:

- 11,876 (round 3 total).
- 1,686 (total 1/31).
- 1,164 (today).

o Water cases (liters calculated by multiplying # of cases x 12):

- 87,792 liters or 7,316 cases (round 3 total).
- 13,932 liters or 1,161 cases (total 1/31).
- 5,796 liters or 483 cases (today).

o Replacement cartridges:

- 1,886 (round 3 total).
- 144 (total 1/31).
- 473 (today).

o Faucet filters:

- 6,228 (round 3 total).
- 407 (total 1/31).
- 437 (today).

### Planning Section:

- Published Sit Rep #24
- Published IAP #8.
- Compiled a list of activities from all state agencies taking place this week for the Governor's office.
- Trained additional Planning Section staff.
- Participated in IAP development process to include tactics meeting and planning briefing.

Operations Section:

- o Attended the unified command group meeting to determine tactics for the operational period.
- o Facilitate daily local EOC and SEOC state agency briefings
- o Participated in the development of the Incident Action Plan including the tactics and planning briefing.
- o 20 ARC volunteers were active across the operation today.
- o 30 event-based volunteers were active across the operation today.

o Warehouse Numbers as of 1800:

- Water (liters):
  - 600,882.
- Filters (faucet):
  - 49,016.
- Replacement cartridges:
  - 373,190.
- Test Kits (prepped):
  - 23,795.
- o PODs (1700 1/31 – 1600 2/1):
  - Water (cases):
    - 110,700 liters or 9,225 cases.
  - Filters (faucet):
    - 317.
  - Replacement Cartridges:
    - 543.
  - Test kits:
    - 798.

Finance Section:

- Developed template for state agency costs to be reported on a weekly basis.
- Created document for Recovery Branch Chief outlining requirements for possibly using donations toward 25% match of federal funds.
- Reviewed state agency costs submitted to date.

GIS Branch Updates:

- Prepared for a possible TV interview about GIS.
- Completed and distributed daily maps.
- Updated parcels with newest franchise customers.
- Prepared maps for Captain Kelenske to use with Executive Council.
- Prepared report on maps for Governor's office.
- Created a map of apartments and assisted living centers.

DTMB:

- Provided translation of lead fact sheet and printing for water testing document.
- Provided four drivers to assist with transportation of supplies on Monday, three for the point of distribution sites and one at the food bank.
- Provided assistance to ensure [www.helpforflint.com](http://www.helpforflint.com) and [www.flintvolunteer.com](http://www.flintvolunteer.com) are not blocked by state network.

DHHS-CH:

- CHECC remains at a Level 2 activation and continues to staff the hotline for health related questions.
- MDHHS participated in the Unified Command Group (UCG) call this morning.
- Requested that MDHHS Environmental Health Director include EPA on the notification for homes in Flint that are testing for high lead levels.
- Worked with MDHHS PIO and DTMB on the translation of materials on the Flint Water website.

DEQ:

- 382 test kits delivered to lab.
- Coordinated with the EPA for participation on the High Lead Home Strike Force.
- Coordinated with EMHSD to post DEQ reports to the Flint water website.
- Finalized EPA tracking sheet and summary and worked on new tracking spreadsheet for EPA Flint Drinking Water Task Force and Safe Water drinking plan.
- Drinking water test results to date (9/3/15 to 2/1/16):
  - o 5,227 out of 5,590 (94%) are at or below 15ppb.

Local EOC Update:

- Coordination of rapid response deliveries to homebound residents and special locations.
- Finalized rapid response delivery plan with ARC, Team Rubicon, Michigan Community Service Commission and SEOC.
- IC/Genesee County EMC attended county commission meeting, briefed commission on response efforts, and addressed questions and concerns.
- Addressing public concerns, including rumors of availability of FEMA relocation assistance.
- Coordinating with charter schools outside the city of Flint/Flint water system for supply of water resources to students that are Flint residents.
- Attended conference call with Dow Chemical to discuss potential donation of filter systems. Will provide spec sheets to SEOC Logistics.

**Incident Response/Recovery Priorities/Objectives**  
(Objectives are in order of priority with original objective number attached)

1. Ensure all households within impacted community have required resources.
2. Ensure accurate tracking and accounting of all commodities.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
3. Improve and maintain the public information strategy and process.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT and the FWICC

4. Develop a long term public health and services plan.
6. Develop an overview of possible assistance programs.
9. Enhance situational awareness and common operating picture of all activities.
5. Continue to maintain adequate staffing to support operational requirements.

##### Damage Assessment Summary

#### Agency Summaries

## Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was expected to be operational in Flint from 8 a.m. to 8 p.m. on Feb. 1. The JIC was operational until 11 p.m. on January 31, 2016.

State agencies at the JIC included the Michigan State Police, Michigan Community Service Commission, Michigan Economic Development Corporation and Departments of Environmental Quality, Natural Resources, Transportation, Health and Human Services, and Military and Veterans Affairs. The Genesee County Sheriff's Office and the American Red Cross were also present. Tasks accomplished:

- Media hotline staff answered more than 20 emails and phone calls ranging from questions on a meeting between DEQ and EPA officials, pets and lead, and viewing water sample testing.
- Key agency PIOs fielded multiple news inquiries throughout the day, including conducting or scheduling interviews with Michigan Radio, Lansing State Journal, Detroit Free Press, and WNEM TV 5.
- Updated internal talking points about the ongoing Flint water emergency.
- Continued routing public information materials for approval, including communications from MDHHS and MDARD.
- JIC is planning to issue a news release around 7 p.m. regarding a meeting between DEQ and EPA, and the continued interagency partnership. This news release will take the place of the nightly numbers release.
- Updated ICS-204 with new task accomplishments and update work requirements.

## Agriculture and Rural Development (MDARD)

As of 2/1/16, MDARD completed water assessments at all 18 food businesses in the high risk area and 105 in the medium risk and 80 in other areas (numbers differ from those reported 1/29/16 due to risk reclassification of some businesses.) The overall assessment compliance rate is 69.8%. We also have collected 84 water samples to date, with more scheduled for this week.

MDARD Environmental Stewardship Division (ESD) Staff has been working with several local entities regarding urban ag/gardening questions related to the Flint Water issue. A conference call is scheduled for 2/2/16 to better understand how we can coordinate efforts.

MDARD Animal Industry Division (AID) held a conference call 1/29/16 with 12 industry/academic/medical/federal partners. The call created situational awareness among partners and stakeholders interested in the pet issue related to Flint water. AID is partnering with MSU College of Veterinary Medicine (CVM) to address animal issues, developing information pieces for the public and for veterinarians (with JIC approval), testing and laboratory issues. Also, MSU CVM is working with local MSU staff to identify specific community needs. AID is working with individual veterinarians/pet owners in the area on an individual basis as needed.

## American Red Cross (ARC)

The American Red Cross deployed and supported 10 Water Response Teams on Monday. The Volunteer Reception Center (VRC) was in operation today. The VRC will operate from 9am to 5pm through Sunday. Assembly of water test kits will resume when materials become available.

## Civil Rights (MDCR)

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Maintaining media awareness regarding situation and community activities.

Forwarded Metro Times assessment of Bill Signing event covering Flint Recovery to MSP-SEOCPIO in follow up to last week's discussion on same subject:  
<http://www.metrotimes.com/blogs/archives/2016/02/01/gov-snyders-flint-aid-bill-signing-a-pr-disaster>

Reviewed coverage of Baltimore Pastor Dr. Jamal Bryant's mid-day "The Environmental Justice Rally" today. The assembled group has collected some 47,124 bottles of water. The collection of water will be distributed among six churches: First Trinity M.B. Church, 1226 Beach Street; Cathedral of Faith Church of God in Christ 6031 DuPont Street, Christopher Martin, Pastor; Quinn Chapel AME Church 2101 Lippincott Blvd, Rev. Gerald Cardwell, Pastor; United Outreach Ministries 1429 Roosevelt Ave., LeMarcus Keels, Pastor; and Kingdom of Heaven Ministries 2430 Dutcher Road. The rally was open to the public and Flint, MI Mayor, Karen Weaver was scheduled to give remarks. See more at: <http://afro.com/baltimore-pastor-jamal-bryant-heads-to-flint-to-lead-environmental-justice-water-rally/#sthash.L6lr1UJT.dpuf>

Discussed Hispanic/Latino outreach with LARA and use/distribution of resource materials in Spanish; discussed grass-roots activity vs Water Resource Teams engagement

Discussed with MDE and DHHS data inquiry of individuals who may have left the respective Flint service areas for other Michigan or national points of service - may be a possible avenue for finding at-risk/high risk individuals exposed or entitled to services

Forwarded list of Departmental activities to Planning Inquiry:

\* Michigan Department of Civil Rights (MDCR) continues to try and track down information/materials that have been or are scheduled to be translated into foreign languages and American Sign Language (ASL). MDCR is also trying to confirm what has actually been distributed on the ground in Flint and to whom/which agency or entity. (We have been getting many questions from various organizations related to these communities).

\* MDCR Community Relations Division Arab American Liaison Charles Schoder will attend a convening by the Genesee Health System to discuss Flint water issues on 02Feb16 in Flint

\* The Hispanic/Latino Commission of Michigan will host its business meeting on Wednesday, 03 Feb from 12:30-14:45 at the Hispanic Center of Western Michigan, 1204 Grandville Ave. SW, Grand Rapids, 49503. LARA Director Zimmer will attend the

meeting and discuss possible ways they can be of assistance (Note: This is due to EO2016-3 transferring the three ethnic commissions from MDCR to LARA)

- \* MDCR Communications Director Vicki Levengood will be at the JIC 03 Feb and 04 Feb (Wednesday and Thursday)
- \* MDCR Communications Staff Lisa Collins will be at the JIC 02 Feb and 03 Feb (Tuesday and Wednesday)

#### **Community Health (MDCH)**

The CHECC remains active at a Level 2, and continues to staff the hotline to answer any health-related questions that 2-1-1 is unable to answer in order to support GCHD.

Contact information for the MDHHS Environmental Health Director was provided to the Paul Smith from the Governor's Office this afternoon at his request, to discuss blood lead level data for a dashboard that is in development.

Requested that MDHHS Environmental Health Director include EPA on the notification list for homes in Flint that are testing high for lead, at the request of DEQ. The notification is currently being provided to the GCHD. EPA would like to be notified at the same time if possible.

Worked MDHHS PIO and DTMB on the translation of materials on the Flint Water website, as well as updating outdated information that is currently on the website at the request of MDARD. Forwarded Aerator informational document from the JIC to DTMB for translation as well. Working with LARA to ensure all documents are translated in not only Spanish, but also Mandarin and Chinese.

Confirmed that Dr. Eden Wells will serve as the MDHHS representative for the FEMA-Congressional Call tomorrow. Coordinated with the MDHHS PIO to prepare Dr. Wells for that report.

Provided the Flint Blood Lead Count Report by zip code to the SEOC and the Lt. Governor's representative in the SEOC, who had requested the information previously.

#### **Corrections (MDOC)**

We continued operations at the warehouse and all PODs were well supplied.

We continue to keep trucks dedicated to delivering to individual PODs and have Rapid Responses ready for any POD that gets to a critical level of supplies.

382 Water Samples were collected and delivered to the DEQ Lab in Lansing.

We had 17 employees and an SAI work crew on the ground in Flint today. We continue to staff the SEOC from 0800-2000, 7 days/week.

The overhead bay door was damaged yesterday by one of our drivers (Rod Ridgeway). It was reported to the Local EOC and Lt. Russo completed an accident report as there was damage to the facility.

#### **Education (MDE)**

1. Michigan School for the Deaf. Report from MSD that two of the three new drinking fountains were installed this weekend (Jan 30-31). Landlord said he anticipates mid-week, this week, to install final new drinking fountain. Based on that, MSD contacted Joe Madziar, and he indicated next Friday (February 5) would be a tentative date for LARA to schedule Stevens Hall testing.
2. MDE completed request for listing of all Food Programs and Organizations within 16 zip code area. This spreadsheet has been uploaded to the Activity Log. Maria Moss included narrative that outlines efforts of MDE related to Food Programs that has been included in Activity Log for Education as well.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

382 samples were delivered to the lab this morning.

Coordinated with EPA for participation on High Lead Home Strike Force.

Coordinated with EMHSD for DEQ to obtain ability to upload DEQ reports to the Flint Water website.

Finalized EPA tracking sheet and summary and worked on new tracking spreadsheets for EPA Flint Drinking Water Task Force and Safe Drinking Water Plan.

All required postings made it to web by EPA timeline.

#### **Human Services (MDHS)**

Working with MDEQ on some information regarding water testing.

Went to Flint SOB, met with Chief Deputy & staff. Received direction to support them from the SEOC working with several other

state agencies already engaged.  
CHECC continues to maintain a Level 2 Activation

### **Licensing and Regulatory Affairs (LARA)**

Updated the LARA Executive Team

LARA's Bureau of Services for Blind Persons has staff assigned to and living in Flint. They will be reaching out to these clients covered by BSBP.

LARA's Michigan Office of New Americans is processing translation requests for Arabic, Mandarin and Hmong.

LARA continues to monitor DEQ's test results for Health Care Facilities, Child Care Facilities, Adult Foster Care Homes and Schools.

### **Military and Veterans Affairs (DMVA)**

1. DTG: 0113002016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: Ssg Gazzeny, Darryl L. Cell:                      3 Email: armyinfantry31@yahoo.com

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. SITUATION OVERVIEW: 1-125 IN has 1 Soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has 1 Soldiers on ground supporting the mission.

7. OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.

a. SEOC has the POC with MDOT. Lt. Benke will be linking up with MDOT technician to do a visual reconnaissance.

1.) Workers from the City of Flint determined that they do not have the capabilities to support the road sign warnings. Local EOC was working through the Genesee County Road Commission and determined that they do not have the resources to sustain our long term operations.

b. Flint City Electricians have assessed outside lighting issue at station 5 and 8. In addition, they will be fulfilling long requested work order for maintenance on all lighting at those stations. Station 8 work order to be initiated NLT 01FEB2016 0730.

8. PERSONNEL: 1 Soldiers are currently assigned to the POD operations. 1 Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8. 12 Soldiers were released and conducted reverse RSOI. 1 new Soldiers will report 2JAN2016 in support of TF Flint.

9. INTELLIGENCE / FORCE PROTECTION: Michigan militia did establish a presence within the AO. The intentions were not harmful and in support of efforts made to resolving issues to residents of Flint.

10. LOGISTICS: In support of recycle project sponsored by Schupon, the special purpose recycle bags have not been distributed to POD operations.

11. COMMUNICATIONS: No communications issues at this time.

P: 800 MHz radios issued to PODs and WRTs.

A: RRF cell phones alternate for WRTs.

C: Personal cell phone

E: Runner

12. NARRATIVE: N/A

### **13. COMMANDER'S EVALUATION:**

- POD operations are still functioning well. We are trying to improve the efficiency, professional appearance, and long-term establishment of the POD's, but, overall the POD's operations are remaining successful.
  - Recycling has been implemented at PODs 1, 5, and 8. Recycling is happening frequently but at a restriction due to the lack of supply of clear recycle bags given from schupon..
  - Consolidated Station Report OUT (last 24 hours)
- Bottled water-3523 Water (Gallons)-244 Lead Testing Kits-235  
Pitcher (23 cup)-0 Brita Faucet Filter-136 Brita Replacement Cartridge-186  
Pur Filter-162 Pur Replacement Filter-346

### **National Weather Service (NWS)**

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

### **Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:  
Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

#### **Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:

Kathryn C. Boles  
President, CEO  
Valley Area Agency on Aging  
225 E. Fifth Street, Suite 200  
Flint, MI 48502  
(810) 239-7671  
(810) 239-8869 fax

#### **State Police (MSP)**

The MSP position within the SEOC will be staffed at MSP Operations at HQ. All e-mails to MSP-EOC-MDSP@michigan.gov are being forwarded to the Operations Lt. The phone number for the on duty Operations Lieutenant is 517-241-8000

#### **Technology, Management and Budget (MDTMB)**

Continue to provide DTMB management with daily updates and resource requests received.

DTMB Print & Graphic Services to provide translation of Lead Fact sheet and printing for water testing document.  
DTMB providing four drivers to assist with transportation of supplies on Monday, three for the point of distribution sites and one at the food bank.  
Provided an AT&T conference line for the JIC to use to conduct media conference call.  
*Provided assistance to ensure [www.helpforflint.com](http://www.helpforflint.com) and [www.flintvolunteer.com](http://www.flintvolunteer.com) sites are not blocked by State network.*  
Provided building access and parking for employees and Federal partners in the SEOC and Flint State Office Building.  
Provide Constitution Hall conference room until February 29 for DEQ to use

#### **Transportation (MDOT)**

MDOT is providing traffic measures at Fire Station #6 on Pierson Rd. and Fire Station #3 on Martin Luther King Blvd:  
-4 portable changeable message boards (2 each site).  
-100 grabber traffic cones (narrow reflective cones) (50 each site)

MDOT continues to maintain situational awareness and respond to issues regarding equipment and road conditions.

**Incident Related Images**

- MDEQ: Weekly meeting with City officials, location and time TBD.
- EMHSD: Capt. Kelenske at FWICC and Mission Flint meeting in Flint.

## Flint Water DRAFT

Day	Date	Event
	October 1 Thursday	<ul style="list-style-type: none"> <li>Genesee County Health Department declares a Public Health Emergency</li> </ul>
	December 15 Tuesday	<ul style="list-style-type: none"> <li>City of Flint declares a local State of Emergency.</li> </ul>
	January 4 Monday	<ul style="list-style-type: none"> <li>Local State of Emergency declared by Genesee County along with request for a Governor's Declaration.</li> <li>Genesee County EOC activated.</li> </ul>
1	January 5 Tuesday	<ul style="list-style-type: none"> <li>Governor Snyder issues Declaration of Emergency for the City of Flint and the County of Genesee (end of day).</li> <li>SEOC is activated and will be staffed 0800-1700 beginning January 6.</li> <li>FEMA Region V contacted to provide update (Watch Desk and State Director call with FEMA Region V Administrator).</li> </ul>
2	January 6 Wednesday	<ul style="list-style-type: none"> <li>SEOC Staffed (M-F 0800 to 1700), SEOC State Director has call with FEMA Region V, Deputy Administrator, to request LNOs.</li> <li>Contacted local EM, advised him of 0830 daily call and initiate contact.</li> <li>JIC established at 4000 Collins Rd, Lansing, MI.</li> <li>Briefing held with SMEs Dr. Wells and George Krisztian.</li> <li>1400 media round table at Collins Road with Capt. Kelenske and Dr. Wells</li> </ul>
3	January 7 Thursday	<ul style="list-style-type: none"> <li>FEMA LNOs arrive in the evening and have discussion with State Director (via phone).</li> <li>Initial damage assessment submitted to EMHSD by local jurisdictions (evening). Infrastructure replacement costs only. Information provided to the local EOC on the best methods of identifying health and non-structural impacts for the damage assessment process.</li> <li>Deployed two EMHSD personnel to the local EOC to assist with command and control.</li> </ul>
4	January 8 Friday	<ul style="list-style-type: none"> <li>FEMA LNOs arrive at SEOC 0800.</li> <li>SEOC State Director orders SEOC to stay open 7 days a week, 0800 – 2000 until incident is stabilized.</li> <li>Media is driving a message of what the locals are doing versus the state.</li> <li>Held first legislative/congressional conference call.</li> <li>JIC has been co-located in the City of Flint.</li> </ul>

		<ul style="list-style-type: none"> <li>Originally we were advised we had 80-90 PODS from the local EM. Identified these as party stores, etc. and not true PODs. Received confirmation of the 8 POD locations but there is confusion in the SEOC as to what the local EOC has coordinated. Five fire stations have been dedicated to be PODs (from the Mayor).</li> <li>Logistics for these locations is being worked on by the SEOC and EOC.</li> <li>Finalizing 9 church locations to distribute 2000 filters (200 each) plus water.</li> <li>State personnel deployed to (3) assist with incident management functions at the local EOC (not public information)</li> </ul>
5	January 9 Saturday	<ul style="list-style-type: none"> <li>Third FEMA LNO in SEOC.</li> <li>5 PODs open 0900-1600. Staffed by ARC.</li> <li>Ten state personnel in the local EOC to ensure command and control at the local level.</li> <li>Working on "one team" messaging.</li> <li>The County EOC has no support from the City of Flint, liaison is necessary for smooth operations and to serve residents.</li> </ul>
6	January 10 Sunday	<ul style="list-style-type: none"> <li>9 Churches provided filters and water for Sunday distribution. ARC assisting.</li> <li>5 PODs open 0900-2100 until further notice.</li> <li>Freeman Elementary School pilot project initiated.</li> <li>State agencies working to translate materials into multiple languages.</li> </ul>
7	January 11 Monday	<ul style="list-style-type: none"> <li>Working to identify warehouse for our use.</li> <li>Media event held at a POD.</li> <li>Media event held at the Genesee County Office Building.</li> <li>Some supply issues arose due to the hard time keeping up with the large demand for water.</li> <li>Working to finalize logistics plan and get the plan in place.</li> </ul>
8	January 12 Tuesday	<ul style="list-style-type: none"> <li>Focus is on receiving, storing, and increasing quantities of supplies; fine tuning logistics, increasing door to door team; increase collaboration and messaging of collaboration with local agencies.</li> <li>Four state WRTs plus the Sheriff's Department teams...App developed and used in the field.</li> <li>EO activating the National Guard. Mission is to replace ARC volunteers in PODs.</li> <li>Governor requested FEMA to identify a POC for non-Stafford Act resources (Federal agencies acting under their own authority). Approved by FEMA Region V Administrator and LNO Zuelke identified. He will be a liaison to the FWIACC.</li> <li>7,824 cases of water arrived (109 pallets)</li> <li>Ordered 19,152 cases to arrive 1/13 (109 Pallets), 1/3 going to GCCARD and rest going to warehouse</li> <li>12,768 cases to arrive daily beginning 1/14 (177 pallets a day).</li> <li>PSA video pushed out by the Governor's office.</li> </ul>

9	January 13 Wednesday	<ul style="list-style-type: none"> <li>• Planning for increase in teams.</li> <li>• Draft request for a Presidential Declaration of a Major Disaster and an Emergency sent review.</li> <li>• 5 WRTs in field.</li> <li>• Flint Mass Transportation Authority adding PODs to route.</li> <li>• NG deployed personnel to PODs.</li> </ul>
10	January 14 Thursday	<ul style="list-style-type: none"> <li>• Request for Presidential declarations submitted to FEMA.</li> <li>• Current number of citizens who are willing to be sample sites is 114.</li> <li>• Senator Ananich visits SEOC.</li> <li>• Secured 80,000 square foot warehouse.</li> <li>• Email to state employees for volunteer opportunity.</li> <li>• Deployed 8 WRTs.</li> <li>• NG deployed total personnel to PODs.</li> </ul>

RICK SNYDER  
GOVERNOR

STATE OF MICHIGAN  
DEPARTMENT OF TECHNOLOGY, MANAGEMENT & BUDGET  
LANSING

DAVID B. BEHEN  
DIRECTOR

February 2, 2016

**TO:** State of Michigan Procurement Leadership  
**FROM:** DTMB Procurement  
**SUBJECT:** Genesee County Water Emergency Response - Purchasing Guidance

Thank you to all who are working to support the State of Michigan's Genesee County, City of Flint water emergency response.

Given the complexity and variety of the needs of this emergency effort, the purchasing support required is complex as well. Purchasing protocols have some differences under this declared state of emergency, and meticulous tracking of expenditures is imperative.

The Michigan State Police (MSP) is the lead agency overseeing the situation and managing the State Emergency Operations Center (SEOC). Flint related purchases must first be routed through the appropriate SEOC contact (see attached for an agency roster) to include the SEOC State Director. This is required for all Flint- related purchases without exception. The SEOC financial team is responsible for tracking all expenditures in connection with the emergency efforts.

***Each agency is responsible for its own purchasing transactions. This includes p-card transactions and purchase orders, the tracking of all such transactions, and reporting of those transactions to the appropriate SEOC representative. Failure to properly inform the SEOC financial team of any transaction may result in a forfeiture of any potential reimbursement anticipated by the agency.***

Agency purchasing managers are responsible to supply their agency's SEOC representative with a 24/7 phone number for agency purchasing staff support and request that the SEOC representative involves them in every purchase. (Note: SEOC hours are 8 am to 8 pm, seven days a week at this time.)

***Emergency Purchasing Procedure:***

Public Act 431 of 1984 provides an exception to competitive bidding during a state of emergency. However, responsible purchasing procedures are still the expectation for all procurement professionals (agency purchasing staff).

In addition to the notification and reporting expectations set forth above, transactions should be conducted and/or overseen by procurement professionals, with rare exception, in accordance with the following:

- Each agency makes their own determination when an emergency purchase order is required, and is then responsible for the supporting documentation
- Utilize existing State contracts where possible. Contact DTMB Procurement for help negotiating bulk rates or expedited shipments if needed, and for any concerns related to availability of funds on a contract

- o Obtain three quotes whenever reasonably practicable
- o Post bids online to the extent practicable
- o Please escalate any questions to DTMB Procurement before executing a buy
- o DTMB Procurement will assist any agency upon request to address supply chain issues (e.g. working with a national supplier to ensure a high volume supply of water filters are available)
- o DTMB-Financial Services is not responsible for issuing emergency purchase orders on behalf of agencies with the exception of information technology related goods and services
- o Maintain documentation supporting all transactions. Establish internal protocols to support this such as a single spreadsheet to track agency-wide transactions. Report your agency's expenses to the SEOC Finance team via your SEOC representative.

Questions, concerns, or comments should be directed to:

Primary Contact:  
Rebecca Cook, Commodities Division Director

### Flint Water Daily Update Updated Feb. 2

#### Current Issues Talking Points

##### Flint Mayor calls for immediate replacement of Flint pipes

- In a press conference today, Flint Mayor Karen Weaver called for immediate replacement of Flint's water infrastructure.
- Immediately removing pipes could potentially add to the infrastructure problem and result in higher costs for the city.
- Both Senate Minority Leader Jim Ananich and Virginia Tech water treatment expert Marc Edwards advise first mapping the city's pipes to determine the location of lead infrastructure.
- Edwards also says the state is taking the correct actions to make Flint's water safe again. Adding phosphate to the water to coat the pipes is a necessary first step toward ensuring safe drinking water for Flint residents.
  - Flint's damaged pipes spark debate on fix (Detroit Free Press)
  - Prof. Marc Edwards discusses pipes in Flint (video)
- The Governor continues to work with Edwards and the Flint Water Interagency Coordinating Committee to identify and implement a successful long-term solution for Flint families.

##### Senate Minority Leader sends Governor Flint action letter

- The Governor's senior staff has been in close communication with state Sen. Jim Ananich and have met with him frequently to provide updates, answer questions and get feedback.
- The Governor remains committed to providing Flint residents with the resources needed to implement both short and long-term solutions and will continue to work closely with Ananich.
- The Governor will announce a long-term funding proposal in his formal budget presentation next week to further address Flint water.

##### DPS Emergency Manager Darnell Earley resigns

- Today, Detroit Public Schools Emergency Manager Darnell Earley resigned, effective February 29.

- The Governor will appoint a transition leader before the end of the month to help guide DPS through a plan that will help address the district's academics and finances giving students and teachers the learning environment they deserve.
- The Governor is encouraging the Legislature to pass a bill package that will help address the \$515 million debt faced by DPS. With that support the district should be better able to manage its business and educational goals.

#### **Governor continues to stress importance of home water testing**

- A video with instructions on how to properly test home water is available to share:  
<https://www.youtube.com/watch?v=QTER-DiK64o>
- The health and safety of Flint residents remains a top priority. It is essential that all Flint residents have the water in their homes tested as soon as possible.
- While water filters will eliminate lead in most homes, those with levels above 150 parts per billion will need to take extra precaution.
- If levels are above 150 ppb, residents should not drink water from the filtered faucet and use bottled water only.
- DEQ and DHHS will visit homes found to have lead levels over 150 ppb for additional testing.
- To date, less than one percent of Flint homes have been identified as having lead levels of this amount. Results showing lower levels indicate residents should continue following established protocols.
- Pregnant and nursing mothers and young children should continue to drink bottled water as a precaution.
- Free water testing kits are available at Fire Stations 1, 3, 5, 6, and 8. Water Samples should be returned to the fire stations for testing.
- Anyone who is unable to get to a Fire Station to pick up a free testing kit should call United Way 2-1-1 for assistance.

command and control to facilitate integration with the SEOC. The local EOC is not functioning as it needs to with personnel and local coordination and we are working on that issue.

- I will be in Flint tomorrow for a 2 p.m. media round table with local officials that was set up by the JIC.
- The attached initial objectives will be updated at least every operational period and as needed. I listed the objectives below but the tactics to accomplish them is in the attached if you want further information.
  1. Activate the State Recovery Task Force (SRTF).
  2. Establish and maintain coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate medical experts.
  3. Obtain and maintain situational awareness and common operating picture of all activities.
  4. Establish SEOC operational period and hours of operations.
  5. Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program.
  6. Develop a comprehensive GIS strategy.
  7. Coordinate response and recovery activities with MIVOAD and identify potential mission areas.
  8. Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies.
  9. Provide technical assistance to the local Damage Assessment process.
  10. Establish a Joint Information Center (JIC) and develop a public information strategy.
  11. Monitor MI CIMS for resource requests and address as appropriate.
  12. Establish and disseminate cost center information for the incident.
- Additional tasks include:
  - Determine what federal agencies are already involved and their status
  - Identify potential water supplies
  - Determine where affected homes are located, where filters/pitchers (and replacements) were installed/provided, and determine who needs filters, etc.
  - Determine how filter distribution is handled, and if it can be handled more efficiently and effectively
  - Determine what mechanisms are in place for nutrition supplementation

#### EMHSD GIS Accomplishments:

- Hosted a conference call to begin coordination with Flint City and Genesee County GIS departments and the SEOC
- Established a daily call with county and city GIS personnel to synchronize GIS efforts in support of the Flint water crisis at 8:30 A.M.
- Began consolidating local data from local GIS practitioners into a consolidated database, to include:
  - Water Pipeline Locations
  - Filter Distribution Locations
  - November 25, 2015 Water Monitoring Results (Partial, some data remains to be digitized)
  - Affected School Locations
  - Predictive analysis of blood lead levels for affected area
  - Updated Parcels
  - Demographics
  - Block Groups
- Produced a map for the filter distribution locations
- Began contacting specialists who developed historic maps depicting the Flint Water Crisis to obtain the data

**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** Update - Genesee County Declaration

Below are some key points for your situational awareness (FYSA) that have taken place or will take place within the next 15 hours.

- I was on the phone with Sean Kammer, Assistant to the Flint City Administrator, when the declaration hit the news so I advised him immediately. He was going to let the City Administrator know.
- I contacted MSP Lt. Roach, 3<sup>rd</sup> District Coordinator, who was at the Genesee County EOC and advised her to let the County EM know the declaration status.
- State Emergency Management Coordinators (SEMCs) were notified via our notification system with additional information in an email.
  - This included information on the SEOC activation and a 0900 briefing for SEMCs.
  - Some subject matter experts will provide us an update to establish a common operating picture.
- We have been in contact with FEMA Region V watch desk ... they will be on the call tomorrow and continue to monitor the situation.
- I have been in contact with the FEMA Region V Administrator to keep him updated.
- Operational period for the SEOC will be M-F, 0800 to 1700 at this time.
- Situation Reports (SitReps) will be provided in the evenings.
- An Incident Action Plan will be developed tomorrow.

Call me with any concerns or questions.

Chris

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 01/26/2016 08:00:00  
Operational Period End: 02/02/2016 08:00:00  
Situation Report No. 24  
SEOC Status: Full  
SEOC Hours of Operation Begin: 01/29/2016 08:00:00  
SEOC Hours of Operation End: 01/29/2016 20:00:00

## Executive Summary

SEOC Update:  
Accomplished today (January 29, 2016):

*The SEOC continues to provide:*

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

Logistics:

- Continued researching warehouse options for donations management.
- Coordinated Niagara water donation delivery times/dates.
- We will be receiving 25.5 semi-trailers (30,000 cases) of water.
- Sat in on National VOAD Donations Management call.
- Coordinated staffing for SEOC and LEOC for 2/1-7/16
- Fielded resource requests.
- Fielded rapid response requests in coordination with Local EOC logistics.
- Worked with warehouse to send temporary donation's for the weekend to the LEOC established staging area.
- Attended the daily FEMA Logistics conference call.
- Attended the donations management team calls.
- Fielded Governor's office requests.

JIC:

- Coordinated with Genesee County Emergency Operations Center and State Emergency Operations Center regarding concerns from undocumented workers and English as second language speakers, including fielding a phone call from the Mexican Consulate in Detroit. Efforts are underway to reach out to these communities and to translate more materials for publication.
- Press release #22 went out about the effort to identify the location of lead pipes and other components of Flint's water infrastructure mapping infrastructure to locate lead pipes.
- Press release #23 went out today concerning bathing in water, number of homes visited, and the Governor's announcement of a comprehensive plan for Flint.

Recovery Branch:

- Attended Local Brief, SEOC State Agency Briefing Meeting, Distribution Process Meeting, and Community Partners Meeting (Briggs).
- Worked with GIS to develop an area map and spreadsheet with addresses based on data specified as "follow up required" for Red Cross teams.
- Compiled a list of apartment buildings to send out water resource team.
- City Sections Visited Today: 2, 3, 9, 10, 11, 17, 19, 20, 23 and 28.
- City Sections Scheduled Tomorrow: 28, 29, 30, 31 as primary and 27, 17 and 11 as secondary.
- 10 American Red Cross Teams scheduled for Saturday, January 30th.

o Data is for 1/29/16 as of 5:00 pm:

- o Total homes visited.
  - 7,658 (round 3 total).
  - 924 (today).
- o Water Cases:
  - 4,832 (round 3 total).
  - 819 (today).
- o Replacement Cartridges:
  - 815 (round 3 total).
  - 78 (today).
- o Faucet Filters:
  - 4,222 (round 3 total).
  - 836 (today).

Planning Section:

- Published Sit Rep #24.
- Developed SBA loan request letter.
- Worked on incident time line for Governor's office.

- Developed timeline for incident resource tracking.
- Participated in local EOC, SEOC state agency, and distribution process conference call.

#### Operations Section:

- o 43 event based volunteers active on the operation today.
- o 57 ARC volunteers active on the operation today.
- o Facilitated state agency and local briefing calls.
- o Warehouse Numbers as of 1800:
  - Water (liters):
    - 226,748.
  - Filters (faucet):
    - 51,743.
  - Replacement cartridges:
    - 361,970.
  - Test Kits (prepped):
    - 19,359.
  - Test kits (un-prepped):
    - 0 (all supplies out to ARC for assembly).
  - o PODs (1700 1/28 – 1600 1/29):
    - Water (cases):
      - 8,731.
    - Filters (faucet):
      - 363.
    - Replacement Cartridges:
      - 640.
    - Filters (pitcher):
      - 0 (no longer being distributed at PODs).
    - Test kits:
      - 294.

#### Finance Section:

- Contacted State EMC for the Department of Insurance and Financial Services after receiving a request for information from the American Red Cross (ARC) concerning a volunteer who was injured working at the warehouse in Flint.
- Discussions with MSP Departmental Services Division Director to coordinate meetings with State Budget Office to develop template for consistent cost reporting for all state agencies.
- Review current cost data from state agencies that have submitted information.
- Review requirements for using donations toward required 25% state match.

#### GIS Branch Updates:

- Continued refinement of data.
- Prepared statistics from field team activities for HHS.
- Updated Water Test Kits Mapping.
- Worked to get GIS technology back online in new SEOC.
- Began updating per day statistics for governor's metrics.
- Began analysis of lead parcels against field team data and water test kit data (ongoing).

#### DTMB:

- Continued to provide translation of water documents and printing for water related documents.
- Performed a walk through with FEMA personnel to discuss the evacuation maps for the SEOC, GOB and Flint State Office Building.
- 151 tablets provided to the Flint Water Response Teams will begin demobilizing and returned to Lansing on Thursday. Genesee County has requested 25 tablets remain with their employees until no longer needed.

#### DHHS-CH:

- Participated in conference call with various state agencies, MDHHS Environmental Health, CHECC, JIC, MDARD, MDE, MDEQ, FEMA, SEOC Incident Command, and EPA PIO.
- o Discussed consistent and understandable messaging related to water test results.
- Received communication from SAMHSA that they will be sending staff to Lansing on Monday.

#### DEQ:

- Worked with Michigan Department of Corrections to continue support of sample transport from collection sites to the DEQ Laboratory through February 15, 2016.
- Established procedure for participation of SEOC DEQ Representative in DEQ Emergency Coordination Center Planning Meeting.
- Mapping of lead service line completed by DNR GIS.

#### Local EOC Update:

- Attended long-term recovery planning meeting with MSP/EMHSD, FEMA and community leaders.
- Planning for transition of operational control to local level.
- Planning for demobilization of MSP/EMHSD support staff.
- Coordinating distribution of Spanish-language water sample forms to affected populations.
- Identifying and securing additional warehouse space.
- Refining rapid response process and coordinating rapid response deliveries to special locations.
- Continuing to coordinate vehicle and technology demobilization.
- Implementing the recycling program with the Community Recycling Coalition.
- Coordinating in-kind and monetary donations through Michigan Community Service Commission.
- Coordinating volunteer management with Michigan Community Service Commission, ARC, and other VOADS.

#### Incident Response/Recovery Priorities/Objectives

(Objectives are in order of priority with original objective number attached)

1. Ensure all households within Impacted community have required resources.
2. Ensure accurate tracking and accounting of all commodities.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.

10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
3. Improve and maintain the public information strategy and process.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT and the FWICC
4. Develop a long term public health and services plan.
6. Develop an overview of possible assistance programs.
9. Enhance situational awareness and common operating picture of all activities.
5. Continue to maintain adequate staffing to support operational requirements.

##### Damage Assessment Summary

## Agency Summaries

### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was expected to be operational in Flint from 8 a.m. to 8 p.m. on Jan. 29. The JIC was operational until 8:30 p.m. on Jan. 28.

State agencies at the JIC included the Michigan State Police, Michigan State Housing Development Authority, Michigan Economic Development Corporation and Departments of Agriculture & Rural Development, Environmental Quality, Health and Human Services, Licensing and Regulatory Affairs, Technology, Management and Budget, Treasury and Military and Veterans Affairs. The Genesee County Sheriff's Office, FEMA, and the American Red Cross were also present.

#### Tasks accomplished:

- Media hotline staff answered more than 20 emails and phone calls ranging from identification requirements at water resource sites to bathing in Flint water.
- Key agency PIOs fielded multiple news inquiries throughout the day, including conducting or scheduling interviews with the Detroit News, Detroit Free Press, Weather Channel, ABC 12, and The 74 (the74million.org).
- Added a distress line logo to the Flint Water website.
- Sent News Release about the effort to identify the location of lead pipes and other components of Flint's water infrastructure mapping Infrastructure to locate lead pipes at 3:50 p.m.
- Added infographic from Genesee County Community Health to the resources section of Flint Water website
- Created a media monitoring report and looked for information requiring correction.
- Updated internal talking points about the ongoing Flint water emergency.
- Continued routing public information materials for approval, including communications from MDE, MDHHS and MDARD.
- JIC is planning to issue the nightly activity news release around 7 p.m.
- Working on revising the water donation guidelines flyer due to overwhelming demand of water donations.
- Continued adding individuals to staff the Flint JIC for the next two weeks.
- Coordinated with Genesee County Emergency Operations Center and State Emergency Operations Center regarding concerns from undocumented workers and English as second language speakers, including fielding a phone call from the Mexican Consulate in Detroit. Efforts are underway to reach out to these communities and to translate more materials for publication.
- Worked with Snopes.com to dispel Internet rumors.

### Agriculture and Rural Development (MDARD)

Thursday, Jan 29th -

MDARD completed five additional assessments today and one follow up visit due to elevated water sample results. We collected 11 additional samples. Food businesses are being notified of their results with follow up inspections being planned for any results above "not detected". The 1 remaining business in the high risk area that hadn't been sampled was visited today but was closed; we will verify again next week.

MDARD organized a call on animals and pets with approximately 15 organizations/entities including MI-DHHS, MSU College of Veterinary Medicine, MSU Diagnostic Center, USDA, and local, state, and national organizations involved in animal care. Planning is underway on potential sampling and treatment steps for impacted pets. Genesee Animal Control reported that they do not need any additional water donations. Additional calls are planned for next week.

MDARD is coordinating with MSU Extension and Genesee County Conservation District on outreach and information needs to work with urban agriculture and home gardeners. FYI - Genesee County Conservation District, USDA-Natural Resources Conservation Service and others are planning a press conference on Monday Feb 8th at 11am at the Flint Farmers' Market about using hoop houses for growing produce.

### American Red Cross (ARC)

The American Red Cross deployed and supported 10 Water Response Teams on Friday. We expect to have 10 teams available tomorrow as well.

The Volunteer Reception Center (VRC) was in full operation today. The VRC is scheduled to be open from 9am to 7pm today. The weekend schedule is 9am to 3pm.

We completed assembly of 7,800 water test kits today.

### Civil Rights (MDCR)

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities.

\* Forwarded non-profit list of advocates to VAL for consideration/inclusion in local advocates collaborative on resources/recovery effort

\* Following call with Law & Policy Director, updated SEOC-JIC on internal discussions re: ASL materials and release of same

\* Forwarded proposed draft email/social media release to MDCR-Communications for JIC review for engaging community groups/MDCR stakeholders in messaging and engaging new www.flintvolunteer.com website. Per ARC, website is still under development

\* Advocates from "Community Organizations of Southwest Detroit" to assemble supplies and donations for Flint. There are plans for them to meet at 12 Noon on 30 Jan at DHDC to collaborate and head to Flint.

#### **Community Health (MDCH)**

The CHECC remains activated at a level 2 with communications being coordinated between GCHD EPC, Federal Coordinating Officers, MDHHS Leadership and the SEOC.

Participated in conference call with various state agencies, MDHHS Environmental Health, CHECC, JIC, MDARD, MDE, MDEQ, FEMA, SEOC Incident Command, and EPA PIO. Discussed consistent and understandable messaging related to water test results. This conversation will continue during UCG calls.

Received communication from SAMHSA that they will be sending staff, Commander Jamie Seligman, to Lansing on Monday. An eight person Disaster Behavioral Health team from SAMHSA was requested and has also been approved to be sent to Michigan.

#### **Corrections (MDOC)**

We continued to streamline operations at the warehouse to assure that PODs are well supplied. We will continue to keep trucks dedicated to delivering to individual PODs and have Rapid Responses ready for any POD that gets to a critical level of supplies.

332 Water Samples were collected and delivered to the DEQ Lab in Lansing.

2 Semi-Tuck and Trailers were on-site and loaded today at the warehouse in preparation for tomorrow's large scale volunteer event with Red Cross.

7800 assembled water test kits were picked up from Red Cross and delivered to the warehouse.

4 boxes of door hangers and 4 ID cards were delivered to Flint for DTMB.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

Participated in the Unified Coordinating Group conference call.

Coordinated and facilitated conference call with partner agencies to discuss coordinated messaging.

Provided statistics on most recently available sample analysis data.

Creation and web posting of Summary of DEQ Actions in Response to EPA Emergency Order<sup>2</sup> and Talking Points.

Continue to clarify and provide consistent messaging.

Establishment of glide path for team members and replacements.

Coordinated GIS data, provided data for Director briefing with local officials and media.

#### **Human Services (MDHS)**

Two Genesee Co MDHHS offices continue to be points of distribution for filtration devices.

CHECC continues to maintain a Level 2 Activation

#### **Licensing and Regulatory Affairs (LARA)**

-Updated the LARA Executive Team

-Joe Madziar and Andy Nueman were able to complete a material list for Brownell Elementary School.

-Alesha Gensler spoke with Tony Sitko, with Flint Community Schools, and coordinated availability of schools for Saturday (Jan. 30) to continue gathering information for material lists.

-LARA reached out to Mark Bouvy, Administrative Manager with the Michigan School for the Deaf (MSD), to see when he expects construction to be complete at MSD. The landlord of the building where the school is located had decided to go ahead and replace all the faucets on their own. After construction is complete, LARA will coordinate with DEQ to complete the water testing at the facility. Mark is out of the office until Monday, Feb. 1.

#### **Military and Veterans Affairs (DMVA)**

Commanders Situation Report (SITREP)

1. DTG: 2813002016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: 1LT Roland, John G. Cell:                      \* Email: john.g.roland2.mil@mail.mil.com

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. SITUATION OVERVIEW: 1-125 IN has      Soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has      Soldiers on ground supporting the mission.

7. OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.

a. LT Benke met with local city engineering yesterday in response to traffic signs at the PODs.

1.) Workers from the City of Flint determined that they do not have the capabilities to support the road sign warnings. Local EOC is working through the Genesee County Road Commission IOT have traffic signs placed at the requested PODs.

b. Unknown if Flint City Electricians assessed lighting around the outside areas of the PODs IOT fix lighting issues.

8. PERSONNEL:      Soldiers are currently assigned to the POD operations.      Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.

9. INTELLIGENCE / FORCE PROTECTION: No force threats have been identified.

10. LOGISTICS: Every POD has at least one fully functional pallet jack and dolly/handcart.

11. COMMUNICATIONS: No communications issues at this time.

P: 800 MHz radios issued to PODs and WRTs.

A: RRF cell phones alternate for WRTs.

C: Personal cell phone

E: Runner

12. NARRATIVE: N/A

13. COMMANDER'S EVALUATION:

- POD operations are still functioning well. We are trying to improve the efficiency, professional appearance, and long-term establishment of the POD's, but, overall the POD's operations are remaining successful.

- Recycling has been implemented at PODs 1, 5, and 8. A small amount of recycling has been.

- Consolidated Station Report OUT (last 24 hours)

Bottled water-5559 Water (Gallons)-1317 Lead Testing Kits-388

Pitcher (23 cup)-550 Brita Faucet Filter-216 Brita Replacement Cartridge-352

Pur Filter-250 Pur Replacement Filter-444

#### **National Weather Service (NWS)**

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

#### **Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

#### **Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:

Kathryn C. Boles

## Klotz, Josephine (MSP)

---

**From:** Governor's Office <governorsoffice@govsubscriptions.michigan.gov>  
**Sent:** Saturday, January 30, 2016 4:42 PM  
**To:** Etue, Kriste (MSP)  
**Subject:** Saturday, Jan. 30 update from the Flint Water Response Team

# FLINT WATER RESPONSE TEAM

UPDATE | SATURDAY, JANUARY 30, 2016

This daily update is being issued in order to provide the latest information regarding actions and available resources.

Governor Snyder encourages all Flint residents to get their water tested as soon as possible. If you live in Flint, please make it a priority for your family and encourage your friends and neighbors to obtain testing kits as well. The kits are available free of charge at the water resource sites within Flint fire stations.

Water testing kits are available at city hall and all Flint fire stations. Residents don't need to test their own water - simply fill up the bottle and return it to where it was obtained. Residents with questions can call United Way 2-1-1. For other questions about water testing, please visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater).

Water testing results are also posted at [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)

### **Detroit News: Feds deny Snyder's request to raise Flint WIC eligibility**

The U.S. Department of Agriculture has rejected Michigan's request to increase access for Flint children ages 5 to 10 to the federal nutritional program for low-income women and children.

Governor Snyder strongly urges the federal government to reconsider this request and provide additional support for children ages 5 to 10. He says that we must draw on all resources possible and work cooperatively to meet the needs of the residents of Flint, both immediate and long-term.

## REMINDERS

- For Flint water assistance: Dial 211 or visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)
- To donate or volunteer: visit [www.HelpForFlint.com](http://www.HelpForFlint.com)
- Residents should install filters to their taps to ensure they have immediate and ongoing access to safe water. Only run cold water through the water filter and use filtered water for drinking and cooking. Monitor the cartridge on the filter and replace as needed.

## WATER RESOURCE LOCATIONS

These sites are open seven days a week from 9 a.m. to 9 p.m. with the following resources:

- Bottled water
- Water filters
- Replacement cartridges for water filters
- Water testing kits pick-up
- Drop-off location for water testing kits

Fire Station #1  
310 East 5th St.  
Flint, MI 48502

Fire Station #3  
1525 Martin Luther King Ave.  
Flint, MI 48503

Fire Station #5  
3402 Western Rd.  
Flint, MI 48506

Fire Station #6  
716 West Pierson Rd.  
Flint, MI 48505

Fire Station #8  
202 East Atherton Rd.  
Flint, MI 48507

We will continue to work to improve the water situation in Flint. Community members and local officials are working together to make sure we hear and respond to concerns. Governor Snyder will continue to keep you updated on the latest news and information. **If you don't find the resources you need by dialing 211 please call the Governor's office directly at 517-335-7858.**

### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

#### Update 1/30/16 – 26<sup>th</sup> Day (25<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

##### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Finalize SBA application

##### Attached Documents:

- Sit Rep # 25
- Lead Residents Sampled Results
- Copper Residents Sampled Results

##### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).

##### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- Deployed SEOC liaison to UCG.
- Worked with GIS to map and analyze City of Flint apartment buildings to send out water resource teams.
- Coordinated the posting of the Food and Nutrition Service response to Michigan's request to increase the access and availability of WIC benefits and services on the [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater) site.

- Information reported to the JIC:
  - As of 1/30/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 1/30/2016
30,770	37,844	9,026	1,368

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	227,188
b. Filters	99,969
c. Filter cartridges	203,932
d. Test kits	31,512

3. Resources purchased:

- a. Cases of water 2,481,324 Liters (additional 879,400 Liters donated)
- b. Filters 164,616
- c. Filter Cartridges 376,903
- d. Test kits 62,701

4. Teams going out tomorrow:

- a. 10 American Red Cross Teams scheduled for Sunday, January 31, 2016.

Standing Information Requirements

1. Number of homes visited each day:

- a. 1/30/16, as of 5 pm, 1,368 homes were visited today.

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 9,026

3. Total number of National Guard on the ground:

- a.

4. Total Number of Volunteers each day:

- a. 792 volunteers on 1/30/2016.

5. Number of homes with filters:

	Total Number	Number with filters
Residential parcels	38,831	27,956
Active residential water subscribers	29,994	22,229

6. Number of Water filters distributed (each day and to date):

- a. 706 were distributed on 1/30/2016, and total distributed to date is 99,347.

7. Cases of Bottle water distributed (each day and to date):

- a. 6,337 were distributed on 1/30/2016, and total distributed to date is 222,942.

8. Number of testing kits distributed (each day and to date):

- a. 65 were distributed on 1/30/2016, and total distributed to date is 31,176.

9. Number of people tested for elevated blood levels (kids, adults, total):

- a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351  
\*this data will not be updated again until Tuesday.

10. Number of people with elevated blood level (kids, adults, total):

- a. Per CHECC: These numbers are only updated bi-weekly
  - i. Children less than 6 years old  $\geq 5 \mu\text{g/dl}$  since 10/1/2015: 38
  - ii. Children 6 to 17 years old  $\geq 5 \mu\text{g/dl}$  since 10/1/2015: 7
  - iii. Adults 18 years and older  $\geq 5 \mu\text{g/dl}$  since 10/1/2015: 22

\*This data will not be updated again until Tuesday

**11. Number of homes with safe drinking water:**

- a. 4,084 water samples out of 4,351 sampled through January 29, 2016 are at or below the action level of 15 ppb for lead. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

\*\*Per DEQ, numbers were not available tonight but will be provided tomorrow.

Local EOC

- Coordinated short-term resource needs of incoming volunteer groups.
- Addressing public concerns regarding filter efficiency.
- Addressing concerns regarding rapid response delivery system.
- Planning for transition of operational control to local level.
- Planning for demobilization of MSP/EMHSD support staff at Genesee County EOC.
- Attended conference call with Michigan Community Service Commission regarding long-term volunteer management plan.
- Refined 211 data entry and record keeping process.
- Provided EPA with 50 "Flint Water Response Team" badges and lanyards to wear when they are working in the community.
- EPA advised they deployed two sampling teams to work on sequential sampling and a filter pilot through Monday, February 1, 2016.
  - o The filter pilot was described as collection of a sample from an unfiltered tap, followed by collection from a filtered tap, installation of a new filter, and collection of a sample through the newly installed filter. They have identified 30 homes for this 3 day effort.

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 1/29/16 – 25<sup>th</sup> Day (24<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Draft data documents for Governor's team for dashboards.
- Draft timeline of events.
- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations and work to increase warehouse locations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

**Attached Documents:**

- Sit Rep # 24

**Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Key items for tomorrow to note are:**

- We will have 10 ARC, type 5 teams (2-4 personnel).
- MSP EMHSD Operations Chief in the Local EOC will be shifted to the Unified Coordination Group (Federal Agencies) to provide connection to SEOC.
  - Local EOC to take a more active role in command and control at the local level.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- Recovery compiled a list of apartment buildings to send out to water response teams.
- SEOC Logistics coordinated Niagara water donation delivery times/dates of 25.5 semi-trailers.
- SEOC Logistics Worked with warehouse to send temporary donation's for the weekend to the LEOC established staging area.
- JIC coordinated with Genesee County Emergency Operations Center and State Emergency Operations Center regarding concerns from undocumented workers and English as second language speakers, including fielding a phone call from the Mexican Consulate in Detroit. Efforts are underway to reach out to these communities and to translate more materials for publication.
- Planning developed SBA loan request letter.
- GIS continued refinement of data.
- Information reported to the JIC:
  - As of 1/29/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

#### 1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 1/29/2016
30,770	37,844	7,658	924

#### 2. Distributed:

Commodity	Total to Date
a. Number of cases of water	216,605
b. Filters	98,641
c. Filter cartridges	202,566
d. Test kits	31,111

#### 3. Resources purchased:

- Cases of water 2,151,444 Liters (additional 715,404 Liters donated)
- Filters 162,536
- Filter Cartridges 376,903
- Test kits 62,701

#### 4. Teams going out tomorrow:

- 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

#### Standing Information Requirements

##### 1. Number of homes visited each day:

- 1/29/16, as of 5 pm, 924 homes were visited today.

##### 2. Total number of homes visited:

- Targeted Canvassing Mission: 7,658

##### 3. Total number of National Guard on the ground:

- Number in PODs:
  - Command Cell:
  - Cyber Mission
  - Joint Forces Headquarters:

4. **Total Number of Volunteers each day:**

- a. 100 volunteers on 1/29/2016.

5. **Number of homes with filters:**

	Total Number	Number with filters
Residential parcels	38,831	27,855
Active residential water subscribers	26,673	22,158

6. **Number of Water filters distributed (each day and to date):**

- a. 1,218 were distributed on 1/29/2016, and total distributed to date is 98,641.

7. **Cases of Bottle water distributed (each day and to date):**

- a. 7,458 were distributed on 1/29/2016, and total distributed to date is 216,605.

8. **Number of testing kits distributed (each day and to date):**

- a. 221 were distributed on 1/29/2016, and total distributed to date is 31,111.

9. **Number of people tested for elevated blood levels (kids, adults, total):**

- a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351  
\*this data is updated bi-weekly

10. **Number of people with elevated blood level (kids, adults, total):**

- a. Per CHECC: These numbers are only updated bi-weekly
- Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
  - Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
  - Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 22

11. **Number of homes with safe drinking water (Not sure whether it's possible right now to provide this number):**

- a. 4,084 water samples out of 4,351 sampled through January 29, 2016 are at or below the action level of 15 ppb for lead. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

Local EOC

- Attended long-term recovery planning meeting with MSP/EMHSD, FEMA and community leaders.
- Planning for transition of operational control to local level.
- Planning for demobilization of MSP/EMHSD support staff.
- Coordinating distribution of Spanish-language water sample forms to affected populations.
- Identifying and securing additional warehouse space.
- Refining rapid response process and coordinating rapid response deliveries to special locations.
- Continuing to coordinate vehicle and technology demobilization.
- Implementing the recycling program with the Community Recycling Coalition.
- Coordinating in-kind and monetary donations through Michigan Community Service Commission.
- Coordinating volunteer management with Michigan Community Service Commission, ARC, and other VOADS.

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 1/28/16 – 24<sup>th</sup> Day (23<sup>rd</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.

- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

Attached Documents:

- Sit Rep # 23
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today. (Provide earlier by GIS)
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today. (Provide earlier by GIS)

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
- We continue to send ARC teams to targeted areas potentially missed.
- Collins Road SEOC will be shutdown. New SEOC at 7150 Harris Drive in Windsor Township (former GOB) will be activated for SEOC staff only. All EMHSD admin personnel will start at the new facility on Monday.

Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- MSP HQ staff completed data entry on all ARC paper copies.
- Recovery Staff attended local Community Partners Meeting.
- Recovery Branch worked with GIS to develop an area map and spreadsheet with addresses based on data specified as "follow up required "for Red Cross teams.
- SEOC Logistics researched possible warehouse options with the local EOC, FEMA and General Motors.
- We have a corporate owned (originally thought to be a franchise owned) Kroger that is no longer in business near Fire Station 6. Looking to get a lower cost for potentially use.
- Received an inquiry regarding potential scams being perpetrated on residents of Flint. This information was referred to the Attorney General's office for a possible news release and further action.
- Issued a media advisory and coordinated a press conference about recycling with Lt. Gov. Brian Calley at noon at Fire Station #1. Used social media to promote the event as it occurred.
- SEOC Operations coordinated water pitcher request for vulnerable population.
- Information reported to the JIC:
  - As of 1/28/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 1/28/2016
30,770	37,844	6,734	1,768

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	207,055
b. Filters	97,342
c. Filter cartridges	201,848
d. Test kits	30,801

3. Resources purchased:
  - a. Cases of water 1,980,504 Liters (additional 517,152 Liters donated)
  - b. Filters 154,052
  - c. Filter Cartridges 299,508
  - d. Test kits 62,701
4. Teams going out tomorrow:
  - a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

#### New Standing Information Requirements

1. Number of homes visited each day:
  - a. 1/28/16, as of 5 pm, 1,768 homes were visited today.
2. Total number of homes visited:
  - a. Targeted Canvassing Mission: 6,734
3. Total number of National Guard on the ground:
  - a.
    - i. Number in PODs: 1
    - ii. Command Cell: 1
    - iii. Cyber Mission: 1
    - iv. Joint Forces Headquarters: 1
4. Total Number of Volunteers each day:
  - a. 125 volunteers for 1/28/2016.
5. Number of homes with filters:

	Total Number	Number with filters
Residential parcels	38,238	25,221
Active residential water subscribers	26,673	20,788

6. Number of Water filters distributed (each day and to date):
  - a. 1,806 were distributed on 1/28/2016, and total distributed to date is 97,342.
7. Cases of Bottle water distributed (each day and to date):
  - a. 8,428 were distributed on 1/28/2016, and total distributed to date is 207,055.
8. Number of testing kits distributed (each day and to date):
  - a. 466 were distributed on 1/28/2016, and total distributed to date is 30,801.
9. Number of people tested for elevated blood levels (kids, adults, total):
  - a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351  
\*this data is updated bi-weekly
10. Number of people with elevated blood level (kids, adults, total):
  - a. Per CHECC: These numbers are only updated bi-weekly
    - i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
    - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
    - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 22
11. Number of homes with safe drinking water:
  - a. 3,726 water samples out of 3,972 sampled through January 28, 2016 are at or below the action level of 15 ppb for lead. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

#### Local EOC

- Planning for transition of operational control to local level.
- Discussed transition and demobilization of EOC support team with SEOC staff, Genesee County Sheriff's Office and Genesee County Emergency Management & Homeland Security.
- Identifying and securing additional warehouse space.
- Implementing recycling program. Promoted program at a press conference with Lt. Gov. Calley.

- Coordinating in-kind and monetary donations through Michigan Community Service Commission.
- Coordinating volunteer management with Michigan Community Service Commission, ARC and other VOADs.
- Continuously addressing public concerns over perceived fraud through door-to-door teams.

Chris

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/27/16 – 23<sup>th</sup> Day (22<sup>nd</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- *Prepare appeal on denial of Category B under the Presidential Emergency Declaration.*
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

#### Attached Documents:

- Sit Rep 22
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today. (Provided earlier by GIS)
    - The first one indicates based upon the outreach that has been conducted, which parcels have had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today. (Provided earlier by GIS)
    - The second map indicates the status of residents that have or have not received a filter.

#### Status on Governor’s request letter to the President:

- *Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.*
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
  - ARC teams are targeting the homes we show that were not visited.
- Information provided to the Governor’s Office (Paul Smith) for an extension to the Governor’s Declaration of an Emergency. This has to be approved by both houses of the legislature. The extension will put us on the same timeline as FEMA’s declaration.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- Recovery Branch compiled a list of targets for apartment complexes. Once plan is in place, a team will go to each complex and verify all tenants have been given or have a water filter. Once outreach has taken place for each complex, GIS will manually mark entire parcel as complete.
- SEOC Logistics worked with the Michigan Community Service Commission on donations management and volunteers
- GIS coordinated with DNR and DEQ to establish timelines for lead mapping and strategize updates of lead statuses based on plumber activities.

- GIS coordinated with DTMB/CSS to meet with local GIS staff to review city GIS infrastructure and provide recommendations on future asset management.
- Planning and Financial provide information for Senate Appropriations Committee meeting this afternoon.
- Financial Reviewed donations as match guidelines for required 25% federal match.
- Information reported to the JIC:
  - As of 1/27/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Canvassing Total	Targeted Canvassing Mission 1/27/2016
30,770	37,844	4,966	1,020

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	196,456
b. Filters	95,417
c. Filter cartridges	200,654
d. Test kits	30,255

3. Resources purchased\*:

- a. Cases of water 165,042 (additional 32,234 donated)
- b. Filters 154,052
- c. Filter Cartridges 299,508
- d. Test kits 62,701

4. Teams going out tomorrow:

- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

Standing Information Requirements

1. Number of homes visited each day:

- a. 1/27/16, as of 5 pm, 1,020 homes were visited today.

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 4,966

3. Total number of National Guard on the ground:

- a.
  - i. Number in PODs:
  - ii. Command Cell:
  - iii. Cyber Mission:
  - iv. Joint Forces Headquarters:

4. Total Number of Volunteers each day:

- a. 109 volunteers for 1/27/2016.

5. \*Number of homes with filters:

	Total Number	Number with filters
Residential parcels	38,238	22,939
Active residential water subscribers	26,673	19,677

6. Number of Water filters distributed (each day and to date):

- a. 971 were distributed on 1/27/2016, and total distributed to date is 95,417.

7. Cases of Bottle water distributed (each day and to date):

- a. 7,592 were distributed on 1/27/2016, and total distributed to date is 196,456.

**8. Number of testing kits distributed (each day and to date):**

- a. 341 were distributed on 1/27/2016, and total distributed to date is 30,255.

**9. Number of people tested for elevated blood levels (kids, adults, total):**

- a. Per CHECC: People Tested for Lead 10/1/2015 to 1/22/2016: \*3,351  
\*this data is updated bi-weekly

**10. Number of people with elevated blood level (kids, adults, total):**

- a. Per CHECC: These numbers are only updated bi-weekly
- i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
  - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
  - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 22

**11. Number of homes with safe drinking water:**

- a. 2,991 homes, per data from September 3, 2015 to January 27, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

\*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number – Phase II questions were developed to help clean this up.

GIS Information

AS OF 1/27/2016 AT 5 p.m. USING DATA FROM FLINT WATER RESPONSE TEAMS, POD DISTRIBUTIONS, AND GENESEE COUNTY HEALTH DISTRIBUTION DATA.

NOTE: PLEASE REMEMBER THAT PAPER DATA AND DATA ENTRY FROM PREVIOUS DAYS CONTINUES TO COME IN AND WILL BE INCLUDED IN THE TOTALS AS IT IS RECEIVED.

We are tracking **38,238** residential parcels that the City of Flint has identified as non-vacant (including Franchise). Of those:

- **34,849 (91%)** of the parcels have been engaged (e.g. face to face, left an information card, etc.) as part of response efforts
- **22,939 (60%)** of the parcels have been confirmed to have some form of filter
- **10,723 (28%)** of the parcels have volunteered for water testing sites
- **4,918 (13%)** of the parcels have not had personal contact (not home or did not visit a POD)

We are also tracking that there are 29,994 active water subscribers (metered service lines) in the city. When consolidated down and filtering out only residential there are **26,673** residential parcels that have the ability to use the Flint Water System. Of these

- **25,457 (95%)** of the parcels have been engaged as part of response efforts
- **19,677 (74%)** of the parcels have been confirmed have some form of filter
- **9,561 (36%)** of the parcels have volunteered for water testing
- **3,718 (14%)** of the parcels have not had personal contact (not home or did not visit a POD)

Local EOC

- Planning for transition of operational control to local level.
- Identifying and securing additional warehouse space for donations management.
- Coordinating rapid response deliveries to identified locations.
- Coordinating demobilization of vehicles and technology.
- Working to implement recycling program. Press conference scheduled for 01/28/2016.
- Coordinating in-kind and monetary donations through Michigan Community Service Commission.
- Coordinating volunteer management with Michigan Community Service Commission, ARC and other VOADs.

Chris

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 1/26/16 – 22<sup>th</sup> Day (21<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Validate all data from the WRTs/PODs and identify focus areas.

**Attached Documents:**

- Sit Rep # 21
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first one indicates based upon the outreach that has been conducted, which parcels have had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

**Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Key items for tomorrow to note are:**

- We will have 10 ARC, type 5 teams (2-4 personnel).
- Press conference to be held in Flint with the Governor, Mayor and some state agency personnel.

**Items to Note**

- 10 ARC Flint Water Response Teams to the field today.
- We have taken a significant number of paper records from the ARC WRTs so we can get the data entered into our system. MSP HQ staff has been pulled to the SEOC for data entry. These are a portion of the records the ARC had as they were not using the door to door App as directed. This data will further clarify areas covered/not covered by any teams.
- The WRTs are going to "targeted" locations where we are showing residences not contacted.
- We are working on identifying any multi-unit housing to ensure all have filters (e.g. apartment buildings). Some have been taken care of but we are ensuring these locations are not missed.
- Information reported to the JIC:
  - As of 1/26/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

**1. Homes visited by the FWRTs to date.**

Phase I	Phase II	Targeted Canvass Mission Total	Targeted Canvassing Mission 1/26/2016
30,770	37,844	3,946	1,350.

**2. Distributed:**

Commodity	Total to Date
a. Number of cases of water	186,309
b. Filters	94,301
c. Filter cartridges	199,489
d. Test kits	29,841

3. Total number of customers on the Flint water system
  - a. 29,994 current water system subscribers
  - b. ~45,000 hookups (This is our high end target #)
  - c. ~39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased\*:
  - a. Cases of water 146,142 (additional 26,834 donated to the state warehouse and does not include other locations like GCCARD/Food Banks, Churches, etc.)
  - b. Filters 154,052
  - c. Filter Cartridges 299,508
  - d. Test kits 62,701
5. Teams going out tomorrow:
  - a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

#### Standing Information Requirements

1. Number of homes visited each day:
  - a. 1/26/16, as of 5 pm, **1,350** homes were visited today.
2. Total number of homes visited:
  - a. Targeted Canvassing Mission: **3,946**
3. Total number of National Guard on the ground:
  - a.
    - i. Number in PODs:
    - ii. Command Cell:
    - iii. Cyber Mission:
4. Total Number of Volunteers each day:
  - a. 98 volunteers for 1/26/2016.
5. \*Number of homes with filters:
  - a. 18,487 homes had filters, per entered GIS data as of 1/25/2016.
6. Number of Water filters distributed (each day and to date):
  - a. 1,091 were distributed on 1/26/2016, and total distributed to date is 94,301.
7. Cases of Bottle water distributed (each day and to date):
  - a. 7,862 were distributed on 1/26/2016, and total distributed to date is 186,309.
8. Number of testing kits distributed (each day and to date):
  - a. 403 were distributed on 1/26/2016, and total distributed to date is 29,841.
9. Number of people tested for elevated blood levels (kids, adults, total):
  - a. Per CHECC: People tested for lead 10/1/2015 to 1/8/2016: **2,642**;  
\*this data is updated bi-monthly
10. Number of people with elevated blood level (kids, adults, total):
  - a. Per CHECC:
    - i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: **28**
    - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: **7**
    - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: **15**
 \*this data is updated bi-monthly
11. Number of homes with safe drinking water:

- a. 1,099 homes, per data from September 3, 2015 to January 22, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.
- \*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number – Phase II questions were developed to help clean this up.

#### Local EOC

- Delivered iPads to warehouse and provided on-site training to drivers, followed with written instructions.
- Facilitated recycling planning meeting and planned for implementation of the program.
- Attended local "Pastors and Police" meeting to coordinate water distribution plan with faith-based organizations.
- Planning for a transition of operational control to local level.
- Coordinated the incoming donations of water and filters through the Michigan Community Service Commission.
- Coordinated volunteer management with Michigan Community Service Commission, ARC and other VOADS.

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

#### Update 1/25/16 – 21<sup>th</sup> Day (20<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Validate all data from the WRTs/PODs and identify focus areas

##### Attached Documents:

- Sit Rep # 20
- Michigan Department of Health and Human Services Situation Report for January 20, 2016
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first map indicates based upon the outreach that has been conducted, which parcels have had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

##### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).

##### Items to Note

- 11 ARC Flint Water Response Teams to the field today.
- 8 EPA PIOs will be in the JIC tomorrow. The JIC is unaware of the role or expectations at this time.

- Reference the rash I discussed on the call tonight:
  - There was one specific complaint about rashes that Community Health personnel plan on working with ATSTD/CDC. DEQ is requesting that EPA collect all appropriate water samples to enable a full analysis of the water at the address (an apartment) for bacterial contamination, and a full metals and organics panel. Lead is not associated with skin rashes, but other contaminants are and DEQ wants to find out what, if any, other contaminants are in the water.
  - It was also discussed that it would be ideal if Community Health can forward to the EPA the other addresses and contact information for which they've received complaints of rashes, so that EPA could also test there for appropriate parameters to see if we can identify a cause.
  - SEOC DEQ desk will continue to monitor and work this issue.
- SEOC OPS, Health, MDEQ SEOC, Logistics participated in conference calls with the Governor's office and private partners on potential alternative filtration systems for schools, daycares, etc.
- Created a form for drivers to track rapid response deliveries.
- Media avail at fire station 8 this morning received positive news coverage.
- The NAACP is holding a public meeting at U of M Flint on Tuesday.
- Rachel Maddow will hold a town hall meeting on Wednesday. MSP Third District Commander advised.
- Developed new Incident Action Plan (#7 published in MICIMS) and ICS 204s for the new operational period (1/26/2015-2/2/2016).
- MDOC assumed all warehousing responsibilities today.
- Reviewed state agency financial information received for update to current spend plan.
- Information reported to the JIC:
  - As of 1/25/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Canvassing Mission 1/25/2016
30,770	37,844	2,596 – ARC*

\*American Red Cross data has not been entered in the app, but is currently being caught up. Starting January 26, 2016, the American Red Cross has been instructed that iPads must be used in the field for data entry in order to clearly capture the homes that have filters.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	176,118
b. Filters	93,048
c. Filter cartridges	198,552
d. Test kits	29,320

3. Total number of customers on the Flint water system

- a. 29,994 current water system subscribers
- b. ~45,000 hookups (This is our high end target #)
- c. ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased\*:

- a. Cases of water 141,982 (additional 24,634 donated)
- b. Filters 124,052
- c. Filter Cartridges 285,586
- d. Test kits 62,701

\* Numbers have not been updated due to the following circumstances:

- Outstanding donations and inventory at the warehouse which has not been reported to the SEOC. Staff in the SEOC is working with donations management and warehouse to reconcile numbers.

- Outstanding data from GCCARD on deliveries from 1/8-1/12. Staff in the SEOC and local EOC is working with GCCARD to obtain data.
  - At the beginning of tracking the planning factor used was 72 cases of water per pallet and 22 pallets per semi-truck. Per bill of lading received from the warehouse today, it has been identified that this assumption is not correct. Staff is working to reconcile numbers.
5. Teams going out tomorrow:
- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

#### Standing Information Requirements

1. **Number of homes visited each day:**
  - a. 1/25/16, as of 5 pm, 2,596 homes were visited today.
2. **Total number of homes visited:**
  - a. Phase II: 37,844
  - b. Targeted Canvassing Mission: 2,596
3. **Total number of National Guard on the ground:**
  - a. 65
    - i. Number in PODs: 60
    - ii. Command and Control Staff for NG Personnel: 5
4. **Total Number of Volunteers each day:**
  - a. 135 volunteers for 1/25/2016.
5. **\*Number of homes with filters:**
  - a. 17,595 homes had filters, per entered GIS data as of 1/22/2016.
6. **Number of Water filters distributed (each day and to date):**
  - a. 1,151 were distributed on 1/25/2016, and total distributed to date is 93,048.
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 9,514 were distributed on 1/25/2016, and total distributed to date is 176,118.
8. **Number of testing kits distributed (each day and to date):**
  - a. 478 were distributed on 1/25/2016, and total distributed to date is 29,320.
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Per CHECC: People tested for lead 10/1/2015 to 1/8/2016: **2,642**;
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Per CHECC:
    - i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: **28**
    - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: **7**
    - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: **15**
11. **Number of homes with safe drinking water:**
  - a. 1099 homes, per data from September 3, 2015 to January 22, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

#### GIS Information

I have had numerous discussions with GIS staff as to getting our data validated and as close to final as possible. We are tracking 38,144 residential properties within the city (noting large apartment complexes are classified as commercial so they are not a part of this). Of these:

- 34,318 have been engaged by Flint Water Response Teams and PODs (90%) - The remaining 10% is going to be a focus for the teams in the near future
- 23,281 have led to a direct citizen engagement (61%)
- 5,173 were not home during any attempt to visit and have not been recorded as having visited a POD (14%)
- 5,864 of the properties the teams visited were vacant or destroyed (15%)

Additionally, we have been tracking the status of "Active Water Subscribers" from the Flint Department of Public Works. These are residential properties which have meters put on the homes by the city. Of the total 29,994 subscribers citywide, 26,673 have been confirmed as being on residential parcels. Of the 26,673:

- 18,487 Have been confirmed as having received a filter by the Flint Water Response Teams or PODs (69%)
- 3,928 Were not home when visited (15%)
- The remaining 16% we have no data to confirm or deny whether they have a filter

Of special significance from the water subscriber data is that the old lead maps that we are digitizing from the Flint Water Department contain 993 suspected homes with lead lines in them. Of these only 659 have received a filter.

It is significant to note that we are continuing to receive paper forms from the field and processing them. The ARC and volunteers were specifically told to use the App and we provided Ipads but tonight I was told this was not being done by everyone which has caused us some lags in data. This is likely improve the overall numbers as we process historic records (ARC had ~7,000 of these records).

It cannot be reiterated enough that data is still coming in and we are still actively cleansing it.

#### Local EOC

##### Operations:

- Coordinated with Foodbank of Eastern Michigan for issuing of Resource Request.
- Coordinating and following up on vehicle demobilization.
- Facilitated rapid response deliveries to special locations.
- Finalizing components of recycling program.
- Received authorization to operate bottle collections for recycling at Fire Station 1 and 5 PODs.
- Initiated activities to plan for inclusion of institution sampling (schools, daycares, nursing homes, etc.) in Genesee County EOC IAP.
- Coordinating volunteer management with Michigan Community Service Commission.

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

##### Update 1/24/16 – 20<sup>th</sup> Day (19<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

I have asked state agency SEMCs to archive their SitRep items so you only have current operational period information in the SitRep Agency Summaries. Director Creagh added to daily report.

##### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs).
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

##### Attached Documents:

- Situation Report # 19

- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first one indicates based upon the outreach that has been conducted, which parcels have we had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
- WRTs with NG personnel are transitioning out. No field teams. NG will continue to staff the PODs.
- Tony Katarsky will be acting SEOC State Director. Capt. Kelenske not in the SEOC - available by phone (in the Holland MI area).

Items to Note

- Deployed National Guard/state/local teams and 19 ARC Flint Water Response Teams to the field today.
- JIC was operational with limited staff out of the SEOC today. Co-located JIC in Flint will be back and operational tomorrow.
- SEOC Logistics worked with MDOC on warehouse management transition.
- Recovery Branch began demobilization of trucks and vans.
- Demobilization of National Guard Water Response Teams will be effective as of Monday, January 25.
- School for the Deaf
  - As of 1/23/16: LARA and DEQ teams on site; water testing complete in school building and LRC dorm. Stevens Hall will be tested when landlord finishes upgrades.
  - As of 1/23/16: all water faucets replaced in Stevens Hall. 3 new drinking fountains on order; expected mid-week. Once fountains are installed, Stevens Hall will be scheduled for water testing.
- SEOC Finance Donations Management team to obtain list of donors and donations for FEMA request.
- SEOC Planning Section worked on burn rate data from FWRT and PODs for FEMA request.
- GIS continued to clean up V2 Dataset (patched approximately 1000 records).
- GIS coordinated with the DEQ to transfer lead service line mapping to their GIS department tomorrow. Wall maps showing known lead service lines based off of geographical locations and zip codes provided for Chief Hagler, SEOC DEQ staff and Director Creagh.
- Out of 37,003 homes visited, 5,660 were not home/did not answer. The number of homes visited is lower than the Phase II number as some duplicate contacts at addresses were eliminated.
- Information reported to the JIC:
  - As of 1/24/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	1/24/2016
30,770	37,844	7,012 National Guard/State/Local 4,132 ARC

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	164,991
b. Filters	91,763
c. Filter cartridges	197,775

d. Test kits	28,763
--------------	--------

3. Total number of customers on the Flint water system
  - a. 29,944 current water system subscribers
  - b. ~45,000 hookups (This is our high end target #)
  - c. ~39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 141,982 (additional 24,634 donated)
  - b. Filters 124,052
  - c. Filter Cartridges 285,586
  - d. Test kits 62,701
5. Teams going out tomorrow:
  - a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

#### Additional Standing Information Requirements

1. Number of homes visited each day:
  - a. 1/24/16, as of 5 pm, 11,144 homes were visited today
2. Total number of homes visited:
  - a. Phase II: 37,844
3. Total number of National Guard on the ground:
  - a.
    - i. Number in PODs:
    - ii. Number on Cyber Mission:
    - iii. Number with FWRTs: :
    - iv. Command and Control Staff for NG Personnel:
4. Total Number of Volunteers each day:
  - a. 315 volunteers for 1/24/2016.
5. \*Number of homes with filters:
  - a. 17,595 homes had filters, per entered GIS data as of 1/22/2016.
6. Number of Water filters distributed (each day and to date):
  - a. 4,920 were distributed on 1/24/2016, and total distributed to date is 91,763.
7. Cases of Bottle water distributed (each day and to date):
  - a. 16,125 were distributed on 1/24/2016, and total distributed to date is 164,991.
8. Number of testing kits distributed (each day and to date):
  - a. 3,177 were distributed on 1/24/2016, and total distributed to date is 28,763.
9. Number of people tested for elevated blood levels (kids, adults, total):
  - a. Unknown at this time, CHECC will begin providing numbers on 1/25/2016.
10. Number of people with elevated blood level (kids, adults, total):
  - a. Unknown at this time, CHECC will begin providing numbers on 1/25/2016.
11. Number of homes with safe drinking water:
  - a. 577 homes, per data from September 3, 2015 to January 20, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

\*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number – Phase II questions were developed to help clean this up.

#### Local EOC

##### Operations:

- Distribution of supplies at five water resource sites in the City of Flint.

- Door-to-door distribution of supplies with 34 water response teams (19 ARC volunteer teams, 15 MSP/GCSO/NG teams).
- Facilitating rapid response deliveries to homebound residents and special locations by three teams staffed by Team Rubicon, and Lt. de Castro (MSP/EMHSD).
- Improved logistics for rapid response teams by providing transportation and iPads starting on 01/25/2016.
- Coordinated with ARC for distribution of additional iPads for data entry.
- Identified alternative warehouse locations for loose donations.
- Directed volunteer requests to appropriate state agencies.
- Started coordination for resource demobilization.
- Coordinated with 22 churches so they had water, filters, etc. Delivered Saturday. Some advised they were set with supplies. Lt. Roach (MSP District Coordinator will maintain contact with Pastors).

Chris

---

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/23/16 – 19<sup>h</sup> Day (18<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs

#### Attached Documents:

- SitRep 18

#### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Key items for tomorrow to note are:

- We will have National Guard/state/local agency, type 3 teams
- We will have 40 ARC, type 5 teams (2-4 personnel).

#### Items to Note

- Deployed 15 state/local teams and 40 ARC Flint Water Response Teams to the field today.
- Created a media monitoring report and looked for misinformation. A call was made to WILX to amend their article that implied that the State was not distributing water to undocumented immigrants. The news release was also sent to WILX about how the State is not requiring identification to receive water resources.
- SEOC Logistics worked on future resource planning and a local business commodity supply plan.
- Drafted talking points for Monday’s press conference with Governor Snyder, Colonel Etue, and the Mayor.
- Put in place a place to control POD distribution as much as possible. SKU numbers are being lined out on commodities to prevent or minimize returns for cash.
- Information reported to the JIC:

- o As of 1/23/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

To Date	1/23/2016
37,943	6,323 National Guard
	7,361 ARC

2. Distributed: Includes outstanding data from yesterday- PODs after 5 pm, ARC worksheets and local EOC hotshots

Commodity	Total to Date
a. Number of cases of water	148,866
b. Filters	86,843
c. Filter cartridges	194,622
d. Test kits	25,586

3. Total number of customers on the Flint water system

- a. 29,944 paying customers
- b. ~45,000 hookups (This is our high end target #)
- c. ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased:

- a. Cases of water 133,662 (additional 24,634 donated)
- b. Filters 115,700
- c. Filter Cartridges 266,200
- d. Test kits 61,161

5. Teams going out tomorrow:

- a. National Guard State ) type 3 teams---Goal tomorrow 300 homes per team
- b. 40 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

Local EOC

Operations:

- Worked to identify all vulnerable populations to help streamline Hot Shot/Rapid Response Team process.
- Working on plan for church water distribution and POD locations.
- Looking at possible alternative locations for PODs in difficult traffic areas. The city identified some but they are just as bad as the current ones.
- Working on finalizing a recycling plan for the incident.
- Lt. Roach sent up the church information to Tom Webber. She also received one church site that will act as a potential church mega site.
- SEOC GIS to provide a layer for the vulnerable populations so that Team Rubicon can get to them and track in the iPad.

New Standing Information Requirements

1. Number of homes visited each day:

- a. 1/23/16, As of 5 pm, 13,684 homes were visited today

2. Total number of homes visited:

- a. 37,943, does include duplicate counts from the second canvassing

3. Total number of National Guard on the ground:

- a.

4. Total Number of Volunteers each day:

- a. 310 volunteers for 1/23/2016

5. **Number of homes with filters:**
  - a. 17,595 homes had filters, per entered GIS data as of 1/22/2016,
6. **Number of Water filters distributed (each day and to date):**
  - a. 4,156 were distributed on 1/23/2016, and total distributed to date is 86,843
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 27,462 were distributed on 1/23/2016, and total distributed to date is 148,866
8. **Number of testing kits distributed (each day and to date):**
  - a. 2,171 were distributed on 1/23/2016, and total distributed to date is 25,586
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Unknown at this time until we get the data
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Unknown at this time until we get the data
11. **Number of homes with safe drinking water (Not sure whether it's possible right now to provide this number):**
  - a. Unknown at this time

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

#### **Update 1/22/16 – 18<sup>th</sup> Day (17<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

##### **Mission focus for the day:**

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue door to door/Flint Water Response Teams (FWRTs)
- Plan for next phase with MSP and NG personnel
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration
- Work with HHS personnel to ensure they have all items needed for operations

##### **Attached Documents:**

- SitRep # 17
- Briefing provided to the HHS Undersecretary by FEMA (due to time only finished 75%)

##### **Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### **Key items for tomorrow to note are:**

- National Guard/State/Local type 3 teams
- 40 ARC (2-4 folks) type 5 teams
- Deliveries going out to all churches on our list we have been working with (21) for Sunday services.
- I will not be in the SEOC Saturday. Tony Katarsky will be the acting SEOC state director. I will be available by phone (wrestling meet).
- Sunday, Lt. Mike Johnson will be acting SEOC state director but I may be in for some of the day.
- Monday I am out on a college visit with my son...I will be available by phone and Tony will again be acting.

##### **Items to Note**

- Deployed 15 state/local teams and 15 ARC Flint Water Response Teams to the field today.
- SEOC Operations worked on getting local contact into the JIC along with developing messaging for resources and donations.
- SEOC Planning worked on the further development of long term strategy.
- Recovery branch continued coordination with Red Cross on volunteers and the Michigan National Guard for Friday and Saturday.
- SEOC logistics worked with FEMA/DHHS on warehouse tracking status/strategy, coordinated resources, and donations management.
- Have had a number of media request concerning resources for immigrants and population less proficient in English. Clarified with a news release that we are not requiring ID but we are asking for addresses to assist with long term recovery. Nobody will be denied resources if they fail to provide us an address.
- Have received numerous inquiries from celebrities on how they can assist and donate.
- We are validating a lot of data but what we have currently is 38,144 parcels in Flint that are not considered "vacant". This does not mean all parcels have a tenant, there are a lot of houses that are empty.
  - 26,673 water subscribers in Flint (not including franchise).
    - Water Subscribers with a Filter = 15,399 (57.7%)
    - Water Subscribers without a Filter = 11,274 (42.2%)
      - With our second pass we are getting more information as to why people do not have a filter. Looking into whether these include homes connected but nobody currently living there. We are refining the data.
  - 11,471 Non-Water Subscribers in Flint.
    - Non Water Subscribers with a Filter = 2,196 (19%)
    - Non Water Subscribers without a Filter = 9,275 (81%)
  - The SEOC Ops Chief has been directed to firm up all numbers with GIS. We have a GIS specialist from FEMA Region V also deployed to the SEOC to assist. ArcGIS has advised us that the amount of data we have collected is more than some major disasters in other states. We are looking into getting their personnel more engaged to ensure we are using all the tools available for analysis.
- SEOC Finance Chief is working on costs to date and all SEMCs were advised to tighten up their records and ensure we have accountability of all costs.
- Information reported to the JIC:
  - As of 1/22/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

To Date	1/22/2016
37,697	5,920

2. Distributed: Includes outstanding data from yesterday (PODs after 5 pm, ARC worksheets and local EOC hotshots.)

Commodity	Total to Date
a. Number of cases of water	121,404
b. Filters	82,687
c. Filter cartridges	191,704
d. Test kits	23,415

3. Resources purchased:

- a. Cases of water 130,782 (additional 21,682 donated)
- b. Filters 115,700
- c. Filter Cartridges 266,200
- d. Test kits 61,161

4. Teams going out tomorrow:

- a. National Guard State type 3 teams -- Goal tomorrow 300 homes per team
- b. 40 ARC (2-4 folks) type 5 teams -- Goal tomorrow 100 homes per team

Local EOC

Operations:

- Worked to identify all vulnerable populations to help streamline Hot Shot process.
- Working on plan for church water distribution and POD locations.
- Looking at possible alternative locations for PODs in difficult traffic areas.
  - Working on finding a new POD for 3 and 6. We are aware that the mayor would need to approve this.
- Coordinated water donations and delivery areas.
- Last minute large donations of water and volunteers expected during the weekend.
- Working on finalizing a recycling plan for the incident.
- The Jail water has been tested and is fine. The prisoners are not being poisoned and the local health department is working on clearing this issue up.
- Working on a plan with the churches to have 4 mega sites for churches (N,E,S,W) and have smaller churches work through these sites to get supplies. Churches are interested in the recycling program, putting information in their bulletins and also used a collection sites.
- Team Rubicon is coming tomorrow to assist with home deliveries.
- Continuing with recycling plan. Need to identify sites with city. Local EOC has visited areas with the local contractor.

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

**Update 1/21/16 – 17<sup>th</sup> Day (16<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs) - “Phase II”
- Plan for next phase with MSP and NG personnel for Governor approval – “Phase III”
- Prepare for appeal on denial of Category B under the Presidential Emergency Declaration
- Work with HHS personnel to ensure they have all items needed for operations

Attached Documents:

- SitRep 16
- Draft Water Operations Plan for moving to next phases (Discussion document)
- Resident Water Sample Results Map (Not for public distribution)
- January 13-19 comparison map

Status on Governor’s request letter to the President

- Emergency declaration received. Pending decision of Major Disaster appeal and any denials under the Emergency Declaration (e.g. Category B). We have not been denied category B yet ... POTUS/FEMA has not given it to us though. I believe we may get a denial of category B in conjunction with the Major Disaster appeal decision. We will have 30 days to appeal.

- Category B is critical in that it is for Emergency Protective Measures which includes (but is not limited to) EOC related costs, supplies and commodities, safety inspections, and in limited circumstances "water testing and treatment supplies in the immediate aftermath of the incident to counter a specific threat." We purposely put our start date of this incident to be April 25, 2014 in hopes we get category B and could get 75% federal funds for many other costs all the way back to 2014 – long shot but would be huge if we land this.

#### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have National Guard/state/local agency, type 3 teams , with a goal of 300 homes per team.
  - We will have 15 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

#### Items to Note

- We are using the terms Phase II, Phase III, etc. These are for internal discussion for planning and not meant for public dissemination at this time unless it is determined to be beneficial.
- The draft operations plan (attached) was completed in conjunction with MSP and NG personnel to initiate discussion on our next steps as to WRTs and PODs.
- The WH issued a statement that \$80 million dollars in aid to MI mostly to repair Flint water infrastructure. We do not have additional information on this. This may be existing federal funds provided to MI that is just being opened up for other use. FEMA does not have any information on this.
- We have been advised we exceeded the \$5 million under the emergency declaration. We are at \$7.6 million.
- FEMA has advised that any donated items can be used to offset the state cost share. We are working on the mechanism with FEMA to do this.
- Deployed 18 state/local teams and 10 ARC Flint Water Response Teams to the field today.
- SEOC logistics worked to project future orders of water resources and commodities.
- Released updated JIC map at 1800 displaying updated field team activity and integrating historic paper records that have been entered into the tracking system for field team activity.
- DEQ test kits are only being provided to those who ask for them.
- I made contact with Senator Ananich aid, Julie Townsend, who was a POC for his volunteers. They are set to work next week on the 30<sup>th</sup>.
- MDOT met with city personnel to look at Station 6 POD and other PODs to see how traffic flow can be facilitated and safety increased. Additional report out due 1/22.
- A request from MSP MC3 for NG Cyber personnel (3 at \$32,000 for 30 days or less) was initiated. This is to assist with the cyber attacks that have occurred/future attacks related to Flint Water. PENDING APPROVAL. NG advised this would have to be funded with existing funds at this time and to make adjustments.
- MDARD Food Program staff have completed assessments of all 21 food businesses (including restaurants) that were located in the highest risk area. In addition, they have completed assessments at 34 food businesses in the medium risk area, and have scheduled 28 appointments to collect water samples.
- Dr. Nicole Lurie, the Assistant Secretary for Preparedness and Response from the US Department of Health and Human Services (HHS), in addition to the HHS Regional Coordinator and other CDC staff, visited the CHECC and SEOC this morning and provided commentary to CHECC and SEOC staff/EMCs. She also attended a briefing from FEMA before departing to visit Flint.
- Parents of boarding students at the Michigan School for the Deaf were notified of the elevated lead results in Stevens Hall. All fixtures in the dormitory are scheduled to be replaced by January 24, 2016. Lt Gov. has scheduled visit on January 25.
- Valley Area Agency on Aging (VAAA) continues to take calls from seniors and caregivers needing access to water and filters. VAAA is providing this information to the local EOC each afternoon for follow-up.
- Information reported to the JIC:
  - As of 1/21/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase 1	Phase 2
30,770	5,409

2. Distributed: Includes outstanding data from yesterday - PODs after 5 pm, ARC worksheets and local EOC hotshots.

Commodity	Phase 1	Phase 2	Total to Date
a. Number of cases of water	94,688	10,403	105,091
b. Filters	77,215	2,356	79,571
c. Filter cartridges	188,389	1,039	189,428
d. Test kits	20,037	1,588	21,625

3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. ~45,000 hookups (This is our high end target #)
  - c. ~39,000 includes apartment complexes/multi family (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 124,398 (additional 20,098 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a. National Guard/State/Local (6-9 folks) type 3 teams -- Goal tomorrow 300 homes per team
  - b. 15 ARC (2-4 folks) type 5 teams -- Goal tomorrow 100 homes per team

#### Local EOC

- Attended ARC meeting with VOADs to discuss volunteer management and strategies.
- Attended meeting with Plumbers and Pipefitters Union to assess the need for long term cooperation for filter installation and fixture replacement.
- Requested and received confirmation of deployment of Team Rubicon (starting on 01/23/2016).
- Facilitated Flint & Genesee Chamber of Commerce representation at the EOC.
- Addressed security issues at Fire Station 3, 6 and 8 PODs (residents concerned about criminal activity).
- Coordinating with SEOC Logistics to receive information on purchasing strategy and volumes for filter equipment.
- Met with Genesee County Planning Commission, United Way of Genesee County and Michigan Community Service Commission to clarify recycling plans and potential volunteer utilization.
- Coordinated and verified deliveries of supplies to apartment complexes.
- Identified potential locations for recycling stations.

Chris

---

#### Update 1/20/16 – 16<sup>th</sup> Day (15<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for second phase of door to door operations
- Submitted appeal to FEMA Region V
- Prepare for appeal on denial of Category B under the Presidential Emergency Declaration

#### Attached Documents:

- SitRep 16

#### Status on Governor's request letter to the President:

- Emergency declaration received.

#### Key items for tomorrow to note are:

- Five copies of the State/FEMA agreement will need to be signed by the Governor. Capt. Kelenske has them and will coordinate delivery.
- The logistics plan will be fully executed tomorrow with all teams.
  - We will have National Guard (MSP supported), type 3 teams }, with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- Dr. Luri from HHS will be at the SEOC ~10:00 p.m.
- A second phase is starting tomorrow which will include more refined questions as to type of filter systems each person has. This will assist with sustainment operations.
- DOC prison work crew personnel (6-7) will be at the warehouse to keep the area clean. A lot of trash is generated in the warehouse and was becoming an issue.

#### Items to Note

- Deployed 10 state/local (NG, MSP, Local) teams and 10 ARC Flint Water Response Teams to the field today.
- MSP and local Sheriff's Department continue to provide over watch for WRTs.
- Aqua Hydrate contacted me to donate 5000 cases a month (4 semis) for a year. I was advised by Lindon Nelson this was a Governor/Mayor/Senator Ananich and Meekhof initiative and a press release was going to go out soon (TBD). Logistics is following up with them.
- News release sent from Governor's office about the appeal to the President of the disaster declaration.
- SEOC Logistics worked with JIC and Governor's office to establish a business resource submission tab on [www.helpforflint.com](http://www.helpforflint.com)
- SEOC Operations continued to develop and finalize Phase 2 canvassing roll out.
- Meeting held with Dr. Luri from HHS.
- Capt. Kelenske and other state agency financial personnel attended the appropriations hearing.
- End of day – concerns with the mass amounts of volunteers showing up and wanting to help. This can cause logistical issues but staff was working to get additional tasks for volunteers outside of the WRTs. We will continue to work on ways to involve more volunteers.
- Additional 5 person NG team for warehouse support approved.
- Information reported to the JIC:
  - As of 1/20/16 as of 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. 29,317 homes visited by the FWRTs to date.

2. Distributed: Includes outstanding hard copy data from yesterday (PODs after 5 pm, ARC worksheets and local EOC hotshots).

- a. Number of cases of water 90,337
  - b. Filters 73,229
  - c. Filter cartridges 185,852
  - d. Test kits 19,866
3. Total number of customers on the Flint water system
- a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
- a. Cases of water 111,630 (additional 18,502 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
- a. 18 National Guard (6-9 folks) type 3 teams---Goal tomorrow 300 homes per team
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Addressed reports of water contamination in distributed bottled and canned water. Confirmed that water is safe to drink through testing by MDEQ. Coordinating with JIC and MDEQ for improved public information on the issue.
- Identifying options to reroute unsolicited offers for supplies and services outside of the EOC. Coordinating to set up 800 number.
- Attended meeting with Flint & Genesee Chamber of Commerce to discuss coordination of efforts, representation at EOC, and improved messaging.
- Attended meeting with Community Foundation of Greater Flint to discuss coordination of neighborhood groups and improved messaging.
- Coordinated with MDARD to provide additional lead testing at restaurants, and signage for safe locations.
- Coordinating with SEOC Logistics to receive information on purchasing strategy and volumes for filter equipment
- Coordinated and verified deliveries of supplies to apartment complexes.
- Discussed logistics requirements of delivery requests for homebound residents with SEOC Logistics.

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### **Update 1/19/16 – 15<sup>th</sup> Day (14<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Prepare plans for next phase of operation – Second sweep of city

Attached Documents:

- SitRep 14

Status on Governor's request letter to the President:

- Emergency declaration received.
- Appeal letter pending.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have National Guard, type 3 teams (6-9 personnel), with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

Items to Note

- Deployed 5 state/local teams and 11 ARC Flint Water Response Teams to the field today.
- Messaging being developed for concerns regarding the Total Dissolved Solids (TDS) meters and citizens' concerns with those meters indicating "lead" in bottled water. Testing of water to be done by DEQ to ensure we have solid messaging.
- DTMB is working to secure space in Flint for FEMA staff.
- Press release went out this afternoon to announce that the US Department of Health and Human Services will lead the federal response in Flint. Capt. Kelenske to meet with Dr. Nicole Lurie, HHS Assistant Secretary for Preparedness and Response (ASPR), on Thursday. The goal of the federal response will be to help state and local leaders identify the size and scope of the problem, and work with them to make and execute a plan for mitigation of the short- and long-term health effects of lead exposure.
- Additional NG personnel being requested to assist with Warehouse inventories.
- NG personnel on the ground with the WRTs tomorrow with 100 more transitioning in.
- Released updated JIC map at 1800 displaying updated field team activity and integrating historic paper records that have been entered into the tracking system for field team activity.
- LG is going to be in Flint working at one of the PODs on Wednesday.
- Information reported to the JIC:

- As of 1/19/16 as of 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. 22,129 homes visited by the FWRTs to date.

2. Distributed: Includes outstanding data from yesterday - PODs after 5 pm, ARC worksheets and local EOC hotshots.

- a. Number of cases of water 77,794
- b. Filters 69,730
- c. Filter cartridges 184,457
- d. Test kits 16,671

3. Total number of customers on the Flint water system

- a. 29,944 paying customers
- b. 45,000 hookups (This is our high end target #)
- c. 39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased:

- a. Cases of water 95,760 (additional 16,056 donated)
- b. Filters 115,700
- c. Filter cartridges 243,200
- d. Test kits 61,161

5. Teams going out tomorrow:

- a. National Guard type 3 teams---Goal tomorrow 300 homes per team
- b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

Local EOC

Operations:

- Attended public health group meeting with GCHD, City of Flint Water Department and MDEQ to discuss water test information being returned to residents, to allow residents a greater understanding of results.
- Attended recycling/trash management group meeting with DEQ, Republic Services, Keep Genesee County Beautiful and Genesee County Planning Commission. Provided projections on current and anticipated bottle distributions.
- Coordinated deliveries of supplies to faith-based organizations, apartment complexes and homebound residents
- Coordinated with Comcast to set up locations for distribution of filters (distributed 60 filters on 01/19/2016).

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

Update 1/18/16 – 14<sup>th</sup> Day (13<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs) and PODs
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.
- Complete appeal for Presidential Major Disaster Declaration denial.

Attached Documents:

- SitRep 13
- Side by side comparison of homes with filters January 13<sup>th</sup> compared to January 18<sup>th</sup>. This should be hitting the media tonight. This took longer to create than I wanted but is the image I have wanted to show progress of getting filters in to the field.

Status on Governor's request letter to the President:

- Appeal in process.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 5-6 state/local agency, type 3 teams (6-9 personnel), with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
  - NG will be bringing in personnel to prep for surge.

Items to Note

- Beginning tomorrow the operational periods will be 7 days long.
- The CDC/ATSDR (Agency for Toxic Substances Disease Registry) has deployed a team to Michigan.
- An Arabic version of the palm card was reviewed and approved. This was developed via Arab American and Chaldean Council.

- Deployed 12 state/local teams and 10 ARC Flint Water Response Teams to the field today.
- DTMB is working to secure space in Flint for FEMA staff.
- Cost analysis to investigate if it would be more cost effective for FEMA to purchase water vs the SOM.
- ARC news release concerning the Volunteer Reception Center (VRC) sent out today.
- Media availability conducted today at 3pm at the VRC.
- Since 1/14/16 Michigan 2-1-1 has received three direct reports of bottled water testing positive for lead. DHHS SEOC Desk and DEQ SEOC Desk was able to contact two of the callers. The Zero Water filter (pitcher) has a handheld test device so people know when to change the filter. This TDS Meter measures dissolved solids (it is not a lead test). This was explained and we are going to work on messaging to ensure this does not cause issues. Dissolved solids are in all water. The water from the callers is going to be tested and a case of water from one of the companies will also be sent to DEQ for testing. Brands are Spartan Spring Water and Canned Water for Kids. The filter company is also going to work on messaging and work with us on this matter.
- Information reported to the JIC:

- o As of 1/17/16 as of 5 pm (start date was Tuesday, 1/12/16)

1. 21,393 homes visited by the FWRTs to date.
2. Distributed:
  - a. Number of cases of water 37,313
  - b. Filters 53,713
  - c. Filter cartridges 169,520
  - d. Test kits 7,379
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 82,992 (additional 16,056 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a. 5-6 State (6-9 folks) type 3 teams---Goal tomorrow 300 homes per team
  - b. 10 ARC (2-4 folks) type 5 teams---Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- *Continuing to work with faith based organization to distribute resources.*
- *Working with colleges to obtain volunteers for canvassing.*

Chris

#### Update 1/17/16 – 13<sup>th</sup> Day (12<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed

- Continue door to door/Flint Water Response Teams (FWRTs), PODs
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.

#### Attached Documents:

- SitRep 12

#### Status on Governor's request letter to the President:

- Emergency declaration received.
  - Limited to direct assistance so we will need to ask for the Individual Housing Program but that is something I will work on with FEMA.
- Major disaster declaration denied. The appeal is being developed with a draft to Paul Smith by later afternoon 1/18/16.

#### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 12 state agency, type 3 teams (6-9 personnel), with a goal of 300 homes per team.
  - We will have 12 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

#### Items to Note

- Deployed 11 state/local teams and 10 ARC Flint Water Response Teams to the field today.
  - 4,963 homes visited today.
- DTMB is working with DSEMIC and NC3 to monitor social media for information on cyber-attack yesterday.  
01/16/16
  - Approximately 5:00PM, Michigan.gov began to experience slowness in web page load time. Approximately 10 minutes later the Michigan.gov site became inaccessible caused by of a denial of service attack.
  - IBM team was able to implement a mitigation strategy to stop the attack that began at 5:00PM. At 6:24PM the michigan.gov websites were again available to the public.
  - Approximately 7:30PM, a new attack was initiated on the michigan.gov environment. The attack focused on the DNS servers and resulted in michigan.gov becoming inaccessible. Additionally, due to the nature of the attack other IBM customers were affected as well. IBM was able to implement a new mitigation strategy that resulted in the excessive traffic being blocked. At 7:53PM the websites were restored to normal operation.
  - Shortly after the michigan.gov websites were restored, the State of Michigan was notified by our internet service providers that a DDoS attempt was made against our SOM DTMB servers in the external DMZ. Once detected, this attack was blocked and Michigan Cyber Security saw no signs of any other types of attacks.

#### 01/17/16

- Genesee County was unable to access MiCIMS due to the State increasing filters. Michigan Cyber Security made adjustments to filter settings and their access to MiCIMS was restored.
- DTMB reached out to the City of Flint CTO, Paul Knific, offering any support they need. Right now they feel they have *bigger issues than trying to get some of the things back online.*

We currently do not have any additional information on the attacks on the City of Flint ([cityofflint.com](http://cityofflint.com)) or Flint Township Police ([flinttownshippolice.org](http://flinttownshippolice.org)) websites. We'll continue to pass information along as we receive it.

- Information reported to the JIC:
  - As of 1/17/16 as of 7pm (start date was Tuesday, 1/12/16)

1. 16,353 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received from prior to the SEOC activation (trying to validate the data) plus the PODs and door to door operations since activation.
2. Distributed:
  - a. Number of cases of water 27,195
  - b. Filters 50,432
  - c. Filter cartridges 168,605
  - d. Test kits 4,861
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 57,456 (additional 12,884 donated)
  - b. Filters 108,520
  - c. Filter cartridges 239,081
  - d. Test kits 28,901
5. Teams going out tomorrow:
  - a. State ) type 3 teams---Goal tomorrow 300 homes per team
  - b. 12 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

#### Operations:

- Facilitated activation of the Genesee County/Genesee Health System MOU for mental health services.
- Coordinated supplies for distribution to students at the U of M Flint campus.
- Still concerned about people going to every fire station and collecting water/filters.
- Coordinated trash pickup at Fire Station PODs with the City Liaison officer.
- Coordinated hotshot deliveries of supplies to home bound population.

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### **Update 1/16/16 – 12<sup>th</sup> Day (11<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to prepare for engagement following the Presidential Emergency declaration

#### Attached Documents:

- SitRep 11

#### Status on Governor's request letter to the President:

- Emergency declaration received. Federal Coordinating Officer (FCO) is David Samaneigo (Sam) who has been my LNO from FEMA. We began discussions on a transition to FEMA support last night. His team is headed to MI at this time and we will have our first coordination meeting on Sunday.
- The request for a Declaration of a Major Disaster was denied. FEMA advised this event does not fit the legal definition of a major disaster (natural incident or fire, flood, or explosion). This information has been provided since prior to the event to elected officials in Flint and the legislature. We are reviewing the chances for an appeal and I have already discussed this with the FCO.

#### Key items for tomorrow to note:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 10 state agency, type 3 teams (6-9 personnel), with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- I will be back on duty Sunday.
- We have been working with some of the churches. Contact was made with 14 churches for Sunday distributions. *Interaction with the pastors has been very positive.*
- A logistics briefing will be provided to see how many more teams we can put in the field.

#### Items to Note

- LT Gov visited the local EOC today; discussed local EOC operations.
- Deployed 11 state teams and 10 ARC Flint Water Response Teams to the field today.
- DEQ sampling kits are now being received at the PODs.
- DEQ sampled two Head Start facilities and worked with GIS to obtain future sample sites.
- The Freeman School pilot was delayed due to some parts not arriving as scheduled. Testing was to be done Sunday but may not occur until Monday.
- NG will have a total of personnel in the PODs for distribution. Mission has not changed.
  - G soldiers have been in the PODS. 38 more processing in tomorrow with start date of 1/18 in the PODS. The TAG and I will be discussing future use of NG personnel door to door next week.
- Information reported to the JIC:

- As of 1/16/16 7pm (start date was Tuesday, 1/12/16)

1. 11,324 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received prior to the SEOC activation plus the PODs and door to door operations since activation. 3,850 homes were visited today (4,000 was the goal).

#### 2. Distributed:

- a. Number of cases of water 20,876
- b. Filters 47,935
- c. Filter cartridges 167,401
- d. Test kits 3,322

#### 3. Total number of customers on the Flint water system

- a. 29,944 paying customers
- b. 45,000 hookups (This is our high end target #)
- c. 39,000 includes apartment complexes (The is the low end target #)

#### 4. Resources purchased:

- a. Cases of water 57,456 (additional 12,884 donated)
- b. Filters 108,520
- c. Filter cartridges 239,081
- d. Test kits 28,901

5. Teams going out tomorrow:

- a. State ( ) type 3 teams---Goal tomorrow 300 homes per team
- b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

Local EOC

Operations:

- Provided direction to Operations and Logistics Section to initiate water sample collection at PODs.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional churches were supplied with water, filters and test kits.
- Still concerned about people going to every fire station and collecting water/filters.
- Station #6 (POD) has associated safety concerns due to proximity of street and lack of suitable parking. We are working to resolve.

Chris

**Subject:** SEOC Update 1/15/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

**Update 1/15/16 – 11<sup>th</sup> Day (10<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Pilot the logistics plan and adjust as needed
- Continue with door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to ensure we get a Presidential Declaration of a Major Disaster and Emergency

Attached Documents:

- SitRep 10

Status on Governor’s request letter to the President:

- All documents for the presidential request have been submitted to FEMA. Numerous calls and meetings took place between me and FEMA today.
- When we get the declaration(s) ... I will set up a legislative/congressional call to explain and provide bullet points as to what programs we will receive. The Federal Coordinating Officer assigned will also be with me to answer questions. This has helped in the past.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 1 state agency, type 3 teams ( ), with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
  - A pilot team was used to test our logistics plan today and with 60% strength they had 160% output (830 homes).

- I will be off tomorrow but available by cell. Tony Katarsky will be SEOC State Director. I will be back in on Sunday.

#### Items to Note

- LT Gov visited the local EOC and SEOC today. He was able to hear our final briefing for the day.
  - Held a short session managing stress with SEOC staff. Two handouts were put in MICIMS for all state and local personnel to view.
  - Deployed 10 state teams and 5 ARC Flint Water Response Teams to the field today.
  - Standing requirements were created for the JIC so we can get information to the media every day. Below are the current ones we have in place and we should have something out tonight according to the JIC.
    - As of 1/15/16 as of 7pm (start date was Tuesday, 1/12/16)
1. 7474 homes visited by the FWRTs. We believe we have ~24,000 homes with filters but are trying to validate that information. This is from the data we received from prior to the SEOC activation plus the PODs and door to door operations since activation.
  2. Distributed:
    - a. Number of cases of water 18,576
    - b. Filters 45,916
    - c. Filter cartridges 165,382
    - d. Test kits 3,217
  3. Total number of customers on the Flint water system
    - a. 29,944 paying customers
    - b. 45,000 hookups (This is our high end target #)
    - c. 39,000 includes apartment complexes (The is the low end target #)
  4. Resources purchased:
    - a. Cases of water 44,688 (additional 12,884 donated)
    - b. Filters 78,520
    - c. Filter cartridges 163,081
    - d. Test kits 18,761
  5. Teams going out tomorrow:
    - a. state s) type 3 teams---Goal tomorrow 300 homes per team
    - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Home Deliveries:

- Still receiving lists from the Valley Area Agency on Aging (VAAA) on home deliveries and forwarding these to the Sheriff's office. They are going through a lot of homes. 120 out of 125 homes were completed yesterday.

##### Operations:

- We sent staff to visit Fire Station 6 and the warehouse today. Fire station 6 traffic was congested and that was during a "slow" time. The National Guard is identifying what is needed to alleviate this. MSP is working on providing uniform presence as needed. An additional iPad at each location will hopefully help relieve the amount of time that people are spending at the distribution sites.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional requests from churches were made and I approved the locations so they could be ready for Sunday. Lt. Roach was told by one of the pastors that he met with the Gov today and expressed how much he appreciated the efforts put forth. We should have 14 for this Sunday. We are working on how we can increase this output.

- Still concerned about people going to every fire station and collecting water/filters. NG personnel observed vehicles with several cases of water an overheard saying they were heading to the next station. Some people were helping themselves and taking more than one case at a time. Per the NG they cannot physically stop people from doing so. The NG is going to try to change staging in the fire stations to try to prevent this.
- Flint PD is going to check in every day with the EOC and provide a specific contact person. They are also going to help with traffic issues at the PODS. Will ask Flint PD to provide a presence when water is off loaded at a POD to help prevent people from "helping themselves."

Chris

---

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/14/16 – 10<sup>th</sup> Day (9<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and finalize lease on warehouse space/begin to move supplies from GCCARD to new warehouse
- Continue with door to door teams and finalize planning for future team use
- Submit request for a Presidential Declaration of a Major Disaster and Emergency
- Continue to work on long term recovery items (DHHS, DEQ, MDARD)

#### Attached Documents:

- SitRep 9

#### Status on Governor’s request letter to the President:

- All documents for the presidential request have been submitted to FEMA. I had a lengthy conversation with the FEMA Region V Administrator reference the request prior to sending.

#### Key items for tomorrow to note are:

- The door to door teams will continue in the morning.
- *We will continue to ramp up door to door operations with additional teams. Teams continue to focus on the high lead level areas and additional data is being analyzed to focus mission areas.*
- ARC will increase the number of their Water Response Teams.
- Supply burn rates as well as projections on how many teams will be needed to put filters in all homes within 3 and 5 days will be completed. Analysis will be done to see in NG personnel may be needed to finish in quicker manner.

#### Items to Note

- DEQ was notified of the number of homes who are willing to have them take additional samples in the future (current number (114). This question was added to the App being used by the Water Response Teams. Data will be provided when needed.
- LT Gov is scheduled to be at the local EOC and SEOC (~4:30) tomorrow to see the operations.
- Secured 80,000 sq. ft. of a warehouse today. Working to consolidate all resources in one location. Tomorrow will be the first day of full implementation of our logistics plan.
- Email sent to state employees to request volunteers for weekend.
- Media monitoring showed no incorrect information today.
- Michigan Association of Broadcasters is sending PSA to radio stations.
- Coordinating with Red Cross on volunteers for weekend.

- Deployed 8 Water Response Teams to the field today (approx. 120 volunteers). 78 Red Cross volunteers active across the operation today.
- National Guard is ramping up to have soldiers per shift at each POD tomorrow. Will also have a Public Affairs Officer at the JIC and liaison at the local EOC.
- Senator Ananich visited the SEOC today to see how things operate. The visit went well and he seemed happy with the number of staff working the Flint event. He tweeted out a message indicating there is still a lot of work to be done but all are working hard.
- DHHS
  - The Community Health Emergency Coordination Center (CHECC) is working on the following:
    - A nutrition plan
    - Education materials, messaging, and working with local agencies
    - Developing a community assessment for disaster behavioral health services.
- Lined up the delivery of filters to two large apartment complexes and a student housing complex.
- We have the list of individuals needing home service (additional contacts will be sent to the Ops Chief at the Local EOC each day at 4:00). Info will be provided to the sheriff's office for action.
- Water Response Team Numbers (this is not the total of homes with filters – I will provide that number tomorrow but it appears we have filters in over half the residences):

	TOTAL	1/12/2016	1/13/2016	1/14/2016
Occupied Homes	1450	242	492	716
Vacant Homes	1967	152	161	1654
Total Homes	3417	394	653	2370
Resources				
Door Hangars	1487	217	453	817
Water	588	117	254	217
Filters	945	112	220	613
Pitchers	22	3	13	6
Water test kits	217	48	109	60
Replacement Filter	482		137	345
Total Resources Dispersed	3741			
Future sample test site	114	28	34	52

Chris

---

#### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

#### Update 1/13/16 – 9<sup>th</sup> Day (8<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and close lease on warehouse space
- Continue with door to door teams and finalize planning for second wave increase (+15 teams – total for 1/14/16 will be 20)
- Continue to work on Governor's Declaration of an Emergency

#### Attached Documents:

- SitRep 8

#### Status on Governor's request letter to the President:

- All support data from state Agencies and local jurisdictions collected as of 6:00 pm on 01-13-16
- Current timeline:
  - First draft completed and ready for review by State Department Directors (including the Attorney General) by 11:00 am on 01-14-16
  - State agency reviews due back by 1:00 pm on 01-14-16 for revision of the draft
  - Revised draft to Captain Kelenske by 2:00 pm on 01-14-16 for review and forwarding to the Governor for final review
  - Final draft (based on Governor's review) submitted to FEMA Region V Administrator by no later than cob 01-14-16 but hopefully sooner. FEMA is aware and ready to receive.

#### Requests and potential response from FEMA/President

- The letter will request all programs eligible under the Stafford Act including Public Assistance, Individual Assistance, Hazard Mitigation, FEMA's coordination of assistance from other Federal agencies and direct assistance from FEMA
- The letter will also request potential direct reimbursement from other Federal agencies such as EPA, CDC, HUD, DHHS and SBA
- This request is in coordination with the request for Non-Stafford Act federal assistance already requested and received by the State (technical assistance and administration, but no direct reimbursement of disaster costs)
- Direct Federal assistance from FEMA in the form of Individual Assistance to homeowners for household repairs (repair and/or replacement of water service lines and Other Needs Assistance to reimburse for water filters, bottled water, etc.) is a possibility
- Direct Federal assistance from FEMA in the form of Public Assistance is not as likely as it is mostly replacement of publicly owned water distribution lines (and not the direct result of damage from a natural cause)
- If Stafford Act assistance is denied (Public Assistance, Individual Assistance and Hazard Mitigation) FEMA could still provide coordination of assistance from other Federal agencies if the President declares a disaster (or emergency) for the State of Michigan

#### Key items for tomorrow to note are:

- The door to door teams will continue at 9 a.m. – 5 p.m. Thursday morning and continue through the weekend.
- We will continue to ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas and additional data is being analyzed to focus mission areas.
- MNG will have a press event at the armory with incoming soldiers and MG Vadhais.

#### Items to Note

- Received information that Rev. Jesse Jackson will be in town 1/17/16 at 1:30 at the Heavenly Host Church of the Harvest of Dartmouth St, Flint.
- Managed and corrected misinformation on NG role.
- Senator Ananich is stopping by the SEOC tomorrow morning 0845. I am meeting with him and his Chief of Staff. Short visit as he has a 0930 at the Capitol.
- Working with Comcast so they can put teams in the field for distribution.
- Penske is going to give us 15-20 trucks over the weekend.
- Contact made with Two Men and a Truck for resources.
- Meeting set with Google where they will brief me and key staff potential tasks.
- Coordinated with Flint Mass Transportation Authority (MTA) to include Fire Station PODs on bus routes.
- Tomorrow I will have a projection as to the number of teams needed to get all citizens filters in their homes in 5 days / 3 days.
- We are standardizing team structure and supply deployment to increase efficiencies. Mission Ready Package (MRP) specifications will be sent out for other entities to assist with door to door. They will then be able to arrive as a MRP get supplies, receive a mission location and deploy.

- 5 Water Response Teams were in the field again today. Below are the numbers from the 2 days of just the Water Response Teams (there are paper copies with data still to be entered from the PODs). I was just briefed by the ARC logistics planner and there are efficiencies we can put in place to increase homes touched per day. The next version of the app will provide more granular details. Additional 30 tablets were configured by DTMB today for field implementation to include use in the PODs.

	Total	1/12/2016	1/13/2016
<b>Occupied Homes</b>	533	242	291
<b>Vacant Homes</b>	238	152	86
<b>Total Homes</b>	<b>771</b>	<b>394</b>	<b>377</b>
<b>Resources</b>			
Door Hangars	473	217	256
Water	265	117	148
Filters	235	112	123
Pitchers	9	3	6
Water test kits	92	48	44
Replacement Filter	93		93
<b>Total Resources Dispersed</b>	<b>1167</b>		
Future sample test site	62	28	34

- We show 17,276 residences with filters (this does not include data entry to be completed from POD or other locations).
  - We have 35,378 service hookups but with apartments, multi residence dwellings, etc we would be around 45,000.
- Logistics Support
  - The American Red Cross Logistics Planner provided me a brief and I approved the plan forward. The current plan includes:
    - Mission – A filter in every home ASAP.
    - 4 Distribution Methods
      - PODs (5)
      - Water Response Teams (20 effective tomorrow and this will increase)
      - Local EOC “Hot Shots” (these are calls for functional needs, unable to get to a POD location due to ??, etc). Personnel dispatched with supplies.
      - Local EOC support for other local requests (Faith based for distribution, etc.)
    - Three warehouse locations at this time
    - How to better leverage ARC resources
- Supplies – Daily Numbers
  - Replacement Cartridges - 30,700 delivered.
  - Water (cases) - 19,152 cases delivered
- Budget projection completed and will be submitted to SBO for review.
- Notes from Water Response Team Command (MSP)
  - Very good synergy between Flint Post troopers and Genesee County Sheriff command and deputies in effective and efficient deployments for distribution efforts.
  - Great attitude and efforts by uniforms and volunteers to make important contributions to the City of Flint on water response team deployments.
  - Clear direction and coordination in the field of supply teams by lieutenants and troopers. No confusion. Clearly defined roles.

All personnel continue to be fully committed to fixing this as quickly as possible.

Chris

---

#### Update 1/12/16 – 8<sup>th</sup> Day (7<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

I apologize in advance for the length of this report. With the supply issues we had the last couple of days I wanted to share our inventory plus what we anticipate to ensure we do not have supply issues.

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Fine-tune logistics
- Increase and deploy door to door teams (4 state teams added to teams from the Sheriff's Department)
- Increase collaboration and messaging of collaboration with local agencies (specifically the Sheriff's Department)

#### Attached Documents:

- SitRep 7
- Executive Order Activating the National Guard

#### Key items for tomorrow to note are:

- The Governor signed an Executive Order activating the National Guard. Mission will be to relieve ARC volunteers at the PODs (Fire Stations) which will free up the ARC volunteers for door to door activities.
  - I have briefed the ARC Disaster Officer on this plan.
- The Governor requested, through FEMA Region V, support from the Federal Emergency Management Agency (FEMA) to bring together and identify other federal agencies that may have programs and funding that could be dedicated to assisting Flint as part of an interagency recovery plan. One of the existing LNOs has been identified as the POC for this. He will be a great liaison for the FWIACC.
- The door to door teams will continue at 0830 Wednesday morning and continue through the weekend and ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas.
- We will look at all commodities and see where we are and where we need to be while working with the ARC logistics specialist.

#### Items to Note

- PSA video sent out to Flint citizens on resources available.
- Water
  - Today's numbers - 7,824 cases of water arrived today, 1/12/16 (109 pallets)
  - Ordered:
    - 19,152 cases of water are going to arrive Wednesday, 1/13/16 (266 pallets)
      - 1/3 is going to GCCARD and the rest is going to the new warehouse
    - 12,768 cases to arrive daily beginning Thursday through Saturday (177 pallets a day)
- Filters
  - Today's numbers
    - Ordered on 1/11/16 and delivered 1/12/16 direct to GCCARD
      - 2,000 – Brita filter faucet mounts
    - Filter Replacements
      - 2,400 – Brita filter replacements (single pack)
      - 8,000 – Brita filter replacements (two pack)

- Ordered on 1/12/16 to arrive Wednesday
  - Faucet Mounts – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
    - 10,000 – PUR Vertical faucet mount
    - 2,500 – PUR Horizontal mount
  - Replacement Filters – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
    - 10,000 – PUR replacement filters (3 pack)
    - 10,000 – PUR replacement filters (single pack)
  - PUR Combination Pack – to be delivered to GCCARD on 1/13/16 (Wednesday)
    - 10,700 – PUR combo packs
- To arrive Thursday
  - Zero Water Pitcher (8 Cup) – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 1,300 – Zero Water pitchers
  - Faucet Mounts – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 11,000 – PUR vertical faucet mount
    - 1,500 – PUR Horizontal faucet mount
    - 5,000 – Brita faucet mount
    - 10,000 – Brita adv faucet mount white
    - 12,000 – Brita adv faucet mount chrome
  - Replacement Filters – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 117,600 – PUR replacement filter
- Test Kits
  - 6601 unassembled kits arrived at GCCARD today, 1/12/16.
  - 500 have been assembled and are ready for distribution
  - 1000 additional unassembled kits have been ordered to be delivered at GCCARD (no ETA yet)
  - 10,142 unassembled kits to arrive at GCCARD early next week
- Second warehouse – Located in Flint
  - 100, 000 square feet of secure warehouse obtained.
  - Accepting commodities beginning Wednesday, January 13
- Logistics Support
  - The American Red Cross Logistics Planner arrived from DC today as requested. I outlined what her mission was and how I saw the progression forward. This logistics planner will assist in streamlining the inventory and distribution process now and into the future.
- Door to Door Numbers
  - Today the app implementation for the field went extremely well. There were a few issues that were quickly addressed. One related to how form fields should be filled out. Another was getting styluses for teams so that they don't have to remove their gloves in the cold. All very simple to fixes.
  - We are working on version 2.0 so this can be used at the PODs
  - We should be able to greatly optimize distribution in the near future as we mapped the active water subscribers from Flint's DPW and are adding them to the field team members apps. Of the ~56,000 possible addresses, *this reduces the number of possible homes to visit down to ~29,000.*
  - Notes from the field commander:
    - “Today we started out the day using two groups that consisted of approximately 10 people in each group. We eventually combine groups with Genesee County Sheriff’s group and they brought two more groups with approx. 10 people (Local UAW) in each group. This made us a lot more efficient and we were able to set up a game plan. Tomorrow I feel we will be more efficient and we will have a better plan in place to get the maximum output out of our resources.”
  - In the end, there were 394 total home visits with the following breakdowns:

- 217 Door Hangers
- 152 Vacant Homes
- 117 Water Distributions
- 112 Filters
- 3 Pitchers
- 48 Water Test Kits
- 211
  - CALL VOLUME:
    - 185 calls for water-related issues had been received as of 4:45 pm.
- Logistics made contact with Comcast and will be supplying them with filters and replacement cartridges for their deliveries in their work trucks as they make services calls. They will follow our procedures for reporting (our checklist).

Chris

---

### Update 1/11/16

The focus today was the media event and getting the supplies and logistics on track. Most of the activity today was working on logistics for the water and other supplies.

### Attached Documents:

- SitRep 6

### Key items for tomorrow to note are:

- The door to door teams will start at 0830 Tuesday morning. It is reported that troopers are going to the door but DHHS employees are the lead with a troop car nearby.
  - State and local GIS created an App today for the teams to use tomorrow but I see potential use at distribution sites.
  - The App data will be used for our maps as we survey the public/distribute supplies and we will be getting real time metrics through the site from the field send back to the SEOC. We are using Android tablets tomorrow but in the future can use any mobile device for this.

### Items to Note

- It was reported that only one POD (Station 5) was out of water longer than 30-45 minutes. This site was ~2 hours without water and part of that was the truck went to the wrong station. Trucks were sent as soon as the local EOC was notified.
- We also did not receive a DHHS shipment that was to come in which caused some filter delivery issues.
- Supplies are limited at this time; however, we are getting our shipments starting at 0630 tomorrow.
- We have Home Depot giving us 12,768 cases (this was a late development so the SitRep indicates half the amount) of water every day starting tomorrow. We are still working with other distributors too.
- ARC is flying in a logistics planner tomorrow. Three additional staff will be with her to shadow and help. We are turning warehouse logistics over to ARC logistics. We are moving tomorrow to a process that has a distribution center (GCCARD) and a warehouse that is 100,000 square that will maintain mass quantities. Staff has continually been placing orders for supplies to ensure we get a head of this. The intent is to keep the warehouse full so we do not have these continual issues of supplies.
- Began mapping lead service lines (anticipate having draft of lead service lines Friday).
- Coordinated with local IT managers overseeing filter tracking system to streamline data collection.

### Local Emergency Operations Center

- Working to coordinate resources at the local level to maintain adequate supplies at all PODs.
- Demand has exceeded supplies and supplies are moving rapidly from PODs today. Working to make sure POD managers notify us when they start running low.
- Working to establish a warehouse for local resource storage.
- Established trigger points for resources at PODs and hourly inventory reporting from the PODs.
- Discussed potential long term water sources between local EOC and SEOC.
- Established planning cycle/meeting scheduled for 1/12/16.
- Local EOC EMHSD staff with Natasha Henderson to request deployment of City representative at local EOC.

Chris

---

### Update 1/10/16

#### Attached Documents:

- SitRep 5
- Door card (English version but Spanish version will be ready for Tuesday)

I have a local EOC section listed below but state personnel are heavily engage in management of both locations. We occasionally hit some road bumps with this event but all personnel are working well together to accomplish our goals (especially state agency personnel).

I have had good discussion with FEMA LNOs. Two statements have been developed from our discussions that hopefully helps put this in more context but if it is more confusing I apologize:

1. In the immediate response, the State, in collaboration and coordination with city of Flint and county of Genesee are working to get water, water filters, and testing kits to the affected population. In conjunction, the state will *coordinate with federal agencies to ascertain what resources can come to bear to help mitigate the issue.*
2. If asked about a federal declaration from FEMA, we need to articulate the definition of major and emergency declaration and state or note to ourselves that it appears to not qualify; **however**, there may exist opportunities to leverage federal assistance from some agencies (i.e....EPA) under their own authority to help address this issue.
  - We need to really manage expectations on the potential for a federal declaration...not that we will not go after one but it will be difficult to get.
  - A major disaster is defined in the Stafford Act as any ***"nature catastrophe (including hurricane, tornado, storm, high water, winddriven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, snowstorm, or drought) or, regardless of cause any fire, flood, or explosion.....causes damage of sufficient severity and magnitude, to warrant major disaster assistance.....to supplement the efforts and available resources of States, and local government....."***
  - An emergency declaration is ***"is any occasion or instance for which, in determination .....assistance is needed to supplement State and local efforts and capabilities to save lives and protect property and public health and safety or to lessen or avert the threat of a catastrophe....."***
    - This is limited to immediate and short-term assistance (I hate to put times on this but short-term is like 3 weeks), essential to save lives, protect public health and safety and property.
  - Severity of the situation is ***"A finding that the situation is of such severity and magnitude that effective response is beyond the capability the state and affected local governments, and that the state requires supplementary federal emergency assistance to save and to protect property...."***

- Nature of assistance for Emergency Declaration is for *“Debris removal, emergency protective measures, direct federal assistance....”*
  - Debris Removal = *self-explanatory and we do not have this*
  - Emergency Protective measures = *water, commodities, transportation (remember ... to supplement what the locals and state are already doing if we need more)*
  - Direct federal assistance= *what specific type of work is requested, and what are the reasons why the state/local government cannot perform or contract for performance. Essentially what is the need that state/local govt cannot provide. I can see this being something we need but we may be able to get this outside a federal declaration under the federal agencies own authority to help address this issue.*

Back to the update...

#### Key items for tomorrow to note are:

- Training is occurring for the door to door teams scheduled for Tuesday morning.
- Deploying an additional MSP District Coordinator to the local EOC for command and control support.
- Deploying two DTMB trucks and two drivers for sustained logistical support for the week.
- Media event with the Governor in Flint.
- New Incident Action Plan starts (1/11 0800 -1/13 0800 operational period). Our objectives are as follows:
  1. Ensure all households within impacted community have required resources.
  2. Ensure accurate tracking and accounting of all commodities.
  3. Improve and maintain public information strategy.
  4. Develop a long term public health and services plan.
  5. Ensure adequate staffing to support operational requirements.
  6. Identify possible assistance programs.
  7. Develop an approved GIS strategy.
  8. Maintain coordination between partner agencies and organizations.
  9. Enhance situational awareness and common operating picture of all activities.
  10. Develop a comprehensive Recovery Plan.

#### Items to Note

- All 9 churches had filter systems/replacement filters, information sheets, and water test kits delivered as requested by each pastor/reverend on Sunday. We did not think we could get them water due to the limited time but we did end up getting water to all 9 churches with the other items.
- Fire station resource locations stayed open from 9a to 9p and will continue with those hours until further notice (Staffing is in place until Saturday). ARC is staffing these locations.
- The media event was held at Fire Station No. 1 and report back is that it went well and the spirit of collaboration between local, state, non-governmental partners is strong was relayed.
- The four door to door teams will have the hours of 8:30 a.m. to 5 p.m.
  - Each will have logistics support from DTMB, security from MSP, and contact personnel from DHHS.
  - The door card is attached that will be left if no one is home.
- Worked to identify a storage location within the City of Flint for water and supplies. G-CARD is identified as temporary location but we are moving toward a state run warehouse operation (looking at private sector partners to assist, especially with the warehouse management side).
  - GCCard is large enough, centrally located and comes staffed. GCCard has 75,000 sq ft with warehouse managers to assist with tracking resources coming in and out.
- GIS will provide us daily updates of how much was distributed each day but note we have a delay in data entry from delivery to entry in the GIS system. Over the weekend there was a problem locally with staffing to get this completed. A solution is in place and will be implemented so we get timely data. Distributed to date (as of 1/8/16).
  - 12,386 filters
  - 1,985 replacement filters
  - 354 Pitchers

- 2500 Lead Testing Kits
- Establishing and tracking of resources is a priority. Staffing has been assigned to get a good handle on these to ensure distribution sites maintain an appropriate level of inventory. I have requested trigger points get put in place so we do not get below certain levels in the main warehouse location.
  - Contacts with some large water distributors have been made and their and our logistics chiefs will connect first thing this week.
  - We have ordered an additional (expedited delivery with ETAs tomorrow)
    - 40,000 Brita Filters
    - 40,000 Brita Replacement Filters
    - 1000 Zero 8-Cup Pitchers
    - 1000 Zero 8-Cup Pitchers
    - 2000 PUR Replacement Filters
    - 93 Pallets of water (about 6700 cases)
- GIS continues to produce multiple maps for use.
- JIC Items
  - Requested PSA on the radio. Media has been approved and working with MAB.
  - Requested JIC to contact Comcast and Dish Network for availability for continuous running of filter install/replacement and test kit video.
  - A news release will likely going out tomorrow regarding canvassing in neighborhoods. Continued social media messaging.
    - Tuesday – embed state PIO with one of the canvassing teams to liaison with media.
    - JIC moving tomorrow to Flint.

#### Local Emergency Operations Center

I am providing you some information on some issues we ran into at the PODs. This has been addressed with additional state resources and processes put in place so we do not run out of resources. Public concerns/complaints have not been brought to my attention at this time. Staff is working very hard to ensure we do not run out of supplies at the PODs and they understand the consequences. No one in the Local EOC or State EOC is happy the following occurred and I felt you should know in case it is brought up. Again, I believe we have fixed this and I take full responsibility for any supplies not being on site.

#### Fire Station Inventory Levels:

##### Station 1:

- Only time without supplies - 15 minutes without water while the truck was unloaded.

##### Station 3:

- Ran out of replacement filters around 7:00, replacement filters delivered around 7:30. Had to pick up replacement filters from Home Depot and deliver.

##### Station 5:

- Ran out of water around 5:00, water was delivered around 6:30. We needed to find additional trucks because DTMB drivers were over hours. The ARC stepped up and found a truck to go and pick up a pallet of water and deliver.
- Somewhere between 4:00-6:00 they ran out of lead test kits. No way to restock these because City facilities were closed and could not reach anyone.

##### Station 6:

- Around 5:00 ran out of water, filters, and replacement kits. Replacement kits were delivered around 7:30. Additional water and filters were delivered after 9:00 due to the DTMB drivers heading back to Lansing. Food Bank was called and had to get drivers in to operate trucks, pick up water from the School District load and deliver to all sites. Delays occurred with weather conditions and needing to use last minute sheriff EOC staff to load due to issues with City workers. City workers were scheduled to help and left around 7:00 without helping.

- 2 pallets of water were dropped off in the afternoon and within 1 hour were gone. This was much faster than we expected. On 1/9 they didn't go through 2 pallets of water at any station for the hours 9:00-4:00.
- We received news that a reverse 9-1-1 call notified residents of water which caused an unanticipated amount of people obtaining water. There was also a report of 1 person walking out with 2 cases of water and trying to sell in the parking lot.

#### Station 8:

- Around 7:00 ran out of filters and lead tests. Filters were delivered around 8:00 from the food bank trucks.
- Hourly reports were requested in the morning from volunteers but this information was not received as to the status throughout the day. Early inventory of supplies took between 1 hour-1.5 hours to receive in the EOC. We were not advised of low counts, just zero numbers.
- Reports received that the last couple of hours were slow.
- Residents were advised of the other sites and the opportunity to obtain supplies.

#### Restocking Plan

- United Way set up meeting with Food Bank to discuss.
- Had EOC meeting on this topic to discuss options.

#### Churches:

- All 9 churches received waters, filters, and informational bulletins.
- Lt Roach received positive feedback from 3 of the pastors.
- No complaints were received.

#### Signage:

- Provided information to SEOC on signage requirements at the fire stations.

#### Storage:

- Researched storage spaces; established temporary site at GCCARD.

#### Personnel:

- Lack of local EOC leadership (seems somewhat checked out) with IC and Deputy IC (doing an okay job).
- Captain TaFoya (Genesee County) helped tremendously today with all the plans outlined above and attended the press conference.
- Tina Martinez at the Food Bank and Matt Purcell at GCCARD were extremely helpful in getting last minute operations set up.

Chris

---

#### Update 1/9/16

SitRep 4 attached for more in depth information. The below only contains some items worked on today and while the format in the attached SitRep is not perfect (it is created automatically by MICIMS) it does contain a lot more information you may want to read. I also attached one of our maps. It is our filter distribution map. All filters handed out by anyone working with us feeds into this now. We are continuing to refine these and at this time there is a delay in the upload of address data but we are working on it. We have a ways to go to get filters in every home but this will help direct us to those who need still them. We also are working on identifying abandoned homes.

Key items for tomorrow to note are:

- 9 churches will have ARC volunteers and filters for distribution. Some may also get water.
- 5 fire stations are a distribution point for water, filter systems/replacement filters, and water test kits. While only open today until 4 p.m., tomorrow and until further notice they are open from 9a to 9p.
- Media event will take place on the above tomorrow.

#### Items to Note

- 211 has some issues with call load but it is being worked on. 2-1-1 Director contacted MDHHS PIO to discuss/resolve caller wait times and messaging. We anticipate an increase in activity tomorrow in 211 calls so we requested and received an increase to staff 211.
- We are shifting tasks the SEOC took on that are handled more effectively and efficiently at the local EOC. We have established command and control in their EOC. We are running things there but that is not being made public. We are doing this in partnership but we are clearly handling the operation with state personnel oversight.
- A 3rd FEMA LNO arrived today upon my request. This has nothing to do with a Presidential request for a declaration but support for some other items I want worked on for long term recovery.
- We continue morning calls with the local EOC leadership and local emergency manager on what our goals for the day are as well as any issues/concerns.
- Five 5 fire stations have received water, water filters, replacement cartridges, and water testing kits with American Red Cross personnel at each location to assist with delivery of resources and collection of addresses receiving them. These locations will be open from 9a – 9p daily until determined they are no longer needed. Those picking up water testing kits will be advised that they can return the test kits to the fire departments (where they will be picked up and taken to the Flint City Hall), the Flint Water Treatment Plant, or they can take them directly to the Flint City Hall. For those unable to return the kits, 211 can make arrangements for pick up the kits. We understand response to these sites has been positive thus far. The Genesee County EOC will be monitoring these supplies and request replacement of products as needed.
  - A call is going out tomorrow morning to advise this information ... I do not believe it was every resident but Tori Sachs has that info if needed.
- I approved a press release today to advise the public that all levels are working together to ensure delivery of filters, test kits and water; noting that all of these items were delivered to the 5 Flint fire department stations. It was stressed that the public should be aware that the local and state agencies have been working cooperatively to assist the residents - and will continue to do so. This was done to hopefully end or at least minimize the “who can get water and filters out first” when all of this has been connected with the state and coordinated since the state declaration was put in place.
- The arrangement of 2,000 filters, to be taken to 9 local churches on Sunday, January 10, is ongoing. The filters have been secured; they are now in the possession of the DTMB. DTMB will return to Flint on Sunday morning to deliver these to necessary locations. The American Red Cross will be on site at each church to assist with distribution and recording addresses (for GIS). The local EOC is working to ensure these arrangements are complete and run smoothly. Future engagement with the faith based community will occur to assist with additional distribution.
- A Flint City liaison has not been in the EOC but starting Monday this will be in place to keep the Flint Mayor apprised of activities being conducted in the city. She also has been advised she can call me at any time if she needs anything.
- Training has been confirmed for the door-to-door operation scheduled to start Tuesday. Four teams are initially scheduled with more to potentially be put in place. These are the teams that will be handing out water, filter systems/replacement filters, test kits and information. If nobody is home, a door hanger with information is being left. DHHS personnel and one MSP trooper will be on these teams.
  - Training will take place at 1 p.m. on Monday afternoon at the DHHS office on Clio Road. DEQ and DHHS will provide the training.
    - Training is so those going door to door can explain what the filters do, how to install them, if they need install help to call 211 who has a list of people who can install the filters, and answer any other questions versus just handing them the filter.
  - Hours of operation will be Tuesday through Friday from 8:30 a.m. to 5 p.m. AT THIS TIME. I am reevaluating these times to increase contact with someone versus just leaving information.
  - Logistics are being finalized for the teams and trucks to handle stocking and re-stocking of materials during daily operations.
  - GIS maps will provide guidance on deployment locations for these teams and other teams in the field.
- A pilot project at Freeman Elementary with LARA and DEQ has been initiated to see if replacing certain plumbing components in faucets at the school will drop the lead level.

## MSP/EMHSD GIS Section Updates

### Accomplished Today (January 9):

- Produced a Point of Distribution Map. Contains four types of distribution points; Churches, Water Resource Sites, Filter Distribution Sites, Water Distribution Sites.
- Produced Filter Distribution Map.
- Developed process of how best to handle geocoding the household filter locations, worked on processing the data.
- Worked on map of franchise customers outside of Flint City.
- Produced maps for MDARD on food establishments and Local Health Departments.
- Produced map of Church Filter Distribution map for DTMB.

## Local Emergency Operations Center

- The state has deployed 10 personnel to the Genesee County EOC to ensure we have command and control at the local level. On 1/8/15 The state personnel took over the incident management functions of the Genesee County EOC (not public). The arrival of additional staff allowed the local Emergency Management Coordinator to delegate tasks which relieved a tremendous amount of stress.
- Additional Sherriff staff ( ) will be shadowing the state incident management team to allow for transition to the county personnel later in the incident when we are comfortable with them handling things. Not sure when that will be but we have secured a direct bill hotel for staff to stay in Flint as long as needed.
- With the additional staff, the Local EOC will be able to take over functions previously handled by the SEOC including:
  - Logistical activities to support church operations.
  - Logistical activities to support fire stations operations.
  - Coordinate Donations Management activities and draft donations management plan
  - Coordinate Volunteer Management activities
  - Identify local storage/staging facilities
  - Overall inventory tracking
  - Tracking of Points of Distribution (PODs)

Chris

---

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/8/16

SitRep 3 attached.

There is a significant difference in what is being presented by the media and what the local EOC is relaying to us at the SEOC. It is also being driven by the media that this is a state versus local response (who is providing more and quicker versus a coordinated effort between all). That said, I advised SEOC personnel that perception is reality in some eyes and we are to move forward to address items that typically are addressed at the local level. I have ordered the SEOC open all weekend due to make the quick wins that we need and continue to get the coordination and collaboration in place that is needed (but make gains on our own as needed).

### Items to Note

- Two FEMA LNO’s arrived today and are in the SEOC. A third LNO was requested from FEMA due to some unique issues with this event to include having to deploy more or my staff to the local EOC to get more structure and/or find out why there is an issue with the message the media is showing versus what we are hearing from the local EOC

- We finally received from the local EOC 8 locations (we were told originally early in the week they had 80-90) that are their Points of Distribution (PODs) for water in conjunction with the local food bank. The PODs are not getting water from the food bank even though the food bank has water. We are going to resolve this issue as we can help deliver the water to the PODs but we were not aware of this. 8 PODs is not enough locations if water needs to be distributed to citizens. Speaking with the ARC Regional Administrator later today, I believe ARC got water to those locations but I need to confirm that in the morning. The food bank reported they had 376 cases of water.
- We have learned that a low number of residents are testing their water when DEQ can test 400 kits per day. This is an added focus that we believe can be increased through dissemination of test kits with the filters and any water.
- I found out the Mayor was okay with using fire stations as distribution points for water, filters, and water test kits. While this did not come to me through the local EOC, I advised we needed to get water, filters, and test kits to these locations for tomorrow. The distribution at 5 Flint Fire Department stations has been coordinated to be in place by 10:00 am tomorrow morning.
  - DTMB has provided a truck and driver to pick up water test kits from DEQ lab in Lansing, water from the Food Bank and water filters and replacement cartridges from GCARD in Genesee County.
  - 10 American Red Cross (ARC) volunteers will meet the DTMB truck at GCARD at 9:00 am to be provided information about filters. Instructions will be included in water test kits. They will then report to the 5 fire stations to assist in distribution of resources to the public and track addresses of same.
  - Residents will be told where they can drop off their water test kits, or that they can return them to the fire station the next day. Coordination will occur on pick up of water test kits daily to be taken to the Flint City Hall, who will then delivery them to the DEQ testing lab.
- STILL FINALIZING - We have made available 2,000 Filters for distribution on Sunday as parishioners leave mass/services. This will be 200 filters for 10 churches in Flint. While this is a small number of churches, we do not want to waste an opportunity to hand out filters and this seems like a quick way to so. The filters will be put on the DTMB truck on Saturday for delivery to TBD locations for distribution. Logistics remain undetermined as I am still waiting on a list of the churches, pastors/reverends/hours or services/etc. The DTMB truck will be returning to Lansing approximately 11:00 a.m. so we need to finalize this quickly on Saturday. We may utilize ARC to assist with this.
- The Recovery branch is working with the JIC to develop a door hanger card. DTMB is working on the printing portion of the hanger card. Recovery will also be finalizing logistics over the weekend for neighborhood canvassing to occur early next week. 40 volunteers have signed up to attend training on Monday afternoon to complete this task. The mission will be to deliver water sample kits along with water filters/replacement cartridges, and water.
- It appears that 211 has become overloaded. DHHS is researching ways to increase capacity for calls.
- A Volunteer Management Coordinator is in the Genesee County EOC as of today.
- A Donations Management Coordinator has been requested and she will be in the Genesee County EOC Saturday.
- DHHS had a conference call with GM today; they indicated they can provide cash, and supplies, but primarily manpower. No commitments were made at this point. We inquired as to availability of warehouse space and trucks. It was left as GM being a major resource pool that we can tap into as we determine missions. Further conversations will occur, but primarily GM just wanted us to know they are there if needed.
- An additional EMHSD staff member was sent to the Genesee County EOC to act as Operations Section Chief and obtain awareness of the situation there.
- GIS staff met with various parts of Genesee County/Flint personnel to try to get a handle on data available.

- GIS continues to work with local GIS personnel with three GIS staff going to Flint today to work with them. GIS staff is working with U of M on how best to proceed with digitizing water lines for long term recovery.

Chris

---

#### UPDATE 1/7/16

A summary of some of today's SEOC activities is provided below. Attached is the following:

- Today's SitRep which contains more information than below.
- The resource request/task assignment sheet for your situational awareness. This is how locals request resources as well as how we track resources and any assignments and/or tasks that are to be completed.
- JIC Task Tracking – for your situational awareness on how we are tracking requests and assignments. Once someone is assigned a task or resource request it allows them to document what work has been or will be done as shown at the bottom of the document.

#### **Items to note:**

- I received a document this evening from Genesee County which appears to be damage assessment information. Analysis of this will occur tomorrow. It appears to be infrastructure and costs to fix it and no other impacts.
- I spoke with Jamie Curtis, Genesee County Commissioner, this evening. A very good relationship is in place with him, especially with our District Coordinator (DC). I also have our DC working on developing stronger relationships with the Mayor/Mayor's office.
- GIS staff continue to obtain data and work with County and City personnel to get a picture of where resources have been provided, need to be provided, as well as infrastructure locations (pipes) that could be affected.
- Personnel and agencies have been tasked with developing a plan to get people in the community to deliver information, hand out filters, etc. This would target those areas we are showing minimal or no filter distribution based on the data we are collecting. The plan is to get them in the field by Tuesday and the plan will be provided to me tomorrow.
- Filters can be obtained at the following locations:
  - Michigan Department of Health and Human Services office, 125 E. Union St., Flint, MI 48502
  - Michigan Department of Health and Human Services office, 4809 Clio Road, Flint, MI 48504
  - Genesee County Community Action Resource Department office, 2727 Lippincott, Flint, MI 48507
  - Genesee County Community Action Resource Department office, 601 N. Saginaw, Flint, MI 48502
- Conducted briefing with local EOC and county executive.
- Conducted briefing with state agencies (daily updates).
- Began work to schedule legislative/congressional conference calls. Tentatively scheduled for 2 p.m. Friday.
- JIC continued to develop messaging.
- Provided input to local EOC regarding best methods of identifying health and non-structural impacts for damage assessment process.
- Deployed two EMHSD/SEOC liaisons to assist the local EOC.
- Published the Incident Action Plan and continued assignment of objectives/tasks.
- FEMA Liaison Officers just arrived in Lansing to assist command and general staff.
- I spoke with Harvey a few times and he should have talking points later tonight or tomorrow a.m. for his use and also for others who may speak to media outside of state government who may benefit from our messaging.

- We held a media round table at 1 P.M. at the SEOC. Dr. Wells and I spoke and answered questions to numerous media outlets.
- Local agencies and NGOs continue to provide water and filters to citizens.
- The website, [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater), was update with information and links to assistance to include 211. Additional recommendations were provided to include information on the testing water in homes.

#### EMHSD GIS:

##### Accomplished Today:

- Reproduced Socio-Economic Status Map
- Reproduced Predicted Affected Populations Map
- Cleansed old data and reports for water filter distributions
- Created draft map of water filter distributions (Refinement needed before releasing final product)
- Scheduled on-site visit with Flint GIS Department and Genesee County GIS Department
- Formatted databases to host content
- Researched service line database creation and scheduled meeting with U of M Flint to discuss timelines and resource needs
- Generated water infrastructure map (does not include building service lines)

##### Tasks for Tomorrow:

- Meet with Flint City GIS
- Meet with Genesee County GIS
- Meet with U of M Flint GIS
- Finalize water filter distributions map
- Finalize plan for data distribution methods

Chris

---

#### UPDATE 1/6/16

A summary of today's SEOC activities is provided below. I tried to distill this as best I could but there has been a lot of activity and discussion to get an accurate assessment of the situation. Attached is the final draft of objectives and tactics for the operational period and agency situation report (SitRep) which has more SEOC agency information. I have implemented weekly operational periods.

Advise if you want anyone else copied or off this distribution.

#### Daily Update

- Set goals for SEOC and identified response/recovery emphasis
- Requested FEMA liaison officers (LNO) from FEMA Region V. Two LNOs will be on site by ~3 p.m. 1/7/16. Both are known contacts to me and some staff and one has worked extensively with me during the SE MI flooding in a command and control position. These personnel have been specifically tasked with this mission. **THEY ARE NOT HERE TO ASSIST WITH A PRESIDENTIAL DECLARATION REQUEST BUT TO ASSIST ME.**
- PIOs from multiple agencies were here and established the Joint Information Center (JIC). News released pushed out on this. I am very happy with the PIO work and movement toward coordinated messaging.
- Held briefing for State Agency Emergency Management Coordinators, which included presentations from DEQ and DHHS subject matter experts to ensure situational awareness and to develop a common operating picture.
  - I opened the briefing by identifying our initial goals, items to think about while subject matter experts were briefing us, and how we are to move forward, find quick wins, and regain trust.
  - **MDHHS – Elevated Blood Lead Levels**

- Dr. Elizabeth Wells gave an in depth summary of lead poisoning and what has occurred in terms of health monitoring throughout the Flint crisis.
  - **MDEQ – Water Testing Protocols**
    - Mr. George Krisztian of MDEQ gave an in depth summary of the testing protocols and summary results that as they have developed throughout the emerging crisis.
- Developed Incident objectives, strategy and tactics (see attached)
- Identified SEOC and state agency staff positions
- Assigned work tasks for SEOC operation period from 0800 January 6, 2016 to 1700 January 8, 2016
- Reviewed planned actions, prepared final draft Incident Action Plan
- **Made contact with the Genesee County Emergency Manager first thing in the morning and held a conference call mid-day to discuss roles. Daily 0830 command conference calls with local EOC command staff starts tomorrow. Tomorrows call will include the County Commissioner and the City Administrator (both invited). Topics include the incident action plan objectives and establishing better local coordination, command and control to facilitate integration with the SEOC. The local EOC is not functioning as it needs to with personnel and local coordination and we are working on that issue.**
- I will be in Flint tomorrow for a 2 p.m. media round table with local officials that was set up by the JIC.
- The attached initial objectives will be updated at least every operational period and as needed. I listed the objectives below but the tactics to accomplish them is in the attached if you want further information.
  1. Activate the State Recovery Task Force (SRTF).
  2. Establish and maintain coordination between the City of Flint, Genesee County, state and federal agencies, and appropriate medical experts.
  3. Obtain and maintain situational awareness and common operating picture of all activities.
  4. Establish SEOC operational period and hours of operations.
  5. Investigate and identify all available programs for assistance with direct or related impacts, including the federal Lead Pipe Replacement Program.
  6. Develop a comprehensive GIS strategy.
  7. Coordinate response and recovery activities with MIVOAD and identify potential mission areas.
  8. Establish and coordinate routine communication between SMEs and coordinate technical assistance among state agencies and to local agencies.
  9. Provide technical assistance to the local Damage Assessment process.
  10. Establish a Joint Information Center (JIC) and develop a public information strategy.
  11. Monitor MI CIMS for resource requests and address as appropriate.
  12. Establish and disseminate cost center information for the incident.
- Additional tasks include:
  - Determine what federal agencies are already involved and their status
  - Identify potential water supplies
  - Determine where affected homes are located, where filters/pitchers (and replacements) were installed/provided, and determine who needs filters, etc.
  - Determine how filter distribution is handled, and if it can be handled more efficiently and effectively
  - Determine what mechanisms are in place for nutrition supplementation

#### **EMHSD GIS Accomplishments:**

- Hosted a conference call to begin coordination with Flint City and Genesee County GIS departments and the SEOC
- Established a daily call with county and city GIS personnel to synchronize GIS efforts in support of the Flint water crisis at 8:30 A.M.
- Began consolidating local data from local GIS practitioners into a consolidated database, to include:
  - Water Pipeline Locations
  - Filter Distribution Locations
  - November 25, 2015 Water Monitoring Results (Partial, some data remains to be digitized)
  - Affected School Locations
  - Predictive analysis of blood lead levels for affected area

- Updated Parcels
- Demographics
- Block Groups
- Produced a map for the filter distribution locations
- Began contacting specialists who developed historic maps depicting the Flint Water Crisis to obtain the data

**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** RE: Update - Genesee County Declaration

I forgot to advise that we have asked key state agency PIOs to be in the SEOC for the briefing.

---

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, January 05, 2016 6:06 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV)  
**Cc:** Baird, Richard (GOV); Hollins, Harvey (GOV)  
**Subject:** Update - Genesee County Declaration

Below are some key points for your situational awareness (FYSA) that have taken place or will take place within the next 15 hours.

- I was on the phone with Sean Kammer, Assistant to the Flint City Administrator, when the declaration hit the news so I advised him immediately. He was going to let the City Administrator know.
- I contacted MSP Lt. Roach, 3<sup>rd</sup> District Coordinator, who was at the Genesee County EOC and advised her to let the County EM know the declaration status.
- State Emergency Management Coordinators (SEMCs) were notified via our notification system with additional information in an email.
  - This included information on the SEOC activation and a 0900 briefing for SEMCs.
  - Some subject matter experts will provide us an update to establish a common operating picture.
- We have been in contact with FEMA Region V watch desk ... they will be on the call tomorrow and continue to monitor the situation.
- I have been in contact with the FEMA Region V Administrator to keep him updated.
- Operational period for the SEOC will be M-F, 0800 to 1700 at this time.
- Situation Reports (SitReps) will be provided in the evenings.
- An Incident Action Plan will be developed tomorrow.

Call me with any concerns or questions.

Chris

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 01/26/2016 08:00:00  
Operational Period End: 02/02/2016 08:00:00  
Situation Report No. 25  
SEOC Status: Full  
SEOC Hours of Operation Begin: 01/30/2016 08:00:00  
SEOC Hours of Operation End: 01/30/2016 20:00:00

## Executive Summary

SEOC Update:  
Accomplished today (January 30, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

Logistics:

- Continued researching warehouse options for donations management.
- Conference call with Kathy Fulton of ALANaid on potential warehousing and other needs.
- Assist with coordination of water donations from Senator Knezek.
- Requested a report on needed warehouse staff.
- Fielded resource requests.
- Fielded rapid response requests.
- Facilitated distribution team calls.
- Requested a daily report of volunteer staffing numbers be sent at least 24 hours prior to scheduled activity.
- Request made for one point of contact for all volunteer activities.

JIC:

- The JIC is operating from the SEOC on Saturday, January 30 and Sunday, January 31.
- Created a media monitoring report and looked for and corrected misinformation.
- Facilitated several media inquiries regarding water filters.
- Coordinated the posting of the Food and Nutrition Service response to Michigan's request to increase the access and availability of WIC benefits and services on the [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater) site.
- Updated internal and general talking points about the ongoing Flint water emergency.
- JIC is planning on issuing the nightly activity news release.

Recovery Branch:

- Attended Local Brief, SEOC State Agency Briefing Meeting, and Distribution Process Meeting.
- Worked with GIS to develop an area map and spreadsheet with addresses based on data specified as "follow up required" for Red Cross teams.
- Worked with GIS to map and analyze City of Flint apartment buildings to send out water resource team.
- City Sections Visited Today: 26, 17, 11, 27, 29, 30, 31.
- City Sections Scheduled Tomorrow\*: 27, 29, 30, 31, 22, 33, 4 as primary and 7, 1, 13 as secondary.
- 10 American Red Cross Teams scheduled for Sunday, January 31, 2016.

o Data is for 1/30/16 as of 5:00 pm:

- o Total homes visited.
  - 9,026 (round 3 total).
  - 1,368 (today).
- o Water Cases:
  - 5,672 (round 3 total).
  - 840 (today).
- o Replacement Cartridges:
  - 1,249 (round 3 total).
  - 434 (today).
- o Faucet Filters:
  - 4,928 (round 3 total).
  - 706 (today).

Planning Section:

- Published Sit Rep #25.
- Worked on the Small Business Administration worksheet and letter.
- Worked on incident time line for Governor's office.
- Updated the timeline of events for the Governor's office.
- Participated in local EOC, SEOC state agency, and distribution process conference call.

## Klotz, Josephine (MSP)

---

**Flint Water Daily Update**  
**Updated Jan. 29**

### **Current Issues Talking Points**

#### **Governor and DEQ encourage home water testing**

- The health and safety of Flint residents remains a top priority. Pregnant and nursing mothers and young children should continue to drink bottled water as a precaution.
- It is essential that all Flint residents have the water in their homes tested as soon as possible.
- Free water testing kits are available at Fire Stations 1, 3, 5, 6, and 8. Water Samples should be returned to the fire stations for testing.
- Until water is declared safe, continue to follow established safety protocols.

#### **Governor secures emergency supplemental to immediately aid Flint residents**

- Snyder signs \$28M Flint bill, hopes for safe water soon (Detroit News)
- The \$28 million in funding will help address immediate needs for the people and families of Flint. It is a necessary next step in ongoing recovery efforts for the city.
- The Governor signed the legislation at the first possible opportunity, following its unanimous approval in both the House and Senate.
- The Flint water crisis was a failure of government at all levels – city, state and local. The governor has apologized and taken responsibility for the state's role in this failure.
  - Accepted the resignation of top DEQ officials and suspended two pending a civil service investigation.
  - Approved two emergency funding bills to support Flint residents (This \$28 million and a previous \$9.3 million in Oct. 2015).
  - Declared and extended a state of emergency for the city and activated the National Guard.
- To date, the Governor and Legislature have approved a total of \$37.3 million in emergency funding for Flint while the federal government has earmarked only \$5 million in assistance.
  - The Governor will continue to call on the federal government and our Congressional partners to secure additional funding to help address the long-term needs of the city.
- This \$28 million in emergency aid will help:

- Supply free bottled water, faucet filters, and testing kits for Flint residents;
- Put nine nurses in local schools to monitor student health and well-being;
- Provide better nutrition for students and infants through WIC and in-school nutrition programs;
- Replace fixtures in schools, daycares, nursing homes and hospitals;
- Provide for an infrastructure study using independent experts;
- Treat any children who have high lead levels in the blood, using diagnostic testing, nurse visits and environmental assessments in the home;
- Provide additional community education opportunities within the Genesee County Health Department;
- Compensate the Michigan National Guard's work to support water distribution;
- Assist with home lead abatement costs;
- Help the City of Flint with utility issues;
- Provide operational funding for the Flint Interagency Advisory Committee.
- This funding package is just one step of many. Additional long-term resources will be needed as we work together to strengthen the city of Flint moving forward.

**Fresh water in State of Michigan Flint office building was for all**

- Amid denials state workers in Flint got clean water (Detroit Free Press)
- Fresh water in Flint State building was for all (ABC News)
- In January 2015, as a customer of Flint water, DTMB received a notification that the water system in Flint's state office building was found to be in violation of a drinking water standard.
- DTMB made the decision to provide an alternative drinking option for both building employees and public visitors.
  - Health of visitors was a top priority.
  - Approximately 500 visitors sign into the Flint office building every day. Many of which enter the building for access to DHHS services.
  - Those with an increased risk included people with severely compromised immune systems, infants, or the elderly. A large number of the clients using the DHHS services fall within those demographics.
- After receiving information from the city, verbally, in July 2015 that the water system issue had been addressed, the water coolers were removed.
- It wasn't until late Sept/Oct 2015 when the presence of lead in the water was confirmed that the water coolers were replaced.

**Subject:** SEOC Update 1/29/16 - Flint Water - Limited Distribution  
**Attachments:** SitRep24 Flint Water.pdf

### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

#### Update 1/29/16 – 25<sup>th</sup> Day (24<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

##### Mission focus for the day:

- Draft data documents for Governor’s team for dashboards.
- Draft timeline of events.
- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations and work to increase warehouse locations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

##### Attached Documents:

- Sit Rep # 24

##### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
- MSP EMHSD Operations Chief in the Local EOC will be shifted to the Unified Coordination Group (Federal Agencies) to provide connection to SEOC.
  - Local EOC to take a more active role in command and control at the local level.

##### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- Recovery compiled a list of apartment buildings to send out to water response teams.
- SEOC Logistics coordinated Niagara water donation delivery times/dates of 25.5 semi-trailers.
- SEOC Logistics Worked with warehouse to send temporary donation’s for the weekend to the LEOC established staging area.

- JIC coordinated with Genesee County Emergency Operations Center and State Emergency Operations Center regarding concerns from undocumented workers and English as second language speakers, including fielding a phone call from the Mexican Consulate in Detroit. Efforts are underway to reach out to these communities and to translate more materials for publication.
- Planning developed SBA loan request letter.
- GIS continued refinement of data.
- Information reported to the JIC:
  - As of 1/29/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 1/29/2016
30,770	37,844	7,658	924

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	216,605
b. Filters	98,641
c. Filter cartridges	202,566
d. Test kits	31,111

3. Resources purchased:

- a. Cases of water 2,151,444 Liters (additional 715,404 Liters donated)
- b. Filters 162,536
- c. Filter Cartridges 376,903
- d. Test kits 62,701

4. Teams going out tomorrow:

- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

Standing Information Requirements

1. Number of homes visited each day:

- a. 1/29/16, as of 5 pm, 924 homes were visited today.

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 7,658

3. Total number of National Guard on the ground:

- a.
  - i. Number in PODs: -
  - ii. Command Cell
  - iii. Cyber Mission:
  - iv. Joint Forces Headquarters

4. Total Number of Volunteers each day:

- a. 100 volunteers on 1/29/2016.

5. Number of homes with filters:

	Total Number	Number with filters
Residential parcels	38,831	27,855
Active residential water subscribers	26,673	22,158

6. Number of Water filters distributed (each day and to date):

- a. 1,218 were distributed on 1/29/2016, and total distributed to date is 98,641.

7. Cases of Bottle water distributed (each day and to date):

- a. 7,458 were distributed on 1/29/2016, and total distributed to date is 216,605.
- 8. **Number of testing kits distributed (each day and to date):**
  - a. 221 were distributed on 1/29/2016, and total distributed to date is 31,111.
- 9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351  
\*this data is updated bi-weekly
- 10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Per CHECC: These numbers are only updated bi-weekly
    - i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
    - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
    - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 22
- 11. **Number of homes with safe drinking water (Not sure whether it's possible right now to provide this number):**
  - a. 4,084 water samples out of 4,351 sampled through January 29, 2016 are at or below the action level of 15 ppb for lead. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

#### Local EOC

- Attended long-term recovery planning meeting with MSP/EMHSD, FEMA and community leaders.
- Planning for transition of operational control to local level.
- Planning for demobilization of MSP/EMHSD support staff.
- Coordinating distribution of Spanish-language water sample forms to affected populations.
- Identifying and securing additional warehouse space.
- Refining rapid response process and coordinating rapid response deliveries to special locations.
- Continuing to coordinate vehicle and technology demobilization.
- Implementing the recycling program with the Community Recycling Coalition.
- Coordinating in-kind and monetary donations through Michigan Community Service Commission.
- Coordinating volunteer management with Michigan Community Service Commission, ARC, and other VOADS.

Chris

---

#### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

##### Update 1/28/16 – 24<sup>th</sup> Day (23<sup>rd</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

##### Attached Documents:

- Sit Rep # 23
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today. (Provide earlier by GIS)
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today. (Provide earlier by GIS)

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
- We continue to send ARC teams to targeted areas potentially missed.
- Collins Road SEOC will be shutdown. New SEOC at 7150 Harris Drive in Windsor Township (former GOB) will be activated for SEOC staff only. All EMHSD admin personnel will start at the new facility on Monday.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- MSP HQ staff completed data entry on all ARC paper copies.
- Recovery Staff attended local Community Partners Meeting.
- Recovery Branch worked with GIS to develop an area map and spreadsheet with addresses based on data specified as "follow up required" for Red Cross teams.
- SEOC Logistics researched possible warehouse options with the local EOC, FEMA and General Motors.
- We have a corporate owned (originally thought to be a franchise owned) Kroger that is no longer in business near Fire Station 6. Looking to get a lower cost for potentially use.
- Received an inquiry regarding potential scams being perpetrated on residents of Flint. This information was referred to the Attorney General's office for a possible news release and further action.
- Issued a media advisory and coordinated a press conference about recycling with Lt. Gov. Brian Calley at noon at Fire Station #1. Used social media to promote the event as it occurred.
- SEOC Operations coordinated water pitcher request for vulnerable population.
- Information reported to the JIC:
  - As of 1/28/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

#### 1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 1/28/2016
30,770	37,844	6,734	1,768

#### 2. Distributed:

Commodity	Total to Date
a. Number of cases of water	207,055
b. Filters	97,342
c. Filter cartridges	201,848
d. Test kits	30,801

#### 3. Resources purchased:

- a. Cases of water 1,980,504 Liters (additional 517,152 Liters donated)
- b. Filters 154,052
- c. Filter Cartridges 299,508
- d. Test kits 62,701

#### 4. Teams going out tomorrow:

- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

#### New Standing Information Requirements

1. **Number of homes visited each day:**
  - a. 1/28/16, as of 5 pm, 1,768 homes were visited today.
2. **Total number of homes visited:**
  - a. Targeted Canvassing Mission: 6,734
3. **Total number of National Guard on the ground:**
  - a.
    - i. Number in PODs:
    - ii. Command Cell:
    - iii. Cyber Mission:
    - iv. Joint Forces Headquarters.
4. **Total Number of Volunteers each day:**
  - a. 125 volunteers for 1/28/2016.
5. **Number of homes with filters:**

	Total Number	Number with filters
Residential parcels	38,238	25,221
Active residential water subscribers	26,673	20,788

6. **Number of Water filters distributed (each day and to date):**
  - a. 1,806 were distributed on 1/28/2016, and total distributed to date is 97,342.
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 8,428 were distributed on 1/28/2016, and total distributed to date is 207,055.
8. **Number of testing kits distributed (each day and to date):**
  - a. 466 were distributed on 1/28/2016, and total distributed to date is 30,801.
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351  
\*this data is updated bi-weekly
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Per CHECC: These numbers are only updated bi-weekly
    - i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
    - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
    - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 22
11. **Number of homes with safe drinking water:**
  - a. 3,726 water samples out of 3,972 sampled through January 28, 2016 are at or below the action level of 15 ppb for lead. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

#### Local EOC

- Planning for transition of operational control to local level.
- Discussed transition and demobilization of EOC support team with SEOC staff, Genesee County Sheriff's Office and Genesee County Emergency Management & Homeland Security.
- Identifying and securing additional warehouse space.
- Implementing recycling program. Promoted program at a press conference with Lt. Gov. Calley.
- Coordinating in-kind and monetary donations through Michigan Community Service Commission.
- Coordinating volunteer management with Michigan Community Service Commission, ARC and other VOADS.
- Continuously addressing public concerns over perceived fraud through door-to-door teams.

Chris

---

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

Update 1/27/16 – 23<sup>th</sup> Day (22<sup>nd</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

Attached Documents:

- Sit Rep 22
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today. (Provided earlier by GIS)
    - The first one indicates based upon the outreach that has been conducted, which parcels have had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today. (Provided earlier by GIS)
    - The second map indicates the status of residents that have or have not received a filter.

Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
  - ARC teams are targeting the homes we show that were not visited.
- Information provided to the Governor's Office (Paul Smith) for an extension to the Governor's Declaration of an Emergency. This has to be approved by both houses of the legislature. The extension will put us on the same timeline as FEMA's declaration.

Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- Recovery Branch compiled a list of targets for apartment complexes. Once plan is in place, a team will go to each complex and verify all tenants have been given or have a water filter. Once outreach has taken place for each complex, GIS will manually mark entire parcel as complete.
- SEOC Logistics worked with the Michigan Community Service Commission on donations management and volunteers
- GIS coordinated with DNR and DEQ to establish timelines for lead mapping and strategize updates of lead statuses based on plumber activities.
- GIS coordinated with DTMB/CSS to meet with local GIS staff to review city GIS infrastructure and provide recommendations on future asset management.
- Planning and Financial provide information for Senate Appropriations Committee meeting this afternoon.
- Financial Reviewed donations as match guidelines for required 25% federal match.
- Information reported to the JIC:
  - As of 1/27/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Canvassing Total	Targeted Canvassing Mission 1/27/2016
30,770	37,844	4,966	1,020

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	196,456
b. Filters	95,417
c. Filter cartridges	200,654
d. Test kits	30,255

3. Resources purchased\*:

- a. Cases of water 165,042 (additional 32,234 donated)
- b. Filters 154,052
- c. Filter Cartridges 299,508
- d. Test kits 62,701

4. Teams going out tomorrow:

- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

Standing Information Requirements

1. Number of homes visited each day:

- a. 1/27/16, as of 5 pm, 1,020 homes were visited today.

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 4,966

3. Total number of National Guard on the ground:

- a.
  - i. Number in PODs:
  - ii. Command Cell:
  - iii. Cyber Mission:
  - iv. Joint Forces Headquarters:

4. Total Number of Volunteers each day:

- a. 109 volunteers for 1/27/2016.

5. \*Number of homes with filters:

	Total Number	Number with filters
Residential parcels	38,238	22,939
Active residential water subscribers	26,673	19,677

6. Number of Water filters distributed (each day and to date):

- a. 971 were distributed on 1/27/2016, and total distributed to date is 95,417.

7. Cases of Bottle water distributed (each day and to date):

- a. 7,592 were distributed on 1/27/2016, and total distributed to date is 196,456.

8. Number of testing kits distributed (each day and to date):

- a. 341 were distributed on 1/27/2016, and total distributed to date is 30,255.

9. Number of people tested for elevated blood levels (kids, adults, total):

- a. Per CHECC: People Tested for Lead 10/1/2015 to 1/22/2016: \*3,351  
\*this data is updated bi-weekly

10. Number of people with elevated blood level (kids, adults, total):

- a. Per CHECC: These numbers are only updated bi-weekly
  - i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
  - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
  - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 22

11. Number of homes with safe drinking water:

- a. 2,991 homes, per data from September 3, 2015 to January 27, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

\*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number – Phase II questions were developed to help clean this up.

#### GIS Information

AS OF 1/27/2016 AT 5 p.m. USING DATA FROM FLINT WATER RESPONSE TEAMS, POD DISTRIBUTIONS, AND GENESEE COUNTY HEALTH DISTRIBUTION DATA.

NOTE: PLEASE REMEMBER THAT PAPER DATA AND DATA ENTRY FROM PREVIOUS DAYS CONTINUES TO COME IN AND WILL BE INCLUDED IN THE TOTALS AS IT IS RECEIVED.

We are tracking **38,238** residential parcels that the City of Flint has identified as non-vacant (including Franchise). Of those:

- **34,849 (91%)** of the parcels have been engaged (e.g. face to face, left an information card, etc.) as part of response efforts
- **22,939 (60%)** of the parcels have been confirmed to have some form of filter
- **10,723 (28%)** of the parcels have volunteered for water testing sites
- **4,918 (13%)** of the parcels have not had personal contact (not home or did not visit a POD)

We are also tracking that there are 29,994 active water subscribers (metered service lines) in the city. When consolidated down and filtering out only residential there are **26,673** residential parcels that have the ability to use the Flint Water System. Of these

- **25,457 (95%)** of the parcels have been engaged as part of response efforts
- **19,677 (74%)** of the parcels have been confirmed have some form of filter
- **9,561 (36%)** of the parcels have volunteered for water testing
- **3,718 (14%)** of the parcels have not had personal contact (not home or did not visit a POD)

#### Local EOC

- Planning for transition of operational control to local level.
- Identifying and securing additional warehouse space for donations management.
- Coordinating rapid response deliveries to identified locations.
- Coordinating demobilization of vehicles and technology.
- Working to implement recycling program. Press conference scheduled for 01/28/2016.
- Coordinating in-kind and monetary donations through Michigan Community Service Commission.
- Coordinating volunteer management with Michigan Community Service Commission, ARC and other VOADS.

Chris

---

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### Update 1/26/16 – 22<sup>th</sup> Day (21<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

##### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.

- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Validate all data from the WRTs/PODs and identify focus areas.

#### Attached Documents:

- Sit Rep # 21
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first one indicates based upon the outreach that has been conducted, which parcels have had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
- Press conference to be held in Flint with the Governor, Mayor and some state agency personnel.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- We have taken a significant number of paper records from the ARC WRTs so we can get the data entered into our system. MSP HQ staff has been pulled to the SEOC for data entry. These are a portion of the records the ARC had as they were not using the door to door App as directed. This data will further clarify areas covered/not covered by any teams.
- The WRTs are going to "targeted" locations where we are showing residences not contacted.
- We are working on identifying any multi-unit housing to ensure all have filters (e.g. apartment buildings). Some have been taken care of but we are ensuring these locations are not missed.
- Information reported to the JIC:
  - As of 1/26/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

#### 1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Canvass Mission	Total	Targeted Canvassing Mission
30,770	37,844	3,946		1/26/2016
				1,350.

#### 2. Distributed:

Commodity	Total to Date
a. Number of cases of water	186,309
b. Filters	94,301
c. Filter cartridges	199,489
d. Test kits	29,841

#### 3. Total number of customers on the Flint water system

- 29,994 current water system subscribers
- ~45,000 hookups (This is our high end target #)
- ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased\*:
  - a. Cases of water 146,142 (additional 26,834 donated to the state warehouse and does not include other locations like GCCARD/Food Banks, Churches, etc.)
  - b. Filters 154,052
  - c. Filter Cartridges 299,508
  - d. Test kits 62,701
5. Teams going out tomorrow:
  - a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

#### Standing Information Requirements

1. Number of homes visited each day:
  - a. 1/26/16, as of 5 pm, 1,350 homes were visited today.
2. Total number of homes visited:
  - a. Targeted Canvassing Mission: 3,946
3. Total number of National Guard on the ground:
  - a.
    - i. Number in PODs:
    - ii. Command Cell:
    - iii. Cyber Mission:
4. Total Number of Volunteers each day:
  - a. 98 volunteers for 1/26/2016.
5. \*Number of homes with filters:
  - a. 18,487 homes had filters, per entered GIS data as of 1/25/2016.
6. Number of Water filters distributed (each day and to date):
  - a. 1,091 were distributed on 1/26/2016, and total distributed to date is 94,301.
7. Cases of Bottle water distributed (each day and to date):
  - a. 7,862 were distributed on 1/26/2016, and total distributed to date is 186,309.
8. Number of testing kits distributed (each day and to date):
  - a. 403 were distributed on 1/26/2016, and total distributed to date is 29,841.
9. Number of people tested for elevated blood levels (kids, adults, total):
  - a. Per CHECC: People tested for lead 10/1/2015 to 1/8/2016: 2,642;  
\*this data is updated bi-monthly
10. Number of people with elevated blood level (kids, adults, total):
  - a. Per CHECC:
    - i. Children less than 6 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 28
    - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 7
    - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 15
 \*this data is updated bi-monthly
11. Number of homes with safe drinking water:
  - a. 1,099 homes, per data from September 3, 2015 to January 22, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.  
\*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number  
– Phase II questions were developed to help clean this up.

#### Local EOC

- Delivered iPads to warehouse and provided on-site training to drivers, followed with written instructions.
- Facilitated recycling planning meeting and planned for implementation of the program.
- Attended local "Pastors and Police" meeting to coordinate water distribution plan with faith-based organizations.
- Planning for a transition of operational control to local level.
- Coordinated the incoming donations of water and filters through the Michigan Community Service Commission.

- Coordinated volunteer management with Michigan Community Service Commission, ARC and other VOADS.

Chris

---

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/25/16 – 21<sup>th</sup> Day (20<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Validate all data from the WRTs/PODs and identify focus areas

#### Attached Documents:

- Sit Rep # 20
- Michigan Department of Health and Human Services Situation Report for January 20, 2016
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first map indicates based upon the outreach that has been conducted, which parcels have had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

#### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).

#### Items to Note

- 11 ARC Flint Water Response Teams to the field today.
- 8 EPA PIOs will be in the JIC tomorrow. The JIC is unaware of the role or expectations at this time.
- Reference the rash I discussed on the call tonight:
  - There was one specific complaint about rashes that Community Health personnel plan on working with ATSTD/CDC. DEQ is requesting that EPA collect all appropriate water samples to enable a full analysis of the water at the address (an apartment) for bacterial contamination, and a full metals and organics panel. Lead is not associated with skin rashes, but other contaminants are and DEQ wants to find out what, if any, other contaminants are in the water.
  - It was also discussed that it would be ideal if Community Health can forward to the EPA the other addresses and contact information for which they’ve received complaints of rashes, so that EPA could also test there for appropriate parameters to see if we can identify a cause.
  - SEOC DEQ desk will continue to monitor and work this issue.

- SEOC OPS, Health, MDEQ SEOC, Logistics participated in conference calls with the Governor's office and private partners on potential alternative filtration systems for schools, daycares, etc.
- Created a form for drivers to track rapid response deliveries.
- Media avail at fire station 8 this morning received positive news coverage.
- The NAACP is holding a public meeting at U of M Flint on Tuesday.
- Rachel Maddow will hold a town hall meeting on Wednesday. MSP Third District Commander advised.
- Developed new Incident Action Plan (#7 published in M/CIMS) and ICS 204s for the new operational period (1/26/2015-2/2/2016).
- MDOC assumed all warehousing responsibilities today.
- Reviewed state agency financial information received for update to current spend plan.
- Information reported to the JIC:
  - As of 1/25/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Canvassing Mission 1/25/2016
30,770	37,844	2,596 – ARC*

\*American Red Cross data has not been entered in the app, but is currently being caught up. Starting January 26, 2016, the American Red Cross has been instructed that iPads must be used in the field for data entry in order to clearly capture the homes that have filters.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	176,118
b. Filters	93,048
c. Filter cartridges	198,552
d. Test kits	29,320

3. Total number of customers on the Flint water system

- a. 29,994 current water system subscribers
- b. ~45,000 hookups (This is our high end target #)
- c. ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased\*:

- a. Cases of water 141,982 (additional 24,634 donated)
- b. Filters 124,052
- c. Filter Cartridges 285,586
- d. Test kits 62,701

\* Numbers have not been updated due to the following circumstances:

- Outstanding donations and inventory at the warehouse which has not been reported to the SEOC. Staff in the SEOC is working with donations management and warehouse to reconcile numbers.
- Outstanding data from GCCARD on deliveries from 1/8-1/12. Staff in the SEOC and local EOC is working with GCCARD to obtain data.
- At the beginning of tracking the planning factor used was 72 cases of water per pallet and 22 pallets per semi-truck. Per bill of lading received from the warehouse today, it has been identified that this assumption is not correct. Staff is working to reconcile numbers.

5. Teams going out tomorrow:

- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

Standing Information Requirements

1. Number of homes visited each day:

- a. 1/25/16, as of 5 pm, 2,596 homes were visited today.
2. **Total number of homes visited:**
  - a. Phase II: 37,844
  - b. Targeted Canvassing Mission: 2,596
3. **Total number of National Guard on the ground:**
  - a.
    - i. Number in PODs: (
    - ii. Command and Control Staff for NG Personnel:
4. **Total Number of Volunteers each day:**
  - a. 135 volunteers for 1/25/2016.
5. **\*Number of homes with filters:**
  - a. 17,595 homes had filters, per entered GIS data as of 1/22/2016.
6. **Number of Water filters distributed (each day and to date):**
  - a. 1,151 were distributed on 1/25/2016, and total distributed to date is 93,048.
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 9,514 were distributed on 1/25/2016, and total distributed to date is 176,118.
8. **Number of testing kits distributed (each day and to date):**
  - a. 478 were distributed on 1/25/2016, and total distributed to date is 29,320.
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. Per CHECC: People tested for lead 10/1/2015 to 1/8/2016: 2,642;
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. Per CHECC:
    - i. Children less than 6 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 28
    - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 7
    - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 15
11. **Number of homes with safe drinking water:**
  - a. 1099 homes, per data from September 3, 2015 to January 22, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

#### GIS Information

I have had numerous discussions with GIS staff as to getting our data validated and as close to final as possible. We are tracking 38,144 residential properties within the city (noting large apartment complexes are classified as commercial so they are not a part of this). Of these:

- 34,318 have been engaged by Flint Water Response Teams and PODs (90%) - The remaining 10% is going to be a focus for the teams in the near future
- 23,281 have led to a direct citizen engagement (61%)
- 5,173 were not home during any attempt to visit and have not been recorded as having visited a POD (14%)
- 5,864 of the properties the teams visited were vacant or destroyed (15%)

Additionally, we have been tracking the status of "Active Water Subscribers" from the Flint Department of Public Works. These are residential properties which have meters put on the homes by the city. Of the total 29,994 subscribers citywide, 26,673 have been confirmed as being on residential parcels. Of the 26,673:

- 18,487 Have been confirmed as having received a filter by the Flint Water Response Teams or PODs (69%)
- 3,928 Were not home when visited (15%)
- The remaining 16% we have no data to confirm or deny whether they have a filter

Of special significance from the water subscriber data is that the old lead maps that we are digitizing from the Flint Water Department contain 993 suspected homes with lead lines in them. Of these only 659 have received a filter.

It is significant to note that we are continuing to receive paper forms from the field and processing them. The ARC and volunteers were specifically told to use the App and we provided Ipads but tonight I was told this was not being done by everyone which has caused us some lags in data. This is likely improve the overall numbers as we process historic records (ARC had ~7,000 of these records).

It cannot be reiterated enough that data is still coming in and we are still actively cleansing it.

#### Local EOC

##### Operations:

- Coordinated with Foodbank of Eastern Michigan for issuing of Resource Request.
- Coordinating and following up on vehicle demobilization.
- Facilitated rapid response deliveries to special locations.
- Finalizing components of recycling program.
- Received authorization to operate bottle collections for recycling at Fire Station 1 and 5 PODs.
- Initiated activities to plan for inclusion of institution sampling (schools, daycares, nursing homes, etc.) in Genesee County EOC IAP.
- Coordinating volunteer management with Michigan Community Service Commission.

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### **Update 1/24/16 – 20<sup>th</sup> Day (19<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

I have asked state agency SEMCs to archive their SitRep items so you only have current operational period information in the SitRep Agency Summaries. Director Creagh added to daily report.

##### Mission focus for the day:

- Receive, store, and increase quantities of supplies.
- Increase efficiency of warehouse operations.
- Continue door to door/Flint Water Response Teams (FWRTs).
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

##### Attached Documents:

- Situation Report # 19
- Maps:
  - Parcel Contact Status, includes data as of 5 pm today.
    - The first one indicates based upon the outreach that has been conducted, which parcels have we had contact with a resident and which parcels have not had any contact with a resident.
  - Parcel Filter Status (Multi-Tenant Excluded), includes GIS data as of 5 pm today.
    - The second map indicates the status of residents that have or have not received a filter.

##### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Key items for tomorrow to note are:

- We will have 10 ARC, type 5 teams (2-4 personnel).
- WRTs with NG personnel are transitioning out. No field teams. NG will continue to staff the PODs.
- Tony Katarsky will be acting SEOC State Director. Capt. Kelenske not in the SEOC - available by phone (in the Holland MI area).

Items to Note

- Deployed National Guard/state/local teams and 19 ARC Flint Water Response Teams to the field today.
- JIC was operational with limited staff out of the SEOC today. Co-located JIC in Flint will be back and operational tomorrow.
- SEOC Logistics worked with MDOC on warehouse management transition.
- Recovery Branch began demobilization of trucks and vans.
- Demobilization of National Guard Water Response Teams will be effective as of Monday, January 25.
- School for the Deaf
  - As of 1/23/16: LARA and DEQ teams on site; water testing complete in school building and LRC dorm. Stevens Hall will be tested when landlord finishes upgrades.
  - As of 1/23/16: all water faucets replaced in Stevens Hall. 3 new drinking fountains on order; expected mid-week. Once fountains are installed, Stevens Hall will be scheduled for water testing.
- SEOC Finance Donations Management team to obtain list of donors and donations for FEMA request.
- SEOC Planning Section worked on burn rate data from FWRT and PODS for FEMA request.
- GIS continued to clean up V2 Dataset (patched approximately 1000 records).
- GIS coordinated with the DEQ to transfer lead service line mapping to their GIS department tomorrow. Wall maps showing known lead service lines based off of geographical locations and zip codes provided for Chief Hagler, SEOC DEQ staff and Director Creagh.
- Out of 37,003 homes visited, 5,660 were not home/did not answer. The number of homes visited is lower than the Phase II number as some duplicate contacts at addresses were eliminated.
- Information reported to the JIC:
  - As of 1/24/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	1/24/2016
30,770	37,844	7,012 National Guard/State/Local 4,132 ARC

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	164,991
b. Filters	91,763
c. Filter cartridges	197,775
d. Test kits	28,763

3. Total number of customers on the Flint water system

- 29,944 current water system subscribers
- ~45,000 hookups (This is our high end target #)
- ~39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased:

- Cases of water 141,982 (additional 24,634 donated)
- Filters 124,052
- Filter Cartridges 285,586

d. Test kits 62,701

5. Teams going out tomorrow:

- a. 10 ARC (2-4 people) type 5 teams -- Goal tomorrow 100 homes per team

Additional Standing Information Requirements

1. **Number of homes visited each day:**

- a. 1/24/16, as of 5 pm, 11,144 homes were visited today

2. **Total number of homes visited:**

- a. Phase II: 37,844

3. **Total number of National Guard on the ground:**

- a.  
i. Number in PODs:  
ii. Number on Cyber Mission:  
iii. Number with FWRTs:  
iv. Command and Control Staff for NG Personnel: :

4. **Total Number of Volunteers each day:**

- a. 315 volunteers for 1/24/2016.

5. **\*Number of homes with filters:**

- a. 17,595 homes had filters, per entered GIS data as of 1/22/2016.

6. **Number of Water filters distributed (each day and to date):**

- a. 4,920 were distributed on 1/24/2016, and total distributed to date is 91,763.

7. **Cases of Bottle water distributed (each day and to date):**

- a. 16,125 were distributed on 1/24/2016, and total distributed to date is 164,991.

8. **Number of testing kits distributed (each day and to date):**

- a. 3,177 were distributed on 1/24/2016, and total distributed to date is 28,763.

9. **Number of people tested for elevated blood levels (kids, adults, total):**

- a. Unknown at this time, CHECC will begin providing numbers on 1/25/2016.

10. **Number of people with elevated blood level (kids, adults, total):**

- a. Unknown at this time, CHECC will begin providing numbers on 1/25/2016.

11. **Number of homes with safe drinking water:**

- a. 577 homes, per data from September 3, 2015 to January 20, 2016. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

\*This is an estimate from Phase I data. We are cleaning up the data to get a more accurate number – Phase II questions were developed to help clean this up.

Local EOC

Operations:

- Distribution of supplies at five water resource sites in the City of Flint.
- Door-to-door distribution of supplies with 34 water response teams (19 ARC volunteer teams, 15 MSP/GCSO/NG teams).
- Facilitating rapid response deliveries to homebound residents and special locations by three teams staffed by Team Rubicon, and Lt. de Castro (MSP/EMHSD).
- Improved logistics for rapid response teams by providing transportation and iPads starting on 01/25/2016.
- Coordinated with ARC for distribution of additional iPads for data entry.
- Identified alternative warehouse locations for loose donations.
- Directed volunteer requests to appropriate state agencies.
- Started coordination for resource demobilization.
- Coordinated with 22 churches so they had water, filters, etc. Delivered Saturday. Some advised they were set with supplies. Lt. Roach (MSP District Coordinator will maintain contact with Pastors).

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

Update 1/23/16 – 19<sup>h</sup> Day (18<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs

Attached Documents:

- SitRep 18

Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Key items for tomorrow to note are:

- We will have National Guard/state/local agency, type 3 teams
- We will have 40 ARC, type 5 teams (2-4 personnel).

Items to Note

- Deployed state/local teams and 40 ARC Flint Water Response Teams to the field today.
- Created a media monitoring report and looked for misinformation. A call was made to WILX to amend their article that implied that the State was not distributing water to undocumented immigrants. The news release was also sent to WILX about how the State is not requiring identification to receive water resources.
- SEOC Logistics worked on future resource planning and a local business commodity supply plan.
- Drafted talking points for Monday’s press conference with Governor Snyder, Colonel Etue, and the Mayor.
- Put in place a place to control POD distribution as much as possible. SKU numbers are being lined out on commodities to prevent or minimize returns for cash.
- Information reported to the JIC:

- o As of 1/23/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

To Date	1/23/2016
37,943	6,323 National Guard 7,361 ARC

2. Distributed: Includes outstanding data from yesterday- PODs after 5 pm, ARC worksheets and local EOC hotshots

Commodity	Total to Date
a. Number of cases of water	148,866

b. Filters	86,843
c. Filter cartridges	194,622
d. Test kits	25,586

3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. ~45,000 hookups (This is our high end target #)
  - c. ~39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 133,662 (additional 24,634 donated)
  - b. Filters 115,700
  - c. Filter Cartridges 266,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a. National Guard State ( ) type 3 teams---Goal tomorrow 300 homes per team
  - b. 40 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Worked to identify all vulnerable populations to help streamline Hot Shot/Rapid Response Team process.
- Working on plan for church water distribution and POD locations.
- Looking at possible alternative locations for PODs in difficult traffic areas. The city identified some but they are just as bad as the current ones.
- Working on finalizing a recycling plan for the incident.
- Lt. Roach sent up the church information to Tom Webber. She also received one church site that will act as a potential church mega site.
- SEOC GIS to provide a layer for the vulnerable populations so that Team Rubicon can get to them and track in the iPad.

#### New Standing Information Requirements

1. Number of homes visited each day:
  - a. 1/23/16, As of 5 pm, 13,684 homes were visited today
2. Total number of homes visited:
  - a. 37,943, does include duplicate counts from the second canvassing
3. Total number of National Guard on the ground:
  - a.
4. Total Number of Volunteers each day:
  - a. 310 volunteers for 1/23/2016
5. Number of homes with filters:
  - a. 17,595 homes had filters, per entered GIS data as of 1/22/2016,
6. Number of Water filters distributed (each day and to date):
  - a. 4,156 were distributed on 1/23/2016, and total distributed to date is 86,843
7. Cases of Bottle water distributed (each day and to date):
  - a. 27,462 were distributed on 1/23/2016, and total distributed to date is 148,866
8. Number of testing kits distributed (each day and to date):
  - a. 2,171 were distributed on 1/23/2016, and total distributed to date is 25,586
9. Number of people tested for elevated blood levels (kids, adults, total):
  - a. Unknown at this time until we get the data
10. Number of people with elevated blood level (kids, adults, total):

- a. Unknown at this time until we get the data
- 11. Number of homes with safe drinking water (Not sure whether it's possible right now to provide this number):
  - a. Unknown at this time

Chris

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 1/22/16 – 18<sup>h</sup> Day (17<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue door to door/Flint Water Response Teams (FWRTs)
- Plan for next phase with MSP and NG personnel
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration
- Work with HHS personnel to ensure they have all items needed for operations

**Attached Documents:**

- SitRep # 17
- Briefing provided to the HHS Undersecretary by FEMA (due to time only finished 75%)

**Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

**Key items for tomorrow to note are:**

- 15 National Guard/State/Local (type 3 teams)
- 40 ARC (2-4 folks) type 5 teams
- Deliveries going out to all churches on our list we have been working with (21) for Sunday services.
- I will not be in the SEOC Saturday. Tony Katarsky will be the acting SEOC state director. I will be available by phone (wrestling meet).
- Sunday, Lt. Mike Johnson will be acting SEOC state director but I may be in for some of the day.
- Monday I am out on a college visit with my son...I will be available by phone and Tony will again be acting.

**Items to Note**

- Deployed state/local teams and 15 ARC Flint Water Response Teams to the field today.
- SEOC Operations worked on getting local contact into the JIC along with developing messaging for resources and donations.
- SEOC Planning worked on the further development of long term strategy.
- Recovery branch continued coordination with Red Cross on volunteers and the Michigan National Guard for Friday and Saturday.
- SEOC logistics worked with FEMA/DHHS on warehouse tracking status/strategy, coordinated resources, and donations management.
- Have had a number of media request concerning resources for immigrants and population less proficient in English. Clarified with a news release that we are not requiring ID but we are asking for addresses to assist with long term recovery. Nobody will be denied resources if they fail to provide us an address.

- Have received numerous inquiries from celebrities on how they can assist and donate.
- We are validating a lot of data but what we have currently is 38,144 parcels in Flint that are not considered "vacant". This does not mean all parcels have a tenant, there are a lot of houses that are empty.
  - 26,673 water subscribers in Flint (not including franchise).
    - Water Subscribers with a Filter = 15,399 (57.7%)
    - Water Subscribers without a Filter = 11,274 (42.2%)
      - With our second pass we are getting more information as to why people do not have a filter. Looking into whether these include homes connected but nobody currently living there. We are refining the data.
  - 11,471 Non-Water Subscribers in Flint.
    - Non Water Subscribers with a Filter = 2,196 (19%)
    - Non Water Subscribers without a Filter = 9,275 (81%)
  - The SEOC Ops Chief has been directed to firm up all numbers with GIS. We have a GIS specialist from FEMA Region V also deployed to the SEOC to assist. ArcGIS has advised us that the amount of data we have collected is more than some major disasters in other states. We are looking into getting their personnel more engaged to ensure we are using all the tools available for analysis.
- SEOC Finance Chief is working on costs to date and all SEMCs were advised to tighten up their records and ensure we have accountability of all costs.
- Information reported to the JIC:

○ As of 1/22/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

To Date	1/22/2016
37,697	5,920

2. Distributed: Includes outstanding data from yesterday (PODs after 5 pm, ARC worksheets and local EOC hotshots.)

Commodity	Total to Date
a. Number of cases of water	121,404
b. Filters	82,687
c. Filter cartridges	191,704
d. Test kits	23,415

3. Resources purchased:

- a. Cases of water 130,782 (additional 21,682 donated)
- b. Filters 115,700
- c. Filter Cartridges 266,200
- d. Test kits 61,161

4. Teams going out tomorrow:

- a. National Guard State type 3 teams -- Goal tomorrow 300 homes per team
- b. 40 ARC (2-4 folks) type 5 teams -- Goal tomorrow 100 homes per team

Local EOC

Operations:

- Worked to identify all vulnerable populations to help streamline Hot Shot process.
- Working on plan for church water distribution and POD locations.
- Looking at possible alternative locations for PODs in difficult traffic areas.
  - Working on finding a new POD for 3 and 6. We are aware that the mayor would need to approve this.
- Coordinated water donations and delivery areas.

- Last minute large donations of water and volunteers expected during the weekend.
- Working on finalizing a recycling plan for the incident.
- The Jail water has been tested and is fine. The prisoners are not being poisoned and the local health department is working on clearing this issue up.
- Working on a plan with the churches to have 4 mega sites for churches (N,E,S,W) and have smaller churches work through these sites to get supplies. Churches are interested in the recycling program, putting information in their bulletins and also used a collection sites.
- Team Rubicon is coming tomorrow to assist with home deliveries.
- Continuing with recycling plan. Need to identify sites with city. Local EOC has visited areas with the local contractor.

Chris

---

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/21/16 – 17<sup>th</sup> Day (16<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs) - “Phase II”
- Plan for next phase with MSP and NG personnel for Governor approval – “Phase III”
- Prepare for appeal on denial of Category B under the Presidential Emergency Declaration
- Work with HHS personnel to ensure they have all items needed for operations

#### Attached Documents:

- SitRep 16
- Draft Water Operations Plan for moving to next phases (Discussion document)
- Resident Water Sample Results Map (Not for public distribution)
- January 13-19 comparison map

#### Status on Governor’s request letter to the President

- Emergency declaration received. Pending decision of Major Disaster appeal and any denials under the Emergency Declaration (e.g. Category B). We have not been denied category B yet ... POTUS/FEMA has not given it to us though. I believe we may get a denial of category B in conjunction with the Major Disaster appeal decision. We will have 30 days to appeal.
  - Category B is critical in that it is for Emergency Protective Measures which includes (but is not limited to) EOC related costs, supplies and commodities, safety inspections, and in limited circumstances “water testing and treatment supplies in the immediate aftermath of the incident to counter a specific threat.” We purposely put our start date of this incident to be April 25, 2014 in hopes we get category B and could get 75% federal funds for many other costs all the way back to 2014 – long shot but would be huge if we land this.

#### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have National Guard/state/local agency, type 3 teams ( ), with a goal of 300 homes per team.
  - We will have 15 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

## Items to Note

- We are using the terms Phase II, Phase III, etc. These are for internal discussion for planning and not meant for public dissemination at this time unless it is determined to be beneficial.
- The draft operations plan (attached) was completed in conjunction with MSP and NG personnel to initiate discussion on our next steps as to WRTs and PODs.
- The WH issued a statement that \$80 million dollars in aid to MI mostly to repair Flint water infrastructure. We do not have additional information on this. This may be existing federal funds provided to MI that is just being opened up for other use. FEMA does not have any information on this.
- We have been advised we exceeded the \$5 million under the emergency declaration. We are at \$7.6 million.
- FEMA has advised that any donated items can be used to offset the state cost share. We are working on the mechanism with FEMA to do this.
- Deployed state/local teams and 10 ARC Flint Water Response Teams to the field today.
- SEOC logistics worked to project future orders of water resources and commodities.
- Released updated JIC map at 1800 displaying updated field team activity and integrating historic paper records that have been entered into the tracking system for field team activity.
- DEQ test kits are only being provided to those who ask for them.
- I made contact with Senator Ananich aid, Julie Townsend, who was a POC for his volunteers. They are set to work next week on the 30<sup>th</sup>.
- MDOT met with city personnel to look at Station 6 POD and other PODs to see how traffic flow can be facilitated and safety increased. Additional report out due 1/22.

- MDARD Food Program staff have completed assessments of all 21 food businesses (including restaurants) that were located in the highest risk area. In addition, they have completed assessments at 34 food businesses in the medium risk area, and have scheduled 28 appointments to collect water samples.
- Dr. Nicole Lurie, the Assistant Secretary for Preparedness and Response from the US Department of Health and Human Services (HHS), in addition to the HHS Regional Coordinator and other CDC staff, visited the CHECC and SEOC this morning and provided commentary to CHECC and SEOC staff/EMCs. She also attended a briefing from FEMA before departing to visit Flint.
- Parents of boarding students at the Michigan School for the Deaf were notified of the elevated lead results in Stevens Hall. All fixtures in the dormitory are scheduled to be replaced by January 24, 2016. Lt Gov. has scheduled visit on January 25.
- Valley Area Agency on Aging (VAAA) continues to take calls from seniors and caregivers needing access to water and filters. VAAA is providing this information to the local EOC each afternoon for follow-up.
- Information reported to the JIC:

- As of 1/21/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase 1	Phase 2
30,770	5,409

2. Distributed: Includes outstanding data from yesterday - PODs after 5 pm, ARC worksheets and local EOC hotshots.

Commodity	Phase 1	Phase 2	Total to Date
a. Number of cases of water	94,688	10,403	105,091
b. Filters	77,215	2,356	79,571
c. Filter cartridges	188,389	1,039	189,428
d. Test kits	20,037	1,588	21,625

3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. ~45,000 hookups (This is our high end target #)
  - c. ~39,000 includes apartment complexes/multi family (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 124,398 (additional 20,098 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a. National Guard/State/Local s) type 3 teams -- Goal tomorrow 300 homes per team
  - b. 15 ARC (2-4 folks) type 5 teams -- Goal tomorrow 100 homes per team

#### Local EOC

- Attended ARC meeting with VOADs to discuss volunteer management and strategies.
- Attended meeting with Plumbers and Pipefitters Union to assess the need for long term cooperation for filter installation and fixture replacement.
- Requested and received confirmation of deployment of Team Rubicon (starting on 01/23/2016).
- Facilitated Flint & Genesee Chamber of Commerce representation at the EOC.
- Addressed security issues at Fire Station 3, 6 and 8 PODs (residents concerned about criminal activity).
- Coordinating with SEOC Logistics to receive information on purchasing strategy and volumes for filter equipment.
- Met with Genesee County Planning Commission, United Way of Genesee County and Michigan Community Service Commission to clarify recycling plans and potential volunteer utilization.
- Coordinated and verified deliveries of supplies to apartment complexes.
- Identified potential locations for recycling stations.

Chris

---

#### Update 1/20/16 – 16<sup>th</sup> Day (15<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for second phase of door to door operations
- Submitted appeal to FEMA Region V
- Prepare for appeal on denial of Category B under the Presidential Emergency Declaration

##### Attached Documents:

- SitRep 16

##### Status on Governor's request letter to the President:

- Emergency declaration received.

Key items for tomorrow to note are:

- Five copies of the State/FEMA agreement will need to be signed by the Governor. Capt. Kelenske has them and will coordinate delivery.
- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 18 National Guard (MSP supported), type 3 teams (6-9 personnel), with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- Dr. Luri from HHS will be at the SEOC ~10:00 p.m.
- A second phase is starting tomorrow which will include more refined questions as to type of filter systems each person has. This will assist with sustainment operations.
- DOC prison work crew personnel (6-7) will be at the warehouse to keep the area clean. A lot of trash is generated in the warehouse and was becoming an issue.

Items to Note

- Deployed state/local (NG, MSP, Local) teams and 10 ARC Flint Water Response Teams to the field today.
- MSP and local Sheriff's Department continue to provide over watch for WRTs.
- Aqua Hydrate contacted me to donate 5000 cases a month (4 semis) for a year. I was advised by Lindon Nelson this was a Governor/Mayor/Senator Ananich and Meekhof initiative and a press release was going to go out soon (TBD). Logistics is following up with them.
- News release sent from Governor's office about the appeal to the President of the disaster declaration.
- SEOC Logistics worked with JIC and Governor's office to establish a business resource submission tab on [www.helpforflint.com](http://www.helpforflint.com)
- SEOC Operations continued to develop and finalize Phase 2 canvassing roll out.
- Meeting held with Dr. Luri from HHS.
- Capt. Kelenske and other state agency financial personnel attended the appropriations hearing.
- End of day – concerns with the mass amounts of volunteers showing up and wanting to help. This can cause logistical issues but staff was working to get additional tasks for volunteers outside of the WRTs. We will continue to work on ways to involve more volunteers.
- Additional person NG team for warehouse support approved.
- Information reported to the JIC:
  - As of 1/20/16 as of 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. 29,317 homes visited by the FWRTs to date.

2. Distributed: Includes outstanding hard copy data from yesterday (PODs after 5 pm, ARC worksheets and local EOC hotshots).
  - a. Number of cases of water 90,337
  - b. Filters 73,229
  - c. Filter cartridges 185,852
  - d. Test kits 19,866
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 111,630 (additional 18,502 donated)
  - b. Filters 115,700

- c. Filter cartridges 243,200
- d. Test kits 61,161

5. Teams going out tomorrow:

- a. 18 National Guard (6-9 folks) type 3 teams---Goal tomorrow 300 homes per team
- b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

Local EOC

Operations:

- Addressed reports of water contamination in distributed bottled and canned water. Confirmed that water is safe to drink through testing by MDEQ. Coordinating with JIC and MDEQ for improved public information on the issue.
- Identifying options to reroute unsolicited offers for supplies and services outside of the EOC. Coordinating to set up 800 number.
- Attended meeting with Flint & Genesee Chamber of Commerce to discuss coordination of efforts, representation at EOC, and improved messaging.
- Attended meeting with Community Foundation of Greater Flint to discuss coordination of neighborhood groups and improved messaging.
- Coordinated with MDARD to provide additional lead testing at restaurants, and signage for safe locations.
- Coordinating with SEOC Logistics to receive information on purchasing strategy and volumes for filter equipment
- Coordinated and verified deliveries of supplies to apartment complexes.
- Discussed logistics requirements of delivery requests for homebound residents with SEOC Logistics.

Chris

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

**Update 1/19/16 – 15<sup>th</sup> Day (14<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Increase efficiency of warehouse operations
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Prepare plans for next phase of operation – Second sweep of city

Attached Documents:

- SitRep 14

Status on Governor’s request letter to the President:

- Emergency declaration received.
- Appeal letter pending.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 9 National Guard, type 3 teams (6-9 personnel), with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

#### Items to Note

- Deployed state/local teams and 11 ARC Flint Water Response Teams to the field today.
- Messaging being developed for concerns regarding the Total Dissolved Solids (TDS) meters and citizens' concerns with those meters indicating "lead" in bottled water. Testing of water to be done by DEQ to ensure we have solid messaging.
- DTMB is working to secure space in Flint for FEMA staff.
- Press release went out this afternoon to announce that the US Department of Health and Human Services will lead the federal response in Flint. Capt. Kelenske to meet with Dr. Nicole Lurie, HHS Assistant Secretary for Preparedness and Response (ASPR), on Thursday. The goal of the federal response will be to help state and local leaders identify the size and scope of the problem, and work with them to make and execute a plan for mitigation of the short- and long-term health effects of lead exposure.
- Additional NG personnel being requested to assist with Warehouse inventories.
- NG personnel on the ground with the WRTs tomorrow with 100 more transitioning in.
- Released updated JIC map at 1800 displaying updated field team activity and integrating historic paper records that have been entered into the tracking system for field team activity.
- LG is going to be in Flint working at one of the PODs on Wednesday.
- Information reported to the JIC:

- As of 1/19/16 as of 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. 22,129 homes visited by the FWRTs to date.
2. Distributed: Includes outstanding data from yesterday - PODs after 5 pm, ARC worksheets and local EOC hotshots.
  - a. Number of cases of water 77,794
  - b. Filters 69,730
  - c. Filter cartridges 184,457
  - d. Test kits 16,671
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 95,760 (additional 16,056 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a. National Guard ; type 3 teams---Goal tomorrow 300 homes per team
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Attended public health group meeting with GCHD, City of Flint Water Department and MDEQ to discuss water test information being returned to residents, to allow residents a greater understanding of results.
- Attended recycling/trash management group meeting with DEQ, Republic Services, Keep Genesee County Beautiful and Genesee County Planning Commission. Provided projections on current and anticipated bottle distributions.
- Coordinated deliveries of supplies to faith-based organizations, apartment complexes and homebound residents

- Coordinated with Comcast to set up locations for distribution of filters (distributed 60 filters on 01/19/2016).

Chris

---

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 1/18/16 – 14<sup>th</sup> Day (13<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs) and PODs
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.
- Complete appeal for Presidential Major Disaster Declaration denial.

#### Attached Documents:

- SitRep 13
- Side by side comparison of homes with filters January 13<sup>th</sup> compared to January 18<sup>th</sup>. This should be hitting the media tonight. This took longer to create than I wanted but is the image I have wanted to show progress of getting filters in to the field.

#### Status on Governor’s request letter to the President:

- Appeal in process.

#### Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have 5-6 state/local agency, type 3 teams (6-9 personnel), with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
  - NG will be bringing in personnel to prep for surge.

#### Items to Note

- Beginning tomorrow the operational periods will be 7 days long.
- The CDC/ATSDR (Agency for Toxic Substances Disease Registry) has deployed a team to Michigan.
- An Arabic version of the palm card was reviewed and approved. This was developed via Arab American and Chaldean Council.
- Deployed 12 state/local teams and 10 ARC Flint Water Response Teams to the field today.
- DTMB is working to secure space in Flint for FEMA staff.
- Cost analysis to investigate if it would be more cost effective for FEMA to purchase water vs the SOM.
- ARC news release concerning the Volunteer Reception Center (VRC) sent out today.
- Media availability conducted today at 3pm at the VRC.
- Since 1/14/16 Michigan 2-1-1 has received three direct reports of bottled water testing positive for lead. DHHS SEOC Desk and DEQ SEOC Desk was able to contact two of the callers. The Zero Water filter (pitcher) has a handheld test device so people know when to change the filter. This TDS Meter measures dissolved solids (it is not a lead test). This was explained and we are going to work on messaging to ensure this does not cause issues. Dissolved solids are in all water. The water from the callers is going to be tested and a case of water from one of the companies will also be sent to DEQ for testing. Brands are Spartan Spring Water and Canned Water for Kids. The filter company is also going to work on messaging and work with us on this matter.
- Information reported to the JIC:

- As of 1/17/16 as of 5 pm (start date was Tuesday, 1/12/16)

1. 21,393 homes visited by the FWRTs to date.
2. Distributed:
  - a. Number of cases of water 37,313
  - b. Filters 53,713
  - c. Filter cartridges 169,520
  - d. Test kits 7,379
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 82,992 (additional 16,056 donated)
  - b. Filters 115,700
  - c. Filter cartridges 243,200
  - d. Test kits 61,161
5. Teams going out tomorrow:
  - a. State type 3 teams---Goal tomorrow 300 homes per team
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Continuing to work with faith based organization to distribute resources.
- Working with colleges to obtain volunteers for canvassing.

Chris

---

#### Update 1/17/16 – 13<sup>th</sup> Day (12<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs), PODs
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work to bring FEMA IMAT personnel up to date following the Presidential Emergency declaration.

##### Attached Documents:

- SitRep 12

##### Status on Governor's request letter to the President:

- Emergency declaration received.
  - Limited to direct assistance so we will need to ask for the Individual Housing Program but that is something I will work on with FEMA.
- Major disaster declaration denied. The appeal is being developed with a draft to Paul Smith by later afternoon 1/18/16.

Key items for tomorrow to note are:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have state agency, type 3 teams ), with a goal of 300 homes per team.
  - We will have 12 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.

Items to Note

- Deployed state/local teams and 10 ARC Flint Water Response Teams to the field today.
  - 4,963 homes visited today.

01/16/16

e

01/17/16

- Information reported to the JIC:
  - As of 1/17/16 as of 7pm (start date was Tuesday, 1/12/16)
- 1. 16,353 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received from prior to the SEOC activation (trying to validate the data) plus the PODs and door to door operations since activation.
- 2. Distributed:
  - a. Number of cases of water 27,195
  - b. Filters 50,432
  - c. Filter cartridges 168,605
  - d. Test kits 4,861
- 3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)

4. Resources purchased:
  - a. Cases of water 57,456 (additional 12,884 donated)
  - b. Filters 108,520
  - c. Filter cartridges 239,081
  - d. Test kits 28,901
5. Teams going out tomorrow:
  - a. State ) type 3 teams---Goal tomorrow 300 homes per team
  - b. 12 ARC (2-4 folks) type 5 teams---Goal tomorrow 100 homes per team

#### Local EOC

#### Operations:

- Facilitated activation of the Genesee County/Genesee Health System MOU for mental health services.
- Coordinated supplies for distribution to students at the U of M Flint campus.
- Still concerned about people going to every fire station and collecting water/filters.
- Coordinated trash pickup at Fire Station PODs with the City Liaison officer.
- Coordinated hotshot deliveries of supplies to home bound population.

Chris

#### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

#### Update 1/16/16 – 12<sup>th</sup> Day (11<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Continue to implement the logistics plan and adjust as needed
- Continue door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to prepare for engagement following the Presidential Emergency declaration

#### Attached Documents:

- SitRep 11

#### Status on Governor’s request letter to the President:

- Emergency declaration received. Federal Coordinating Officer (FCO) is David Samaneigo (Sam) who has been my LNO from FEMA. We began discussions on a transition to FEMA support last night. His team is headed to MI at this time and we will have our first coordination meeting on Sunday.
- The request for a Declaration of a Major Disaster was denied. FEMA advised this event does not fit the legal definition of a major disaster (natural incident or fire, flood, or explosion). This information has been provided since prior to the event to elected officials in Flint and the legislature. We are reviewing the chances for an appeal and I have already discussed this with the FCO.

#### Key items for tomorrow to note:

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have state agency, type 3 teams , with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
- I will be back on duty Sunday.

- We have been working with some of the churches. Contact was made with 14 churches for Sunday distributions. Interaction with the pastors has been very positive.
- A logistics briefing will be provided to see how many more teams we can put in the field.

#### Items to Note

- LT Gov visited the local EOC today; discussed local EOC operations.
  - Deployed 11 state teams and 10 ARC Flint Water Response Teams to the field today.
  - DEQ sampling kits are now being received at the PODs.
  - DEQ sampled two Head Start facilities and worked with GIS to obtain future sample sites.
  - The Freeman School pilot was delayed due to some parts not arriving as scheduled. Testing was to be done Sunday but may not occur until Monday.
  - NG will have a total of     personnel in the PODs for distribution. Mission has not changed.
    - NG soldiers have been in the PODS.     more processing in tomorrow with start date of 1/18 in the PODS. The TAG and I will be discussing future use of NG personnel door to door next week.
  - Information reported to the JIC:
    - As of 1/16/16 7pm (start date was Tuesday, 1/12/16)
1. 11,324 homes visited by the FWRTs to date. We believe we have ~24,000 homes with filters; still trying to validate. This is from the data we received prior to the SEOC activation plus the PODs and door to door operations since activation. 3,850 homes were visited today (4,000 was the goal).
  2. Distributed:
    - a. Number of cases of water 20,876
    - b. Filters 47,935
    - c. Filter cartridges 167,401
    - d. Test kits 3,322
  3. Total number of customers on the Flint water system
    - a. 29,944 paying customers
    - b. 45,000 hookups (This is our high end target #)
    - c. 39,000 includes apartment complexes (The is the low end target #)
  4. Resources purchased:
    - a. Cases of water 57,456 (additional 12,884 donated)
    - b. Filters 108,520
    - c. Filter cartridges 239,081
    - d. Test kits 28,901
  5. Teams going out tomorrow:
    - a.     State     ) type 3 teams---Goal tomorrow 300 homes per team
    - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Operations:

- Provided direction to Operations and Logistics Section to initiate water sample collection at PODs.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional churches were supplied with water, filters and test kits.
- Still concerned about people going to every fire station and collecting water/filters.
- Station #6 (POD) has associated safety concerns due to proximity of street and lack of suitable parking. We are working to resolve.

Chris

**Subject:** SEOC Update 1/15/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 1/15/16 – 11<sup>th</sup> Day (10<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Receive, store and increase quantities of supplies
- Pilot the logistics plan and adjust as needed
- Continue with door to door/Flint Water Response Teams (FWRTs)
- Prepare for possible surge in FWRTs utilizing NG personnel
- Work with FEMA personnel to ensure we get a Presidential Declaration of a Major Disaster and Emergency

**Attached Documents:**

- SitRep 10

**Status on Governor's request letter to the President:**

- All documents for the presidential request have been submitted to FEMA. Numerous calls and meetings took place between me and FEMA today.
- When we get the declaration(s) ... I will set up a legislative/congressional call to explain and provide bullet points as to what programs we will receive. The Federal Coordinating Officer assigned will also be with me to answer questions. This has helped in the past.

**Key items for tomorrow to note are:**

- The logistics plan will be fully executed tomorrow with all teams.
  - We will have state agency, type 3 teams ' ', with a goal of 300 homes per team.
  - We will have 10 ARC, type 5 teams (2-4 personnel), with a goal of 100 homes per team.
  - A pilot team was used to test our logistics plan today and with 60% strength they had 160% output (830 homes).
- I will be off tomorrow but available by cell. Tony Katarsky will be SEOC State Director. I will be back in on Sunday.

**Items to Note**

- LT Gov visited the local EOC and SEOC today. He was able to hear our final briefing for the day.
- Held a short session managing stress with SEOC staff. Two handouts were put in MICIMS for all state and local personnel to view.
- Deployed 10 state teams and 5 ARC Flint Water Response Teams to the field today.
- Standing requirements were created for the JIC so we can get information to the media every day. Below are the current ones we have in place and we should have something out tonight according to the JIC.
  - As of 1/15/16 as of 7pm (start date was Tuesday, 1/12/16)

1. 7474 homes visited by the FWRTs. We believe we have ~24,000 homes with filters but are trying to validate that information. This is from the data we received from prior to the SEOC activation plus the PODs and door to door operations since activation.
2. Distributed:
  - a. Number of cases of water 18,576
  - b. Filters 45,916
  - c. Filter cartridges 165,382
  - d. Test kits 3,217
3. Total number of customers on the Flint water system
  - a. 29,944 paying customers
  - b. 45,000 hookups (This is our high end target #)
  - c. 39,000 includes apartment complexes (The is the low end target #)
4. Resources purchased:
  - a. Cases of water 44,688 (additional 12,884 donated)
  - b. Filters 78,520
  - c. Filter cartridges 163,081
  - d. Test kits 18,761
5. Teams going out tomorrow:
  - a. 10 State (6-9 folks) type 3 teams---Goal tomorrow 300 homes per team
  - b. 10 ARC (2-4 folks) type 5 teams----Goal tomorrow 100 homes per team

#### Local EOC

##### Home Deliveries:

- Still receiving lists from the Valley Area Agency on Aging (VAAA) on home deliveries and forwarding these to the Sheriff's office. They are going through a lot of homes. 120 out of 125 homes were completed yesterday.

##### Operations:

- We sent staff to visit Fire Station 6 and the warehouse today. Fire station 6 traffic was congested and that was during a "slow" time. The National Guard is identifying what is needed to alleviate this. MSP is working on providing uniform presence as needed. An additional iPad at each location will hopefully help relieve the amount of time that people are spending at the distribution sites.
- Lt. Roach worked with faith based organizations today reference water and filter distribution. Additional requests from churches were made and I approved the locations so they could be ready for Sunday. Lt. Roach was told by one of the pastors that he met with the Gov today and expressed how much he appreciated the efforts put forth. We should have 14 for this Sunday. We are working on how we can increase this output.
- Still concerned about people going to every fire station and collecting water/filters. NG personnel observed vehicles with several cases of water an overheard saying they were heading to the next station. Some people were helping themselves and taking more than one case at a time. Per the NG they cannot physically stop people from doing so. The NG is going to try to change staging in the fire stations to try to prevent this.
- Flint PD is going to check in every day with the EOC and provide a specific contact person. They are also going to help with traffic issues at the PODS. Will ask Flint PD to provide a presence when water is off loaded at a POD to help prevent people from "helping themselves."

Chris

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

### Update 1/14/16 – 10<sup>th</sup> Day (9<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and finalize lease on warehouse space/begin to move supplies from GCCARD to new warehouse
- Continue with door to door teams and finalize planning for future team use
- Submit request for a Presidential Declaration of a Major Disaster and Emergency
- Continue to work on long term recovery items (DHHS, DEQ, MDARD)

#### Attached Documents:

- SitRep 9

#### Status on Governor's request letter to the President:

- All documents for the presidential request have been submitted to FEMA. I had a lengthy conversation with the FEMA Region V Administrator reference the request prior to sending.

#### Key items for tomorrow to note are:

- The door to door teams will continue in the morning.
- We will continue to ramp up door to door operations with additional teams. Teams continue to focus on the high lead level areas and additional data is being analyzed to focus mission areas.
- ARC will increase the number of their Water Response Teams.
- Supply burn rates as well as projections on how many teams will be needed to put filters in all homes within 3 and 5 days will be completed. Analysis will be done to see if NG personnel may be needed to finish in quicker manner.

#### Items to Note

- DEQ was notified of the number of homes who are willing to have them take additional samples in the future (current number (114). This question was added to the App being used by the Water Response Teams. Data will be provided when needed.
- LT Gov is scheduled to be at the local EOC and SEOC (~4:30) tomorrow to see the operations.
- Secured 80,000 sq. ft. of a warehouse today. Working to consolidate all resources in one location. Tomorrow will be the first day of full implementation of our logistics plan.
- Email sent to state employees to request volunteers for weekend.
- Media monitoring showed no incorrect information today.
- Michigan Association of Broadcasters is sending PSA to radio stations.
- Coordinating with Red Cross on volunteers for weekend.
- Deployed 8 Water Response Teams to the field today (approx. 120 volunteers). 78 Red Cross volunteers active across the operation today.
- National Guard is ramping up to have soldiers per shift at each POD tomorrow. Will also have a Public Affairs Officer at the JIC and liaison at the local EOC.
- Senator Ananich visited the SEOC today to see how things operate. The visit went well and he seemed happy with the number of staff working the Flint event. He tweeted out a message indicating there is still a lot of work to be done but all are working hard.
- DHHS
  - The Community Health Emergency Coordination Center (CHECC) is working on the following:
    - A nutrition plan
    - Education materials, messaging, and working with local agencies
    - Developing a community assessment for disaster behavioral health services.
- Lined up the delivery of filters to two large apartment complexes and a student housing complex.

- We have the list of individuals needing home service (additional contacts will be sent to the Ops Chief at the Local EOC each day at 4:00). Info will be provided to the sheriff's office for action.
- Water Response Team Numbers (this is not the total of homes with filters – I will provide that number tomorrow but it appears we have filters in over half the residences):

	TOTAL	1/12/2016	1/13/2016	1/14/2016
Occupied Homes	1450	242	492	716
Vacant Homes	1967	152	161	1654
Total Homes	3417	394	653	2370
Resources				
Door Hangars	1487	217	453	817
Water	588	117	254	217
Filters	945	112	220	613
Pitchers	22	3	13	6
Water test kits	217	48	109	60
Replacement Filter	482		137	345
Total Resources Dispersed	3741			
Future sample test site	114	28	34	52

Chris

---

#### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE

#### Update 1/13/16 – 9<sup>th</sup> Day (8<sup>th</sup> Full Day) After Governor's Declaration of an Emergency

##### Mission focus for the day:

- Receive, store and increase quantities of supplies
- Prepare/approve logistics plan and close lease on warehouse space
- Continue with door to door teams and finalize planning for second wave increase (+15 teams – total for 1/14/16 will be 20)
- Continue to work on Governor's Declaration of an Emergency

##### Attached Documents:

- SitRep 8

##### Status on Governor's request letter to the President:

- All support data from state Agencies and local jurisdictions collected as of 6:00 pm on 01-13-16
- Current timeline:
  - First draft completed and ready for review by State Department Directors (including the Attorney General) by 11:00 am on 01-14-16
  - State agency reviews due back by 1:00 pm on 01-14-16 for revision of the draft
  - Revised draft to Captain Kelenske by 2:00 pm on 01-14-16 for review and forwarding to the Governor for final review
  - Final draft (based on Governor's review) submitted to FEMA Region V Administrator by no later than cob 01-14-16 but hopefully sooner. FEMA is aware and ready to receive.

Requests and potential response from FEMA/President

- The letter will request all programs eligible under the Stafford Act including Public Assistance, Individual Assistance, Hazard Mitigation, FEMA's coordination of assistance from other Federal agencies and direct assistance from FEMA
- The letter will also request potential direct reimbursement from other Federal agencies such as EPA, CDC, HUD, DHHS and SBA
- This request is in coordination with the request for Non-Stafford Act federal assistance already requested and received by the State (technical assistance and administration, but no direct reimbursement of disaster costs)
- Direct Federal assistance from FEMA in the form of Individual Assistance to homeowners for household repairs (repair and/or replacement of water service lines and Other Needs Assistance to reimburse for water filters, bottled water, etc.) is a possibility
- Direct Federal assistance from FEMA in the form of Public Assistance is not as likely as it is mostly replacement of publicly owned water distribution lines (and not the direct result of damage from a natural cause)
- If Stafford Act assistance is denied (Public Assistance, Individual Assistance and Hazard Mitigation) FEMA could still provide coordination of assistance from other Federal agencies if the President declares a disaster (or emergency) for the State of Michigan

Key items for tomorrow to note are:

- The door to door teams will continue at 9 a.m. – 5 p.m. Thursday morning and continue through the weekend.
- We will continue to ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas and additional data is being analyzed to focus mission areas.
- MNG will have a press event at the armory with incoming soldiers and MG Vadhais.

Items to Note

- Received information that Rev. Jesse Jackson will be in town 1/17/16 at 1:30 at the Heavenly Host Church of the Harvest of Dartmouth St, Flint.
- Managed and corrected misinformation on NG role.
- Senator Ananich is stopping by the SEOC tomorrow morning 0845. I am meeting with him and his Chief of Staff. Short visit as he has a 0930 at the Capitol.
- Working with Comcast so they can put teams in the field for distribution.
- Penske is going to give us 15-20 trucks over the weekend.
- Contact made with Two Men and a Truck for resources.
- Meeting set with Google where they will brief me and key staff potential tasks.
- Coordinated with Flint Mass Transportation Authority (MTA) to include Fire Station PODs on bus routes.
- Tomorrow I will have a projection as to the number of teams needed to get all citizens filters in their homes in 5 days / 3 days.
- We are standardizing team structure and supply deployment to increase efficiencies. Mission Ready Package (MRP) specifications will be sent out for other entities to assist with door to door. They will then be able to arrive as a MRP get supplies, receive a mission location and deploy.
- 5 Water Response Teams were in the field again today. Below are the numbers from the 2 days of just the Water Response Teams (there are paper copies with data still to be entered from the PODs). I was just briefed by the ARC logistics planner and there are efficiencies we can put in place to increase homes touched per day. The next version of the app will provide more granular details. Additional 30 tablets were configured by DTMB today for field implementation to include use in the PODs.

	Total	1/12/2016	1/13/2016
Occupied Homes	533	242	291
Vacant Homes	238	152	86
<b>Total Homes</b>	<b>771</b>	<b>394</b>	<b>377</b>
<b>Resources</b>			
Door Hangars	473	217	256

Water	265	117	148
Filters	235	112	123
Pitchers	9	3	6
Water test kits	92	48	44
Replacement Filter	93		93
<b>Total Resources Dispersed</b>	<b>1167</b>		
Future sample test site	62	28	34

- We show 17,276 residences with filters (this does not include data entry to be completed from POD or other locations).
  - We have 35,378 service hookups but with apartments, multi residence dwellings, etc we would be around 45,000.
- Logistics Support
  - The American Red Cross Logistics Planner provided me a brief and I approved the plan forward. The current plan includes:
    - Mission – A filter in every home ASAP.
    - 4 Distribution Methods
      - PODs (5)
      - Water Response Teams (20 effective tomorrow and this will increase)
      - Local EOC “Hot Shots” (these are calls for functional needs, unable to get to a POD location due to ??, etc). Personnel dispatched with supplies.
      - Local EOC support for other local requests (Faith based for distribution, etc.)
    - Three warehouse locations at this time
    - How to better leverage ARC resources
- Supplies – Daily Numbers
  - Replacement Cartridges - 30,700 delivered.
  - Water (cases) - 19,152 cases delivered
- Budget projection completed and will be submitted to SBO for review.
- Notes from Water Response Team Command (MSP)
  - Very good synergy between Flint Post troopers and Genesee County Sheriff command and deputies in effective and efficient deployments for distribution efforts.
  - Great attitude and efforts by uniforms and volunteers to make important contributions to the City of Flint on water response team deployments.
  - Clear direction and coordination in the field of supply teams by lieutenants and troopers. No confusion. Clearly defined roles.

**All personnel continue to be fully committed to fixing this as quickly as possible.**

Chris

---

#### Update 1/12/16 – 8<sup>th</sup> Day (7<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

I apologize in advance for the length of this report. With the supply issues we had the last couple of days I wanted to share our inventory plus what we anticipate to ensure we do not have supply issues.

Mission focus for the day:

- Receive, store and increase quantities of supplies
- Fine-tune logistics
- Increase and deploy door to door teams (4 state teams added to teams from the Sheriff's Department)
- Increase collaboration and messaging of collaboration with local agencies (specifically the Sheriff's Department)

#### Attached Documents:

- SitRep 7
- Executive Order Activating the National Guard

#### Key items for tomorrow to note are:

- The Governor signed an Executive Order activating the National Guard. Mission will be to relieve ARC volunteers at the PODs (Fire Stations) which will free up the ARC volunteers for door to door activities.
  - I have briefed the ARC Disaster Officer on this plan.
- The Governor requested, through FEMA Region V, support from the Federal Emergency Management Agency (FEMA) to bring together and identify other federal agencies that may have programs and funding that could be dedicated to assisting Flint as part of an interagency recovery plan. One of the existing LNOs has been identified as the POC for this. He will be a great liaison for the FWIACC.
- The door to door teams will continue at 0830 Wednesday morning and continue through the weekend and ramp up door to door operations with additional teams. Teams are focusing on the high lead level areas.
- We will look at all commodities and see where we are and where we need to be while working with the ARC logistics specialist.

#### Items to Note

- PSA video sent out to Flint citizens on resources available.
- Water
  - Today's numbers - 7,824 cases of water arrived today, 1/12/16 (109 pallets)
  - Ordered:
    - 19,152 cases of water are going to arrive Wednesday, 1/13/16 (266 pallets)
      - 1/3 is going to GCCARD and the rest is going to the new warehouse
    - 12,768 cases to arrive daily beginning Thursday through Saturday (177 pallets a day)
- Filters
  - Today's numbers
    - Ordered on 1/11/16 and delivered 1/12/16 direct to GCCARD
      - 2,000 – Brita filter faucet mounts
    - Filter Replacements
      - 2,400 – Brita filter replacements (single pack)
      - 8,000 – Brita filter replacements (two pack)
  - Ordered on 1/12/16 to arrive Wednesday
    - Faucet Mounts – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
      - 10,000 – PUR Vertical faucet mount
      - 2,500 – PUR Horizontal mount
    - Replacement Filters – To be delivered direct to GCCARD on 1/13/16 (Wednesday)
      - 10,000 – PUR replacement filters (3 pack)
      - 10,000 – PUR replacement filters (single pack)
    - PUR Combination Pack – to be delivered to GCCARD on 1/13/16 (Wednesday)
      - 10,700 – PUR combo packs
- To arrive Thursday
  - Zero Water Pitcher (8 Cup) – Delivering direct to GCCARD on 1/14/16 (Thursday)

- 1,300 – Zero Water pitchers
  - Faucet Mounts – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 11,000 – PUR vertical faucet mount
    - 1,500 – PUR Horizontal faucet mount
    - 5,000 – Brita faucet mount
    - 10,000 – Brita adv faucet mount white
    - 12,000 – Brita adv faucet mount chrome
  - Replacement Filters – Delivering direct to GCCARD on 1/14/16 (Thursday)
    - 117,600 – PUR replacement filter
- Test Kits
  - 6601 unassembled kits arrived at GCCARD today, 1/12/16.
  - 500 have been assembled and are ready for distribution
  - 1000 additional unassembled kits have been ordered to be delivered at GCCARD (no ETA yet)
  - 10,142 unassembled kits to arrive at GCCARD early next week
- Second warehouse – Located in Flint
  - 100, 000 square feet of secure warehouse obtained.
  - Accepting commodities beginning Wednesday, January 13
- Logistics Support
  - The American Red Cross Logistics Planner arrived from DC today as requested. I outlined what her mission was and how I saw the progression forward. This logistics planner will assist in streamlining the inventory and distribution process now and into the future.
- Door to Door Numbers
  - Today the app implementation for the field went extremely well. There were a few issues that were quickly addressed. One related to how form fields should be filled out. Another was getting styluses for teams so that they don't have to remove their gloves in the cold. All very simple to fixes.
  - We are working on version 2.0 so this can be used at the PODs
  - We should be able to greatly optimize distribution in the near future as we mapped the active water subscribers from Flint's DPW and are adding them to the field team members apps. Of the ~56,000 possible addresses, this reduces the number of possible homes to visit down to ~29,000.
  - Notes from the field commander:
    - "Today we started out the day using two groups that consisted of approximately 10 people in each group. We eventually combine groups with Genesee County Sheriff's group and they brought two more groups with approx. 10 people (Local UAW) in each group. This made us a lot more efficient and we were able to set up a game plan. Tomorrow I feel we will be more efficient and we will have a better plan in place to get the maximum output out of our resources."
  - In the end, there were 394 total home visits with the following breakdowns:
    - 217 Door Hangers
    - 152 Vacant Homes
    - 117 Water Distributions
    - 112 Filters
    - 3 Pitchers
    - 48 Water Test Kits
- 211
  - CALL VOLUME:
    - 185 calls for water-related issues had been received as of 4:45 pm.

- Logistics made contact with Comcast and will be supplying them with filters and replacement cartridges for their deliveries in their work trucks as they make services calls. They will follow our procedures for reporting (our checklist).

Chris

---

### Update 1/11/16

The focus today was the media event and getting the supplies and logistics on track. Most of the activity today was working on logistics for the water and other supplies.

### Attached Documents:

- SitRep 6

### Key items for tomorrow to note are:

- The door to door teams will start at 0830 Tuesday morning. It is reported that troopers are going to the door but DHHS employees are the lead with a troop car nearby.
  - State and local GIS created an App today for the teams to use tomorrow but I see potential use at distribution sites.
  - The App data will be used for our maps as we survey the public/distribute supplies and we will be getting real time metrics through the site from the field send back to the SEOC. We are using Android tablets tomorrow but in the future can use any mobile device for this.

### Items to Note

- It was reported that only one POD (Station 5) was out of water longer than 30-45 minutes. This site was ~2 hours without water and part of that was the truck went to the wrong station. Trucks were sent as soon as the local EOC was notified.
- We also did not receive a DHHS shipment that was to come in which caused some filter delivery issues.
- Supplies are limited at this time; however, we are getting our shipments starting at 0630 tomorrow.
- We have Home Depot giving us 12,768 cases (this was a late development so the SitRep indicates half the amount) of water every day starting tomorrow. We are still working with other distributors too.
- ARC is flying in a logistics planner tomorrow. Three additional staff will be with her to shadow and help. We are turning warehouse logistics over to ARC logistics. We are moving tomorrow to a process that has a distribution center (GCCARD) and a warehouse that is 100,000 square that will maintain mass quantities. Staff has continually been placing orders for supplies to ensure we get a head of this. The intent is to keep the warehouse full so we do not have these continual issues of supplies.
- Began mapping lead service lines (anticipate having draft of lead service lines Friday).
- Coordinated with local IT managers overseeing filter tracking system to streamline data collection.

### Local Emergency Operations Center

- Working to coordinate resources at the local level to maintain adequate supplies at all PODs.
- Demand has exceeded supplies and supplies are moving rapidly from PODs today. Working to make sure POD managers notify us when they start running low.
- Working to establish a warehouse for local resource storage.
- Established trigger points for resources at PODs and hourly inventory reporting from the PODs.
- Discussed potential long term water sources between local EOC and SEOC.
- Established planning cycle/meeting scheduled for 1/12/16.
- Local EOC EMHSD staff with Natasha Henderson to request deployment of City representative at local EOC.

Chris

---

## Update 1/10/16

### Attached Documents:

- SitRep 5
- Door card (English version but Spanish version will be ready for Tuesday)

I have a local EOC section listed below but state personnel are heavily engaged in management of both locations. We occasionally hit some road bumps with this event but all personnel are working well together to accomplish our goals (especially state agency personnel).

I have had good discussion with FEMA LNOs. Two statements have been developed from our discussions that hopefully helps put this in more context but if it is more confusing I apologize:

1. In the immediate response, the State, in collaboration and coordination with city of Flint and county of Genesee are working to get water, water filters, and testing kits to the affected population. In conjunction, the state will coordinate with federal agencies to ascertain what resources can come to bear to help mitigate the issue.
2. If asked about a federal declaration from FEMA, we need to articulate the definition of major and emergency declaration and state or note to ourselves that it appears to not qualify; **however**, there may exist opportunities to leverage federal assistance from some agencies (i.e....EPA) under their own authority to help address this issue.
  - We need to really manage expectations on the potential for a federal declaration...not that we will not go after one but it will be difficult to get.
  - A major disaster is defined in the Stafford Act as any ***"nature catastrophe (including hurricane, tornado, storm, high water, winddriven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, snowstorm, or drought) or, regardless of cause any fire, flood, or explosion.....causes damage of sufficient severity and magnitude, to warrant major disaster assistance.....to supplement the efforts and available resources of States, and local government....."***
  - An emergency declaration is ***"is any occasion or instance for which, in determination .....assistance is needed to supplement State and local efforts and capabilities to save lives and protect property and public health and safety or to lessen or avert the threat of a catastrophe....."***
    - This is limited to immediate and short-term assistance (I hate to put times on this but short-term is like 3 weeks), essential to save lives, protect public health and safety and property.
  - Severity of the situation is ***"A finding that the situation is of such severity and magnitude that effective response is beyond the capability the state and affected local governments, and that the state requires supplementary federal emergency assistance to save and to protect property...."***
  - Nature of assistance for Emergency Declaration is for ***"Debris removal, emergency protective measures, direct federal assistance...."***
    - Debris Removal = *self-explanatory and we do not have this*
    - Emergency Protective measures = *water, commodities, transportation (remember ... to supplement what the locals and state are already doing if we need more)*
    - Direct federal assistance= *what specific type of work is requested, and what are the reasons why the state/local government cannot perform or contract for performance. Essentially what is the need that state/local govt cannot provide. I can see this being something we need but we may be able to get this outside a federal declaration under the federal agencies own authority to help address this issue.*

Back to the update...

#### Key items for tomorrow to note are:

- Training is occurring for the door to door teams scheduled for Tuesday morning.
- Deploying an additional MSP District Coordinator to the local EOC for command and control support.
- Deploying two DTMB trucks and two drivers for sustained logistical support for the week.
- Media event with the Governor in Flint.
- New Incident Action Plan starts (1/11 0800 -1/13 0800 operational period). Our objectives are as follows:
  1. Ensure all households within impacted community have required resources.
  2. Ensure accurate tracking and accounting of all commodities.
  3. Improve and maintain public information strategy.
  4. Develop a long term public health and services plan.
  5. Ensure adequate staffing to support operational requirements.
  6. *Identify possible assistance programs.*
  7. Develop an approved GIS strategy.
  8. Maintain coordination between partner agencies and organizations.
  9. Enhance situational awareness and common operating picture of all activities.
  10. Develop a comprehensive Recovery Plan.

#### Items to Note

- All 9 churches had filter systems/replacement filters, information sheets, and water test kits delivered as requested by each pastor/reverend on Sunday. We did not think we could get them water due to the limited time but we did end up getting water to all 9 churches with the other items.
- Fire station resource locations stayed open from 9a to 9p and will continue with those hours until further notice (Staffing is in place until Saturday). ARC is staffing these locations.
- The media event was held at Fire Station No. 1 and report back is that it went well and the spirit of collaboration between local, state, non-governmental partners is strong was relayed.
- The four door to door teams will have the hours of 8:30 a.m. to 5 p.m.
  - Each will have logistics support from DTMB, security from MSP, and contact personnel from DHHS.
  - The door card is attached that will be left if no one is home.
- Worked to identify a storage location within the City of Flint for water and supplies. G-CARD is identified as temporary location but we are moving toward a state run warehouse operation (looking at private sector partners to assist, especially with the warehouse management side).
  - GCCard is large enough, centrally located and comes staffed. GCCard has 75,000 sq ft with warehouse managers to assist with tracking resources coming in and out.
- GIS will provide us daily updates of how much was distributed each day but note we have a delay in data entry from delivery to entry in the GIS system. Over the weekend there was a problem locally with staffing to get this completed. A solution is in place and will be implemented so we get timely data. Distributed to date (as of 1/8/16).
  - 12,386 filters
  - 1,985 replacement filters
  - 354 Pitchers
  - 2500 Lead Testing Kits
- Establishing and tracking of resources is a priority. Staffing has been assigned to get a good handle on these to ensure distribution sites maintain an appropriate level of inventory. I have requested trigger points get put in place so we do not get below certain levels in the main warehouse location.
  - Contacts with some large water distributors have been made and their and our logistics chiefs will connect first thing this week.
  - We have ordered an additional (expedited delivery with ETAs tomorrow)
    - 40,000 Brita Filters
    - 40,000 Brita Replacement Filters
    - 1000 Zero 8-Cup Pitchers
    - 1000 Zero 8-Cup Pitchers
    - 2000 PUR Replacement Filters

- 93 Pallets of water (about 6700 cases)
- GIS continues to produce multiple maps for use.
- JIC Items
  - Requested PSA on the radio. Media has been approved and working with MAB.
  - Requested JIC to contact Comcast and Dish Network for availability for continuous running of filter install/replacement and test kit video.
  - A news release will likely going out tomorrow regarding canvassing in neighborhoods. Continued social media messaging.
    - Tuesday – embed state PIO with one of the canvassing teams to liaison with media.
    - JIC moving tomorrow to Flint.

### Local Emergency Operations Center

I am providing you some information on some issues we ran into at the PODs. This has been addressed with additional state resources and processes put in place so we do not run out of resources. Public concerns/complaints have not been brought to my attention at this time. Staff is working very hard to ensure we do not run out of supplies at the PODs and they understand the consequences. No one in the Local EOC or State EOC is happy the following occurred and I felt you should know in case it is brought up. Again, I believe we have fixed this and I take full responsibility for any supplies not being on site.

### Fire Station Inventory Levels:

#### Station 1:

- Only time without supplies - 15 minutes without water while the truck was unloaded.

#### Station 3:

- Ran out of replacement filters around 7:00, replacement filters delivered around 7:30. Had to pick up replacement filters from Home Depot and deliver.

#### Station 5:

- Ran out of water around 5:00, water was delivered around 6:30. We needed to find additional trucks because DTMB drivers were over hours. The ARC stepped up and found a truck to go and pick up a pallet of water and deliver.
- Somewhere between 4:00-6:00 they ran out of lead test kits. No way to restock these because City facilities were closed and could not reach anyone.

#### Station 6:

- Around 5:00 ran out of water, filters, and replacement kits. Replacement kits were delivered around 7:30. Additional water and filters were delivered after 9:00 due to the DTMB drivers heading back to Lansing. Food Bank was called and had to get drivers in to operate trucks, pick up water from the School District load and deliver to all sites. Delays occurred with weather conditions and needing to use last minute sheriff EOC staff to load due to issues with City workers. City workers were scheduled to help and left around 7:00 without helping.
- 2 pallets of water were dropped off in the afternoon and within 1 hour were gone. This was much faster than we expected. On 1/9 they didn't go through 2 pallets of water at any station for the hours 9:00-4:00.
- We received news that a reverse 9-1-1 call notified residents of water which caused an unanticipated amount of people obtaining water. There was also a report of 1 person walking out with 2 cases of water and trying to sell in the parking lot.

#### Station 8:

- Around 7:00 ran out of filters and lead tests. Filters were delivered around 8:00 from the food bank trucks.
- Hourly reports were requested in the morning from volunteers but this information was not received as to the status throughout the day. Early inventory of supplies took between 1 hour-1.5 hours to receive in the EOC. We were not advised of low counts, just zero numbers.
- Reports received that the last couple of hours were slow.
- Residents were advised of the other sites and the opportunity to obtain supplies.

#### Restocking Plan

- United Way set up meeting with Food Bank to discuss.
- Had EOC meeting on this topic to discuss options.

#### Churches:

- All 9 churches received waters, filters, and informational bulletins.
- Lt Roach received positive feedback from 3 of the pastors.
- No complaints were received.

#### Signage:

- Provided information to SEOC on signage requirements at the fire stations.

#### Storage:

- Researched storage spaces; established temporary site at GCCARD.

#### Personnel:

- Lack of local EOC leadership (seems somewhat checked out) with IC and Deputy IC (doing an okay job).
- Captain TaFoya (Genesee County) helped tremendously today with all the plans outlined above and attended the press conference.
- Tina Martinez at the Food Bank and Matt Purcell at GCCARD were extremely helpful in getting last minute operations set up.

Chris

---

#### Update 1/9/16

SitRep 4 attached for more in depth information. The below only contains some items worked on today and while the format in the attached SitRep is not perfect (it is created automatically by MICIMS) it does contain a lot more information you may want to read. I also attached one of our maps. It is our filter distribution map. All filters handed out by anyone working with us feeds into this now. We are continuing to refine these and at this time there is a delay in the upload of address data but we are working on it. We have a ways to go to get filters in every home but this will help direct us to those who need still them. We also are working on identifying abandoned homes.

#### *Key items for tomorrow to note are:*

- 9 churches will have ARC volunteers and filters for distribution. Some may also get water.
- 5 fire stations are a distribution point for water, filter systems/replacement filters, and water test kits. While only open today until 4 p.m., tomorrow and until further notice they are open from 9a to 9p.
- Media event will take place on the above tomorrow.

#### Items to Note

- 211 has some issues with call load but it is being worked on. 2-1-1 Director contacted MDHHS PIO to discuss/resolve caller wait times and messaging. We anticipate an increase in activity tomorrow in 211 calls so we requested and received an increase to staff 211.
- We are shifting tasks the SEOC took on that are handled more effectively and efficiently at the local EOC. We have established command and control in their EOC. We are running things there but that is not being made public. We are doing this in partnership but we are clearly handling the operation with state personnel oversight.
- A 3rd FEMA LNO arrived today upon my request. This has nothing to do with a Presidential request for a declaration but support for some other items I want worked on for long term recovery.
- We continue morning calls with the local EOC leadership and local emergency manager on what our goals for the day are as well as any issues/concerns.
- Five 5 fire stations have received water, water filters, replacement cartridges, and water testing kits with American Red Cross personnel at each location to assist with delivery of resources and collection of addresses receiving

them. These locations will be open from 9a – 9p daily until determined they are no longer needed. Those picking up water testing kits will be advised that they can return the test kits to the fire departments (where they will be picked up and taken to the Flint City Hall), the Flint Water Treatment Plant, or they can take them directly to the Flint City Hall. For those unable to return the kits, 211 can make arrangements for pick up the kits. We understand response to these sites has been positive thus far. The Genesee County EOC will be monitoring these supplies and request replacement of products as needed.

- A call is going out tomorrow morning to advise this information ... I do not believe it was every resident but Tori Sachs has that info if needed.
- I approved a press release today to advise the public that all levels are working together to ensure delivery of filters, test kits and water; noting that all of these items were delivered to the 5 Flint fire department stations. It was stressed that the public should be aware that the local and state agencies have been working cooperatively to assist the residents - and will continue to do so. This was done to hopefully end or at least minimize the “who can get water and filters out first” when all of this has been connected with the state and coordinated since the state declaration was put in place.
- The arrangement of 2,000 filters, to be taken to 9 local churches on Sunday, January 10, is ongoing. The filters have been secured; they are now in the possession of the DTMB. DTMB will return to Flint on Sunday morning to deliver these to necessary locations. The American Red Cross will be on site at each church to assist with distribution and recording addresses (for GIS). The local EOC is working to ensure these arrangements are complete and run smoothly. Future engagement with the faith based community will occur to assist with additional distribution.
- A Flint City liaison has not been in the EOC but starting Monday this will be in place to keep the Flint Mayor apprised of activities being conducted in the city. She also has been advised she can call me at any time if she needs anything.
- Training has been confirmed for the door-to-door operation scheduled to start Tuesday. Four teams are initially scheduled with more to potentially be put in place. These are the teams that will be handing out water, filter systems/replacement filters, test kits and information. If nobody is home, a door hanger with information is being left. DHHS personnel and one MSP trooper will be on these teams.
  - Training will take place at 1 p.m. on Monday afternoon at the DHHS office on Clio Road. DEQ and DHHS will provide the training.
    - Training is so those going door to door can explain what the filters do, how to install them, if they need install help to call 211 who has a list of people who can install the filters, and answer any other questions versus just handing them the filter.
  - Hours of operation will be Tuesday through Friday from 8:30 a.m. to 5 p.m. AT THIS TIME. I am reevaluating these times to increase contact with someone versus just leaving information.
  - Logistics are being finalized for the teams and trucks to handle stocking and re-stocking of materials during daily operations.
  - GIS maps will provide guidance on deployment locations for these teams and other teams in the field.
- A pilot project at Freeman Elementary with LARA and DEQ has been initiated to see if replacing certain plumbing components in faucets at the school will drop the lead level.

#### MSP/EMHSD GIS Section Updates

##### Accomplished Today (January 9):

- Produced a Point of Distribution Map. Contains four types of distribution points; Churches, Water Resource Sites, Filter Distribution Sites, Water Distribution Sites.
- Produced Filter Distribution Map.
- Developed process of how best to handle geocoding the household filter locations, worked on processing the data.
- Worked on map of franchise customers outside of Flint City.
- Produced maps for MDARD on food establishments and Local Health Departments.
- Produced map of Church Filter Distribution map for DTMB.

#### Local Emergency Operations Center

- The state has deployed 10 personnel to the Genesee County EOC to ensure we have command and control at the local level. On 1/8/15 The state personnel took over the incident management functions of the Genesee County EOC (not public). The arrival of additional staff allowed the local Emergency Management Coordinator to delegate tasks which relieved a tremendous amount of stress.
- Additional Sherriff staff ( ) will be shadowing the state incident management team to allow for transition to the county personnel later in the incident when we are comfortable with them handling things. Not sure when that will be but we have secured a direct bill hotel for staff to stay in Flint as long as needed.
- With the additional staff, the Local EOC will be able to take over functions previously handled by the SEOC including:
  - Logistical activities to support church operations.
  - Logistical activities to support fire stations operations.
  - Coordinate Donations Management activities and draft donations management plan
  - Coordinate Volunteer Management activities
  - Identify local storage/staging facilities
  - Overall inventory tracking
  - Tracking of Points of Distribution (PODs)

Chris

---

INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

Update 1/8/16

SitRep 3 attached.

There is a significant difference in what is being presented by the media and what the local EOC is relaying to us at the SEOC. It is also being driven by the media that this is a state versus local response (who is providing more and quicker versus a coordinated effort between all). That said, I advised SEOC personnel that perception is reality in some eyes and we are to move forward to address items that typically are addressed at the local level. I have ordered the SEOC open all weekend due to make the quick wins that we need and continue to get the coordination and collaboration in place that is needed (but make gains on our own as needed).

#### Items to Note

- Two FEMA LNO’s arrived today and are in the SEOC. A third LNO was requested from FEMA due to some unique issues with this event to include having to deploy more of my staff to the local EOC to get more structure and/or find out why there is an issue with the message the media is showing versus what we are hearing from the local EOC
- We finally received from the local EOC 8 locations (we were told originally early in the week they had 80-90) that are their Points of Distribution (PODs) for water in conjunction with the local food bank. The PODs are not getting water from the food bank even though the food bank has water. We are going to resolve this issue as we can help deliver the water to the PODs but we were not aware of this. 8 PODs is not enough locations if water needs to be distributed to citizens. Speaking with the ARC Regional Administrator later today, I believe ARC got water to those locations but I need to confirm that in the morning. The food bank reported they had 376 cases of water.
- We have learned that a low number of residents are testing their water when DEQ can test 400 kits per day. This is an added focus that we believe can be increased through dissemination of test kits with the filters and any water.
- I found out the Mayor was okay with using fire stations as distribution points for water, filters, and water test kits. While this did not come to me through the local EOC, I advised we needed to get water, filters, and test kits to these locations for tomorrow. The distribution at 5 Flint Fire Department stations has been coordinated to be in place by 10:00 am tomorrow morning.

- DTMB has provided a truck and driver to pick up water test kits from DEQ lab in Lansing, water from the Food Bank and water filters and replacement cartridges from GCARD in Genesee County.
- 10 American Red Cross (ARC) volunteers will meet the DTMB truck at GCARD at 9:00 am to be provided information about filters. Instructions will be included in water test kits. They will then report to the 5 fire stations to assist in distribution of resources to the public and track addresses of same.
- Residents will be told where they can drop off their water test kits, or that they can return them to the fire station the next day. *Coordination will occur on pick up of water test kits daily to be taken to the Flint City Hall, who will then delivery them to the DEQ testing lab.*
- STILL FINALIZING - We have made available 2,000 Filters for distribution on Sunday as parishioners leave mass/services. This will be 200 filters for 10 churches in Flint. While this is a small number of churches, we do not want to waste an opportunity to hand out filters and this seems like a quick way to so. The filters will be put on the DTMB truck on Saturday for delivery to TBD locations for distribution. Logistics remain undetermined as I am still waiting on a list of the churches, pastors/reverends/hours or services/etc. The DTMB truck will be returning to Lansing approximately 11:00 a.m. so we need to finalize this quickly on Saturday. We may utilize ARC to assist with this.
- The Recovery branch is working with the JIC to develop a door hanger card. DTMB is working on the printing portion of the hanger card. Recovery will also be finalizing logistics over the weekend for neighborhood canvassing to occur *early next week. 40 volunteers have signed up to attend training on Monday afternoon to complete this task.* The mission will be to deliver water sample kits along with water filters/replacement cartridges, and water.
- It appears that 211 has become overloaded. DHHS is researching ways to increase capacity for calls.
- A Volunteer Management Coordinator is in the Genesee County EOC as of today.
- A Donations Management Coordinator has been requested and she will be in the Genesee County EOC Saturday.
- DHHS had a conference call with GM today; they indicated they can provide cash, and supplies, but primarily manpower. No commitments were made at this point. We inquired as to availability of warehouse space and trucks. It was left as GM being a major resource pool that we can tap into as we determine missions. Further conversations will occur, but primarily GM just wanted us to know they are there if needed.
- An additional EMHSD staff member was sent to the Genesee County EOC to act as Operations Section Chief and obtain awareness of the situation there.
- GIS staff met with various parts of Genesee County/Flint personnel to try to get a handle on data available.
- GIS continues to work with local GIS personnel with three GIS staff going to Flint today to work with them. GIS staff is working with U of M on how best to proceed with digitizing water lines for long term recovery.

Chris

---

#### UPDATE 1/7/16

A summary of some of today's SEOC activities is provided below. Attached is the following:

- Today's SitRep which contains more information than below.

- The resource request/task assignment sheet for your situational awareness. This is how locals request resources as well as how we track resources and any assignments and/or tasks that are to be completed.
- JIC Task Tracking – for your situational awareness on how we are tracking requests and assignments. Once someone is assigned a task or resource request it allows them to document what work has been or will be done as shown at the bottom of the document.

#### Items to note:

- I received a document this evening from Genesee County which appears to be damage assessment information. Analysis of this will occur tomorrow. It appears to be infrastructure and costs to fix it and no other impacts.
- I spoke with Jamie Curtis, Genesee County Commissioner, this evening. A very good relationship is in place with him, especially with our District Coordinator (DC). I also have our DC working on developing stronger relationships with the Mayor/Mayor's office.
- GIS staff continue to obtain data and work with County and City personnel to get a picture of where resources have been provided, need to be provided, as well as infrastructure locations (pipes) that could be affected.
- Personnel and agencies have been tasked with developing a plan to get people in the community to deliver information, hand out filters, etc. This would target those areas we are showing minimal or no filter distribution based on the data we are collecting. The plan is to get them in the field by Tuesday and the plan will be provided to me tomorrow.
- Filters can be obtained at the following locations:
  - Michigan Department of Health and Human Services office, 125 E. Union St., Flint, MI 48502
  - Michigan Department of Health and Human Services office, 4809 Clio Road, Flint, MI 48504
  - Genesee County Community Action Resource Department office, 2727 Lippincott, Flint, MI 48507
  - Genesee County Community Action Resource Department office, 601 N. Saginaw, Flint, MI 48502
- Conducted briefing with local EOC and county executive.
- Conducted briefing with state agencies (daily updates).
- Began work to schedule legislative/congressional conference calls. Tentatively scheduled for 2 p.m. Friday.
- JIC continued to develop messaging.
- Provided input to local EOC regarding best methods of identifying health and non-structural impacts for damage assessment process.
- Deployed two EMHSD/SEOC liaisons to assist the local EOC.
- Published the Incident Action Plan and continued assignment of objectives/tasks.
- FEMA Liaison Officers just arrived in Lansing to assist command and general staff.
- I spoke with Harvey a few times and he should have talking points later tonight or tomorrow a.m. for his use and also for others who may speak to media outside of state government who may benefit from our messaging.
- We held a media round table at 1 P.M. at the SEOC. Dr. Wells and I spoke and answered questions to numerous media outlets.
- Local agencies and NGOs continue to provide water and filters to citizens.
- The website, [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater), was update with information and links to assistance to include 211. Additional recommendations were provided to include information on the testing water in homes.

#### EMHSD GIS:

##### Accomplished Today:

- Reproduced Socio-Economic Status Map
- Reproduced Predicted Affected Populations Map
- Cleansed old data and reports for water filter distributions
- Created draft map of water filter distributions (Refinement needed before releasing final product)
- Scheduled on-site visit with Flint GIS Department and Genesee County GIS Department
- Formatted databases to host content

- Researched service line database creation and scheduled meeting with U of M Flint to discuss timelines and resource needs
- Generated water infrastructure map (does not include building service lines)

#### Tasks for Tomorrow:

- Meet with Flint City GIS
- Meet with Genesee County GIS
- Meet with U of M Flint GIS
- Finalize water filter distributions map
- Finalize plan for data distribution methods

Chris

---

#### UPDATE 1/6/16

A summary of today's SEOC activities is provided below. I tried to distill this as best I could but there has been a lot of activity and discussion to get an accurate assessment of the situation. Attached is the final draft of objectives and tactics for the operational period and agency situation report (SitRep) which has more SEOC agency information. I have implemented weekly operational periods.

Advise if you want anyone else copied or off this distribution.

#### Daily Update

- Set goals for SEOC and identified response/recovery emphasis
- Requested FEMA liaison officers (LNO) from FEMA Region V. Two LNOs will be on site by ~3 p.m. 1/7/16. Both are known contacts to me and some staff and one has worked extensively with me during the SE MI flooding in a command and control position. These personnel have been specifically tasked with this mission. **THEY ARE NOT HERE TO ASSIST WITH A PRESIDENTIAL DECLARATION REQUEST BUT TO ASSIST ME.**
- PIOs from multiple agencies were here and established the Joint Information Center (JIC). News released pushed out on this. I am very happy with the PIO work and movement toward coordinated messaging.
- Held briefing for State Agency Emergency Management Coordinators, which included presentations from DEQ and DHHS subject matter experts to ensure situational awareness and to develop a common operating picture.
  - I opened the briefing by identifying our initial goals, items to think about while subject matter experts were briefing us, and how we are to move forward, find quick wins, and regain trust.
  - **MDHHS – Elevated Blood Lead Levels**
    - Dr. Elizabeth Wells gave an in depth summary of lead poisoning and what has occurred in terms of health monitoring throughout the Flint crisis.
  - **MDEQ – Water Testing Protocols**
    - Mr. George Krisztian of MDEQ gave an in depth summary of the testing protocols and summary results that as they have developed throughout the emerging crisis.
- Developed Incident objectives, strategy and tactics (see attached)
- Identified SEOC and state agency staff positions
- Assigned work tasks for SEOC operation period from 0800 January 6, 2016 to 1700 January 8, 2016
- Reviewed planned actions, prepared final draft Incident Action Plan
- Made contact with the Genesee County Emergency Manager first thing in the morning and held a conference call mid-day to discuss roles. Daily 0830 command conference calls with local EOC command staff starts tomorrow. Tomorrow's call will include the County Commissioner and the City Administrator (both invited). Topics include the incident action plan objectives and establishing better local coordination,

This information is being shared for situational awareness. I haven't seen any posts to indicate this will be anything other than a peaceful gathering.

Thanks,

Sue

**Attachments:** Wurfel-to-Hollins-Email-Legionnaires\_Published\_2-4-2016.pdf

All:

For your situational awareness. An email has been posted publically purporting to show that Harvey Hollins, a principal advisor to Governor Snyder, was aware of an uptick in Legionnaires disease in Genesee County and that a county health official was attributing the cases directly to the Flint River as the source of drinking water in Flint.

Progress Michigan just posted the information on their web page and to Facebook. I have attached a copy.

Importance: High

OK D-

This is the second issue I mentioned earlier today.

In December, our staff became peripherally aware that the hospitals in Genesee were seeing an uptick in Legionnaires cases.

Legionnaires is a water-borne illness. It essentially is a type of pneumonia caused by a bacteria. It is treated with antibiotics. Untreated, it can be deadly. It most often manifests in nursing homes and assisted living facilities, because the transmission is through water vapor getting into lungs – via air conditioners, vaporizers or low-flow shower heads that produce a lot of misting. You can drink water with this bacteria in it and not get sick – it has to enter the lungs in vapor.

I don't have any details on the cases, but here is what I understand to this point:

- More than 40 cases reported since last April. That's a significant uptick – more than all the cases in the last five years or more combined.
- April / May is usually the start of Legionnaires season – it proliferates in warmer months – but April also is the point at which the city switched to the Flint River as a source.
- County Health Departments are supposed to perform epidemiological tracebacks on all confirmed cases of this disease, to locate the source and address it. Genesee County Health had not done this work as of November. At a January meeting with area hospitals, MDCH, DEQ and others, Nick Lyon reportedly directed the county health folks, in terms not uncertain, to get this done as a priority. As I'm sitting here today, it still is not done to my knowledge.
- My counterparts at MDCH informed me today that they cannot step in unless they are invited or unless the outbreak is multi-county. They've not been invited until, I believe, today. That may be in part because of the email string and letter I've enclosed here, which was unknown to MDCH until I shared it over to them.

The email thread below is best read bottom-to-top, and read prior to reading the enclosed FOIA to the city.

Essentially, Jim Henry with Genesee County Health is putting up the flare. He's made the leap formally in his email that the uptick in cases is directly attributable to the river as a drinking water source – this is beyond irresponsible, given that is his department that has failed to do the necessary traceback work to provide any conclusive evidence of where the outbreak is sourced, and it also flies in the face of the very thing a drinking water system is designed to do.

DEQ did not receive this FOIA, which appears designed to buttress his position in the email -- that sections of the water delivery system may be harboring this bacteria. We think it would be highly unlikely that anything would be found around the plant, where the water is treated. Most often, this bacteria forms at the building / residential point in the system. Legionnaires is NOT among the 90 water contaminants screened in the Safe Drinking Water Act, but in the absence of action by county health, our staff are now considering taking samples from various points in the system and working with DCH's lab to test for it, if for no other reason than to rule it out.

Regardless, the accusation is serious and the nature of the communication leaves me thinking we would be advantaged to bring together all the agencies asap to share what information we have and develop a response / screening strategy before the weather gets warm again.

I realize these are long emails. Thanks for your patience.

b

Brad Wurfel

**Subject:** FW: Information Request and Documentation  
**Importance:** High

The district received this late Tuesday.

Steve Busch has indicated that the district has not received a meeting request from Jim Henry or the Genesee County Health Department as indicated in his email below.

The FOIA is specifically directed to the City of Flint not the DEQ.

While the change in source may have created water quality conditions that could provide additional organic nutrient source to support legionella growth, there is no evidence or confirmation of legionella coming directly from the Water Treatment Plant or in the community water supply distribution system at this time.

Seems like the next step is to communicate with DCH and possibly develop a joint strategy/response. Not sure who in Exec wants to take the lead on this. Steve Busch and Mike Prysby will continue to be lead for us on this. They have been in contact with DCH recently but only to learn that little progress has been made in identifying a source or sources for the illnesses.

**EMAIL FROM DEQ TO HENRY SENT THIS AFTERNOON:**

Mr. Henry,

The January 27, 2015, FOIA request you provided was directed to the City of Flint, not the DEQ. The DEQ has no record of a FOIA request from your office for such information. It is our understanding that the City has responded to your FOIA request, has helped you adequately redefine your request within the City's scope of public record to address such ambiguities as "any additional areas of concern", and provided you with additional information beyond the scope of your request.

The DEQ fully recognizes the public health threat posed to individuals that contract Legionnaires' Disease with the understanding that the disease is not contracted by ingestion of potable water and therefore not regulated under the federal Safe Drinking Water Act. Your email below claims that you have explicitly explained the situation to our Department. However, since contacting our office early last October to indicate a rise in cases, we have not received any further information regarding your epidemiological investigation into this matter.

Further, conclusions that legionella is coming from the public water system without the presentation of any substantiating evidence from your epidemiologic investigation appears premature and prejudice toward that end.

It is highly unlikely that legionella would be present in treated water coming from the City of Flint water treatment plant given the treatment plant's use of ozone along with complete treatment and chlorine disinfect contact time to comply with federal surface water treatment rules for potable water. Detections of total coliform or heterotrophic bacteria in the City's public water distribution system indicate an environment where bacterial growth may be supported. However, there is no direct correlation that can be made to the presence of legionella. While total organic carbon levels in potable water may serve as a food source for bacteria growth in private plumbing system, water temperatures in the City's distribution system are below legionella growth range, and chlorine residual levels would also limit such growth.

Our office agrees that water main breaks, water leaks, and system repairs are possible vectors for legionella to enter the public water system. These should be investigated as part of your epidemiology. DEQ staff can be made available to assist GCHD and the City regarding such matters, but to date no request by GCHD for any such meeting has been received, let alone declined as alleged in your email.

If GCHD is seeking assistance to complete its epidemiological investigation regarding this matter, such resource requests should be directed to the Michigan Department of Community Health. Our Office agrees that a multi-agency partnership would be beneficial to move forward and develop a unified response. In that respect, if our Office can be of any further assistance you may contact me directly.

Stephen Busch, P.E.  
Lansing and Jackson District Supervisor  
Office of Drinking Water and Municipal Assistance

Subject: Information Request and Documentation

Hello everyone,

The Genesee County Health Department has made several written and verbal requests for specific information since October, 2014, including a Freedom of Information Act Request on January 27, 2015. The information still has not been received and the city's lack of cooperation continues to prevent my office from performing our responsibilities.

The Genesee County Health Department has the responsibility to conduct illness investigations and consider all potential sources, this is not optional. In 2014, Genesee County experienced a significant increase of confirmed Legionella illnesses relative to previous years. Legionella can be a deadly, waterborne disease that typically affects the respiratory system.

The increase of the illnesses closely corresponds with the timeframe of the switch to Flint River water. The majority of the cases reside or have an association with the city. Also, McLaren Hospital identified and mitigated Legionella in their water system. This is rather glaring information and it needs to be looked into now, prior to the warmer summer months when Legionella is at its peak and we are potentially faced with a crisis.

This situation has been explicitly explained to MDEQ and many of the city's officials. I want to make sure, in writing that there are no misunderstandings regarding this significant and urgent public health issue. The Trihalomethane issues "pale in comparison" to the potential public health risks of Legionella.

I am submitting the attached FOIA request again and requesting that the legal obligations of the request are met. If the information is not available, please let me know. In the past, I have requested to meet with the water plant staff and MDEQ regarding Legionella concerns. I did not receive a response from the water plant staff and MDEQ declined. I think it is in the best interest for all stakeholders that we meet and discuss the issues.

Respectfully,

Jim

Jim Henry

RE: Flint Water Plant Information Request

Dear FOIA Coordinator,

Under provisions of the Michigan Freedom of Information Act (MCLA 15.231 et seq; MSA 4.1801 (1) et seq) please provide copies of the following:

Provide specific water testing locations and laboratory results within the City of Flint public water system for Coliform, E-coli, Heterotrophic Bacteria and Trihalomethanes from January 1, 2010 to January 27, 2015. Provide any additional water testing that has been conducted for identifying potential public health risks. Include any available mapping of the water testing areas.

Provide a map delineating the boundaries of the City of Flint water distribution system. Include any changes to the boundaries, along with corresponding dates from January 1, 2014 to January 27, 2015.

Provide a map or list of locations, detailing dead ends, pooling, low pressure and any additional areas of concern within the City of Flint water distribution system. Include any modifications to the water distribution system addressing concerns, along with corresponding dates from January 1, 2014 to January 27, 2015.

If you determine that any of the requested information is exempt from disclosure, please detail what is being withheld and cite the exemption under FOIA. I anticipate the request being filled within five working days of receipt of this letter, as provided under FOIA. Please contact me at (810) 257-3618 if there are fees associated to comply with this request.

Sincerely,

**Jim Henry**

Good Afternoon,

I believe this rally correlates to the Board of Canvassers Meeting being held Monday afternoon in the Capitol.

The Board of Canvassers Meeting is being held at 2 p.m. in Room 426 of the Capitol. Mr. Quincy Murphy, City of Flint Charter Review Commission, is planning on attending this meeting with two versions of recall language to present to the Board. Murphy has invited anyone who is interested to attend this meeting in support of the recall petitions. Murphy appeared at the last Board meeting with recall language that was rejected. *(Note: Murphy has suffered two incidents where an older white male has shot at his home twice in one day. He believes it is connected to his recall initiative. These incidents were reported to the police.)*

Contact was made with the Bureau of Elections and the board meeting location and time was confirmed.

This information is being forwarded for situational awareness.

Thank you,

Sue

## Sam Riddle paid by Genesee County Drain Commissioner Jeff Wright's office for water pipeline project

**Jeff Wright**

**GENESEE COUNTY, Michigan** — Genesee County Drain Commissioner Jeff Wright hired Detroit political consultant Sam Riddle three years ago as a paid advisor for the county's water pipeline project, officials said today.

The consulting work was done in 2007, at or about the time Wright was asked to cooperate with the FBI in a Detroit public corruption investigation that included Riddle.

Riddle said today that he helped Wright's office as it worked on the plan to create a Genesee County water system that is independent from Detroit's water system — a pet project of Wright's that has been gaining momentum locally.

Riddle was paid about \$1,000 a month for six months as a "facilitator" for the project, helping Wright's office navigate the "ins and outs" of Detroit city government, said John O'Brien, director of the water & waste services division of the drain commissioner's office.

**(UPDATE: County commissioners say they didn't know.)**

Court filings revealed Wednesday that the FBI asked Wright to secretly record a phone call to Riddle in 2007.

Wright issued a short statement today confirming that he had been contacted by the FBI and he agreed to help them.

Wright said he can't comment further on the case because the federal investigation is ongoing.

Court filings indicated Wright was a confidential FBI source known as "Source-3" in the federal bribery probe in which Riddle and his ex-girlfriend, former state representative Mary Waters, are co-defendants.

The court documents were filed by Waters' attorney, Richard Convertino, who claimed there were irregularities in how the government got the wiretaps that eventually led to Waters' indictment in the bribery case.

Riddle said today that he's suspicious of why Wright was approached by the FBI.

"Normally the FBI does not have one serve as an informant unless that individual has what we call on the streets as weight on them," Riddle said. "To that end, all I can say for the record is I don't know what the FBI has on him but my experience leads me to believe they have something."

As for the court filing that claims Wright agreed to record a conversation with Riddle for the investigation, Riddle said it was an unwarranted intrusion on his privacy.

"I don't lose any swag with punks that want to serve as informants," Riddle said. "I just keep rolling on straight ahead."

Wright could not be reached for comment this afternoon on the work Riddle did for the county.

O'Brien said Riddle helped move the water pipeline project along.

"It gave us the ability to move it quicker through just because he knew all the processes to take," he said. "He was teaching us how to cut the tape."

**Flint Water Daily Update**  
**Updated Feb. 4**

### **Current Issues Talking Points**

#### **State Senate takes up and approves Governor's \$30 million proposal to assist Flint with water bill payments.**

- No family or resident should be required to pay for water that is or was unfit for consumption.
- Yesterday, the Governor announced a plan to request \$30 million to assist the city of Flint with water bill payments. The funding would come in the form of a supplemental from the Fiscal Year 2016 budget.
- The proposal calls for a Consumption and Use Credit the city could use to relieve families of a portion of their water bills from April 2014 through April 2016.
  - A typical Flint resident's billing statement includes charges for water and sewer.
  - Under the plan, the funding would be made available to cover water used for drinking, cooking and bathing which is approximately 65 percent of the water portion of a residents' water and sewer bill.
  - Residents would still be responsible for the remaining balance of the water portion of a bill accounting for water used in ways that do not qualify as consumption.
  - Residents would be responsible for covering all sewer costs.
- The official request was to be part of the Governor's formal budget presentation next week on Feb. 10, the Senate took up the proposal and passed it unanimously today.
- If approved in the House, total supplemental emergency funding for Flint will total \$67.3 million this fiscal year.

#### **Legionnaires Disease**

- As the Governor has said repeatedly, he was not briefed on this issue until January 2016. He took action promptly and released the information publicly.
- When Harvey Hollins received the March email, he requested the DEQ look into the concerns, check with its experts, and get the facts. If the concerns were determined to be credible, the director was to bring the issue to the attention of the Governor.
- The issue was not brought to the Governor's attention until January of this year.
- Gov. Snyder has made changes at the department to address these concerns and change the culture to best protect the well-being of Michiganders.

#### **Republican and Democratic Presidential Debates coming to Flint**

- It was confirmed today that both a Republican (Detroit) and Democratic (Flint) Presidential debate will take place in Michigan in early March.
- To date the Federal Government has provided only \$5 million in funding to assist residents in Flint while the State has allocated \$37.3 million in emergency funding to support *Flint families*.
  - The Governor also proposed a plan to dedicate an additional \$30 million as part of his upcoming formal *budget presentation to assist Flint residents with water bill payments*.
- What will help Flint more than a presidential debate is working together to implement concrete solutions that *will aid the city along its road to recovery now and into the future*.
- It is important we draw on all available resources to help meet both the immediate and long-term needs of Flint residents.

**Attachments:** GovReport\_Reformatted 20160204.pdf; 2015-10-01 City of Flint Water Contamination-Shortage SitRep 30 2016-02-....pdf

### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### **Update 2/4/16 – 31<sup>st</sup> Day (30<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

##### **Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made. Special attention to apartments/multifamily residences.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application.

##### **Status on Governor’s request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### **Attached:**

1. Daily Summary of Data.
2. Sit Rep #30.

##### **Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Friday, February 5, 2016.
- FWICC and Mission Flint meetings in Flint.

##### **Items to Note**

- 10 ARC Flint Water Response Teams to the field today. Continued priority is the apartment list from 2/2/16.

- Recovery Branch worked with county and postal partners to collect information about home vacancies and resident's with forwarded mail addresses in order to ensure we are contacting all occupied residences in the City of Flint.
- Recovery Branch supported the efforts of MSDHA to provide resources to tenants in their facilities.
- JIC issued a media advisory about federal lead for Flint water crisis Dr. Nicole Lurie to visit EPA's command post.
- MDHHS provided a representative to accompany the MDEQ team to the high lead homes in Flint. The MDHHS representative will encourage individuals to have blood lead testing and answer health questions as necessary.
- GIS is working to develop a field application for MDEQ and MDHHS for field collection of water test data and health data respectively.
- SEOC and MTED are working with Department of Labor to identify grants that may be available to assist with jobs programs (wages, training, overhead, and potentially equipment and leasing resources). DOC looking at prisoner re-entry programs for those returning to Flint area.

#### Unified Coordination Group (UCG):

- Working on improving communication flow between UCG and state partners.
- Attended long term recovery meeting held by state VAL.
  - Discussed MARC model and potential transition plan.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Attended meeting with federal, state and local health and environmental agencies to establish process for notification of households with water test results that exceed 150 ppb.
- Attended two long term recovery planning meetings with SEOC staff, VOADs and local agencies (Flint Water Recovery Leadership group).
- Ensuring Community Access Center for the Deaf and Hard of Hearing receives appropriate supplies.
  - Briefed staff on site on filter installation and water sampling process.
- Clarified distribution process at city sites with Flint City Administrator's Office. Coordinating with Fire Department Quartermaster for supplying city sites.
- Addressing various public concerns, including identification of canvassing teams.
- Instituted credentialing verification process for 2-1-1 calls.

Chris

---

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

#### **Update 2/3/16 – 30<sup>th</sup> Day (29<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

##### Mission focus for the day:

- Refocus state agencies on objectives, tasks in the Incident Action Plan and how we get to the end state/shift to longer term recovery.
- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.

- Includes filter replacement strategies.
- Submit SBA application – outstanding item is the certification of availability of financial assistance. Priority item for the a.m. so this can get submitted. Press release has been completed.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. *Nothing more can be done on this.*
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. Daily Summary of Data, full version and abridged (New reporting format – we will ensure we give liters of water and cases in the future)
2. Residential Water Sampling Results Maps – Lead and Copper
3. SitRep 29

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Thursday, February 4, 2016.
- Will continue to target residences from the Apartment List from 2/2/16

#### Items to Note

- Paired down the list of parcels not visited from 2400 to 958. Will continue on 2/4/16 to identify any parcels not visited. Some parcels contain multifamily residences and those types of residences are being reviewed and targeted to ensure coverage.
- MDOC is going to look into their job programs for any prisoners begin release back into the Flint area. This will be in conjunction with any other job programs identified. We are working with MTED on solutions.
- DEQ and DHHS will be going to residences with >150 ppb starting tomorrow. They will be checking residences next to the one with the high lead level to see if this is a single residence issue or a bigger issue affecting the block or line in an area. This will not initially include EPA as they did not seem interested in combining teams but we are working on more collaboration without slowing us down.
- DEQ will have a representative in the UCG starting 2/4/15.
- Discussed with UPS on ways they can assist with Rapid Response Team and filter replacements in the future.
- Additional warehouse will be put in service potentially Saturday. Seventh Day Adventist are potentially going to operate it or help with operations to phase out state agency personnel and make it more community run. The warehouse does include some office space if needed.
- 10 ARC Flint Water Response Teams to the field today.
- Team Priority Visited Today: Apartment List from 2/2/16
- SEOC Logistics worked with MDOC on their assistance with warehouse management and staffing for new warehouse. Reached out to Food Bank on their recommendation and coordination for hours/days of operation of new warehouse.
- SEOC Operations attended a donations management meeting to discuss the need for a consolidated list of donated goods.
- JIC strategized with the U.S. Department of Health and Human Services and Environmental Protection Agency on how to better coordinate public information.

#### Unified Coordination Group (UCG):

- UCG IAP approved today for the operational period 0800 2/2/16 to 0800 2/4/16.
- The Federal Health Coordinating Officer had a meeting today with Economic Development and Housing and Urban Development.
- EMHSD liaison provided information on Michigan EM structure to Command.
- State JIC manager now in the communication loop for the UCG.
- UCG discussed MARCs and potential implementation.

- Capt. Kelenske met with Don Boyce from US DHHS to discuss concerns with Federal HHS and EPA and how we can move forward with better collaboration and coordination. Boyce also met with Governor's Office staff on same. The meeting went well and a solid relationship is in place with Boyce. He is a direct report to Dr. Lurie and will provide her some context on the issues and how we can move forward. He will be a good POC to assist us with any shifts in direction needed at the federal level.

#### Local EOC

- Coordinated rapid response deliveries to homebound residents and special locations.
- Working on refining rapid response delivery process.
  - Preparing transition from Team Rubicon personnel to NCCC teams, and eventually Southern Baptist Disaster Relief.
  - Coordinating with ARC for logistics support to NCCC teams (AmeriCorp).
- Working with ARC to ensure resource needs of franchise customers at Sunridge Apartments complex in Flint Township are met.
- Coordinating with MDEQ to streamline test kit assembly process.
- Attended distribution plan meeting with faith-based organizations, state, and local agencies.
- Referring VOADs to appropriate volunteer management agencies.
- Addressing various public concerns, including availability of supplies at child care facilities.

Chris

---

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 02/02/2016 08:00:00  
Operational Period End: 02/09/2016 08:00:00  
Situation Report No. 30  
SEOC Status: Full  
SEOC Hours of Operation Begin: 02/04/2016 08:00:00  
SEOC Hours of Operation End: 02/04/2016 20:00:00

## Executive Summary

SEOC Update:

Accomplished today (February 4, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

Logistics:

- Fielded resource requests.
- Fielded Rapid Response requests.
- Fielded Governor's office request.
- Facilitated distribution team calls.
- Followed up on request for equipment/supplies from ALANaid for new warehouse.
- Worked with DDC on their assistance with warehouse management and staffing for new warehouse.
- Finalized and emailed the Kroger Warehouse Plan to Capt for his review

JIC:

- Michigan State Police F/Lt. David Kaiser, field PIO, conducted interviews with both WEYI-TV 25 in Flint and WNEM-TV 5 in Flint about ongoing operations underway and to quash any rumors about water donations and ID requirements at water response sites.
- Created a morning and afternoon media monitoring report and looked for information requiring correction.
- Worked with Governor's Office to post information on the [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater) website.
- Issued a media advisory about federal lead for Flint water crisis Dr. Nicole Lurie to visit EPA's command post.
- Drafted and released a news release about the state of Michigan partnering with MSU student athlete to help with Flint recycling and water distribution efforts. The Flint JIC intends to issue the news release tonight.
- Drafted and released a media advisory about state and local partners hosting a tour of the restaurant water assessment process. The media advisory is currently on hold per the Flint and Genesee Chamber of Commerce.

Recovery Branch:

- Attended Local Brief, SEOC Agency Briefing Meeting, and Distribution Process Meeting
- Updated plan for ARC to visit apartment complexes.
- Worked with county and postal partners to collect information about home vacancies and resident's with forwarded mail addresses in order to ensure we are contacting all occupied residences in the City of Flint.
- Supported the efforts of MSDHA to provide resources to tenants in their facilities.
- Collaborated with GCCARD to develop additions to the list of vulnerable persons requiring additional support within the City of Flint.
- Targeted team list for today: Apartment List from 2/2/16
- City Sections Scheduled Tomorrow\*: Continuation of Apartment List from 2/2/16
- 10 American Red Cross Teams scheduled for Friday, February 5, 2016

• Data is for 2/3/16 as of 5:00 pm:

- o Total homes visited:
  - 14,388 (round 3 total).
  - 1,127 (today).
- o Water cases (liters calculated by multiplying # of cases x 12):
  - 104,480 liters or 8,705 cases (round 3 total).
  - 6,960 liters or 580 cases (today).
- o Replacement cartridges:
  - 2,785 (round 3 total).
  - 647 (today).
- o Faucet filters:
  - 6,794 (round 3 total).
  - 156 (today).

Planning Section:

- Published Sit Rep #30.
- Developed long term commodity projections.
- Participated in local EOC, state agency, and distribution process conference calls.
- Updated Governor's data tracking spreadsheet.

Operations Section:

- o Facilitated daily local EOC and SEOC state agency briefings.
- o Reviewed information materials and press releases.
- o Fielded requests for information and ensured follow-up.
- o 153 total volunteers (13 ARC and 140 event based) were active on the FWRTs today.

o Warehouse Numbers as of 1800:

- Water (liters):
  - 550,684 liters or 46,880 cases.
- Filters (faucet):
  - 47,684.
- Replacement cartridges:
  - 381,590.
- Test Kits (prepped):
  - 19,728.
- o PODs (1700 2/2 – 1800 2/3):
  - Water (cases):
    - 88,736 liters or 8,228 cases.
  - Filters (faucet):
    - 242.
  - Replacement Cartridges:
    - 516.
  - Test kits:
    - 393.

Finance Section:

- EMHSD staffing cost reports developed to update financial status reports.
- Reviewed state agency financial data for compiling comprehensive report.
- Met with state budget office on tracking of state agency costs for the incident.

GIS Branch Updates:

- Coordinate with UGC to establish consistent data sharing protocol.
- Working with the US EPA on sharing water test results they are gathering.
- Developing a field application for MDEQ and MDHHS for field collection of water test data and health data respectively.
- Updated map of DEQ water test results matched to City of Flint parcels.
- Coordinate with the Environmental Systems Research Institute on in field application development.

DTMB:

- DTMB Print & Graphic Services translating aerator fact sheet in Spanish and Arabic. Also, printing English and Spanish documents for DEQ.
- DTMB working on locating office furniture for second warehouse (Kroger Store).
- Provided access cards and building access for multiple employees and Federal partners.

DHHS-CH:

- The CHECC remains active at a Level 2, and continues to staff the hotline to answer any lead health-related questions referred by 2-1-1 in support of the GCHD.
- MDHHS provided a representative to accompany the MDEQ team to the high lead homes in Flint. The MDHHS representative will encourage individuals to have blood lead testing and answer health questions as necessary.
- o If individuals are in need of transportation for lead testing, transportation will be arranged. Contacted the local EOC and they will also try to get bus passes that could be provided if necessary.
- Lab Corporation of America reached out to MDHHS with an offer to conduct "good will" blood lead testing to Flint residents. Information provided regarding the need to be a CLPPP approved program, and contact information for the Genesee County Health Department was shared with the lab.

DEQ:

- Continued coordination for > 100ppb state response plan and implementation.
- Requested development of an application for iPad's to collect information from high lead water test sites, in coordination and consultation with other agencies.
- Refined plan for school water fixture sampling, in light of decision to replace fixtures at all schools.
- Continued to establish and clarify protocol for sampling teams and information collection.
- Ensured that EPA deadlines from EPA Order Tracking spreadsheet (items 59 A, B and C) were completed.

Unified Coordination Group (UCG):

- Working on improving communication flow between UCG and state partners.
- Attended long term recovery meeting held by state VAL.
- o Discussed MARC model and potential transition plan.

Local EOC:

- Coordinating rapid response deliveries to homebound residents and special locations.
- Attended meeting with federal, state and local health and environmental agencies to establish process for notification of households with water test results that exceed 150 ppb.
- Attended two long term recovery planning meetings with SEOC staff, VOADs and local agencies (Flint Water Recovery Leadership group).
- Ensuring Community Access Center for the Deaf and Hard of Hearing receives appropriate supplies.
- o Briefed staff on site on filter installation and water sampling process.
- Clarified distribution process at city sites with Flint City Administrator's Office. Coordinating with Fire Department Quartermaster for supplying city sites.
- Addressing various public concerns, including identification of canvassing teams.
- Instituted credentialing verification process for 211 calls.

(Objectives are in order of priority with original objective number attached)

11. Ensure accurate tracking and accounting of all donations.
5. Continue to maintain adequate staffing to support operational requirements.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
9. Enhance situational awareness and common operating picture of all activities.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT, FWICC, and the US Department of Health and Human Services Unified Coordination Group (UGC).
3. Improve and maintain the public information strategy and process.
6. Develop an overview of possible assistance programs.
4. Develop a long term public health and services plan.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
1. Ensure all households within impacted community have required resources and are included in DEQ water sampling plan.
2. Ensure accurate tracking and accounting of all commodities.

## Damage Assessment Summary

## Agency Summaries

### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was expected to be operational in Flint from 8 a.m. to 8 p.m. on Feb. 4. The JIC was operational until 8 p.m. on Feb. 3.

State agencies at the JIC included the Michigan Civil Rights Commission, Michigan State Police and Departments of Agriculture and Rural Development, Environmental Quality, Health and Human Services, Licensing and Regulatory Affairs, Treasury, Corrections and Military and Veterans Affairs. The Genesee County Sheriff's Office and the American Red Cross were also present.

#### Tasks accomplished:

- Media hotline staff answered more than 20 emails and phone calls, ranging from inquiries about current operations underway to inquiries about Edible Flint.
- Key agency PIOs fielded multiple news inquiries throughout the day, including conducting or scheduling interviews with WEYI-TV 25 in Flint to WNEM-TV 5 in Flint.
- Michigan State Police F/Lt. David Kaiser, field PIO, conducted interviews with both WEYI-TV 25 in Flint and WNEM-TV 5 in Flint about ongoing operations underway and to quash any rumors about water donations and ID requirements at water response sites.
- Created a morning and afternoon media monitoring report and looked for information requiring correction.
- Updated internal talking points about the ongoing Flint water emergency.
- Continued routing public information materials for approval, including water filter installation fact sheets, pregnant women and lead fact sheet, adult lead exposure fact sheet, and oral health FAQ. Also began submitting materials for Spanish translation.
- Worked with Governor's Office to post information on the [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater) website.
- Issued a media advisory about federal lead for Flint water crisis Dr. Nicole Lurie to visit EPA's command post.
- Drafted and released a news release about the state of Michigan partnering with MSU student athletes to help with Flint recycling and water distribution efforts. The Flint JIC intends to issue the news release tonight.
- Drafted and released a media advisory about state and local partners hosting a tour of the restaurant water assessment process. The media advisory is currently on hold per the Flint and Genesee Chamber of Commerce.

### Agriculture and Rural Development (MDARD)

MDARD's field activities for 2/4/16 included:

- o 23 SURVEYS CONDUCTED (17 were follow up assessments, 5 were initial assessments)
- o 29 water samples collected (27 were "in-use samples and 2 were "Routine")
- o 2 water sample requests/appointments were scheduled today

We received 38 new water results this morning, 2/04/16. Several are very high:

- First Presbyterian Church (Medium risk) at 746 S Saginaw: 1,964 ppb (IN-USE WATER SAMPLE - collected by K Russell on 2/1)
- King's Market (High risk) at 1602 Oren : 465 ppb (IN USE WATER SAMPLE - collected by M Kusnier on 1/29) -
- Arrowhead Veteran's Assn (High Risk) at 402 W Water St : 11 ppb (IN USE WATER SAMPLE collected by B Benson on 1/29) - Kitchen in the hall
- Arrowhead Veteran's Assn at 402 W Water St: 5 ppb (IN USE collected by B Benson on 1/29) - Kitchen at bar

Immediate action of field visits to be conducted today for compliance assessment of the affected establishments. Note that according to the inspector's report, King's Market has previously stopped using the water for food or drink.

As of 2/03/16, MDARD has completed initial water assessments at all food businesses in the high risk area and has conducted a total of 392 initial assessments. 149 water samples have been collected.

Reminder, that the daily MDARD Water Response Report will go out at 10am (summarizing the previous day's activities), instead of 4-5pm to allow proper time for all data from the day's activities to come in and be organized.

MDARD is scheduling a phone conference tomorrow, time TBD, with MDEQ, MLARA, MDE to clarify who has or is conducting sampling in public and private schools

A tour of the Restaurant Water Assessment Process is still scheduled for tomorrow, 2/05/16 at 09:00 at Blackstone's Pub and Grill.

### American Red Cross (ARC)

The American Red Cross deployed and supported 10 Water Response Teams on Thursday, 2/4/16. It's anticipated that 10 teams will deploy tomorrow.

The Volunteer Reception Center (VRC) was in operation today, from 9am to 5pm. A total of 140 volunteers were processed today. That was 6 individual event-based volunteers and 4 groups totaling 134 volunteers. We assigned 88 to water test kit assembly, 46 to the Water Resource Teams, 2 to Catholic Charities, and one each to the Food Bank and the City of Flint. Assembly of water test kits has resumed.

### Civil Rights (MDCR)

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Maintaining media awareness regarding situation and community activities. Suggested safety planning be considered in routine contacts with community groups due to increased media exposure and propensity for detractors to target those groups. Discussed App development with GIS and MDCH for self-reporting of skin rash concerns and issues raised in press release #28 for

underrepresented/vulnerable populations. Suggested MDEQ/DHS Teams include an interpreter to ease the teams entry/action plan for addressing >150 ppb residential testing follow up.

#### **Community Health (MDCH)**

The CHECC remains active at a Level 2, and continues to staff the hotline to answer any lead health-related questions referred by 2-1-1 in support of the GCHD.

MDHHS provided a representative to accompany the MDEQ team to the high lead homes in Flint. The MDHHS representative will encourage individuals to have blood lead testing and answer health questions as necessary. Written information is also being provided. If individuals are in need of transportation for lead testing, transportation will be arranged. Contacted the local EOC and they will also try to get bus passes that could be provided if necessary. No notifications have been received of individuals requiring transportation. There is some concern about duplicative efforts in this follow up endeavor, as the Genesee County Health Department/ATSDR Teams have also apparently contacted all of the homes above 150 ppb; so communication has been initiated with leaders from MDEQ and MDHHS to finesse the plan in collaboration with the EPA and local health department and communicate that to the SEOC.

Lab Corporation of America reached out to MDHHS with an offer to conduct "good will" blood lead testing to Flint residents. Information provided regarding the need to be a CLPPP approved program, and contact information for the Genesee County Health Department was shared with the lab.

Provided information from LARA and MDE to the CHECC in follow up to a request from the GCHD about child care agencies.

#### **Corrections (MDOC)**

MDOC continued operations at the warehouse and all PODs were well supplied.

MDOC continue to keep trucks dedicated to delivering to individual PODs and have Rapid Responses ready for any POD that gets to a critical level of supplies.

449 Water Samples were collected and delivered to the DEQ Lab in Lansing. 425 Residential and 24 MI Department of Agriculture and Rural Development (MDARD)

MDOC had 13 employees and an SAI work crew on the ground in Flint today.

We are working with Finance and MDOC assets to complete employee payroll information.

MDOC continue to staff the SEOC from 0800-2000, 7 days/week.

We are in the process of establishing a second warehouse location and MDOC will be staffing the second location beginning on Saturday for a week or possibly two.

Mike Farmer and Bridget Spencer are in command of the Recovery Branch.

#### **Education (MDE)**

1. Donations Management Group asked MDE for information regarding which schools in Flint have drinkable water and which schools do not. This request was in response to schools turning down bottled water. Donations management wants verification of what schools need water. MDE is following-up with impacted schools. MDE will update the Donations Management Group when further information is received.

2. MDE shared updated LARA spreadsheet of tested schools with MDARD

3. MDE shared communication log with DHHS of all communication/outreach between MDE and local schools/child cares based on request from Genesee County Health Department

4. MDE has been asked to participate in a conference call, Friday (15:00) being coordinated by MDARD and related to school testing

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

- ☐ Continued coordination for > 100ppb state response plan and implementation
- ☐ Provided guidance to MSHDA on residential sampling program
- ☐ Requested DHHS to verify how many homes GCHD has contacted and what services were provided

#### **Human Services (MDHS)**

GCCARD restocked with filtration devices, which replenishes our MDHHS office PODs.

Looking into filtration system for a child care institute, possibly through donation.

Exploring availability of MDHHS staff to assist with donation management mission.

Working with State VAL and Recovery on process for distributing replacement cartridges in the future.

Daily update conference call with MDHHS Budget & Field Operations.

#### **Licensing and Regulatory Affairs (LARA)**

Updated the LARA Executive Team

LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.

Working with DEQ for Strike Teams.

Preparing materials lists for plumbing fixtures.

#### **Military and Veterans Affairs (DMVA)**

##### **Commanders Situation Report (SITREP)**

1. DTG: 0315302016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: 1LT Roland, John G. Cell:                      ' Email: john.g.roland2.mil@mail.mil

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. SITUATION OVERVIEW: 1-125 IN has        oldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has        Soldiers on ground supporting the mission.

7. OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.

a. Traffic outside of Stations 1, 5, and 8 still remains an issue.

1.) LT Benke met with MDOT and Flint City Engineering today. All traffic signs should be in place within the next 48hrs.

b. Flint City Electricians have fixed the lighting issue at Station 8. POD 5 is still waiting for an update on the capabilities of additional lighting at Station 5.

8. PERSONNEL:        *Soldiers are currently assigned to the POD operations.*        *Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.*

9. INTELLIGENCE / FORCE PROTECTION: Michigan militia did establish a presence within the AO. The intentions were not harmful and in support of efforts made to resolving issues to residents of Flint.

10. LOGISTICS: In support of recycle project sponsored by Schupon, the special purpose recycle bags have not been distributed to POD operations. Logistics is expecting the recycle bags to be on the PODs for distribution within the next 48hrs.

11. COMMUNICATIONS: No communications issues at this time.

P: 800 MHz radios issued to PODs and WRTs.

A: RRF cell phones alternate for WRTs.

C: Personal cell phone

E: Runner

12. NARRATIVE: N/A

##### **13. COMMANDER'S EVALUATION:**

- MING resources on ground help bring to light an issue in supply distribution and provide information in regards to the issue to the LEOC to assist in ensuring all of the supplies from the Clio road warehouse are being handled and distributed properly. Overall, I believe the LEOC is very pleased with our operation and assistance in all water & filter distribution operations.

- I received and reviewed FRAGORD 9. I sent up a current roster to the JOC to assist in updating the FRAGORD products.

- Recycling:

LEOC is working to get more Schupon trash bags to fire stations 1, 5, & 8 for their water bottle recycling trailers. Additionally, they are trying to get the trailers at station 1 & 8 switched.

New public awareness sheets were distributed to the fire stations in regards to water bottle recycling curb side pick-up.

- We received cold medication from the 126 CAV per my request. Consolidated Station Report OUT (last 24 hours)

Bottled water-4362 Water (Gallons)-214 Lead Testing Kits-458

Pitcher (23 cup)-0 Brita Faucet Filter-359 Brita Replacement Cartridge-338

Pur Filter-71 Pur Replacement Filter-392

#### **National Weather Service (NWS)**

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

#### **Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

#### **Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:

Kathryn C. Boles  
President, CEO  
Valley Area Agency on Aging  
225 E. Fifth Street, Suite 200  
Flint, MI 48502  
(810) 239-7671  
(810) 239-8869 fax

#### **State Police (MSP)**

The MSP position within the SEOC will be staffed at MSP Operations at HQ. All e-mails to MSP-EOC-MDSP@michigan.gov are being forwarded to the Operations Lt. The phone number for the on duty Operations Lieutenant is 517-241-8000

#### **Technology, Management and Budget (MDTMB)**

Continue to provide DTMB management with daily updates and resource requests received.

DTMB Print & Graphic Services translating aerator fact sheet in Spanish and Arabic. Also, printing of English and Spanish documents for DEQ.

DTMB working on locating office furniture for second warehouse (Kroger Store).

Ordered printer toner for multi-function device at warehouse.

Provided access cards and building access for multiple employees and Federal partners.

#### **Transportation (MDOT)**

MDOT facilitated with the City of Flint Public Works to deploy signs and barricades at Fire Station #1, #5, and #8 to assist with traffic flow through parking lots.

MDOT is providing traffic measures at Fire Station #6 on Pierson Rd. and Fire Station #3 on Martin Luther King Blvd:

-4 portable changeable message boards (2 each site)

WB Pierson Rd. sign was out of service 2/3, has been repaired and being put back in service 2/4.

EB Pierson Rd. sign is out of service 2/4 and being picked up for repair. Repair/replacement being prepared for 2/5.

-100 grabber traffic cones (narrow reflective cones) (50 each site).

MDOT continues to maintain situational awareness and respond to issues regarding equipment and road conditions.

**Subject:** Friay, Feb. 5 update from the Flint Water Response Team

## FLINT WATER RESPONSE TEAM

UPDATE | FRIDAY, FEBRUARY 5, 2016

This daily update is being issued in order to provide the latest information regarding actions and available resources.

**LIVE at 10 AM: Gov. Rick Snyder will offer remarks at the Flint Water Interagency Coordinating Committee meeting**

The Flint Water Interagency Coordinating Committee was established on January 11, 2016 to facilitate the collaboration and communication between state department, local governments and subject matter experts necessary to effectively coordinate a response and recovery effort to ensure safe drinking water for Flint residents. Tune in live at 10 am today to watch Governor Snyder offer remarks at the FWICC meeting.

**Senate approves Governor Snyder's request of \$30 million for Flint's water bills**

“The entire state continues to demonstrate unity in coming together for the residents of Flint, and I greatly appreciate the acts of cooperation, bipartisanship and good will that are advancing Flint's recovery.”

— Rick Snyder

[www.mi.gov/FlintWater](http://www.mi.gov/FlintWater) | [www.HelpForFlint.com](http://www.HelpForFlint.com)

The proposal announced Wednesday by Gov. Rick Snyder to aid the city of Flint with credits to be applied to the portion of residents' water and sewer bills for water used for drinking, bathing and cooking is one step closer to enactment after the state Senate voted unanimously yesterday for passage of the \$30 million dollar funding request.

If approved by both chambers and signed into law, the Consumption and Consumer Use Credit would aid the city of Flint in applying these credits to residents' water portion of their water and sewer bills until state and federal officials certify the water is safe to consume.

**Learn more about the \$30 million request for Flint water bills.**

Flint families need critical clean water resources. Since January 9, the state has distributed:

- 272,017 cases of bottled water
- 103,402 water filters
- 208,576 replacement cartridges

- 34,456 water testing kits

## REMINDERS

- For Flint water assistance: Dial United Way 211 or visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)
- To donate or volunteer: visit [www.HelpForFlint.com](http://www.HelpForFlint.com)
- Residents should install filters to their taps to ensure they have immediate and ongoing access to safe water. Only run cold water through the water filter and use filtered water for drinking and cooking. Monitor the cartridge on the filter and replace as needed.

## WATER RESOURCE LOCATIONS

These sites are open seven days a week from 9 a.m. to 9 p.m. with the following resources:

- Bottled water
- Water filters
- Replacement cartridges for water filters
- Water testing kits pick-up
- Drop-off location for water testing kits

Fire Station #1  
310 East 5th St.  
Flint, MI 48502

Fire Station #3  
1525 Martin Luther King Ave.  
Flint, MI 48503

Fire Station #5  
3402 Western Rd.  
Flint, MI 48506

Fire Station #6  
716 West Pierson Rd.  
Flint, MI 48505

Fire Station #8  
202 East Atherton Rd.  
Flint, MI 48507

We will continue to work to improve the water situation in Flint. Community members and local officials are working together to *make sure we hear and respond to concerns*. Governor Snyder will continue to keep you updated on the latest news and information. **If you don't find the resources you need by dialing United Way 211 please call the Governor's office directly at 517-335-7858.**

### **Gov. Rick Snyder: Former head of DEQ water quality unit removed**

LANSING, Mich. – After a departmental review of circumstances during the time period leading to the Flint water crisis, the former head of the Michigan Department of Environmental Quality's Drinking Water and Municipal Assistance unit was officially terminated from state employment today, Gov. Rick Snyder said.

"Putting the well-being of Michiganders first needs to be the top priority for all state employees," Snyder said. "Anything less than that is unacceptable. The DEQ is working to change this culture and ensure mistakes that endanger our residents don't occur again."

This former supervisor was dismissed today after a disciplinary conference regarding performance. A departmental review of the actions of a second employee who was suspended last month are continuing.

**FOR IMMEDIATE RELEASE**

Friday, Feb. 5, 2016

517-335-6397

# **Gov. Rick Snyder: Flint businesses can seek assistance through Small Business Administration disaster loans**

*SBA approved Snyder's Thursday request*

LANSGING, Mich. – The Small Business Administration today approved Gov. Rick Snyder's request for low-interest disaster loans for businesses in Genesee County and the city of Flint.

"Approval of economic injury disaster loans will help business owners and nonprofits in Flint recover from any damages as a result of the water crisis," Snyder said. "We will continue to seek resources from all levels of government to help the people of Flint and appreciate the

SBA's partnership in our efforts."

The approval provides access to federal Economic Injury Disaster Loans, which are working capital loans to small businesses, small agricultural cooperatives, small businesses engaged in aquaculture and most private, non-profit organizations that meet their ordinary and necessary financial obligations that cannot be met as a direct result of the disaster. Business owners seeking these loans must apply by Nov. 7, 2016.

Repayment of disaster loans is tailored by the SBA to the borrower's financial capacity.

More information and criteria for SBA disaster loans is available at [www.sba.gov/disaster](http://www.sba.gov/disaster). Eligible Flint business owners can apply online via SBA's website at <https://disasterloan.sba.gov/ela>.

**Flint Water Daily Update**  
**Updated Feb. 5**

### Current Issues Talking Points

#### **U.S. Small Business Administration disaster declaration request approved**

- Coordination across all levels is necessary to assist Flint along its road to recovery. This disaster has impacted many families both at home and through their businesses.
- In an effort to secure all available resources to ensure the safety and well-being of Flint residents, the Governor requested a disaster declaration from the Small Business Administration yesterday, Feb. 4.
- The disaster declaration request was granted today, allowing Flint businesses, small agriculture cooperatives, and most private, nonprofit organizations who may have been affected by lead-impacted water to qualify for financial assistance in the form of federal Economic Injury Disaster loans.
- The SBA tailors loan repayment to each individual borrower's financial ability. Business owners seeking these loans must apply by Nov. 7, 2016.
- The approval will help support comprehensive recovery efforts in the city from health and infrastructure to economic development.

#### **Former head of DEQ water quality unit removed**

- The Governor remains committed to building a DEQ culture of trust and responsibility with residents well-being as a top priority.
- After a departmental review of circumstances and actions leading up to the Flint water crisis, the former head of the MDEQ Drinking Water and Municipal Assistance unit was officially terminated today.
- The former supervisor was dismissed following a disciplinary conference regarding performance.

#### **Governor invited to testify at Congressional Hearing**

- The Governor received an invitation to testify at the Democratic Steering and Policy Committee hearing in Washington D.C. next week.
- At this point in time, the Executive Office is reviewing the request.

#### **Task Force Coordination/Communication Concerns**

- Gov. Snyder has promised full cooperation with the Flint Water Task Force and any other authority investigating the Flint water crisis.
- The situation Dr. Reynolds described at the FWICC meeting today is exactly the frustration the Governor has spoken about regarding the culture in some state departments that was a problem and needed to be changed.
- The Governor is actively taking steps to rectify the situation, and ensure that authorities get the information they need when they need it.
- We are glad that Dr. Reynolds raised the issue directly with us today. We will not tolerate any departments withholding information from the task force.

RICK SNYDER  
GOVERNOR

BRIAN CALLEY  
LT. GOVERNOR

### THANK YOU!

Fellow employees,

Each day, more than 46,000 state of Michigan employees come to work with the confidence and commitment to make Michigan a better place to live, work and play. I appreciate the way you care about the citizens we serve, and how it is reflected in the work that you do.

As you have heard from me and the media, our reputation and trust can be severely impacted when people do not make good decisions, or use good judgment in solving problems. That principle is universal, but never more so than when public health is at stake. What happened in Flint can never be allowed to happen again anywhere in our state.

I know that you want to work in a place where employee input is valued, efforts are recognized, and teams are always striving for continuous improvement. That's why we introduced employee surveys, Bureaucracy Busters and other reinvention initiatives. We want and deserve a culture of innovation, continuous improvement and employee engagement at every level. We can never take for granted how important the people are who depend on us to do our jobs, and I am asking you not to let the situation in Flint negatively impact your motivation to excel every day.

Many of you have taken an interest in helping the citizens of Flint on your own time, and I'd like to *take this opportunity to recognize and thank those who have volunteered over the last couple of weekends*. You have worked tirelessly to deliver cases of bottled water, water filters, replacement cartridges and water testing kits to the families in need. I appreciate you donating your time to help our fellow Michiganders. To date, more than 37,000 homes have been visited by one of our water resource teams.

For employees who would like to further help the people of Flint, please visit [www.HelpForFlint.com](http://www.HelpForFlint.com) to learn how you can do so. For additional information and to sign up for daily updates, please visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater). I am committed to ensuring that all residents have access to safe and clean water.

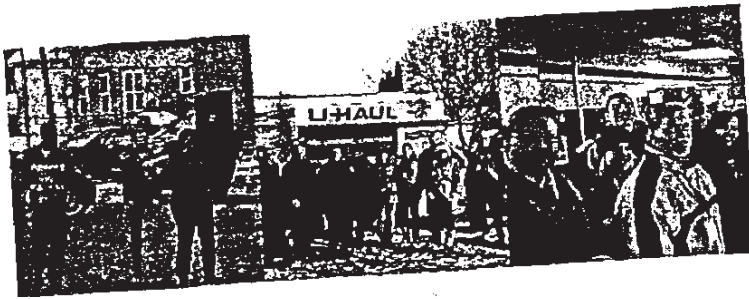

Again, I'd like to express my gratitude for the work you do every day to continuously improve our state and earn the trust of those you serve. You make a real difference.

Thanks,

A handwritten signature of Rick Snyder in black ink.

Governor Rick Snyder

#### **State Police (MSP)**

1:36 p.m. The MIOC is monitoring a Facebook Post reference the next Flint City Council meeting which will be held on Wednesday, February 3, 2016, City Council Chambers, 3rd Floor, City Hall, 1101 S. Saginaw Street, Flint. There is a flyer making its rounds on Facebook stating: "We need the city hall packed. Even if you are just driving up and down Saginaw Street. Like back to the bricks."

(Also, on February 3, is the City Council Public Safety Committee Meeting from 6 p.m. – 7 p.m. same location)

The MIOC will continue to monitor this for additional information. This information was forwarded to the SEOC, Local EOC, along with the MSP Flint Post.

The MSP position within the SEOC will be staffed at MSP Operations at HQ. All e-mails to MSP-EOC-MDSP@michigan.gov are being forwarded to the Operations Lt. The phone number for the on duty Operations Lieutenant is 517-241-8000

#### **Technology, Management and Budget (MDTMB)**

Continue to provide DTMB management with daily updates and resource requests received.

DTMB Print & Graphic Services translating aerator fact sheet in Spanish and Arabic.

DTMB has five trucks/drivers assisting with delivery of supplies; three for the point of distribution sites and two assisting the food bank.

Asked to provide credentialing for contractors working on fixture replacement work at regulated facilities.

Providing a lockset at the JIC office space in Flint.

Warehouse is requesting additional supplies.

DTMB Real Estate worked with landlord of former Kroger store on Pierson Road in Flint to write up a month-to-month rental agreement.

#### **Transportation (MDOT)**

MDOT is providing traffic measures at Fire Station #6 on Pierson Rd. and Fire Station #3 on Martin Luther King Blvd:

-4 portable changeable message boards (2 each site).

-100 grabber traffic cones (narrow reflective cones) (50 each site)

MDOT continues to maintain situational awareness and respond to issues regarding equipment and road conditions.

# Flint Daily Blood Test Report

Week of February 1-5, 2016: Includes Zip Codes 48501 to 48507

The table on p.2 presents daily counts of the total number of venous or capillary blood lead test results for Flint residents in zip codes 48501-48507 received by MDHHS in the previous 24 hours. (Counts on each Monday of the week include the previous week-end.) Cumulative total counts are also provided for the week. These counts do not represent the number of individual people tested, as some individuals may be tested more than once per year. For information on the number of people tested per calendar year, please see the weekly Flint Blood Test Report (available at [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater)) that includes counts and percentage of tests with blood lead levels  $\geq 5$  micrograms per deciliter of blood by calendar year.

## Table Key

**# Tests:** the total number of venous or capillary blood lead test results received in the previous 24 hours.

**#  $\Rightarrow$  5:** the number of venous or capillary blood lead test results received in the previous 24 hours that were  $\Rightarrow$  5 micrograms per deciliter of blood

**#  $\Rightarrow$  5 new:** the number of those test results  $\Rightarrow$  5 micrograms per deciliter of blood that were from people not previously tested.

**%  $\geq$  5:** the percent of total tests received in the previous 24 hours that were  $\Rightarrow$  5 micrograms per deciliter of blood.

## **Environmental Investigations**

### ***Elevated Blood Level Environmental Investigations:***

Through 02/1/2016:

- 28 families contacted
- 25 EBL investigations completed
- 22 Water sampling completed
  - 10 Homes where water filters were observed
- 7 EBL Reports Received
  - 13 homes with lead dust hazards were identified
  - 5 homes with lead in soil hazards
  - 13 homes with lead-based paint hazards

- 9 homes with lead detected in tap water
  - 2 home with lead water levels greater than 15 ppb
- 1 investigations scheduled
- 10 applications received for the Lead Safe Homes Program
  - 2 family enrolled

**Filters distributed GCCARD/DHHS:**

	<b>Distributed Feb 1, 2016</b>	<b>Total Distributed Oct- Feb 1</b>
<b>Brita Filters</b>	5	13,193
<b>Zero Water Pitchers</b>	0	558
<b>PUR Filters</b>	15	271
<b>Replacement Cartridges - Brita</b>	10	3,719
<b>Replacement Cartridges - PUR</b>	23	678
<b>Replacement Cartridges - Zero</b>	5	434

**State Emergency Operations Center (SEOC) Update**

Data is for 2/1/16 as of 5:00 pm

- Total homes visited:
  - 11,876 (round 3 total)
  - 1,686 (total 1/31)
  - 1,164 (today)
- Water Cases (liters calculated by multiplying # of cases x 12):
  - 87,792 liters or 7,316 cases (round 3 total)
  - 13,932 liters or 1,161 cases (total 1/31)
  - 5,796 liters or 483 cases (today)
- Replacement Cartridges:
  - 1,866 (round 3 total)
  - 144 (total 1/31)
  - 473 (today)
- Faucet Filters:
  - 6,228 (round 3 total)
  - 407 (total 1/31)
  - 437 (today)

**Bureau of Disease Control, Prevention, and Epidemiology**

- Provided the April 2014 to date list of addresses of all children tested for lead in Flint to the CHECC for GIS mapping in the SEOC.

**Case Management**

- Case management DATA through 2/1/2016:
  - Contacted 190 (0-5 year olds) and 12 (6-17 year olds)
    - Offered case management services to 147 (0-5 year olds) and 8 (6-17 year olds)
  - Case management services provided to 27 (0-5 year olds) and 4 (6-17 year olds)
    - 16 (0-5 year olds) and 1 (6-17 year olds) billed to Medicaid

- 20 (0-5 year olds) and 1 (6-17 year olds) with 'Other' disposition, which includes moved out of county or out of state, or Case Management closed because child's lead level is testing <5.
- During a weekly call with Genesee County Case Management staff (2/2), the following challenges were raised from a Community Forum; Members expressed concern with navigating the FlintWater website and delays with 211 response.

#### **Flint Water Crisis: Michigan's Aging Network/Aging & Adult Services Agency**

- Prior to the State Declaration of Emergency on Jan. 5, Valley Area Agency on Aging (VAAA), in partnership with other local community agencies such as the Genesee County Community Action Resource Department and the Genesee County Health Department, participated in the local ad-hoc response to the local water crisis by helping organize local meetings and by distributed water and water filters to the Region 5 Planning and Service area home-delivered meals participants.
- **AASA Staff:** AASA has a staff person who supports the SEOC and serves as a liaison to VAAA.
- **Trusted Access Point/Call Center:** VAAA continues to serve as a trusted access point for calls from homebound seniors who need assistance with bottled water, water filters, or if they have other general questions. VAAA also makes referrals to other agencies who can provide other needed services.

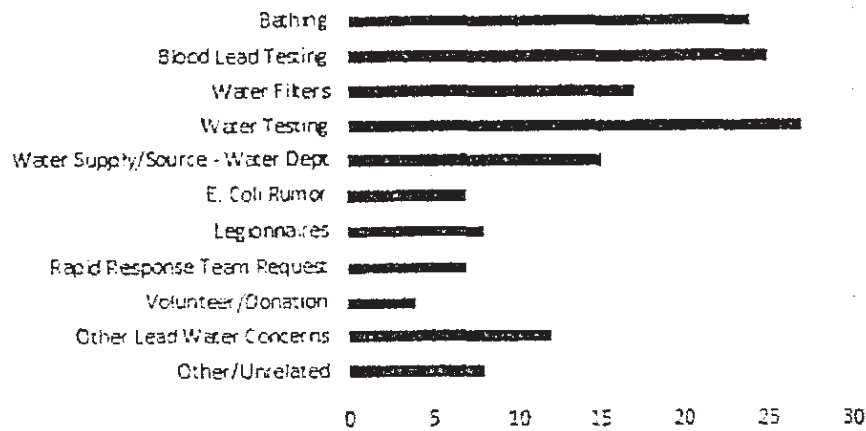

#### **Children's Services Agency (CSA)**

- **Actions:**
  - 89% visual confirmations of water filters (or otherwise confirmed as outside city of Flint water source) for all impacted foster care placement providers. Deadline 2/8/16
  - Genesee County Child Welfare Health Liaison Officer (HLO) reviewed lead testing information available on MCIR for 100% of foster children currently placed in Flint
  - Completed 100% of blood lead level testing for children placed at Whaley; results are pending
- Resources distributed by MDHHS child welfare staff (additional resources distributed by general services staff):
  - Water Filter Units: 63
  - Replacement Cartridges: 167
  - Test Kits: 45
  - Zerowater Pitchers: 32
  - Zerowater pitcher replacement cartridges: 24
- **Interagency Coordination/Communication:**
  - Written communication sent on 2/1/16 to all Child Welfare staff regarding expectation for water testing, follow up medical care for foster children, safety planning, and updated foster parents/agency agreement
  - Informational conference call conducted on 2/2/16 with the Business Service Center and county directors regarding the written communication sent on 2/1/16

#### GOV's ACTIVITIES

##### *Flint water bill relief*

[Snyder wants \\$30 million for Flint water bills \(FOX 47\)](#)

Flint residents want the murky, lead-contaminated drinking water gone, and the bills too.

[Michigan Governor Rick Snyder plans \\$30 M credit for Flint water customers \(AP\)](#)

Michigan Gov. Rick Snyder will propose \$30 million in state funding to help pay the water bills of Flint residents facing an emergency over the city's lead-contaminated water supply.

[Governor proposes \\$30M to pay Flint water bills \(WSJM\)](#)

Governor Rick Snyder is proposing \$30 million in state funding to help pay the water bills of Flint residents facing an emergency over the city's lead-contaminated water supply.

[Governor seeking \\$30 million to reimburse Flint residents for water bills \(WDIV\)](#)

Gov. Rick Snyder is asking the Legislature to approve \$30 million in funds that would go to Flint to reimburse residents for the money they've spent on water that was improperly treated and in some cases has tested astronomically high for lead.

[Snyder plans \\$30M credit for Flint water customers \(Michigan Radio\)](#)

Michigan Governor Rick Snyder will propose \$30 million in state funding to help pay the water bills of Flint residents facing an emergency over the city's lead-contaminated water supply.

[Snyder seeking \\$30M to reimburse Flint water customers \(Detroit Free Press\)](#)

Gov. Rick Snyder plans to announce Wednesday he will ask the state legislature to approve a \$30-million water payment relief plan for Flint residents to keep their water service on and reimburse them for water they cannot drink because of a lead-contaminated water supply, according to a document reviewed by the Detroit Free Press.

[Snyder proposing \\$30M to help pay Flint residents' water bills \(MLive\)](#)

Gov. Rick Snyder is proposing \$30 million in state funding to help pay residents' water bills in Flint water crisis.

##### *DPS Emergency Manager*

[State Manager for Detroit Schools Leaving Job Months Early \(AP\)](#)

Criticized on two fronts for his role in Flint's lead-tainted water crisis and his handling of teacher sick-outs and building conditions in Detroit's troubled public schools, Darnell Earley has decided to step down from his job as the state-appointed emergency manager for Michigan's largest school district before the end of his 18-month term.

#### Gov. Rick Snyder says emergency manager Darnell Earley to leave troubled Detroit schools early (AP)

Gov. Rick Snyder says emergency manager Darnell Earley to leave troubled Detroit schools early.

#### DPS emergency manager Darnell Earley to step down (Detroit Free Press)

Embattled Detroit Public Schools emergency manager Darnell Earley, who has faced increased criticism for his management of the district and his role in the Flint water crisis, is leaving his job Feb. 29. Gov. Rick Snyder will appoint a transition leader by the end of the month.

#### CEO to take over academics of four East Detroit schools (Detroit Free Press)

The state will appoint a chief executive officer to oversee four chronically low-performing schools in East Detroit Public Schools.

#### Ex-Flint manager Earley shrugs off U.S. House subpoena (Detroit Free Press)

Sources told the Free Press on Tuesday night that a congressional committee voted to subpoena former Flint emergency manager Darnell Earley to testify on the city's water crisis but that he has refused service.

#### New DPS manager needs Detroit's trust (Detroit News)

The calls for the resignation of the Detroit Public Schools emergency manager escalated to a fever pitch in recent weeks. And Darnell Earley got the message, letting the governor know Tuesday he'll step down at the end of the month. It was the right decision.

#### DPS Emergency Manager Darnell Earley out at end of month (Fox 2)

Detroit Public Schools Emergency Manager Darnell Earley has informed Gov. Snyder he is planning to leave his position at the end of the month, Gov. Snyder's office confirmed in a news release. You can read Earley's letter in full below. Earley is also the former Emergency Manager of the city of Flint, which is now under national scrutiny over its contaminated water system. While Earley was Flint's emergency manager, the city switched from Detroit's water system back to Flint's to cut costs. High lead levels have since been detected in Flint resident's tap water.

#### Detroit Public Schools EM Darnell Earley resigns from position (WDIV)

Detroit Public Schools (DPS) Emergency Manager and former Flint city emergency manager Darnell Earley will resign from his position at DPS this month. Earley will resign on Feb. 29, according to Gov. Rick Snyder's office.

#### Darnell Earley has resigned as DPS emergency manager (ABC 7 WXYZ)

Sources tell 7 Action News that Darnell Earley has resigned as emergency manager of Detroit Public Schools. The resignation will be effective February 29, according to a statement from the governor's office. "Darnell has done a very good job under some very difficult circumstances.

#### Flint's Former Manager Resigns as Head of Detroit Schools (New York Times)

The state-appointed emergency manager of the Detroit Public Schools, who had also managed the city of Flint and oversaw its decision to draw its water from the Flint River, resigned on Tuesday, the day before a congressional committee hearing in Washington on Flint's water.

#### Detroit school system's manager to step down this month (Reuters)

Detroit Public Schools' emergency manager Darnell Earley is stepping down later this month, Michigan Governor Rick Snyder said on Tuesday. Earley, who has drawn criticism from the teachers union and black state lawmakers for the crumbling state of the city's schools, will leave the school district on Feb. 29, the governor said in a statement.

#### Controversial Emergency Manager Of Detroit's Public Schools Resigns (NPR)

A Michigan emergency manager tied to two major controversies has resigned from his current post running Detroit's public school district. Darnell Earley has faced escalating criticism over poor conditions in Detroit schools. Before that, he ran the troubled city of Flint. As Michigan Radio's Rick Pluta reports:

Earley To Be Out The Door Early As Emergency Manager of Detroit Public Schools (Daily Detroit)

The Emergency Manger of the Detroit Public Schools and former Emergency Manger of the city of Flint, Darnell Earley, will be leaving office on February 29, 2016, says the Governor's office. His term was to end in June. *This does not mean* the end of emergency management for the district. Governor Rick Snyder will announce his appointment of someone to lead DPS by the end of the month.

Darnell Earley, current DPS EM, ex-Flint EM, to step down (Michigan Radio)

The controversial emergency manager of the Detroit Public Schools will step down at the end of this month, Gov. Snyder's office announced Tuesday. Snyder faced growing pressure to get rid of Darnell Earley.

Detroit Schools' Emergency Manager to Step Down (Wall Street Journal)

Embattled Detroit Public Schools emergency manager Darnell Earley will step down from his post at the end of the month, departing from the cash-strapped school district after just over a year and leaving the system's next steps in the hands of another state appointee.

Detroit Schools Emergency Manager Darnell Earley Will Step Aside Early (Deadline Detroit)

"Darnell Earley was a complete disaster as the Emergency Manager of Detroit Public Schools and the City of Flint," says Ron Bieber, President of the Michigan AFL-CIO, in a statement. "But let's be clear, Rick Snyder is the one who's ultimately responsible for Earley's failures in Flint and Detroit."

The Detroit schools emergency manager resigns after a month of 'sick-outs' and stomach-turning images of decay (Business Insider)

Detroit Public Schools (DPS) emergency manager Darnell Earley announced he will step down at the end of February, *The Detroit Free Press* reported.

Darnell Earley, head of Detroit schools and former Flint EM, resigning (MLive)

Darnell Earley, the state-appointed emergency manager of Detroit Public Schools who also ran Flint government during that city's ill-fated water system changes, is resigning.

Detroit school system's manager to step down (Aljazeera)

Detroit Public Schools' emergency manager Darnell Earley is stepping down later this month, Michigan Gov. Rick Snyder said on Tuesday.

Detroit Public Schools emergency manager steps down (FOX 28)

*In Michigan a controversial official is stepping down after Detroit teachers called for his removal last week.*

Detroit Public Schools Emergency Manager Darnell Earley Resigns (WDET)

Detroit Public Schools Emergency Manager Darnell Earley announced Tuesday he will step down at the end of this month.

*SRO Announcement*

4 East Detroit schools to get CEO to boost academics (The Detroit News)

Thirty Michigan schools, including 12 Detroit Public Schools, will be removed from the state's list of the lowest performing schools, Gov. Rick Snyder announced Tuesday.

### 30 Michigan schools no longer among state's lowest performers (MLive)

Thirty Michigan schools will be removed from the state's list of lowest performing schools after making academic strides, Gov. Rick Snyder's office announced Tuesday.

### Three downriver schools remain on state's Priority Schools list (The News Herald)

Three Downriver schools remain on the state's Priority Schools list after Gov. Rick Snyder's office announced today that 30 schools were being removed due to significant improvement in education

### FOIA

#### Amid the Flint water crisis, journalists are calling for changes to Michigan's FOIA law (Poynter)

When Michigan Gov. Rick Snyder released emails related to the ongoing water crisis in the city of Flint earlier this month, he was under no obligation to do so. Michigan is one of only two states in the country (Massachusetts is the other) where the state's Freedom of Information Act excludes the governor's office from public records searches. Missing from Gov. Snyder's voluntary 274-page disclosure were emails from before 2014, when the governor-appointed emergency manager in charge of Flint made the decision to switch the city's water source from Detroit public water to the Flint River, a poorly-managed transition which resulted in the lead poisoning of thousands of Flint residents.

### The Struggle for Accountability in Flint (Boston Review)

What is unfolding in Flint, Michigan, is not just a public health crisis. Faith in the public sector, too, is at risk of being irreparably shaken. Lead-contaminated water has flowed since the spring of 2014 into this city of roughly 100,000 people, despite residents' repeated complaints. Several investigations and class-action lawsuits are underway, highlighting the contempt in which the people of Flint were held by the very state officials tasked with protecting their safety. Governor Rick Snyder has apologized and promised support not just to fix Flint's corroded pipes, but also to expand special education and mental health services.

### Flint Water

#### Neither party wants Rick Snyder to resign over Flint (Michigan Radio)

If you've turned on any TV news channel today, my guess is that you saw experts talking about the meaning of the Iowa caucuses. I watched more of that than I intended to, and discovered that the single best assessment did not come from one of the glamorous talking heads, but from a former congressman who is going to be 90 years old this summer.

### Governor Snyder signs \$28M in aid for Flint (Leader Call)

The state has come under fire for its handling of the Flint water crisis up until now, with some demanding Snyder's resignation. Rick Snyder doesn't want you to know which corporations are paying to salvage his reputation in the wake of the lead poisoning of Flint's children under his watch.

### Gov. Rick Snyder taking 'baby steps' on Flint water crisis, Michigan senator accuses (MLive)

Senate Minority Leader Jim Ananich sent a letter to Gov. Rick Snyder over the weekend asking for the thing he says Flint residents need right now: swift action to address the Flint water crisis. "I'm tired of spin. I'm tired of meetings saying they're going to do things," Ananich said at a press conference Tuesday morning.

### Fieger lawsuit targets Flint hospital and Snyder administration on behalf of Legionnaires' patients (ABC 7 WXYZ)

Attorney Geoffrey Fieger has filed a \$100 million lawsuit on behalf of four Genesee County residents who contracted Legionnaires' disease at McLaren Hospital during the Flint water crisis. According to the lawsuit, one of those residents, 58-year-old Debra Kidd, died from Legionella pneumonia on August 2, 2015.

### Fieger Files 100 Million Dollar Lawsuit Against Snyder Administration And McLaren Hospital For Legionella Outbreak And Flint Water Crisis (PR Newswire)

Attorney Geoffrey Fieger announced today he has filed a one hundred million dollar lawsuit on behalf of four Genesee County residents who contracted Legionnaires' disease while being treated at McLaren Flint Hospital during the Flint

water crisis. One of the residents was 58 year old Debra Kidd, who died from *Legionella pneumonia* on August 2, 2015, just seven days after she presented to the McLaren Flint ER with a headache.

#### *Bill Signings*

Gov. Snyder okays personal emergency information on state IDs (AP)

Laws enacted by Gov. Rick Snyder will let Michigan residents have their emergency contact information linked to their driver's license or state ID.

Snyder signs law linking emergency contact to your ID (WWMT)

Governor Snyder has signed legislation that will allow you to link emergency contact to your ID.

#### *MISC.*

Snyder plan to fight Great Lakes algae draws criticism (The Detroit News)

Michigan Gov. Rick Snyder's plan for helping reduce the spread of algal blooms in the Great Lakes fails to go far enough, according to several conservation groups. In November, state officials rolled out their plan for reducing the amount of phosphorus that reaches the lakes and helps generate the green blooms that foul beaches and interfere with boating. Algae has become particularly problematic in Lake Erie, where it contaminated Toledo's water supply in 2014.

#### **FLINT**

U.S. Rep. Kildee plans to testify before Congress on Flint water (Mlive)

U.S. Rep. Dan Kildee says he will testify before the House Committee on Oversight and Government Reform on the Flint water crisis Wednesday, Feb. 3. Kildee's announcement comes amid reports by The Detroit Free Press and others that former Flint emergency manager Darnell Earley may not testify after having been called to by the House committee.

FBI Investigating Flint Lead Poisoning Scandal (Patch)

The FBI has joined the investigation into the Flint lead-poisoning scandal, federal prosecutors and others have confirmed. FBI Detroit field office spokesman Jill Washburn told The Detroit News the agency has been investigating the manmade public health catastrophe "for a while" to "determine if there are any federal violations."

FBI joins Flint drinking water investigation (Detroit Free Press)

The FBI is now investigating the contamination of Flint's drinking water, a man-made public health catastrophe, which has left an unknown number of Flint children and other residents poisoned by lead and resulted in state and federal emergency declarations. Gina Balaya, a spokeswoman for the U.S. Attorney's Office in Detroit, told the Free Press Monday that federal prosecutors are "working with a multi-agency investigation team on the Flint water contamination matter, including the FBI, the U.S. Postal Inspection Service, EPA's Office of Inspector General, and EPA's Criminal Investigation Division."

New class-action takes aim at alleged Flint water 'conspiracy' (Mlive)

A new class-action lawsuit has been filed claiming state and local leaders conspired to deny any trouble with the city's water supply while discriminating against residents by providing clean water to state office workers here.

Flint mayor calls for immediate removal of lead pipes (Detroit Free Press)

Flint Mayor Karen Weaver is expected to call for immediate action to remove lead pipes from the city's water distribution system at a news conference, city officials announced Tuesday. Weaver is expected to make the announcement alongside Baltimore Mayor Stephanie Rawlings-Blake, Lansing Mayor Virg Bernero and former Atlanta Mayor Shirley Franklin and community members at City Hall.

Flint residents headed to Washington, D.C., for hearing on water crisis (Mlive)

A group of Flint residents who want to be heard in Washington, D.C., will leave Flint tonight.

Organizers want people who are impacted by the Flint water crisis to be able to tell their stories during the U.S. House Committee on Oversight and Government Reform hearing.

Prominent Baltimore attorney brings class-action lawsuit against Flint officials over water contamination (The Baltimore Sun)

Prominent Baltimore attorney William H. "Billy" Murphy Jr. — who recently won a \$6.4 million settlement for the family of Freddie Gray — has brought a federal class-action lawsuit against state and local officials in Flint, Michigan over the contamination of the city's drinking water.

## DETROIT

East Detroit Public Schools to fall under state control for academics (Macomb Daily Education)

A chief executive officer will soon be named to oversee academics in East Detroit Public Schools after years of chronically low student achievement, state officials said Tuesday. The CEO will have jurisdiction over all instructional and financial decisions of four of the district's seven schools for the next three years along with the superintendent, according to the State School Reform Office.

House speaker bashes Detroit teachers union after emergency manager announces resignation (MLive)

House Speaker Kevin Cotter, R-Mt. Pleasant, tore into the Detroit teachers union Tuesday in a statement issued after Gov. Rick Snyder's office announced the resignation of Darnell Early, who's led Detroit Public Schools since January 2015.

Flint's former emergency manager subpoenaed (KRDO)

Darnell Early sent a letter to Michigan's governor Tuesday announcing his resignation from his role as emergency manager of Detroit Public Schools. Hours later officials in Washington sent him a different kind of message: a subpoena.

Mayor Duggan expands effort to get Detroit teens to work (WXYZ)

Detroit Mayor Mike Duggan is expanding an effort to put teens to work this summer.

The Latest: Teachers' Union Wants Local Control for District (ABC News)

The Detroit teachers' union president says emergency manager Darnell Early's decision to step down is a step in returning the district to local control. Ivy Bailey said Tuesday that "appointing another emergency manager won't fix Detroit's education crisis."

Detroit mayor announces reduction in property assessments (Mining Journal)

Mayor Mike Duggan announced a drop in residential property assessments for about 95 percent of Detroit residents after years of cost complaints from angry homeowners.

## DEPARTMENTS

### AG

FBI Joins Investigation of Flint Water Lead Contamination (AP)

The FBI is working with a multi-agency team investigating the lead contamination of Flint's drinking water, alongside Environmental Protection Agency investigators who can tackle criminal violations of federal environmental law, officials said Tuesday. Several local, state and federal officials have resigned since doctors revealed last year that using the Flint River for the city's drinking water supply caused elevated levels of lead in some children's blood. Lead contamination has been linked to learning disabilities and other problems. Michigan's governor has apologized repeatedly for the state's role.

Michigan attorney general seeks public input on Mackinac Straits pipeline risks (Legal Newline)

Michigan Attorney General Bill Schuette has announced the state will seek public input on proposal drafts from environmental and engineering experts completing risk and alternative studies on the Mackinac Straits pipeline known as Enbridge Energy's Line 5.

Michigan attorney general issues warning about Flint water scams (WDIV)

Michigan Attorney General Bill Schuette on Tuesday issued a warning about scams relating to the Flint water crisis. Schuette said two common scams involve charitable giving and home and business repairs.

Why is the FBI getting involved in Flint? (Christian Science Monitor)

Multiple federal agencies are now involved in a criminal investigation into the Flint, Mich., water crisis. Gina Balaya, a spokeswoman for the US Attorney's Office in Detroit, said in an email to media that federal prosecutors in Michigan are "working with a multi-agency investigation team on the Flint water contamination matter, including the FBI, the U.S. Postal Inspection Service, the EPA's Office of Inspector General ... and the EPA's Criminal Investigation Division."

The 30 untested rape kits in the Ypsilanti Police Department are part of cases that are completed or disputed, police say.

DEQ

FBI joins Flint water contamination probe (AP)

The FBI is working with a multi-agency team investigating the lead contamination of Flint's drinking water, alongside Environmental Protection Agency investigators who can tackle criminal violations of federal environmental law, officials said Tuesday.

Flint water crisis provides battle cry in local environmental fights (MLive)

Bursting into cheers at every mention of Flint, a crowd of Southfield residents angrily expressed opposition to a proposal to drill for oil in a residentially zoned area Monday night. It was the second time in five days that a large crowd of Metro Detroiters gathered over fears of environmental contamination, pointing repeatedly to the Flint's water crisis as an example of disaster caused by flawed state regulation.

EPA lays out future plans in Flint water crisis (MLive)

The U.S. Environmental Protection Agency is in Flint and plans to stay for the long haul as it works on testing water at homes and ensuring the city's infrastructure is repaired.

Arbor Hills odors lead to violation, construction (Hometown life)

Construction to replace existing gas wells and add new ones at the Arbor Hills Landfill — which also has a proposal to expand — is underway, a move expected to reduce odors that nearby homeowners have complained about. "I've gotten quite a few complaints last week and through the weekend and yesterday," said Tom Casari, Northville Township public services director. "They are coming from everywhere on the west end."

DHHS

Leadership class to help give foster children, parents more comfortable visit room (Petoskey News)

People who use the visitation room at the Michigan Department of Health and Human Services in Petoskey are probably not thinking about worn-out furniture or sparse wall decorations. It is more likely they have other, more important things on their minds. Like spending quality time with their children.

"The visitation room is used to facilitate visits between foster children and their parents and other family members.

State has fewer goals to end child welfare system oversight (9&10 News)

The FBI is now investigating the contamination of Flint's drinking water, a man-made public health catastrophe,

which has left an unknown number of Flint children and other residents poisoned by lead and resulted in state and federal emergency declarations.

Flint rashes: State, U.S. agencies to investigate cause (Detroit Free Press)

The Michigan Department of Health and Human Services has begun to investigate the rashes that have plagued many Flint residents since the city changed its water source to the Flint River in 2014.

DTE Energy asks state of Michigan for Ok to raise rates (Detroit Free Press)

DTE Energy has asked the state of Michigan to raise its electricity rates.

## SOS

Tesla looking to overturn Michigan's franchised dealership law (The Verge)

Though Tesla is applying for a car dealership license with the State of Michigan, the company has no plans to begin franchising dealerships in the state, the company says in a statement. Yesterday, it was reported that Tesla had applied with the Michigan Secretary of State for a "Class A" license to "buy and sell new vehicles under a franchise agreement or a contract with a new vehicle manufacturer." That would be fine, except Tesla is the manufacturer of the vehicles in question.

Tesla Motors applies to sell, service cars in Michigan (CBS New York)

Tesla Motors has applied for licenses to sell and service its vehicles in Michigan

Deadline to register to vote in March primary is next Monday (94.9)

The deadline to register to vote in Michigan's presidential primaries is fast approaching. The Michigan Secretary of State's office warns it's next Monday.

## LEGISLATIVE

Senate minority leader says Governor must take "real estate" in Flint (WILX)

Many state lawmakers aren't holding back their feelings about how Governor Rick Snyder handled Flint's water crisis.

State couldn't advertise for 'Healthy Michigan' Medicaid expansion under bill (MLive)

The state Department of Health and Human Services would have to stop spending \$2 million per year on advertising for the Healthy Michigan plan under a proposal the Senate Health Policy Committee considered on Tuesday.

75 mph speed limit green light by Michigan House panel (MLive)

Speed limits on some Michigan freeways could eventually reach 80 miles per hour under a package approved by the House Transportation and Infrastructure Committee Tuesday.

Tax credits for charitable donations may be restored (Detroit Free Press)

Five years after tax credits for a wide variety of charitable contributions and other expenses were eliminated as part of Gov. Rick Snyder's tax reform policies, the Michigan Legislature began taking action Tuesday to restore those credits.

Michigan bills aim to make sick-outs illegal strikes (Detroit Free Press)

Frustrated by teacher sick-outs that have caused the closure of dozens of Detroit Public School buildings since the beginning of the year, the Senate Education Committee voted Tuesday to make it easier to determine that a sick-out is an illegal strike and to punish the teachers and school districts that participate.

Michigan lawmakers may raise speeds on rural highways (Detroit News)

The speed limit could jump to 75 mph on some 600 miles of rural highway in Michigan — and possibly even higher on portions of two heavily traveled interstates — under a measure a committee sent to the state House on Tuesday.

## OPINION

Editorial: Earley is out, but Detroit kids still need help (Detroit Free Press)

And just like that, Darnell Earley is heading out the door.

Miller: 'No' to nuclear waste near Lake Huron (Detroit News)

The United States and Canada have long shared an appreciation for the vital role the Great Lakes play in our economic and cultural lives and history — and a commitment to preserve and protect the Lakes for generations to come.

Editorial: New DPS manager needs Detroit's trust (Detroit News)

The calls for the resignation of the Detroit Public Schools emergency manager escalated to a fever pitch in recent weeks. And Darnell Earley got the message, letting the governor know Tuesday he'll step down at the end of the month. It was the right decision.

Letters: Readers on Snyder record, Flint responsibility (Detroit News)

Re: Paul W. Smith's Jan. 30 column in The Detroit News "Don't forget Snyder's good work": I'm not a Smith fan, but now I'm echoing him all the way. His column on our governor is the first clear, fair accounting on the subject I've seen since the Flint water debacle became public.

New DPS manager needs Detroit's trust (Detroit News)

The calls for the resignation of the Detroit Public Schools emergency manager escalated to a fever pitch in recent weeks. And Darnell Earley got the message, letting the governor know Tuesday he'll step down at the end of the month. It was the right decision.

MIRS MIDDAY UPDATE: Snyder Calls For \$30M To Pay For Flint Residents' Water Bills -- 12 p.m.  
[http://www.mirsnews.com/alert.php?alert\\_id=2182](http://www.mirsnews.com/alert.php?alert_id=2182)

---

Flint residents would receive a state credit on their water bills from April 2014 to whenever their tap water is safe to drink, under a \$30 million plan Gov. Rick SNYDER announced this morning.

Residents would still need to pay for the sewer portion of their bills under Snyder's plan, but would be cleared from having to paying the "consumption" charge, which is roughly 65 percent of the total bill.

The proposed "Consumption and Consumer Use Credit" will be formally presented to the Legislature when Snyder unveils his Fiscal Year (FY) 2017 budget recommendation on Feb. 10. The credit would not take effect until the budget goes through the full state budget process, including vetting and approval by House and Senate committees as well as a vote of both chambers, according to a release from the Governor's office.

"I agree with Flint residents, that they should not have to pay for water they cannot drink," Snyder said.

Marc EDWARDS, the Virginia Tech University researcher whose findings of lead being in Flint's water supply sounded the alarm on the severity of Flint's situation, was quoted in the Governor's press release.

He called it an "amazing gesture of common sense and good will and it corrects an injustice.

"I feel so encouraged by the direction this is going," he said.

Senate Majority Leader Arian MEEKHOF (R-West Olive) said he is open to the Governor's request, noting that the Legislature is willing to consider anything that can be proven to help the city and its residents address the fallout from the water crisis.

"We're going to have a very, very open and frank discussion about it," he said.

Senate Minority Leader Jim ANANICH (D-Flint) said he appreciates the fact that the Governor is realizing requiring citizens to pay for bad water is unfair. However, he said estimates he's heard from local officials on drinking water usage costs are likely closer to \$60 million since the switch happened.

"It's very difficult to put a percentage on the problem -- I think if the true cost is 60 million, then we need to work towards that," he said. "I think that's the only thing that's fair for the taxpayers."

Ananich added that he believes the funding should come in a supplemental instead of moving through the budget process.

In other news today, Ananich proposed that the state cancel an \$80 million annual tax credit to insurance companies that came about as part of a "drafting error" in 2012 and direct that money to replacing Flint's corroded lead pipes.

Ananich also said he believes the Governor's plan should cover the entirety of Flint residents' water bills since no one has a firm handle on when and how the water could have been safely used. It's better, he said, to give Flint residents "the full credit they are due -- and not factor a percentage on their safety."

"The Governor is right to take on this problem of unfair bills," Ananich said. "I hope he's willing to work with me to get this legislature to act more swiftly and secure resources to fully address all facets of this crisis."

The Governor and Legislature have already directed \$28 million in emergency money to Flint last week in addition to \$9.3 million approved in October to move Flint's water supply back to Detroit's system, among other expenses.

**Subject:** Wednesday, Feb. 3 update from the Flint Water Response Team

### FLINT WATER RESPONSE TEAM

UPDATE | WEDNESDAY, FEBRUARY 3, 2016

This daily update is being issued in order to provide the latest information regarding actions and available resources.

#### Governor Snyder proposes \$30 million for Flint water bill repayments

“I agree with Flint residents, that they should not have to pay for water they cannot drink.

My budget recommendation will include the request for the state to make payments to the city's water system for residential bills going back to April 2014.”

— Rick Snyder

[www.mi.gov/FlintWater](http://www.mi.gov/FlintWater) | [www.HelpForFlint.com](http://www.HelpForFlint.com)

When Governor Rick Snyder presents his budget recommendation next Wednesday, Feb. 10, he will include a \$30 million request for the residents of Flint to keep their water service on and eliminate the need to pay for water they cannot completely trust to drink.

The credit would be applied to consumption usage (roughly 65 percent) of a resident's water portion of the bill.

Professor Marc Edwards of Virginia Tech said, "This essentially refunds all the money associated with consumption or consumer use. I think it's an amazing gesture of common sense and good will and it corrects an injustice. I don't think there's a precedent for this. I feel so encouraged by the direction this is going."

#### [Click here to learn more about the \\$30 million budget recommendation.](#)

Flint families need critical clean water resources. Since January 9, the state has distributed:

- 244,933 cases of bottled water
- 101,911 water filters
- 205,820 replacement cartridges
- 33,561 water testing kits

#### REMINDERS

- For Flint water assistance: Dial United Way 211 or visit [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater)
- To donate or volunteer: visit [www.HelpForFlint.com](http://www.HelpForFlint.com)

- Residents should install filters to their taps to ensure they have immediate and ongoing access to safe water. Only run cold water through the water filter and use filtered water for drinking and cooking. Monitor the cartridge on the filter and replace as needed.

#### WATER RESOURCE LOCATIONS

These sites are open seven days a week from 9 a.m. to 9 p.m. with the following resources:

- Bottled water
- Water filters
- Replacement cartridges for water filters
- Water testing kits pick-up
- Drop-off location for water testing kits

Fire Station #1  
310 East 5th St.  
Flint, MI 48502

Fire Station #3  
1525 Martin Luther King Ave.  
Flint, MI 48503

Fire Station #5  
3402 Western Rd.  
Flint, MI 48506

Fire Station #6  
716 West Pierson Rd.  
Flint, MI 48505

Fire Station #8  
202 East Atherton Rd.  
Flint, MI 48507

We will continue to work to improve the water situation in Flint. Community members and local officials are working together to make sure we hear and respond to concerns. Governor Snyder will continue to keep you updated on the latest news and information. **If you don't find the resources you need by dialing United Way 211 please call the Governor's office directly at 517-335-7858.**

### Budget recommendation will include \$30 million request for Flint water bill repayments

“I agree with Flint residents, that they  
should not have to pay for water they  
cannot drink.

My budget recommendation will  
include the request for the state to make  
payments to the city's water  
system for residential bills going  
back to April 2014.”

[www.mi.gov/FlintWater](http://www.mi.gov/FlintWater) | [www.HelpForFlint.com](http://www.HelpForFlint.com)

When Governor Rick Snyder presents his budget recommendation next Wednesday, Feb. 10, he will include a \$30 million request for the residents of Flint to keep their water service on and eliminate the need to pay for water they cannot completely trust to drink.

Under the governor's ask, the funding would enable the city of Flint to apply credits for customers on future bills. Estimates show water is roughly 47 percent of billing and sewer costs are around 53 percent. The credit would be applied to consumption usage (roughly 65 percent) of a resident's water portion of the bill, such as for bathing, drinking, cooking, and washing your hands. Residents still would be responsible for paying the sewer portion of their water bills.

Professor Marc Edwards of Virginia Tech said, "This essentially refunds all the money associated with consumption or consumer use. I think it's an amazing gesture of common sense and good will

and it corrects an injustice. I don't think there's a precedent for this. I feel so encouraged by the direction this is going."

[Click here to learn more about the budget request.](#)

**LEARN MORE**

We spoke with Staff Sgt. Thomas Vega about the critical resources they're providing to Flint families every day. He also encouraged residents to pick up and return their water testing kits to Flint fire stations. Test results will be posted online at [www.mi.gov/flintwater](http://www.mi.gov/flintwater). ### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

#### **Update 2/3/16 – 30<sup>th</sup> Day (29<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

##### **Mission focus for the day:**

- Refocus state agencies on objectives, tasks in the Incident Action Plan and how we get to the end state/shift to longer term recovery.
- Ensure adequate quantities of supplies to support operations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
  - Shift Water Response Team operations to a targeted effort to provide filters into homes where data shows filters have not been provided and/or visits not made.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
  - Obtain additional information from the City of Flint and Genesee County for Declaration of Emergency appeal.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
  - Includes filter replacement strategies.
- Submit SBA application – outstanding item is the certification of availability of financial assistance. Priority item for the a.m. so this can get submitted. Press release has been completed.

##### **Status on Governor's request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### **Attached:**

1. Daily Summary of Data, full version and abridged (New reporting format – we will ensure we give liters of water and cases in the future)
2. Residential Water Sampling Results Maps – Lead and Copper
3. SitRep 29

##### **Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Thursday, February 4, 2016.

- Will continue to target residences from the Apartment List from 2/2/16

#### Items to Note

- Paired down the list of parcels not visited from 2400 to 958. Will continue on 2/4/16 to identify any parcels not visited. Some parcels contain multifamily residences and those types of residences are being reviewed and targeted to ensure coverage.
- MDOC is going to look into their job programs for any prisoners begin release back into the Flint area. This will be in conjunction with any other job programs identified. We are working with MTED on solutions.
- DEQ and DHHS will be going to residences with >150 ppb starting tomorrow. They will be checking residences next to the one with the high lead level to see if this is a single residence issue or a bigger issue affecting the block or line in an area. This will not initially include EPA as they did not seem interested in combining teams but we are working on more collaboration without slowing us down.
- DEQ will have a representative in the UCG starting 2/4/15.
- Discussed with UPS on ways they can assist with Rapid Response Team and filter replacements in the future.
- Additional warehouse will be put in service potentially Saturday. Seventh Day Adventist are potentially going to operate it or help with operations to phase out state agency personnel and make it more community run. The warehouse does include some office space if needed.
- 10 ARC Flint Water Response Teams to the field today.
- Team Priority Visited Today: Apartment List from 2/2/16
- SEOC Logistics worked with MDOC on their assistance with warehouse management and staffing for new warehouse Reached out to Food Bank on their recommendation and coordination for hours/days of operation of new warehouse.
- SEOC Operations attended a donations management meeting to discuss the need for a consolidated list of donated goods.
- JIC strategized with the U.S. Department of Health and Human Services and Environmental Protection Agency on how to better coordinate public information.

#### Unified Coordination Group (UCG):

- UCG IAP approved today for the operational period 0800 2/2/16 to 0800 2/4/16.
- The Federal Health Coordinating Officer had a meeting today with Economic Development and Housing and Urban Development.
- EMHSD liaison provided information on Michigan EM structure to Command.
- State JIC manager now in the communication loop for the UCG.
- UCG discussed MARCs and potential implementation.
- Capt. Kelenske met with Don Boyce from US DHHS to discuss concerns with Federal HHS and EPA and how we can move forward with better collaboration and coordination. Boyce also met with Governor's Office staff on same. The meeting went well and a solid relationship is in place with Boyce. He is a direct report to Dr. Lurie and will provide her some context on the issues and how we can move forward. He will be a good POC to assist us with any shifts in direction needed at the federal level.

#### Local EOC

- Coordinated rapid response deliveries to homebound residents and special locations.
- Working on refining rapid response delivery process.
  - Preparing transition from Team Rubicon personnel to NCCC teams, and eventually Southern Baptist Disaster Relief.
  - Coordinating with ARC for logistics support to NCCC teams (AmeriCorp).
- Working with ARC to ensure resource needs of franchise customers at Sunridge Apartments complex in Flint Township are met.
- Coordinating with MDEQ to streamline test kit assembly process.
- Attended distribution plan meeting with faith-based organizations, state, and local agencies.
- Referring VOADs to appropriate volunteer management agencies.

- Addressing various public concerns, including availability of supplies at child care facilities.

Chris

## INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

### Update 2/2/16 – 29<sup>th</sup> Day (28<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

#### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue investigating a warehousing option for non-palletized donations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Continue to work on SBA application.
- Obtain additional information from the City of Flint and Genesee County for appeal.

#### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Attached:

1. MDDHS Director’s Sit Rep: Reference blood lead testing results.
2. Sit Rep #28

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Wednesday, February 3, 2016
- Apartment complexes will be targeted tomorrow.
- We anticipate providing a cleaner way to view the numbers at a glance starting tomorrow.
- **Work with the Chamber of Commerce and MEDC to get more businesses for the SBA declaration. Found that we only have a gross revenue loss of 24% when it needs to exceed 40%. Will follow up first thing with SBA to double check this. Chamber of Commerce was to provide the top 5 businesses with losses.**

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- Team Priority Visited Today: Completed Section 8 housing list. 10 remaining franchise customers.
- SEOC Logistics worked with DTMB to secure additional warehouse location for donated water.
- JIC partnered with the Michigan Association of Broadcasters (MAB) to record two PSAs in Spanish. The PSAs were shared with MAB member stations.
- SEOC Finance met with State Budget Office to discuss and develop collaborative cost reporting for all state agencies.
- SEOC Planning finalized Small Business Administration request for economic injury.
- Information reported to the JIC:
  - As of 2/2/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 2/2/16*
30,770	37,844	12,406	530

\*There were issues with the app in the field on February 2, 2016. Outstanding data will be included tomorrow night.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	255,457
b. Filters	102,498
c. Filter cartridges	206,642
d. Test kits	33,243*

\*Adjusted due to test kits were not assembled at POD 1 yesterday and sent back to warehouse. Those kits were included as distributed and should not have been.

3. Resources purchased:

- a. Cases of water 2,715,324 Liters (additional 1,209,675 Liters donated)
- b. Filters 266,312\*
- c. Filter Cartridges 584,957\*
- d. Test kits 62,701

\*Includes back data, not previously accounted for, from MDHHS purchases on January 12-16, 2016 so there is a jump in the amounts.

4. Teams going out tomorrow:

- a. 10 American Red Cross Teams scheduled for Wednesday, February 3, 2016.

Standing Information Requirements

1. Number of homes visited each day:

- a. 2/2/16, as of 5 pm, 530 homes were visited today

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 12,406

3. Total number of National Guard on the ground:

- a.

4. Total Number of Volunteers each day:

- a. 27 volunteers on 2/2/16, per ARC.

5. \*Number of homes with filters:

	Total Number	Number with filters
Residential parcels	38,831	28,277
Active residential water subscribers	26,673	22,491

6. Number of Water filters distributed (each day and to date):

- a. 587 (172 FWRT + 415 PODs [1700 2/1 to 1600 2/2]) were distributed since this report yesterday and total distributed to date is 102,498.

7. Cases of Bottle water distributed (each day and to date):

- a. 10,524 (444 FWRT +10,080 cases or 120,960 liters PODs [1700 2/1 to 1600 2/2]) were distributed since this report yesterday and the total distributed to date is 255,457 cases or 3,065,484 Liters.

8. Number of testing kits distributed (each day and to date):

- a. 491 (56 FWRT +435 PODs [1700 2/1 to 1600 2/2]) were distributed since this report yesterday and the total distributed to date is 33,243.

9. **Number of people tested for elevated blood levels (kids, adults, total):**

- a. See attached MDHHS Sit Rep, pages 1 and 3 – this is a new format from DHHS but we are working to pull it into an easier format.

10. **Number of people with elevated blood level (kids, adults, total):**

- a. See attached MDHHS Sit Rep, pages 1 and 3 -- this is a new format from DHHS but we are working to pull it into an easier format.

11. **Number of homes with safe drinking water:**

- a. Drinking water (Analyzed 9/3/15 to 2/2/16)
- i. 5516 out of 5906 (93%) at or below 15 ppb (390 tests above)
  - ii. <5 ppb: 4853 (82%)
  - iii. 5-15 ppb: 663 (11%)
  - iv. > 15 ppb: 390 (7%)
  - v. >30 ppb: 214 (4%)
  - vi. >150 ppb: 50 (0.8%) (DEQ and DHHS are working to get a plan in place to ensure these homes are visited).

\*Note, per MDEQ, this data is from uncontrolled samples provided by residents.

Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Coordinating distribution of appropriate supplies to Flint water system franchise customers outside the City of Flint.
- Coordinating with owner of new warehouse site for access to the site, and operations at the facility.
- Addressing various public concerns, including availability of supplies to residents in apartment complexes.
- Attended meeting with UM-Flint to discuss student volunteer opportunities and potential communications support.
- Attended VOAD meeting to discuss volunteer engagement, volunteer management, and distribution management.
- Coordinating replacement for Team Rubicon after their demobilization for rapid response deliveries.

Chris

**Subject:** SEOC Update 2/1/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 2/1/16 – 28<sup>th</sup> Day (27<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

**Mission focus for the day:**

- Finalize new Incident Action Plan (IAP) for Operational Period 2/2/16 to 2/9/16.
- Sync up with the UCG to ensure lines of communication and operation are clear.
- Ensure adequate quantities of supplies to support operations.
- Continue investigating a warehousing option for non-palletized donations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.

- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Continue to work on SBA application – pends status of Declaration of Emergency appeal.
- Obtain additional information from the City of Flint and Genesee County for appeal.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal. IHP is an Individual Assistance program.

#### Attached:

1. SitRep 27
2. Flint Water Timeline (DRAFT) – This is a running record I keep so I have it for future reference. This is draft but thought some of you may want it at this time.
3. State Agency Weekly Activities – It was mentioned on the morning call to have a weekly activities sheet. I am certain there are other events to be added but this is from the SEOC personnel.
4. Day to Day POD Comparison Data – Internal for EMHSD and FEMA

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Tuesday, February 2, 2016
- Franchise Customers continue to be targeted for visits with additional to be determined.

#### Items to Note

- The question came up as to the difference between active residential customers and residential parcels. Customers are on the Flint water system according to what the City of Flint provides us. Residential parcels are those not on the system for numerous reasons to include them having a well or just not connected to the system. We are aware some not on the system have gotten filters. I also do not have a lot of faith in the records provided to us by the city water department. We just received an updated franchise list which had more customers from the city that is different from the one we were given earlier.
- Received approval to obtain a former Kroger store near Statoin 6 POD. This will greatly alleviate donation management issues. *Office space is available at this location if needed.*
- 10 ARC Flint Water Response Teams to the field today.
- GIS was not able to develop maps with today's data due to issues with the software. They will be providing maps first thing tomorrow.
- Recovery Branch coordinated meeting with Michigan Community Service Commission (MCSC), Local EOC, and ARC regarding volunteer coordination and reporting.
- JIC is working to set up a legislative and congressional briefing call this week.
- Information reported to the JIC:
  - As of 2/1/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I 1/31/16	Phase II 2/1/16	Targeted Total	ARC Paper Data* 1/31/16	Targeted Canvassing Mission 2/1/16
30,770	37,844	11,876	1,135	1,164

\*Data from last night that was not available.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	244,933

b. Filters	101,911
c. Filter cartridges	205,820
d. Test kits	33,561

3. Resources purchased:

- a. Cases of water 2,637,324 Liters (additional 1,127,171 Liters donated)
- b. Filters 165,048
- c. Filter Cartridges 389,357
- d. Test kits 62,701

4. Teams going out tomorrow:

- a. 10 American Red Cross Teams scheduled for Tuesday, February 2, 2016.

Standing Information Requirements

1. Number of homes visited each day:

- a. 1/31/16, ARC Data, 1,135 homes were visited yesterday. Data was not included in yesterday's report.
- b. 2/1/16, as of 5 pm, 1,164 homes were visited today

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 11,876

3. Total number of National Guard on the ground:

- a.

4. Total Number of Volunteers each day:

- a. 50 volunteers on 2/1/16, per ARC.

5. \*Number of homes with filters:

	Total Number	Number with filters*
Residential parcels	38,831	28,167
Active residential water subscribers	26,673	22,400

\*Number does not include franchise customers, will be updated tomorrow morning.

6. Number of Water filters distributed (each day and to date):

- a. 1,318 (1,001 FWRT + 317 PODs [1700 1/31 to 1600 2/1]) were distributed since this report yesterday and total distributed to date is 101,911.

7. Cases of Bottle water distributed (each day and to date):

- a. 10,443 (1,218 FWRT +9,225 PODs [1700 1/31 to 1600 2/1]) were distributed since this report yesterday and the total distributed to date is 244,933.

8. Number of testing kits distributed (each day and to date):

- a. 1,091 (293 FWRT +798 PODs [1700 1/31 to 1600 2/1]) were distributed since this report yesterday and the total distributed to date is 33,184.

9. Number of people tested for elevated blood levels (kids, adults, total):

- a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351

\*this data will not be updated again until Tuesday.

10. Number of people with elevated blood level (kids, adults, total):

- a. Per CHECC: These numbers are only updated bi-weekly
  - i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
  - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
  - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 22

\*This data will not be updated again until Tuesday

11. Number of homes with safe drinking water:

- a. Drinking water (9/3/15 to 2/1/16)\*
  - i. 5227 out of 5590 (94%) at or below 15ppb (363 tests above)
  - ii. <5 ppb: 4594 (82%)
  - iii. 5-15 ppb: 633 (11%)
  - iv. > 15 ppb: 363 (6%)

- v. > 150 ppb: 48 (0.9%) – DEQ was tasked with getting better information on this as to how many are residences, what steps have been taken with them, how many have been “cleared,” and how many are new. They will be working on it first thing tomorrow. Based on sheets I was provided this evening, since the report on Friday:
  - 1. Saturday there were 4 additional results >150 ppb
  - 2. Sunday there were 5 additional results >150 ppb
  - 3. Monday there were 6 additional results >150 ppb
- vi. > 30 ppb: 199 (4%)
  - \*Note, per MDEQ, this data is from uncontrolled samples provided by residents.

#### Local EOC

- Coordination of rapid response deliveries to homebound residents and special locations.
- Finalized rapid response delivery plan with ARC, Team Rubicon, Michigan Community Service Commission and SEOC.
- IC/Genesee County EMC attended county commission meeting, briefed commission on response efforts, and addressed questions and concerns.
- Addressing public concerns, including rumors of availability of FEMA relocation assistance.
- Coordinating with charter schools outside the city of Flint/Flint water system for supply of water resources to students that are Flint residents.
- Attended conference call with Dow Chemical to discuss potential donation of filter systems. Will provide spec sheets to SEOC Logistics.

Chris

**Subject:** SEOC Update 1/31/16 - Flint Water - Limited Distribution

#### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### Update 1/31/16 – 27<sup>th</sup> Day (26<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- *Continue investigating a warehousing option for non-palletized donations.*
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Finalize SBA application.

##### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Monday, February 1, 2016
- City Sections Scheduled Tomorrow\*: Franchise Customers, Additional to be determined.

\*City sections subject to change based on available data updates. Teams will reach out for additional assignments if entire city section is completed during the operational period.

Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- Information reported to the JIC:
  - As of 1/31/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 1/31/2016
30,770	37,844	9,577	551*

\*Due to an issue with the iPads in the field not all numbers were captured for today's outreach. The additional residences will be entered tonight by ARC and will be included in the data for tomorrow, per Recovery Branch.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	234,490
b. Filters	100,593
c. Filter cartridges	204,736
d. Test kits	32,093

3. Resources purchased:

- a. Cases of water 2,637,324 Liters (additional 996,080 Liters donated)
- b. Filters 165,048
- c. Filter Cartridges 383,282
- d. Test kits 62,701

4. Teams going out tomorrow:

- a. 10 American Red Cross Teams scheduled for Monday, February 1, 2016.

New Standing Information Requirements

1. Number of homes visited each day:

- a. 1/31/16, as of 5 pm, 551\* homes were visited today
  - i. \*The numbers are low due to an issue with the iPad input, the additional residences will be inputted tonight and included in tomorrow numbers.

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 9,577

3. Total number of National Guard on the ground:

- a.

4. Total Number of Volunteers each day:

- a. 236 volunteers on 1/31/2016, per ARC.

5. Number of homes with filters:

	Total Number	Number with filters
Residential parcels	38,831	28,081
Active residential water subscribers	26,673	22,334

6. Number of Water filters distributed (each day and to date):

- a. 624 (299 FWRT + 325 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and total distributed to date is 100,593.
7. **Cases of Bottle water distributed (each day and to date):**
- a. 7,302 (426 FWRT +6876 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and the total distributed to date is 234,490.
8. **Number of testing kits distributed (each day and to date):**
- a. 581 (251 FWRT +330 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and the total distributed to date is 32,093.
9. **Number of people tested for elevated blood levels (kids, adults, total):**
- a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351  
\*This data will not be updated again until Tuesday.
10. **Number of people with elevated blood level (kids, adults, total):**
- a. Per CHECC: These numbers are only updated bi-weekly
- i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
  - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7
  - iii. Adults 18 years and older  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 22
- \*This data will not be updated again until Tuesday
11. **Number of homes with safe drinking water:**
- a. 5,020 water samples out of 5,356 sampled through January 31, 2016 are at or below the action level of 15 ppb for lead. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

Local FOC

- Addressing various public concerns, including concerns regarding filter efficiency.
- Establishing procedures for receiving incoming donations of loose water at overflow locations.
- Established rapid response delivery plan with ARC and Team Rubicon.
- Coordinated rapid response deliveries to homebound residents and special locations.
- Coordinated with VRC for door-to-door distribution of recycling information and supplies.
- Genesee County Board of Commissioners meeting scheduled for 02/01/2016.

Chris

Flint Water Stats Daily Update (Abridged)  
2/3/2016

Homes Visited

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 02/02/2016 08:00:00  
Operational Period End: 02/09/2016 08:00:00  
Situation Report No. 29  
SEOC Status: Full  
SEOC Hours of Operation Begin: 02/03/2016 08:00:00  
SEOC Hours of Operation End: 02/03/2016 20:00:00

## Executive Summary

### SEOC Update:

Accomplished today (February 3, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

### Logistics:

- Fielded resource requests.
- Fielded rapid response requests.
- Fielded Governor's office requests.
- Facilitated distribution team calls.
- Sent request to Chad Veaser to secure Seventh day Adventists to staff warehouse.
- Followed up on request for equipment/supplies from ALANaid for new warehouse.
- Ordered 25,000 more english palm cards for the warehouse.
- Worked with DOC on their assistance with warehouse management and staffing for new warehouse.
- Reached out to Food Bank on their recommendation and coordination for hours/days of operation of new warehouse.
- Assisted with modifying Rapid Response Form for 2-1-1.

### JIC:

- The JIC fielded multiple news inquiries throughout the day, including conducting or scheduling interviews with CNN and the Washington Post.
- Assisted with Governor Snyder's 10:45 p.m. media availability at the Flint and Genesee County Chamber of Commerce. The governor will ask the Michigan Legislature to approve a \$30 million water consumption credit plan for the residents of Flint to keep their water service on and eliminate the need to pay for water they cannot completely trust to drink.
- Developed talking points for Governor Snyder's TeleTown Hall at 6:30 p.m. Notified United Way 2-1-1 about the town hall so they are prepared for a surge of calls.
- Issued a news release about Michigan and federal environmental health officials advancing plans to monitor skin conditions in Flint.
- Strategized with the U.S. Department of Health and Human Services and Environmental Protection Agency on how to better coordinate public information.

### Recovery Branch:

- Attended Local Brief, SEOC State Agency Briefing Meeting, and Distribution Process Meeting
- Updated plan for ARC to visit apartment complexes.
- Worked with county and postal partners to collect information about home vacancies and resident's with forwarded mail addresses in order to ensure we are contacting all occupied residences in the City of Flint.
- Supported the efforts of MSDHA to provide resources to tenants in their facilities.
- Collaborated with GCCARD to develop additions to the list of vulnerable persons requiring additional support within the City of Flint.
- Team Priority Visited Today: Apartment List from 2/2/16
- City Sections Scheduled Tomorrow\*: Continuation of Apartment List from 2/2/16
- 10 American Red Cross Teams scheduled for Thursday, February 4, 2016

\* Data is for 2/3/16 as of 5:00 pm:

#### o Total homes visited:

- 13,211 (round 3 total).
- 805 (today).

#### o Water cases (liters calculated by multiplying # of cases x 12):

- 97,500 liters or 8,125 cases (round 3 total).
- 4,380 liters or 365 cases (today).

#### o Replacement cartridges:

- 2,138 (round 3 total).
- 173 (today).

#### o Faucet filters:

- 6,638 (round 3 total).
- 238 (today).

### Planning Section:

- Published Sit Rep #29.
- SBA request information handed off to the Deputy State Director for finalization.
- Participated in local EOC, state agency, and distribution process conference calls.
- Updated Governor's data tracking spreadsheet.
- Responded to JIC media inquiries.

#### Operations Section:

- o Donations management meeting was held today and the need for a consolidated list of donated goods was discussed.
- o Facilitated daily local EOC and SEOC state agency briefings
- o 46 total volunteers (21 ARC and 25 event based) were active on the FWRTs today.

#### o Warehouse Numbers as of 1800:

- Water (liters):
  - 441,710 liters or 36,809 cases.
- Filters (faucet):
  - 48,656.
- Replacement cartridges:
  - 372,350.
- Test Kits (prepped):
  - 21,676.
- o PODs (1700 2/2 – 1600 2/3):
  - Water (cases):
    - 88,644 liters or 7,387 cases.
  - Filters (faucet):
    - 268.
  - Replacement Cartridges:
    - 598.
  - Test kits:
    - 379.

#### Finance Section:

- EMHSD staffing cost reports developed to update financial status reports.
- Reviewed state agency financial data for compiling comprehensive report.
- Reviewed Donations Management module in MI CIMS.

#### GIS Branch Updates:

- Updated water test results data with DEQ supplied spreadsheet.
- Provided the recovery unit with a list of address of residences that do not have a filter and how many times the residence was visited.
- Provided planning with a count of kitchen sinks for the City of Flint.
- Developed maps for LARA showing schools, child care, and adult foster care facilities.
- Developed a PowerPoint for the Governor's representative showing maps produced by GIS.

#### DTMB:

- DTMB Print & Graphic Services translating aerator fact sheet in Spanish and Arabic.
- DTMB has five trucks/drivers assisting with delivery of supplies; three for the point of distribution sites and two assisting the food bank.
- DTMB received donation of 24 "Gaylord" boxes to use at the warehouse for single bottle water donations from Rapid Shred.
- Rental agreement signed with landlord of former Kroger store on Pierson Road in Flint.

#### DHHS-CH:

- The CHECC remains active at a Level 2, and continues to staff the hotline to answer any lead health-related questions referred by 2-1-1 in support of the GCHD.
- MDHHS, MDEQ, and LARA developed a plan for an MDEQ Team to contact all of the homes with lead levels above the acceptable range beginning 2/4/16.
- o Health information, including to have lead testing done will be shared with the residents of these dwellings during the MDEQ visits. Home visits will be tracked on the iPads.
- A new LNO officer from US DHHS, Janet Odom has arrived at the CHECC and will be there through Sunday 2/7/16.

#### DEQ:

- 576 test kits delivered to lab.
- Continued coordination for > 100ppb state response plan and implementation
- Provided guidance to MSHDA on residential sampling program
- Requested DHHS to verify how many homes GCHD has contacted and what services were provided.

#### Unified Coordination Group (UCG):

- UCG IAP approved today for the operational period 0800 2/2/16 to 0800 2/4/16.
- The Federal Health Coordinating Officer had a meeting today with Economic Development and Housing and Urban Development.
- EMHSD liaison provided information on Michigan EM structure to command.
- State JIC manager now in the communication loop for the UCG.
- UCG discussed MARCs and potential implementation.

#### Local EOC:

- Coordinated rapid response deliveries to homebound residents and special locations.
- Working on refining rapid response delivery process.
- o Preparing transition from Team Rubicon personnel to NCCC teams, and eventually Southern Baptist Disaster Relief.
- o Coordinating with ARC for logistics support to NCCC teams.
- Working with ARC to ensure resource needs of franchise customers at Sunridge Apartments complex in Flint Township are met.
- Coordinating with MDEQ to streamline test kit assembly process.
- Attended distribution plan meeting with faith-based organizations, state, and local agencies.
- Referring VOADs to appropriate volunteer management agencies.
- Addressing various public concerns, including availability of supplies at child care facilities.

## Incident Response/Recovery Priorities/Objectives

(Objectives are in order of priority with original objective number attached)

11. Ensure accurate tracking and accounting of all donations.
5. Continue to maintain adequate staffing to support operational requirements.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
9. Enhance situational awareness and common operating picture of all activities.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT, FWICC, and the US Department of Health and Human Services Unified Coordination Group (UGC).
3. Improve and maintain the public information strategy and process.
6. Develop an overview of possible assistance programs.
4. Develop a long term public health and services plan.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
1. Ensure all households within impacted community have required resources and are included in DEQ water sampling plan.
2. Ensure accurate tracking and accounting of all commodities.

## Emergency Declarations

### Local Declarations

#### Jurisdiction(s): Date/Time:

#### Damage Assessment Summary

#### Agency Summaries

##### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was expected to be operational in Flint from 8 a.m. to 8 p.m. on Feb. 3. The JIC was operational until 8 p.m. on Feb. 2.

State agencies at the JIC included the Michigan Economic Development Corporation, Michigan State Police and Departments of Agriculture and Rural Development, Environmental Quality, Health and Human Services, Licensing and Regulatory Affairs, Treasury, Corrections and Military and Veterans Affairs. The Genesee County Sheriff's Office and the American Red Cross were also present.

##### Tasks accomplished:

- Media hotline staff answered more than 10 emails and phone calls, ranging from inquiries about the U.S. House Committee on Oversight and Government Reform hearing to how much money and water have been donated to Flint residents.
- Key agency PIOs fielded multiple news inquiries throughout the day, including conducting or scheduling interviews with CNN and the Washington Post.
- Created a morning and afternoon media monitoring report and looked for information requiring correction.
- Updated internal talking points about the ongoing Flint water emergency.
- Continued routing public information materials for approval, including water filter installation fact sheets, pregnant women and lead fact sheet, adult lead exposure fact sheet, and oral health FAQ. Also began submitting materials for Spanish translation.
- Worked with Governor's Office to reorganize the [www.michigan.gov/flintwater](http://www.michigan.gov/flintwater) website. The Governor's Office is now leading the content of the website.
- Assisted with Governor Snyder's 10:45 p.m. media availability at the Flint and Genesee County Chamber of Commerce. The governor will ask the Michigan Legislature to approve a \$30 million water consumption credit plan for the residents of Flint to keep their water service on and eliminate the need to pay for water they cannot completely trust to drink.
- Continued adding individuals to staff the Flint JIC for the next two weeks.
- Developed talking points for Governor Snyder's TeleTown Hall at 6:30 p.m. Notified United Way 2-1-1 about the town hall so they are prepared for a surge of calls.
- Began drafting a news release about Edible Flint, an organization an established organization in Flint that has been working on food access, nutrition and urban agriculture for several years. The organization assists gardeners with resources, like soil lead tests, and is looking at ways to expand their current efforts to allow for more lead tests, possible hose filters for watering, and supporting additional gardens in the city to increase access to nutritious foods, especially for those with children in the household.
- Drafted a news release about Michigan and federal environmental health officials advancing plans to monitor skin conditions in Flint. The Flint JIC intends to issue the news release today.
- Strategized with the U.S. Department of Health and Human Services and Environmental Protection Agency on how to better coordinate public information.

##### Agriculture and Rural Development (MDARD)

MDARD's field activities for 2/3/16 included:

- o 16 assessments completed at food businesses (11 re-assessments, 5 initial assessments)
- o 24 water samples collected (17 "in-use" samples, 7 first draw)
- o 8 water sampling appointments scheduled

To date, MDARD has completed initial water assessments at all food businesses in the high risk area and has conducted a total of 382 initial assessments. 149 water samples have been collected.

The daily MDARD Water Response Report will go out at 10am (summarizing the previous day's activities), instead of 4-5pm to allow proper time for all data from the day's activities to come in and be organized.

The FDA Detroit District Office asked MDARD to share the following: FDA Warns Marketers of Unapproved 'Chelation' Drugs <http://www.fda.gov/downloads/ForConsumers/ConsumerUpdates/UCM229436.pdf>

##### American Red Cross (ARC)

The American Red Cross deployed and supported 10 Water Response Teams on Wednesday, 2/3/16. It's anticipated that 10 teams will deploy tomorrow.

The Volunteer Reception Center (VRC) was in operation today, from 9am to 5pm. Assembly of water test kits will resume when materials become available.

##### Civil Rights (MDCR)

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Maintaining media awareness regarding situation and community activities. Requested ASL video translation of "Taking Action on Flint Water" flyer. Raised issue with LARA regarding water softener/filter issues. Advised Branch, PIO/JIC as to document posted via the Mexican Consulate and in use by local advocates.

##### Community Health (MDCH)

The CHECC remains active at a Level 2, and continues to staff the hotline to answer any lead health-related questions referred by 2-1-1 in support of the GCHD.

MDHHS and MDEQ facilitated conference calls between MDEQ ECC and MDHHS and LARA that resulted in a plan for an MDEQ Team to contact all of the homes with lead levels above the acceptable range beginning 2/4/16. Health information, including encouragement to have lead blood levels drawn and testing locations where to have lead testing done will be shared with the residents of these dwellings during the MDEQ visits. This activity is in support of the GCHD. The home site visits will be tracked on an iPad. The initial goal is to reach all homes that have tested at or above 150 ppb 2/4/16, then the homes at 100 ppb or above. LARA will also have plumbers available on 2/4/16 to accompany the team(s). This information was also relayed to the Governor's representative in the SEOC.

A new LNO officer, Janet Odom has arrived at the CHECC and will be there through Sunday 2/7/16.

#### **Corrections (MDOC)**

MDOC continued operations at the warehouse and all PODs were well supplied.

MDOC continue to keep trucks dedicated to delivering to individual PODs and have Rapid Responses ready for any POD that gets to a critical level of supplies.

576 Water Samples were collected and delivered to the DEQ Lab in Lansing. 551 Residential and 25 MI Department of Agriculture and Rural Development (MDARD)

MDOC had 17 employees and an SAI work crew on the ground in Flint today.

MDOC continue to staff the SEOC from 0800-2000, 7 days/week.

We are in the process of establishing a second warehouse location and MDOC will be staffing the second location beginning on Saturday for a week or possibly two.

MDOC has also been asked to assume Recovery Branch duties. Mike Farmer and Bridget Spencer will assume command of the Recovery Branch.

#### **Education (MDE)**

1. Donations Management Group asked MDE for information regarding which schools in Flint have drinkable water and which schools do not. This request was in response to schools turning down bottled water. Donations management wants verification of what schools need water.

2. MDE contacted LARA for information regarding school water supplies. LARA provided a document that lists schools in the affected area on Flint Water System and schools in the affected area not on Flint Water System. MDE the shared information with Donations Management Group and contacted MDARD to request further information based on school cafeteria testing. MDARD is reviewing their involvement with school testing and results, referred MDE to DEQ website for additional information.

3. MDE will update the Donations Management Group when further information is received.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

- ☐ Continued coordination for > 100ppb state response plan and implementation
- ☐ Provided guidance to MSHDA on residential sampling program
- ☐ Requested DHHS to verify how many homes GCHD has contacted and what services were provided

#### **Human Services (MDHS)**

Working with State VAL and Recovery on process for distributing replacement cartridges in the future.

Participated in "MARC" discussions.

Held Donation Management weekly meeting. More staff needed to handle day to day operations and coordination of information gathering and entering.

Daily update conference call with MDHHS Budget & Field Operations.

CHECC continues to maintain a Level 2 Activation

#### **Licensing and Regulatory Affairs (LARA)**

Updated the LARA Executive Team

LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.

Working with DEQ for Strike Teams.

Preparing materials lists for plumbing fixtures.

## **Military and Veterans Affairs (DMVA)**

### **Commanders Situation Report (SITREP)**

1. DTG: 0212002016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: 1LT Roland, John G. Cell: / Email: john.g.roland2.mil@mail.mil

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. SITUATION OVERVIEW: 1-125 IN has Soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has Soldiers on ground supporting the mission.

7. OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.

a. Traffic outside of Stations 1, 5, and 8 still remains an issue.

1.) No response has been given to the request to have traffic signs in place at 3 of the POD locations. There have been 2 vehicle accidents in front of Station 8 over that last 48hrs.

b. Flint City Electricians have fixed the lighting issue at Station 8. POD 5 is still waiting for an update on the capabilities of additional lighting at Station 5.

8. PERSONNEL: Soldiers are currently assigned to the POD operations Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.

9. INTELLIGENCE / FORCE PROTECTION: Michigan militia did establish a presence within the AO. The intentions were not harmful and in support of efforts made to resolving issues to residents of Flint.

10. LOGISTICS: In support of recycle project sponsored by Schupon, the special purpose recycle bags have not been distributed to POD operations. Logistics is expecting the recycle bags to be on the PODs for distribution within the next 48hrs.

11. COMMUNICATIONS: No communications issues at this time.

P: 800 MHz radios issued to PODs and WRTs.

A: RRF cell phones alternate for WRTs.

C: Personal cell phone

E: Runner

12. NARRATIVE: N/A

### **13. COMMANDER'S EVALUATION:**

- SPC Colwell at Station 1 tended to a Flint citizen who approached the fire station and was having an asthma attack. SPC Colwell successfully treated and stabilized her until local EMS could respond.
  - There have been (2) car accidents at fire station 8 over the last 2 days. Neither was directly caused by our operation but the need for MDOT assistance to ensure worksite safety is becoming more critical.
  - Consolidated Station Report OUT (last 24 hours)
- Bottled water-5765 Water (Gallons)-33 Lead Testing Kits-889 (432 were returned to the warehouse to be reassembled correctly)  
Pitcher (23 cup)-0 Brita Faucet Filter-264 Brita Replacement Cartridge-292  
Pur Filter-91 Pur Replacement Filter-394

## **National Weather Service (NWS)**

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

## **Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

## **Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:  
Kathryn C. Boles  
President, CEO  
Valley Area Agency on Aging  
225 E. Fifth Street, Suite 200  
Flint, MI 48502  
(810) 239-7671  
(810) 239-8869 fax

#### **State Police (MSP)**

Open Source is reporting that Hillary Clinton and Bernie Sanders have agreed to hold a debate in Flint in March. Open Source is advising the debate is scheduled for March 6th. The location is not known at this time. The MIOC will continue to monitor Open Source for additional information.

The MSP position within the SEOC will be staffed at MSP Operations at HQ. All e-mails to MSP-EOC-MDSP@michigan.gov are being forwarded to the Operations Lt. The phone number for the on duty Operations Lieutenant is 517-241-8000

#### **Supreme Court**

08:50 - State Judiciary EMC John Ort reported to the SEOC regarding the Flint water emergency. Nothing to report from the Judiciary regarding the emergency. DEQ website resources shared with our State Court Administrative Office (attn: Region II) in case our Genesee County courts have any questions regarding the emergency.

#### **Technology, Management and Budget (MDTMB)**

Continue to provide DTMB management with daily updates and resource requests received.

DTMB Print & Graphic Services translating aerator fact sheet in Spanish and Arabic.

DTMB has five trucks/drivers assisting with delivery of supplies; three for the point of distribution sites and two assisting the food bank.

DTMB received donation of 24 "Gaylord" boxes to use at the warehouse for single bottle water donations from Rapid Shred.

Rental agreement signed with landlord of former Kroger store on Pierson Road in Flint.

Ordered printer toner for multi-function device at warehouse.

#### **Transportation (MDOT)**

MDOT is providing traffic measures at Fire Station #6 on Pierson Rd. and Fire Station #3 on Martin Luther King Blvd:

-4 portable changeable message boards (2 each site).

-100 grabber traffic cones (narrow reflective cones) (50 each site)

MDOT continues to maintain situational awareness and respond to issues regarding equipment and road conditions.

### **Flint Water Daily Update**

**Updated Feb. 3**

#### ***Current Issues Talking Points***

#### **Governor proposes \$30M to cover Flint water bills**

- The Governor announced a proposed plan to request \$30 million as part of the Fiscal year 2017 budget proposal to cover Flint residents' water bills because he believes they should not pay for water that wasn't suitable for consumption.
- The proposal calls for a Consumption and Use Credit the city could use to relieve families of a portion of their water bills from April 2014-April 2016.
- Under the plan, the funding would cover water used for drinking, cooking and bathing which is approximately 65 percent of a resident's water bill.
- Residents would still be responsible for covering sewer costs as well as water not used for consumption (i.e. water heaters, outside water use, etc.).
- The Governor's proposal would allow Flint to relieve residents of their water bills or provide payment credits for future use.
- The request will be part of the Governor's official budget presentation next week on Feb. 10.
- The \$30 million recommendation builds on the previous \$37.3 million in emergency funding already allocated to Flint by the state.
- The recommendation must go through the formal state budget process and be approved by both the House and Senate.

## **Congressional Hearing**

- A Congressional hearing on Flint water took place today in Washington D.C.
- Interim DEQ Director Keith Creagh and Virginia Tech Professor of Environmental and Water Resources Engineering Marc Edwards testified in the hearing of the Reform and Oversight Committee.
- To date, the Governor has not been invited to testify before Congress.
- The Governor remains focused on fixing the problem in Flint. He is committed to establishing both a short and long-term solution to ensure clean, safe drinking water for Flint families.
- He was in Flint today meeting with local community leaders and discussing the Consumption and Use Credit \$30 million budget proposal with local media outlets.

## **Democratic Presidential Debate coming to Flint**

- It was confirmed today that a Democratic Presidential debate will take place in Flint in early March.
- To date the Federal Government has provided only \$5 million in funding to assist residents in Flint while the State has allocated \$37.3 million in emergency funding to support Flint families.
- The Governor also proposed a plan to dedicate an additional \$30 million as part of his upcoming formal budget presentation to assist Flint residents with water bill payments.
- What will help Flint more than a presidential debate is working together to implement concrete solutions that will aid the city along its road to recovery now and into the future.
- It is important we draw on all available resources to help meet both the immediate and long-term needs of Flint residents.

Good Morning,

The first "Weekly Ann Arbor Protest: ArrestGovSnyder FlintWaterCrisis" was held last night in front of Governor Snyder's residence at [REDACTED], it is reported that over 80 individuals turned out for the demonstration. Participants loudly chanted, carried posters, and wrote messages on the sidewalk in front of the residence.

The next protest will be held on Wednesday, February 10 between 5:30 p.m. – 6:30 p.m. also in front of Governor Snyder's residence in Ann Arbor. Currently 45 individuals have RSVP'd they plan to attend.

This is for situational awareness only.

Thanks,

Sue

# Protesters: 'Arrest Rick Snyder! Make him drink the water!'

By Ryan Stanton | [ryanstanton@mlive.com](mailto:ryanstanton@mlive.com)

It's hard out here for a governor.

Facing continued pressure to resign over the Flint water crisis, Michigan Gov. Rick Snyder has been **publicly heckled** while trying to dine out in Ann Arbor, he's been the subject of criticisms written in chalk on downtown sidewalks, his face is on wanted posters plastered around multiple cities, and then there's the protests.

Dozens of protesters demonstrated once again Wednesday night outside the embattled governor's personal condo in downtown Ann Arbor.

Protest organizer Jan BenDor of Michigan Rising said they're planning to continue holding weekly protests outside the Main Street loft condo the governor and his wife moved into this past year. The Snyders had been living in a gated community just outside the city before deciding to make the move downtown.

"We're just hoping to keep this situation in the public eye," BenDor said of the Flint water crisis. "Often even the worst tragedies just disappear after a week or so of concern, and this is a long-term horrible thing that has happened in our state. So, we want to make sure everybody keeps helping with this."

The condo's window blinds were closed Wednesday night, and it wasn't clear that anybody was home, but protesters still chanted loudly.

"Arrest Rick Snyder! Make him drink the water!" they yelled as they marched along Main Street.

"Jail the nerd!" they chanted in unison multiple times.

"No more procrastination! We want incarceration!"

The protesters didn't channel all of their energy into anger and frustration toward the governor, though.

They also handed out fliers informing passersby how they can help the residents of Flint, with suggested charities to support.

Protesters: 'Arrest Rick Snyder! Make him drink the water!'

MDHHS begins investigation into rash reports in Flint's water crisis

Free iPhone app shows Flint residents water distribution sites in city

UM-Flint's enrollment dropped 3 percent after water crisis went national

## All Stories

"We're encouraging people to donate to the [FlintKids.com](http://FlintKids.com) website for the long-term health care of the poisoned children," BenDor said. "And we are also encouraging donations to some other agencies that are doing uniquely good work."

The flier also directs people to a CrowdRise page for a charity for Flint residents called [Crossing Water](#).

Ann Arbor resident Susan Fecteau was among those protesting. She's also behind the anti-Snyder sidewalk chalk messages seen around downtown.

"You enjoying your clean water up there, Rick?" read one of the messages written on the sidewalk right outside the governor's window Wednesday night.

Fecteau said she's been out chalking just about every day for weeks now and she's been watched and photographed. She's not sure who's doing it, but somebody has been wiping away her messages after she leaves, but she keeps going back.

She said Wednesday's protest was about making sure people are fully aware of what has happened in Flint.

She said people need to take back their government.

"People need to get educated about it, and understand that when we vote guys in like this, this is what happens, this is the result," she said.

"And I've been stunned as I've been talking to people. I'm surprised people still don't know what has happened. People don't understand about the emergency manager law. They don't understand about FOIA and that he's FOIA-proof."

Not everyone was happy with the protest, though.

Paula Porter, an employee of the Four Directions store on the ground level under the governor's condo, came out and confronted the protesters. She questioned whether what they were doing was constructive or effective.

"I'm on their side, but I'd prefer they go to Flint," she said. "I've lived in Flint. Go spend time in Flint, get things done."

Porter said she doesn't think the governor is going to care much about what protesters outside his condo have to say.

A city police officer was on the scene at one point responding to complaints that people were stuffing fliers into one or more mail slots.

Dave Murray, a spokesman for the governor, said in response to the protest that Snyder is focused on the people of Flint, not politics.

"He's making sure Flint residents are getting the assistance they need as we move forward, addressing issues related to health, education and infrastructure," he said.

"Today the governor discussed his \$30 million proposal to bring relief to Flint residents who have been paying for water they cannot use to drink or cook with. This is on top of the \$28 million our partners in the Legislature approved last week to provide immediate relief and the \$9 million approved in October.

"People across our state, from both sides of the aisle, are coming together to help the people of Flint."

Captain Kapp,

(U//FOUO) To help reduce the risk of exposure and targeting by malicious actors, it is suggested the following considerations be implemented:

- Change passwords regularly (use a passphrase with 15 characters or more)
- Be wary of suspicious phone calls or emails from unknown individuals/organizations
- Be cautious when clicking on links or attachments contained in emails
- Search yourself online so you are aware of what information is publically available
- Set up a Google alert for your name so you are alerted when information has been posted about you online
- Use privacy settings on social media accounts
- Limit personal postings on media sites and consider comments being made
- Do not list law enforcement employment on your social media accounts
- Monitor personal credit and banking activity
- Update hardware and software applications continually

(U//FOUO) Timeline of events and postings of significance:

- 02/01/2016

posted a YouTube video titled "Anonymous Resistance - #OpFlint." This video is similar to the one posted on January 31, 2016, by , Additional content stated that cyber attacks would occur against the Department of Human Services if children were removed from their homes due to unpaid water bills. It also called on "crackas, cyber warriors, anarchists, and black blockers" to take action. A copy of the video and transcript are included below.

Violation of these restrictions will be cause for removal from MIOC distribution lists.*

February 2, 2016

MI SR-06-2016

Greetings dissidents of the world. We are Anonymous. We are the resistance. The Flint Water Crisis has drawn the attention of Anonymous. Anonymous would first like to pay respect to the victims of this deliberate poisoning. We will not rest until the families of the murdered people and lead poisoned children get justice. The victims of unspecified ills and rashes. We will support you and magnify your voice. For Michigan Governor Rick Snyder your failed cost cutting measures has caused the death of the people you have been charged with the responsibility of protecting. The decent and responsible next action from you would be to step down from office. This isn't what you have chosen to do. Instead you are allowing the people of Flint to be further terrorized by the system you set up. You gave the power of Flint's government to an emergency manager.

Danell Early rejected using Flint River water in 2012 after meeting with the EPA. Yet you overrode his decision. You used the contaminated river water and deteriorated plumbing. You also decided to save another \$100 per day by not adding the critical chemicals to keep from further degrading the aging infrastructure. City and State workers have been provided clean drinking water for quite some time now. Yes, these deaths and lifelong illnesses are squarely on your hands. The people of Flint are still being mailed bills for poisonous water. Further you threaten them with condemnation of their homes, removal of their children and placement of those children in a state agency that you also govern. We will not stand idly by while you murder, poison, and terrorize our brothers and sisters in Flint Michigan.

This is a call to all hacktivists, activists, trolls, protestors, marchers, agents, phishers, crackas, cyber warriors, anarchists, and black blockers. Those who work in this corruption can speak through us Anonymously as well. All people of humanity should know that Michigan has the largest reserve of fresh water on earth. If this can happen in Michigan it can most assuredly happen where you live. We ask that you use your skills, talents, and time to help bring justice to our fallen and injured family in Flint. Cyber attacks are already underway.

In the event that children are taken from their homes because of failure to pay for poisonous water there will be concentrated cyber attacks on Michigan State Department of Human Services, Governor Snyder, any and all government websites, Brian Larkin, Howard Croft, Natasha Henderson, and Dayne Walling, you also have found yourselves targets of Anonymous. Protestors should peacefully occupy the water department, 1101 Saginaw Street, Flint, Michigan. Don't let your neighbors pay for poisonous water. Protest at the Governor's mansion, protest the EPA in all states. They are allowing the poisonous water to still flow and further victimization of people who live in and visit Flint. Rick Snyder, you operate outside the law as do your officers and city officials. You have turned your state into a third world. We will do whatever it takes to bring you to justice.

State officials of Michigan and city officials of Flint your days of lawlessness are at an end. Environmental Protection Agency this has been a long time coming. And to all of you who violate the people it is far too late to expect us. We are Anonymous, we are the resistance, united as one, divided by zero, we do not forgive, we do not forget, we stand with your victims. Operation poisoned H2O engaged.

posted a YouTube video focusing on the water issues in Flint. In this video the actor states "Cyber attacks are already under way. In the event that children are taken from their home because of failure to pay for poisonous water there will be concentrated cyber attacks on Governor Snyder, government websites, Brian Larkin, Howard Croft, Natesha Henderson, and Dayne Walling." The video urges protesters to peacefully occupy the Flint water department. A full transcript of the video is below.

#### #OpPoisonedH2O

Greetings citizens of the world we are Anonymous. The Flint water crisis has drawn the attention of Anonymous. Anonymous would first like to pay respect to this deliberate poisoning. We will not rest until the families of the murdered people and lead poisoned children get justice. The victims have been specified (garbled). We will support you and magnify your voice. For Michigan Governor Rick Snyder your failed cost cutting measures have caused the death of your people you are charged with the responsibility to protect. The decent and responsible next action from you would be to step down from office. This isn't what you have chosen to do. Instead you are allowing the people of Flint to be further terrorized by the system you set up. You gave the power of Flint's government to an emergency manager. Darnell Earley rejected using Flint River water in 2012 after meeting with the EPA. Yet you overrode his decision.

You used the contaminated river water and the deteriorated plumbing. You also decided to save another \$100 per day by not adding the critical chemicals to keep from further degrading the aging infrastructure. City and State workers have been provided clean drinking water for quite some time now. Yes, these debts and lifelong illnesses squarely are on your hands. The people of Flint are still being mailed bills for poisonous water.

Further you threaten them with condemnation of their homes, removal of their children and placement of those children in a state agency that you govern. *We will not stand idly by while you murder, poison, and terrorize our brothers and sisters in Flint Michigan. This is a call to all hacktivists, activists, trolls, protestors, marchers, agents, vishers, those who work in this corruption can speak through us Anonymously as well. All people of humanity should know that Michigan has the largest reserve of fresh water on earth. If this can happen in Michigan it can most assuredly happen where you live. We ask that you use your skills, talents, and time to help bring justice to our fallen and injured family in Flint.*

Cyber attacks are already under way. In the event that children are taken from their home because of failure to pay for poisonous water there will be concentrated cyber attacks on Governor Snyder, government websites, Brian Larkin, Howard Croft, Natasha Henderson, and Dayne Walling you should do the right thing as well. Protestors should peacefully occupy the water department, 1101 Saginaw Street, Flint, Michigan. Don't let your neighbors pay for poisonous water. Protest at the Governor's mansion protest the EPA in all states. They are allowing the poisonous water to still grow and further victimization of people who live in and visit Flint. Governor Rick Snyder, State of Michigan, City of Flint, US Environmental Protection Agency, we are Anonymous united as one, divided by zero, we do not forgive we do not forget, expect us.

published a video via the YouTube channel, TruthSec Official, on behalf of the group Anonymous using the hashtag #OpYouDrinkThat. The video stated the following:

Greetings fellow citizens of the United States of America, to all of our supporters and followers, and a special hello to Governor Richard Snyder of Michigan. This is anonymous We've been watching what has been going on in Flint Michigan Gov. Snyder and the fact that nothing is being done by you, Mayor of Michigan Dayne Allen Walling, or any of their staff in an attempt to fix this current state of emergency with the drinking water supply is unacceptable, and needless to say we are not happy.

Until you, Gov. Snyder decide to change this atrocitiy that you have started we will be doxing not only you but your entire family and the families of all the government workers of Flint. This will involve but is not limited to, Damell F Earley, Howard D Croft, Dayne Allen Walling, and Dr. Edward J Kurtz, just to name a few.

We would like to explain to you that normally we do not involve families in matters like this, but this is a different case entirely. Where as you're going about and poisoning children daily we will have no remorse this time, and will not hold any documents back.

Everything will be released about you Mr. Snyder, your wife, and your children's . The same goes for all who worked directly under Mr. Walling who resigned And We hope you decide to fix this now, before it is too late. This will be our last warning. We are Anonymous, We are Legion, We do not Forgive, We do not Forget, You should have expected us Mr. Snyder.

February 2, 2016

MI SR-06-2016

In March 2014, Flint government officials made the decision to switch Flint's water source from the DWDS to the Karegnondi Water Authority. The purpose of the Authority is to provide and distribute raw water to the region which they did using the Flint River as their source. Immediately upon the switch, the residents of Flint noticed a difference in the taste, smell, and color. How did your staff and you not notice the difference?

Did it ever occur to you when General Motors decided to close their doors to Flint's public water source and invest in a private company for their water supply, that this water may not be safe for drinking? After all, if it wasn't good enough to manufacture cars with, how was ingesting it safe or beneficial to one's health?

Ask yourself this Governor. If the water running from your faucet, that your children Jeff, Melissa, and Kelsey use to brush their teeth with, or that your wife Sue bathes in was yellow, polluted, and lead infused, would you be okay with it? The physical appearance of the water itself is off putting. When residents questioned it, they were assured by Flint public officials that the levels of TTHM in the water were safe for human consumption. All false.

Only after Virginia Tech conducted a study on the harmful agents in Flint's river water supply was the truth revealed. In addition to increased levels of TTHM in the water, there was up to three times the levels of lead in Flint water than what is approved for human consumption in the United States. As a first world country, we are living in third world conditions. Our innocent children have had to pay for your uninformed and illegitimate decision to sell poisoned water and play russian roulette with their health.

We need to focus on this immediately. A state of emergency was declared yet nothing was done. The majority of people in Flint, reside in low income neighborhoods. They are being forced to live off of bottled water for cooking, cleaning, showering, and everything else. The children in Flint have already been exposed to lead poisoning. Along with you, the elected city officials are failing to acknowledge the crumbling infrastructure they have created. Someone has to be held accountable, including you Governor. To save a couple pennies in your budget, you sacrificed not only innocent lives but the faith of the community.

You have lost all credibility and will be remembered as a man who traded a basic human right for profit. You poisoned our children knowingly and capitalized on this. Your nonchalant approach and inaction to the apparent genocide you have help create in the city of Flint, has dictated your position in this matter. Governor, it's time you suffer the consequences of your bad decision. You will be made an example of.

On behalf of the entire community, we are demanding your resignation in concurrence with making the switch back to the Detroit Water System. We are demanding clean, free water.

We are Legion. We do not forgive, we do not forget. Expect us, Governor. The world is watching.

MI SR-06-2016

For over a year now the citizens of Flint, Michigan have been subjected to drinking tap water filled with lead and other poisons.

Over 3000 children residing in Flint have been diagnosed with lead poisoning and other contaminated water illnesses.

This issue went unreported by the mainstream media for entirely too long.

A resident of Flint, Michigan and activist by the name of "@C1tyOfFl1nt" has worked for countless hours, weeks, and years to bring awareness to the water crisis in Flint.

And now that OpFlint is in the media and people are aware, we must remind the city officials of Flint that we do not forget and we do not forgive.

The crimes committed by Governor Snyder as well as other city officials will not go unpunished.

The city of Flint deserved to be informed and made aware of the problem with the town drinking water.

The fact that Governor Snyder stayed silent while the children of Flint were poisoned says a lot about his character.

It is safe to assume that children may already be doomed to die due to this. It says a lot about how Snyder and those who answered to him on this matter feel about the citizens of Flint.

It's clear to us that Governor Snyder needs to be reminded that he is a servant for the very same people he has poisoned and made sick. Or perhaps he never forgot. Perhaps corruption is at play here. In that case, he is now going to simply be shown the error of his evil ways.

We feel that there currently exists enough evidence to arrest Governor Snyder for either voluntary or involuntary manslaughter, and that a full scale investigation into the Flint Water crisis and a criminal trial will yield the information that will send Governor Snyder to prison.

We encourage the city of Flint to be vocal and demand that Governor Snyder face criminal charges. Anonymous will stand beside you.

We will amplify your voice where the mainstream media will surely fail you, as it has in the past.

We will also join you in calling bullshit on any spin that the corporate media is prepared to put on this, as they have on other past crises that affect the welfare of the common people in this country—most notably the poor and people of color. Governor Snyder and his cronies have brought pain and suffering, and possible death to the people of Flint.

They have also clearly displayed contempt for the children of Flint. Certainly they have displayed no remorse or guilt.

But it all stops now.

Because what Governor Snyder will soon learn is what we do not forgive. We do not forget. The people responsible for this crisis will be held accountable. Every wrong doing will be rectified.

The city of Flint deserved better, Governor. Instead they got a murderer.

One again justice will arrive in the form of a pale mask.

We are Legion.

We are the citizens of #OpFlint.

Governor Snyder, did you really not expect us?

## **Klotz, Josephine (MSP)**

---

**From:** Kelenske, Chris (MSP)  
**Sent:** Tuesday, February 02, 2016 9:44 PM  
**To:** Etue, Kriste (MSP); Gorski, Gary (MSP); Smith, Paul (GOV); Baird, Richard (GOV); Hollins, Harvey (GOV); Clement, Elizabeth (GOV); Snyder, Rick (GOV); Calley, Brian (GOV); Creagh, Keith (DEQ); Lyon, Nick (DHHS)  
**Cc:** Banner, Shanon (MSP); Leix, Ron (MSP); Murray, David (GOV); Holland, Meegan (GOV); Katarsky, Anthony (MSP); Sachs, Tori (GOV); Agen, Jarrod (GOV); Scott, Allison (GOV); Redford, James (GOV); Forstner, Nathaniel (GOV)  
**Subject:** SEOC Update 2/2/16 - Flint Water - Limited Distribution  
**Attachments:** 2015-10-01 City of Flint Water Contamination-Shortage SitRep 28 2016-02-....pdf; Director's SITREP 02\_02\_16 FINAL.PDF

### **INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE**

#### **Update 2/2/16 – 29<sup>th</sup> Day (28<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency**

##### **Mission focus for the day:**

- Ensure adequate quantities of supplies to support operations.
- Continue investigating a warehousing option for non-palletized donations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Continue to work on SBA application.
- Obtain additional information from the City of Flint and Genesee County for appeal.

##### **Status on Governor’s request letter to the President:**

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### **Attached:**

1. MDDHS Director’s Sit Rep: Reference blood lead testing results.
2. Sit Rep #28

##### **Key items for tomorrow to note are:**

- 10 American Red Cross Teams scheduled for Wednesday, February 3, 2016
- Apartment complexes will be targeted tomorrow.
- We anticipate providing a cleaner way to view the numbers at a glance starting tomorrow.
- **Work with the Chamber of Commerce and MEDC to get more businesses for the SBA declaration. Found that we only have a gross revenue loss of 24% when it needs to exceed 40%. Will follow up first thing with SBA to double check this. Chamber of Commerce was to provide the top 5 businesses with losses.**

##### **Items to Note**

- 10 ARC Flint Water Response Teams to the field today.

- Team Priority Visited Today: Completed Section 8 housing list. 10 remaining franchise customers.
- SEOC Logistics worked with DTMB to secure additional warehouse location for donated water.
- JIC partnered with the Michigan Association of Broadcasters (MAB) to record two PSAs in Spanish. The PSAs were shared with MAB member stations.
- SEOC Finance met with State Budget Office to discuss and develop collaborative cost reporting for all state agencies.
- SEOC Planning finalized Small Business Administration request for economic injury.
- Information reported to the JIC:
  - As of 2/2/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 2/2/16*
30,770	37,844	12,406	530

\*There were issues with the app in the field on February 2, 2016. Outstanding data will be included tomorrow night.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	255,457
b. Filters	102,498
c. Filter cartridges	206,642
d. Test kits	33,243*

\*Adjusted due to test kits were not assembled at POD 1 yesterday and sent back to warehouse. Those kits were included as distributed and should not have been.

3. Resources purchased:

- a. Cases of water 2,715,324 Liters (additional 1,209,675 Liters donated)
- b. Filters 266,312\*
- c. Filter Cartridges 584,957\*
- d. Test kits 62,701

\*Includes back data, not previously accounted for, from MDHHS purchases on January 12-16, 2016 so there is a jump in the amounts.

4. Teams going out tomorrow:

- a. 10 American Red Cross Teams scheduled for Wednesday, February 3, 2016.

Standing Information Requirements

1. Number of homes visited each day:

- a. 2/2/16, as of 5 pm, 530 homes were visited today

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 12,406

3. Total number of National Guard on the ground:

- a.

4. Total Number of Volunteers each day:

- a. 27 volunteers on 2/2/16, per ARC.

5. \*Number of homes with filters:

	Total Number	Number with filters
Residential parcels	38,831	28,277
Active residential water subscribers	26,673	22,491

6. **Number of Water filters distributed (each day and to date):**
  - a. 587 (172 FWRT + 415 PODs [1700 2/1 to 1600 2/2]) were distributed since this report yesterday and total distributed to date is 102,498.
7. **Cases of Bottle water distributed (each day and to date):**
  - a. 10,524 (444 FWRT +10,080 cases or 120,960 liters PODs [1700 2/1 to 1600 2/2]) were distributed since this report yesterday and the total distributed to date is 255,457 cases or 3,065,484 Liters.
8. **Number of testing kits distributed (each day and to date):**
  - a. 491 (56 FWRT +435 PODs [1700 2/1 to 1600 2/2]) were distributed since this report yesterday and the total distributed to date is 33,243.
9. **Number of people tested for elevated blood levels (kids, adults, total):**
  - a. See attached MDHHS Sit Rep, pages 1 and 3 – this is a new format from DHHS but we are working to pull it into an easier format.
10. **Number of people with elevated blood level (kids, adults, total):**
  - a. See attached MDHHS Sit Rep, pages 1 and 3 -- this is a new format from DHHS but we are working to pull it into an easier format.
11. **Number of homes with safe drinking water:**
  - a. Drinking water (Analyzed 9/3/15 to 2/2/16)
    - i. 5516 out of 5906 (93%) at or below 15 ppb (390 tests above)
    - ii. <5 ppb: 4853 (82%)
    - iii. 5-15 ppb: 663 (11%)
    - iv. > 15 ppb: 390 (7%)
    - v. >30 ppb: 214 (4%)
    - vi. >150 ppb: 50 (0.8%) (DEQ and DHHS are working to get a plan in place to ensure these homes are visited).

\*Note, per MDEQ, this data is from uncontrolled samples provided by residents.

#### Local EOC

- Coordinating rapid response deliveries to homebound residents and special locations.
- Coordinating distribution of appropriate supplies to Flint water system franchise customers outside the City of Flint.
- Coordinating with owner of new warehouse site for access to the site, and operations at the facility.
- Addressing various public concerns, including availability of supplies to residents in apartment complexes.
- Attended meeting with UM-Flint to discuss student volunteer opportunities and potential communications support.
- Attended VOAD meeting to discuss volunteer engagement, volunteer management, and distribution management.
- Coordinating replacement for Team Rubicon after their demobilization for rapid response deliveries.

Chris

**Subject:** SEOC Update 2/1/16 - Flint Water - Limited Distribution

**INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR'S OFFICE**

**Update 2/1/16 – 28<sup>th</sup> Day (27<sup>th</sup> Full Day) After Governor's Declaration of an Emergency**

#### Mission focus for the day:

- Finalize new Incident Action Plan (IAP) for Operational Period 2/2/16 to 2/9/16.
- Sync up with the UCG to ensure lines of communication and operation are clear.
- Ensure adequate quantities of supplies to support operations.
- Continue investigating a warehousing option for non-palletized donations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Continue to work on SBA application – pends status of Declaration of Emergency appeal.
- Obtain additional information from the City of Flint and Genesee County for appeal.

#### Status on Governor's request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal. IHP is an Individual Assistance program.

#### Attached:

1. SitRep 27
2. Flint Water Timeline (DRAFT) – This is a running record I keep so I have it for future reference. This is draft but thought some of you may want it at this time.
3. State Agency Weekly Activities – It was mentioned on the morning call to have a weekly activities sheet. I am certain there are other events to be added but this is from the SEOC personnel.
4. Day to Day POD Comparison Data – Internal for EMHSD and FEMA

#### Key items for tomorrow to note are:

- 10 American Red Cross Teams scheduled for Tuesday, February 2, 2016
- Franchise Customers continue to be targeted for visits with additional to be determined.

#### Items to Note

- The question came up as to the difference between active residential customers and residential parcels. Customers are on the Flint water system according to what the City of Flint provides us. Residential parcels are those not on the system for numerous reasons to include them having a well or just not connected to the system. We are aware some not on the system have gotten filters. I also do not have a lot of faith in the records provided to us by the city water department. We just received an updated franchise list which had more customers from the city that is different from the one we were given earlier.
- Received approval to obtain a former Kroger store near Statoin 6 POD. This will greatly alleviate donation management issues. Office space is available at this location if needed.
- 10 ARC Flint Water Response Teams to the field today.
- GIS was not able to develop maps with today's data due to issues with the software. They will be providing maps first thing tomorrow.
- Recovery Branch coordinated meeting with Michigan Community Service Commission (MCSC), Local EOC, and ARC regarding volunteer coordination and reporting.
- JIC is working to set up a legislative and congressional briefing call this week.
- Information reported to the JIC:
  - As of 2/1/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	ARC Paper Data* 1/31/16	Targeted Canvassing Mission 2/1/16
30,770	37,844	11,876	1,135	1,164

\*Data from last night that was not available.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	244,933
b. Filters	101,911
c. Filter cartridges	205,820
d. Test kits	33,561

3. Resources purchased:

- a. Cases of water 2,637,324 Liters (additional 1,127,171 Liters donated)
- b. Filters 165,048
- c. Filter Cartridges 389,357
- d. Test kits 62,701

4. Teams going out tomorrow:

- a. 10 American Red Cross Teams scheduled for Tuesday, February 2, 2016.

#### Standing Information Requirements

1. Number of homes visited each day:

- a. 1/31/16, ARC Data, 1,135 homes were visited yesterday. Data was not included in yesterday's report.
- b. 2/1/16, as of 5 pm, 1,164 homes were visited today

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 11,876

3. Total number of National Guard on the ground:

- a.

4. Total Number of Volunteers each day:

- a. 50 volunteers on 2/1/16, per ARC.

5. \*Number of homes with filters:

	Total Number	Number with filters*
Residential parcels	38,831	28,167
Active residential water subscribers	26,673	22,400

\*Number does not include franchise customers, will be updated tomorrow morning.

6. Number of Water filters distributed (each day and to date):

- a. 1,318 (1,001 FWRT + 317 PODs [1700 1/31 to 1600 2/1]) were distributed since this report yesterday and total distributed to date is 101,911.

7. Cases of Bottle water distributed (each day and to date):

- a. 10,443 (1,218 FWRT +9,225 PODs [1700 1/31 to 1600 2/1]) were distributed since this report yesterday and the total distributed to date is 244,933.

8. Number of testing kits distributed (each day and to date):

- a. 1,091 (293 FWRT +798 PODs [1700 1/31 to 1600 2/1]) were distributed since this report yesterday and the total distributed to date is 33,184.

9. Number of people tested for elevated blood levels (kids, adults, total):

- a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351

\*this data will not be updated again until Tuesday.

10. Number of people with elevated blood level (kids, adults, total):

- a. Per CHECC: These numbers are only updated bi-weekly

- i. Children less than 6 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 38
- ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 7
- iii. Adults 18 years and older  $\geq 5$   $\mu\text{g}/\text{dl}$  since 10/1/2015: 22

\*This data will not be updated again until Tuesday

#### 11. Number of homes with safe drinking water:

##### a. Drinking water (9/3/15 to 2/1/16)\*

- i. 5227 out of 5590 (94%) at or below 15ppb (363 tests above)
- ii. <5 ppb: 4594 (82%)
- iii. 5-15 ppb: 633 (11%)
- iv. > 15 ppb: 363 (6%)
- v. > 150 ppb: 48 (0.9%) – DEQ was tasked with getting better information on this as to how many are residences, what steps have been taken with them, how many have been “cleared,” and how many are new. They will be working on it first thing tomorrow. Based on sheets I was provided this evening, since the report on Friday:
  - 1. Saturday there were 4 additional results >150 ppb
  - 2. Sunday there were 5 additional results >150 ppb
  - 3. Monday there were 6 additional results >150 ppb
- vi. > 30 ppb: 199 (4%)

\*Note, per MDEQ, this data is from uncontrolled samples provided by residents.

#### Local EOC

- Coordination of rapid response deliveries to homebound residents and special locations.
- Finalized rapid response delivery plan with ARC, Team Rubicon, Michigan Community Service Commission and SEOC.
- IC/Genesee County EMC attended county commission meeting, briefed commission on response efforts, and addressed questions and concerns.
- Addressing public concerns, including rumors of availability of FEMA relocation assistance.
- Coordinating with charter schools outside the city of Flint/Flint water system for supply of water resources to students that are Flint residents.
- Attended conference call with Dow Chemical to discuss potential donation of filter systems. Will provide spec sheets to SEOC Logistics.

- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

#### Key items for tomorrow to note are:

- **10 American Red Cross Teams scheduled for Monday, February 1, 2016**
- **City Sections Scheduled Tomorrow\*:** Franchise Customers, Additional to be determined.  
\*City sections subject to change based on available data updates. Teams will reach out for additional assignments if entire city section is completed during the operational period.

#### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- Information reported to the JIC:
  - As of 1/31/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

#### 1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 1/31/2016 *
30,770	37,844	9,577	551*

\*Due to an issue with the iPads in the field not all numbers were captured for today's outreach. The additional residences will be entered tonight by ARC and will be included in the data for tomorrow, per Recovery Branch.

#### 2. Distributed:

Commodity	Total to Date
a. Number of cases of water	234,490
b. Filters	100,593
c. Filter cartridges	204,736
d. Test kits	32,093

#### 3. Resources purchased:

- a. Cases of water      2,637,324 Liters (additional 996,080 Liters donated)
- b. Filters                      165,048
- c. Filter Cartridges      383,282
- d. Test kits                      62,701

#### 4. Teams going out tomorrow:

- a. 10 American Red Cross Teams scheduled for Monday, February 1, 2016.

#### New Standing Information Requirements

#### 1. Number of homes visited each day:

- a. 1/31/16, as of 5 pm, 551\* homes were visited today
  - i. \*The numbers are low due to an issue with the iPad input, the additional residences will be inputted tonight and included in tomorrow numbers.

#### 2. Total number of homes visited:

- a. Targeted Canvassing Mission: 9,577

#### 3. Total number of National Guard on the ground:

a.

4. **Total Number of Volunteers each day:**

- a. 236 volunteers on 1/31/2016, per ARC.

5. **Number of homes with filters:**

	Total Number	Number with filters
Residential parcels	38,831	28,081
Active residential water subscribers	26,673	22,334

6. **Number of Water filters distributed (each day and to date):**

- a. 624 (299 FWRT + 325 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and total distributed to date is 100,593.

7. **Cases of Bottle water distributed (each day and to date):**

- a. 7,302 (426 FWRT + 6876 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and the total distributed to date is 234,490.

8. **Number of testing kits distributed (each day and to date):**

- a. 581 (251 FWRT + 330 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and the total distributed to date is 32,093.

9. **Number of people tested for elevated blood levels (kids, adults, total):**

- a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351

\*This data will not be updated again until Tuesday.

10. **Number of people with elevated blood level (kids, adults, total):**

- a. Per CHECC: These numbers are only updated bi-weekly
- Children less than 6 years old  $\geq 5 \mu\text{g/dl}$  since 10/1/2015: 38
  - Children 6 to 17 years old  $\geq 5 \mu\text{g/dl}$  since 10/1/2015: 7
  - Adults 18 years and older  $\geq 5 \mu\text{g/dl}$  since 10/1/2015: 22

\*This data will not be updated again until Tuesday

11. **Number of homes with safe drinking water:**

- a. 5,020 water samples out of 5,356 sampled through January 31, 2016 are at or below the action level of 15 ppb for lead. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

Local EOC

- Addressing various public concerns, including concerns regarding filter efficiency.
- Establishing procedures for receiving incoming donations of loose water at overflow locations.
- Established rapid response delivery plan with ARC and Team Rubicon.
- Coordinated rapid response deliveries to homebound residents and special locations.
- Coordinated with VRC for door-to-door distribution of recycling information and supplies.
- Genesee County Board of Commissioners meeting scheduled for 02/01/2016.

Chris

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 02/02/2016 08:00:00  
Operational Period End: 02/09/2016 08:00:00  
Situation Report No. 28  
SEOC Status: Full  
SEOC Hours of Operation Begin: 02/02/2016 08:00:00  
SEOC Hours of Operation End: 02/02/2016 20:00:00

## Executive Summary

### SEOC Update:

Accomplished today (February 2, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

### Logistics:

- Fielded resource requests.
- Fielded rapid response requests.
- Fielded Governor's office request.
- Facilitated distribution team calls.
- Coordinated warehouse deliveries – donated water.
- Submitted proposal to open second warehouse – proposal approved.
- Sent request to Chad Veaser to secure Adventists to staff warehouse.
- Requested equipment/supplies from ALANaid for new warehouse.
- Requested FEMA advisors for new warehouse.
- Requested DOC's assistance with warehouse management and staffing for new warehouse.
- Revised staffing for the Recovery branch.
- Requested DOC work crew to assist in short-term staffing for the new warehouse.
- Fielded inquiry from ARC on the Washington Post wanting to tour the warehouse.

### JIC:

- Created a morning and afternoon media monitoring report and looked for information requiring correction.
- Updated internal talking points about the ongoing Flint water emergency.
- Continued routing public information materials for approval, including communications about water bottle and water filter recycling and water filter installation fact sheets.
- Partnered with the Michigan Association of Broadcasters (MAB) to record two PSAs in Spanish. The PSAs were shared with MAB member stations.

### Recovery Branch:

- Attended local brief, SEOC state agency briefing meeting, and distribution process meeting
- Worked with GIS to map and analyze City of Flint apartment buildings to send out water resource teams.
- Created plan for ARC to visit apartment complexes.
- Worked with GIS to develop a map and street addresses for franchise customers to send out to Red Cross water resource teams.
- Team priority visited today: completed section 8 list
- City sections visited today: 10 remaining franchise customers.
- City sections scheduled tomorrow\*: apartment complexes
- 10 American Red Cross Teams scheduled for Wednesday, February 3, 2016.

o Data is for 2/2/16 as of 5:00 pm (Data is low due to iPad difficulties, additional data will be included in tomorrows numbers):

o Total homes visited:

□ 12,406 (round 3 total).

□ 530 (today).

o Water cases (liters calculated by multiplying # of cases x 12):

□ 93,120 liters or 7,760 cases (round 3 total).

□ 5,328 liters or 444 cases (today).

o Replacement cartridges:

□ 1,965 (round 3 total).

□ 99 (today).

o Faucet filters:

□ 6,400 (round 3 total).

□ 172 (today).

### Planning Section:

- Published Sit Rep #28.
- Finalized SBA request.

- Participated in local EOC, state agency, and distribution process conference calls.
- Posted signed IAP #8 to MI CIMS.
- Expanded Governor's data tracking worksheet.

#### Operations Section:

- o DHHS is researching options for seniors to open bottled water.
- o DHHS reported CDC is sending staff today to assist with the response.
- o Held a 1000 meeting with State Director, DEQ, DHHS, and Recovery branch to develop a plan for residences testing over the action level of 150 ppb.
- o Facilitate daily local EOC and SEOC state agency briefings
- o 27 total volunteers (20 ARC and 7 event based) were active across the operation today.

#### o Warehouse Numbers as of 1800:

- Water (liters):
  - 538,085 liters or 48,757 cases.
- Filters (faucet):
  - 49,016.
- Replacement cartridges:
  - 372,350.
- Test Kits (prepped):
  - 22,292.

#### o PODs (1700 2/1 – 1600 2/2):

- Water (cases):
  - 120,960 liters or 10,080 cases.
- Filters (faucet):
  - 415.
- Replacement Cartridges:
  - 723.
- Test kits:
  - 435.

#### Finance Section:

- Met with State Budget Office to discuss and develop collaborative cost reporting for all state agencies.
- Reviewed EMHSD Staff overtime to estimate current costs.
- Reviewed FEMA RRFs for commodity costs for projections and match calculation.

#### GIS Branch Updates:

- Created a map for DHHS of blood levels for children 0-6 years old in the city of Flint.
- Updated the data collection application to include parcels outside of the city of Flint.
- Worked in verifying HUD housing addresses for recovery.
- Calculated the number of kitchen sinks in the city of Flint
- Consolidating field team data to streamline daily map requests.

#### DTMB:

- DTMB Print & Graphic Services translating aerator fact sheet in Spanish and Arabic.
- DTMB has five trucks/drivers assisting with delivery of supplies; three for the point of distribution sites and two assisting the food bank.
- Asked to provide credentialing for contractors working on fixture replacement work at regulated facilities.
- Providing a lockset at the JIC office space in Flint.
- DTMB Real Estate worked with landlord of former Kroger store on Pierson Road in Flint to write up a month-to-month rental agreement.

#### DHHS-CH:

- Participated on a conference call with DEQ, LARA, EPA, CHECC, and MDHHS Environmental Health to discuss the plan and process going forward to follow-up with the homes that have tested at 150 PPB or higher for lead.
- Confirmed with MDARD and the JIC that MSU is not offering free lead testing for pets; and therefore, this information should not be provided to callers who call the CHECC hotline. This information has also been provided to Human Services for 2-1-1.
- Held a discussion with the CHECC regarding identification and outreach to pregnant women and young children in Flint. Those activities are ongoing and include the development of an info-graphic as well as inclusion in the Wednesday webinar series that Dr. Wells will be providing to health professionals weekly.
- Worked with GIS to obtain a map that depicts an overlay of blood lead level testing results and water testing results. Not available for dissemination, as they contain sensitive health information protected by HIPPA.

#### DEQ:

- 621 test kits delivered to lab.
- Coordinated with the EPA for participation on the high lead home strike force.

#### Local EOC Update:

- Coordinating rapid response deliveries to homebound residents and special locations.
- Coordinating distribution of appropriate supplies to Flint water system franchise customers outside the City of Flint.
- Coordinating with owner of new warehouse site for access to the site, and operations at the facility.
- Addressing various public concerns, including availability of supplies to residents in apartment complexes.
- Attended meeting with UM-Flint to discuss student volunteer opportunities and potential communications support.
- Attended VOAD meeting to discuss volunteer engagement, volunteer management, and distribution management.
- Coordinating replacement for Team Rubicon after their demobilization for rapid response deliveries.

### Incident Response/Recovery Priorities/Objectives

(Objectives are in order of priority with original objective number attached)

11. Ensure accurate tracking and accounting of all donations.
5. Continue to maintain adequate staffing to support operational requirements.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
9. Enhance situational awareness and common operating picture of all activities.

8. Maintain coordination between partner agencies and organizations to include FEMA IMAT, FWCC, and the US Department of Health and Human Services Unified Coordination Group (UGC).
3. Improve and maintain the public information strategy and process.
6. Develop an overview of possible assistance programs.
4. Develop a long term public health and services plan.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
1. Ensure all households within impacted community have required resources and are included in DEQ water sampling plan.
2. Ensure accurate tracking and accounting of all commodities.

#### Emergency Declarations

##### Local Declarations

#### Damage Assessment Summary

#### Agency Summaries

##### Joint Information Center / Public Information Officer

The Joint Information Center (JIC) was expected to be operational in Flint from 8 a.m. to 8 p.m. on Feb. 2. The JIC was operational until 10:45 p.m. on Feb 1.

State agencies at the JIC included the Michigan State Police and Departments of Agriculture and Rural Development, Environmental Quality, Health and Human Services, Licensing and Regulatory Affairs, Transportation, and Military and Veterans Affairs. The Genesee County Sheriff's Office and the American Red Cross were also present.

##### Tasks accomplished:

- Media hotline staff answered more than 20 emails and phone calls ranging from DEQ staff legal representation to National Guard members refusing to deliver supplies to certain areas of Flint because it is considered "too dangerous."
- Key agency PIOs fielded multiple news inquiries throughout the day, including conducting or scheduling interviews with the *Baltimore Sun*, *New York Times*, *Lansing State Journal*, ABC News, WJRT-TV 12 in Flint, WEYI-TV 25 in Flint, and WNEM-TV 5 in Flint.
- Created a morning and afternoon media monitoring report and looked for information requiring correction.
- Updated internal talking points about the ongoing Flint water emergency.
- Continued routing public information materials for approval, including communications from about water bottle and water filter recycling and water filter installation fact sheets.
- Continued adding individuals to staff the Flint JIC for the next two weeks.
- Partnered with the Michigan Association of Broadcasters (MAB) to record two PSAs in Spanish. The PSAs were shared with MAB member stations.

##### Agriculture and Rural Development (MDARD)

As of 2/2/16, MDARD completed water assessments at all 21 food businesses in the high risk area and 127 in the medium risk and 221 in other areas (numbers differ from those reported 2/1/16 due to risk reclassification of some businesses). Follow-up assessments/verification sampling was completed at 15 firms.

Staff have collected 125 water samples to date, with more scheduled for this week. Results for 61 of the samples are back. 51% had elevated lead levels (over 0.01 ppb) including 4 samples with levels greater than 15 ppb.

MDARD Environmental Stewardship Division staff held a conference call today with several local entities regarding how we can coordinate urban agriculture/gardening questions related to the Flint Water issue. One resource is the MSU Extension Lead Webpage: <http://msue.anr.msu.edu/program/info/lead>.

There was a rumor that the Michigan State University Veterinary Clinic was conducting free lead testing for Flint pet owners. It was confirmed this afternoon that this is not true.

##### American Red Cross (ARC)

The American Red Cross deployed and supported 10 Water Response Teams on Tuesday, 2/2/16. It's anticipated that 10 teams will deploy tomorrow.

The Volunteer Reception Center (VRC) was in operation today, from 9am to 5pm, and processed 25 event-based volunteers. Assembly of water test kits will resume when materials become available.

##### Civil Rights (MDCR)

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Maintaining media awareness regarding situation and community activities. Pull list of potential adaptive devices for bottle openers and forwarded to Branch Director Thelen. Requested PIO/JIC add Deaf/Hard of Hearing and Spanish language options to the website where The Disaster Distress Helpline is listed.

##### Community Health (MDCH)

The CHECC remains active at a Level 2, and continues to staff the hotline to answer any health-related questions that 2-1-1 is unable to answer in order to support GCHD.

Participated on a conference call with DEQ, LARA, EPA, CHECC, and MDHHS Environmental Health to discuss the plan and process going forward to follow-up with the homes that have tested at 150 PPB or higher for lead. DEQ has drafted a plan that will be provided to the State Director for implementation as early as tomorrow, 2/3/16.

Requested that CHECC communications staff support MSP staff with updates to the Flint Water website.

Confirmed with MDARD and the JIC that MSU is not offering free lead testing for pets; and therefore, this information should not be provided to callers who call the CHECC hotline. This information has also been provided to Human Services for 2-1-1.

Confirmed with MDE the correct zip codes to be used when responding to the CHECC's inquiry for nutritional planning.

Confirmed with the CHECC that no additional activities have occurred involving CMS since the letters to healthcare providers were sent and posted to the Flint Water website.

Held a discussion with the CHECC regarding identification and outreach to pregnant women and young children in Flint. Those activities are ongoing and include the development of an info-graphic as well as inclusion in the Wednesday webinar series that Dr. Wells will be providing to health professionals weekly.

Worked with GIS to obtain a map that depicts an overlay of blood lead level testing results and water testing results. Not available for dissemination, as they contain sensitive health information protected by HIPPA.

#### **Corrections (MDOC)**

We continued operations at the warehouse and all PODs were well supplied.

We continue to keep trucks dedicated to delivering to individual PODs and have Rapid Responses ready for any POD that gets to a critical level of supplies.

621 Water Samples were collected and delivered to the DEQ Lab in Lansing. 584 Residential and 37 MDARD

We had 17 employees and an SAI work crew on the ground in Flint today. We continue to staff the SEOC from 0800-2000, 7 days/week.

We are in the process of establishing a second warehouse location and MDOC will be staffing the second location for at 2 weeks.

MDOC has also been asked to assume Recovery Branch duties.

#### **Education (MDE)**

1. Michigan School for the Deaf. Report from MSD that two of the three new drinking fountains were installed this past weekend (Jan 30-31). Landlord said he anticipates this weekend (February 6/7), to install final new drinking fountain. Based on that, MSD will contact Joe Madziar on Monday (8 February), to establish a tentative date for LARA to schedule Stevens Hall testing.

2. MDE was contacted by Senator Stabenow's office. Her representative was very interested in CEP and the schools in Flint. We sent her some info yesterday. She also told us Stabenow's office is available to assist us in any way they can. We will continue regular communication with her and keep SEOC posted.

3. MSD reports they received confirmation that Dr. Eden Wells, Chief Medical Executive of the Michigan Department of Health and Human Services, will be attending the February 9th MSD parent meeting to address any parental concerns regarding lead exposure.

4. MSD reports visit by Dr. Jamal Gwathney, representing the U.S. Department of Health and Human Services. He said his agency is part of a coordinated federal response involving HHS, FEMA, and CDC. He asked background questions about the school's response to the water crisis, and offered to assist MSD with any unmet needs. He seemed satisfied that the school's needs are met.

He asked about other potential contacts within the Deaf Community, and MSD referred him to Communication Access Center (CAC). They are the local non-profit group that runs several group homes for Deaf people, a Deaf senior citizens program, interpreter services, and provides contracted staff to MSD.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

621 samples were delivered to the lab today.

Coordinated with USEPA, USDHHS, MDHHS and MDEQ for participation on High Lead Home Strike Force.

#### **Human Services (MDHS)**

Met with MDARD & MDE on joint efforts regarding food service establishments and schools.

Working with State VAL and Recovery on process for distributing replacement cartridges in the future.

Participated on 10:00 conference call with GCHD. GCHD continues to get resources out. They have lots of federal agencies there. The NCCC team arrived 02/01/16, they are being oriented to the area and what efforts have already been completed.

Provided logistics with information on bottle openers received from Aging and Adult and Civil Rights. This is to address the concern of some citizens with grip or strength limitations to open water bottles.

Reached out to see if MDHHS might have existing data that would help identify high population / low income areas.

CHECC continues to maintain a Level 2 Activation

#### **Licensing and Regulatory Affairs (LARA)**

Updated the LARA Executive Team

LARA continues to monitor DEQ's test results for Health Care, Child Care, Adult Foster Care, HHS and MDE facilities and Schools.

Working with DEQ for Strike Teams.

Preparing materials lists for plumbing fixtures.

#### **Military and Veterans Affairs (DMVA)**

1. DTG: 0113002016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: Ssg Gazzeny, Darryl L. Cell: (                      Email: armyinfantry31@yahoo.com

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. SITUATION OVERVIEW: 1-125 IN has      Soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has      Soldiers on ground supporting the mission.

7. OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.

a. SEOC has the POC with MDOT. Lt. Benke will be linking up with MDOT technician to do a visual reconnaissance.

1.) Workers from the City of Flint determined that they do not have the capabilities to support the road sign warnings. Local EOC was working through the Genesee County Road Commission and determined that they do not have the resources to sustain our long term operations.

b. Flint City Electricians have assessed outside lighting issue at station 5 and 8. In addition, they will be fulfilling long requested work order for maintenance on all lighting at those stations. Station 8 work order to be initiated NLT 01FEB2016 0730.

8. PERSONNEL:      Soldiers are currently assigned to the POD operations      Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.      Soldiers were released and conducted reverse RSOL.      new Soldiers will report 2JAN2016 in support of TF Flint.

9. INTELLIGENCE / FORCE PROTECTION: Michigan militia did establish a presence within the AO. The intentions were not harmful and in support of efforts made to resolving issues to residents of Flint.

10. LOGISTICS: In support of recycle project sponsored by Schupon, the special purpose recycle bags have not been distributed to POD operations.

11. COMMUNICATIONS: No communications issues at this time.

P: 800 MHz radios issued to PODs and WRTs.

A: RRF cell phones alternate for WRTs.

C: Personal cell phone

E: Runner

12. NARRATIVE: N/A

#### **13. COMMANDER'S EVALUATION:**

- POD operations are still functioning well. We are trying to improve the efficiency, professional appearance, and long-term establishment of the POD's, but, overall the POD's operations are remaining successful.

- Recycling has been implemented at PODs 1, 5, and 8. Recycling is happening frequently but at a restriction due to the lack of supply of clear recycle bags given from schupan..

- Consolidated Station Report OUT (last 24 hours)

Bottled water-3523 Water (Gallons)-244 Lead Testing Kits-235

Pitcher (23 cup)-0 Brita Faucet Filter-136 Brita Replacement Cartridge-186

Pur Filter-162 Pur Replacement Filter-346

#### **National Weather Service (NWS)**

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

#### **Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

#### **Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe

Operations Section:

- o Facilitated state agency and local briefing calls.
- o Follow up on reported resident concerns.
- o Warehouse Numbers as of 1800:
  - Water (liters):
    - 435,742.
  - Filters (faucet):
    - 50,360.
  - Replacement cartridges:
    - 362,597.
  - Test Kits (prepped):
    - 25,019.
  - Test kits (un-prepped):
    - 0 (all supplies out to ARC for assembly).
  - o PODs (1700 1/29 – 1800 1/30):
    - Water (cases):
      - 9,743.
    - Filters (faucet):
      - 622.
    - Replacement Cartridges:
      - 932.
    - Filters (pitcher):
      - 0 (no longer being distributed at PODs).
    - Test kits:
      - 336.

Finance Section:

- Review current cost data from state agencies that have submitted information.
- Updated Resource Request Information
- Log Commodity Costs and Quantity Information
- Update spend plan with state agency costs

GIS Branch Updates:

- Created a church location map for local EOC.
- Map of DEQ water test sites with lead and copper level result.
- Provided image of water service curb maps for JIC.
- Created spreadsheet of residential vacant parcels for DEQ.
- Created team assignment area map.
- Created individual team area maps.

DTMB:

- Supporting logistics with requests.
- Demobilizing some of the iPads in field.
- Michigan.gov website was attacked again today – site continued to run.

DHHS-CH:

- 211 number receiving numerous inquiries regarding sample turnaround times
- Filters may not be effective with levels exceeding 150 parts per million.
- Media coverage on this – looking for JIC assistance.

DEQ:

- Request from ECC for 8 sampling teams to begin February 8.
- Coordination of the composition of teams for ECC.

Local EOC Update:

- Coordinated short-term resource needs of incoming volunteer groups.
- Addressing public concerns regarding filter efficiency.
- Addressing concerns regarding rapid response delivery system.
- Planning for transition of operational control to local level.
- Planning for demobilization of MSP/EMHSD support staff at Genesee County EOC.
- Attended conference call with Michigan Community Service Commission regarding long-term volunteer management plan.
- Refined 211 data entry and record keeping process.

**Incident Response/Recovery Priorities/Objectives**

(Objectives are in order of priority with original objective number attached)

1. Ensure all households within impacted community have required resources.
2. Ensure accurate tracking and accounting of all commodities.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
3. Improve and maintain the public information strategy and process.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT and the FWICC
4. Develop a long term public health and services plan.
6. Develop an overview of possible assistance programs.
9. Enhance situational awareness and common operating picture of all activities.
5. Continue to maintain adequate staffing to support operational requirements.

**Emergency Declarations**

**Upcoming Forecast**

Forecast Update for Flint, MI - January 30

- \* Quiet weather today Saturday (January 30) with rain Sunday (January 31).
- \* Milder temperatures this weekend with high temperatures in the mid 40s Saturday (January 30) and 45 to 50 on Sunday (January 31)
- \* Drier and cooler Monday (February 1st)
- \* Rain Tuesday afternoon (February 2nd) through Tuesday night - may mix with sleet, freezing rain and snow. Details below
- \* Turner much colder late next week (February 3rd-5th)

Tuesday afternoon (February 2) through Tuesday night looking like it could be a very rainy, wet stretch in the Flint area. Some portions of Michigan, especially the upper peninsula, northern lower and southwest lower could see significant snow and maybe some sleet and freezing rain with travel impacts and power outages possible. Flint area right now looks like mostly rain, but the forecast could change to include snow, sleet freezing rain for Tuesday and Tuesday night.

**Damage Assessment Summary**

**Agency Summaries**

**Joint Information Center / Public Information Officer**

JIC not operational in Flint today. PIO operated out of SEOC.

**Agriculture and Rural Development (MDARD)**

Friday, Jan 30th -

MDARD has developed plans for the coming week for water sampling and assessments of food businesses as well as follow up

based on test results, including verification and compliance assistance. As of 1/29, MDARD completed water assessments at all 18 food businesses in the high risk area and 135 of the 156 in the medium risk area, as well as 58 in the other parts of the City. The overall assessment compliance rate is 70.1%. We also have collected 74 water samples, with more scheduled for next week.

#### **American Red Cross (ARC)**

The American Red Cross deployed and supported 10 Water Response Teams on Saturday. We expect to have 10 teams available tomorrow as well.

Carpenters and Millwrights supplied hundreds of volunteers today. Some were assigned to accompany the Water Response Teams. The rest filled their own vehicles with bottled water and were assigned distribution routes.

The Volunteer Reception Center (VRC) was in operation today and processed 169 event-based volunteers. Sunday's schedule is 9am to 3pm.

Assembly of water test kits will resume when materials become available.

#### **Civil Rights (MDCR)**

Continue to review activities to provide support and assistance to assigned Human Services branch and other SEOC entities. Maintaining media awareness regarding situation and community activities. Provided link to Spanish version of CDC infographic "If you are pregnant" to tasking request via MI-CIMS [http://www.cdc.gov/nceh/lead/tools/are\\_you\\_pregnant\\_spanish.pdf](http://www.cdc.gov/nceh/lead/tools/are_you_pregnant_spanish.pdf)

#### **Community Health (MDCH)**

The CHECC remains activated at a level 2 with communications being coordinated between GCHD EPC, Federal Coordinating Officers, MDHHS Leadership and the SEOC.

CHECC hotline received multiple calls related to water filter efficacy. Overall total call volume remains low.

Nutritional planning and Disaster Behavioral Health planning is ongoing in the CHECC and with partnering agencies.

Received a communication from the Michigan Pharmacist Association offering to collaborate and brainstorm ways that pharmacies in the Flint area can support response efforts. A call may be scheduled with MPA and the CHECC to explore this option further.

#### **Corrections (MDOC)**

We continued to streamline operations at the warehouse to assure that PODs are well supplied. Today was the second consecutive day the PODS did not run out of supplies. We will continue to keep trucks dedicated to delivering to individual PODs and have Rapid Responses ready for any POD that gets to a critical level of supplies.

203 Water Samples were collected and delivered to the DEQ Lab in Lansing.

A total of 3 Semi-Tuck and Trailers and 3 full box trucks of water were and loaded today at the warehouse and delivered to the Home Depot parking lot for the large scale volunteer event with Red Cross.

We are in the process of training backfill personnel for the staff assigned to the detail.

#### **Education (MDE)**

1. Michigan School for the Deaf. Report to LARA on the latest word from the landlord is that the three new drinking fountains will be installed this weekend (Jan 30-31). He said we should allow him until mid-week, next week, as a back-up estimated completion date. Based on that, MSD contacted Joe Madziar, and he indicated next Friday (February 5) would be a tentative date for LARA to schedule Stevens Hall testing.

#### **Environmental Quality (MDEQ)**

The Department of Environmental Quality (DEQ) completed the following activities today:

Responded to request from EPA by providing up-to-date spreadsheet of sample results through January 29, 2016.

Worked with Joint Information Center (JIC) to seek to manage public expectations about how long it will take for sample results to be mailed to residents, given what was reported in some media.

Confirmed that the City was provided the assistance they requested yesterday to send out sample test results.

Continued activities to comply with EPA Order, including:

Ordered Public Information Officer (PIO) for DEQ Incident Management Team to liaison with Flint Emergency Operations Center PIO, as well as documentation leader.

Several new mapping/GIS requests for overall analysis.

Initiated resource order for 10 new teams with law enforcement escort.

Secured addresses of currently unoccupied homes.

## **Human Services (MDHS)**

Worked with SEOC PIO to address some concerns brought up by 211, due to some media stories related to water filter capabilities, and duration to obtain water test results.

CHECC continues to maintain a Level 2 Activation

## **Licensing and Regulatory Affairs (LARA)**

-Updated the LARA Executive Team

-Work by LARA/BCC at Freeman Elementary School was completed today. Testing performed by DEQ/LARA will take place tomorrow.

-A material list was completed for Neithercut Elementary School,

## **Military and Veterans Affairs (DMVA)**

Commanders Situation Report (SITREP)

1. DTG: 301300Z016

2. UNIT: Points of Distribution (PODs), TF FLINT (1-125 IN)

3. POC: 1LT Roland, John G. Cell: Email: john.g.roland2.mil@mail.mil.com

4. PRESENT LOCATION: Genesee County Local EOC, 1101 Beach St., Flint, MI, 48502

5. SITUATION OVERVIEW: 1-125 IN has 65 Soldiers deployed to the Flint Water Crisis in support of Distribution Operations at the Points of Distributions (PODs). Daily operations consist of receiving, tracking, and issuing out water, filters, replacement filters, and water test kits.

6. OWN SITUATION DISPOSITION /STATUS: Currently 1-125 IN has 65 Soldiers on ground supporting the mission.

7. OPERATIONS: Operations for the next 24 hours are to sustain water/filter distributions throughout the 5 designated fire stations and track all distribution incoming and outgoing through the PODs.

a. SEOC has the POC with MDOT, standing by for a response.

1.) Workers from the City of Flint determined that they do not have the capabilities to support the road sign warnings. Local EOC was working through the Genesee County Road Commission and determined that they do not have the recourses to sustain our long term operations.

b. Flint City Electricians have assessed lighting around the outside areas of the PODs IOT fix lighting issues.

2.) Monday, 01 Feb 2016, at 0730hrs the electrician is planning on fixing the lighting issue at POD 8.

8. PERSONNEL: 65 Soldiers are currently assigned to the POD operations. 58 Soldiers are assigned in five teams at Fire Stations 1, 3, 5, 6 and 8.

9. INTELLIGENCE / FORCE PROTECTION: No force threats have been identified.

10. LOGISTICS: No Change.

11. COMMUNICATIONS: No communications issues at this time.

P: 800 MHz radios issued to PODs and WRTs.

A: RRF cell phones alternate for WRTs.

C: Personal cell phone

E: Runner

12. NARRATIVE: N/A

13. COMMANDER'S EVALUATION:

- POD operations are still functioning well. We are trying to improve the efficiency, professional appearance, and long-term establishment of the POD's, but, overall the POD's operations are remaining successful.
- We have about half of the current 1-125 IN BN soldiers who would like to stay on the TF Flint mission orders. For continuity purposes, my recommendation is to utilize these as long as possible.
- Flint water response team badges were provided to the POD's to ensure each soldier was a credentialed member of the Flint water response team.
- MSU football is planning on sending (20) football players to assist in POD operations. The LEOC is working in acquiring a roster so we can establish a plan to have them assist in the operation. Orange reflective vests and Flint water response badges will need to be acquired from the LEOC for these volunteers.
- Consolidated Station Report OUT (last 24 hours)
- Bottled water- 7030 Water (Gallons)- 16 Lead Testing Kits- 269
- Pitcher (23 cup)- 0 Brita Faucet Filter- 138 Brita Replacement Cartridge- 275
- Pur Filter- 279 Pur Replacement Filter- 719

**National Weather Service (NWS)**

NWS Detroit providing morning SEOC brief and Activity Log posts. Jim Maczko from NWS Grand Rapids will be the contact point for any changes in NWS Support and will also continue to update the Sit Rep Executive Summary as needed.

Participation in afternoon SEOC briefings is planned only if significant changes in the forecast occur.

**Natural Resources (MDNR)**

MDNR LED continues to support its QOL partners with staffing at the SEOC.

Department POC's include:

Chief Gary Hagler, F/Lt. Jennifer Wolf, F/Lt. Steven B. Burton.

**Services to the Aging (OSA)**

Valley Area Agency on Aging (VAAA) continues to receive phone calls from concerned seniors in Flint and continues to make referrals to the Genesee Co. EOC for water and filter follow-up.

VAAA's local Nursing Home Ombudsman continues to monitor Flint area Nursing Homes to ensure residents have access to safe water.

Contact info for VAAA Executive Director is:

Kathryn C. Boles

President, CEO

Valley Area Agency on Aging

225 E. Fifth Street, Suite 200

Flint, MI 48502

(810) 239-7671

(810) 239-8869 fax

**State Police (MSP)**

The MSP position within the SEOC will be staffed at MSP Operations at HQ. All e-mails to MSP-EOC-MDSP@michigan.gov are being forwarded to the Operations Lt. The phone number for the on duty Operations Lieutenant is 517-241-8000

**Technology, Management and Budget (MDTMB)**

Continue to provide DTMB management with daily updates and resource requests received.

DTMB Print & Graphic Services continues to provide translation of water documents and printing for water related documents. Demobilizing iPads. 71 of 151 tablets have been returned to DTMB. Genesee County will retain 25 tablets for their use. Working with local EOC to determine where the remaining tablets are located.

Continue to provide server monitoring of MiCIMS servers and analyzing slow internet service at the Joint Information Center in the Flint State office Building.

Provided access cards and access to employees at the JIC and for Federal partners.

Providing a laptop with dual monitors and a printer for DEQ employee in Constitution Hall. Will be installed by COB Monday dual monitors and laptop installed at Constitution Hall.

Increased storage space for the JICManager Outlook mailbox.

**Transportation (MDOT)**

MDOT is providing traffic measures at Fire Station #6 on Pierson Rd. and Fire Station #3 on Martin Luther King Blvd:

-4 portable changeable message boards (2 each site).

-100 grabber traffic cones (narrow reflective cones) (50 each site)

MDOT continues to maintain situational awareness and respond to issues regarding equipment and road conditions.

1/31/2016

**#OpPoisonedH2O**

Greetings citizens of the world we are Anonymous. The Flint water crisis has drawn the attention of Anonymous. Anonymous would first like to pay respect to this deliberate poisoning. We will not rest until the families of the murdered people and lead poisoned children get justice. The victims have been specified (garbled). We will support you and magnify your voice. For Michigan Governor Rick Snyder your failed cost cutting measures have caused the death of your people you are charged with the responsibility to protect. The decent and responsible next action from you would be to step down from office. This isn't what you have chosen to do. Instead you are allowing the people of Flint to be further terrorized by the system you set up. You gave the power of Flint's government to an emergency manager. Darnell Earley rejected using Flint River water in 2012 after meeting with the EPA. Yet you overrode his decision. You used the contaminated river water and the deteriorated plumbing. You also decided to save another \$100 per day by not adding the critical chemicals to keep from further degrading the aging infrastructure. City and State workers have been provided clean drinking water for quite some time now. Yes, these debts and lifelong illnesses squarely are on your hands. The people of Flint are still being mailed bills for poisonous water. Further you threaten them with condemnation of their homes, removal of their children and placement of those children in a state agency that you govern. We will not stand idly by while you murder, poison, and terrorize our brothers and sisters in Flint Michigan. This is a call to all hacktivists, activists, trolls, protestors, marchers, agents, vishers, those who work in this corruption can speak through us Anonymously as well. All people of humanity should know that Michigan has the largest reserve of fresh water on earth. If this can happen in Michigan it can most assuredly happen where you live. We ask that you use your skills, talents, and time to help bring justice to our fallen and injured family in Flint. Cyber attacks are already under way. In the event that children are taken from their home because of failure to pay for poisonous water

there will be concentrated cyber attacks on Governor Snyder, government websites, Brian Larkin, Howard Croft, Natesha Henderson (spelling?), and Dave Walling you should do the right thing as well. Protestors should peacefully occupy the water department, 1101 Saginaw Street, Flint, Michigan. Don't let your neighbors pay for poisonous water. Protest at the Governor's mansion protest the EPA in all states. They are allowing the poisonous water to still grown and further victimization of people who live in and visit Flint. Governor Rick Snyder, State of Michigan, City of Flint, US Environmental Protection Agency, we are Anonymous united as one, divided by zero, we do not forgive we do not forget, expect us.

If you have any questions please let me know.

**From:** Rexford Sachs, Tori (GOV) <governorsoffice@govsubscriptions.michigan.gov>  
**Sent:** Sunday, January 31, 2016 4:35 PM  
**To:** Etue, Kriste (MSP)  
**Subject:** Flint update

Friends,

Here's a quick recap of last week's Flint water response.

### **\$28 Million in Emergency Funding for Flint**

On Friday, Governor Snyder, together with leaders of the Michigan legislature, signed the unanimously approved \$28 million supplemental spending bill for Flint. The emergency funding first proposed by the governor at the State of the State, will help Flint with utilities, treating children with high blood lead levels and the replacement of plumbing fixtures in schools, child care centers, foster care and nursing homes.

This emergency funding is in addition to the \$9.35 million allocated back in October to switch the water source back to Detroit's water system, purchase filters and screen for abnormal blood lead levels. **The state is working on longer-term funding to be included the Governor's budget request in February.**

Here are a few articles about this week's activities:

- NPR: Flint Needs Long-Term Solutions To Unsafe Water, State Official Says  
Lt. Governor, Brian Calley, talks to NPR about Michigan's efforts to respond to the Flint water crisis and clears up the record on part of the federal response.
- Detroit Free Press: Only \$17M in federal loans for Flint, says Lt. Gov.  
Only \$17 million of the \$80 million in federal loans available to Michigan can be used in Flint as part of recovery from the water crisis, according to Michigan Lt. Gov. Brian Calley.
- Detroit News: Snyder meets with pastors over Flint's water crisis  
Gov. Rick Snyder again held a private meeting in the city to discuss the state's response to the lead-tainted water crisis. Snyder, with an orange mug of water and a bright Flint pin notched to his lapel, sat near the end of a table inside City Hall Thursday, facing a row of concerned pastors gathered in a conference room. Mayor Karen Weaver also was present.
- Detroit Free Press: Flint's damaged pipes spark debate on fix  
Pipe corrosion experts agree that the water should be treated first with phosphates, which forms a scale layer inside pipes that inhibits corrosion, before embarking on a more permanent fix. The scale prevents lead from leaching into the water.
- Detroit News: Feds deny Snyder's request to raise Flint WIC eligibility  
The U.S. Department of Agriculture has rejected Michigan's request to increase access for Flint children ages 5 to 10 to the federal nutritional program for low-income women and children. The state had made the request as part of its effort to help mitigate the negative effects of lead exposure in Flint's children, stemming from the ongoing public health emergency in the city.

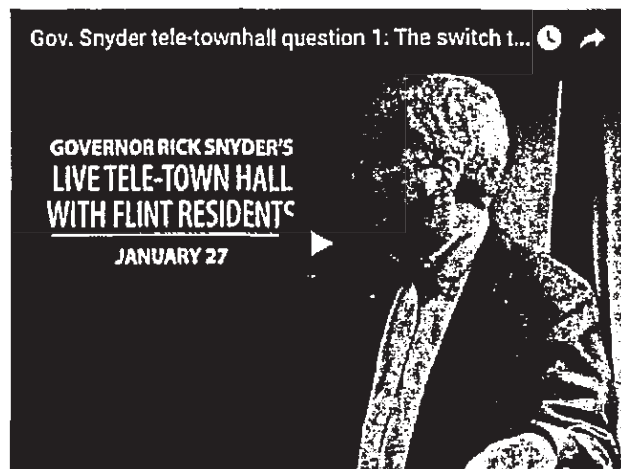

In addition to several meetings in Flint this week, Gov. Rick Snyder held a tele-town hall with nearly 8,000 Flint residents. The event covered many topics and you can listen to some of the most frequently asked questions by clicking below.

Governor Rick Snyder · onehour · Jan 27

Today I held a tele-town hall with Flint residents. Here is the first question about the switch to the Flint River: [youtube.com/watch?v=vmeZkL...](https://www.youtube.com/watch?v=vmeZkL...)

**Subject:** SEOC Update 1/31/16 - Flint Water - Limited Distribution  
**Attachments:** SitRep26 Flint Water.pdf

### INTERNAL USE ONLY – LIMIT DISTRIBUTION TO GOVERNOR’S OFFICE

#### Update 1/31/16 – 27<sup>th</sup> Day (26<sup>th</sup> Full Day) After Governor’s Declaration of an Emergency

##### Mission focus for the day:

- Ensure adequate quantities of supplies to support operations.
- Continue investigating a warehousing option for non-palletized donations.
- Continue door to door/Flint Water Response Teams (FWRTs), ARC only.
- Prepare appeal on denial of Category B under the Presidential Emergency Declaration.
- Shift Water Response Teams operations to a targeted effort to provide filters into homes where data shows where filters have not been provided.
- Work on plan for Volunteer Expansion (to increase the utilization of the volunteer force to distribute commodities over the longer term), Ongoing Resourcing, and Long Term Recovery - recovery plan/transition of PODs.
- Finalize SBA application.

##### Status on Governor’s request letter to the President:

- Appeal denial received on the Major Disaster Declaration. Nothing more can be done on this.
- Denial of Individual Household Program and Category B under the Emergency Declaration received this date. We have 30 days to appeal and EMHSD staff is gathering information for the appeal.

##### Key items for tomorrow to note are:

- **10 American Red Cross Teams scheduled for Monday, February 1, 2016**
- **City Sections Scheduled Tomorrow\*:** Franchise Customers, Additional to be determined.  
\*City sections subject to change based on available data updates. Teams will reach out for additional assignments if entire city section is completed during the operational period.

##### Items to Note

- 10 ARC Flint Water Response Teams to the field today.
- Information reported to the JIC:
  - As of 1/31/16, 4 pm for PODs and 5 pm for FWRT (start date was Tuesday, 1/12/16)

#### 1. Homes visited by the FWRTs to date.

Phase I	Phase II	Targeted Total	Targeted Canvassing Mission 1/31/2016
30,770	37,844	9,577	551*

\*Due to an issue with the iPads in the field not all numbers were captured for today's outreach. The additional residences will be entered tonight by ARC and will be included in the data for tomorrow, per Recovery Branch.

2. Distributed:

Commodity	Total to Date
a. Number of cases of water	234,490
b. Filters	100,593
c. Filter cartridges	204,736
d. Test kits	32,093

3. Resources purchased:

- a. Cases of water 2,637,324 Liters (additional 996,080 Liters donated)
- b. Filters 165,048
- c. Filter Cartridges 383,282
- d. Test kits 62,701

4. Teams going out tomorrow:

- a. 10 American Red Cross Teams scheduled for Monday, February 1, 2016.

New Standing Information Requirements

1. Number of homes visited each day:

- a. 1/31/16, as of 5 pm, 551\* homes were visited today
  - i. \*The numbers are low due to an issue with the iPad input, the additional residences will be inputted tonight and included in tomorrow numbers.

2. Total number of homes visited:

- a. Targeted Canvassing Mission: 9,577

3. Total number of National Guard on the ground:

- a.

4. Total Number of Volunteers each day:

- a. 236 volunteers on 1/31/2016, per ARC.

5. Number of homes with filters:

	Total Number	Number with filters
Residential parcels	38,831	28,081
Active residential water subscribers	26,673	22,334

6. Number of Water filters distributed (each day and to date):

- a. 624 (299 FWRT + 325 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and total distributed to date is 100,593.

7. Cases of Bottle water distributed (each day and to date):

- a. 7,302 (426 FWRT +6876 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and the total distributed to date is 234,490.

8. Number of testing kits distributed (each day and to date):

- a. 581 (251 FWRT +330 PODs (1700 1/30 to 1600 1/31)) were distributed since this report yesterday and the total distributed to date is 32,093.

9. Number of people tested for elevated blood levels (kids, adults, total):

- a. Per CHECC: People tested for Lead 10/1/2015 to 1/22/2016: \*3,351  
\*This data will not be updated again until Tuesday.

10. Number of people with elevated blood level (kids, adults, total):

- a. Per CHECC: These numbers are only updated bi-weekly
  - i. Children less than 6 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 38
  - ii. Children 6 to 17 years old  $\geq 5$   $\mu\text{g/dl}$  since 10/1/2015: 7

iii. Adults 18 years and older  $\geq 5 \mu\text{g/dl}$  since 10/1/2015: 22

\*This data will not be updated again until Tuesday

**11. Number of homes with safe drinking water:**

- a. 5,020 water samples out of 5,356 sampled through **January 31, 2016** are at or below the action level of 15 ppb for lead. Note, per MDEQ, this data is from uncontrolled samples provided by residents.

Local EOC

- Addressing various public concerns, including concerns regarding filter efficiency.
- Establishing procedures for receiving incoming donations of loose water at overflow locations.
- Established rapid response delivery plan with ARC and Team Rubicon.
- Coordinated rapid response deliveries to homebound residents and special locations.
- Coordinated with VRC for door-to-door distribution of recycling information and supplies.
- Genesee County Board of Commissioners meeting scheduled for 02/01/2016.

Chris

# Damage Assessment and Emergency Status Report

Incident: 2015-10-01-City of Flint-Water Contamination / Shortage

## Operational Period

Operational Period Begin: 01/26/2016 08:00:00  
Operational Period End: 02/02/2016 08:00:00  
Situation Report No. 26  
SEOC Status: Full  
SEOC Hours of Operation Begin: 01/31/2016 08:00:00  
SEOC Hours of Operation End: 01/31/2016 20:00:00

## Executive Summary

### SEOC Update:

Accomplished today (January 31, 2016):

The SEOC continues to provide:

- Situational awareness.
- Common operating picture/objectives.
- Coordination with city/county.
- Potential coordination with federal agencies.
- Incident prioritization.
- Coordination of life/health safety measures.
- Resources.
- Public information control.

### Logistics:

- Conference call with Dave Guterrez (Red Cross) and Brianna Briggs (Recovery) regarding donations management POC issues.
- Resource requests fielded.
- Rapid response requests fielded.
- Governor's office requests fielded.
- Facilitated distribution team calls.
- Assigned task received from DOC to DTMB.
- Assisted DTMB in locating missing 5000 post cards delivered to warehouse on 1/29.

### JIC:

- The JIC is operating from the SEOC on Saturday, January 30 and Sunday, January 31.
- Created a media monitoring report and looked for misinformation. Provided several media outlets with information regarding the state's efforts to reach homebound individuals as well as residents outside of the city limits who receive Flint water.
- Coordinated several updates and postings to the [www.mi.gov/FlintWater](http://www.mi.gov/FlintWater) site.
- Updated internal and general talking points about the ongoing Flint water emergency.
- JIC will issue the nightly activity news release.

### Recovery Branch:

- Attended local brief, SEOC state agency briefing meeting, and distribution process meeting.
- Coordinated with GIS to develop an area map and spreadsheet with addresses based on data specified as "follow up required" for Red Cross teams.
- Coordinated with GIS to map and analyze city of Flint apartment buildings to send out water resource team.
- Worked with GIS to develop a map and street addresses for franchise customers to provide to Red Cross water resource teams.
- Team priority visited today: franchise customers.
- City sections visited today: 28, 17, 11, 27, 29, 30, 31.
- City sections scheduled tomorrow: franchise customers, additional to be determined.
- 10 American Red Cross teams scheduled for Monday, February 1, 2016.

o Data is for 1/31/16 as of 5:00 pm:

o Total homes visited.

□ 9,577 (round 3 total).

□ 551 (today).

o Water cases:

□ 6,098 (round 3 total).

□ 426 (today).

o Replacement cartridges:

□ 1,325 (round 3 total).

□ 76 (today).

o Faucet filters:

□ 5,227 (round 3 total).

□ 299 (today).

### Planning Section:

- Published sit rep #26.
- Worked with resource unit leader to streamline the number reporting mechanisms.
- Developed reporting process sheet for situation unit leader.
- Participated in local EOC, SEOC state agency, and distribution process conference call.

### Operations Section:

- o Facilitated state agency and local briefing calls.

- o 42 ARC volunteers were active across the operation today.
- o 194 event based volunteers were active across the operation today.
- o Discussions regarding concerns over handling water donations not on pallets or semi quantities near the end of business hours at the warehouse.
- o Warehouse numbers as of 1800:
  - Water (liters):
    - 620,558.
  - Filters (faucet):
    - 50,360.
  - Replacement cartridges:
    - 369,192.
  - Test kits (prepped):
    - 23,795.
  - Test kits (un-prepped):
    - 0 (all supplies out to ARC for assembly).
- o PODs (1700 1/29 – 1600 1/30):
  - Water (cases):
    - 6,876.
  - Filters (faucet):
    - 325.
  - Replacement cartridges:
    - 595.
  - Test kits:
    - 330.

#### Finance Section:

- EMHSD expenditure report for costs charged to city of Flint water emergency.
- Worked on draft template to be used for state agency reporting; meeting with SBO on Tuesday to discuss reporting needs.
- Reviewed FEMA RRF for estimated costs to date to track 25% match.

#### GIS branch updates:

- Updated franchise customer listing with data from city of Flint website.
- Mapped apartment complexes.
- Provided final map of lead service lines and began validating results by comparing to water testing.
- Corrected the PODS dashboard.
- Troubleshooting for iPads.
- Prepared field team maps.
- Completed daily individual team assignments map.
- Conducted heat mapping of water test results.
- Consulted with governor's office representative on public facing mapping options.

#### DTMB:

- Print & Graphic Services providing translation of lead fact sheet and printing for water testing document.
- Providing four drivers to assist with transportation of supplies on Monday (three for point of distribution sites and one for food bank).

#### DHHS-CH:

- CHECC remains active at level 2, continues to staff hotline to answer any health related questions that 2-1-1 is unable to answer.
- CHECC is also working with the GCHD to assess the potential need for volunteer staffing and management support, as well as a communication strategy for messaging to pregnant women and oral health professionals.
- UCG will be setting up four (4) Task Force Teams:
  - o Health and medical task force – Led by HHS
  - o Human services task force – Led by Administration for Children and Families
  - o Water quality task force – Led by EPA and ATSDR (CDC)
  - o Nutrition and education task force – Led by USDA

#### DEQ:

- 205 test kits delivered to lab.
- Assisted website update to ensure documents can post in the "DEQ Reports to the EPA" tab.
- Developed a data spreadsheet with graphs of water testing results by month, showing total tests for four threshold categories.

#### Local EOC Update:

- Addressing various public concerns, including concerns regarding filter efficiency.
- Establishing procedures for receiving incoming donations of loose water at overflow locations.
- Established rapid response delivery plan with ARC and Team Rubicon.
- Coordinated rapid response deliveries to homebound residents and special locations.
- Coordinated with VRC for door-to-door distribution of recycling information and supplies.
- Genesee County Board of Commissioners meeting scheduled for 02/01/2016.

#### Incident Response/Recovery Priorities/Objectives

(Objectives are in order of priority with original objective number attached)

1. Ensure all households within impacted community have required resources.
2. Ensure accurate tracking and accounting of all commodities.
7. Gather, analyze, and disseminate GIS data to develop products for future planning.
10. Collaborate with local and volunteer agency partners to solidify the Flint Water Operations Plan.
3. Improve and maintain the public information strategy and process.
8. Maintain coordination between partner agencies and organizations to include FEMA IMAT and the FWCC
4. Develop a long term public health and services plan.
6. Develop an overview of possible assistance programs.
9. Enhance situational awareness and common operating picture of all activities.
5. Continue to maintain adequate staffing to support operational requirements.

#### Emergency Declarations

##### Local Declarations
